From the desk of NORMAN & AUDREY BOLIN, PRESIDENTS, NNJSDA

As with all things, everything must come to an end, and as such, this is the last letter from our desk in Sparta, N.J. Our two years as your Presidents of the NNJSDA are now over and it has been a very happy and enlightening experience.

We want to thank all those who have, in some way, made our years on the Executive Board a memorable one. First, to our Executive Committee - words cannot express our appreciation for the time, effort, and devotion that they have expended in making the smooth running of the NNJSDA. To the delegates who have acted as our Liaisons between the NNJSDA and their clubs in carrying back the all important message on what is transpiring in Square Dancing. Then to you, the Dancers, whose happy faces and companionship at the various functions have made us proud to be a part of Square Dancing.

To the many recent Graduates, we recommend that you plan to attend the Summer Dance Program sponsored by the NNJSDA and geared to your dance level.

Our congratulations to the newly elected NNJSDA officers, and we ask that you give them the continued support that you have extended to us.

RAIDS - A SPECIAL TWIST

As Raid Chairmen for Valley Squares and Y Squares, we've run raids twice a month with each club. As a result, other clubs are now raiding us with almost the same frequency. It sure makes for a lot more fun when we have extra squares on the floor. Raiding is fun, even if it does take some effort and determination. Both clubs have charts listing the members and we use gold ink to make stars for those who go on a raid. We award badges which attach to the club badges, using the club colors. The first award is 5-STAR RAIDER and then 10-STAR RAIDER. After that the badges go by denominations of 10 and this goes on indefinitely. As a dancer is promoted, the old badge is turned in, so there is only a small cost in buying new badges.

At each dance we start our report with a presentation of raid badges with all the customary square dance hugging and kissing.

Thus, the raid chairmen have a good time giving out awards. We welcome raiders with lyrics to the tune of the Notre Dame Victory March. This is taped and our caller & members sing the lyrics. (We will be happy to furnish this tape to any clubs that request). It was so much fun, that we recently came up with raid songs for both Valley and Y Squares. Valley Squares uses "Five Foot Two, Eyes of Blue" and Y Squares has "Yes Sir, That's My Baby." These tapes were made with the great piano of Don Biermann of Y Squares and his son, Dave, on ukelele. Lenny Swearer and Maurie Berlinrut do the vocals. No, this is not marching music. We strut to the beat, swivel some hips and in time will add some Charleston and a little simple showtime. Once our raiders learn the words, they will sing along too. Who says square dancing is serious business!

2 & 4 Fridays Y SQUARES -- Clark, NJ (MS)
Carl Kumpf School, Mildred Tenn.

Can you believe where the time has gone? We have had a good dance season, losing only one dance to snow--I mean no snow, well...they thought it was going to snow and closed our hall. Many clubs have visited and as we promised - Y Squares has been out in full force, raiding in return. Our combined Square Dance Class is almost over and the students are looking forward to GRADUATION and their first dance as Mainstream dancers.

Y Squares - welcomes all new graduates. Come join us for a night of fun and fellowship.. See You in a Square.

2 & 4 Saturday WESTERN WHEELERS -- Westwood, NJ (+)
1st Meth Ch, Kinderkamack Rd. & Bergen Ave.

Apologies for not having an article in the last issue. This has been a successful season - a lot has happened...here are the details:

October; Halloween Party - Laurel & Hardy, in a "move the piano" scene. The Geisha Girl was trying to play with Crocodile Dundee's crocodile -- good time was had by all! November; Big Turkey Shoot, winners were the following...Ralph/Janet Tunick, George/Fanny Meyer, John/Grace Daigrepoint, Bob/Edna Texel. The rest of us ate chicken. Next time, they can't use a shot gun. December; Children's Christmas Party (entertainment by Penelope, the clown), Refreshments, song, dancing and a special visit from Mr. & Mrs. Santa Claus - ah yes, equal rights. Each child took home a Western Wheeler Cup filled with candy, as a souvenir. New Year's Eve; -- Turnaway crowd. Committee of Kerner's, Schreek's & Kolb's did an excellent job. They are now "KSK" catering group. They hire out for wakes, weddings and bar mitzvahs. February; THE CASTOFFS - all the way from Alaska. One of them took a shine to Edith Kolb. Watch out Hank, he's looking to share his igloo.

Strange people raided Cloverleafs and Cross Trails. There were Baron/Baroness Von Klotz, Herr/Frau Van deKerner, Duke/Duchess Musante and Lord/Lady Bachmann. The next raid - we had Bunco Bill, Rioter Rose, Steamboat Lee, Caboose Elie, Junkyard Gerry and the Dip. What a scene...? Something strange going on with this club.

A few up-coming events...no space, check the Ad. The following is in caps for emphasis: MEMBERSHIP MEETING was May 1st. Got to close--can't write too much..Doc has a tool called a word extractor.

Congratulations to the graduates of the 1989 S/D classes. We invite you to Warren Wheelers, where visitors including singles & teens are always welcome. Our graduation dance will be over by the time this issue comes out. But we will still have 3 more dances before we break for the summer. Our callers have been doing an excellent job of workshopping both plus and any MS moves that anyone is having trouble with. As this issue goes to press, we've just returned from Trenton for the 3rd annual NJ S & R/D convention, where we participated in the Grand March and had a wonderful day.

1 & 3 Thursday

Bayberry School

There's no two ways about it. Valley Squares is having a great year. Every month, we have at least one dance with a special theme and we are having very good turnouts. In February, we had "Hawaiian Night" with Barry Serebnick-as our guest caller. Most everyone came in some sort of a Hawaiian get-up. Everyone received a Hawaiian Lei and a shell dangle straight from Hawaii. Then, we had a "Forget Me Not Dance" - to commerate Valentine's Day. Jeff & Mickey Stevens were the official photographers for the evening and took everyone's picture...so that everyone who attended had a souvenir of that evening's dance. In March, we had a "Wearin' O' The Green" dance. A delightful night was had by all. The hall was gaily decorated in green, the dancers came with lots of green and even the refreshments were green. We were treated that night to a demo by Steve & Wendy Bradt. They are beautiful dancers and were enthusiastically received by us all. Thanks so much, Steve and Wendy. Last, but not least, for March - we had a very successful Student Dance. Dan Koft was the caller for that night and once again the hall was almost filled to capacity with eager students and those heavenly angels.

Maurie & Taras Berlinrut are still going strong as our Raid leaders. In February, we raided MT Squares and Country Promenaders and in March, it was Richmond Dancers and Hill City. So as you can see, we are a very active club. Why not stop around the first or third Thursday of the month and see what we're up to...! You'll be glad you did and we'll be happy to see you.

3rd Fridays TENAKILL TWIRLERS -- Cresskill, NJ (MS)
Bryan School, Brookside Ave.

We celebrated St. Patrick's day with our annual pot luck dinner. The food was great. So many good cooks! It was a credit to Old Ireland.... The Tirrells provided delicious platters of fruit "centerpieces", for each table. The Rellingers contributed a special St. Patty's cake and decorations for the occasion. Larry Davenport substituted admirably for John Kaltenthaler. The smiles on our faces remained long after we went home from the dance.

Due to school holidays, Tenakill Twirlers did not meet in April but we expect to greet new and old friends for our Graduation Ball in May. With both the Tirrells & Kaltenthalers away in Nevada at LEGACY, we'll have the McLaughlin's subbing on Rounds and Woerner on Squares. We'll be marching in the Cresskill Memorial day Parade again. Anyone is "Welcome" to come join us - wear your S/D outfits...but there will be no dancing.

