NORM & AUDREY, Presidents, NNJSDA

With the start of a New Year, it gives us time to reflect on what transpired during the past year and what the coming year looks like. But first we hope that you all had a very Happy Holiday with best wishes for a successful and productive New Year.

The time and effort put forth by the various committees during 1988 & the support of the dancers at the Special Dances, indicates that your Association is headed in the right direction...that is to give you, the Dancers, enjoyable days of Square and Round Dancing. The overwhelming success of the 30th Anniversary Dance, the Mini-Festival and all the knowledge that was furnished at LUST---was very gratifying.

We would be remiss if we did not extend our thanks to all those Sq. Dancers who donated blood to the Blood Bank. Our group number is 9192 & the Association gets credit for all blood donated. It is an ongoing program, which needs your support and we hope it's there if anyone needs it's support.

We start off 1989 with the Mid-Term Student Dance on Sunday, January 29th at St. Aloysius Church. We hope to see many of the Club Dancers at this dance to welcome these newest Dancers into the fun and fellowship of Square Dancing. These are the future Dancers who will keep Square Dancing flourishing and need to be shown that they have your support and cooperation. Don't let them down...

During February, many Clubs will be holding Presidents Night to honor those people who have spent much time and effort to keep the Clubs running smoothly. Although the Presidents are honored, we cannot forget the other Officers and Committees that are necessary to make the Presidents job a success. Our hat is off to all Officers for a job well done.

Speaking of Officers, shortly a nominating committee, whether at the Club level or Association level, will be looking for new Officers to lead for the coming year. If you are asked, consider it an honor to play such an important role in keeping Square Dancing an activity we can be proud of being associated with. Without leadership, our Clubs and Association could not and would not continue to function successfully.

Many Specials are planned for 1989, as well as the Spring Fling and the Summer Dances. We have found that the "One Square is Fair" Award encourages Clubs to have at least one square at the Association Specials, it will therefore be continued. As all details of the Association Dances are formalized, flyers will be distributed. The 1988 Dances were very successful, let's see if can improve...in 1989.

MINI-FESTIVAL #14

The 14th Annual Mini-Festival was held on a terribly rainy Sunday, November 13th at North Warren Regional High School in Blainstown, N.J. We thought that the weather might deter the dancers from attending, but as it turned out, we had 38 squares and found that it was a wonderful way to spend a rainy Sunday. There was something there for everyone. Three great callers, Jim Pulaski and Red Bates from Massachusetts and our own Bill Heyman kept us amused by their jovial antics and had us dancing at a lively pace. We never knew there were so many ways to get into a grand night and left. Al and Gale Spinks gave a superb round dance demonstration and cued all phases of round dancing. Even we novices who only know one dance so far (Frenchy Brown), were able to dance. There were two good-sized halls for dancing mainstream, plus, and A-1, and we even had two squares of C-1 dancers.

The festival ran from 2-9 with a break for supper, and many of the dancers brought their own food and had supper in the cafeteria. All of the tables were nicely decorated and there seemed to be many good things to eat. Some of us went out to eat, and we, personally, had a delicious meal at a cozy Italian restaurant. Many of our ladies shopped at the reasonably priced square dance shop which was set up for us by the Swing Thru Square Dance Shop of Swiftwater, Pa who, in addition, donated several very nice door prizes. Bill and Donna Anderson brought a cake to share with everyone on the occasion of their 17th Anniversary. 22 clubs gave free dance tickets as door prizes. These clubs included: Belles and Beaux, Cloverleafs, Country Promenaders, Covered Bridge, Cross Trail, Hi Taws, Hill City, Hix and Chix, Isle Squares, J & M Squares, Kitteny Rangers, Leisure Squares, MT Squares, Menni-Eights, Richmond Dancers, See Saw Squares, Somerset Hills, Spinning Wheels, Staten Square Sets, Sussex Spinners, Warren Wheelers, and Western Wheelers. We thank them all for their generosity and we also thank all of the people who made this delightful day possible.

Throughout the day everyone was smiling. Great dancing and good friends keep us all happy. People who don't square dance don't know what they're missing. When we got outside at the end of this fun-filled day, we found that the weather had cleared and even the ride back home seemed shorter.

Some NNJSDA Facts & Figures

NNJSDA is made up of 42 clubs in northern New Jersey, Staten Island, Brooklyn, and neighboring Pennsylvania. These clubs consist of approximately 3000 members from a population of approximately 2400 dancers. (Many dancers belong to more than one club.) Of these 42 clubs, 12 are Mainstream, 20 are Plus, 3 are Advanced (A2), and 2 are Challenge (C1). Also, there are 5 clubs that dance both Mainstream and Plus on alternight nights.

Six clubs dance every week (two of these dance all year long). Thirty-two clubs dance biweekly and four clubs dance once a month. The number of dances each club has ranges from eight dances per year through 75 dances per year (one club dances on two different nights). Including NNJSDA summer dances and specials, this comes to over 950 club dances per year.

When you add this to the 24 club-groups that are teaching Mainstream of approximately 30 classes per year, you come up with an additional 720 "dances" per year.

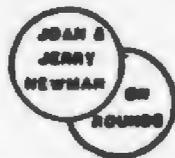

Now add in the non-member clubs and the Plus, Advanced, and Challenge teaching workshops and you have an additional 300 "dances". Add this to the Square Dance Weekends in our immediate area and you have over 2000 square dances during the year. We have not gotten the figures yet on Round Dance Clubs on number of Round dances in our area.

Club members are asked to give a donation ranging from \$2.50 through \$3.50 per person at each dance they attend. (The vast majority at \$2.50) Twenty-nine of the 42 clubs ask non-members for an additional donation of 25 or 50 cents per person per dance. (There are some variations.) Dues run from \$2.50 through \$5.00 per person per year for club members.

The above information was taken from 1988-89 Informational Questionnaire.

From the Desk of....- continued from page 2

We are now in the middle of Grand Square Booster Month. Grand Square is furnished through the LOVE and DEDICATION of a special group of individuals who receive no compensation for their time and effort. However, the printing and associated costs run quite high and are continually going up. In order to continue to publish Grand Square and stay in the "black", we are asking for your support. 100% is not too much to ask...by wearing your Booster Tag and if they can do it, so can we.

In our visitations to the various Clubs, we found that many Clubs have made plans on raiding other Clubs. This practice is strongly encouraged - as not only does it help the Clubs financially but it fosters friendship & fellowship among the Dancers. Let's show everyone that we are proud to be Square Dancers and we hope to see you soon on the Square Dance Floor.

IT'S A RAID !!!!

Club visitations, raids, orbiting squares....are different names for the same basic idea - that of one club visiting another not only for fun and fellowship, but to also help financially. NNJSDA delegates discussed "raids"

at three separate meetings and at the January 17, 1988 Delegates Meeting adopted the following guidelines for CLUB VISITATIONS or RAIDS.

What constitutes a legal visitation (or raid)? For clubs with a membership of 5 sets or less, ONE SQUARE IS FAIR. For those with 5 or more sets, two squares would be fair - BUT circumstances may require modifications of the above by the visited club. (It is suggested that once a visit is scheduled, it should not be cancelled because of poor response.) Since fun and fellowship is the essence of visiting, BOTH visitors and club members should be encouraged to mingle and mix.

All clubs planning a visit, MUST always tell the club to be visited ahead of time. (e.g. Club President, Raid Chairman, Reporter)

A visited club may wish to give or do something special for a "visiting club". (e.g. raiders, with advance notice, to pay member's admission fee).

A visiting club may wish to leave a memento of its visit. (e.g. club badge, dangle, picture, etc.)

NNJSDA Delegates DO NOT encourage the practice of stealing a club's banner. A club at its own discretion, may have a travelling banner to do with as they wish.

Clubs that are visited are strongly urged to return the visit during the same year.

Clubs may wish to recognize its members who participate in a certain number of visits with special dangles, etc.

It is suggested that the Association recognize its member club who have made 5 or more and 10 or more visitations in a year at the Warm-Up dance and in GRAND SQUARE.

ED NOTE: Square dancing, and its related activities, is an expanding friendship that is limited only by the number of people one meets and joins on the dance floor. Since visiting between members of clubs acts as a means of dancers meeting new people & renewing acquaintances with those they have previously met, clubs are encouraged to plan visitations along with their other club activities.... and then to mingle and mix and NOT dance in the same squares all night.

Some clubs have special raid outfits (then we know if they mingle and mix); some do a special exhibition entrance as their "raid" is announced; most in NNJSDA leave some memento of their visit. ALL take pictures - we are happy to share some old, some new, with you.

Happy
Travelling

NORTHERN NEW JERSEY
SQUARE DANCERS
ASSOCIATION

GRAND SQUARE BOOSTER time is now thru the month of February.

