WELCOME GRADUATES to our Wonderful World of Square Dancing. The many hours spent during lessons are now going to start paying dividends. You will make new friends and have a delightful time at the many clubs you will be visiting. At your graduation, you will be presented a packet prepared especially for you by our 2nd Vice Presidents, Len & Joan Anfinen. Please take the time to read the information contained in this packet. You will find ways to earn special dangles, earn free admission to several NNJSDA sponsored dances, interesting articles and, best of all, there are maps with directions to every member Club in the Northern New Jersey Square Dancers Association.

The NNJSDA has scheduled 10 Wednesday night Mainstream dances during the summer months designed especially for new dancers. Look for the ad in **Grand Square** and take advantage of this opportunity to meet all the "Angels" and graduates from other clubs. You will certainly feel more comfortable when the fall dance program begins. We are looking forward to meeting and dancing with you.

Once again, we are preparing to attend the National Convention which will be held in Salt Lake city, June 27-29. If anyone is interested in attending and needs information, please call us. We will be happy to help you. New dancers are welcome to attend. There is always dancing for all programs and many interesting seminars and "introduction programs." If you want to meet dancers from different states and even different countries and have an opportunity to dance to many, many callers and cuers, please do not hesitate to attend.

*"ONE SQUARE IS FAIR"*

### DELEGATES MEETING - JANUARY 20, 1990

Meeting called to order by President, Jim Kelly at 2:10 PM. Roll call was taken. Those clubs not represented were Colonial Squares, Isle Squares, Staten Square Set, Sussex Spinners and Warren Wheelers. The minutes of the Sept. 16, 1990 meeting were approved. Jim explained the change in the meeting format starting with this meeting. The Education Portion will now be part of the meeting rather than preceding it as it had been in the past. Hopefully, this will bring more participation to the most important item on the agenda, Education.

The Tirrells are in charge of Education and the NNJSDA Constitution and the BMI/ASCAP situation were the topics. Links of chain, with the center link colored red, were passed out to each Delegate. The links represent the link between the NNJSDA and the clubs and we are only as strong as our weakest link. The Delegates are the link of communication between the Association and their clubs. The **Grand Square** Editors are also a link between the NNJSDA and the clubs. "What is your NNJSDA I.Q.?" questionnaires (to be reprinted in a future issue) were distributed and discussed. Each Officer was introduced and the duties explained. Peg & Doc then went on to explain the BMI/ASCAP situation. All music that is not in the domain is copyrighted and anyone who uses music publicly must have a license to do so. Roundalab and Callerlab have known about this problem for some time and formed a committee to

investigate. After much discussion and negotiation with BMI/ASCAP, a settlement was reached. A graduated scale of fees was set up for each caller and cuer. Starting April 1, 1991 the fee structure will be : 50 dances - \$52.50; 51-150 dances - \$75; 151-300 dances - \$105; over 300 dances - \$140. These fees do not cover festivals and weekends and there is an additional charge. Everyone belonging to Roundalab and Callerlab must obtain their license by April 1st. Doc explained that BMI/ASCAP have never lost a court case involving copywrited music. The fine for use without the license is up to \$20,000. Many questions were asked and following was explained:

BMI/ASCAP are going after malls, those hiring musicians, those who play music in their businesses and any other public use of copywrited music. A grandfather clause is being sought to prevent callers and cuers from being sued for past use of music. It is best to ask you r caller and cuer is they are a member of Callerlab or Roundalab before booking them. A separate license will be obtained for the State Convention. Steve Forman (a caller) stated that he paid a \$200 licencse fee for a weekend he is holding. The NNJSDA will considered a club. If a caller or cuer asks for more than an additional \$1.00 to offset his/her license fees, that is too much. Fees collected are royalties to composers of the music. BMI and ASCAP are policy and collection organizations for composers and writers. Clubs need not worry about license fees as long as their callers and cuers are members of Callerlab and Roundalab. There was a short recess.

**NEW BUSINESS:** Based io the report of the 3rd VPs, Ray O'Neill & Joan Daniels, the Executive Board voted to recommend that the Delegates approve the membership of Dingman Dancers. A motion was made and seconded and unamously voted to admit Dingman Dancers as a member of the NNJSDA. Dingman Dancers President, Charles Scholtes and Dingman's future Delegate were introduced.

A letter was received from Ramapo Squares saying they have suspended activities. A phone call was received from Montville Squares saying that they were temporarily suspending activities until the fall. Jim Kelly expressed regret and said he was afraid we lose these dancer. He said that this is a lesson for the future and the we must welcome new dancers and not exist as "invitation only clubs."

A letter from See Saws was received regarding callers holding dances in conflict with member clubs dances. We do not have jurisdiction over the

## WELCOME NEW DANCERS

You are reading **Grand Square**, the Official Publication of the Northern New Jersey Square Dancers Association (NNJSDA).

### What is the NNJSDA?

It is an organization of dancers, who belong to member clubs. These clubs send Delegates who attend 3 meetings a dance season, usually the 3rd

The northern half of New Jersey, the counties of Richmond, Kings and Rockland in New York, and the cities of E. Stroudsburg and Dingmans Ferry in eastern Pennsylvania.

### How do I become a member of the NNJSDA?

You automatically become a member when you join a member club. There are currently 39 member clubs.

### What does the NNJSDA do for you?

5. Holds Special Plus Dance Programs on the 5th Fridays or 5th Saturdays of the dance season, usually with national callers and cuers.
6. Holds a Mini-Festival, featuring Mainstream and Plus, every November for a full day of dancing.
7. Sponsors a biennial Leadership Program, called L.U.S.T., held in September in even numbered years. The next L.U.S.T. is Sept. 1992.

# WELCOME TO OUR NEWEST MEMBER . . .

**DINGMAN DANCERS -- Dingmans Ferry, PA (MS w/ + tip)**

2,4,5 Tuesdays

Dingman-Delaware School, Rt. 739

Hip, hip, hurrah! Dingman Dancers are now bona fide members of the NNJSDA! At the January Delegates Meeting, President Charlie Scholtes and Delegate Virginia Murphy were on hand as the Delegates voted unanimously to approve the club's application for membership. We are all looking forward to many years of good dancing, fun and fellowship with NNJSDA clubs. Club dancers having already accompanied our students to the Mid-Term Dance in Chester, NJ.

Dingman Dancers completed 1990's dancing with 2 special event dances: a Venus Tip Dance and a Christmas Covered Dish Supper Dance. Both affairs were well attended by members and guests. Although we have cancelled regular Tuesday dances for all of January, February, and until mid-March, we are not hibernating along with our famous Pocono Black Bears. We are dancing with neighboring clubs. On the 2nd Tuesday in March, we have planned a "Welcome Back Spring Dance" and from then on we will resume our regular Tuesday night dances. The students are continuing to receive weekly instructions from caller Rich Murphy. We will be pleased to welcome these energetic and highly motivated novices into our club after graduation in June. The ladies are also taking advantage of free time by sewing vests for themselves and their spouses to complete raid outfits. Social Chairperson, Mary Ann Gosch, who designed the vests, is supervising this project.

2 & 4 Saturdays

Westwood United Meth., Kinderkamack Rd. & Bergen St.