Our March dance was billed as "Pie Night"...but it might as well have been named "Silly Night" ! Bill and Donna Anderson were our caller & cuer and no matter what Bill called - each square tried to do it's own thing. Bill was very liberal with his "yellow rocks" and even called a..... "pony express" (that's a "yellow rock" with horsing around!). Donna did a teach on some simple rounds and a mixer, which everyone enjoyed (except those who didn't participate, but stayed instead in the kitchen sampling the huge variety of pies).

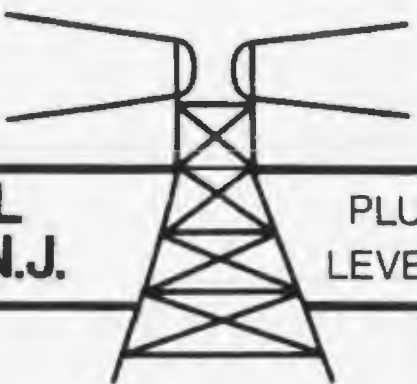

With the season's ending coming closer....we're looking forward to our pot-luck supper and our Annual "Moonlight on the Hudson" dance in June. Watch for our ad and flyers. Happy Dancing !!

The Crazy Hat Dance was full of laughs. One thing about our club is - we sure are creative. We recently were Television Stars! Channel 9 came to our St. Patrick's Day dance. The program was "aired" late in March. We were pleased to be part of a promotion for New Jersey Square Dancing.

We raided the Lakeland Squares and the Ironia Reelers. Both clubs are friendly and we felt welcome.

The slate of new officers are: Pres., Royann/Fred Blakeley; V.P., James Andorko; Sect., Helen/Fred Lutot and Sara/Bob Allison are returning as our Treasurers. We want to thank our outgoing officers: Terry/Bill Armstrong, Ann/Al Johnson and Gail/Dave Wetzel. It was a very successful year, thanks to their leadership. Thank you from the botton of our hearts.

STATEN SQUARE SET -- Staten Island, NY (+)

1 & 3 Saturdays St. Albans Church, 72 St. Albans Pl.

When Richmond Dancers raid, they really raid! Statens were fortunate to have 36 R.D. members join us at our Mar. 4th dance. We enjoyed their new presentation of the raiders for the pinning of our banner. Marching in yellow and black costumes and ending with lines facing the spectators, they simultaneously bowed to acknowledge the applause from the sidelines. Quite impressive! We also applauded Ralph Trout for calling a great dance and Donna Anderson for cueing the rounds delightfully! We're proud of the Dudleys' premiere performance of "By the Sea" at Brian Fugere's Pocono Manor Weekend. Marie sang while Bill provided visual effects making for a most successful "duet." Bravo! Meanwhile, in Bermuda, the Stevensons and the Wielands were warmly welcomed by "Mid-Ocean Promenaders," who presented them special visitor dangles. Ron Boys called and a memorable time was had by all. It is time again to enjoy the NNJSDA's Wednesday night Summer Dances. We hope to join members of the Class of '89 in a square and to share some "Fun and Friendship" (our club motto).

SPINNING WHEELS of WAYNE, NJ (MS & +)

Every Monday

A.P. Terhune School, Cyanamid Av

Graduation time is near and we will be graduating a class of 27 students which includes 5 young students in the 10-12 age group. We will have at least 2 students who attended 100% of the classes.

We had two squares out for a demo at the Wayne Masonic Temple in March. Bob Robinson was our caller for the evening. We were even able to enlarge the dancing group to three squares during two tips with members of the Masons and their wives learning some basic calls. Those participating enjoyed the dancing.

Due to snow, the school was closed on the night of our Presidents Dance. The dance was rescheduled with Ray Lehberger calling. This was also our St. Patricks Day Dance. We held this dance and guess what (?), it snowed. By the time the dance was over, cars and ground were covered with snow. We hope everyone got home safely.

With winter over, we look forward to seeing all our members and friends who travel to warmer climes during the "cold, cold" winter - once again. But don't forget to call ahead to make sure we are dancing. Again we remind you...if schools in Wayne are closed for any reason, the club does not dance.

SOMERSET HILLS -- Bernardsville, NJ (+)
2 & 4 Saturdays Bedwell Middle School, Seney Dr.

This year, the members of Somerset Hills, Hill City and Dancing Squares have been considering the best direction to take for our clubs for the future of square dancing in northern New Jersey. Based on our discussions, we have decided to merge into a new club -- HARMONY DANCERS -- which will begin operation in the fall at the Deerfield School in Mountainside, N.J. This has been a difficult decision for all of us, and we hope we will have the support and understanding of the other clubs in our area - as we begin to create a new tradition.

We are very excited about the prospects for the new club. It has been a real pleasure to work with the members of Dancing Squares and Hill City, to find a positive way to carry square dancing forward. Even if we were not becoming partners in the new club, we would have been greatly rewarded just to have had the opportunity to work with them. We have also been pleased by the interest in square dancing shown by the Mountainside Board of Recreation, which will be sponsoring our dances.

HARMONY DANCERS will offer both mainstream and plus dancing. In addition, we will offer round dancing at all dances. We will also be sponsoring a class. Look for our ad in the next Grand Square !!

SOLITAIRES -- West Orange, NJ (MS)
2 & 4 Sundays West Orange Community House, 242 Main Street

As I write this, I'm also sending out confirmation letters to callers who have agreed to be with us next year. This means: 1) that Solitaires will be around for another wonderful year of dancing and 2) that we can always use more help in keeping the club alive. If you didn't volunteer for an executive office this year, - how about bringing refreshments to a dance or offering to call a few members who haven't been to Solitaires for awhile. Your rewards will be a stronger, healthier club and a continuity of the friendships that have kept some of us dancing with Solitaires for so many years.

We welcomed back Lucy Tardif and Joe Landspurg - after several months absence. Also on a social note, Congratulations to Sue Tobiason, who became an aunt, when her sister gave birth to a girl on Easter weekend.

Though Solitaires won't be dancing as a club during the summer, we hope that many members will take advantage of the Association dances and summer dances at neighboring clubs.

SEE SAW SQUARES -- Upper Saddle River, NJ (1+, 3 MS)
1 & 3 Saturdays Old Stone Ch. Ed. Ctr., E. Saddle River Road

See Saws has had a great couple of months. We had the CHINESE AUCTION, our GROUNDHOG SHUFFLE, OLDIES BUT GOODIES, FLASHLIGHT and WEARING OF THE GREEN dances. All good dances with special fun at each.

A monster crowd got some great bargains, some great dancing with Marv Northrup, refreshments were in the spirit of the night with eggrolls at the Chinese Auction dance. Groundhog Dance had Ray Lehberger in more than good form. He kept the crowd dancing at a furious pace. Everybody complained with the biggest smile you ever want to see. We didn't know that Dick Pasvolsky was so old...he proved his age at our OLDIES BUT GOODIES Dance. Dick had more and more old, forgotten calls. DOES ANYONE OUT THERE REMEMBER "RED HOT" ?? Dancing Braille Method kind of describes our FLASHLIGHT Dance. Finding your OWN partner in the dark was fun -although sound of hand hitting cheek was occasionally heard, also some giggles. The Irish were out in full force in March for WEARIN' OF THE GREEN Dance. Jigs and reels inspired Marv Northrup to new heights of calling..much to the delight of the dancers.

We look forward to seeing and dancing with you .. SOON. If not now -- then in the Fall. Our first plus dance will be 3rd Sat. in September with Joe Fazekas calling. Our 1st M/S dance will be in October with John Kallenthaler calling. Round dancers, at both dances, will enjoy the cueing of Nick & Carole Raspa.