Tags denoting contributions of \$1.00 are available from club delegates. Club AND CLASS support is solicited. Your vol-

untary contributions are a vital part of balancing the gap between advertising revenue & printing/Administrative costs. Other than this one drive, GRAND SQUARE is a free service of your NNJSDA. None of the staff receive any remuneration. GRAND SQUARE is a "Labor of Love".

Designs were shown, discussed & opinions sought from all clubs thruout NJ before the official State Costume for NJ was adopted. The NNJSDA has a committee to help its dancers secure the materials to create the outfit. Contact ROSE ERICSON 1232 Glenn Ave., Union, NJ 07083 201-687-0342.

Dancers do not have to have the outfit to participate in dance activities, but when it is worn, the outfit denotes you are from NJ. With NY & PA recently adopting official state outfits, some dancers living in the overlapping areas will have a choice of costumes to wear.

ED NOTE: The caring & sharing of members of the S/D activity has been most evident over the past few months in the outpouring of concern & love for Mike Foley's widow, Betsy & the 2 boys. We asked the Sly's for a story on THE QUILT. The McCabe's letter was unexpected. Elsewhere in GRAND SQUARE is a report from CCNJ on the Benefit Dance they sponsored.

A STORY OF THE QUILT

Isabelle McCabe of Cross Trails is the lucky winner of the Log Cabin quilt that was raffled to benefit the family of Mike Foley. Marianne Foley, Mike's sister, drew the winning ticket at the memorial dance held by the Callers Council of New Jersey on November 20th. Mike's mother, Marguerite Foley, was also present. Both women expressed their appreciation and gratitude that so many square dancers turned out for the dance and shared their memories of Mike.

Over 1700 raffle tickets were sold during an odyssey that took the quilt to 2 memorial dances, 3 association dances, 30 club dances, the Big D weekend, a round dance festival and a campout with the Garden State Campers. For a change of pace, the quilt spent one day hanging out at the Ridgewood Y! Betty Deneke, the Daigreponis, Moffatts, Sherlocks, Slys, and Woerners escorted the quilt, and Dot Loewenstein sold tickets at her shop. At each and every stop there was a warm welcome and generous support for our effort. Many thanks to all who participated: the Shamrock leprechaun who donated the quilt, the committee members who carried it to so many places, and all the people who bought tickets, making the quilt raffle a very successful campaign.

Dear Leprechaun: What a fantastic surprise it was to walk into the Benefit Dance for the Mike Foley Family and to be excitedly told that I had won the quilt. As we recover from that excitement we would like to convey our thanks to the leprechaun who patiently sewed 1200 coordinated pieces of fabric into not only a quilt but a work of art!

Not only do we have the perfect place for it (on our bed) but it was made for the room. Just last winter we repainted the walls an off-white with palest of green tint. The stencil-type border at the top molding carries out the theme. To top off the day, we stopped at Bennigan's in Fairfield for a chinese dinner. On each of our plates was a fortune cookie. Mine read, "An unexpected gift will add to your pleasure." Doug's read, "Your kindness to another pays unusual dividends." Wow! Wasn't that prophetic?

As we enjoy the exquisite quilt, we hope and pray that the Mike Foley family will be boosted by the wonderful spirit of the dance and the raffle and especially by the love of the square dancers themselves. Please be sure to tell the leprechaun how very appreciative and lucky we feel to be the proud recipients of this beautiful masterpiece.

Lovingly, Isabelle and Doug McCabe - Cross Trail Squares

2 & 4 Fridays Y SQUARES -- Clark, NJ (MS)
Carl Kumpf School, Mildred Tenn.

Oh what a celebration! Y Squares 25th Anniversary as a S/D Club. In November twenty-four and one-half squares gathered together to celebrate with Bill Heyman calling squares. Bill was the recipient of Y Squares' Scholarship to Callers School in honor of Bob Kellogg-who with his wife Jean, founded Y Squares in 1963. For 16 years, Bob taught lessons, called Squares and cued the rounds. When Bob died in 1979 Jean continued to teach and cue rounds for the club. Jean was recently honored by Roundalab - for 25 years of service to Round Dancing.

On our 20th Anniversary, a covered wagon (made by Duane Hartline) left our club to travel in the Square Dance World. The wagon made it's way to Canada, Australia, New Zealand and finally, Germany. It returned home in time for our celebration - covered with badges of it's travels and a list of names of our many Square Dance friends.

In honor of the 25th, several members of the club led by Rose Ericson, made a special Square Dance Quilt, which was raffled off during the dance. Each box of the quilt was a S/D couple in their finery OR interlocking squares and circles - representing Square and Round dancing. This is the fourth quilt made by Club members.

During the 25 years, over 1,500 persons were members of Y Squares. A goodly number of these dancers are still members of Y Squares but many have moved on to other square dance programs. We look forward to our 30th Anniversary with the knowledge that we will be there to help many more new dancers ...enjoy Mainstream Dancing.

Mansfield School (MS/+)

Happy New Year to all from Warren Wheelers! Winter is a great time to beat the blues by getting out to a dance. Our class members will be trying their wings at the many class level dances, and our instructor, Herb Conklin, informs us they are doing just fine. We were represented at L.U.S.T. by our presidents, Jim/Muriel Breslin and co-2nd vice presidents, Bob/Ella Yager. Several of our members attended the Mini-Festival and had a wonderful time. Three more demos are behind us - Warren Haven nursing home, Green Township in Tranquility, and 3 Sisters Winery. Our raid chairmen, Dave/Lynn Disbrow, have been busy lining up raids on Lakeland Squares & Hunterdon Flutterwheels. We, in turn, were raided by Sussex Spinners. One visitor went home with the "bread basket" a wicker picnic basket full of home-made breads & jellies, which was donated by Ester Wasser. It sure looked yummy!

We extend sincere sympathy to the families of member Frank Donnelly and former member Charlie Hunt, who passed away recently.

Remember: visitors, including singles, are always most welcome at Warren Wheelers.

It was with great sadness that we learned of the death of Walter Johnson in September when we returned from our vacation out west. Walter always had a smile for everyone, and a great sense of humor. When Walter was there, there was fun and laughter. He is missed by us all - our prayers and sympathy go to Cathy and their family.

Valley Squares is having another great season. Walter/Jane Ness are very conscientious presidents and have a great slate of officers to work with. We have an exceptional caller, Carl Hanks, and outstanding cuer, Steve Bradt. Our refreshment table is always well stocked with goodies, and Maurie/Taras Berlinrut, raid chairmen, have scheduled plenty of visits to other clubs. Who could ask for anything more? Plan on paying us a visit the next 1st/3rd Thurs. You'll be glad you did!

3rd Fridays TENAKILL TWIRLERS -- Cresskill, NJ (MS)
Bryan School, Brookside Avenue

Our Share the Bounty Dance was extra special as many dancers brought canned goods for Thanksgiving baskets, which were given to the Cresskill Welfare Director to distribute. Our thanks to the Rellingers for chairing this project. Elizabeth/Robert Sly were on hand to sell chances on that magnificent quilt which raised more moneys for the Foley Benefit Dance.

It is always a treat to see how the Bryan School children decorate their spacious multi-purpose room. Must have creative teachers! Decorations and a lovely wooden floor for dancing certainly helped to add to the festive occasion of all Tenakill dancers. Come join us, Rounds at 8 with Peg/Doc and Squares, with the Master of Mainstream, John Kaltenthaler - at 8:30.

Due to illness and other circumstances beyond our control, our raid to Hix & Chix just could not garner the needed four couples (1 person shy). Our raid to See Saw Squares in December, was more successful. So the Foderas are busy setting up more visits.

Our Happy Squares - the retired dancers who entertain at nursing homes for Senior Citizens, etc., recently acquired another member, Dick/Dot Meyer (Dot's not retired)...WELCOME. This year we had several Christmas "shows" so Peg Tirrell could dust off her holiday S/D records. If you would like to join the group, call mother "Helen Rellinger".

We are one of the clubs sponsoring New Milford Tenderfeet class. Andy Woerner has done a super job teaching this enthusiastic group. We look forward to welcoming all students to the many dances that are scheduled.

Our January dance will honor all club delegates and we have invited all to join us as guests of the Club. May the weather-man cooperate. Let you know next issue. Happy New Year.

 Community Church, Harriot Ave & Spring Sts.

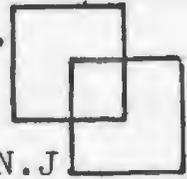

At our October dance, we had a surprise guest caller, Gary Potts, from south Jersey, because the scheduled caller was unable to be there. Gary called a great dance. In November, we enjoyed the delightful calling of Betsy Gotta. When you read this, we will have had our December and January dances, with Paul Brody and Frank Riviccio and we'll be looking to our February dance with Bill Heyman. That will be the occasion for the Mid-Term dance for students. It is an old Tenafly Squares custom-to invite members of the local Square Dance Classes to get a taste of club-level dancing at this time. Veterans are welcome, too, to help put the learners through their paces. C'mon over and see how well they are doing.