W/W, the Friendly Club, has earned another title, the "Caring Club." First that's off to Leo, for "caring" enough to give exposure to new callers, Sandy Corey, Burt Schain and Fran Wadel, at our Samplers Night. "Caring" dancers made them feel very much at ease. "Thanks" to See Saws for lending us your wagon wheels, borrowed at our successful raid on your "fun" club. The theme of our gala New Year's Eve was the New Moon and Cornucopia favors, which we co-chaired with the Taffels & Rogers. While our committee was setting up that afternoon, Gus drove home to fetch tools and had an auto accident. Bob Sly took Gus to Pascack Valley to be checked so I could keep working. The events that followed were what I mean by "Caring Club." I wish to express my gratitude to the following wonderful people for their dependability and willingness to pitch in, actively taking part in all areas needed: Maldonatos, Moffatts, Klotzes, Hohmanns, Kerners, Beckmanns, Sherlocks, Smiths, Slys, Schreeks, and Wymans - amazing people! Special recognition to the VERY SPECIAL TAFFELS! Their quiet, unselfish dedication to W/W is outstanding. Thanks Willie & Esther for being "YOU" and for being Western Wheelers! 1991's first new format dance with Manny Amor was a real fun night! Come join us for more! Our club restores faith in human nature, needed sorely at this time with the world in such devastation. We pray that before publication of this article, the headlines will read 'PEACE IN THE MIDDLE EAST!'

Welcome, Graduates, to the wonderful world of Square Dancing. May you have many, many years of happy dancing ahead of you. Our Students Free Christmas Dance is becoming very popular! We had 9 squares this year. Besides our own class, we were raided by Leisure Squares, who brought their class and Bachelor 'N Bacheloretts of Lehigh Valley, who also brought their class. We raided Sussex Spinners with 15 dancers in January and enjoyed dancing to one of the nation's best, John Kaltenthaler.

Centenary College will be hosting exchange students from Japan around the end of February and the beginning of March. We square danced with and for the exchange students and their host families last year and have been invited back again this year. It should be fun!

The 5th Annual NJ Square Dance Convention will soon be here. Hope to see you there. Until next time, happy dancing.

Our "Dude Ranch" dance was a real round-up of dancers from our good friends at Bee Sharps and M.T. Squares who raided that night. The uniform of the day was strictly Western gear for those who had it and the dance floor was filled with great costumes reminiscent of "Wagon Train." Let's do it again next year! Our thanks to John Kaltenthaler for substituting for Carl Hanks who was recovering from the mid-winter bug that has been plaguing everyone. That wonderful week of Square and Round Dancing in February in Bermuda, sponsored by the Mid-Ocean Promenaders of Bermuda, should be the cure for everything. Carl really is the highlight of that Convention celebrating its 12th year out there in the Atlantic near North Carolina. Be sure to check our ad because we will be dancing at the Union Village Methodist Church, Hillcrest Rd., Warren on the 3rd Thursday in April. All other dances are in Watchung. See you around the Square!

### TENAKILL TWIRLERS -- Cresskill, NJ (MS)

3rd Fridays

Bryan School, Brookside Ave.

Hi square dancers! Happy New Year and a happy year of square dancing to all. Tenakill ended 1990 with December's Holiday Fun dance. Hix & Chix members raided and added to the merriment and confusion, dressed in their club colors of red and white; unflappable John Kaltenthaler had no trouble keeping squares and partners together though, even in a sea of red and white. Fanny Meyer, our lovely and warm, president, gave away little gifts in honor of our 40th Anniversary, which is this year. A pot luck dinner will be held later this year; come help us celebrate.

Dave Pangburn has taken over Happy Squares for Art Rellinger while he is recovering. They dance at nursing and senior citizens homes. Helen & Art visited our January dance and we were especially glad to see them both. Art is really looking well and we wish him a quick, complete recovery and want both Rellingers back dancing soon!

Our January dance was well-attended; 9-10 squares danced to John K. and Doc T. Being raided by Tenafly Squares and Circle 8s, brought more than half of the dance floor to the raid parade. Visitors from Spinning Wheels, Hix & Chix, Belles & Beaux, See Saws and Covered Bridge danced along with callers, Dick & Laurie Mazziotti, Bill & Peg Heyman, Fran Wadel and cuer, Herb Rivkin. Bill joined John in a rousing duo, very enjoyable. Thanks to all for coming and adding to the enjoyment. Remember that student dances have started in January, please attend to help these new dancers. I remember when I was a student how important the angels were to get me through those calls that I didn't quite understand or hear too well. Thank you angels; you are very important to square dancing.

**TENAFLY SQUARES -- Haworth, NJ****(MS)**

2nd Fridays

St. Luke's Episcopal Church, Massachusetts Ave.

It was a tired Larry Davenport who arrived at our December "Cookie Carousel" dance. He had left Japan at midnight Friday and arrived in New York at 3:30 PM Friday. (Confusing? Sounds like his clock was running backward, but that's the result of crossing the International Date Line.) Fortunately for us, he brought along his "back-up," a caller named John Kaltenthaler. Between them they called a great dance, with tunes appropriate for the holiday season! Rounds were cued by the inimitable Doc Tirrell. For our January "Winter Carnival" dance, we were eagerly looking forward to having Dalt Young with us. However, Mother Nature sent some of the "freezy skid stuff" and we had to cancel the dance. We made up for the dance we missed by raiding Tenakill Twirlers the following Friday.

Congratulations to all graduating dancers! Don't be bashful about visiting us. You'll always find a warm welcome and Haworth isn't that hard to find.

2 & 4 Fridays

Sussex County V0-Tech, Rt. 94

Sussex Spinners would like to extend congratulations to all students in classes this year and to invite all to dance with us. Congratulations are also in order to our Raid Chairpersons, Sally & Ollie DeGroat for their great job in scheduling our raids. We also raided Ironia Reelers and Warren Wheelers. A great way to greet old friends. We had a surprise visit at our January dance from Carl & Helen Ostertag, long-time members of Sussex Spinners and now retired in Virginia. Great to see you again, hope you will make it a habit to visit each time you head north.

Our winter dances have been terrific successes due to excellent callers and, of course, the great cueing of Al & Gale Spinks. Several of our members were hit by the pneumonia bug, but I am happy to report that they are all well and back dancing. Our thanks to Presidents, RoyAnn & Fred Blakely for their continued efforts on behalf of our club.

#### A personal reflection:

There have been many times that I have said "thank you" to square and round dancers and once again I find myself overwhelmed by the kindness and thoughtfulness extended by the wonderful world of dancers that we are so privileged to be a part of. Thank you for the many cards, the many calls, and the concern expressed after my recent foot surgery. A very special thank you to those who made a point of coming early to dances and classes to carry in the equipment and to the many that stayed to carry it all out again.

## STATEN SQUARE SET -- Staten Island, NY (+)

1 & 3 Saturdays

St. Albans Church, 72 St. Albans Pl.

The holidays are over and winter has settled in. Our Greek Fest Dance in January did much to lift us out of the doldrums especially with Lois Stevenson treating us to some tasty Greek goodies. Frank Riviccio called some lovely tips to keep us in the spirit of things. We were happy to see George Pascua back dancing after a long absence due to surgery. We hope Larry Bianco is feeling fine again and can be back with us soon too! Our condolences to Tony Franco who lost his sister in January.

Let's not forget to put on some green and come to our St. Patrick's Dance which promises to be a good one. Our R.I.O.S. class is coming along at a brisk pace which means Spring and Graduation is not far behind. Thank you Don Coy for your excellent instruction and Patty Connors who works hard as Class Coordinator. We have an exceptional group of students so let's encourage and welcome them.

