From the desk of GABE & SILA DELL'ANGELO, presidents - NNJSDA

In our world of Square Dancing, it is significant that class graduations coincide with the coming of Spring. We have repeated this again and again. New dancers are refreshing....your enthusiasm is contagious...it revitalizes us. Each Spring our garden of new dancers is in full bloom, we welcome you.

Some time ago, someone, somewhere planted a seed, as a suggestion that you join a square dance class. You took your first step. The class was the soil for that seed. The caller, the "angels", the class chairpersons and the club officers were the necessary nutrients for the seed to sprout and grow. These needs were the basic instructions, the patience and the caring. You contributed to your own growth by accepting the stages which are a part of any new experience. Gradually, from the confusion and the struggles came the realization that, as you learned the calls and started to relax, you were also making friends and having fun, too.

Remember your club's holiday dance? The class level dances? Each phase brought you closer to graduation....now it is here...you did it, you are a square dancer. In your immediate future you will attend clubs that are sponsoring dances geared to your abilities. On April 24th, there will be the Graduates Ball to celebrate. This summer, your Association offers a ten week program especially scheduled for your dancing pleasure. Square Dancing is what YOU want it to be. A social event for fun and friendship; relaxed recreation/exercise set to music; or even provocative, at times. The choices are there. The longer you are involved in the activity the more flexible you will become, knowing always, that those choices are there. You may choose one, or alternate, from one to the other. There will be many workshops offered you; attend if you are so inclined. There are many more calls to be learned; learn, if that is your wish. We would like to caution you....take it easy, slow and easy. There is no need to rush. Relish, for as long as you care to, the dances available to you at Mainstream (MS). When YOU feel the need for a change, the choices will be there. There is so much to be enjoyed.

After all, you are a part of Square Dancing, the National Folk Dance of the United States, enjoy every phase of it. We welcome you, in friendship; we congratulate you, with pride and we ask you, please, "Take time to smell the flowers".

As usual our "pie night" was a huge success. The normal cakes and sandwiches are great, but this change once a year to mostly home-made pies proves quite an attraction to most people. This year it happened to coincide with not one, but two raids. Fortunately for our bakers a third raid set for that same night was cancelled at the last minute. (We're looking forward to seeing that club another time.) It is amazing how fast pies disappear when over 20 squares of hungry dancers descend on the food table between tips. We enjoyed being the "raidee" on that occasion, but also had great fun as the "raiders" invading the Country Promenaders one Saturday in January. Coincidentally, our January "Pie Night" dance was "Presidents" night. If we counted correctly 21 Presidents accepted our invitation and attended that dance. They were honored with a grand march and a tremendous ovation. Then they were asked to put on a "demo" dance to the calls of Mike Foley. From all the old-timers comments, it was the largest number of presidents attending such a gathering which they could remember. See you all on the dance floor.

An enormously successful Chinese Auction was held in January. The hall was packed with dancers, including raiders from Tenafly Squares & Mt. Pleasant Squares. The auction added a new excitement, & at least 60 persons went home as winners! Paul Brody calling squares & Ed/Les Shearwood cueing rounds were in top form, and everyone had a fine time. Many thanks go to Norma Vent & Jim Palmer who orchestrated the event. The next Saturday nite special is our Presidents Ball, featuring the Castoffs.

Our club level/class level dances, with Bruce Vertun calling, on the second Wednesday of each month continue to draw a big crowd. The students are obviously working hard, dancing to many different callers at the many class level dances in the area; and they will be more than ready for spring graduation. Square dancing is the best way we know to slither (to borrow a phrase from one of Will Larsen's calls) through the dreary winter months, and the Western Wheelers are doing their share in providing a fun evening. We invite everyone to come out and find out what we are up to next! Watch for our flyers and check our ad.

Congratulations GRADUATES! Welcome into the exciting world of square dancing. Remember to look into the envelope that you receive on Graduation night. There are a lot of exciting things in there. Plan on visiting clubs to get your Patron Dangle and make sure to get your Century Club Book to get the autographs of the callers you have danced to. It adds a new dimension to your square dancing life and it is a great way to meet new and old friends from all over the state. It will be almost vacation time, so we hope that you plan to bring your square dancing clothes with you wherever you go and use them to meet different people in other states. We also hope that you all have pleasant vacations and get back safely.

We had some very good dances that we shared with all of our friends - new ones and old ones. (AD on page 10) Don/Helen Hendrix 201-697-5376

We're eagerly looking forward to a busy Spring calendar. Our VP Ray/Alice Raimondu are busy thinking up new ideas for our upcoming Specials. A committee also has been formed to plan for our 15th Anniversary Dance. Planning for our Special Benefit Dance for Danny Titus has progressed superbly under the capable direction of Fred/Kathryn Hill - super people giving so much time & energy for a super cause. Our long range plans call for a demonstration for Hackettstown Hospital on the 4th of July weekend. A gala affair has been planned by the hospital & we will gladly participate. Our dances this winter have been great with so many clubs paying us visits. Our cherry smiles, good dancing, super refreshments & great "Yellow Rocks" all help to keep dancers coming back. Congratulations to all new graduates everywhere. We welcome our new graduates into W.W. Our prayers & good wishes go out to Sally/Wilson Hoff. By the time this goes to press we all hope Wilson is well on the road to recovery & again back to his favorite pastime - calling for square dancers. See you in a square. Happiness is - Square Dancing...more so now that Gov. Kean has signed the proclamation designating our activity the "National Folk Dance of New Jersey". Our January dance was a dual attraction ie: a free dance for NNJSDA delegates, and the celebration of Paul Pullman's 81st birthday, with a luscious cake supplied by wife Dorothy. TT's dances always convey fun and fellowship with John Kaltenthaler on squares and Doc/Peg Tirrell on the rounds. Wayne Applegate, our guest caller for February, was enjoyed by all. If you haven't visited TT this year - come on over and give us a go - especially at our International Dinner Dance in March (but please call first so we'll set a place for you!). Amateur night is in April!!!

The new year is off to a great start! In spite of the threat of the season's worst snow storm on the night of our JANUARY dance we had a record attendance, including many talented students from the Spinning Wheels class. This year's Booster Tags arrived with the Tirrells, so we had the opportunity to tell these new dancers about Boosters. We were able to sell tags to over 50% of the dancers present. (those who didn't buy wanted to buy through their home clubs.) Everybody enjoyed the friendly atmosphere of the snowball (paper) decorated hall, the relaxed calling of Fred Weiner & the delicious refreshments. Many of the visitors are looking forward to return visits with our other caller, Paul Brody.