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

At the time of this writing, the crocuses have pushed up their heads and the daffodils have appeared. But there is still time to renew those resolutions that faded with the holidays. As a powerful motivation, pull out last summer's bathing suit and try it on. For instant success: attend more dances and "keep your lips sealed" as you pass the dessert table! Well, try. Richmond Dancers' happenings: Norman/Susan Reid attended the Bermuda S/D Convention; Bill/America Letteri have returned from AZ; heard from Jean Fricke in FL; Mary Gorham is back from CA: and Rana Pettit's heart is still in Madeira, Portugal. The Association dance on Mar. 31 and the NJS&RDC on Apr. 1 were well attended by Richmond Dancers. Congratulations and welcome to our new members, George/Helen Nadeau and Sam/Rose Rutigliano. Let's be aware that new dancers are square dancing's future. All new dancers out there, make the great effort to attend the Association's Summer Dance s. Events to remember: our Christmas Dance chaired by Ray/Clara Friscia (with Mr. & Mrs. Santa); the Beach Party Dance that Jim/Helen Dunlop chaired (didn't you love the bathing suits on the figures) and the Extra Touch Valentine Dance, chaired by Sandy/Marcia Rubenstein. A special well done for this year's officers: Charlie/Kathy Porter, Presidents; VP's: Floyd/Fran Miller and Romeo/Pat Pettinato; Secretaries: Jim/Helen Dunlop; Sam/Grace Ippolito, Treasurers; Pete/Joan Yuskevich, NNJSDA Delegates and Alternates, Norman/Susan Reid. Then we had those dedicated Raiders: Jim/Barbara Branigan and what would we do without the faithful Bellottis. Yes, we are having a successful season due to our capable leaders and great love of square dancing by our members. As in the way of all things, we had our share of sadness for we still miss Charles Fricke and Joe Knepple, long-time members loved by all.

2 & 4 Saturdays

Reformed Church, 59 Hamburg Tpk.

We'll be winding up our season the 2nd Saturday in May this year. So if you missed that dance, mark the 4th Saturday in September to start the fall season with some excellent A-2 dancing. We plan to carry on with the same format - rounds at 8 PM; square 8:30 with a C-1 after tip at 11. By using computer squares all dancers get a chance to mingle and mix - and for those who do not Round dance, the comfortable chairs in the church lounge are a great spot for a few moments rest and conversation. Our BIG NEWS is that we will be sponsoring an A-2 WORKSHOP this summer. Hugh Jones will call; time and place to be determined. So please call for info. This deadline came too early for our final plans.

PRINCETON SQUARES -- Hamilton Sq./Lawrenceville, NJ (Wed/MS)

Every Wednesday
2 & 4 Fridays

Nottingham Fine House, Hamilton Sq.
Ben Franklin School, Lawrenceville

Princeton has had a very busy and active 1989. On Fridays, our Plus club has had many wonderful callers as well as cuers. In March, Bill Heyman was here with his friend Stefan Sidholm from Sweden. That was a fun dance had by all. In April, Curley Custer is scheduled to be at Nottingham Ballroom for our Spring Fling. In May, John Carlton, our club caller, will be calling along with Ellen Fury on rounds for our Annual Meeting. This meeting includes the election of officers as well as a Pot Luck Supper at 6:30. ALL ARE WELCOME. The Summer program will begin in June with Lee Kopman calling and Ron & Ree Rumble on rounds.

Plus lessons (not workshop) will begin the end of May at the University Heights School on Paxson Ave., Hamilton Township. For information, call: Bob/Kathy at 799-4472.

Mainstream has been the "Hopping" place on Wednesdays. We had our Valentines Party with everyone and everything in red and in March, we were all in green for St. Patty's Day. April was our Ice Cream Special, where every one brought a delicious topping for the ice cream. The Graduating class has been slowly appearing on Wednesdays and is doing a wonderful job! They will have their first official dance in May. The Class has 42 students from the ages of 8 to 71. Mid-May is their Graduation at the Nottingham Ballroom. John Carlton has done a wonderful job teaching this class.

Princeton Rounds have been learning a lot of Swing and Cha Cha type of dances. The round they are learning now is "You're the Top Cha". They had a fancy round dance party in April and they average 20 couples - who are dancing anything from Phase I to Phase IV or V. Ron & Ree Rumble are doing a great job. Princeton is doing fine and would like to welcome anyone to come to our dances.

1 & 3 Fridays MONTVILLE SQUARES -- Montville, NJ (C-1)
Lazan Central School, 123 Changebridge Road

Our 1989 year finally started March 3, with an enjoyable and challenging dance by Dave Smith. Weather prevented our dancing in January and February. Lessons started last fall are now winding down and "D" day, that first dance date of the new program is approaching. The level or the number of programs previously completed does not diminish the importance of feeling welcome. We need new dancers at Montville and ALL are welcome.

Mary/Howard Schulien are experiencing a sight seeing train trip aboard Amtrak - around the Northwestern U.S. We wish them an exciting and safe trip. To Frank/Virginia Altanese, a very special dance couple, all of us extend best wishes for happiness and well being at your new home in Toms River. We are all happy for you and while we miss dancing with you here in Montville, we look forward to dancing with you at East Windsor and some other places.

MERRI EIGHTS -- E. Brunswick, NJ (+)
 1, 3 & some 5th Fridays Oct thru May-Hammarskjold Jr Hi, Rues Lane
 Jun thru Sep- K of C-Pine St., Old Bridge

We are very pleased to announce that Glenn Matthew has agreed to be our Club Caller beginning this summer. His first dance in this new capacity will be in September but he will be very active with us in our recruitment demos. Glenn has often guest-called for the Merri-Eights and is a favorite of our campers, too. He will conduct our class in Sept. and will also run a DBD (APD for the die-hards) workshop for an hour before class each week.

In February, we held our Deborah Benefit Dance with class level in the afternoon and Plus level in the evening. Joe Fioretti, Barry Serebnick & Glenn Matthew presided and Peg Tristram cued rounds in the evening. We are proud to have contributed nearly \$500 to Deborah. Be sure to mark the 1st Sunday in February, 1990 -for next year's Deborah Benefit Dance - we scheduled it a week earlier to avoid conflict with other class dances.

We raided the Princeton Squares with 19 1/2 couples in March, when Bill Heyman and Stefan Sidholm, from Sweden, called a very enjoyable dance. It's no lie, foreign callers do use the same terminology that we are accustomed to hearing. Our annual Barn Dance in March was a success, as usual. Thanks to Frank/Lucille, Joe/Jane and especially Phil and Ursula. Attendance was a little lighter than it has been but enthusiasm ran high and we all had a great time.

M T SQUARES -- Avenel, NJ (+)
Avenel Learning Ctr., Woodbine Ave.

When you are the GRAND SQUARE reporter, you count your Year from the first report deadline to the last. This being the last, one tends to pause for an over-the-shoulder glance at our dance year just ending. It has been a fine year for the M.T. Squares. We moved to a new dance location at the Avenel Learning Center, which has proven to be a move in the right direction. We have been raided by a number of fine clubs, in many cases I'm sure-- in response to our raids. That is a worthwhile activity that should not diminish. Also not to diminish thru the summer is round dancing with Peg/Joe Dockry ...Thurs. from 7:00 to 10:00 with intermediate workshops from 7:00 to 8:00 at our Menlo Park Terrace location.

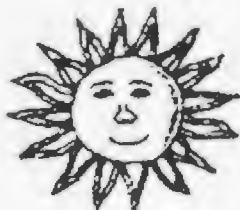

In my first report for this dance season, I pointed to the preseason work done by executive board members in order to guarantee an enjoyable year for their clubs. At that time, the M.T. Squares had good reason to look forward to an exciting season of dance and at this point, I join my fellow members in thanking Mary/Mike Adleman and their hard working board for one of our best years.