**SPINNING WHEELS OF WAYNE** (1,3, 5 MS; 2,4 +)

Every Monday

A.P. Terhune School, 40 Cyanamid Drive

The club is having a fine season this year. Attendance is good and the callers are doing fine, as usual. As this is being written, we are planning to add a new caller to our illustrious roster. Howard Kaplan, from our own club, will call his first club dance with us. From what we have heard of his calling in the past, we expect that he will be appearing at a lot of clubs in the future. In January, it seems that we set a record, if anyone keeps track of such things. We raided Lakeland Squares and showed up with 5 full squares! Your reporter wonders if anyone in the club, besides himself, missed it. Unconfirmed rumor has it that we cleaned Lakeland out of their "I raided Lakeland" dangles. Luckily, their white on blue dangles blend perfectly with our blue and white raid outfits. Our class is in a class by itself. The 23 members are doing so well that Instructor Bob Robinson is having trouble telling if the students or the angels are making the mistakes. Class raids have started as well as our class level dances on our regular meeting nights.

Finally, Spinning Wheels wishes to pay tribute to callers everywhere. Anyone who can stand up on a stage, look down on a room full people in full square dance regalia, and, with a perfectly straight face, call for normal lines deserves an Oscar.

## SEE SAW SQUARES -- Upper Saddle River, NJ (1 MS; 3 +)

1 & 3 Saturdays

Old Stone Ch. Ed. Ctr., E. Saddle River Rd.

Cross Trails raided See Saw in November and we're still talking about the super "Raid March" they used to pin our banner. They march in and out and around and never once got lost or dizzy. Belles & Beaux raided us in December and although their march was not as wild as Cross Trails, it was great and it was especially good considering all the stuff they picked up at our Chinese Auction. More stuff and nonsense was bid on and won at the Auction. You should have been there to get in on the goodies. Western Wheelers did us the honor to raid in December at our Plus dance with "love of square dancing," Manny Amor. Manny had all the dancers running in circles in our squares with some very different combinations. It just goes to show you that square dancers are multi-talented. One of our co-presidents, Hank Nahass, was just voted "Barbershopper of the Year" by the Teaneck Barbershop Chorus. Hank is a delight to listen to.

John Kaltenthaler called and Nick Raspa (bad foot and all) cued for our January MS dance kicking off the New Year. Even with the bad weather we had a good turn-out and, of course, John and Nick kept the dance going round and round. Carol & George Sutton, Joan Schierlitz and Helen Groghegan were in charge of refreshments. There were no starving people at See Saws that night. We welcomed new members, Sylvia & Syd Kyulick, to See Saws. They have danced with us for some time and enjoyed the Club so much they joined. We are most happy to have them in our happy band. Also we had some dancers from Bedford, MA, join us. Dick & Nancy Heinrich have moved down to Valley Cottage recently and they told this reporter that the reason for their move was JUST so they could join See Saws. They are excellent dancers and were a joy to dance with. We hope they will join up as members so we will have the pleasure of their company in the future. Our friends, the Forgashes, were at a dude ranch where Norman called and Phyllis just enjoyed herself. They say Norman even rode (horses). I find that hard to believe. We will miss our own Helen Geoghegan when she takes the square dance cruise next month. Helen, have ball, square dance that is (ok, bad pun). If anyone likes dancing APD Plus, you should have been at our Snowflake Frolic. Ray Lehberger called a great one and all present enjoyed themselves. By the way, the Snowflakes were inside the hall as constant falling ones.

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

Richmond Dancers are busy again with their raids, under the guidance of Raid Chairmen, Doris & Bob Delaney. You never know where we will show up next. Congratulations to Peg & Mike Crisham on the birth of their grandson. Our love and best wishes to you all. Our best wishes also to Donna Anderson for her speedy recovery from her knee replacement surgery. Two weeks after surgery Donna was cueing at a Staten Square Set dance. We wish Matty Cafiero a speedy recovery from surgery and also Bill Quinlan, who is recovering from a heart attack. Many square dancers' children and grandchildren are part of the Desert Storm Alliance. Our thoughts and prayers are with them and their families.

Our 40th Anniversary Dance on the 4th Saturday in October will be limited to 18 squares and admission by ticket only. Watch for our flyers. For our winter special, Neon 90s, we needed sunglasses in the hall. We had a last minute change of callers when Marion Pearce filled in for a sick Don Coy and the callers switched dates. Congratulations to Richmond Dancers graduates: Dick & Bridget Clancy; Dot Ford & Fred Martino; Tom & Pat Raia; and Harold & Sheila Waiberman. Welcome, good luck and keep dancing!

This is the time of year we focus on the future and help those students join the square dancing community with competence, confidence, and camaraderie. We've had two classes going since September and they got their first taste of a "real" night of square dancing at our MS Holiday Party in December. It is always fun to see the thrill of victory when students begin to "dance" rather than just execute calls in sequence. Our three traditional class dances sponsored with our sister clubs in Mercer County, Masqueraders and Marionettes, will take place in January and February and the third dance will be the 4th Sunday in April. Then graduations in May and dancing happily ever after.

### OCEAN WAVES -- Staten Island, NY (MS w/+ tips)

1 & 3 Fridays Christ Methodist Church, 1890 Forest Ave.

We had a wonderful holiday, dancing and eating (burp) our way into the new year. After all the hustle (the dancing kind) and bustle (what my hips look like they're wearing now), we were looking forward to our annual Candlelight Calm which is always our 1st dance of each new year. Mid-way into the evening, we lit candles that had been sent around the perimeter of the room and turned out the electric lights. We danced a whole tip with this soothing, relaxed, soft light. It was a little hard on caller Dick Pasvolsky because he could hardly see the dancers. But once his eyes adjusted, he enjoyed the ambiance as much as we did. We are now finalizing our special party plans for honoring the R.I.O.S. students who, halfway through their class year, will have finished with the MS part of their class program.

Our condolences go to long and faithful member Oscar Michaud, who lost his wife the day after Christmas because of a brain hemorrhage. Also, a couple of our S.I. square dance families have young people in the front lines of Desert Storm. We pray for them and all the other heroic people involved in trying to stop this mad man that I call "So-damn Insane." I hope that as this goes to press, they will have succeeded in their mission and returned home safely.

## MOUNTAIN SQUARES -- Whippany, NJ

(A-2)

1 & 3 Wednesdays

Presbyterian Church, 494 Rt. 10

Congratulations from the members of Mountain Squares to all the new graduates and we wish you many years of happy dancing. In spite of bad weather and the usual "winter ills," attendance has been quite good and we thank the members and guests who support us. It is always sad when a club, regardless of the level, has to close down. Just think about it. The caller often drives a long way to call for your pleasure. The club presidents will be there to welcome you and the faithful club treasurers will be in their place, but unless the dancers show up, there will be no dance and eventually no club! Our caller, Joe Landi, has been introducing some "Challenging" calls to us and, to add to the fun, Joe has been encouraging us to find the true meaning of DBD (Dancing By Definition). Don't be shy. Give us a try. We are always ready to welcome you into a Mountain Square.

1 & 3 Friday

Dag Hammarskjold Jr. H.S., Rues Lane

With the new year moving right along, we welcome Karen Kushla, who will be cueing most of our rounds and have bid a fond farewell to Ron & Ree Rumble, who have been our club cuers since July 1986. Steve Forman has guided our class of 23 students along toward becoming full-fledged club-level dancers. We're all looking forward to their graduation the 3rd Friday in May and joining in on the fun with us at club dances. We will have held our 8th Annual Deborah Dance the first Sunday in February, a mystery bus ride is planned, the annual Barn Dance and many more raids. Thank you to all the members and friends who braved the cold and supported the club. Also, we look forward to the return of those gone south thinking they were escaping the cold.

