*From the desk of* **DICK & SHIRLEY WHITE, NNJSDA PRESIDENTS**

Although it was hot this summer, an average of 23 squares were cool and having fun, in the air-conditioned halls on Wednesday nights at the NNJSDA Summer Dances. Those dancers who attended the Warm-Up Dance also had a great evening.

Congratulations to Y Squares for winning the attendance award for the 1991 Summer Dances. The NNJSDA Executive Board is planning to attend one of Y Squares dances to present them with their well-deserved award. Richmond Dancers is to be congratulated also for their fine support. Their attendance was very close to Y Squares. We are pleased to announce that 43 dancers received their Freeloader Awards (names on page 5). We would like to thank all the dancers who supported the NNJSDA Summer Dances in 1991.

Congratulations to the following clubs for attaining the "One Square is Fair" Award for the 1990-1991 dance season: Cross Trail Squares, Ironia Reelers, Lakeland Squares, Richmond Dancers, Valley Squares and Y Squares. The NNJSDA Executive Board will be presenting these six clubs with their awards at the November 30th, Chuck Stinchcomb Special. In order to receive this award, a member club must have at least one square at the Mini-Festival and all NNJSDA Specials. Wouldn't you like to help your club receive this award next year? You can make a difference. We would like to see the number of clubs receiving this award to double next year.

We would like to suggest the key word of the 1991-1992 season should be:  
**SUPPORT.**

Support Classes:

Be an "Angel" and support the students; be enthusiastic, cheerful, helpful and friendly.

*Presidents' Letter continued from page 3*

Take your new friends from your class to student-level dances.

Encourage them.

Support Your Club:

Support your officers; give them praise and help.

Attend dances.

Participate in raids.

Volunteer to help.

Bring refreshments when asked.

Support Your Association:

Attend the student-level dances.

Attend the NNJSDA specials.

Attend the NNJSDA summer dances.

Support Other Clubs:

Attend dances sponsored by other clubs and invite their members to attend your club.

What will be the results of your **support**? You will be the winner. You'll have fun and friendship and be a great dancer. Your club, other clubs and your Association will be stronger. **Support**, let's do it.

A few random thoughts before closing:

1. Are you smiling in your square?
2. Do you clap for the caller and cuer?
3. Why are dancers leaving before the dance is over?
4. When was the last time you thanked someone for giving you a great dance (caller, cuer, president or other officer, refreshment chairmen, someone who helped you in a square)?

Although it is somewhat premature, we wish all of you a joyous Holiday Season, and a New Year filled with Peace and Joy.

*Dick & Shirley White, Presidents, NNJSDA*

'ONE SQUARE IS FAIR'

ONE SQUARE (OF DONORS) IS FAIRER!

The NNJSDA is sponsoring a **Blood Drive** on **Sunday, January 19th, 1992**, in conjunction with the Delegates' Meeting. Donations can begin at **12 noon**.

This is the one and only time during the year that we ask you to give blood - even though there is an on-going need all year long. The holidays will be behind us, so you won't feel pooped out. This is the one "bank" that we need to keep full to overflowing!

The Association gets a good turnout for its dances with the slogan, "One Square is Fair," so our goal for the January Delegates' Meeting is one square of donors (or more!) from each club is fairer. That's only **eight** people - surely there are lots more in each club who are eligible to donate. The guidelines are: donors must be between 17 and 75 years of age; weigh at least 110 pounds; and not have given blood within the past 56 days. **TAKING PRESCRIPTION MEDICATIONS DOES NOT NECESSARILY EXCLUDE YOU FROM BEING ABLE TO DONATE BLOOD!**

If you have any questions, or would like to discuss how you can donate elsewhere and still give credit to our bank (number 9192), give me a call at 718-727-5141.

Donna Anderson, Blood Bank Chairman

Hal and Florence Margo, 1st V.P. NNJSDA

August 28, 1991

Thank you all!!!

We thank all of the Association dancers and friends for their cards, flowers, best wishes, and prayers. We especially thank those of you who helped with many of our duties during the summer. It has been a difficult summer for us but we are progressing and hope to be dancing soon. Your support really helped.