At the time this GRAND SQUARE hits the street...there will be only one or two dances left on many club schedules. You can find us at the Avenel Learning Center for the next few 1st and 3rd Saturdays, with pre-rounds from 7:30 and the regular squares from 8:00 to 10:30. We'd love to see you!!!

The "Class of '89" now takes its' place in the "Wonderful World of Square Dancing". It's up to the more experienced dancers to make them feel welcome and wanted. Encourage them to attend the Summer dances and attend them yourselves...whenever you can. The Graduates have worked long and hard hours. They deserve the rewards that will be theirs , as they bid farewell to the Student days and become regular Full-fledged Dancers.

However, new dancers as well as experienced dancers should keep in mind, that as the "Class of '89" becomes a finished chapter in the history of S/D'g, plans for the "Class of '90" must be made. This will require some effort on all our parts. It's the only way to guarantee the future of S/D'g. Talk to your non-dancing friends. Tell them about the fun you have and tell them about the physical benefits. Tell them about the friendships to be made and the good times to be had; AND, don't forget to tell them how great it is to get all dressed up. Tell them about the Fall Lessons coming up and invite them to "check them out" - as your guests. Let's all do a little missionary work during the summer months to guarantee a big, "flock" of dancers for the Class of 1990.....!!!!!!

*HILL CITY SQUARES -- New Providence, NJ (+)
1 & 3 Fridays Hill View School, 340 Central Ave.*

Overshadowing all other events was the difficult decision made in March to merge Hill City with two other clubs. Following the decision to merge, representatives of the merged clubs decided to meet first and third Fridays for Plus dancing and second and fourth Saturdays for Mainstream. The new club name is HARMONY DANCERS; club colors are royal blue and white. Dancing will take place in Mountainside in a hall described as spacious and beautiful -- one of the best. Hill City charter members Irv and Blanche Weaver were present for the vote, reminding members of Hill City's many years (over 35) of Square Dancing fun and friendship.

Successful Hill City raids continued into the Spring. An impromptu raid was organized by members for a visit to Somerset Hills, which was preceded by dinner at a nearby restaurant. This was soon followed by an organized raid on Valley Squares..preceded by a much appreciated lasagna dinner in the home of Dwight and Mary Rice.

With the announcement by Leo Eckmann of meeting for dinner at Yardley Inn during the convention and the invitation by Wayne/Kay Schroeder to eat in their home preceding club's trip to Manny Amor's live music bash, it was suggested the Club should be dubbed the "eating and dancing" club. President Jean Richtmyre suggested the need for an affiliation with Weight Watchers!

Every Thursday

VFW Hall, off Broadway

Hats off to all our members who have so faithfully brought us through so many months of weekly dancing & successful raids. And speaking of raids, what better time than now to thank John/Connie Huetteeman for setting up these raids & for the enthusiasm they generate encouraging club members to participate. In February we held a very successful Chinese Auction - both monetary/wise and fun/wise - there were so many lovely items to bid on & take home. Our Presidents' Night was well attended by the Presidents/officers of our neighboring clubs & we thank them sincerely for coming out. They well deserve the recognition that is bestowed on them.

There can be no doubt that all who attended the Annual Dinner Dance at the Brownstone Inn found it a perfect way to spend a dreary Sunday afternoon when it is neither winter nor spring. There was certainly nothing dreary about the great dancing, delicious dinner, and everyone looking great in their Sunday Best. Allana & her committee did a super job putting it all together. The best treat was having Jack Cochrane back, joining us at this affair. It has been said that Ed Johnson is "waltzing" the Malls, which would indicate that he is getting ready to waltz around the Club with his lovely Ruth by his side - hope it's soon! Before long we'll have all our students graduating & would like to remind them that Hix & Chix dances every week all summer in our fully air-conditioned hall. We invite YOU to join us & share in the hospitality of the Hix & Chix members.

HI TAW TWIRLERS - New Milford, NJ (+)
Middle School, Roslyn Ave.

Every Tuesday

As we approach the end of our 26th S/D season at Hi Taws, we want to thank the members/friends who have shared our fun & fellowship on Tuesday nights. We especially express our appreciation to our Presidents, the Weiss's; our committee of Vice Presidents: the Hamiltons, Pangborns, Peres', Corcorans & Rellingens; & Treasurers, the Marcells. Now the task of recruiting officers for next year is upon us. We're happy to report we have volunteers for VP, Sec'y, & Treas., but as of this writing, we have no volunteer for Pres. - HELP! We'd like to plan another exciting dance program for next season.

Spring was a busy/exciting time with special dances/festivals, & the NJ State Convention. Our own Herb Rivkin, who has been teaching a R/D Basics class, has also been busy cueing at area clubs, the NJ Convention, & even at the Connecticut festival, where much to the delight of the dancers, he was an on-the-spot substitute for one of the CT cuers. Our R/D program is thriving to the point where Roy Gotta is teaching the R/D & S/D rounds of the month 1st/3rd Tuesdays. We're looking forward to our annual dinner dance in June at the Colonial Manor, Old Tappan, NJ. Our 3 regular callers (Hugh Jones, John Kaltenthaler, & Bob Mitchell) will be there for our S/D pleasure along with our regular cuers Roy Gotta & Nick Raspa for our R/D enjoyment.

GARDEN STATE SQUARE DANCE CAMPERS

Congratulations to the following couples who received 100% dangles for attending all the 1988 campouts: Angerers, Blanchards, Fields, Gardners, Howatts, Mastrobertis, Ostertags, Schultheisz, Sensbachs, Shults, Sickles & Vignalis. With the advent of Spring our

thoughts turn to camping. We had an early bird special in April & another weekend in May before settling into our usual 2nd weekend campouts for the summer. A lucky extra this year is our end of Sept mini-camporee at the Sussex Co. fairgrounds, where we had such a fantastic week when we sponsored the NSDCampers Annual Camporee. It should be even more extra special this time as we will be sharing the spacious Sussex Co. fairgrounds with the hot air balloon enthusiasts. Keep you posted!

F.A.D. SQUARES - Maywood, NJ

(MS)

1 & 3 Sundays

Amer. Legion Hall, 113 E. Passaic St.

If you saw our flyers & thought we mis-spelled Head ANGLE dance - you could talk to those people who danced as ANGLES that night! F.A.D. has the distinction of being the first club to hire Vince Anthony, with C.B.S. grabbing him for the same date (class dance). Once again, Bill/Vera Clampett shared their woodcraft with St Pat's dancers - THANKS!

The NJ State convention generated plenty of enthusiasm, which spilled over into our Amateur Caller event the next night. Cross Trails' new graduate, Frank Benvenuti, volunteered to start, before he had a chance to be nervous; followed by Hix & Chix VP Dick Dexter, who made Brenda proud. A pleasant surprise was the lovely, low voice of Betty Hughes, with a little help/hindrance from Vince, while FAD's VP Jim Broderick shone in spite of Pat's absence (recuperating from a shattered kneecap). We've all missed Pat, who should be back by the time you read this. Belles & Beaux incoming VP, Dick Mazziotti, proved beyond any doubt that his voice doesn't require amplification - we'd like to figure out just exactly what the dancers were doing when he called "grand square"! Fran Wadel, Tenafly's VP, called while leaning on crutches - another first. Our ever-faithful Caller's Hauler, who willingly squares up every dance night with various & sundry ladies, treated the dancers to a final singing call - George, we all love you, even if it took 5 figures to get everyone back to their original partner!