### IN MEMORIAM

We were really shocked to hear of the sudden death of Ray Geibel, our Northern Area Reporter. In friendship and sympathy, we offer Vera our deepest condolences.

We were also saddened to hear of the sudden passing of Edith Moses. Edith and her husband, Al, started both Kings and Al'e'mo Squares in Brooklyn. Our sincerest sympathies to her family.

I am sure we would all like to believe that we have turned the seasonal corner and can look ahead to some pleasant weather. Then I remembered a few past years, not too far removed, when Mother Nature dumped her bag of tricks all over us. Most folks are limited in what they can do about the weather. They can talk about it, think about it, worry about it and take it. We as square dancers can also temper it. No matter what the weather, the times are rare when we cannot get to a dance and be embraced into the comforting fold of warmth and friendship of fellow dancers. So no matter what the weather, do visit us any first or third Saturday of the month -- be embraced. You will also find us here for you on clear nights.

**LAKELAND SQUARES -- Mt. Lakes, NJ** (MS w/+ tip)

Every Tuesday Mountain Lakes Community Church, Briarcliff Rd.

As spring unfolds its budding new graduates, we look forward to enveloping them into our wonderful world of square dancing! Lakeland eagerly awaits the opportunity to dance with ALL new graduates at our club on Tuesdays evenings. Pal Johnson has done his usual superior job with Lakeland's class. Thanks again, Pal. And at club dances there is some fine dancing to our own club callers, Bob Mitchell and Dick Pasvolsky. A word of thanks to our Class Coordinators, Margit & Bert Matson and Barbara & Jim Morris. You did a superb job!

Our Christmas Party was a HUGE success, with a raid by Cross Trails' class, along with students from other club classes and our own students. Of course, the jolly fat man in the red suit joined in the festivities. It was made EXTRA special by the presence of one very special couple, Tony & Jean Stella! When we walked in and saw the hall so beautifully decorated, we KNEW Tony was back. Our prayers had been answered. Welcome back, Tony! Hope you are on the road to complete recovery. You look terrific. January has brought GOOD raids to Lakeland. Not the BAD kind currently going on in the Middle East, for which I know each and every one of you prays will end soon with PEACE restored to the region. We enjoyed having Ironia Reelers and Spinning Wheels raid us and we hope to reciprocate soon. You will find that Lakeland is not only a super, friendly club, but rather innovative. Club members are now admitted free to the dance that falls during the week of their birthday. If it falls in August when we don't dance, we honor it in September. At our Veterans Day dance, ALL vets were admitted FREE. And that's just for starters. Who knows what we'll think up for future dances! Do come and see for yourself what fun you can have at Lakeland. We love dancing with you!

1 & 3 Fridays Long Pond School, Limecrest Rd.

The 1990s warm weather continued for our December dances. Dick Pasvolsky called for our "Hat Dance" and wore an attention-getting chapeaux. Our Christmas dance was class level and our students gave a bravo performance of all they have learned under the able direction of Larry Davenport. After the holidays, we revived our spirits (once more!) with a New Year's dance called by Bob Mitchell. The balloon dance proved how fast we were on our feet! A Winter Wonderland dance called by Larry Davenport ended the month. The 4th Saturday in April is the night our First Annual Dinner Dance will be held. Hope to see you there.

NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION

Many thanks to all of you who have already sent in your Booster Drive money. Grand Square has always operated on a tight budget and was in the red last year even with the Booster Drive. We really need your help to keep our advertising costs down so our clubs can afford to place their ads. We ask that every dancer and student contribute \$1.00 to defray the cost of producing Grand Square. We know that many of you read it from cover to cover and

we try to give you as much news about the square dance world as possible. We want to continue doing so. If your club has not already done so, please send your check to the NNJSDA Treasurer, Jean Koenig (address on page 2).

1 & 3 Sundays

Ft. Hamilton Presby., 367 94th St.

At the time this is being written, winter has taken its toll on our membership. A speedy recovery is wished to Irving Mandel, Chet Fulmer and one of our new students, Lola Kendzierski. We also hope to see Grace Fioriello back with us soon. Three cheers to Donna Anderson -- she is really amazing. She came home from the hospital on December 31 and on January 6, she was at Kings cueing from her wheelchair. And everyone was relieved to see that Barbara Singer returned home safely from Israel.

Our 23 students are progressing very well on Thursday evenings. It is nice to see some old friends returning to square dancing as well as being able to welcome new square dancers to our fold. Clive & Anne Hartt have graciously agreed to be chairmen of the Nominating Committee. Please don't run away if you see them approaching!

Old-time members of Kings were saddened to hear of the passing away of Edie Moses. Edie and her husband Al were the originators of what is now Kings Squares and were totally dedicated to square dancing.

Our New Year's Dance was a great success. The attendance was down from the previous year, but those that attended more than made up for it with their enthusiasm. Our new format of dancing every other Sunday seems to be working out just fine. We will continue to hire the very best callers that are available and to have an occasional C-1 dance during the year (check out our ad). We are looking forward to our dance with Tom Miller when we celebrate our 5th Anniversary the first Sunday in April. Where does the time go? It seems like just yesterday we started our first Advanced Class. For a fun-filled night of Advanced dancing and rounds with our cuers, Nick & Carol Raspa, come join us.

At a special Ocean Waves dance in February, a whole host of "angels" will welcome the R.I.O.S. Class of '91 into the wonderful world of square dancing. They will have finished the Mainstream portion of their lessons by that time. Isle's President, Steve Forman, will be the caller for the event. Steve has come a long way in quite a short time. He's such a polished "pro" already that it's hard to realize he is still practically "the new kid on the block." He is talented, enthusiastic and has a great singing voice. You can meet him at Isles on the second and fourth Wednesdays of the month. He will even introduce you to his pretty little "Caller Hauler," Morgen.

1 & 3 Fridays

Ironia School, Rt. 513, Chester Rd.

Winter is over and our dancers have never missed a beat. The Christmas dance drew 14 squares to the Ironia School with Bob Mitchell calling and our class enjoying their first big square dance. Santa left a lot of door prizes and holiday goodies. A festive after-party at our presidents, the Pfersches, had 60 Reelers attending. The New Year's dance and supper saw 6 squares of Reelers welcoming in our 30th year of fun dancing. Our January raid had 4 squares enjoying the calling of Dick Pasvolsky at Lakeland Squares in Mountain Lakes. Pie Night, as usual, was a big success. Hope to see you all in the spring.

**HIX & CHIX -- Elmwood Park, NJ (1,3 MS; 2,4,5 +)**

Every Thursday

VFW Hall, 6 Veterans Pl.

Hix & Chix extended congratulations and a warm welcome to the new graduates in our wonderful world of square dancing. We are especially proud of our Plus class, almost 4 squares strong, under the able tutelage of Dick Pasvolsky and Class Coordinators, Allana & Frank Barr. We are looking forward to having the students join our club. Recently, there have been some changes in our leadership ranks. We want to thank Connie & John Huettemann for their devoted efforts as Raid Chairmen and to Agatha Cochrane as Demo Chairperson for a job well done above and beyond duty. We have greatly appreciated their services. We would also like to take this opportunity to thank Dot Loewenstein for stepping in at a moment's notice to replace Bob Mitchell and providing us with a challenging evening of dancing. Fred & Beth Fessel have joined our team as Raid Chairmen and started their tenure off with a bang when they led 3 squares to Tenakill Twirlers in December. Gloria Wyman is "wearing a new hat" as Demo Chairperson.

