

NNJSDA 2019-2020 RAID PROGRAM

The NNJSDA Raid Program promotes interaction among clubs and provides a financial incentive for visiting other member clubs. Points are awarded for each raid based on the distance between the clubs (see attached Raid Chart).

Raiding Goal: 200 or more points
(Program can be completed twice in each dance season)

Raiding Rewards:

- * **Fun of dancing with other clubs** * **Reduction in NNJSDA dues**

Requirements/Guidelines

1. Raid must take place between June 1, 2019, and May 31, 2020.
2. Raid must include at least one square of official club members who pay the raided club's dance admission fee or use a free dance coupon. (Please note: Students do not count for raid purposes, including at student dances.)
3. Raid must be to a regular dance (not a special, dinner-dance, or barn dance).
4. As a courtesy, notify the president of the raided club at least a week in advance that you are raiding and provide the approximate number of raiders.
5. Attached Raid Chart must be signed by an officer of the raided club.
6. Dancers who are members of more than one club, each of which is raiding another club on the same date, can march with each club, but will count as raiders for only one of the clubs (their choice).
7. Clubs may raid any other member club as often as desired, but only one raid to another club can be counted per Raid Chart. If a club wishes to complete the Raid program twice in a given dance season, the same club can be counted again.
8. A club that is being raided may choose to limit the number of marches or ask all raiding clubs to march in together.
9. Clubs must accumulate at least 200 points based on attached Raid Chart.
10. Clubs that complete the Raid Program will receive a dues reduction of 50 cents per member in the following year each time the program is completed (up to twice a year).

How to Use the Raid Chart

1. Enter raiding club's name at the top of the Raid Chart.
2. Circle the number of points where the raiding club intersects with the club being raided.
3. Have an officer of the club being raided sign next to that club's name.
4. When the total number of points reaches at least 200, send the Raid Chart to the NNJSDA Recording Secretary (see page 2 of *Grand Square*).

**Make a copy of the completed Raid Chart
before sending it to the NNJSDA Recording Secretary.**