Under the leadership of Jo Terminello, we raided Western Wheelers in January & raids are being planned on other local clubs. With Spring only weeks away (we won't talk about our February snow dance!!!) we hope to greet many new dancers before our season ends with the May pot-luck supper & dance. If you haven't danced with us, you've been missing a lot of good dancing. C'mon over!
Frank/Marie Poole 201-342-3375

Follow Up - CALLERLAB strongly suggests instead of pushing new graduates into the many plus workshops available which might be discouraging and frustrating to the newer dancer, let our graduates experience the fun at dancing at the level at which they graduated and develop expertise at that level for a year or more before they move on to a new program. With this in mind, we include a listing of the levels club reporters list their club as dancing. Those marked with * have indicated they are lowering their dancing level to receive and encourage (rather than discourage) the graduate.

MAINSTREAM clubs include: Circle Eights, IDTT's, Lakeland(1,3,5), Ocean Waves, Spinning Wheels (1,3)*, Swinging Squares(teens), Y Squares *.

QUARTERLY SELECTION clubs include: Belles & Beaux *, Rutgers Promenaders, Solitaires, Tenafly Squares, Tenakill Twirlers, Warren Wheelers *, Western Wheelers.

PLUS Clubs include: AL"e"MO Sq*, Cloverleaves(DBD), Country Promenaders, Covered Bridge Sq, Cross Trail Sq*, Dancing Sq, Grand Prowlers, Hanover Sq, Hi Taws, Hill City *, Hix & Chix*, Isle Sq*, Kings Sq *, Kittatinny Rangers*, Lakeland (2,4), Leisure Sq, M T Squares, Merri-eights, Richmond Dancers*, Princeton Sq, Reelers, See Saw Sq*, Somerset Hills Sq *, Spinning Wheels (2,4)*, Staten Square Set, Sussex Spinners, Swingin' Stars*, West Milford Flutterwheels(alternate tips)*, Kuntry Kuz'ns, Valley Squares.

A 1 level club - Mountain Squares; A 2 level clubs Montvale Sq(Wed), Ramapo Sq.; C 1 level clubs Colonial Squares, Montvale Sq (Fridays).

Caller Dot Loewenstein is serious about starting a BASIC S/D club in Bergen County. As a starter she's sent letters to all clubs explaining her program & requesting names of drop-outs & potential members. To all will be mailed a "Come Back to Basics" flyer, explaining her program and the birth of the new club F.A.B. (Fun At Basics).

If you have names for Dot, drop her a line at 77 Lincoln Avenue, Elmwood Park, NJ 07407. Ever since the demise of Odds & Ends in Cranford, people have expressed a need for a BASICS club....and finally someone is going to do something about filling in this void. She can't do it alone-send in potential dancers' names to Dot. May her hall overflow with dancers.

Do you hear and read what the ad agencies are putting in their customers' copy? "We treat you like a person." Humph! What do we say - welcome to the club. Not that we are given to bragging, but we always regarded square dancers as real live people. Even visitors at our dances can see that each person is important. However, that is from the outside looking in. We who partake of our favorite activity have another benefit. It is almost an intangible - and there is plenty to go around. What is it, you ask? It is this incredible sense of well-being that we take home at the end of a Square Dance. So with Prez Art Taylor, Ed/Les Shearwood on the rounds, and all the wonderful people who help turn our dances into parties, we invite you to partake of our "intangible". Once again - rounds at 8 PM - squares - usual time. See you around a square.

The Christmas holidays in Sussex County were very festive this year. Our Christmas Dance was a special class dance. The first dance for the members of our 82-83 class & it was hard to tell who enjoyed it more, the "old" Spinners or the Spinner Beginners. We welcomed in the New Year at our 2nd Annual Silver & Ice Ball, a gala affair with entertainment provided by the strangest beauty contest ever witnessed by this reporter! The beauties that graced our stage left the Miss America Contest with nothing to fear! Adding to the festive air were the shower of balloons, noisemakers, wonderful food, great people and, oh yes, square dancing. In addition to John Kaltenthaler we were lucky to have guest caller Wayne Moser, from North Carolina and rounds were cued by Carol/Jack McLaughlin. It was a truly spectacular evening.

The Spinners were delighted and proud to have had the highest percentage of membership represented at the association dance in January. We had 32% of our membership present. We intend to repeat at the next Association dance so come on out and try and top us! As we begin the spring season we are looking forward to lovely weather and the opportunity to dance with many new graduates so happy dancing and come dance with us this spring. Our annual Christmas Dance was a great success - the decorations and the food were fabulous. Many thanks to the Chairpersons, Eileen/Ken Mering who were ably assisted by Chris/Tom Picocco. Our student dancers performed admirably, which is a tribute to their abilities and to our Caller/Instructor, Frank Riviccio. A most deserving couple, Rae/Joe Troiano, was awarded the Blue Jay award in recognition of their efforts & contributions toward square dancing and to their club. Congratulations to you both, you have earned it. SSS takes great pride in the Blue Jay award and all of its recipients.

Attention everyone! Please make note of the following dances/events on your calendars. The second dance in April is the Graduation Dance and to all our graduates, our sincere congratulations for a job well done. To all past graduates, we ask that you welcome our new club members with open arms. The new dancers will appreciate your help and understanding. The Installation Dance will be held on the third Saturday in June, watch for additional info in the near future. Matty/Bev Blaine have informed us that "Big Top" registration is now open. Gert/Arnie Johnson will accept your registration fee. We extend a warm welcome to all square dancers, on and off the Island, who enjoy dancing with a friendly group and like squaring up to great callers. Join us every 1st & 3rd Saturday for good mainstream plus dancing.

 SPINNING WHEELS OF WAYNE, N.J. (1/3MS; 2/4 +)

every Monday Civic Center, T006 Hamburg Turnpike

Being the presidents of a club is often a hard, thankless task, but occasionally things happen that make it all worthwhile. Chuck/Mary Anne Mosseau found that out as our 2 benefit dances for Art Simpson raised a total of \$400. Our first dance should have earned a dangle for dancing sardines. We even had a couple in the hall doing a do sa do with the punch bowl. The second had a good nine squares. We wish to thank all who came from so many clubs and made this possible.