Once again in December our members came through with flying colors in supporting the club's drive to provide gifts for the children at Holley Child Care & Development Center in Hackensack. It was a pleasure having John Kaltenthaler with us after his hospital visit and a joy, as always, to dance to his calling. Brian Fugere and Al Spinks helped us end the old year on an up-note when we celebrated with a pre-New Year's dance. Two squares of Red Rose dancers delighted a full house with their beautifully choreographed and executed demo.

To close on a more somber note, we would like to express our condolences to the family of Bob Stephens, a long-time and faithful member of Hix & Chix. At this time, our prayers are with our members and their families and loved ones in the Middle East.

Every Tuesday

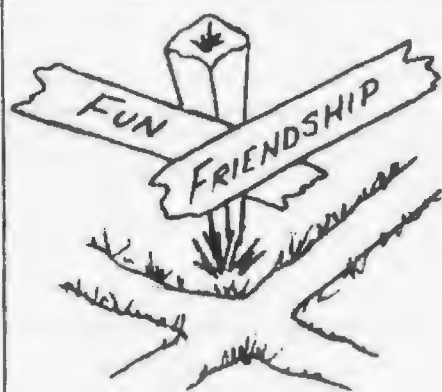

New Milford Middle Sch., Roslyn Ave.

Since the All-Position Plus dances/workshops were well attended and much appreciated by the dancers, another session was organized for the spring season. Come and try APD for its fun and challenge. Adele & Dave Weiss left us for 5 weeks to visit their daughter in New Zealand. Besides visiting and touring New Zealand and Hawaii, they managed to square dance once in New Zealand and twice in Hawaii. We missed their presence at our dances, but fortunately, at this time, they are back with us again. Joan & Dick Marcell's eldest daughter again made them grandparents of another little boy. Seems it was a little over a year ago that we announced similar news. Congratulations on #3! At this writing, Phyllis Estrin has retired from her teaching position. We wish you, Phyllis, all possible joy and contentment in the years ahead. To new Plus dancers: if you just graduated from a Plus class, come and dance at our club. We will make you feel at ease and you will gain the experience. Welcome.

### DID YOU KNOW???

You may join **ANY** club after graduation, but you should always remain loyal to your "mother" club. Be an angel next year. Tell all your friends about square dancing and encourage them to take lessons in the fall. Every club needs new members. Be an active and helpful member of your club: help set up and take down chairs and tables, offer to bring refreshments, volunteer to help decorate. Do you have skills that would help your club such as creating ads or flyers? Do you have access to a copy machine? Your club needs you!

## HARMONY DANCERS -- Mountainside, NJ (MS & +)

MS - 2 & 4 Saturdays

Deerfield School, School Rd.

+ - 1 & 3 Fridays

Harmony Dancers is extremely proud of our 1991 Graduating Class. We have had a year of fun and a few moments of frustration as we watched the class learn to maneuver the steps each week. It is always amazing how each week it looks easier to the students. We are also proud of the new additions to the class as we congratulate the Class Coordinators, Linda & Mike Rubinfeld, on the birth of twins, a boy and a girl, on January 1st. You can never tell what will happen when you learn to square dance. A special thank you goes to the angels who have supported this class weekly. As every square dancer recalls, the angels helped us all by pulling us through those awkward moments when we were confused; they really deserve everyone's heartfelt thanks.

1 & 3 Sundays American Legion Hall, 113 E. Passaic St.

WELCOME NEW GRADUATES! You've worked hard to join the Wonderful World of Square Dancing! We've met many of you and hope you've met our own group of FAD dancers, wearing our distinctive yellow badges, shaped like New Jersey. We're quite proud of Elliott Feinstein, Lillian Fernandez, Len Fine, Rita Shukan, Paul & Mickey Hamell, and Bob & Pat Smith. Have you danced with them yet? If not, look for those yellow badges and those smiling faces. They are instantly recognizable as the group having the most fun, on or off the dance floor. We envision them as Presidents of FAD, if not the NNJSDA, in the future. Welcome to you all!

Our Sunday night dances have been well attended, averaging 5 squares. Belles & Beaux raided our class-level dance in January and we had over 7 squares of dancers. Never fear to those who think our hall is small, we've already danced 10 squares (just took away the chairs!). We call it cozy, and the refreshment committee has outdone itself this year. Did you taste those tiny cheesecakes with cherry topping? They were inhaled by everyone! Unlike other clubs dancing in schools, we don't close down for the summer. And yes, we are air-conditioned with a private parking lot. Come on down for FUN AT DANCING. You will receive a warm welcome and be glad you came.

2 & 4 Wednesdays

Lincoln School, Crane St.

What a night! New Year's Eve found 141 square dancers twirling, swinging and having a fabulous time at St. Aloysius Church in Caldwell. It was truly a star-studded evening. Brenda Voag and Frank Benvenuti did a great job as Chairmen. Our 16 students are progressing very nicely. In fact, they were told by a caller that they were the best class in a long time. Congratulations students; Brenda & Frank, Class Coordinators; and Herb Conklin, the Instructor. Students and angels have been visiting various clubs in the area, Spinning Wheels in Wayne and Covered Bridge in Nutley. Our club is a very active, fun-loving one which is evident by the upcoming events scheduled: bus ride to Atlantic City, dinner dance, raids, exhibits, and candle-light bowling to name just a few. We always have the welcome mat out and plenty of food. There are 116 club members and an average of 52 at each dance plus 18 guests, so there are enough people to create an interesting evening. Several of our officers attended LUST last fall and found it to be very informative. The people who went highly recommend it to new officers. The Holiday Dance was well attended and a lot of clothing was collected for a shelter for homeless men. A letter of appreciation was sent to all who contributed to this worthy cause.

## COVERED BRIDGE SQUARES -- Nutley, NJ

(+)

2 & 4 Fridays

Radcliffe School, 370 Bloomfield Ave.

Our Christmas Dance was attended by members of our class and was the first regular dance they attended. In addition, Covered Bridge members brought toys to be given to needy children at the Safe House for Clara Maass Community Services. Our first student dance was held in January at the Church of the Advent in Bloomfield. It was attended by equal numbers of enthusiastic angels and students of various clubs. All had a wonderful time dancing to a new and up-and-coming caller, Dick Mazziotti. Our Snow Flake dance was scheduled for January 11th but ironically the dance was cancelled due to a big winter snow storm. However, our next dance was a huge success helped by a raid by Ironia Reelers. Rae Tellefson donated a hand-crocheted cape that was raffled off at our Presidents' Dance in February. Thanks Rae!

Graduates, welcome aboard and congratulations! You have made the first, and most difficult, step by surviving those first months of classes. It gets better the longer you stay with it. The Country Promenaders dance in one of the nicest halls in central New Jersey, close to three major highways that offer easy access. Please mark us on your dance calendar and give us a visit. Our dances through the past holiday season were well attended and calorie intensive. Just before the holidays I had the pleasure of receiving a phone call from Anne Sorenson with an update on how Harry is doing. Anne wants all who sent her husband get well cards to know their thoughtfulness is greatly appreciated. Millie Swearer is on the sick list and missed. Presidents Bob & Grace Bishe said they like the new gold star on our raid banner. Was that an award for outstanding "yellow rocking?"

## CLOVERLEAFS -- Elmwood Park, NJ

(+)

1st Fridays

VFW Hall, 6 Veterans Pl.