We hope that your holidays were Merry and that you have recovered from all of the feasting. We'll be looking for YOU at all of the local dances.

YOU know what YOU said and meant, but can others decipher your instructions???????

This is a common problem for many of us - especially with directions to a hall. PLEASE check and double check the directions - and follow them yourselves - a new light or construction may cause them to be all wrong!!! When trying to describe something, give your prose to someone who has no idea of what you are trying to get across, and see if they can

understand what you said (or TRIED to say !). COMMUNICATION is the name of the game. Hopefully GRAND SQUARE is a good communicator. But we are only as good as YOU communicate with us. Next Deadline- January 29, 1989.

1 & 3 Saturdays STATEN SQUARE SET - Staten Island, NY (+)
 St. Albans Church, 72 St. Albans Pl.

Our club motto "Fun and Friendship" was personified at our 40th Anniversary. 21 squares attended, including many former members, making it reunion time again. Among them were members of Staten Teens (1964-1980) including their first presidents Gene/Jane Lucarini. All are young adults now-hopefully, some may return to SD-they'd be a great asset to S.S.S. Also in attendance were 10 Past Presidents, who traditionally are on this committee, chaired this year by life members, and 1st winners (1968) of the award named in their honor, Gene/Grace Lucarini, and 7 former winners of this prestigious award, traditionally presented at the Anniversary Dance. The magic began with Manny Amor's calling. Manny was our club caller for 17 yrs. (1964-1981). Each time he returns, it's Fun Time at Statens. The magic continued with Joan Newman's cueing for a double ring of Joan & Jerry fans. This year there were 8 nominees for the Lucarini award. All met the basic requirements of 10 yrs. of dancing & 5 yrs. of officership. However, it's the details of their service & devotion to SD & their clubs which determines the winner. The 1988 winners are: Helen & Lyle Van Dorn, who were shocked and surprised. Congratulations!

The last line of a letter from Merri 8s presidents, Sally/Dick McKay, summed up the Van Dorns' achievements: "We are proud to call them Merri 8s & believe that no couple is more deserving of, or better exemplifies, the Lucarini award than Helen & Lyle Van Dorn."

All of us at SSS wish to thank all who shared this gala affair, especially visitors from other clubs, including Isle Square & Ocean Waves, who raided! As happens, much too often, our rejoicing was dimmed by the loss of our dearly loved member, Lydia Tarquinio, whose friendly manner, radiant smile for all, grace, and beauty in a square or round will be missed and remembered always.

SPINNING WHEELS of WAYNE, NJ

(MS&+)

A.P. Tenhune School, 40 Syanamid Dr.

Fall weather has returned and with it, our dance hall has once again become very comfortable. Herb Rivkin is cueing round dancing on M/S nights and Lois Bickler is calling Line Dances on plus nights. They are appreciated additions to our schedule.

Our Tenth Anniversary Dance was held in October with Ray Lehberger calling squares and Lois Bickler on lines. Charter members of the Club attended, as well as some former members and members of other clubs. Everyone enjoyed the Anniversary Cake and dancing.

Our class, of thirty students, is doing "terrific" (according to Dick Pasvolsky), who stepped in for Bob Robinson one week. Since we have 16 single women taking lessons, Bob is going to teach the students both the mens and ladies parts. However, if you are looking for a dancing partner, don't miss our student dances. The class recently had a Fashion Show by Your Left Hand Lady.

The Club had demos at the North Jersey Nursing Home and as part of a show for the Wayne Senior Citizens. In appreciation, the Senior Citizen's treated the demo dancers to lunch at the House of Spain.

We raided Lakeland Squares and the Ironia Reelers. We have jazzy new raid hats - gold and silver - and now even the women wear them, when we do our famous raid formation.

It happened again, the caller didn't show. This time our own Howard Kaplan filled in with no music, singing calls and Herb Rivkin cued round dances. A call was made to Vince Anthony, who arrived with music and he finished calling for the evening. Both Howard and Vince recently graduated from caller classes.

By the time you read this, the Holidays will be over but we wish you a Safe and Happy New Year. See you on the dance floor !

*SOMERSET HILLS -- Bernardsville, NJ (+)
2 & 4 Saturdays Bedwell Middle School, Seney Dr.*

The fall has been a busy time for Somerset Hills. Eighteen of us raided the See Saw Squares in November. Those attending had a great time and are looking forward to our next raid in December, when we hope to join the Valley Squares for their Holiday Festival. We also plan a raid to the M.T. Squares in January. You'll be seeing a lot of us ! ! !

In mid-November, some of our members took part in a special show in Mountainside, N.J. "Gold Diggers" was the nineteenth production of the Mountainside Music Association. Proceeds from the performances benefit music and the allied arts in the community - particularly the schools. We had nineteen participants in the show, including Dan Cox, who called two singing calls for us. We were really grateful for Dan's help, especially all the time that he spent helping us to rehearse. Six of our couples are also round dancers and performed gracefully, to the tune of "It's a Grand Day for Singing". In addition, two of our members played parts -- Ralph Evans played "Desperate Dan" and Bill List played "Herman Heartless".

We had asked Bob and Kay Tarrant to accept honorary membership in our club in recognition of all the years of service which they have contributed to us all and to Square Dancing in New Jersey. We treasure their friendship and hope that they will dance with us often.

Welcome back from the holidays. Our apologies to those who came looking for us during the Thanksgiving and Christmas weekends and found our doors locked. With the holiday behind us, we are now looking forward to a more regular dance schedule.

We welcomed Lakeland Squares as they raided us in October. Our raids are one of our best forms of publicity and we encourage all members to become involved, whether you come to raid another club or come to dance when we are being raided.

1 SEE SAW SQUARES -- Upper Saddle River, NJ (1+; 3MS)
 1 & 3 Saturdays Old Stone Ch. Ed. Ctr., E. Saddle River Rd.

We found out where NNJSDA dancers are! They were dancing at See Saws at our "Swap & Shop" dance. Most of the dancers got excellent bargains in clothing. By the way, a percentage of See Saws profit was donated to the Mike Foley Memorial Fund. Our Italian Hero, Norman Forgash, put together the best ever goodies for Italian Night Dance. At our Presidents Dance, we had a bunch of them: Presidents Norm/Audrey Bolin, NNJSDA; Walt/Mildred Angerer, Garden State Campers; Keith/Doris Douglas, Belles & Beaux; Wally/Margie Cox, Covered Bridge Squares; Walt/Pat Sickles, Cross Trail Squares; Marie Hoffman, FAD Squares; Dave/Adcle Weiss, Hi Taws; Mary Northrup, Lakeland Squares and Bill/Helen Ruckel, Pelham Promenaders. Just to make it better, Presidents Frank/Allana Barr, Hix & Chix & Joe/Hindy Kaspar, Somerset Hills...brought their Clubs to raid us and honor all of the assembled Presidents. The Holiday Hop and Jingle Bell Ball were changed. We asked for toys to donate to hospitalized children.

See Saws is still looking for our couple missing since the Belles and Beaux raid. We raided & searched at Pelham Promenaders in November. A reward is offered to anyone finding our lost couple.

Ye Editors asked for "Letters to the Editor" - We received...

HOW DO WE TREAT OUR FUTURE LEADERS?

"We feel that one of the major issues facing the S/D community today is the role of young people in the activity.

Sure, we see lots of kids taking part in 4-H S/D clubs & Youth rooms at National Square Dance Conventions. And how can we but adore those exhibition teams, i.e. Star Promenaders, Happy Tappers, etc.? BUT...how many of these (mostly) excellent dancers continue to dance after they've left their teens?

WHAT ARE WE DOING TO WELCOME THESE DANCERS? Probably little, we're afraid. It appears that "regular" (adult) S/D clubs are not making a great effort to welcome 4-H & teen club dancers into their groups either while they're still in their teens or (especially) after they've reached age 19 (4-H's maximum). We're draining a valuable supply of dancers and potential leaders by our indifference!

Square dancing must be seen less as an "old folks/retirees" hobby and truly as an activity for ALL ages. Dancers AND clubs need to welcome the younger dancers into their squares as DANCERS AND MEMBERS - not as "those kids". After all, active dancers of the future will have to come from SOMEWHERE.