Our decorating committee deserves acclaim for their beautiful mitten decorations for our winter special.. That and their snowflakes last winter shows us we have the biggest bunch of cut ups in the association. As we write this, ground hog's day tells that spring is coming. Bill/Norma Miller are planning our spring raids and special events chairman Fran/Hank Von Glahn are thinking ahead to spring events. We are eagerly awaiting graduation of a great class. Spinning Wheels is ready to burst forth like the flowers of spring.

(AD on page 9) Keith Douglas 201-839-3531

It's true the graduates are coming with skills you wouldn't believe. Professor Bob has done it again. Yes folks, they're trained and ready to join the ranks of Somerset Hills where people care enough to help the new dancers. Successful and entertaining class level dances were held in February & March. The graduate night will be the last Tuesday in April. We extend our warm congratulations to class members MaryJo & Jim Casey who were married recently. In January Bruce Busch called a lively dance with his characteristic unique variations of standard calls which were entertaining and challenging. We learned to wait for the completed spoken call when he called "Ladies chain - to the left (or right)". As usual Bruce's skills were a calling card to many of our old friends all of whom we're to see. Come to the Ridge where the friendly people meet.

1 & 3 Sunday

Community House, 242 Main Street

Artfully called by teachers Betsy Gotta & Jim White (Chrm. Jeff's no kin brother), the students dance was much enjoyed by all. Snow in January did not keep dancers away. Our New Year's dance "suprizing" to guests was free! Hope your Valentines Day showed love; our sweethearts day was in February. Recent visitors have included our first president, the bike riding Henry Bale from NC and raiders from Lakeland and Covered Bridge.

Since we have room, we'd like to include this original from L J Palumbo. Square dancing is an activity, which can be enjoyed by all,

But the first thing you must learn, is to listen to the call;

The callers will always cue you, for the moves they want you to make,

It's up to you to do it correctly, for the rest of the squares sake;

For you don't dance alone, or only with another,

There are eight people in a square, relying on each other;

If something should be called, that you don't understand,

Don't worry about it then, expect a helping hand;

For there usually is someone, who hasn't any doubt,

And they will do their best, to help the others out.

Square dancers are a special group, unlike any one,

Their main objective on the floor, is to dance and have some fun.

Big doings here at Rutgers this semester. The Promenaders raided Dancing Squares in Cranford in February. Many of us who hadn't danced + in a while hoped to sharpen our skills for the upcoming college weekend with MIT Tecg Squares. Unfortunately that trip was scheduled for February 12 the day the blizzard of '83 hit the entire Eastern Seaboard. We are currently trying to reschedule it for sometime in March. Several foresighted dancers went up on Friday thinking that the storm would go out to sea and miss Boston!!! Only to be trapped by 2 feet of white stuff!

We now have a date for our annual live music special - third Sunday in April. St. Elmo's fire will be the musical accompaniment. Last years Live Music special was held on Mother's Day and we still had a packed hall so get ready for a good time! (ED note: The discerning reader will note this was phoned in after deadline. Hope the snowbounders got back safe.)

Frank/Helen Cavanaugh ask all to save THURSDAY, MAY 19, 1983 - This is the special day set aside in conjunction with the Arts Council of NJ to celebrate the signing of the bill designating the S/D the American Folk Dance of N.J. The street in front of our state capital in Trenton will be blocked off from NOON to 2 for the festivities. Donating their services are Manny Amor & Joe Fioretti on squares & Doc Tirrell on rounds. Come in your prettiest costumes - bring banners & pray for good weather as we'll dance rain or shine! Your newly organized Square Dance Council of N.J. is hoping for at least one couple (why not make it a set) from every club in our Garden State. Watch for flyers giving all details and parking maps.

Frank & Helen have worked hard and long to get this bill passed in our state. Let's all turn out en force to show them our appreciation.

And EXTRA SPECIAL - CORINNA ROTH, who at our NNJSDA Delegates Meeting last January unveiled her lovely porcelain sculpture she plans to present to President Reagan in honor of the National S/D bill, has very graciously volunteered to present a special miniature S/D porcelain to Gov. Kean to honor this occasion in New Jersey.

Plan now to take the day off and be there - dancing from NOON to 2 PM.

RICHMOND DANCERS -- Castleton Corners, Staten Island, NY (+)
2 & 4 Saturday St. John's Lutheran School, 663 Manor Road

The new year at Richmond got off to a glittering start with Betsy Gotta & Glenn Cooke calling our January Dances. This was 100% improvement over January 1982 when both of our dances were cancelled due to dangerous travel conditions caused by ice & snow. Our R.I.O. Beginners' Class is progressing satisfactorily. To date, our class level dances have attracted an average 12 squares. Five car loads of RIO's also attended the NNJ-SDA class level dance in January. RIO graduation is scheduled for mid May (increasing the number of lessons to 34) with work shops to follow graduation. Retention and proper education of the new dancer is of primary concern. Our May Pot Luck Dinner is in the capable hands of Sue/Jim Valentino and they have exciting plans for this major Spring event. Be on the lookout for flyers. RICHMOND DANCERS WILL, IN THE NEXT FEW MONTHS, ANNOUNCE SOME IMPORTANT HAPPENINGS. BE ON THE LOOKOUT FOR FLYERS & GRAND SQUARE ADVERTISEMENT, Florence/Joe DiSano 212-761-2451

We will have 21 new graduates and we wish to congratulate them all. Let's have a big turnout of members for the graduation dance to welcome them to the fun world of square dancing. We also wish to thank Bob/Lois Allen who did such a great job substituting for Wilson Hoff during his recent illness. Heights School, Seminole Avenue

At the membership meeting held right after our last dance in Jan, the Nominating Committee (Laura/Joe Fletcher; Dot/Les Manuel, Eleanor/Frank Malfet) presented their slate for the new year: Pres-Ellen/Ed Gallagher; VP-Eleanor/Frank Malfet; Treas-Elsie/Harold Happe; Sec-Gloria/Al Brandt...and the vote to accept was enthusiastic and unanimous. Ed Gallagher's first order of business as he took over the meeting was to express the club's gratitude and appreciation to outgoing officers-Bud/Jinny Allison; Chris/Bill Watters, John/Ann Natalo & Marilyn/Martin Graber. Their exemplary performance of the many duties and functions that go into running a club was matched by the warmth and willingness with which all those jobs were undertaken. Ramapo has been enjoying such a successful year, the usual post-holiday let-down and midwinter doldrums are all but non-existent. Attendance has been surpassing expectations, we see new faces at every dance. Squares remain computerized; ever-popular Peg/Doc Tirrell are on Rounds. If your level is advanced and you dance for the stimulation and sheer pleasure of it, Ramapo is your club! See our ad for upcoming dates & callers the best, by the way, and most popular in the whole region.

