From the desk of JIM & JOYCE KELLY, NNJSDA Presidents

Welcome new and experienced dancers and friends to another year of fun and friendship. We hope you all had as much fun over the summer as we did and are ready for an exciting square dance year.

The National Convention held in Memphis was terrific. It was a pleasure meeting so many New Jerseyans and sharing our experiences. If you could not get to Memphis, it's time to start thinking about the 1991 Convention that will be held in Utah; we would like to see all of you in the "Grand March."

Our thanks to Shirley and Dick White and to the club members who volunteered their time to help put together a very successful summer program for our new dancers. We certainly appreciate all the planning that went into the dances.

While we are saying "Thank You," let's reflect on where we would be without Mary and John Aquino who, over the years, have given generously of their time and love to this Wonderful World of Square Dancing. We have all benefited from their endeavors in some way or another, and they are still going strong. The Aquinos have planned and created a new L.U.S.T. program that promises to be fun and exciting as well as very educational and will undoubtedly be of benefit to all our clubs. We hope you took advantage of this program. Thanks, John and Mary!

Reminder! September is National Square Dance Month, a great time to publicize Square Dancing and share our secret with others. Get those posters in libraries, store fronts, post offices, anywhere you see a wall.

Congratulations to Covered Bridge, Cross Trails, Harmony Dancers, Richmond Dancers, Ironia Reelers, Spinning Wheels and Valley Squares for qualifying for the 1989-90 ONE SQUARE IS FAIR AWARD; your support is very much appreciated. See you in a square,
Jim & Joyce Kelly

2 & 4 Fridays

Carl Kumpf School, Mildred Terr.

It's hard to believe summer's over and our new square dance season is about to start. Hope you all had a chance to dance at our Friday night summer dances; they really were great fun. Our new graduates are looking good on the dance floor; we're glad they joined our square dance family. Y Squares wants to send greetings to a Special Couple, Peg and Doc Tirrell. Over 30 years ago they became involved with square and round dancing. Their list of accomplishments over the years has grown so long I would miss a dozen or more if I tried to list them all. Most dancers know them as *Grand Square* Editors, but many of us know them as fellow dancers and officers, dedicated to promoting square dancing wherever they go, and most of all Friends. Peg and Doc have always extended the hand of friendship, with a smile and a cheery word. We wish you the best in your new adventures. We thank you for your service to square and round dancing. To our new Editors, Kathy and Charlie Porter, we wish you the very best, may you have lots of fun and few headaches for the next 25 years (just kidding Kathy). See you in a square.

A SUCCESS STORY

This is a "love letter" to all my Staten Island square dancing friends to thank you for your cooperation during the recent "almost new" square dance clothing sale. Those of you who donated clothing and those of you who purchased some things can take pride along with me in the fact that over \$340 was raised. The money has been donated to "Project Hospitality" here on SI to help feed the hungry and house the homeless. Your generosity makes me proud to be a square dancer. Lois Bichler

WESTERN WHEELERS -- Westwood, NJ (+)

2 & 4 Saturdays Westwood United Meth., Kinderkamack Rd & Bergen St.

Can our 1989-90 dynamite season possibly be surpassed by an even more exciting 1990-91? A new dance format is coming, Jan. '91 (watch for flyers), plus talented callers and great specials. W/W raided See Saws on Bake Sale Night. Following W/W's Pot Luck Supper, we were raided by Twirl Aways & Yellow Rockers on their mystery bus ride. They were in absolute awe of the sheet cake, plants, W/W souvenir cups, and for their ride home, wine, cheese and crackers! Also, the Castoffs danced with volunteer raiders. Thank you notes followed and were read at our Flower Festival. Again, Slys provided a wonderful assortment of lovingly grown plants. A delectable buffet was enjoyed at our Annual Dinner Dance. Celebrating the Moffatts' 38th Anniversary, the Moffatt Muppets presented Berta with a corsage and mini-clown, representing their interest in "clowning around!" 43 W/W raided Hi Taws, led by raid chairpersons, Walter Britt and Aline Hoyle. LaMarches, previous chairpersons, must be commended for their outstanding raid programs. Love those clever pennants!! Dalt Young, Ted Knauss, Puppets and delightfully funny skits, added spark to our Ice Cream Social. John Kerner revealed a commanding talent for announcements (Bachmans videotaped!) Petruska Park/Betsy Gotta - another well-organized Plus Workshop experience. 33 dancers marched in Paramus' July 4th parade with the Wymans carrying their handmade banner saying "SQUARE DANCE-AN AMERICAN HERITAGE." The Kuentzlers' station wagon transported Andy Woerner's equipment. W/W applauds you dedicated people! Join our Friendly Club for Fun, Fellowship, and GOOD DANCING!

Again, thanks Doc & Peg for your help, outstanding leadership and 25 years of dedication to Grand Square.

Paul H. Brody

The Paul Brody Memorial Scholarship Fund for Caller Education was established by callers and dancers to

honor the memory of Paul Brody who fought a valiant battle with cancer for many years. His love of his fellow man, gentle nature, quiet manner, tenacity, and professionalism, in all aspects of his life, are values and traits worth emulating. It is hoped that the awarding of these scholarships, will help enable both new and experienced callers to emulate these traits and to further their professional caller education by attending a callers school providing a full Callerlab curriculum.

Jean Brody announced the first scholarship recipients for 1990 are Dick Mazziotti, Dan Koft and Fran Wadel. They will all be attending Caller's Colleges taught by Callerlab Accredited Caller Coaches.

Over \$900 was contributed by callers, clubs and individual dancers to the Fund. Additional donations (payable to the Paul Brody Scholarship Fund) may be forwarded to: Jeanne Brody, 9 Arlington Ct., Fair Lawn, NJ 07410.

Warren Wheelers thank you, Doc & Peg, for 25 years of dedicated service as Editors of the *Grand Square*. Enjoy your retirement and best wishes for the future.

Over the summer we enjoyed dancing at the Tri-County Fair and the Knowlton Township Fire House to the fine calling of our founder, Wilson Hoff. Our annual picnic and meeting, which was held at the home of our new Presidents, Doc/Esther Wasser, was well attended in spite of the rain. We are planning to continue our 1st tip Plus workshop which worked so well last year and to hold several theme dances. Until next time, Happy Dancing!

1 & 3 Thursdays

Bayberry School, Bayberry Lane

NOTICE: Our first dance this season, our Home Coming Dance, the 3rd Thurs. of Sept., will be at the Union Village Methodist Church, Hillcrest Rd. and Mountain Ave., Warren. Not far at all from our regular location. If you've not been to the church before when we've had to change from our regular place at Bayberry School, please call for directions; phone numbers are in our Ad. We've had lots of activity this summer because we again joined with Country Promenaders, Harmony Dancers, MT Squares and Y Squares to sponsor dances on the 2nd and 4th Fridays. Let's hope we can repeat this successful combination next summer. It helped keep Plus dancing alive and well in a convenient air-conditioned hall. We are looking for you at all our dances; especially come for our Oktober Fest, Turkey Shoot and a touch of Holiday Magic. Every dance with our friends is special. Classes for new dancers will begin the 4th Monday of Sept. at Watchung Hills Regional High School. Tell your friends to try it, they'll like it!

SUPREME AUDIO/HANHURST'S TAPE SERVICE SCHOLARSHIP FUND

It is with pleasure that the recipients of Scholarship Fund are announced. Ulf Andersson of Ahus, Sweden; Ronald W. Thompson, St. Leonard, MD; Shirley R. Shores of Cincinnati, OH; and Cindy Hawley, East Longmeadow, MA, will attend Callers' Colleges taught by Callerlab Accredited Caller Coaches during the summer of 1990. New and experienced callers may apply for this scholarship next year by requesting an application in May, 1991.

3rd Fridays

Bryan School, Brookside Ave.

Our final dance of the season was a celebration for the graduates. Graduates from Pehlem, Tenderfeet and Belles & Beaux danced to the fabulous John Kaltenthaler, putting "new" and "old" dancers through "simply complicated" moves; John does know how to "mix it up," in more ways than one! Officers for this year are George/Fanny Meyer, Pres.; Fred/Beth Fessel, VP; Dick/Joan Marcel, Treas.; Art/Helen Rellinger, Secy. All officers are serving another term except for Fran Wadel, who was our treasurer and is a busy caller now. The officers did a great job last year, and I'm sure they will again this year. Thank you officers. The Memorial Day Parade through Cresskill was represented by approximately 20 couples, some members also did a demo dance at the 4-H Fair in July. Summer dances held at Caldwell and Iselin were good chances for new graduates to sharpen their skills and hopefully all dancers will join us and other groups starting in Sept.