What happens to the young adult dancer who chooses to offer his/her talents and ideas for the betterment of the activity. Remember, 4-H is also a LEADERSHIP organization - how many former club presidents with basic leadership skills have we been neglecting? While there have been scattered success stories, more often the younger dancer experiences some difficulty in gaining the respect of the "elders" of the group:

- The younger dancer is seen as a "kid" - especially if he/she is the same age as an "elder's" son or daughter (or even worse, grandchild) - and "kids" are supposed to respect their elders. The fact that the "kid" may be well over age 30 may not make one bit of difference.
- The younger dancer's ideas may appear "radical", and he/she is considered a "young upstart" out to take over the world. This is probably the farthest thing from the truth!
- These frustrations are likely to multiply in proportion to the difference in dance experience between the younger dancer and the "most vocal elder" - particularly if the younger dancer's experience is more extensive.

These issues that we've described will not lessen unless the talents and intelligence of younger dancers are taken seriously by associations/federations. Otherwise the S/D activity as we know it will unconsciously write its own death sentence. Think about it - where WILL square dancing's new leaders come from?"

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

As the dreary days of winter are setting in, we can be grateful that we're Square Dancers and have an exciting dance season ahead. Betsy Gotta called our first dance in Oct. "As we get older, we get better," Betsy keeps getting better. Roy Gotta cued as Shirley/Frank Bellotti were away. We just may have an alchemist in our midst! From the lips of a person that is generally sealed from gossip and rumor - 2 pails of ice in transit from home to the NNJSDA 30th Anniversary Dance turned into meatballs and spagehetti sauce. You have my word for it. Ice did eventually appear, but please don't ask any questions. Our "Pie Nite" Dance was extraordinary with Rob Bissey calling, Merri Eights raiding with two plus squares and we had pies. You name it, we had it. This was a great night for Matty/Rae Cafiero, celebrating their 38th Wedding Anniversary. On our "Turkey Nite" Dance, we had a real turkey, frozen, and won by Al/Ann DeClerico, Staten Square Set. Congratulations. Wes Morris did the calling and Leo/Lois Bichler, who can do just about anything, took charge as our presidents, Charlie/Kathy Porter, were vacationing. There's a new kid on the block. John/Mary Sullivan became the proud parents of John Vincent III. Congratulations also to the grandparents, Pete/Joan Yuskevich. And guess what, Charlie Porter is a grandfather. Charlie's daughter gave birth to Steven Thomas who weighed in at 9 pounds. Richmond Dancers had the honor of having the greatest attendance at the NNJSDA mini-Festival in Nov. There were 3 terrific callers: Red Bates, Jim Pulaski and Bill Heyman with Al/Gail Spinks cueing rounds. The travel wasn't just around the corner either. We hope all had a Happy Thanksgiving and a very Merry Christmas with good health and lots of dancing in the New Year.

2 & 4 Saturdays RAMAPO SQUARES -- Pompton Lakes, NJ (A-2)
Pompton Reformed Ch., 59 Hamburg Tpk.

We want to take this opportunity to wish all of our Square Dance friends a Happy and Healthy 1989 ! Ramapo Squares had a fantastic New Years Eve Party with Hugh Jones calling. We had about forty couples and delicious catered food. A good time was had by all.

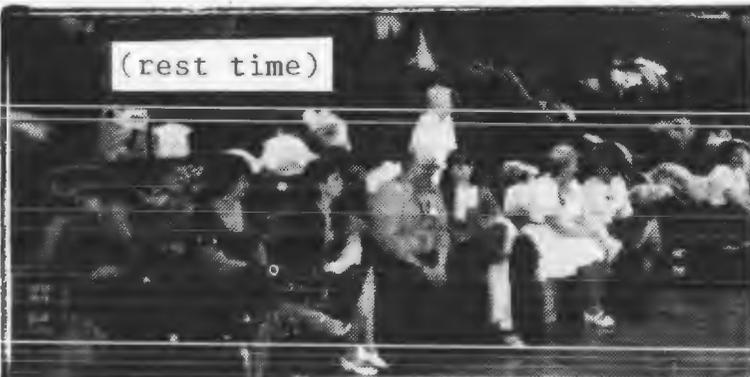

As we wind down 1988 and move into 1989, we want to thank all of the A-2 dancers who have supported Ramapo Squares. Our attendance is gradually increasing. More people are turning out for pre-rounds with the Tirrells and staying for the C-1 after-tips.

It is most encouraging to have some of those who attended our Advanced Summer Workshops come out to the dances. Our thanks to the committee who provides snacks and keeps the punch bowl filled for in-between tips.

We find the computer squares not only gives everyone a chance to dance but helps break up cliques. Come join us and find out for yourselves how Ramapo is changing it's image back into a friendly Advanced Club and our church living-room with it's comfortable chairs is just made for encouraging conversations in between tips.

We hope everyone's holiday was a safe and happy one. Our Holiday dances were terrific. Our Mainstream Christmas Party was lots of fun. The class was invited and turned out in full force. John Carlton, Club caller and teacher, called a great dance. We really got into the Holiday spirit with all of the Christmas Rounds which John Toll did.

The Turkey Trot plus dance was a huge success. A lot of people came out for Red Bates and Ron Rumble. The Dixie Derbies used the dance as their(?) Mystery Bus Ride. To add to the excitement, we were raided by B Sharpes.

Princeton Rounds are working very hard with Ron and Ree Rumble on the Whoopie Cha. They are having lots of fun and a good turnout.

Our Club Christmas Party was very nice and again John Carlton and John Toll called & cued a good dance. Everyone had a great time.

Ocean Waves celebrated its 20th Anniversary in October and we were pleased to give the 1st Annual "Bart's Sparks Award" to Ann Kravitz for "Initiative, Inspiration and Inventiveness in our club and throughout the Square Dance Community." Ann is one of Ocean Waves' Secretaries; she is an officer in Al'e'Mos and is one of the organizers of the Brooklyn branch of Bachelors & Bachelorettes. This hopefully annual award was originated in the memory of our friend and past President, Bart Codd, who died one year ago in January. He had the qualities mentioned as requisites for this award and he sparked seeds of these qualities in all who knew him. Congratulations Ann and thanks to all our visitors from the other clubs, as well as our own members, who were at our anniversary celebration. We love your company.

*MERRI-EIGHTS -- East Brunswick, NJ (+)
1 & 3 Fridays Dag Hammanskjold Jr. High, Rues Lane*

Congratulations to Helen/Lyle Van Dorn. They received the LUCARINI AWARD for outstanding leadership, friendliness, cooperation and dedication to further the cause of Square Dancing. This recognition comes as no surprise to all those Merri Eights who have been helped through classes and welcomed into the club by Helen/Lyle. Perhaps there has been a demo or special event that Helen/Lyle didn't make, but we cannot remember any. Jerry/Paula Mosher have succeeded the McKays as presidents of the club as provided in the by-laws. Sally/Dick have been transferred to the West Coast of Florida. With all the most recent presidents "gone South," the Moshers need all the support they can get from their fellow members. In Nov., Carol McNiece pinned John's badge to our club banner. Carol/John contributed much time and dedication to the advancement of our club and square dancing throughout our area. They were our presidents for 2 terms between 1982 and 1984. Our 30th Anniversary celebration was a resounding success with many guests helping to mark the occasion. Helen/Lyle Van Dorn coached a demo team that showed the choreography and styling 30 years ago. A tape of Beulah Samec calling was supplied from the Van Dorn collection. Joe Fioretti taught the rest of us a few of the old calls in keeping with the theme. Two and a half sqs. raided Richmond Dancers in Oct. We enjoyed the calling of Rob Bissey, cueing of the Bellottis, and fellowship of our hosts. Thanks to Burt Caplan for calling our demo for brain-injured adults of E. Brunswick in Nov. The Hokey-Pokey was a big favorite.

1 & 3 Saturdays M T SQUARES -- Avenel, NJ (+)
Avenel Learning Ctr, Woodbine Ave.

Our new hall seems to be a hit with both members and guests. It is larger and brighter than the old location and the only major change is not having the after dance sit-down coffee and cake. Instead, the goodies are available during the entire dance so that folks may nibble and sip throughout the evening and still dance as long as before. One might say a synergistic effect. One might also say "like getting two pounds of something in a one pound bag". A plus in either case. Another plus - is the job Ronnie and Norm Peterson are doing as our raid leaders. They are keeping us active and I don't know of a better way to get dancers from other clubs to want to visit us THAN to raid their club with an enthusiastic group of M T Squares. If you can stand yet another plus, I would remind you of our round dance club which meets at our old square dance location in Menlo Pk. Terrace...every Thurs. evening-from 7:00 to 10:00. Peg/Joe Dockry teach and cue the rounds from new grads level to intermediate. We at the M T Squares certainly warmly welcome you at either our squares on the first & third Saturdays from 8:00 to 10:30, with pre-rounds at 7:30 OR on Thurs. for round dancing. You'll find we are a plus club. Come visit us.