There's still time to enter our photo contest - prizes include free admission to our AIR CONDITIONED summer dances. New graduates joining FAD now receive 18 months of Fun At Dancing for the price of 12. We welcome new members Custy/Pat Demikoff, Jacques/Rose Godfrin, Mickey Orsages, Frank/Martha Zintl. Betty Hughes/Vince Anthony. Welcome!

Hi, fellow dancers! We have NEWS! Dancing Squares is very proud and happy to announce our merger with Somerset Hills and Hill City. Please watch for our ads & flyers as "HARMONY DANCERS" in the future.

We were delighted to welcome club raids by Valley Squares & Y Squares; they certainly added lots of fun & fellowship to our dances. We also returned the warm friendship by raiding Richmond Dancers & Valley Squares, where we were made to feel most welcome. This spring & summer we plan to demonstrate in the Memorial Day Parade & in the Summer Cultural Arts Program in Scotch Plains. We've participated in these events previously and thoroughly enjoyed dancing for them. Come out and join us for an evening of fun - hope to see you on the dance floor.

Martha/Roger Hathaway & Mildred/Walt Angerer were responsible for making our annual dinner dance such a gala affair. This reporter was very honored to be presented the Croix de Square, an award for service to the club. Dancers at our St. Patrick's event had a special treat when Kathleen Vesey, a lovely young lady from Clifton, entertained us with Irish ballads. Everyone who participated in the candlelight bowl had a wonderful time, according to Betty/Marty Jobrack. This was the 2nd successful year & just may become an annual event. Let's hope so!

Ginny (Measley) & Lon Murchison, head angels, were recently married & had a reception for the students. In spite of, or because of, this extra-curricular activity, the students are progressing well & looking forward to graduation. Dot/Andy Meador, chair, should be proud of a job well done. Eric Pollock & the nominating committee presented the slate of officers at the general membership meeting. Slate was accepted, as follows: PRES: Russ/Laura Safar, 1ST VP: Dot/Andy Meador, 2ND VP: Roz/Lou Friedlander. TREAS: Evelyn Boucher/Bob Hopf, SEC: Pat/Walt Sickles Delegates. We wish them a good year.

A St. Patrick's Day theme is always on our calendar of dances. This year there was the usual abundance of green, with Fran Cashill proudly wearing her brand-new, lovely, green dress, gift from son & dtr-in-law in Missouri. Demos are very much a part of our club doing. Lately there was one at the Ahearns' son's Scott's school & another at the Elks Club in Nutley. They were both a lot of fun & very rewarding. We also raid and are raided regularly. A great group of 4 squares from Spinning Wheels raided us in Jan. and brought with them much warmth & fellowship. We thank them. We, in turn, raided Cross Trail Squares with 3+ squares. All of us enjoyed dancing & being with these nice people.

This year we're celebrating our 15th anniversary & congratulations are in order. We enjoyed our special anniversary dinner dance with John K. & Herb Rivkin; anniversary dance with Joe Fazekas & the McLaughlins. Cross Trails made this dance even more special by raiding us. We would be remiss if we didn't mention our wonderful PRES: Margy/Wally Cox. They & their officers & committee members have been outstanding. Come visit us & make this year our best one yet.

Roland/Monica Grover led the club on a mystery bus ride into the wilds of Penna. to a dance held by a club whose name should be on the Weight Watchers 'ten most wanted' list - CALORIE SQUARES! This was the 2nd time at one of their dances & they earned their name honestly both times with their food table. We're lucky the bus wasn't cited for overweight on the return trip! We wonder if a club named 'Weight Watchers Squares' would draw a crowd? Plans are being made for a club picnic in June with eating & dancing in the park. Sept. again marks the beginning of a new season. Check our ad and flyers for our Fall caller listings.

NNJSDA prints up and distributes free to member clubs who ask a great promotional pamphlet "What Is Modern Western Square Dancing". It is available for recruitment purposes, but can be used for other purposes. There are names and addresses for folks interested in the S/D activity to call AND plenty of room for a club to add personal contacts in their own immediate area. These pamphlets are available from the 2nd VP - (see back cover)

or from the GRAND SQUARE Editors. Remember tho, while these handouts are great, it is the PERSONAL invitation and bringing of a non-dancer to the class - the personal touch - that is the best approach.

1st Fridays

VFW Hall, 6 Veterans Pl

Anyone that missed the Feb. dance surely missed an unusual event. Adding to the fun of a raid by Cross Trails & Western Wheelers, 5 couples from W.W. (unknown to our Pres & everyone else) dressed in formal evening attire, bedecked in jewels and furs; made a formal 'champagne' toast to 'The House of Cloverleaves' from 'The House of Western Wheelers' (Leo/Rose Rogers, Gus/Marilyn Bachmann, John/Madelyn Kerner, Andy/Gerry Musante, Ed/Clara Klotz). These 5 couples later joined fellow W.W. in a raid of 4+ squares. The spirit of the 'toast' carried on throughout the night, creating a most friendly & enjoyable occasion.

Our Presidents' dance in March with Ray Lehberger calling, was a fun-filled night. We had a great turnout of pres. from all over. It's always a pleasure to honor these people for all the time & hard work they put into their clubs & S/D for our enjoyment. Thank you, Doc/Peg Tirrell, our cuers; and John/Connie Huetteman, our pres., for adding much pleasure to our dances.

Don't miss out on all the fun - come to our next Cloverleaves dance!

Earl Johnston and Al Brundage present their Callers Schools for 1988. These are the schools that have set the standards for all the rest by providing experienced leadership, years of know-how in caller training and a track record that has yet to be beat. CIRCLE EIGHTS - Hannington Park, NJ

(MS)

4th Friday

A square dancer can look forward to a good weekend in northeastern Bergen County by coming to one of our Fri. nite MS dances. Circle 8's sponsors the 4th Fri. of each month; other clubs host dances on 2nd & 3rd Fridays. We've designed new raid dangles & invite all clubs to raid us with 2 or more squares. We filled the hall with a good crowd in Feb. at our Presidents' Ball. The tasty treats served by our refreshment committee was just the icing on the cake of an enjoyable dance. Circle Eights is one of the sponsoring clubs for the New Milford Tenderfeet. In May we hope to graduate 2 doz. new dancers, taught this year by Andy Woerner. We hope they'll take advantage of all the graduate dances being sponsored by us & other clubs. The only way to polish your dancing is to keep dancing. It's fun, relaxing, and you'll leave with a smile on your face.

On a more sombre note, we'd like to extend our sympathy to Mrs. Anton on the death of her husband, Charles. Charles enjoyed S/D & passed away at the Belles & Beaux student dance.

Coleman School, Pinelynn Rd.
Jewish Center, 682 Harristown Rd.

We are all looking forward to our new graduates and new members joining us at the Glen Rock air conditioned Jewish Center starting the 3rd Tues. in June and on the first and third Tues. thru the summer. August is "Century Book" month when you will have the chance to dance to callers who are generally not in our area. When this appears, two busloads of dancers will know the destination of our Mystery Bus Ride and have danced to one caller at dinner and another when we raided our mystery club. In March we enjoyed listening to the history of John Katenthaler's square dance experiences at "Dear John" night. John returned in May with an all singing call evening. Celebrating our 10th Anniversary, the club met at the Brody's in April & then raided FAD. We raided FAD, Tenakill Twirlers and were raided by Hix & Chix, FAD and also Lakeland Squares at one of our Sunday student dances. Our last 2 regular Wed. dances in May & June at the Coleman School are Fun Nites and will afford all, including new graduates, the opportunity to garner "beau coup" dangles. See you there.