We continue to flourish under the expert A-1 calling of Joe Landi. The first two dances of '83 have been the best attended of our season, and - knock on wood - the winter weather has so far been very kind for Joe's long drive from Somers Point. Joe's interesting DBD positioning and his ever changing call sequences keep us all on our toes, but never diminish our smiles or dim the happy sounds of laughter that make our dances such fun. We cordially invite all A 1 dancers to come join our good time; computer squares make it especially easy to mix right in. Remember, we are dancing 5th Wednesdays. We're excited about the Club's 25th Anniversary Dance, to be held in May. We plan to make this an evening to be remembered. It will be a ticketed affair, with no admissions at the door. Tickets are on sale now, & may be obtained at our Club Dances, or by contacting Pat/Jim Campbell at 201-521-1387. Fortunately, this year (so far) the weather has not cancelled any of our dances, & we thank our friends from the many clubs who have been supporting our dances. In February we raided B Sharps, and by doing so became the first club to pin their new banner.

Our club will be marching in the Memorial Day parade in East Brunswick & will dance after the parade, with Glenn Cooke calling. We invite our friends to join with us. Thanks to 2 VP, Wayne/Rita Applegate, we've started something which will help keep our refreshment costs down. Our members are donating coupons for snacks, soft drinks, coffee and other items that we serve at dances. We have a "coupon box" at the refreshment table at all our dances. Already we can see the savings.

Our thanks to Frank/Helen Cavanaugh, whose persistency finally paid off as Governor Kean signed the Bill, making the Square Dance New Jersey's official folk dance. Our best wishes to Max Nosker, recuperating from eye surgery, and to Glenn Cooke hobbling around on a broken toe. The square dancing grandparents strike again! Congratulations to Corretta/Bob Redding on the arrival of their ninth grandchild.....a charming 8 pound young man. Now you'll have to admit that's a tough act to follow ...but Ann Noval is making an honest try. She is now the proud owner of a brand new drivers license. We're all proud of you Ann. Al/Olga Kabana are investigating larger dance hall facilities. If they are successful we'll still be the same close and friendly club but we won't literally be rubbing elbows anymore. Look for more details on a mystery bus ride Mike/Mary Adelman are planning for us in March. Be sure to circle the last Monday in April so that all club members can attend the class graduation at the Avenel Learning Center on Woodbine Avenue in Avenel. We have a really special class this year...a fun group that should prove a welcomed addition to our club.

Our December Dances including the "Xmas Party" were great & so was our attendance. Our Jan. 15 dance was cancelled due to the inclement weather. We're looking forward to some good dancing with our members & guests for the rest of the season. The third Saturday of May will be our "Dinner Dance" so look for our flyers. In January we raided the Warren Wheelers. They were taken by surprise & had a great time. Our class will be graduating in May. Dalt Young & his wife Barbara, are doing a terrific job teaching them. We also thank our "angels" & other members who come to give their support to the class. It's very encouraging for the class knowing that they have someone to help them when needed.

A bit of news about Dalt/Barbara's son, Dalt, Jr. He has been living up on a Bill Board, yes, Bill Board, since the latter part of September and is still up there with two other men, on Route 22 near the Lehigh Valley Mall. Whoever lasts the longest will win a new home. If necessary, Dalt Jr. intends to stay for two years. Good luck.

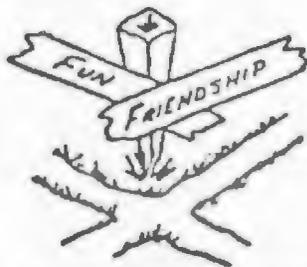

On the bright side, Eleanor Higgins had surgery recently & is doing just fine. But, will not be dancing for several weeks. We miss you Eleanor/Larry and looking forward to dancing with you real soon. Bill Odenwelder is recuperating from an illness. We wish Bill "good health" & that he & Aggie will be back dancing real soon.

1 & 3 Wednesday

Stillwater School, Route 521

Here we are well into 1983 already. We had two good dances in January and then on the 28th our club raided the Sussex Spinners with almost five sets. It was an impressive turnout and our presidents, Wayne/Joanne Hach were with us. John Kaltenthaler called and we all enjoyed the dance very much, and went home happy. The next evening we received the saddest, almost unbelievable phone call. Wayne Hach, while driving home from work, pulled off the side of the road, and passed away. He was such a strong, healthy looking fellow, but he had a heart attack. We are so saddened at his passing, and our heartfelt sympathy goes out to Joanne and their children. Wayne would want us to keep dancing and so we will, and we hope Joanne will stay with us.

Our class is coming along nicely and we look forward to their graduation and to welcoming them as club members. Come and dance with us whenever you can! You are always welcome. Pat/Lou Massey 201-383-2156

KINGS SQUARES -- Bay Ridge, Brooklyn, N.Y. (+)

1 & 3 Sundays

Presbyterian Church - 367 94th Street

In December we had our annual Holiday Dance that was well attended by members & guests. We all enjoyed a sumptuous table of homemade treats and were delighted to dance in a beautifully decorated hall that looked like a winter wonderland, complete with trees, holly and Menorah lights. The Kings Crown Awards were presented that night to Esther/Sid Cohen, Lenny/Roberta Feinman, & Lucille/Mel Zolty for outstanding service to the club.

We have held four raids to date & four more are planned so that our goal of ten for NNJ's 25th year Fellowship Award is well within sight. Congratulations are in order for Phyllis Raymond and Danny Ames and for Bill Quilty & Nancy Trent who recently announced their engagements.

We wish to extend our deepest sympathy to Lou Murray on the death of his mother, Julia and to the family of our club member, Herb Perry, whose untimely passing has saddened all of us.

ED note: We apologize for the gremlins who misplaced the paragraph of KINGS SQUARES appearing as the "Best Club Trick" in the national publication AMERICAN SQUARE DANCE with their KINGS SQUARES S/D alphabet. It's placement errors like that, that give editors gray hairs, sleepless nights and many phone calls!!!

S/D Foundation of New England - continued from page 14.....