Recently we were saddened by the death of Charles Hunt, long-time friend and dancer at Leisure Squares. Our very best wishes to Jane/Dan Bloom on their retirement. They have cued round dances for our club for many years with great dedication & service. The latest word on Dan is, he's doing fine. We'll miss them. We're grateful to Al/Gale Spinks for filling in for Dan at the Fall Foliage Dance. Thank you! Murray/Jeanne Truax are our new club cuers. Welcome! Special thanks to Bernice/Jake Anthony for hosting our fall membership meeting at R-Own Lake.

The Surprise Dance was a big hit, with Dalt calling many fun-filled dances. The biggest surprise was when our multi-talented president, Marcel, took the mike and called one tip. Watch out, Dalt, for this upcoming star. For our Thanksgiving dance, members brought canned goods for distribution by the Salvation Army. That night we were raided by Cross Trail Squares, adding much fun & friendship to our evening.

We hope the holidays just past were happy occasions, and that the New Year will be filled with peace, good health and dancing. Have a wonderful year of dancing in '89!

Every Tuesday LAKELAND SQUARES -- Mountain Lakes, NJ (MS)
Mountain Lake Comm. Ch., Briarcliff Rd.

It was difficult indeed to choose the best costume at our Halloween dance in October but first place went to the Kilzers, whose clown costumes were terrific. Everyone enjoyed the creative out-fits worn by our talented members.

"Pie Night" was a delicious start for Thanksgiving festivities and we proved, once again, that Lakelanders love to eat.

Our first class level dance was held in December, with Pal Johnson - calling. We were happy to greet classes from other clubs for this event. Many thanks to our class' teacher, Pal Johnson and coordinators, Madeline and Jim Kelly for their dedication.

Herb Conklin was caller and Master of Ceremonies for Amateur Callers' Night. We danced to some talented future callers. It was really a fun evening. Everyone is welcome to join us on Tuesday evenings.

1 & 3 Fridays KITTATINNY RANGERS -- Andover, NJ (MS; +tip)
Long Pond School, Limecrest Road

The Rangers wish all of you a Happy, Healthy New Year ! ! ! !

Our first November dance had half-time entertainment with the "mock wedding" of newlyweds Gail Cussen Hoff as the groom and Bill Hoff as the bride; Mike Szekula stood upright, except when laughter doubled him over, as the minister; Dick Lynch escorted "the bride" down the aisle; John Morales was ringbearer and Donna Poyer and Linda Gugler were mothers of the happy couple. Square dance terms were cleverly used in the service.

Our Club was represented by over three squares at the Mini-Festival. The Thanksgiving Dance, raided by the Sussex Spinners, was a busy one. We had professional photographer, Robert Forte, to take pictures of singles, couples and groups. There was a raffle of a turkey - donated by John/Pat Kovach. The first dance in December was a "Piece of Pie", with many from which to choose. Finally came the Christmas Dance with a tip by flashlight and you had to be there....it defied description ! !

1 & 3 Sundays KINGS SQUARES -- Brooklyn, NY (+)
 Presbyterian Church, 367 94th St.

Kings' Squares must be doing something right...we've been seeing so many visiting clubs at our dances. Notably Richmond Squares, Staten Square Set, Isle Squares, Ocean Waves, Al'e'Mo and Queens Squares, as well as clubs from New Jersey, Florida and other parts of the country. They help to maintain the good feelings and warm camaraderie that makes square dancing such a wonderful activity.

The holiday season was particularly festive and our special holiday dance enabled our newer and more experienced dancers to mingle and enjoy dancing together. Former presidents, Muriel and Bill Goldberg, have been continuing their S/D'ing activities this winter in Tempe, Arizona & Calif.

VFW Hall, 6 Veterans Place

In September, 4 squares from J&M visited Mountain Squares at their 1st dance of the season. This wasn't a planned raid, but it did happen! We all had a ball dancing to Joe Landi. J&M raided Hi Taws in October when Hugh Jones called. We've had lively & interesting Sunday evening dances this season with Randy Page, Glenn Matthew, Hugh Jones, Roy Leber, and Clint McLean. We're glad to see Jim/Elaine Mastroberti dancing again.

We're still missing Anne/Vic Musso, and send all best wishes for a complete recovery to Anne. Mickey/Margaret Hohmann's daughter & son-in-law adopted a 6 mo. old boy, Jason, who came to America from Chile. Leo/Rose Rogers are celebrating the arrival of a grand daughter, Amy Rose, born November 16, giving us 2 new sets of proud, happy grandparents in our midst! By the time this article is printed, the holidays will be memories and it will be 1989. Enjoy a Happy, Healthy New Year!

Somehow, the winter months following Christmas tend to be a letdown for many people. After the hustle & bustle, warmth & fellowship of the Holiday Season, the months from Jan-Apr seem to drag by listlessly. But it doesn't have to be that way for Square Dancers. Aren't we lucky to have the friendship of our fellow square dancers? Isn't it great to be able to dance at our own club & the many other clubs in the NY/NJ area even if the 'weather outside is frightful'? Some of us even dance with Penna. clubs. It's always an uplift to warm up on a cold afternoon or evening with a good patter or singing call. Thank the Lord for all those fine callers who are willing to travel (sometimes quite a distance) just to keep us square dancers promenading along. The same goes for our round dance cuers who round out many a fine evening of dancing. Callers and Cuers are right up there with the Postmen - neither rain nor snow seems to stop them! Thank you all!

On a more somber note, we mourn the passing of two lovely square dancers. We'll all miss Harriet Carrasco of Isles and Lydia Tarquinio of SSS. Both of these dear ladies always had a friendly smile and pleasant greeting for us all. We extend our heartfelt condolences to the loved ones they left behind.

Every Thursday

All good things have been happening with the Hix & Chix during the past several months. Kay Lisa has resumed her spot at the Treasurer's table - after having been away due to surgery on her feet. She is not dancing yet but that doesn't stop her feet from tapping out the calls. Our raid at Hi-Taws Twirlers in October was another biggy, with 4 squares plus in attendance. The Halloween Dance at the Club presented a lot of laughs and a lot of "guessing who" was behind the costumes. There seems to be no end to the Talents & Creativity of our members. In November, at the Lutheran Church in Ramsey, two of our dancers were joined in marriage. In spite of the down-pour, everyone looked stunning. Brenda was a most radiant bride and Dick as handsome as ever, as they exchanged their vows. Two squares attended the reception and invited the other guests to join them in a tip. All agreed it added a delightful flavor to the celebration. The last Sunday in November, the annual Marshall Flippo Dance was held. Flippo was at his best ever and all those who attended were on such a high as they twirled about the floor all afternoon. There were over 40 squares with dancers coming from every direction including a busload of "The Mad Hatters" from Connecticut. The best of all is that as everyone was leaving and saying goodbye, they were already looking forward to next year's Flippo Dance. Which reminds us to wish everyone a very Happy & Peaceful Holiday Season.

HILL CITY SQUARES - New Providence, NJ

(+)

1 & 3 Fridays

Hill View School, 340 Central Ave

As the square dance year advances, it brings its inevitable changes. Fond farewells were said at the November dance to LaVerne/Oscar Olson, who now reside in Penna. With the theme "you have friends in NJ", they were presented a 'survival tray' for their moving day, along with the club's best wishes. Sid/Rhoda Abraham are replacing the Olsons as class co-ordinators. Along with 3 other clubs, Hill City is sponsoring class level dances for students, continuing thru March. Flyers are out.

Believing that raids extend fun & friendship into other clubs, we have visited Y Squares & Valley Squares with a full complement of raiders, and have been raided in return by Y Squares, Valley Squares, & Dancing Squares. Our raid co-chairmen are Thomsens and Rices.

The object of many admiring comments has been Hill City's new parade banner, designed & crafted by pres. Jean Richtmyre. Carrying the club's new logo, composed of a city skyline against a backdrop of hills, it stands tall at our dances, and is a companion piece for the earlier banner made by Sue Zaccagnio.

As we went to press, we learned that our R/D leader, Grace Pennie, had died. She & Walt had been our cuers since '85 & were taking a sabbatical while Grace recuperated from a car accident. Our sincere sympathies are extended to Walt, their children, & families.

Every Tuesday HI TAW TWIRLERS - New Milford, NJ (+)
Middle School, Roslyn Ave.

Have you made a New Year's resolution to get out & dance more often this winter? if so, we'd love to have you make Tuesday night your dance night at Hi Taws. Come join in the fun of dancing to our excellent callers & round dance cuers.

We've enjoyed a fun-filled Fall of dancing in the midst of the busy holiday season. We were especially pleased & honored by raids from J&M, Hix & Chix, and Cloverleaves. It seemed like old times to have so many former Hi Taws back on their home turf. We love you all - come again to enjoy our top drawer callers/cuers. Speaking of cuers, we're very proud that almost 3/4 of all attending frequently participate and enjoy rounds. We're back to our old format of 30 min. R/D at 7:30, with S/D at 8 pm. Our round dance class on Wed. evenings at 7:45 has grown to six eagerly-learning couples. Dancers who have had previous R/D basic instruction are welcome any time for brushups.