Finally, a THANK YOU to Doc and Peg Tirrell who have retired as Editors of *Grand Square* after 25 years of dedicated service. Not only were they Editors, they are great examples of the spirit of square dancing. Helping all those who needed help, being friendly to newcomers, supporting everyone gently and always with a smile; they could be addressed as Mr. & Mrs. Square & Round Dancer. We hope they enjoy their retirement; they certainly deserve the best.

2nd Fridays

St. Luke's Episcopal Ch., Mass. Ave. & Grant St.

Somewhere the full moon was shining, but it wasn't over the Alpine Boat Basin on June 8th when our annual "Moonlight on the Hudson Dance" began. For the second consecutive year it was raining! But that didn't deter 15 squares of intrepid dancers from having a great time dancing to the spirited calling of Brian Fugere and the cueing of Doc Tirrell. Some of them travelled quite a distance to be with us. But they weren't entirely disappointed: just as the dance ended, the moon showed its face for a few minutes before slipping back behind the clouds. That ended our season until the 2nd Friday in Sept., when we'll be back at the same place, putting out the same welcome mat for all dancers, recent graduates as well as veterans. Watch for our flyers in late August. We hope to see you at the first dance.

The dancers at Tenafly Squares congratulate Doc and Peg Tirrell on their retirement from the post of Editors of *Grand Square* for so many years. We wish them many years of continuing happy dancing. Well done, thou good and faithful editors.

The old adage, "Birds of a Feather Flock Together," is a true one and in this instance I mean Doc & Peg Tirrell, outgoing Editors of the *Grand Square* for 25 years, and Charlie & Kathy Porter, the incoming Editors. As the Tirrells pass the baton to the Porters, we want to thank and wish them much happiness in their new endeavors and welcome the Porters who we know will be just as dedicated and competent as their predecessors. The *Grand Square* will continue to be in good hands.

Our Pot Luck Installation Dinner was a lot of fun, especially with Barry Serebnick calling, and we want to thank our outgoing Executive Board members for their dedicated service during the past year. We now want to acknowledge our new Executive Board for the 1990-91 dance season: Red/Lois Stevenson, Pres.; Matt/Betty Schiebel, VP; Tony/Fran Bauer, Corr. Secy; Joe/Eleanor DiGiacomo, Rec. Secy; Norman/Barbara Kanter, Treas; and Tom/Dot O'Brien, Advisors. A poignant moment during the evening was the presentation of the Blue Jay Award to Ruth Hughes and her late husband, Bill, for their many years of above-and-beyond service to our club. Welcome on board new graduates: Dick/Peg Corney; Howard/Ellen Geyer; George/Rusty Hofmeister; Jack/Jackie Nevins; Dom/Marie Minicucci and Pete/Chris Peterson. We're happy to have you!

We also want to offer our condolences to Frank Birmingham and Matt Blaine on the passing of their mothers earlier this year.

We have a great line-up of dances for the new season starting with our Barn Dance and hope to see many of you there.

CALL

SPINNING WHEELS OF WAYNE

(1/3/5 MS; 2/4 +)

Every Monday

A. P. Terhune School, 40 Cyanamid Drive

Spinning Wheels, in cooperation with class caller, Bob Robinson, has developed a new crash MS course. They cover the program in 8 one-hour sessions. This comes out to assimilating 8.5 calls per hour. This seems to attract younger students. It should; teenagers are used to handling that many calls per hour on the phone. Due to a dispute with the restaurant management, our annual dinner dance in June was cancelled. We hope to have better luck with a Sept. opening where free root beer and hot dogs will be offered. Ray Lehberger will be at the mike. As the season starts, we will return our presidents for their third term. Dolores Gesumaria always adds sparkle to a podium, and Tom Elm is oak with us, so we are looking forward to another good year. At this writing, our summer dances are picking up after a slow start, due to late publicity. Our first batch of crash course graduates are showing that the idea works.

The club wants to wish Peg & Doc Tirreil the best in their retirement from *Grand Square*. The publication would never have gained the fine reputation it has with-out them. With them will go unanswered the biggest mystery in the Association: "What is Doc's first name?" We welcome Charlie & Kathy as the new Editors. They have already made innovations. This has to be the only publication in the country where the reporters report to the porters. Your reporter wishes the best to Peg and Doc, who he has known for years, and to Kathy and Charlie, who he has yet to get to know. Somehow, he has a nagging feeling that the Tirrells decided to retire when they heard he was coming back as the club's reporter.

SEE SAW SQUARES -- Upper Saddle River, NJ (1 MS; 3 +)

1 & 3 Saturdays

Old Stone Ch. Ed. Ctr., E. Saddle River Rd.

For the past few months See Saws has been collecting coupons from Scott Paper Products to help support Ronald McDonald Houses for SHORT TIME housing for families with sick children in hospitals. It is my glad duty to report that, with the help of many of our square dance friends from Western Wheelers; See Saws; J & M; Hix & Chix; Belles & Beaux; and others, Norman Forgash, Committee Chairman, presented to McDonalds more than 300 coupons. To all of the people who helped in this cause, we send our very best wishes.

Like other clubs, See Saws has seen the slow but steady decline in the number of dancers in the MS and Plus programs. See Saws has decided to try to do something about it! We are having a BARN DANCE the first Saturday in October. It is just that, a barn dance, and is meant to attract NEW DANCERS. We need the help of all present dancers to bring their friends, relatives, and/or enemies. Just bring people, especially couples that might like square dancing with us. Please look for our ad in this issue. It has all the information as to place, date, cost, etc. When you BRING your friends, please wear square dance clothing. We will have a couple of MS dances for ourselves and to show our guests how much fun we have dancing.

RUTGERS PROMENADERS -- New Brunswick, NJ

(MS)

2 & 4 Thursdays

Location to be announced.

It has been a busy summer for the Promenaders. Nine of our members danced in Memphis at the National Convention in June. We did quite a bit of raiding this summer, including Princeton Squares, Lone Rangers, Harmony Dancers, and Bachelors & Bachelorettes. Our picnic in July was a great time for young and old, with food, volleyball, food, softball!, food... Our fall season begins with an open dance on the second Tuesday of September. Locations are not certain at this writing, so please call the Kushlas, 201-549-2458; Connie Seiler, 609-275-7280; or this Reporter for information. Hope to see you on the dance floor!

Congratulations to Bill/Mary Seilar on the birth of Catherine Angela on April 20th. The stork continues to hover over the area, so stay tuned for more good news.

Rutgers Promenaders would like to thank Doc & Peg for their 25 years of devotion to *Grand Square*. Over the years our reporters, struggling with heavy school and work schedules, have missed many a deadline. Thanks to that devotion, Peg took many articles dictated over the phone and always managed to find room for it. Now late articles arrive by fax! Our love to you both.

2 & 4 Fridays

All Saints Church, 2329 Victory Blvd.

The Richmond Dancers have been quite busy this year with their raiding, with a total of 18 raids. Our Raid Chairpeople, Grace/Lou Motola did an outstanding job this past season. A special thanks to all our hard working officers who helped make this past year a memorable one. Richmond Dancers had 4 squares dancing, with Lois Bichler calling, at a demo for the All Saints Church Fair. At our Awards Dinner, our dedicated members were recognized for their super efforts to make this an outstanding season for all. Our coming season looks like it will be even more exciting and enjoyable than the last one. Our officers for the 1990-91 season are: Pres., Norman/Susan Reid; VP, George/Helen Nadeau; Treas., Sandy/Marcia Rubenstein; Corr. Secy, Joe/Florence DiSano; and Rec. Secy, Mario/Terry Clemente. Our congratulations to Helen/Jim Dunlop, who celebrated they 40th Anniversary at a party given by their children. As you could expect, there was dancing, dancing, and more dancing, even 3 tips of square dancing!

To Peg & Doc Tirrell, a special thank you for a very productive and exciting 25 years. You will be missed. Kathy & Charlie Porter have a tough act to follow. Grand Square has been turned over to 2 very hard working people that will continue in the Grand Square tradition of excellence. Congratulations and Good Luck, Kathy & Charlie.