AL"e"MO had a very good fall/winter season. We graduated 19 students, we had some very successful Sunday dances with some excellent callers, & we had at least 1 full square at the Caldwell mid-term dance, with more than 1 square at the NJ Convention in Trenton.

For spring & summer we're planning some public exhibitions. After graduation, thru August, we'll have weekly dances at Phillips Dance Studio which is AIR CONDITIONED! We invite members of other clubs to join us - as in the past, we rebate \$4 for 4 or more dancers coming in one car from Staten Island or New Jersey, to defray your tolls.

OCEAN WAVES -- Staten Island, NY (MS w/+ tips)
1 & 3 Fridays Christ United Methodist Church, 1890 Forest Ave.

We're grateful for the returned good health of some of our club members, Mary Gorham, Kit Willmot and one of our Presidents, Oscar Michaud. A few weeks after coming home from the hospital, Oscar made the trip to the 3rd Annual Square Dance Convention in Trenton. Other members, Ann Kravitz, Hope Engelson and Patty Connors also went and seemed to have enjoyed themselves. Patty worried about me being alone tending my shop and took time out of her festivities a couple of times to bring me a cup of cold water. Donna Anderson (wife of caller Bill Anderson, who did a great job calling our Feb. dance) also spelled me while I had to leave the room briefly. Thanks ladies. We had a super St. Patrick's dance with Bill Heyman calling, and some marvelous March Mitten tips with John Carlton calling. Our club caller, Dick Pasvolsky, calls a fine dance, filling in with line dances sometimes. Once in a while we are even lucky enough to be visited by new caller and line dancer leader, Lois Bichler. Some of the R.I.O.S. students have been attending our Mainstream dances and getting some extra practice in addition to their lesson night. I'm sure this will hone their dance skills even sharper. Frank Riviccio is a terrific teacher and we are privileged to have these students joining us at our dances.

LADIES' BELT "SLIP-COVER"

What a wonderful time everyone seemed to be having at the 3rd Annual Square Dance Convention. I was lucky enough to spend the entire day with my shop in the last available vendor space. I needed an idea for this column, so, while I didn't get to dance, I did get to talk, and most of all listen, to some terrific people who visited and, sure enough came through, unbeknownst to them.

Several ladies were looking for belts in colors I didn't have. I didn't think of it then but it has since occurred to me that I solved that problem once by making a fabric "slip-cover" for one of my stretch belts.

Put a stretch belt on and then measure the elastic part (not the metal or plastic fasteners) around your waist. Add 3" (or more if you need "growing room") to that for the cutting length. For the cutting width, measure the height of the stretch belt (usually between 2" & 3"), double that, and add 1" seam allowance. You now know the size of the piece of fabric you need for the "slip-cover". You may want to use the same fabric as the dress or just the same or coordinated color as your dress, slip, shoes, partner's shirt or whatever.

Fold fabric the long way, right sides together, and stitch the 2 long sides together leaving the ends of this long tube open. Turn this tube right side out however you choose, then push one end of the stretch belt through the tube, keeping the seam centered in the back.

Fold 1" or 1½" of the front side through the metal fastener however the elastic is put through, fold neatly with the back fabric and safety pin in place. You can stitch this if you want a more permanent cover.

If you have a "butterfly belt" or the kind of stretch belt where the elastic can be adjusted by opening 2 prongs and removing the metal fasteners then do that, cover the elastic with your fabric tube, and put your new "slip-covered" belt back in the metal fasteners as one.

When you are not wearing the belt the fabric cover will look too big, but when you put it on it should stretch out and look custom fitted.

of Square Dance Callers

The long-awaited commercial video tapes for use in promoting our wonderful activities are now available thru CALLERLAB. These tapes, produced as public service announcements,

are produced in 2 formats - a VHS video and a 1" video for studio use. Each has 3 separate & very different commercials: "Couch Potato" is a 30 second spot - bored couch potatoes viewing scenes of S/D - are we having fun yet?; "Scenic America" - 30 seconds - scenes of various people/places/S/D scenes - "All America is Coming Home To S/Ding" "Perceptions" - 60 seconds - a narrative concerning perceptive impressions of S/Ding; Theme: S/Ding is a fun/friendly recreation; S/Ding is what's happening. At the end of each taped commercial is a spot for insertion of a phone number for info. Because these tapes were designed as public service announcements, your local TV station should not charge you for 'air time'. Those who've viewed the tapes are most enthusiastic. Several callers came home from the CALLERLAB convention with these tapes. Both SDCNJ and CCNJ may be contacted if you can get them on the air.

This, the first project of the CALLERLAB Foundation, is a step in the right direction of the Callerlab 1989 theme of "Recruit, Promote, Maintain" Callerlab wishes to thank all who've donated to the Foundation. Tapes, and additional donations may be ordered from/sent to Callerlab, Box 679, Pocono Pines, PA 18350.

ROUNDALAB will be conducting its 13th convention in Oklahoma City, OK June 18-21, 1989. Many teachers from the U.S., Canada & overseas have indicated they will be attending. Unlike the NSDC, the ROUNDALAB convention is not a dancing convention, but is a "sit-down" working convention where the attendees not only consider the business aspects of the organization, but spend much time discussing, defining and placing figures in ROUNDALAB's Six Phases of round dancing. This year ROUNDALAB will also be preparing a teaching progression guideline in the form of a list broken out into the ROUNDALAB Phases by rhythms and updating the ROUNDALAB Reference Manual. The new video tapes will be previewed at this meeting. Various committees meet daily from 9 to 5 while evening hours are devoted to educational programs. Although the convention officially closes Tuesday, an all day Teachers' Seminar/Clinic is conducted on Wednesday, which most attend.

Following these busy four days, most ROUNDALAB members stay for the remainder of the week to volunteer their services and participate in the National Square Dance Convention. Teaching units who attend ROUNDALAB & remain for the NSDC are a dedicated group of professional leaders.. They are not only giving up at least a week of vacation and/or family time, but are also spending their own money - well over \$1,500. No one ever received any remuneration for this week and few ever have any time to even go sightseeing. Their reward is in the fun and fellowship of the activity, honing their own skills and expertise, expanding their knowledge and knowing that they are contributing to the forward progress of the round dance movement. If your leaders are among those present in Oklahoma City, please tell them "THANK YOU" and that you do appreciate their dedication.

ROUND OF THE QUARTER - The Classic Committee Chairman, Jo Yakimowski, has announced that there will be NO Round-of-the Quarter chosen for the 2nd & 3rd quarters in 1989. Some of our members have expressed a growing concern over choreographers who write round dances to pop labels when making a choice. These and other concerns will be fully addressed in June at ROUNDALAB's 13th Convention in Oklahoma City, OK. The ROUNDALAB 1989 Classic List of dances most frequently programmed will be finalized at the June Convention.

LEGACY is a non-profit International Assembly of "Trustees" of the S/D activity representing ALL facets of Square Dancing including dancers, cuers, callers, suppliers, publishers & special interest groups. LEGACY has been defined as a leadership-communications resource center. Trustees meet bi-

ennially, in the odd year, to exchange ideas and formulate proposals and guidelines for the good of the overall activity. Leaders from all over the world will be gathering in mid May, at their own expense, in Nevada to compare mutual areas of interest, discuss similar areas of concern and formulate

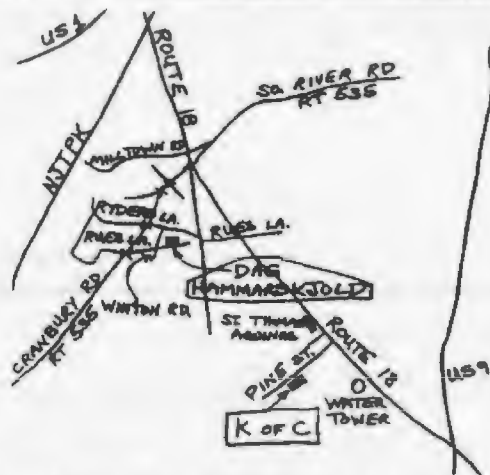

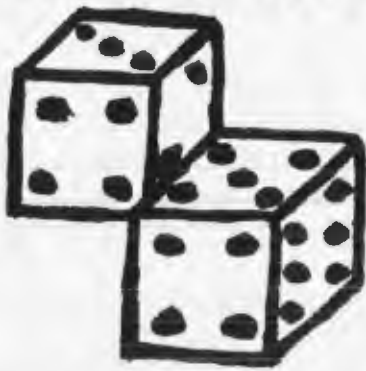

solutions. Last year's NNJSDA's LUST'88 could be likened to a mini-LEGACY.