We had great dances in December and January with Joe Landi and Al Kaesler calling and with the Tirrells cueing. Many clubs participated and we thank all these dancers for adding to the ambience. Cloverleaves' devoted President, John Huettemann, who is also very involved in other activities besides square dancing, must give up the Presidency after this season. As he said with his usual sense of humor: "There will a divorce if I volunteer again for next year!" The club needs new officers or it will fold. The dances are well attended, but unfortunately, no one wants to take the reign of government. If you haven't tasted the glory of leadership, try it! New blood is needed; contact John. We miss seeing Ruth & Ed Johnson on the dance floor. We understand that they are not feeling too well. To you, Ruth & Ed, best wishes for your quick and complete return to health. We are expecting you soon at Cloverleaves.

## CIRCLE EIGHTS -- Haworth, NJ

4th Fridays

St. Luke's Episcopal Church, Massachusetts Ave.

Hear Ye! Hear Ye! Your presence at Circle Eights 30th Anniversary Celebration made it a huge success. There were 7 squares of dancers and Doc & Peg Tirrell cued rounds. Bill Heyman's imaginative calling and our two guest callers, Dick Mazziotti and Fran Wadel, gave us very lively MS dancing. Also to all our helpers, WE THANK YOU. Circle Eights raided Tenakill Twirlers in January. Everyone had a great time dancing to an excellent caller, John Kaltenthaler. Our students have come a long way since their first class dance together and it's great to see everyone beginning to mix and know each other better. Students get out and square dance as much as possible. We hope you will consider becoming a member of Circle Eights and have lots and lots of fun.

1,3,5 Wednesdays

Coleman School, Pinelynn Road

Spring is here and so are graduations! Congratulations to all the recent or soon-to-be graduates. Welcome to the wonderful, and sometimes wacky, world of square dancing! We can't stress to you enough the importance of dancing regularly to strengthen your new skill. Remember, a number of clubs, including Belles & Beaux, dance in air-conditioned comfort all summer. Newly learned talents need this kind of reinforcement. Belles & Beaux' graduation will be the 3rd Wednesday in April at the Glen High School cafeteria. Join us.

Press time was January so the worst of winter was still ahead at this writing, but our line-up of callers promises to keep us "warm" on the coldest nights. Our spring schedule also promises us an abundance of the joy square dancing can bring! Even though it snowed a few days before our first student dance in January, the weather was beautiful and the dance was well attended, in spite of a big football game. Some were taping the game and didn't want to know the score until they could watch the tape. (We did have a small TV on hand for those who couldn't stand the suspense!) Hopefully the weather will be as kind to us in February and March, not to mention our April graduation. But who thinks about snow in April? The students did very well to the calling of Dick Mazziotti and Andy Woerner in January. Our dances are always fun for the angels too, who flock here to encourage the students. The students see that they are not alone, and there are others who share in their triumphs and "tragedies," though those tragedies are only in their minds, as they soon discover. See our ad for a complete schedule and locations. Our annual Mystery Bus Raid will be held the 3rd Saturday in May. Reservations close on May 1st. This event is always a sell-out, filling 2 buses and this year's promises to be even more special.

We are looking forward to our Graduation Ball the 2nd Sunday in April. Our students have been attending classes regularly. They have also come to our student-level dances and have visited other clubs' student dances. Graduation dangles will be given to all 1991 graduates who attend the Ball. ### WORKING WITH KNITS

Some of my favorite blouses are the ones made out of T-shirt knit fabric. My customers have seen them on me and have asked for them so I've been making them for the "rack". The fabric is warm in winter and cool in summer because it is a nice poly/cotton blend that "breathes" on the body but also has thermal qualities.

A couple of dancers commented that they've tried sewing on this type of fabric but the stitches don't stitch right. They wondered if I had a special sewing machine. The answer to the machine question is - No - I still use my Singer that I bought in 1968. It was the top of the line that year (a Golden Touch & Sew delux zig-zag model 630), and I have had to send it in for repair several times in recent years (because I use it A LOT), but it is just a regular home type, oldie but goody, sewing machine.

The mystery of why my stitches on knit fabrics stitch properly has nothing to do with my machine. The solution to this mystery is in the sewing machine needle you use. You need ball point needles made for knit fabrics in the right size. They make all kinds of needles - for several woven weights, several knit weights, leathers, denim & jeans - not to con you into spending money on unnecessary extras, but to help you do the job the easiest way possible.

And you don't really need a zig-zag machine for these kinds of knits. Most of my seams and even hems can be done on a straight stitch machine. The zig-zag is great if you have it, on rolled hems, such as on the neck and at the bottom hems because you will only have to fold over the fabric once instead of twice.

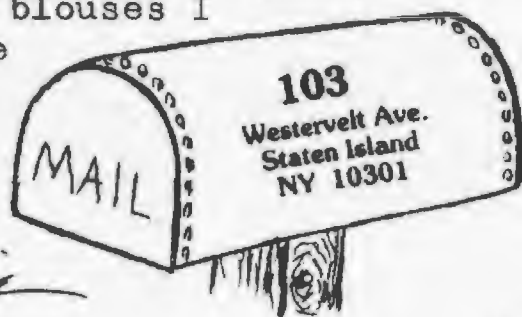

However, some knits stretch out too much when you zig-zag on them. If I'm using that kind of knit then I run a straight stitch around the edge first, then fold over and zig-zag.

You can even buy ready made T-shirts and cut the necks down lower. When I do this, I put the shirt on, mark the lowness with chalk, then take it off, finish sketching my chalk guideline, and, before cutting, straight stitch on the chalk line. Then I trim away the high neck  $\frac{1}{4}$ " above the stitches and fold over and in, and zig-zag the rolled hem.

You can add narrow trims or lace to "feminize" the T-shirt. You can use fabric paint if you're artistic and patient enough. Or you can embroider a fancy edge or yoke design. When I make my T-shirt blouses I make full sleeves with elastic in the hems for that pretty peasant look.

By the way, these are great for traveling, because they fold and pack well without needing a lot of pressing. Hope you'll be traveling to the convention.

*Judie*

The Roundalab Board of Directors has discussed and approved the signing of an agreement with BMI/ASCAP. All of its US Teaching Units will be required to secure a license. Roundalab has recently published an updated series of booklets entitled, "Manual for New Round Dance Leaders" and a "Callers Manual for Using Rounds in Square Dance Programs." Both booklets are designed to help answer the question, "How do I get started?" Included are discussions on the five elements of round dancing, cue sheets and cueing, sound equipment, teaching techniques and progressions with examples of teaching sequences and modules. Each Manual comes with 5 appendixes: the Roundalab Glossary, Phase I & II Booklets, Cueing Guidelines and Sample Exercise Cue Modules. These booklets are available from the Roundalab Office, 3 Churchill Road, Cresskill, NJ 07626-1698.

### PRAYER FOR PEACE

*Dear God, as this war wages in the Middle East, we pray that it will soon be over and that our loved ones will return home to us safely. Please Lord, we pray that there may be peace restored to this troubled land and may we see Peace on Earth in our lifetimes. Amen.*

Legacy trustees were responsible for some of the Education Seminars at the Canadian National Convention in Vancouver last summer. The session titled "The Biggest Problem Facing Square Dancing Today" provided a lively exchanged of ideas with the following food for thought:

- The rising average age of dancers. Are we becoming a geriatric recreation?
- Differing demands of dancers based on wide differences in frequency of dancers' attendance and the challenge for callers to present programs to satisfy all dancers.
- The need for recruitment and encouragement of callers and leaders.
- Programs too frightening to novice dancers and inappropriate help from some angels.
- Uniformity and style both in dancing and dress - a necessity or a handicap?