Hope everyone enjoyed a funtastic summer! We were busy with our C-1 Summer Workshop every Monday with Roy Leber and very interesting C-1 choreography, a great review. Many thanks to all the dancers who supported our workshop. We all had a great time. We are looking forward to an exciting dancing season as our level changes to C-1. Some excellent callers are lined up for our fall program and we look forward to welcoming all C-1 dancers. Come dance with us! Congratulations to Kathy & Charlie Porter as they become Editors of *Grand Square*. We wish you the very best in this new venture.

We'd love to paraphrase a famous politician and promise "No New Locations," but that doesn't seem to be possible. And with around 18 events a month including classes, workshops and dances, the space problems can be a real headache! So please bear with us as we seem to be dancing at every possible location in the Princeton area. Note locations in our ad and call the numbers listed to get directions. We did manage to find a cool hall in Lawrenceville for Plus, MS and Rounds all summer and had a great season with new and familiar callers, new and seasoned dancers, and new and classic rounds. Our new graduates in particular made the Wed. MS dances the kind of fun we know square dancing can be! Our picnic in August (at yet another location) included pool dancing and a visit from old friend John Kephart. A great program is planned for the fall with good callers and cuers on hand for a fun time at squares and rounds. If you don't believe us, "Read Our Hips!"

Princeton Squares joins the NNJSDA community of dancers in thanking Peg & Doc for keeping our text in squares and our dancers in rounds. Good Luck!

OCEAN WAVES -- Staten Island, NY

(MS w/+ tips)

1 & 3 Fridays

Christ Methodist Church, 1890 Forest Ave.

Our last dance of the '89-'90 season was June 1st, a nice warm summer-like night, which was just fine because it was our "Tall and Shorts of It" dance. The TALL being caller Steve Forman, and the SHORTS being the attire on most of the dancers. It was our end-of-the-year picnic with a 5' long hero sandwich and other picnic-like goodies. We did line dances taught by Lois Bichler and some Country Western lines that Steve wanted to try with Red/Lois Stevenson (Staten Square Set Presidents) and myself, since we also Country Western dance. We had a lot of fun that night. The only serious part of the evening was saying "Thank You's" and awarding the annual Bart's Sparks Award to someone every square dancer on Staten Island will probably agree deserves it, Mary Gorham. Steve Forman will also be calling our "Welcome Back Jack," 1st dance of the '90-'91 season at which anyone named Jack or Jackie will be admitted FREE.

1 & 3 Wednesdays

Presbyterian Church, 494 Rt. 10

Attendance at our dances was up at the end of last season, thanks to the graduating members of J & M Squares' A-2 class. We appreciate the presence of the new A-2 dancers, as well as our "regulars," and thank all for coming. We look forward to welcoming everyone back for the 1990-91 dance season at Mountain Squares where once again the incomparable Joe Landi will be our club caller. Our slate of officers for the 1990-91 season reads: Pres., Bob/Joan Dague; VP, Bill/Hilda Groth; Treas., Harold/Maureen Latham; Secy, Ed/Iris Zimany; Del., Walter/Mildred Angerer. Our club certainly could not function without Hospitality Chairmen, Harry/Dot Henderson and Ron/Millie Nitzsche who, once again, coordinated the extremely successful and enjoyable Pot Luck Supper which always concludes our dance season. Nancy Remington has been missed on the dance floor due to knee problems and we hope it won't be too long until she can be back with us again. Meantime, to keep in touch, Roger has been partnering some of the "singles." Hope you managed to dance during the hot, humid summer and that we will see you in a Mountain Square.

Hope all you good folks enjoyed the weather this summer. The weather, being what it usually is, I can't say we often had our pick of the best but there were times when we had our fill of what we did get. I guess, if you are willing to stretch a point, one could say there were times when we were satisfied. If it was not for the not so perfect weather tho, we would be denied the examination of one of our most important common complaints. We might have to talk of something pleasant. One such thought is our approaching dance season. We have another line-up of fine callers. We look forward to welcoming our old square dance and round dance friends and we hope to make new ones. Come visit us any 1st or 3rd Saturday - weather or not.

Before closing I must, on behalf of the M.T. Squares, acknowledge the Tirrells, our retiring Editors of the *Grand Square* for their 25 years of tireless, dedicated, caring service. I doubt if there is a club reporter that does not owe Peg & Doc a special thanks and/or apology for a late deadline. I for one owe both.

A Contra is a dance in long lines or literally "opposing" lines. Contras date back to 15th Century Europe and were most popular in France, England and Germany. Many calls in Modern American Square Dancing have their roots in Contras (i.e. "Square Thru"). Contralab was formed to perpetuate this dance form. Jim/Doris Howatt, Editors of the "Penn-Jersey News" and former Chairmen of the P-J District of the Federation of the Delaware Valley Square & Round Dancers, have been appointed Editors of the "Contralab Quarterly."

WELCOME BACK! Hope everyone enjoyed their summer, and that it included a dance or two with us at Lakeland. We certainly had some great dances (with Dalt Young, Betsy Gotta, Larry Davenport, Dick Pasvolsky, Bill Heyman, and our own Bob Mitchell). Lots of you new graduates were in attendance! That's great! Keep on dancing and visiting at Lakeland; we love having you! Our June special with "The White Knight" (or Michael Johnstone, for the uninitiated), and a raid by Covered Bridge, was a huge success. (Don't know where we would have put those of you who missed it if you had come!) Lakeland plans to reciprocate Covered Bridge's raid when Michael calls for them in Sept.

Lakeland was again saddened recently by the sudden and unexpected death of Luddy Rossi, who, with his wife Joan, were to be our class coordinators this year. Their enthusiasm and brightness over the past couple of years brought a great deal of joy to all of us at Lakeland. Luddy will be sorely missed. Our deepest sympathies are extended to Joan and her family. Our prayers are again with Lorraine Wahlers for a COMPLETE recovery THIS time; we NEED you on the sidelines cheering us on! Our best wishes are also with Les Paterson for a speedy recovery from his recent operations. We miss you both and hope that you'll be back with us VERY soon!

Congratulations to Bob Irving, who qualified in at least 16 events to attend the 1991 U.S. National Senior Sports Classic to be held in Syracuse, NY. Good luck! We know you'll do well.

Well, this is it! Doc & Peg, you've certainly given your ALL for the past 25 years and you deserve a rest. (Although we all know you'll NEVER do THAT!) Your hard work and devotion to *Grand Square* has made it what it is today -- SUPERB! You are two very special people and we'll miss you. Hopefully you'll now have a bit more time to spend with us on the dance floor! Best wishes to you both in your continuing endeavors from all of us at Lakeland Squares.

As eager students, we wanted to square dance as much as possible. We journeyed to Tenakill and met Peg & Doc. They danced with us, gave us a Patron's Card to have signed, introduced us to John Kaltenthaler and made us feel welcome in the square dance world. They even drew a map for us so we could go home via a shortcut. Peg & Doc continued to encourage us and treat us like old friends every time we met. We volunteered to work on *Grand Square* because of their kindness and friendship. We are truly honored that they have put their trust in us to succeed them as Editors.

Kathy & Charlie

We value your friendship along with the many contributions that you've made to square and round dancing. It was a thrill to see our news appear in *Grand Square*, even after our move to Colorado, and your encouragement helped make that transition easier. Bestest to you in the future.

Doc & Peg Tirrell have always been hard-working and dedicated to the betterment of square dancing in all its aspects. As Editors of *Grand Square*, they have a long record of volunteer effort.

As Chairmen of Legacy, they set an example of teamwork. It has been our pleasure to work and laugh and play by their sides on many occasions. We wish them well in all future endeavors.

THE TURNING POINT

In the early fall of 1949, Ben happened to hear an advertisement on the radio about Square Dancing at the Hackensack YMCA. Being single and carefree (and having nothing better to do) he decided to give it a try. Now Ben was very tall and finding a partner over whom he didn't tower was usually a bit of problem. This night he was lucky. Joan was almost as tall as he and had been having the same problem. Things sometimes have a way of working out like that. Anyway, they hit it off right away, and they continued to meet at the "Y" throughout the fall and winter, dancing to the calling of Walt Bullock. They got married in the early spring.

Now Joan had an old friend. Actually, she started out as a young friend. Peg had been born on May 7th and, while still in the hospital, met Joan who arrived on the 10th. Their mothers had been the best of friends for years, and so the two girls were naturally playing together throughout their childhood. Peg went to the Ridgefield Park schools while Joan attended Bogata's, but they spent many summers together at Peg's grandparents' home in Lakewood (Skowhegan), Maine.