The Foundation is beginning a fund drive to purchase the once popular S/D haven Kramers Hayloft in South Weymouth, MA. Memberships in the Foundation are available to individuals & clubs. For more info, contact the Tirrells or write PO Box 329, Beverly, MA 01915. NNJ old timers may recall our Ass'n early days when our Board tried unsuccessfully to find a home for NNJ. We wish our neighbors to the Northeast every success.

Badges & dangles are very much a part of the S/D scene. Every club has its own special badge which members proudly wear. Little discs (dangles) can be earned for a variety of reasons. Usually each disc has a line drawing denoting its reason. Some of the ones your NNJSDA awards are:

1. Awarded to graduates of member clubs with perfect class attendance; Class coordinators keep the records. Given out at graduation.
2. Earned by current year grads who attend 8 of 10 NNJSDA summer dances. Attendance is recorded on special FREELoader cards included in each grads packet. Awarded at last summer dance; recipients also entitled to free admission to all Ass'n dances (not LUST/MINI) thru following May.
3. For dancing at 26 member clubs. PATRON's card with rules & room for signatures are included in every graduate's packet. No time limit.
4. Attendees at LUST (Let Us Speak Together)-NNJSDA's Leadership Seminar dedicated to helping all better understand the workings of a S/D club get one. A biennial meeting held 2nd Sunday in Sept. in even years.
5. For celebration of National S/D Week (begins 3rd Monday in Sept) NNJ-SDA sponsors poster contest. Winning artist receives this.
6. Red state of NJ with center section denoting office held by wearer in the Northern New Jersey Square Dancers Association (NNJSDA).
7. Denotes a past officer of NNJSDA. (President's badge slightly different)

2 & 4 Wednesday Christ Lutheran Church, 121 Cleveland Avenue

We started out the year in grand style. And we have had some great callers to pave the way... Frank Riviccio, Ralph Trout, Bill Anderson & Mike Cleary. Graduation time is here once again. Marty Clifford is doing his usual fantastic job with the class. Did you know that this is the 12th year for Marty to be teaching? We at Isle Squares just celebrated our 20th Anniversary. And what a gala affair it was. The dancing was great (of course) & the goodies were out of this world. Congratulations to all of you students who are about to graduate. Welcome to the world of square dancing. And we at Isle Squares welcome you with open arms. So come on down and get your feet wet and enjoy a wonderful night of dancing with us. Happy dancing to all. Just see the following list of members who've received Traveller's Badges Flo Capazzi, Ed/Joan Gadowski, Vicki/Milt Kintel, Bill Peckham, Mary Lou/George Baurhenn, Norma Vent, Jim Palmer, Pat/Jack Chisholm, Jane Mello, Scotty Taylor, Audrey Holmberg, Bob Stephans & Connie/Jack Thurber. Our members are truly devoted to square dancing. Betty/Bob Daily arranged demos to the Allendale Nursing Home & also to the Christian Health Care Center in Wyckoff. AnneLou/Ray Kuenzler, our Raid Chairman, have been busy lining up raids. We've visited Hanover Squares & See Saw Sq. It's fun to renew acquaintances when we visit these other clubs.

Your reporters regret the omission in last issue of Class Coordinators Pat/Jack Chisholm, who are working with Nancy/Bob Glueck, also Class Coordinators. They've been kept very busy with our 40 students, who are on the last session of classes, with graduation coming in May. Keep up the good work, students! Events to look forward to - St. Patricks Day Dance and a "Yesteryear" dance in April. We certainly don't have time for the mid-winter doldrums, when we have these dances to look forward to. Our presidents, Mary/John Aquino are devoted to our club and we have to thank them for so many "extras" each week. They are GREAT!!!

Ever since Staten Sq. Set's 20th Anniversary, the club has been awarding their coveted Lucarini Award to a couple for outstanding contributions to the S/D activity in NNJ. LUST- NNJSDA's Leadership Seminar - The Margo's distributed a wrap-up report of the various panels & discussions at LUST. Each club was asked to post it at club dance so all could read it.

CONSTITUTIONAL AMENDMENTS - all accepted with minor changes in wording...

S/D Bill - Frank/Helen Cavanaugh announced that Gov. Kean has signed the bill designating the S/D the American folk dance of NJ. He then introduced Corinna Roth, a porcelain sculpture artist, who unveiled the beautiful S/D porcelain she plans to present to President Reagan...

Discussion - Class Level Dances - Are there too many? Should there be some sort of clearing house established to coordinate dates? How can we develop a means to prevent an overkill yet provide enough class level dances to our class members? Should more clubs not only combine their classes but also class level dances??

GRADUATES - Do we encourage them to go too far, too fast? Discussion followed on how to help the new graduate become a satisfied club member.

New Business - Action Park in Vernon, NJ has offered their facilities to the NNJSDA for a S/D...suggesting the weekend of July 30/31. This presented a problem as the NNJSDA would like to hold a special 25th Anniversary Dance July 30. The delegates empowered the Board to study the proposal & then decide upon the best course of action. Rose Parade Float - Herb Arkin suggested as many dancers as possible fill out the form and apply to be chosen to be a float rider in the Tournament of Rose Parade in 1983. Montville, NJ Adult Education would like to add S/D classes to its program. If anyone is interested in helping, notify Herb Arkin at 201-227-4241. Hostesses for the meeting were M T Squares and Merri-Eights. President Gabe Dell'Angelo thanked all for digging out in time to attend the meeting. Next meeting- April 17, 1983 at 2 PM. Vincent Methodist Church in Nutley, NJ (Same place). All are welcome to attend.

Bee Meadow School, Reynolds Avenue

We are moving ahead into the second half of the S/D season with our new home at Bee Meadow School. We have a tremendous dance floor and fantastic facilities for good dancing. Our growth in squares at each dance is proof of the pudding as last Club Dance had 22 squares comfortably dancing. We are happy to see you all and anyone having any suggestions to improve our club's functions please feel free to talk to our Presidents Rudy/Kay Sauer. Our Xmas Dancers decorated our Love Xmas tree with donations used by Joan/Roger Morgan to purchase some needed things for needy families in the area. Thanks loads to all members and visitors who dug in and contributed. For upcoming events be sure to read our ad. Keep GRAND SQUARE handy so you can keep a check on us. We had a very successful raid on Ironia Reelers since last writing. Let's all remember it is important to support other clubs as well as our own. Happy Dancing.