Other sessions during the Convention included "Our Square Dance History," "The Roll of Legacy in Aiding Your Square Dance Area," and "Mini-Legacies." Trustees Phil & Diane Rutter and Dave & Betty Kendall, of Alberta, spearheaded the presentations and were assisted by Legacy Chairmen, Stan & Cathie Burdick, OH; Doc & Peg Tirrell, NJ; Bob & Becky Osgood, CA; John Kaltenthaler, PA; Brian & Lorraine Murdoch, British Columbia; Mac & Orphie Marcellus, Ontario. It was a profitable international happening. Legacy X will be held in Milwaukee, WI, May 16-19. The theme will be "Square Dancing Rockets into the 90s." Dear Readers,

This issue of **Grand Square** was done entirely by the new computer. We hope you like its new look and, what we hope is, a very readable typeface. Please let us know how you like it. Many thanks to all of you who were so concerned about my company moving to Maryland. I do have a new job, and a very good one at that. However, the overnight delivery address will stay in care of my Mom & Dad. I do have a fax machine right next to my desk though, so you may once again fax your articles if you wish (see page 2 for number). You may fax ad copy to hold your space, but you **must** send the original. A faxed copy is simply not clear enough to print from.

We have a new addition to our staff. Marcia Rubenstein will be coordinating and mailing all our subscriptions. Welcome and thanks!

## \*LINES ABOUT SQUARES by Dick Pasvolsky

Most dancers used the buzz swing and swung much longer in the early club dancing years than they do today, allowing the caller more patter opportunities. Some swing patter:

Swing your honey just a little bit harder  
 Don't look now, there goes my garter.  
 Swing your honey and keep on goin'  
 Your shirttail's hangin' and your petticoat's showin'.  
 Best shirt's hangin' on the old clothes line  
 You swing yours and I'll swing mine.

Some patter served as trailing patter for the grand right and left and leading patter for the promenade, such as:

Big white horse and little red wagon  
 Hind wheel broke and the axle draggin'  
 This one's pretty, that one's sweet  
 Grab the gal with the great big feet  
 And promenade.

Some trailing promenade patter:

Promenade with your pretty little maid  
 If she don't like whiskey, feed 'er lemonade.  
 Promenade on the ole cowhide  
 Like a bowlegged groom and a knock-kneed bride.  
 Promenade and around you go  
 You ain't a raggin' now like you wuz awhile ago.

As I write this article, the fighting in the Persian Gulf is in its fifth day. In light of these events, things are put into a different perspective. Usually at this time of the year I would use this space to encourage people to sign up themselves and their friends for the NJ State Square Dance Convention. However, I would like to take this opportunity to ask everyone to take a look at their involvement in our activity. Having been in this activity since 1972, and having served as an officer for numerous local and national organizations, I have seen a lot of the problems that have confronted our activity and how it has affected the people involved. Remember, this activity is recreation, a hobby. True, there are callers and cuers who depend on this activity for part of their livelihood, but for the most part, most of the people involved in this activity, **are in it for the fun**. I have seen friendships destroyed over club politics. I have seen clubs split apart because of differences of opinion. This is not what square dancing is about. This is not "Friendship set to music."

I would like to take this opportunity to encourage every one of you to become involved with the operation and maintenance of your clubs and your organizations. Support activities such as the State Convention and charity dances to support worthy causes. Remember at all times that this is what you do for fun. When problems arise, reflect on just how important they really are. Sure, things have to be worked out and the problems have to be solved, but do it in a way that does not lose sight of the nature of our activity. When tempers (or ulcers) get aggravated, think of how your problem compares to those people who have family members in the Persian Gulf. Perhaps then your problem won't seem so great and a solution can be worked out to benefit the square dance activity. Remember, our primary reason for joining square dancing was to have fun.

### ROUND DANCE HIGHLIGHTS

Once again the R/D Council had to change its spring festival date, but being able to dance on the wooden floor at St. Aloysius is worth it! It promises to be an overflowing 3 hours of dancing with 14 of our member cuers scheduled to cue.

Last summer 3 of our Council members were given partial scholarships to attend a R/D cuers school. Rick & Rosina Wagenfoffer gave us an excellent report on the four dimensions of behavior which had been discussed at the cuers school they attended. Our most recent scholarship was given to Karen & Greg Kushla, who are planning to attend a R/D college this summer. All the monies from our 50/50, as well as other donations, go into this scholarship fund.

Our Council welcomed another "new" teacher this past fall, Walt & Rowena Sydor. If there are others out there who would like to take the "other side of the mike," please contact any of our members for assistance. All are pledged to help. Congratulations and best wishes are also extended to Janet & Stuart Summers on the birth of their daughter last December.

Recent ROM's include "Dolly" for February and "One Rose Waltz" for March.

**PRINCETON ROUNDS** Rumble, Lawrenceville, NJ - Tues. 201-657-0212

Happy to report that Ron is back on his feet after being incapacitated in January. Due to a mix-up at the Firehouse one evening, we ended up sharing space with a Weight Watchers group. We danced; they watched. Wonder who was using more calories. Come dance/exercise with us any time. Plans for the first part of '91 are to work on "rough spots" in our intermediate repertoire.

**RAMAPO RYTHMAIRES** Tirrell, Waldwick, NJ - Wed. 201-568-5857

On a glorious Sunday in February, we held our annual "Afternoon of Rounds with Doc & Peg." this year's dance was dedicated to Gail & Clete Polk, who've been the mainstays of the club since '61, and who talked us into our first "Afternoon with ..." back in 1973! The Phase III class has covered waltz, cha cha, tango and foxtrot basics and is now working on jive. The Phase IV group has been working on Foxtrot, cha cha and rumba basics and continues to increase its repertoire of dance. We all look forward to Ed & Ruth Johnson's and Nick Raspa's return to R/D. They have been sidelined due to medical problems.

### NEW ITEM: BEAU TIES BADGE!

Designed especially for the ladies who dance either position.  
Available at the Yellow Rock Shop. See ads on pages 11 & 36.

## REFLECTIONS

Raspa, Rutherford, NJ - 201-896-1891

We've been learning how to round dance these many months, that's true,

We may not always get it right or always dance the cue.

You now can see our progress as we join you on the floor,

It's the great fun we have in trying, that makes our egos soar.

We two step, we waltz or sometimes, something we know not how to do.

## ROYALTY ROUNDS

Anderson, Brooklyn, NY - MON. 718-727-5141

We are on winter hiatus until our snow birds return in April. Hope you will join us then.

## TIRRELL TWIRLERS

Just a reminder, all three group are now dancing in the Tirrell's home.

On Monday nights we dance Phase III thru V; Tuesday nighters are working on

Bye Bye Blues Foxtrot. Please call for the Sunday dates for the "You Asked For It" sessions.

## BMI/ASCAP

Where does your club fit in the BMI/ASCAP picture? Representatives from both Callerlab and Roundalab met with representatives from BMI/ASCAP during the fall and early winter months to negotiate a licensing agreement between the organizations. It was determined that it would be less expensive (and thus better for both activities) to secure a blanket license for callers and cuers rather than place the promoters of any dance events in the position of having to seek individual licensing. The cost for a club or other event sponsor to obtain appropriate licenses for just ONE event would be between \$22 and \$30 per dance regardless of the type of dance.