Happy Dancing to all - see you in a square. Remember: "IN '89 THE DANCING'S FINE" at Hi Taws!

1 & 3 Sundays

Amer. Legion Hall, 113 E. Passaic St

Nov. 13 was a Red Letter Day, when F.A.D. and other square dancers joined in the wedding festivities for Brenda (Van Dyke) & Dick Dexter. Yes, S/D was a hit at the reception, with caller Dot Loewenstein encouraging non-dancer participation, as well as Club Level tips. (Check out the photo of Brenda's crinoline in F.A.D.'s photo album!)

We're all quite proud of Chippie Falzarano's 100% attendance at the NNJSDA summer dances; Vera/Bill Clampett earning the CCNJ dangle; and our class of 18 - quite a jump from last year's class of 6! F.A.D. members earned 6th place at NNJSDA summer dances, & our yellow/blue badges stood out at the Mike Foley Memorial dance. Special mention must be made of Liz/Bob Sly's many hours, displaying the handmade quilt won by Isabelle McCabe of Cross Trail Squares. This quilt was responsible for 1/3 of the over \$5,000 raised for the Foley family. Our club dance was the same night, so many tired dancers missed some wonderful pies - more for the rest of us! "Partner Tag" created amusing moments - just one of many reasons why F.A.D. means Fun At Dancing. C'mon down!

CIRCLE OF SERVICE

An award for DANCERS only was introduced at the LEGACY panel on Awards & Recognitions at the NSDC in AL. It is for dancers who, for 3 or more years, have made a significant contribution to the square & R/D movement. The stellar hub of the circle, formed by a pattern of arcs symbolizes the importance of each individual to the total picture. The same circular shapes flow outward to help define interlocking squares & stylized musical symbols. This linear interplay suggests the strong bond of interdependence between the many facets of our activity. Only those who have been so recognized may present the award to another well deserving dancer. The first CIRCLE OF SERVICE award was presented in our area to Frank/Helen Cavanaugh. They in turn have presented it other well-deserving dancers. Most recent were DON & PAT STEPHENS - most active in the Central NJSDA and NJ State Convention Registrars for the past 3 years. Belated, but sincere CONGRATULATIONS! Others who have received the award in our area are Georgi & Rich Flandera of the Garden State S/D Campers & Burris/Meryl Plummer of Penn-Jersey District.

We are now settled into our new location with the hope that other S/D Clubs will come out to join us here. We have circulated many "New Address" brochures to other clubs to try to instill an interest, out of curiosity, in what we now have to offer our visitors in a NEW HALL.

We have thoroughly enjoyed participating in four raids since our last report to Grand Square...namely to: Y Squares, Country Promenaders, Valley Squares and Hill City clubs. We were made most welcome and had a fabulous time at each of them.

We are very grateful to Dancing Squares for the lovely celebration which they had for us on our Golden Wedding Anniversary with a beautiful cake, card and all of their good wishes. We wish to thank them all publicly in this manner.

Our New Year's Eve Dinner/Dance was chaired by Micky and Rosemary Biggs. Hope you were able to join us.

Proudly we rave about how well our class of 24 is progressing under the enthusiastic instruction of Dot Loewenstein. Class co-ordinators, Bob Dong/Mirian Montero are super, & we thank them for a job well done. They, and Dot, want to publicly thank the angels for their support and encouragement - without pushing, always smiling. Truly Angels!

Our last special featured Tom Miller, with over 14 squares attending, proving what a popular caller Tom is. Adding to the fun, Pelham Promenaders raided that night. 22 of us helped Spinning Wheels celebrate their 10th anniversary that rainy, stormy night. We have since forgotten the awful weather, remembering only the wonderful reception, good dancing, and refreshments. Clara/Norris Ember have more fun raids planned.

Our club bus ride to Penna. provided a welcome diversion. We all enjoyed the winery, mansion, & sumptuous buffet - a wonderful way to spend a day. All sorts of characters came to our Halloween dance.

Among others, we had belly dancers, witches, bums, a clergyman and would you believe? 2 raisins aka Frank/Betty Olier. Come visit us, we'd love to dance with you.

2 & 4 Saturdays COUNTRY PROMENADERS -- Edison, NJ (+)
Herbert Hoover Jr. H.S., Jackson Ave.

Monica and Roland Grover are busy this year with the job of Class Coordinator but have also undertaken the added responsibility of arranging for a Club Dinner/Theatre trip to the Hunterdon Playhouse. A Mystery Bus Ride, in the near future, is being planned by JoAnn and Ray Muller.

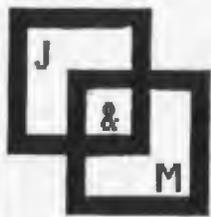

The combined class of new dancers, along with other student dancers, had their first opportunity to dance together in the pre-holiday student dance in the Stelton Recreation Ctr, Edison, NJ. Several clubs also have scheduled student dances through the Jan., Feb. period - to give the student dancer a chance to dance outside of the class grouping. Every square dancer knows the joy of the activity and the difficulty we have, when we talk to non-dancers about square dancing. I call the problem one of --- "faint recognition", where the person you are talking to, thinks that they know what you are saying because they have done a do-si-do or swung their partner and everybody knows "THAT'S SQUARE DANCING". Now, all those students who began lessons last fall know there is more to S/D'ing than what they thought when they first started ! ! ! ! Learning those basic calls took effort, but actually, this is a large part of the fun - to be able to dance with people from around the country (or world), to the same calls you learned in class and to be able to attend the national or regional conventions, where you can meet and dance with people you might otherwise never meet.

By the time this is in print, we should be giving serious thought to the New Jersey Square Dance Convention, Trenton State College on April 1st, 1989. Hope to see you there.

CLOVERLEAFS -- Elmwood Park, NJ (+)
VFW Hall, 6 Veterans Pl.

We are so glad that everyone was able to find our temporary location for the November dance with Brian Fugere calling and Doc & Peg Tirrell on the rounds. We had a great turn out. Brian did a super job, as usual, & the fun tip he does when each person in the square has to remember a call and then call it progressively - was thoroughly enjoyed by all. You would never know Brian has only been calling for a couple of years.

In December and for the rest of 1989, we will be back at our regular location, the VFW Hall in Elmwood Park. Check our ad for upcoming dances.

We raided Hi-Taws, with three squares, and had a really great time.

Anne Musso is feeling much better since her accident, but is still not able to get back to dancing. She has not been dancing in the last three months and we surely do miss her and Vic. We wish her well and hope to see her back dancing real soon.....

For a fun filled night of dancing to great callers and cuers plus friendly dancers....come join us at Cloverleaves.

ED NOTE: Special kudo's to MARY AQUINO. Her reports always mention PAST events - never writing in November about events the club "experienced" in December & January. Other reporters would do well to follow her example - snowstorms, unexpected emergencies can leave a "predictor" reporter with egg on their face. Cloverleaves December dance, just AFTER deadline did not follow the intended script. For when circumstances prevented the caller from appearing the Tirrells, who carry a few spare S/D records, president John Huetemann who does likewise & Howard Kaplan joined in and all filled in while John Aquino hurried home to get his tape setup. What could have been disaster was averted and you'll read all about it in Mary's NEXT G/S article. Other reporters PLEASE take heed - don't predict!!!!!!

CIRCLE EIGHTS Hannington Park, NJ (MS)

4th Friday Community Chruch, Hanniot Ave.

Happy people, good dancing and a great caller combine to make the dances at Circle Eights a popular and enjoyable place to be on the 4th Friday of each month. Our Halloween dance enticed many people to arrive in imaginative costumes ranging from Laurel & Hardy to the King & Queen of Hearts. Even though our Nov. dance is held on the day after Thanksgiving, we still manage to fill the hall with squares. Dancing is a good way to exercise and burn up those calories consumed during our yearly "feast" day. We invite all clubs to raid us with 2 or more squares and be the recipients of our newly designed Raid Dangles. Our New Milford Tenderfeet classes are progressing well with a good showing of angels and enthusiastic students. A class level dance for new students will be held in Feb. (see ad). We'll have more publicity about this dance closer to the actual date.

As this is being written, we're busy planning a program that will carry out the club's original intent. Belles & Beaux was originally founded on the belief that good dancing is not a matter of "level", but how well the callers present/how well the dancers can handle it. With more & more callers presenting interesting & novel combinations in the MS program, this concept seems nearer attainment.

Under the leadership of Pres. Keith/Doris Douglas, & with the backing of an excellent board, letters have been sent to 70 former members, offering a refresher course. We're also planning a series of dances designed to be a post-graduate festival, appealing to the new graduate as well as fun-loving experienced dancers. Our 4 Class Level dances have set the standard which others follow, and our famous Mystery Bus Raid is now set (for April - watch for flyers.)