Our January Dinner Dance was a "Super" Dance in every way, in spite of competing with the Super Bowl. Once again the Brownstone House served a marvelous dinner of Roast Beef & Chicken to a full house. We all enjoyed the evening with dancing before, between and after all courses to Fred Fields & Peg Dockry. Our outgoing Presidents, Bob/

Lois Green were presented with a beautiful engraved plate with thanks for the years of past service to the club. 25 100% danglers were presented to those members who attended all campouts. Door prizes included a striking stained glass replica of our club emblem, a silk & strawflower arrangement, gift certificates and plants. We are now all looking forward to our first '83 campout in May, welcoming our new members and a special treat by George Potts, a clogging teach. See you all at Otter Lake in May.

1 & 3 Saturday

Our first dance in January was cancelled due to bad weather. Consequently our first dance to be held in our new hall was in February. It worked out very well. Attendance was good & we were raided by Rutgers Promenaders. This is a most attractive hall; well lighted; bright & cheerful AND it has a beautiful WOOD floor. Location is not the only thing that's changed. Our new policy is to have more guest callers. The first was Betsy Gotta. In the near future we'll also have Bill Gordon & Wayne Applegate. Next season will also feature several guest callers.

Welcome back to Ree Rumble who has recovered from her wrist surgery. It's great having her back-we missed her. Nice to see Fred/Jane Posselt again. Fred isn't completely well, but making steady progress.

follow up - Square Dance Float in Rose Parade

Carol/Herb Arkin were lucky enough (along with Henry/Alice Thiessen of Dumont, NJ) to be among the names drawn to dance on a S/D float in the Tournament of Roses Parade! This year the Arkins were fortunate to be back at the Rose Parade again, not to be on the float, but to view the celebration. As usual, the California S/Ders were the stars of the event. Even tho John Fogg & Charlie Naddeo has personal tragedies, the float came off without a hitch. This year the float celebrated Square

Dancing as the National Folk Dance. We worked on the float, joined the float dancers, watched the parade & saw the game. We couldn't have been made more welcome. As we left we were told to make sure that NJ/NY dancers both send in their names to be on the float & let John & Charlie know when they were coming out to assure tickets & any other assistance even if the dancers were not chosen to be on the float.

If you want your name to go in the pool for possibly being drawn, send your name/address/phone number/S/D photo of you & partner to SQUARE DANCERS OF AMERICA, PO Box 2, Altadena, CA 91001. MS dancing is required; you must be in Pasadena from Dec. 26-Jan. 1st; able to dance 5 continuous hours; pay all your expenses. Names will be drawn at the NSDC in Louisville.

NNJ dancers have so far contributed over a thousand dollars in white rose sales to help defray 1983 float costs. The Tirrells have just rec'd a supply of roses for 1984 (blue) if your club is interested in helping. Rose bars are also available to display previous year rose support.

Lee Leonardis passed away January 6th. She was a cheery, wonderful person as well as being our Raid Chairman. Our club misses her & hopes husband George will continue to dance with us.

We welcome back Joyce DeSantis. She has been dancing up a storm along with her partner Chuck Conklin after her bout with illness which kept her out for a year. Wish you many years of happy dancing, Joyce.

The Oliers looked great modeling their green & white N.J. state outfits. Clever idea - gold star on the state for your area. Now we are awaiting word that the other associations in the state agreed with this proposed state dress. We are proud of the Oliers, a most hardworking couple. Another couple who deserve recognition in our club are new dancers Ruth/Milton Wind who volunteered their service as Raid Chairman as well as being angels for our class. Doris/Al Moffitt became our first couple to earn a second Patron Badge from the NNJSDA (with a little Gold Star in the middle). This in spite of having Omaha, Nebraska as their "home"? address. Chuck Conklin was the first single to receive a second patron badge several years ago. We note that this year more class level dances are being planned than ever before. We urge all new dancers to attend as many as possible. We are aware that our students have been getting around and are enjoying themselves.

Round Dancers were saddened to learn R/D leader JOHN NASH of Lawrenceville died while vacationing in Florida. He & his wife Winnie were among the earliest of leaders in Jersey travelling many miles spreading the joys of round dancing and encouraging others to join the circle.

Square dancers were still grieving over the loss of LEE LEONARDIS of Covered Bridge Squares when word reached all that the outgoing, energetic WAYNE HACH of Kittatinny Rangers succumbed suddenly to a heart attack. Their loss creates a void in our dance world. Our deepest sympathies to all families.

2 & 4 Saturday Herbert Hoover Jr. High - Jackson Avenue

We have danced our way in '83 and are looking forward to some great events in the second half of the season. The student level Hi-Lo was in February. An error in a previous edition also showed a Hi-Lo scheduled for March 26th. That dance will be at REGULAR level. The mystery bus ride which is all sold out will roll somewhere??? in March. Our Graduation Dance is our second dance in April. This dance is open and free to all new graduates. There are still some tickets available for our Dinner Dance in May with Mike Cleary calling. Contact the Gracchis 201-752-7004 for tickets. We have officially raided 5 times, & more are planned. We want to earn the Fellowship Award from the Association. Club members who participate in 5 or more of the raids will receive special danglers. We get to know each other better when there is visiting between clubs, so remember...you are always welcome to come on out and promenade in our country. Usually, one's first introduction to square dancing began with watching experienced dancers perform at a public function. You get caught up in the fun & excitement, you ask questions, start lessons and BOOM! - you're hooked! Where did it all begin? I read somewhere that the peasant dances of nearly all of the European countries were executed by four couples arranged in a square figure, one on each side of the square, and the steps or patterns were taught by a dancing master! This style of dancing was brought over to this country and modified along the way, for example: The New England or Early American Quadrille was an early adaptation of a European dance that was gradually changed to the more popular western style of dancing. Distances were great in those early days, therefore dances could not be the affair of one small community and dancers would have to travel 100 or more miles to enjoy an evening of fun and dancing. Today we are more fortunate - and square dancing is truly an art. Stop in at Colonial Squares and see for yourself. Tony/Carmen Sorrentino 212-447-0612

If you haven't already done so, please send your BOOSTER TAG money to our NNJSDA Treasurers Rudy/Kay Sauer 41 Claude Avenue, Denville, NJ 07834. Our sincere thanks to the many delegates who really pushed the sales at classes & clubs and to the individuals & clubs who sent along some extra contribution. Your support makes it all worthwhile. To the 2 clubs whose delegates

did not show up at their 1st club dance after the delegates meeting, nor make any arrangements for selling the tags@#!\$Z&@.