Since Joan and Ben enjoyed the square dancing at the "Y" so much, they soon interested Peg and her new husband to the activity and the four of them learned the dance steps of the day from Walt Bullock. As the spring of 1950 melted into summer, Ben & Joan Spieker went the "Y" less frequently, and finally dropped out of the square dance activity completely but not Doc & Peg.

The Tirrells (pronounced *teer'l*) took to the square dance activity like ducks to water. They travelled up to Purchase, NY to dance to Al Brundage at the Grand Squares and wherever they could find a dance. In 1951, they joined the Cresskill Square & Folkdance Society under the tutelage of Sid Scott. When Sid & Barbara Scott moved to Cape Cod, Slim Sterling took over the calling and asked Doc & Peg to teach and cue rounds while Joe & Jody Bromberg led the folk dancing. Shortly thereafter the society was renamed Valley Promenaders and in April of 1959 became the present-day Tenakill Twirlers. About 18 years later Doc actually taught one Mainstream class for Tenakill in his basement. In the early 60's, Doc & Peg taught and cued rounds at Hi Taw Twirlers in Rockland County, and at Ramapo Squares in Wayne as well as Tenakill Twirlers. They got Ed & Les Shearwood involved with rounds about the same time (Ed had tried calling squares but decided cueing was for him).

Peg & Doc have three children, Scott, Barbara and Gail. Gail and her husband, Chris, had a square dance wedding in Cresskill at the same church as sister Barbara and her husband, Jim, had their square dance wedding. Some of this must have rubbed off, because Jim & Barbara Connelly are very active in Roundalab and as cuers at home in Vermont.

Peg & Doc have touched the lives of almost everyone of us in the area in one way or another. Teaching, organizing and helping the Square and Round dance community prosper through the years. How different the Tirrells' life might have been if not for that 1949 radio ad. How different your life might have been?

Andy Woerner

My best wishes to you both for a very Healthy, Happy and Enjoyable Retirement. "Yes" you deserve it after all these years. I will miss all your interesting articles but I am sure your successors will do a very good job following in your footsteps. "Good Luck."

Many thanks to the Tirrells for teaching 5 couples how to square and round dance 18 years ago. Two couples are still dancing. Quite a job but fun & laughs as Doc would say, "This way, Frank. Okay, you're learning, Glendora." We are still learning and dancing. We love you Doc & Peg.

DOC & PEG TIRRELL, what can be said about this "living legend" couple?? To say that they are dedicated, hard-working and tireless workers for their clubs, our associations and the Square and Round Dance movement itself, is an understatement.

Doc & Peg have captivated the admiration of every square and round dancer they have encountered. Their efforts in helping start new clubs, guiding and counseling existing clubs to grow, and encouraging and perpetuating beginner classes, are well known to all dancers.

Our Association was also beneficiary of their talents and energy. We were privileged to have worked as Vice Presidents with Doc & Peg on the Executive Board of the NNJSDA when they were Presidents. They inspired us by their fervor as they worked diligently to do all those things that has helped make square and round dancing what it is today.

Although their schedule was virtually filled with tasks in every facet of squares and rounds, as well as raising a beautiful family, Doc & Peg incredibly found the time to edit and publish the *Grand Square*. We are proud indeed that their *Grand Square* career began when we were Presidents of the NNJSDA, a quarter of a century ago.

What indeed can be said about Doc & Peg?? Words cannot fully describe or measure up to attesting to all the time, work, thought, concern and love that Doc & Peg gave, and are still giving, to our wonderful pastime. "Thank You, Doc & Peg," from all your dancing friends, for just being "Doc & Peg!"

Country Promenaders congratulate you both on a job well done. We have always admired your 100% dedication to *Grand Square*.

We would like to take this opportunity to express our thanks for your friendship and guidance over the 8 years that we have been involved in the Square Dance activity, and we look forward to many years of friendship to come.

We went to a square dance class for something to do and ended up finding square dancing became a most important part of our lives. Your enthusiasm and leadership were an important factor in our decision to become more involved in a leadership role in the activity, both as officers of Pocono Squares and through Larry's calling.

We have many pleasant memories of Tenakill Twirlers, Big D Weekends, NJ State & National Conventions and LUST. Thanks again!

Dear Peg & Doc,

We have mixed emotions upon learning that you will be retiring as Editor of Grand Square after 25 years at this Post. You have certainly earned a rest from having to meet all those Publishing deadlines, yet we shall all miss that special touch of yours that has made Grand Square the Hallmark of good communications and quality.

Your involvements in the same time period, in the development of and your ultimate Chairing of Roundalab and Legacy and the Leadership you have provided, have been a constant inspiration to those of us who had the good fortune to know you and to have worked with you.

Today, as President of the Florida Federation of Square Dancers and United Square Dancers of America, we look back occasionally to ascertain how this all came to pass. There had to be a very strong support base to give us the confidence and strength to accept these great responsibilities. The answer of course lies in having people like you at our side, whose interest, Leadership and support was always there when we needed inspiration.

Like skilled Master Builders, you have laid a Foundation based on love of the Dance, selfless involvement and a compulsion to lead and guide others, and we have tried to build on that foundation. Following your example, we will guide those who follow us, making sure that they take care how they build upon it. Changing times and conditions will present new challenges. We see many promising new Leaders developing in the Clubs and with proper guidance they will assure that our Activity will prosper and grow.

Thank you, Peg & Doc for being instrumental in extending our involvement beyond retirement from the business world and making possible our happiest years.

Sincerely,

Frank & Nan Habersberger

Many, many thanks to the Tirrells for 25 devoted years of *Grand Square*. I personally have passed on this fantastic magazine several times to different associations, so they could see what a truly excellent square dance publication should be like. Most unfortunately, nothing came of it. Thanks Doc & Peg for your outstanding dedication. May all your future endeavors and new interests be satisfying and supply you with all the happiness in the world!!!

Dear Doc and Peg,

There are many square dance publications in the activity today. Yet among those which are published on a regular basis, few can boast of the accomplishments that you have achieved over the years. Many of these publications are based upon paid workers while your efforts have been the culmination of many thousands of volunteer hours. Your years as editors, layout specialists, proofers, composers, organizers, host & hostesses and general managers of the *Grand Square Magazine* will be sorely missed.

Your ability to recruit, train, maintain, and promote the assembly of the periodical over many years reflect great credit upon you and those who have helped over the years. While we understand your desire to step down after these many years, we sincerely hope that you will remain involved with *Grand Square* that has done so much for the square and round dancing in the Northern New Jersey area and the entire Northeastern region of the USA.

We know you will remain involved in the activity with *ROUNDALAB* and *LEGACY* but hope that the local activity will always hold a fond spot in your memories. You can be proud of all that you accomplished. Your vision and dedication have been an inspiration to us all. We wish you well in your "retirement".

We met Peg and Doc Tirrell in the early 1970's at a NNJSDA Meeting. They are the kind of people we enjoy meeting, friendly, "down to earth," and dedicated to square dancing. However, the word "dedicated" took on new meaning for us when we learned how dedicated the Tirrells were and still continue to be. We treasure their friendship, they are an inspiration to all S/D Leaders.

Congratulations on your retirement from the Editor's daily grind, but we are happy to know that you will still be out there in the forefront of whatever is happening on our "Dance Family." The growth of "square" dancing over the past 40 years is due in large part to our wealth of leaders such as yourselves who have given, and continue to give, so unselfishly for the betterment of the activity.

Imagine, if you can, 25 years of countless hours freely given to keep square dance information available to everyone, via *Grand Square*. Add many more hours answering questions, offering ideas and suggestions for all who telephoned...even at 7 AM.

Always ready with instant recall of past events; always ready planning for the future; always ready sharing knowledge of the NNJSDA Constitutional Rules and Regulations. You have imagined the consummate Advisors!! We have experienced the reality of DOC and PEG. We salute them with this quote, "We did not know you were heaven-sent ANGELS, so we called you FRIENDS." Thank you.

Gabe & Sila Dell'Angelo

I have known you for more than 25 years, and what a pleasure our friendship and association has been. I remember when you became the Editors of *Grand Square*, and through your hard work, devotion and love for Square Dancing and Square Dancers you have made it a great publication and truly contributed much toward making ours a kinder gentler nation. Good Luck, Good Health, Long Life and Happiness in your retirement. Love you both,

"Doc & Peg," What can we say -
You've been at our helm for so
MANY days.