Both Roundalab and Callerlab are requiring 100% participation of ALL U.S. members. The licensing will be effective April 1, 1991 through March 31, 1992. If your callers and cuers are members of Callerlab and/or Roundalab, the club is covered.

## PLEASE PUT IN MORE ROUND DANCE NEWS IN GRAND SQUARE!!!

We've heard this request many times since we became Editors. But we can't report what we don't have. We really need someone who is interested in Round Dancing to be a liaison to the NNJRDLC and to report on the Round Dance world at large.

## LETTERS TO THE EDITORS . . .

Solitaires was formed by this Association over a decade ago in recognition of the need in our area for a singles club. As some of you may remember, the Club flourished for quite a while, but during the past few years began to wane. They could no longer afford hall rental or callers, and were forced to stop dancing near the end of the season. I felt that this need still existed and decided to keep the club alive. A club for single dancers benefits all Association member clubs by providing their single members a place to meet other single dancers and to dance without feeling as though they are a burden to others.

At the last Delegates Meeting it was mentioned that, thanks to the efforts of Dolores Gesumaria, a hall was found in Oakland for Solitaires and their first dance of the season was announced. Two callers and two cuers performed at that dance to give the club a good sendoff. I was to be the regular club caller and agreed to run the club for the time being. At this juncture, a comment was made that since Solitaires had been dropped from NNJSDA membership, they were no longer covered by insurance and that dancers should be careful about attending dances on this account. I am sure that the statement was not made maliciously, but the effect was devastating. At least one club raid was cancelled as a direct result of that remark and who knows how many dancers were dissuaded who would otherwise have attended Solitaires dances (especially the opening dance). Actually, the statement was misleading to say the least. At that first dance more than \$4 million of liability insurance was in effect, as well as property damage insurance. Each of the leaders present were members of Callerlab or Roundalab and carried liability policies with those organizations as well as additional insurance with CCNJ. At subsequent dances, there was admittedly less insurance in effect, only \$2.3 million. I feel that this is adequate coverage. Since there are no club officers, the only responsible parties are the caller and cuer. I do not think there is any risk on the part of anyone attending a Solitaires dance.

As in years past, we **NEED** Solitaires, and Solitaires needs you. Support in the form of encouraging your single members to attend - perhaps even going with them can only be beneficial to everyone. Single class members should be made aware of this group and urged to join. Solitaires is not another club "competing" for your members - it is a utility, a service to you to accommodate your single members and allow them to enjoy this activity to the fullest without feeling compromised by having to rely on other couples splitting up to dance with them or hope that another single dancer shows up.

Dances have been scheduled on occasional Sunday afternoons from 2-4 PM. I have been careful not conflict with any other club's time slot and have tried to avoid special dances scheduled such as student dances. Our schedule is among your flyers. Please make your club aware of us, and support **YOUR** Solitaires.

Dear Mr. Kelly:

Mary Schulien and I take exception to the statement on page 3 of the January 20, 1991, minutes of the NNJSDA, wherein you state: "We must welcome new dancers and not exist as 'invitation only clubs'." If you are referring to Ramapo and Montville as being "invitation only clubs" you are wrong. Anyone able to dance the level has always been welcome -- the same requirement that exists in clubs of all levels.

The Lloyd Shaw era callers usually started a tip with introductory patter, such as those in the opening lines of this piece, and closing patter to wrap up the tip. Some other examples of opening patter:

Pick up the tail chain, throw in the sprague  
 Whistle at the nipper and watch us rag.  
 Crack the whip and jerk the line  
 Let's all start dancing and have a good time.

Some patter used to end a tip:

Ladies, salute your gents  
 Lock horns now arm in arm  
 Start up the trail, drift two by two  
 Refreshments have their charm.  
 All to the middle with a whoop and a holler  
 Now the girls come up and kiss the caller.

Most modern callers slip a few of these colorful lines into their patter, especially in some singing calls, but, for the most part, extended patter has gone the way of the somewhat elongated routines or dances popular 30 or 40 years ago. So . . .

Thank you folks, I've had a ball  
 Hope you have too -- kenno, that's all!

Our annual Halloween weekend festival was a big success with about 200 dancers, including over 50 guests from out of town. The caller for the weekend, Mike DeSisto from Seattle, WA, did a really fine job, providing 4 high-energy dance sessions. About half the dancers got into the Halloween spirit and dressed accordingly for the Saturday night dance. Some of the costumes were, well, quite interesting. We all had such a good time that we've already begun planning for next year. Our 2nd Annual Ron Libby weekend in January was also successful. We were particularly pleased to see some of our dedicated friends from Philadelphia, Baltimore, and Washington who were not deterred by the heavy snow, which made travel somewhat difficult. The Friday evening Class & MS dances and the Saturday evening MS & Plus dances each attracted about 10 squares and we had about 4 squares for the Saturday afternoon Advanced dance. Guest dancers are welcome at all of our events, singles as well as couples, and casual dress is the norm. We look forward to dancing with you.

1 &amp; 3 Thursdays

First Unitarian Church, Exit 12 Palisades Pkwy.

In case you haven't noticed - WE'VE MOVED. After getting over the shock of realizing the Health Center doesn't love us any more, we are settling in at our new, comfortable home. Actually, we were not the only ones kicked out of the Robert L. Yaeger Center. I understand all outside interests were told to go, something about their resident recreation program. The First Unitarian Society of Rockland took us in. The new dance hall is much easier to find. Just come up (north) on the Palisades Interstate Parkway to Exit 12 and you are looking at us. The Church is right at the end of the exit ramp; how easy can you get? Come on up and see us sometime.

1,3,5 Fridays

Am. Czech. Farmers Club, Rt. 130 &amp; Hankins Rd.

With St. Patrick's Day here can spring be far behind? We'll all have a bit of the Irish in us for our 3rd Friday in March dance. The 1st Friday in April is our "Welcome Spring Dance" (see our ad). We would welcome any clubs who wish to raid us and will guarantee a good time for all. With spring comes the graduation of our square dance class in May. We will have a pot-luck dinner as we celebrate and encourage them to try their new skills. Feel free to join us for any of our dances on the 1st and 3rd Fridays for some Plus program squares and rounds. Call Gordon & Barbara Jacobson for information, 609-799-1987.

**ATTENTION KNITTERS**

There have been many stories about the plight of thousands of orphans in Rumania. They are cared for under extremely poor conditions in government-run orphanages. Two or three babies share a crib and supplies are desperately needed. Recently, while I was on vacation, I was discussing this situation with a woman from England who is also a knitter. She told me of a group of women in her town who have decided to provide handknit blankets for these little ones using leftover yarn that often goes unused. One of her friends has agreed to sew or crochet the handknitted squares into blankets and then send them to Rumania. I offered to knit some squares myself and ship them to England. I hope you will be willing to help me out by knitting a square or two. I will even provide you with left-over yarn if you haven't any. You may use any size needles and yarn weight but the square **must** be 12" x 12". Please use garter stitch throughout so the square will lie flat. Following is a pattern you can use:

12 " x 12" Square: worsted weight yarn (approx. 144 yards); size 8 needles  
 Cast on 45 stitches. **Knit every stitch of every row** until the piece is 12" long. Bind off. (That's all there is to it.)

My goal is to send 50 squares to England and I would appreciate any help you can give me. Please call me when you are done and I will arrange to pick up the squares. Thank you in advance for your help on behalf of myself and the orphans of Rumania.