Pictured are some of our area LEGACY Trustees- Frank/Helen Cavanaugh (Legacy Board members); Past LEGACY Chr. Doc/ Peg Tirrell; Bill/Donna Anderson; John/Freddie Kaltenthaler; Ken/Helena Robinson & Bill/Peggy Heyman. Missing from picture are Roy/Betsy Gotta; Frank/Betty Olier & John/Mary Aquino.

Meeting & sharing ideas with leaders from all over generates new enthusiasm or as one trustee said, "It recharges my batteries."

LEGACY encourages S/D MONTH with special packets of info (OUR NNJ purchased these for its member clubs the past couple yrs) & distributes a "Dancer Notes" handout (An excellent companion piece to NNJ's "What Is Modern Western S/D?" which is free. Write National S/D Directory PO Box 54055, Jackson, MS 39208. The results of the recent dancer survey will be released at this LEGACY meeting.

SQUARE DANCE - THE AMERICAN FOLK DANCE OF IDAHO

Frank and Helen Cavanaugh, Chairmen of the American Folk Dance Committee for Legacy, Inc., proudly announce that the Idaho Federation of Square and Round Dance clubs has just accomplished mission improbable! In just 5 short WEEKS they met with Representative Kathleen "Kitty" Gurnsey who introduced a resolution to the Idaho House of Representatives designating the Square Dance as the American Folk Dance of Idaho, where it received a very enthusiastic "Do Pass". In the Senate, Roger Madsen presented the resolution along with an excellent explanation of Square Dance history and the benefits to Idaho. Here it passed unanimously and enthusiastically!

Idaho dancers have a right to brag about their accomplishment. They are the 10th state to so ratify the resolution. Congratulations to Ted & Joy Koskella, Chairman of the Idaho Committee and all their hard-working and most persuasive dancers.

The USDA, which was formed in 1981, is a nationwide organization of dancers. Originally the vast majority of its officers were from CA, but as the organization grew, its officers began to represent various regions of the US. Former NNJSDA Presidents, Frank/Nan Habersberger, serve as its Treasurer & spearheaded an unsuccessful campaign for designating the Square Dance the National Folk Dance. The USDA provides members with an economical accident and group disability insurance; initiated a "handicapable" dance program; and provides educational and leadership handouts. They also have a program to obtain a Square Dance Commemorative Stamp and recently introduced a Square Dancers Mastercard. For further info on the card, call Signet Bank toll free 800-368-4868.

The Square Dance Council of New Jersey (SDCNJ) is an association of eight organizations that comprise the S/D picture in N.J. They sponsored the first two N.J. State Conventions and were almost too successful. The success generated profits and a controversy.

The N.J. State Convention, like many other state conventions and the National Square Dance Convention, was staffed by volunteers, all of whom paid a registration fee. There were some members of the SDCNJ (who are delegates from callers', cuers', and dancers' associations) who felt that the callers and cuers should not have to pay the registration fee, since they were donating their time and, in some cases, had given up paying jobs to support the convention. Other delegates felt that the other volunteers, who gave much time to the convention work, would feel slighted if the callers and cuers were not charged. The fact that the first two conventions had not only paid for themselves, but generated considerable profit was used by both factions as a support to their positions.

Meanwhile, CALLERLAB was forming a Foundation with the purpose of promoting square dancing and preserving our dance heritage. Betsy Gotta, a Delegate to the SDCNJ and a Member of the Board of Governors of CALLERLAB, took on the job of N.J. fund raising chairman for the CALLERLAB Foundation. A letter to various people around the state requesting help to hold fund raising dances produced the opinion that extra dances would not help the N.J. square dance picture at this time. Betsy then sent a letter to the Square Dance Council of New Jersey requesting that a portion of the profits from the first two N.J. State Conventions be donated to the CALLERLAB Foundation. As a caller, she felt that her registration fee would be well spent if it helped generate profit which would help the CALLERLAB Foundation.

The SDCNJ delegates, members of Bucks-Trenton District, Callers' Council of N.J., Central N.J. Square Dance Association, Dance Leaders of Delaware Valley, Delaware Valley Round Dance Teachers Council, Northern N.J. Round Dance Leaders Council, Northern N.J. Square Dancers Association, and the Penn-Jersey District, carefully considered both questions. They voted to donate 10% of the profits (\$1,288.00) to the CALLERLAB Foundation. They also voted to establish criteria, including a local program, which would exempt the callers, cuers, and other professional leaders from the payment of the registration fee.

The Third N.J. State Convention was recently held and was another success. That probably means more profits. The SDCNJ has several projects in mind to use the money to promote square dancing. One currently being tried is sponsoring a newsletter for class dancers to help them feel included in the total square dance picture.

Delegates of the SDCNJ should be proud of their solution to their problem. They definitely are proud to have contributed to the commercials recently produced by the CALLERLAB Foundation.

I am responding to the letter in the Winter Issue and would like to expand on the ideas presented. Here are a few ideas to reach out to all ages: *Demos with a mixture of all ages. Have the audience join in. *Perhaps the NNJSDA could prepare Cable TV ads showing people of all ages enjoying our activity. *Put on demos at western/folk dancing clubs, etc. These people are already pre-disposed to an activity like square dancing. *A club or closely situated group of clubs could hire a child-sitter. *When companies or civic organizations have barn dances, hayrides, etc., try to arrange a demo. *Make everyone feel welcome and be happy if younger people in your club want to be officers! (More ideas to follow in the next issue). Name Available on Request

Re: "How Do We Treat Our Future Leaders?"

Just last night I found myself at a country western dinner dance. It was packed with mostly 20's/30's people. I found myself reflecting on the reason that these young people were not in square dancing. One reason seems to be the pace. There were mostly live music dances with the two-step and the country swing (a close relative of the jitter bug). Square dancing can get draggy at times. Mary Synder (4-H Leader)

Re: "Food For Thought"

I hate prearranged squares. I would be happiest to always be the first one up, come who may, to fill the square. I always urge that everything possible be done to make the newer dancer comfortable. But I have also been accused of pushing, pulling, demeaning. Most people are happiest when they square up and keep dancing with a minimum of breakdown. I have also apologized to people because I thought I had pushed or pulled just to keep us going and have had them thank me for helping them keep dancing. Not everyone reacts the same. HERE'S HOW TO FIND US:

the **NORTHEAST** **SQUARE DANCER MAGAZINE**

Formerly The NEW ENGLAND SQUARE DANCE CALLER MAGAZINE

Want to know about dancing opportunities in New England? The answer has been - "Look in the New England Caller - woops- now called the Northeast Square Dancer Magazine." Begun umpteen years ago by Charlie Baldwin it was acquired by Ray/Carole Aubut seven years ago. During their period of editorship they changed the name to reflect it was a dancer as well as caller oriented publication and also added a number of contributing editors. They also began including much more news from outside areas letting their dancers know our favorite recreation is truly worldwide. Now Ray/Carole are retiring to travel around in their motor home and enjoy some respite from the New England winters. Many happy miles travelling to you both....and thanks for seven years of excellent publications. New owners, Ed/Pat Juairé - Data Processing Coordinators for EDSARDA - have pledged to carry on the same fine publishing traditions established by the two former owners. As of June, the new address will be NORTHEAST SQUARE DANCER MAGAZINE, PO Box 777, Scituate, RI 02857. Good luck. May your computer never call you Idioter!