You've kept us on course thru
drizzles and storms,
Always laughing and smiling, in
true square dance form.

We'll miss you, dear captains,
at the wheel of our ship,
Take a well-deserved break --
maybe go on a trip.

Two such wonderful people can
rarely be found,
We're lucky to still have in
squares and

on rounds.

What are you going to do with your spare time? If at times your efforts seemed to be taken for granted, it's probably because you always make everything look so easy. You always seemed to have time to do everything, including giving support and encouragement, not to mention giving private dance lessons to would-be cuers who couldn't manage to find the time to do it through conventional channels. Paul and I were so grateful for those hours you spent with us.

Best wishes in all your future endeavors. Love,

Thank you, thank you, for your years of dedication to *Grand Square* and the Square Dance activities. You will be missed but know you will always be there offering a helping hand.

So What's the Fuss All About?

Doc & Peg Tirrell have retired as Editors of *Grand Square* after 25 years of service. So what's the big deal? Sure, during that time the publication has become a "standard of the industry," a product to which others are compared. And yes it's true that the *Grand Square* is synonymous with square dancing in Northern New Jersey. But why all the fuss over someone giving up a job? Is it because during those 25 years they were founding members, Moderators, and Treasurers of the Northern New Jersey Round Dance Leaders Council, founding members and Chairmen of the Square Dance Council of New Jersey, Executive Board members of the Northern New Jersey Square Dancers Association, and dedicated committee heads for every New Jersey State Square and Round Dance Convention. Perhaps it has something to do with the fact that while doing all this work for New Jersey, they found time to work on a national level as Chairmen of Legacy and Executive Secretaries of Roundalab. Maybe people are impressed by the fact that at one time they were Editors of *Grand Square*, Chairman of SDCNJ, Executive Secretaries of Roundalab, and Treasurers of the NNJRDL all at the same time. We can understand how some people would be happy that the Tirrells are giving up their *Grand Square* duties. After all, now they will have time to volunteer for something else.

Over the past 25 years, the Tirrells have accomplished more than most entire organizations, but is this any reason to create such a fuss? We don't think so. However, we would like to add our admiration for the Tirrells for the following reason.

Through all of the above-mentioned duties, responsibilities, and accomplishments, Doc & Peg Tirrell have remained the nicest two people we have had the pleasure to be acquainted with. We are sure that at times they wanted to permanently remove the telephone from their home. But no matter what time of day or night we telephoned, they were helpful and pleasant. Their house has always been open for a meeting, or just passing through. Never, ever, have we heard them complain about the amount of work people expected of them. Never have we heard them complain about the number of people who call them because they didn't know who else to call. (And somehow they always knew the answer or who to call.) We have never heard a bad word spoken about Doc & Peg. They epitomize the term "leader couple," and at times we think DocandPeg is one word. The square and round dance community of New Jersey should be proud that a dedicated and unselfish couple such as the Tirrells have given, and continue to give so much of themselves to the activity.

As for ourselves, we are most thankful to able to call them friends.

Roy & Betsy Gotta, Chairmen - SDCNJ

Congratulations on your 25 years of service as Editors of *Grand Square*. Your efforts have made it an important part of the square and round dance activity in the area.

Sometimes 25 years seems like only a short while ago. Othertimes it seems like ages. We hope the time has seemed short to you and that you'll always have pleasant memories of the past 25 years of Editorship (if there is such a word). Once again, our hearty congratulations!

THANK YOU DOC & PEG

Grand Square is the best square dance publication of its kind anywhere. You have maintained that high standard of quality for the last 25 years; that, in and of itself, is great testimony to the kind of people you are. What is more remarkable, however, is that *Grand Square* has been, for you, a voluntary labor of love. How do we, dancers, leaders, and your readership, adequately express our gratitude for what you have given us? Mere words seem so inadequate.

But there is so much more. You have given your time and talents in leadership roles in NNJSDA, LUST and the Square Dance Council of New Jersey. You were instrumental in helping to bring about the NJ State Square & Round Dance Convention. Add to that Doc's demanding profession, your cueing schedule, and the consideration of raising your family.

We look at your long list of accomplishments with both awe and gratitude. You have given your time and energies to this wonderful activity as no other couple has. You are truly remarkable. There is no measure of the contribution you have made, because you stand alone in the nature of your selfless giving to a grateful square dance community.

With love and sincere gratitude,

Brian & Madeleine Fugere, Presidents, Callers Council of NJ

1 & 3 Fridays

Long Pond School, Limecrest Rd.

As we look forward to a new dancing season, we wish to extend our thanks to Doc & Peg Tirrell for their 25 years of service as Editors of *Grand Square*. Such dedication deserves much applause for a job well done. We wish them success and enjoyment in their future endeavors.

Our season ended with several special events. Our officers, who did such a super job this year were re-elected. We know we're in good hands with: Pres., Cheryl/Jerry Schumacher; VP, Donna Poyer; Secy, Gail/Bill Hoff; Co-Treas., Sheryl/Steve Dekmar and Linda/Wes Jacobus. Best wishes in the coming year. Our class, under the capable hands of Donna Poyer, graduated 8 new square dancers. A warm welcome to Richard Kolucki; Eric Hansen and his daughter, Doreen; Lynn Gribbin; Alice Genung; Barbara Frederick; and Thelma/Andy Goetz. Happy dancing! Special thanks to "Angels" Chuck Conklin and Gail/Bill Hoff for all their help. Our last event was our annual covered dish supper. We feasted to our heart's (and stomach's) content on all the dishes our wonderful cooks prepared. Larry Davenport called and we all enjoyed the "last dance" till next fall. We will resume dancing on the first Friday in Sept. and we will feature a Plus tip workshop emphasizing a different call each session and working it into the evening's dances. Hoping to see all of you at our dances.

Ft. Hamilton Presby., 397 94th St.

Kings Squares members elected the following officers at our annual dinner in June: Bernie/Pat Monsen, Presidents; Larry/Lila Klein, Treasurers; Inga/Carlo Jensen, VPs Class; Mary Neylan, VP Programming; Bert/Roberta Freda, Rec. Secy; Hughie/Livia Malanapy, Corr. Secy; Sheila Epstein/Harold Moshel, L.I. Delegates; and Ralph/Pauline Casalina, NNJSDA Delegates. We know we will enjoy a very successful season with such an active representation. On a personal note, congratulations to past VP Dorothy Sickler on her marriage this summer to square dance caller Don Coy. Also, best wishes for a speedy recovery to our long-time cuer Joanie Newman, who is recovering from surgery in Florida.

As the square dance season starts up again we'd like to extend our thanks to Peg/Doc Tirrell for their tireless efforts all these years in making GRAND SQUARE such a superb publication. We welcome Kathy/Charlie Porter, the new editors, and wish them much success in their new endeavor.

J & M SQUARES -- Elmwood Park, NJ

(A-2)

Every Sunday

VFW Hall, 6 Veterans Place

Well here we are starting our 5th year. It seems like only yesterday that we got together with two squares in our basement and began to teach Advanced dancing with tapes. It was supposed to be a workshop and end. Somehow it would not end thanks to the loyalty of that first group all of whom are still dancing at our club. The club was started and today we have over 140 members and still growing. We have had some great dances with some super callers and we will continue this format, but now the time has come for us to step aside and turn the club over to a new group. (We are not going anywhere; we are just going to dance. That's what we started out to do 10 years ago, but somehow got sidetracked along the way, but we loved and enjoyed every minute of it.)

We are happy to report that we have a new slate of officers led by Jack/Jay Speilman as Presidents. We are sure that Jack/Jay and their executive board will continue to bring you the same great dances that all of you have become accustomed to in the past. There is not enough space in this article to thank all of the people that have contributed and worked so hard to make the club the success that it is. We want to thank all the dancers that came to the club week in and week out through, rain, snow, heat (when the air conditioner broke down) and all other problems of Mother Nature, also in the early days when we used tapes to build up the club.

However we must take space to especially thank Joe Passaro, Milt/Vicki, Art Gill, Ray/Anna Lou, Leo/Rose, Walt/Berta, Willie/Esther, Roz/Bill, Norman/Gloria, Charlie/Dot and our great cuers Nick/Carole Raspa. Thank you all from the bottom of our hearts. We love you.