After a few workshops to get our new raid formation in shape, we kicked off the year's raid program with a December visit to Tenafly Squares. We believe we have many innovative ideas, and think you'll agree we stand 2nd to none in developing such ideas to their fullest. Our computer squares system is a proven method that keeps dancers well mixed, so everyone has a good time. We urge all dancers, regardless of preferred level, to watch our ads & flyers for news of coming events, such as our annual New Year's Eve dance, a success which is a good omen for an excellent year ahead. About 50% of clubs in the U.S.A. are MS, and they can't ALL be wrong! Come join us!

Al-e-Mo Squares started the season with a very successful Barn Dance which drew 20 new students. This year Frank Pulice is our caller/teacher. The basics class is coming along very well and we are now devoting a part of the evening to Plus lessons.

For our First December dance, the theme was our annual "Make a Child Happy", with Bill Anderson calling. The admission was an unwrapped \$3/4 toy per admission. Other clubs were invited to participate. It was a great evening.

For the rest of the season, please see our ad. As in the past, we will rebate the \$4.00 bridge toll for four or more dancers coming in one car from Staten Island or New Jersey.

IT TAKES A CALLER AND A DANCER TO KNOW YOUR WANTS AND NEEDS.

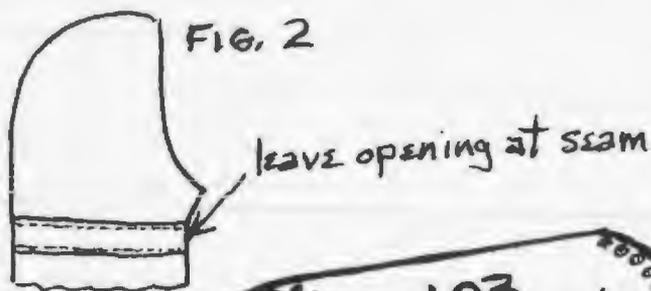

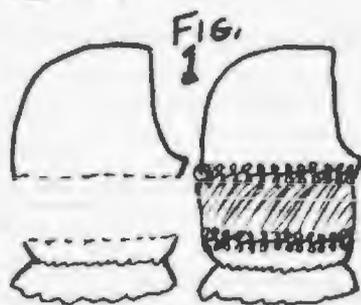

I hope you all whirled through the holidays with the greatest of ease. Now we seem to want to snuggle up at home (whenever possible with all the dancing we do) in these long winter nights and tend to the little tasks we've been putting aside for months.

I'll bet one of those tasks is to figure out what to do about those uncomfortable, factory-made, short, tight, elasticized sleeves on those blouses and dresses. (Thank you to the lady I met at a S.D. who asked me for a solution to this problem. I should say "buy my designs and you won't have that problem. I make my sleeves fuller and longer than factory-mades and with adjustable elastic". However, I always need column ideas, so keep asking for advise whenever you see me. The "sewing doctor" will be happy to help if I can.)

A possible solution is to remove and replace the sleeve entirely, but you may have difficulty matching up or coordinating fabrics or trims.

You could try lengthening the sleeve by cutting evenly, parallel to the elastic stitching, halfway between the elastic and the underarm seam and adding in a contrasting fabric or wide lace or trim or both (see Fig. 1). But again, matching or coordinating will be a challenge.

The simplest solution is to carefully remove the stitched-on elastic and sew on a casing for new elastic. The casing can be seam binding, bias binding or $\frac{1}{2}$ " to 1" wide lace trim sewn on the inside of the sleeve, - or - $\frac{1}{2}$ " to 1" fancy trim or lace sewn on the outside of the sleeve. Either way, using the old elastic stitch line as a guide, stitch on around the top and bottom of the casing, making sure to leave an opening for threading the elastic through. Use a soft poly elastic narrow enough to fit through your casing and long enough to be comfortable on your arm without letting the sleeve fall down. I usually just tie the elastic in a SQUARE KNOT (not a Granny knot). You could stitch the elastic ends together if you prefer. (See Fig. 2)

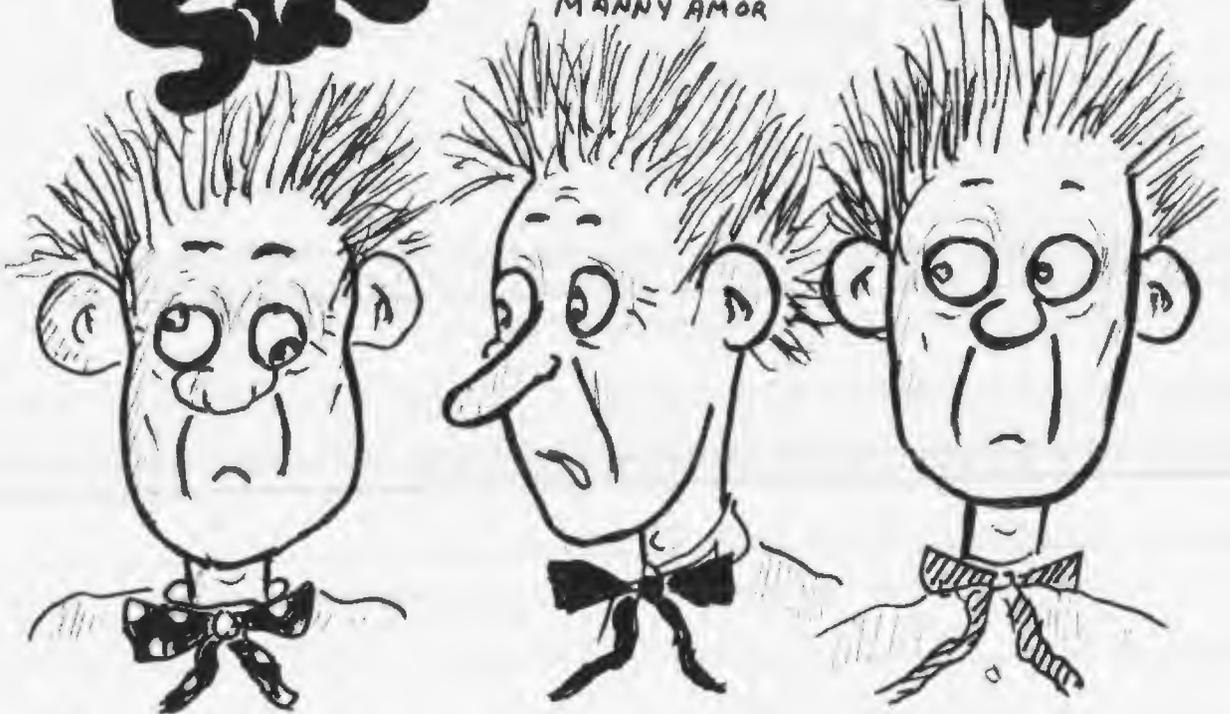

If you have any sewing questions please write or corner me at a dance. I'm always happy to hear from you.

New Round-of-the-Quarter Program

In response to many requests, the ROUNDALAB membership at its Annual Meeting in June 1988 adopted, on a one year trial basis, a program for selecting a ROUND OF THE QUARTER in the different phases.

Working in conjunction with Palomino Records, any phased round dance, whose record is available in sufficient quantities, will be considered. A tape is made of all possible dances and sent to the members of the selection committee along with a ballot. The committee will then select one Round-of-the-Quarter in Phases I & II, III, IV, and V & VI. Rounds-of-the-Quarter for the first quarter in 1989 are as follows:

- Phase I & II - "Nice & Easy" - Barbara/Jim Connelly: Dance Along P6063
- Phase III - "Axel F" - Russ/Carol Mathewson: MCA - 52536
- Phase IV - "Look for the Silver Lining" - Jo Yakimowski: Sydney Thompson EP 609

Run to
 KLAHOMA

38th

National Square Dance Convention®

OKLAHOMA CITY, OKLAHOMA
 JUNE 22, 23, 24, 1989

Where did the 38th NSDC theme "Run to Oklahoma" come from? 100 years ago a shot was fired to signal the beginning of the Land Run which settled Oklahoma City overnight, giving her an immediate population of 10,000 +. Almost three times that many dancers are expected to descend on OKC June 22-24, 1989! Will you be there?? Registration forms were included in every club's packets. If you need more, contact the Tirrells.