To the 39 3/4 paid sets, the 18 FREELADERS, & the NNJ Executive Board who attended the GRAND SQUARE BOOSTER BALL in January - WOW! Thank you.

As you may know, Helen Hardy fell and broke her right hip while decorating Christmastime. Helen is on the mend and wishes to thank you for all of the cards and telephone calls she has received. She said that not a day goes by that she does not receive a card or telephone call. Hope to see Helen/Lou back on the dance floor soon. Helen/Lou received our first honorary membership award in December 1980.

We have a great list of callers scheduled for the remainder of the season, and hope to see you at all of them. We would greatly appreciate your attendance. (See AD on page 25) *Louissette/Bill Nantz* 201-384-8524

As club graduations draw closer we want to remind one and all to put us on your list as a club you'll definitely feel comfortable with as a new dancer. We look forward to seeing you all and hopefully as a valuable part of our growing membership. You'll find happy dancing, friendly people and great refreshments. Ask someone about our mini-weekends in the Catskills and plan to join us next time to see for yourself. Watch for our flyers. Happy dancing until we get the opportunity to say "welcome" in person. Remember rounds at 8 with either the McLaughlins or Tirrells and squares at 8:30 with Bill Heyman. *Dave/Dot Pinand* 201-796-6473

To earn their PATRON AWARD, a dancer must dance with 26 NNJSDA member clubs on their regular dance night (see calendar p. 52) with their regular caller, if they have one. There is NO time limit.

Our newest Patrons include MARY SANDS & PETER CARROLL - Hix & Chix. 4 folks have had so much fun visiting they've gone around twice! This includes our latest couple AL/DORIS MOFFITT, formerly Covered Bridge Sq, who commuted from Omaha, NEBRASKA to finish theirs! Who's next???

It seems like yesterday when we were wishing our class luck with their lessons & here it is time to congratulate them on their graduation! We are so happy to welcome them to full membership in our club. We would also like to congratulate all the new graduates from all the clubs & remind them that we are a Mainstream (MS) Club that dances all summer and we would be happy to have them polish their skills on our dance floor. When last we wrote, we were looking forward to New Years Eve. Our anticipation was well rewarded. What a superb job the committee of VP's did organizing a great evening. Thanks Ed/Diane Matthews, Ed/Pam Schippe and Vern/Marie Verstraete. Thanks also to Paul/Jeanne Brody for inviting us all to a lovely hospitality party at their home before the dance. We've been enjoying raids from so many clubs; we had a very successful raid on West Milford -over 5 squares turned out to congratulate the Flutterwheels on their anniversary. It certainly is fun making new friends and meeting old ones in squares all over the NNJSDA area.

Avenue R Temple, 1609 Avenue R

In December we held our sixth annual "Make a Child Happy Dance" and collected eighty brand new toys which were distributed to Coney Island Hospital and Brookwood Day Care Center. It made an awful lot of children happy and we felt amply rewarded. As usual, Al Moses donated his services gratis for calling squares as did Joan/Jerry Newman for cueing rounds. It is our belief that all clubs should hold more dances for worthy causes (and God knows there are plenty). Besides, if we do enough good deeds, eventually we may get a ride to Heaven instead of that other place --- it gets awfully hot down there.

At Association or National Convention dances the different levels of square dancing are usually held in different halls. It would be an excellent idea if some clubs would hold dances at different levels. The advanced dancer could dance at all levels and the class level dancer wouldn't feel left out in the cold. In fact, the hot hash to wind up the evening might even be a challenge tip. There are probably as many dancers that would like this type of set-up as there are those that specialize in one plateau only. The atmosphere of having different levels of dancing during the evening would be ecstatic and it would improve the camaraderie of everyone present. Bea/Al Axelrod 212-854-2401

This issue the SQUARE PINCUSHION works with BORDERS.....

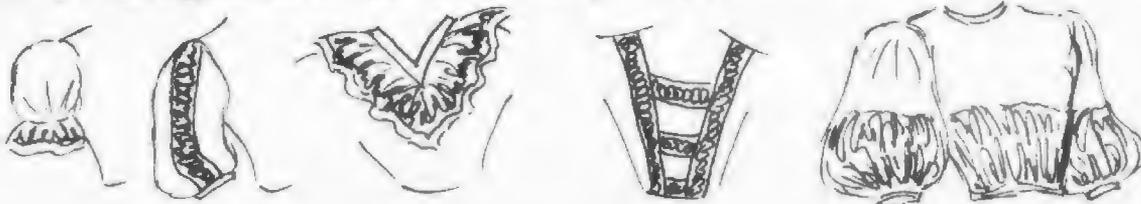

For special effects and eye-catching outfits, try a border print or a piece of border trim. Since it takes many yards to be effective, watch for some fabric sales to find remnant lengths of border fabrics. Depending on the width of the border, the remainder will provide you with the bodice or blouse and of course, the skirt.

Gores or A-line styles or circular skirts do NOT lend themselves to border prints as their hemlines are curved. Straight hemlines are essential. Therefore, flounces, ruffles and tiers are appropriate places for borders in skirts; and, sleeve inserts, cuffs, bodice inserts and straight-cut ruffles are some possibilities for blouses.

In order to utilize a lot of border trim, anywhere from 8 to 10 or more yards fabric are necessary. Remember, you lose part of the yardage to the border. If you find the need to conserve, try adding the border to an area that doesn't need as

much fabric such as the middle tier of a 3-tier skirt, or use it lengthwise in 1 or 2 panels-

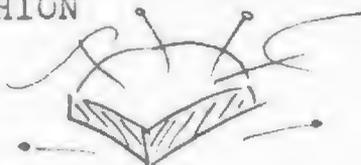

Cut your border pieces first, marking them carefully so that pieces will match when sewed together.

Watch for sales, closeouts and yard sales for buys in border trims. Be sure to wash all trims before using as many will shrink. Borders are usually finished on both edges and can be top-stitched where desired. Trims can be applied over lengthwise seams on a gored skirt but not on the curved hem. Plan ahead so that you place these trims on before the hems so that all raw edges are concealed.

So watch for good buys, someone else's discard can be your find.....

The National Folk Dance Committee report the Public Law designating the S/D as the National folk dance of the USA expires 12/31/83. To give this law permanency Bill 6912 was introduced last August by Congressmen Mineta & Panetta. This bill now sits in the Post Office & Civil Service Committee. Guess Congress is so concerned with taxes, etc. it has no time to consider the relaxation square dancing can provide.