1 & 3 Fridays

Ironia Elementary School, Rt 513, Chester Rd.

Reelers wound up a great season in June with the best covered dish supper and dance ever. Our new class was out in full force joining in the festivities. Our thanks to their able teacher, Wilson Hoff, and to Class Coordinators, Lew/Barbara Shattuck and Mike/Barb Esposito, who guided the angels each week. Thanks again to retiring Presidents, Roger/Joan Morgan and Secretaries, Mary Ellen/Bill Kegel, for all their hard work. Our annual memorial "Jeff" Delchamps scholarship was awarded to a deserving Randolph High School senior. Chris/Sue Wright planned and carried out many successful raids which were always fun. Thanks to all the square and round dancers, especially the Spinks, who made our year such a blast. Come join us again this year!

Our sincere thanks and best wishes to Doc & Peg Tirrell for their years of service to *Grand Square*.

HIX & CHIX -- Elmwood Park, NJ

(1/3 MS; 2/4/5 +)

Every Thursday

VFW Hall, 6 Veterans Place

Another successful year of club dances and activities came to a close with the month of June. All the Hix & Chix members would like to extend heartfelt appreciation to our outgoing Presidents, Gloria/Bob Wyman, (for a job well done) their fellow officers, our callers and cuers who jointly made this possible. We would also like to thank our many guests who contributed to the fellowship and enjoyment of "squaring up." In April we celebrated spring with a crazy-hat night. The winning haute couture featured birds and bees...what else? May was high lighted by an ice cream social, when Richie Rich ably substituted for the scheduled caller. Also making this a special occasion was a raid by friends from Lakeland Squares and a visit by Philip Meyer, a caller from Australia. And in May, thanks to Frank/Aliana Barr, class coordinators, and Dick Pasvolsky, class teacher, we gained 19 mainstream graduates and 26 plus dancers swelling the ranks of the square dance world. June was happily ushered in with a raid by Circle 8's, which we all enjoyed. Our own raid chairmen, John/Connie Huettemann, were again busy planning and leading us to See Saw Squares in May and Tenafly Squares at the Boat Basin in June. July saw our new officers installed and beginning their terms of office. These worthies are: Presidents, Dick/Brenda Dexter and Larry/Regina LaMarche; 1st VPs, Frank/Barbara Piersa; 2nd VPs, Russ/Joan Smith; 3rd VPs, Joan Graupner; Secys., Harry/Liz Bradley; Treas., Kay Lisa/Daisy Orlove. Please join us in a square!

New Milford Middle Sch., Roslyn Av.

Our spring season was super with our revised program including all position workshop and dancing. Everyone was able to join in, have fun and dance without struggling. It was a success! In May, we had well-attended dances with up to 12 squares to the calling of Brian Fugere. In May and June, we had fantastic raids: 41 dancers from Western Wheelers, representatives from the NNJSDA and a delegation from See Saw Squares. The refreshment tables were gourmets' delights! We want to thank all these clubs for visiting and supporting us, and proving that APD is adding spice to square dancing. We even had an out-of-state visitor joining us, Darrell Ertzberger from Chesapeake Squares, Baltimore, MD. Come back and visit us. Due to last-minute changes of school activities at our regular location, we had to hold our last dance at a new address. It didn't stop our faithful dancers from attending. Special thanks to officers, members and guests who supported Hi Taw throughout the past year. Jerry Estrin is regaining his health, and we wish him a speedy recovery. See you on the dance floor in September, Jerry. Come and dance with us in Sept. to a new and revised program.

At this time, Hi Taw would like to send Peg and Doc Tirrell their congratulations for 25 years of dedicated and splendid service to *Grand Square* and to square and round dancers. We wish them the happiness and satisfaction they so richly deserve. Quite an achievement they leave behind!

HARMONY DANCERS -- Mountainside, NJ

(MS/+)

MS - 2 & 4 Saturdays
 + - 1 & 3 Fridays

Deerfield School, School Rd.

The Harmony Dancers have had a busy summer spreading good news about square dancing by giving numerous demos at fairs, nursing homes, clubs and even dancing at some neighborhood block parties. We hope this will encourage new people to come out to our class Open House the 4th Tues. of Sept. and join in the fun. The Barn Dance held with the Deerfield School PTA was a success and we were able to buy a computer for the school with the proceeds. Everyone is gearing up for another successful year of dancing with exciting plans in the making, one of which is for a future dance with "live music." We are changing our Sat. night MS program to include one all-position dance (APD) tip each evening. As we look forward to another great year we also need to take time to look back and express the condolences of our club to the family of Irma Herrman who left us in the springtime.

Our air-conditioned hall made summer dancing most pleasant, in spite of the rain which seemed to fall every 1st & 3rd Sunday about 5 p.m. Must be to make sure we don't miss FUN AT DANCING! Our attendance has averaged 5 squares, with 2-3 dancing PLUS during our new Treasurer's Break as well as the After-tip. We hope no one was counting calories on our Sundae Ice Cream Special; what an assortment of toppings! Many thanks to ALL who worked so hard on this event. By the time you read this, our club caller, Dot Loewenstein, should be back from the square dance trip to England, Scotland and Wales that she and George led for a group of 16 dancers in August. Our August dances were really special: a Paul Brody Scholarship Fund Special (look for an article about the Fund elsewhere in this issue), and a "National" caller. There's still time to invite friends to our FREE DANCE (to non-dancers) on the 3rd Sun. in Sept. Let's encourage them to attend EVERY club's free dance or open house and be pleased if they sign up for lessons at ANY club; we ALL benefit from new blood, new leadership, new ideas. The Spring 1990 grads are already seasoned dancers, doing great, wherever they go. Remember: we have air-conditioning whenever needed, especially during those unexpectedly hot nights in Sept/Oct. Come on down for FUN AT DANCING with the friendly group!

The members of Cross Trail Squares extend our best wishes to Peg & Doc Tirrell on their retirement as Editors of *Grand Square*. You have both been an inspiration with your hard work and dedication to the publication. You will be truly missed but we realize that after 25 years of service you deserve a break. We know that whatever your plans are for the future, you will be involved in some way with square and round dancers. Good luck and God bless. We want also to wish Kathy and Charlie Porter good luck on their undertaking of the Editorship of *Grand Square*.

Thirteen couples from our club went to the White Rose Festival in June and had a great time. Of course we had to check out all of the discount stores in Reading. We welcome Bob Mitchell and Bob Robinson as our club caller; Lois Bichler, as our line dance teacher; Jean Kellogg, and Nick Raspa as our cuers for the coming year. Congratulations to all of our 18 graduates. We look forward to having you join our club in Sept. The last dance of the 1989-90 season was a grand finale with our traditional Ice Cream Social. We wished our friends a healthy and happy summer and now we are looking forward to an exciting and fun year with lots of happy dancing.

Our graduation dance on May 11 was handled wonderfully by our class coordinators, Jacques/Rose Godfrin. We wish Jacques/Rose our best on their recent move to South Carolina. The Dinner Dance on May 20 at the Brownstone Inn was a huge success with 6½ squares in attendance. We all had a great time dancing to John Kaltenthaler who was great. Congratulations to Rosalind Guerriero and Phil Hammer for recently joining the Century Club with less than 2 full years of dancing behind them. We would also like to congratulate Shirley/Dick White on recently being awarded another Patrons Badge.

COUNTRY PROMENADERS -- Edison, NJ

(+)

2 & 4 Saturdays

Herbert Hoover Jr. H.S., Jackson Ave.

Before going to a combined club dance on a hot Friday night in July, my wife said she thought they should have another name for these dances. The flyer shows them only as HOT SUMMER DANCES. After giving this deep and serious consideration, it was decided the name is very appropriate; that's exactly what they are. That night the hall was jumping with Bruce Busch calling and Ellen Fury doing the rounds. Bruce, if you are reading this, how the heck do you do an all-eight cloverleaf with everyone facing out of the square? My nerve ends still haven't recovered from that one.

The Country Promenaders have been busy, busy, busy. Once again we were led off into the unknown by our mystery bus ride chairpersons Roland/Monica Grover. We found ourselves dancing with a great group of square dancers in Danbury, CT, called the "Mad Hatters." Six couples: Fran/Bud Baker; Dolly/Bud Byers; Stella/Bill Myers; Muriel/Bob Shallcross; Doris/Dick Zink; and our Presidents, Bob/Grace Bishe, braved the heat on July 4th to do a demo for Disabled Veterans in their Menlo Park facility. The caller was Steve Forman who can now say he called for Uncle Sam, at least someone among the Veterans who joined the dancers was dressed as the man I give my taxes to. After the demo the group was invited to join in a barbeque meal with the Veterans.