The Myriad Convention Center, in the heart of OKC, will serve as the "Center Stage" for much of the 38th NSDC. The Civic Center Music Hall & the Fairgrounds, as well as other smaller locations, will also be focal points for activities. The Main Arena can handle 270 active squares at any given time. 12,000 arena seats are available for relaxing time. The Great Hall will be divided in half by soundproof walls and house the R/D activities. Exhibit halls will be divided into 5 dances areas, plus a large area for exhibitors. One third of the exhibitors will be housed in a second exhibit hall. A special area has been set aside for Handi-capable dancers. The Parade of States will be Friday noon - and wind around the downtown area. The Showcase of Ideas and Publications Display will extend all around the 2nd floor of the Myriad Convention Ctr. We personally love this display - a great place to get ideas to bring

back home. Plan now to attend the 38th NSDC. There is dancing at every S/D program; R/D Phase; clogging; contra dancing...something for everyone. And then add seminars on sewing, dancing, leadership, etc. etc. - lots of tours available; a rodeo is planned; a Bar-B-Q at the Fairgrounds. Once you have registered you'll receive all this extra information. Come join us in OKC in June.

3RD NJ SQUARE & ROUND DANCE CONVENTION

The SDCNJ reports that excitement is building for the '89 Convention to be held SATURDAY, APRIL 1, 1989 at Trenton State College in Ewing Township. Recent reports show that registration is ahead of last year's record pace; with the attendance goal of 2000 dancer well in sight. Continuous dancing in Basic, Mainstream & Plus Programs has been scheduled from 10AM until 10:30PM. Round dancing in all Phases has been scheduled throughout the day; with selected hours for Advanced, Challenge, clogging and contra dancing. The "Grand March" will take place at 7PM. The Convention Committee, led by General Chairmen Tex and Margaret Shipman, has announced that the halls used for the Mainstream and Plus programs will be "swapped" for part of the day in response to dancer concerns. This will enable more dancers to dance on the wood floors. The coincidence of the Convention falling on April Fool's Day has not been lost on the Education Committee which has devised "appropriate" titles for the sessions planned for callers and dancers. For the first time, the '89 Convention will feature a Fashion Show. The Showcase of Ideas will be back along with vendors eager to show off the latest in S/D attire and supplies. For hungry dancers, snack bars on campus will be open for meals and snacks. There are also several restaurants a short drive from the college. Several motels are located in the area also. A special parking area on campus has been reserved for RVs. There will be no charge for the site as no hook-ups will be available. Sign up now and be assured of receiving an Advance Information packet that will help you plan your day. Registration details are available from Don/Pat Stephens, 674 Clifton Ave., Toms River, NJ 08753. Additional info from Ken/Helena Robinson, Publicity Directors, 614 Van Liew Court, Neshanic Station, NJ 08853.

10 Sets of dangles have been given out now, and more will soon be earned. The first went to the Bill & Vera Clampet on 8/28 (just 4 months after they started!) - how is *your* card going? New (green) cards will be available soon with more callers added - either card will be recognized.

The Mike Foley benefit dance in November was a great success (see article). Our next event will be the spring CLASS LEVEL DANCE at 2:00 PM on Sunday Feb. 26 at the VFW hall in Iselin. Angels please make a point of bringing at least one student couple with you. Many CCNJ callers will be on hand to assure a fun afternoon for all.

The Mike Foley benefit dance on November 20 turned out to be a much bigger success than anyone had hoped for. More than 30 squares braved the miserable weather to dance to the parade of CCNJ callers and cuers. Jeanne Brody, Roy Gotta, Jean Kellogg and Ruth Woerner were the cuers who donated their time and talents, and the 9 contributing CCNJ members were Paul Brody, Brian Fugere, Betsy Gotta, Dot Loewenstein, Dick Pasvolsky, Frank Riviccio, Bob Tarrant, Fred Weiner and Andy Woerner.

Although Mike's Widow, Betsy, was unable to attend, Marianne Foley (his sister) and Marguerite Foley (his mother) were there all afternoon and were overwhelmed by the feeling of warmth and fellowship they found. Marguerite Foley had been somewhat reluctant to attend for fear the emotional strain would be too great, but found that Square Dancers are wonderful, caring people. She and her daughter went away with a very good feeling - about their lost family member and about square dancing.

In addition to the ticket sales, many donations were received. The Yellow Rock Shop made a cash donation as well as adding to the 50/50 drawing with a crinoline as an additional prize. The 50/50 first prize of \$70 was donated back to the fund, and even the dance hall was donated by the Church. Refreshments and other incidentals were supplied by the Caller's Council of New Jersey and its members; Fred & Sonya Weiner were the coordinators.

By far the largest contributors, however, were Liz and Bob Sly who by themselves raised over \$1700 with the raffle of a beautiful quilt hand made for the occasion by leprechauns. Bob and Liz spent the past summer and fall visiting every convention and dance they could with the quilt. A truly dedicated effort. Great people. Oh yes, the winning ticket (picked by Marianne Foley) belonged to Isabel McCabe of Cross Trail Squares.

More than \$5600 has been raised so far, and more is still coming in from those who were not able to attend the dance. When the dust settles, a trust fund of some kind will be generated for young Michael and Christopher Foley. The many who contributed so generously with their time, efforts and money should be content in the knowledge that this was indeed a job well done.

SQUARE DANCE COUNCIL of NEW JERSEY

As its recent Delegates Meeting the decision was made to donate 10% of the 1st & 2nd NJ State Convention proceeds to the CALLERLAB Foundation for the Preservation & Promotion of Square Dancing. A check for \$1288. was mailed.

The Lechner's report on ways to invest the profits from the Conventions to the betterment of the S/D activity was discussed. One suggestion - to institute a newsletter for students. It was decided to try a 4 month pilot project of a newsletter to students in the Bucks-Trenton District. The Lechner's will coordinate this project...and by the time you read this one issue will have been mailed. Other ventures - such as support of classes, free dance programs for grads and publicity projects will be more thoroughly investigated at the next meeting on February 25.

Officers elected to serve this year are Burris/Meryl Plummer - Sec'y; Don Don/Pat Stephens V Chr; & Doc/Peg Tirrell - Chairman.

Any member of the 8 Member Organizations of the SDCNJ is welcome to attend a meeting. Contact one of the officers for location & exact time.

The Round Dance Festival was held on Sun., Nov. 6th at the VFW Hall in Iselin. Over 80 couples enjoyed an afternoon of dancing in two halls. Phase 1 & 2 Rounds were cued in the lower hall while Phase 3 & 4 Rounds were cued in the larger hall. Having 2 halls enables the newer Round Dancer an opportunity to dance the easy level rounds outside of the S/D club. It was a festive dance, with good cueing, refreshments and fellowship among the dancers and cuers. The R/D Specials are held twice a year and are the only means of income for the Council. The R/D Council uses the funds to run classes for prospective cuers. The next R/D Festival will be held on Sunday afternoon, April 9th at St. Aloysius Church in Caldwell. So mark your calendar or you'll miss a super event.

What a terrible shock when Walt Pennie called to say his Grace had died from a heart attack. Long time round dancers, they were talked into becoming R/D leaders by the Tirrells 16 years ago. They helped spread the joys of round dancing in the "western" part of the state. Extremely congenial and with a keen and ready wit, they brought a special "joie de vie" to the R/D floor. For years they taught and cued rounds for Reelers, Hanover and Grand Prowlers. In fact it was the Pennies who worked ever so hard to hold Grand Prowlers together until even they had to admit defeat in '85. Their fun loving Hot Garters R/D Club was one of the largest in NNJ and their Pennie Arcade was a perfect spot for classes and summer dancing. Each time they moved, it was farther west until they built their lovely retirement dream house on a ridge in Blairstown. A terrible car accident put Grace in a halo contraption last June and necessitated the Pennies taking a sabbatical from cueing at Hill City. The healing process was awfully slow. Grace knitted and crocheted many articles during her convalescence. As a team they brightened many lives. We are grateful for the activity that brought us together and we shall always treasure their friendship. We shall miss her.

On page 6 you may have read "Guidelines for Club Visitations or Raids" as adopted by the NNJSDA delegates in January 1988. Several years ago, the Northern New Jersey Round Dance Leaders Council was asked to consider the same topic for ROUND DANCE CLUBS. After much discussion it was decided that 4 ROUND DANCE COUPLES would constitute a "legal" raid.

Several clubs created banners for their round dancers to display when on a raid or visit. Many also pin a special reminder of their raid on the visiting club's banner. Pictured are members of the Ramapo Rhythmaires R/D Club on one of their trips.

In November, Morris and Roberts offered a lively dance, and the dancers had a chance to browse thru our Clothing Shop 'n' Swap. Our big Thanksgiving dance featured Serebnick/Fury and everyone enjoyed the pumpkin desserts & turkey shoot, where the proceeds were donated to the Trenton Soup Kitchen. The holiday season continued with Dec. Arts 'n' Crafts Night with Kaesler/Roberts and Holiday Festival with Serebnick/Fury. We started off everyone's New Year's diet/exercising program with our Jan. Lo Cal Night, featuring Fugere/Fury, and our 2nd Jan. dance brought Serebnick/Fury. We're looking forward to a friendly & sociable Winter/Spring season and hope all our friends, old & new, will join us.