CALLERLAB

The International Association
of Square Dance Callers

CALLERLAB has been publishing a recommended stratification system for several years which we feel properly defines the various programs being danced throughout the country and the world.

There is some misunderstanding as to our purpose & some misuse of the terminology that we established. CALLERLAB has identified the following Dance Programs:

- B Basic Program - CALLERLAB list 1 - 48
- MS Mainstream Program - CALLERLAB list 1 - 68
- QS Quarterly Selections - MS plus the current Quarterly Selections
- PLUS Plus Program - QS plus the 27 calls listed in the Plus Program
- A1 Teaching Progression - Advanced Program - All above & the calls listed under A 1.
- A2 Teaching Progression - Advanced Program - All above and the calls listed under A 2.
- C1 Basic Challenge Program - All above & the calls listed under C 1.
- C2 Extended Challenge " - All above & the calls listed under C 2.

As can be seen all programs include calls from previous lists. It is not the intent of CALLERLAB to try to force anyone to call or dance at any particular level. Clearly programs beyond QS are not for all dancers. As a matter of fact, CALLERLAB encourages clubs & callers to provide dances aimed at the Basic Program for those dancers who dance less often than once a week.

CALLERLAB encourages clubs, callers & festivals to label their dances for the calls that are to be used in a dance program. For instance, if a plus is to be labeled QS, then the caller could use any call found in the MS Program and the current Quarterly Selections. He/she could not use calls from the Plus Program. If on the other hand, a club is labeled Plus (+) Program, the caller may use all calls in the Plus Lists, the QS List & the MS list. If the dance is labeled a Plus Program Workshop, then the caller should be teaching & using calls & figures from the Plus List. By labeling clubs, halls we hope to provide a better dance program where the dancers will know what to expect & therefore enjoy their dancing more.

We are pleased to see more R/D clubs sponsoring a Sunday afternoon of rounds with their club cuer...the Shipmans in November; Shearwoods in February; Tirrells in March & Schoonards in April. In spite of a snowy weekend, about 50 couples dug out in time to have a marvelous pre-valentine dance with the Rock-A-Rounds. In fact both Ramapo Rhythmaires and Tirrell Twirlers pinned Rock-A-Rounds new banner. Yes - something new has been added in the NNJ area - Round Dance RAIDS! At their recent meeting, the NNJRDLDC discussed RAIDS and decided to follow the guidelines established for S/D clubs in the area with the only difference being that a minimum of 4 couples are needed from the visiting club to constitute a legal raid.

The Council's next R/D special is Sunday afternoon, April 10 in Montville, NJ. Then the first Sunday in November they will sponsor a salute to a most talented R/D couple, Hap & A.J. Wolcott who've written so many popular dances. More on this later. For now, we'll see you at the special dances mentioned above. As the banner Jim/Bettie Coffey made says, "Round dancing is a circle of pleasure." 201-891-0658

1, 3, 5 Thursdays

Bayberry Lane School

IMPORTANT: Our first April dance is at Union Village Methodist Church, Hillcrest Rd & Mountain Ave., Warren (at the blinker light). Easy to find, plenty of parking. All other dances at Bayberry School. We danced our way thru the Winter with Carl Hanks & Roy Gotta - our favorite Pied Pipers. It's a raid! Somerset Hills joined us in March to help us celebrate our 2nd successful year. Fortunately we had a BIG Birthday Cake!

Speaking of success, the Tristram's Beginner R/D Class is at mid-point & often dancing on the "other" Thursdays at the Watchung Arts Center. Call 561-5914 for information. We look back with a great deal of joy on these two seasons as a new club. We couldn't have done it without YOU! And, in that spirit we want to welcome the new square dance class graduates to come dance with us from mid May on thru June. More on that next issue- but mark the dates now on your Class Dance Calendar. (Naturally, there will be + tips, too. Something for Everyone!)

1 & 3 Saturday

Presbyterian Church, Main Street

Greetings to all new graduates from your Kuntry Kuz'ns. We hope that each and every one of you will honor us with a visit some time soon. We are a very friendly club with lots of good food and good fun. For example, recently we had a mummy dance, a clown around dance and a special anniversary dinner dance, our 8th. Our Thursday night A-1 workshops were a real hit, We all TRIED to learn "lots!?"

On a sad note, we do extend our sympathy to Joanne Hach and her family in the loss of Wayne. He was a great friend and we shall all miss him.

We want to welcome all new graduates to the great world of square dancing. The nicest thing about square dancing is the fun and the wonderful people. Our class dances have been well attended and we have workshopped calls giving troubles. Our plus workshops have brought most of our dancers to a good dancing level. We will have a special dance mid April with Paul Brody. Beginning the end of April we will start our workshop for graduates beginning at the QS and progressing thru the plus program over the summer. When a dancer goofs, the whole set may flounder; when a caller miscues, the entire floor may come to a noisy stop - yet, all can quickly recover- laugh off the moment of disarray & all is quickly forgotten in the joy of the following call. BUT, when an editor goofs - the whole world seems to know and the slip remains larger than life to haunt you! BUT, at least when folks inquire, we KNOW someone has taken the time to read the publication...wonder about the slip... and call to verify. And we do appreciate your response.

We apologize to KINGS SQUARES for creditting "The Best Club Trick" in the Burdick's AMERICAN SQUARE DANCE to Al"e"mo Squares. We knew better, having sent in the original article - but something happened in the pressure of deadlines and Holidays. And yes, the dates in the Valentines in Hannelore's Korner ad belonged to another YEAR - long since gone. (This is why date, day & year should always be used in writing ad copy) Errors such as this occur when editors are quickly pasting in late arrivals (with the printer due to arrive any minute) & suddenly realizing the "lift & use" art work has already been used in another ad! A frantic search finds a replacement, only the cat throwing up interrupts the "white out" process! Life is never dull! As for others? Anyone want to volunteer to poofreed?

Space & other problems precludes printing a monthly calendar. Instead we will include this universal calendar of all NNJSDA members regularly scheduled club dance night. By comparing the actual month to this page, a dancer can determine who is dancing when. The "where" and other pertinent info will be found in each club's write up and/or ad. We will list on this page all cancelled dances that we hear about. It is the responsibility of each club to keep us informed. Thank you for your cooperation. Happy dancing.