On our sick list this summer we have Mary Kapec, Elsa Bylechie, Millie Swearer and Harry Sorensen. If Ann Sorensen reads this, I'd like her to know we are all keeping Harry in our prayers and I miss hearing her say, "How about it," when squaring up for a dance. Several members are moving away; we will miss Past Presidents Mary/Joe Kapec and Helen/Frank Cavanaugh. About the upcoming dance season, check our ad for a list of great dances in our usual location. Come on and promenade in our Country.

CLOVERLEAFS -- Elmwood Park, NJ (+)

1st Fridays

VFW Hall, 6 Veterans Place

We had a good dancing year culminating with our well-attended last dance on July 6th with Joe Fioretti from Florida, calling to an enthusiastic group. We hope everyone had a pleasant summer and is ready to dance again with us when our season begins on the first Friday of October.

We mourn the passing of one of our members, Irma Herrmann. She will be missed.

At this time, our faithful cuers, Doc and Peg Tirrell, will no longer be Editors of *Grand Square*. Cloverleafs members want them to know how much they appreciate all the years of dedicated work they have performed. They have never shown impatience or lack of tact, and as a result, have accumulated friends from every walk of life. We, Cloverleafs members, send you affection and our best wishes for a lifetime of happiness, good health and continued teaching and dancing.

The "Pine Square Campers" Square Dance Club celebrated their 10th Anniversary in May. We have always been a family type club with many of our young people growing into square dancing thru our special workshops for children and parents. We started with 8 couples and now have grown to 50.

We believe in friendship and having a good time. If anyone is traveling our way, we would love to hear from you and have you join one of our weekends.

Coleman School, Pinelynn Road

In June, our Presidents' Dance was attended by numerous new and immediate past-presidents, and served as a delightful opener to our summer square dance series at the air-conditioned Glen Rock Jewish Center. Everyone who took part in our June 10th annual meeting/covered dish supper out-did themselves; everything was delicious! Not to mention the great cake Lenora Libeskind provided to surprise David on his ??th birthday (We won't tell!). Our officers for the 1990-91 year were also elected, led by Dick/Laurie Mazziotti as Presidents. We even found time to get some square dancing in, called gratis by Dot Loewenstein, Charter Member. It helped us work off some of the extra weight put on with all that food!

The July 3rd dance was followed the very next morning by Glen Rock's annual July 4th parade, to the delight of Belles & Beaux' members who danced along the line of march, as well as those who watched them. Afterwards, Jeanne Brody welcomed everyone to our annual barbeque at her home, where we feasted (again!) on another scrumptious array of food. We're the best-fed club around! After dancing in the streets, we needed the nourishment! Jeanne sends her thanks and appreciation to all the square and round dance community for their prayers and moral support during Paul's illness and since. Belles & Beaux' summer dances were well attended by square and round dancers alike. This was the first summer we included cuers on our schedule, to the added enjoyment of many. Also, thanks to the members who distributed special flyers; we had many guests/potential students in attendance.

A heartfelt thanks to you, Peg & Doc, for all the years you devoted to the NNJSDA as Editors of the *Grand Square*. We deeply appreciate all the time and effort you put forth to be certain that we received our *Grand Squares* on time. We're sure that sometimes it was quite a challenge! As other "unsung heroes," you did what had to be done to the best of your abilities, and always succeeded. You certainly deserve a rest!

THANK YOU! At the last board meeting we discussed more interest in round dancing. Therefore, we will have a "Teach a Classic" during prerounds at the second monthly dance. On June 2nd the Bee Sharps had their second annual picnic at North Branch Park. Too much food, but just enough friends and fun! We plan to demo at the 4-H Fair again in August on Wed. night. AL'e'MO SQUARES -- Brooklyn, NY (MS w/+ tips)

2 & 4 Sundays

Redeemer St. Johns Ch., 939 83rd St.

Six members of Al'e'mo Squares attended the National Convention. It was a great experience. We had a successful, enjoyable summer season of square dances. We are looking forward to another great year. Walter Lasky has assumed the Presidency of the club, a job which had been handled by Frank/Sondra Platt for several years. The club thanks them for a job devotedly well done. In the coming year we will continue making Plus instruction an integral part of our workshops so that our Angels will have something to look forward to at every class. Our introductory series of three basic MS classes will begin the 3rd Monday of Sept. at the Phillips Dance Studio in Brooklyn, and our first dance will be held the 4th Sunday in Sept. at Redeemer St. Johns.

From The Dahl House

I go crazy just before each Grand Square printing deadline, wracking my brain for yet another column idea. This time I had a different deadline 2 days before this was due. I was making slip covers for a set of living room furniture that was being picked up & shipped to my oldest son who is in the army & stationed in Panama. I thought, gee, it's too bad slip covers aren't exactly appropriate for the column. Or are they? Not furniture slip covers like I wrestled with, but square dance slip covers --- so ---

I've been scrunching my slips back in the plastic bags in which they came but the bags rip, and someone with whom I was discussing this problem thought that the slips went limp if they're stored in plastic. I'm not sure about that, but enough people have asked me how to store them that I figured it was worth a column.

Those slip trees that you see in S.D. magazines are one solution. They only take up a corner of a room and hold quite a few slips. However, my house is on a well-trafficked bus route, downwind (east) of Bayonne, Newark, Elizabeth & Linden. Needless to say, the air by me is quite **dirty** and my house suffers the consequences. I need to keep my slips covered to keep them clean.

I'm going to use a nylon closely-woven mesh-like fabric (you could use muslin too) so I can see slip colors at a glance. (These are also sold in S.D. magazines.) They are cone shaped & open at both ends. The narrow top opening is for you to put your arm through to use the waistband of the slip to pull it up into the bag. This opening can have elastic or a drawstring to close it. The bottom opening can be a circle with a zipper closure (Fig. A) or just be extra long with a drawstring closure (Fig. B). You can make these as full as you want by using a circle skirt pattern for the cone shape, a garbage pail cover or a pencil on a string for the circle bottom, or lengthen the circle skirt pattern for the drawstring style bag. I'm going to try $\frac{1}{3}$ of a circle skirt (Fig. C) with a drawstring bottom for my very full slips. This should take about $1\frac{1}{2}$ yds. of 45" fabric. You might only need $\frac{1}{4}$ of a circle skirt (Fig. D) for slips not so full, and 1 yd. should be enough. Now storage - they can hang on hooks in a closet (attic, basement, whatever) either end up, or lay on the floor of a closet, under your bed or anywhere you want. Bob Merkler hung wife Madelon's slips on a pully system over the basement steps. Clever, eh?

The Dance Leaders of Delaware Valley sponsored a Leadership Seminar in May featuring Stan Burdick, Chairman of Legacy and Editor of "American Square Dance" Magazine. Square Dance Leaders from all over the state of NJ were invited as well as leaders from PA, NY and DE. The Seminar was very informative and everyone wanted "more." The cost of the Seminar was underwritten by the DLDV, the Square Dance Council of NJ, the 26th National Square Dance Convention, Callierlab and the John Zagoreiko Scholarship Fund. Another session has been scheduled for May 1992 at a larger facility to accommodate all that would be interested in attending. Legacy will attempt the first census of the square dancer population. Each State in the US and Province in in Canada will be sampled. This should give an estimate of the total number of dancers in its entirety (sampling error 10%). There are 6210 clubs in the US and 490 clubs in Canada. The Legacy "Club Leadership Journal" is

filled with wonderful "how to" information such as problem solving, marketing, dance themes, recruiting and each issue contains a camera ready ad. The Journal is published 10 times a year and over 1/2 of all subscriptions are from clubs. Contact: Bernie/Carolyn Coulthurst, Editors, PO Box 766, Plover, WI 54467 for more information.

Legacy also has a "Square Dance Month" promotion kit. This year's theme is "The Best Medicine - Aerobics, Laughter & Fellowship - Square Dance Has It All!" The kit contains 2 posters, sample news release, pages of background information and sample ad ideas. Contact: Bill/Colleen Wilton, Rt 3, Box 428, Montello, WI 53949.