AS I SEE IT

GEMS from BOB OSGOOD.....

LOS ANGELES, CALIFORNIA

You are now a part of what is one of the greatest participation hobbies in the world. Happy dancing & a very warm welcome to the graduates! Those of us who have been a part of this activity greet you most enthusiastically and tell you that some of the happiest days of your life are yet to come. Whatever it was that brought you into this activity, whether it was the recommendation of friends, curiosity or desire to learn something different, you will soon discover many reasons to be glad that you became a square dancer.

Like almost any social recreation, square dancing has certain guidelines which add to the pleasures of the activity. Here's a list of ten from The Square Dancers' Indoctrination Handbook - 1- Be a good listener. 2- Get into squares quickly. 3- Be a courteous dancer. 4- Be on time for clubs and class. 5- Be a thoughtful dancer. 6- Be a cooperative dancer. 7- Take it easy. 8- Be a friendly dancer. 9- You are never through learning. and 10- ENJOY yourself- HAVE FUN!.

The responsibility of being friendly rests on the shoulders of each person in our activity. Never hesitate to introduce yourself to others in your group or square. As you've discovered by now, making a goof is not a social blunder. It casts no permanent blot on your character. So, when you feel you've made a mistake, remember the object is simply to recover as quickly and effortlessly as possible. Never allow yourself to become angry with anyone who might be a little slower in learning; and do not become angry with yourself! You'll be able to help others the most just by being in the right place at the right time with the proper hands ready. Enjoy each step in your square dancing experiences. The true fun in our activity is not based on "how much you know" but on how well you can do those things you already have been taught and how friendly you are. And make plans now to bring your non-dancing friends along to next year's beginners class.

ROUND DANCE HIGHLIGHTS - Gene/Jean Koenig, NNGSDA/NNJRDLCLiaison

The NNJ Round Dance Leaders Council met recently at the home of Paul/Jeanne Brody. Jean Kellogg, moderator, suggested a survey be taken on whether or not the Rounds of the Month were used at the Square Dance clubs. Round Dancers should request that the S/D ROM be taught at their S/D club. At the July RDLC meeting, Bonnie Busch will conduct a voice workshop and show proper use of the mike. The Smarrellis (MD) will be doing a workshop at the October meeting. We hope to see you at our May RDLC dance. Our fall special will be the 1st Sun. in November.

Did you know the Northern New Jersey Round Dance Leaders Council (NNJRDLCL), comprised of most of the area's cuers, meets periodically to select Rounds of the Month (ROMs)? These selections, chosen for round dancers in both S/D & R/D clubs, introduce new dances into the area or highlight a classic dance. The ROM program allows you to travel to other clubs & dance familiar dances to other cuers, as all Council members are supposed to include the ROMs in their program. These dances are also programmed into the NNJRDLCL Round Dance Festivals in the spring and fall. You say you never have the ROMs cued at your club? Then, as a dancer, you may request they play the ROM. Grand Square publishes the selections. Club officers can, when contracting cuers, request that the ROMs be workshopped and cued at their club.

It is becoming increasingly common to hear the cuer announce the phase rating of the dance, along with its title. What, exactly, is a Phase? And who determines what figures belong to each phase? Phases are standards set by Roundalab. Using the concept of 6 degrees of difficulty within which to work, ROUNDALAB membership is continually working to place R/D figures into these 6 categories or phases. Figures, once defined, are placed in a Phase according to their degree of difficulty as it relates to the amount of turn, the # of steps and/or the difference in each partner's footwork. Because the R/D activity encourages creativity in choreography, figures from different phases may be utilized in any given dance routine. However, the routine is rated according to the phase of the most difficult figure used.

Phase I and II ("Easy " or S/D rounds) are dances that can be done to cues, and include classics like "Very Smooth", "Could I Have This Dance", and "New York, NY". Phase III (some call it "Easy Intermediate") introduces some newer concepts, figures, and rhythms & includes dances like "Inner Harbor Waltz", "Answer Me", and "Patricia". These are the levels cued most often at the club dances and specials in this area. The remaining levels are Phase IV ("Intermediate") and Phases V ("High Intermediate") and VI ("Advanced"). Roundalab publishes booklets listing these figures with the descriptions.

Our council chose as ROMs: APR: S/D "Paradise Waltz", R/D "Dream 'n' Foxtrot" MAY: S/D "Fiddlestepper Polka", R/D "Wagon Wheel Rumba". No ROMs are chosen for the summer months.

This summer we are happy to report we'll have a fairly full schedule of Mon. dancing - Phase II & III the 1st half of the nite - Phase III & IV and some V the 2nd half. Summer is "Catch Up on Classic" time & Doc already has quite a request list! The Tuesday group also meets year round. Only the Sunday night groups get a sabbatical! It's been a pleasure to have a Japanese R/Der, Takashi Mitsugi, join us these past few months.

ROUND-ABOUTS - Dockry - Woodbridge, NJ - Thurs 201 995 2133

Our intermediate workshop (7 to 8 pm) is presently working on jive and waltz figures, having completed CRAZY EYES and DESERT SONG. RAMAPO RHYTHMAIRES - Tirrell - Waldwick, NJ - Wed 201 568 5857

Our annual Feb. afternoon of rounds seems so long ago. The weather was delightful with the full circle of dancers in attendance. Only complaint...Doc didn't give us much time to enjoy the delicious refreshments. We're all so proud of our class - they're doing so great with Phase III Basics that Doc has introduced a few of the Phase IV Basics. Graduation is the 1st Wed. in June. Our club has been working on the lovely Hawaiian Wedding Song, which is on the RDLC dance program in May. We take a sabbatical in the summer, but will resume a new class in R/D Basic and the club dancing on the 3rd Wed. in Sept.

PRINCETON ROUNDS - Rumble - Hamilton, NJ - Tues 201 657 0212

As we struggle with YOU'RE THE TOP CHA-CHA, we occasionally feel the thrill of victory, but too often it's the agony of 'de feet. Ron & Ree make it look so easy - if you ask us, they're the top! Don't forget the summer Rumble/Fury dinner dance 2nd Sun in June. Moved to air conditioned Nottingham Ballroom in Hamilton Square, NJ for summer. Always room for more - please join us for intermediate level dancing and workshops.

SILVER STARS - Pomona, NY (MS)
1/3/5 Thursdays *Rockland County Health Center (Rte 45)*

We are back in business after a short vacation. Our April dance in Pomona was a ball for all the new starlets (ex-NQRs). We all look forward to a summer of great fun. As in the past, we'll be dancing all summer in our air conditioned hall. C'mon up and join us.

The entire NQR class as well as a bunch of "old" club members invaded the NJ State Convention in April, and marched in three squares strong. Most of us stayed at the Red Roof Inn again (this time the manager didn't try to kick us out for being too noisy!).

We are also trying an experiment - PLUS dancing on Sunday afternoons in Bergenfield. Our first Plus dance was in March and everyone who attended had a great time. Working around major Sunday functions and holidays, we'll try it a few more times and see how it goes. See fliers for details.