Roundalab held its annual convention this June in Memphis prior to the NSDC. The convention was held in the very same hotel where Roundalab was conceived 14 years ago. Roundalab has grown significantly over these years and has developed 6 Phases of Round

Dancing and standardized figures, cues, cue sheets and terminology. A committee has been formed to standardized the cues on the Classic cue sheets. The Rounds of the Quarter are: Phase III: "Twistin' the Night Away," Ron/Ree Rumble; Phase IV: "Something's Gotta Give," Mike/Marsha Burkhardt; Phase V & VI: "Mambo 5," Carmen/Mildred Smarrelli and the Classic is "Dream Awhile," Dean/Lorraine Ellis.

DANCING IN THE DARK??!

First VP Shirley White had just announced the attendance figures for the July 11th Summer Dance and told everyone that the dance was not over yet. At that moment the town of Caldwell experienced a blackout and St. Aloysius went dark! Square dancers can and do rise to any situation and this was no exception. Everyone sprung into action. Cars were positioned so that their headlights shown on the entrance and kitchen. In addition, there were several flashlights to enable John K. to pack his equipment and the kitchen to be cleaned. Everyone was CALM and COOPERATIVE. Thank you so much for your help.

ROUND DANCE HIGHLIGHTS

It's been a busy summer for our members. Back in June, Frank/Carol Valenta; Nick/Carole Raspa; Dave/Wendy Roberts; and Mary/Pete McGee joined RAL Executive Secys Peg/Doc Tirrell at the 14th Annual RAL meeting in Memphis, TN. They also attended the Wed. Teachers Seminar on Paso Doble and Quickstep. Other members attended various teachers schools and clinics. Later at the education portion of our regular Council meetings, these members will share tidbits from their learning experiences.

Our annual Fall Round-Up is scheduled for the 3rd Sunday afternoon in Nov. at St. Aloysius in Caldwell, NJ. Hope to see you there.

Dancers in the NNJ territory are indeed fortunate in that there are a number of classes available for those wanting to learn basic round dance steps to those desiring to move into Phase III & IV Basic Steps. If you are interested in becoming a round dance cuer, please contact a Council member for assistance, or plan to attend our meeting the 1st Sunday in October.

TIRRELL TWIRLERS Tirrell, Cresskill, NJ - Sun/Mon/Tues 201-568-5857

Now that summer is a memory, we are resuming our usual schedule, but Mondays will be Phase III & V dancing with the last Monday in the month request night. Tuesday nights will be Phase IV, V & VI dances concentrating on the Classics. Call for info on Sunday nights.

"Could I Have This Dance?" If Axel F, Answer Me, and Green Door are some of your favorites too, perhaps you would like to be a partner with this enthusiastic gal to learn Phase III & IV rounds in the Morris County area. Fun atmosphere. If interested, please contact Advertising Editor on my behalf: 201-797-1934.

RAMAPO RHYTHMAIRES Tirrell, Waldwick, NJ - Wed 201-568-5857

We're back to our Wednesday dancing at the High School. The first session 7-8:30 is an introduction to Phase III Rhythms. The second session 8:30-10:30 will concentrate on just the Phase IV Rhythms.

RASPA'S ROUNDS Raspa, Mon 201-896-1891

Please call for information on our class on the Basic Steps in Round Dancing.

PRINCETON ROUNDS Rumble, Lawrence/Hamilton, NJ 201-657-0212

Rounds have been especially fun this summer as we learned both classics (Lonely is the Name) and new dances by Ron & Ree (He'll Have to Go). Always nice to have our friends who winter in the south join us for the summer. We knew Ron & Ree were number one in our book, but the country shares our opinion as the Rumble's "Twisting the Night Away" was listed at the top of the charts nationwide!

Were you dancing in the early 80's? If so, you will recall the fun, fellowship and work involved as our area became involved in the preparations for the '84 National Square Dance Convention in Baltimore. Pictured (left to right) are Peter J & Jennie Zukauskas, NSDC General Chairmen, of the Baltimore NSDC with Dorothy & Steve Musial, General Chairmen of the '77 NSDC in Atlantic City. Word reached us after our last deadline that Peter J had died. Our sincere sympathy to Jennie and their

family. Thanks for so many wonderful memories. (Ed's Note: Although we were not dancing in '84, we had the pleasure of meeting the Zukauskases at the 1st NJSRDC. Peter J had us laughing in an instant and they were especially kind to these "brand new" dancers.)

THANK YOU

Square dancers are truly an amazing group of people! The contributions of time and money given to the Scholarship Fund in Paul's memory have been overwhelming. It's impossible to thank each person and club in this space but I would like to mention special appreciation to the members of CCNJ in general and Bill Heyman, Dot Loewenstein and Brian Fugere in particular for their help in administering the funds. This area is indeed fortunate to have not only thoughtful, caring, dancers but an abundance of callers dedicated not only to improving their own skills but to helping others to enjoy the fun of calling. Thank you one and all!

DINGMAN DANCERS -- Dingmans Ferry, PA (MS w/+ tip)

Every Tuesday

Dingman-Delaware School, Rt. 739

Hello! Dingman Dancers have applied for membership in the NNJSDA. Established in Sept. 1983, we have 56 dancers. This June we graduated our 7th class and will start a class in basics in Sept. From Sept. to June we dance MS with a Plus tip every Tuesday from 7:30 p.m. to 9:30 p.m. in the Dingman - Delaware Elementary School. Dingmans Ferry is located in the northeast corner of PA. During the summer months we follow the same schedule but in the air-conditioned American Legion Post #851 on Wilson Hill Road.

We periodically dance for and with the wheelchair patients of the Head injury Recovery Center at Hillcrest in Milford, PA. In July we will do a demo at the Port Jervis, NY Heritage Days and hope to sign up students for our Sept. class. Richard Murphy, our caller, was instrumental in starting this club. He has a reputation for his melodious singing and his patience in teaching and dealing with beginning dancers. Our club colors are maroon and gray. Our officers are: Pres., Charles/Peg Scholtes; VP, Joe/Cathy Bethel; Secy, Virginia Oliver; Treas., George/Jane Aber.

Several of our dancers (former Brooklynites) remember Doc & Peg Tirrell with affection. Good luck to them in their new endeavor.

Am. Czech. Farmers Club, Rt. 130 & Hankins Rd.

Our summer Plus Workshops were a great success. Al Kaesler made learning fun for everyone. We expect to see the dancers at our regular odd-Friday dances this fall and we have a great schedule of callers for their enjoyment. The Bradts have carried our Phase III Rounds through the summer and will continue with the group on Monday nights through the regular dance season. Basic Rounds will also be taught at an earlier hour on the same night. The round dancers at our dances seem to get more numerous each time we meet and Steve Bradt, our regular cuer, presents a varied program so everyone can participate. Come join us for the friendliness and fun that our dances engender.

To Doc & Peg Tirrell, many thanks for your 25 years of devotion as Editors of *Grand Square*. While not members of the NNJSDA, Masqueraders have been 100% Boosters of the publication for many years because of its value to us as a club and to the square dance activity as a whole. Square dancing needs more people with your dedication; we hope you continue to contribute and enjoy whatever you find satisfying.

Many of you probably met us at the 4th NJSRDC. With a contingent of more than 60 members, the largest attendance from a single club we were told, and our fuchsia sequined shirts, we were easy to spot (although according to John Kaltenthaler, a challenge for sight callers). We had a great time and are looking forward to next year. We think the Convention is a valuable experience, especially for our newer dancers, to see that the square dance world is much bigger than their own club. Speaking of new dancers, we have quite a few; we graduated 80 MS dancers in March and another 40 in June. In addition, over 50 of our members moved up to the Plus program. A highlight of the year was a weekend called by Ron Libby last Jan.; we have contracted with him for a repeat performance this Jan. and plan to make this an annual event. Guest dancers are welcome at all of our events, singles as well as couples, and casual dress is okay. We look forward to dancing with you.

As we put our FIRST issue to bed, we want to thank everyone for their offers of help and encouragement these past several months as we prepared to assume the Editorship. We had to do this issue the "old Way" since we are still awaiting delivery of the computer system. We burned the midnight oil every night trying to produce a *Grand Square* with the same high quality as the past 25

years. No doubt there are some crooked ads and wavy lines. Please bear with us as we learn the ropes and be sure to tell us what you liked and didn't like about this issue. Comparisons are inevitable but as Doc & Peg said, "Do not try to fill our shoes, only stand beside them."