Love, Hal & Florence Margo

**NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION  
MINUTES, DELEGATES MEETING, SEPT. 15, 1991**

Meeting called to order by President, Shirley White at 1:30 PM. Executive Board members present were:

Dick & Shirley White, Presidents	Sal & Mary Alessi, Rec. Secretaries
Hal & Florence Margo, 1st VPs	Charlie & Kathy Porter, Editors
Ray O'Neill & Joan Daniels, 3rd VPs	John Aquino, Advisor
Jean Koenig, Treasurer	Jim & Joyce Kelly, Past Presidents
Gus & Marilyn Bachman, Asst. Treasurers	Fred & Kathryn Hill, Insurance Comm.
John & Joan Berg, Corr. Secretaries	

Shirley opened the meeting by welcoming the Delegates to the first meeting of the 91-92 season. Dick asked for a roll call of the Delegates. Two clubs were not represented: Dingman Dancers and Leisure Squares. Besides the delegates and alternative delegates of 35 member clubs, there were 13 club presidents in attendance. He then asked for approval of the minutes of the Delegates' Meeting of April 21, 1991. A motion was made that the minutes be accepted. Motion carried.

**OFFICERS' REPORTS:**

**Treasurer's Report:** Balance as of 9/15/91, \$5,634.72. Report filed for audit.

**1st VPs:** Summer dances a success. Attendance between 20-30 squares, with greater attendance at St. Aloysius in Caldwell than at VFW in Iselin. Y Squares won the Attendance Award by a small margin over Richmond Dancers. Freeloader cards were given to 43 dancers. Warm-up Dance had 13+ squares. **NNJSDA Special on Nov. 30, 1991 with Chuck Stinchcomb & Rich Lock calling/cueing at Bloomfield Middle School, Huck Rd., Bloomfield, NJ.** Flyers distributed at meeting. Hall rentals were arranged through next summer. Rental costs have gone up by \$25 per dance.

**2nd VPs:** (Read by Presidents) Packets containing questionnaires were sent to class coordinators on May 9, 1991. Preliminary listing of classes has been compiled based on information received. Mid-term class-level dance will be held at St. Aloysius in Caldwell on Sunday, Jan. 26, 1992. Flyers have been prepared and will be distributed to the class coordinators in their vicinity. Len & Joan Anfinson are planning the Education session for the next Delegates' Meeting in Jan. and are sending personal invitations to them to attend this meeting.

**3rd VPs:** No report. They have two samples of publicity releases that should be picked up by a club representative if they were not picked up during the summer.

**Rec. Secretary:** Received 6 requests for clearance for special dances; wrote 2 letters in reference to inquiries as to what our activities are; received 2 requests for new club memberships; and a request for a change of dance night.

**Past President/Mini-Festival:** Mini-Festival to be held **Nov. 17, 1991, 2:00-9:00 PM.** Callers: **Tony Oxendine & Mark Franks;** cuers: **Al & Gale Spinks.** Square dance shop will be **Twirls & Swirls.** Dance to be held at **Bridgewater/Raritan H.S. East, Foot Hill Road, Bridgewater, NJ.** Registrars: Norman & Audrey Bolin. Club delegates should coordinate ticket sales through their respective clubs. Asking all Association member clubs to participate in free club door prize drawing. Clubs are requested to send free ticket for their club dance to Norman & Audrey Bolin.

**Advisor:** No report.

**Grand Square Editors:** **Grand Square** was distributed at the Warm-Up Dance. Next deadline is September 17th. That is the map issue. They need 3" x 3" map. Map issue will be extended to non-member clubs.

**Education:** Dick announced that this year the Education hour is going to be included in the meeting. The Officers of the Association will be presenting the Education portion. The January meeting will be on class coordinators and presented by the 2nd VPs. The April meeting will be about **Grand Square** presented by Charlie & Kathy Porter and their staff.

The theme today is "The NNJSDA & You, Perfect Together," given by Dick & Shirley White, Presidents. In this equation, the delegates and presidents of the clubs are the "YOU" and the officers of the Executive Board are the "NNJSDA." Dick had the delegates pass out an oar through audience. He then asked them to imagine themselves in a boat with just one oar rowing the boat. He concluded that the best that they could do would be to go around in circles. If the boat were the NNJSDA, it would not go forward. He then handed out wooden ice cream spoons

to the Executive Board and asked them to imagine that these spoons would grow into oars when they hit the water. The Executive Board would not go very far alone. He then handed out the wooden spoons to the delegates. He then concluded that if we all have the same size oar and we all dip in together this year, the Association will blossom and go forward.

Shirley asked, "What is the Association? What is your role in it?" All of us are the Association. You are the officers, dancers. Just like everyone else volunteering some of your time to try to make square dancing better for all of us. What do the officers of the Association do? They sponsor special dances and try to have callers and cuers some clubs can't afford. In that way we can dance with the best callers and cuers that are out there. The Association buys books for the students to learn. They sponsor special student dances. Diplomas and packets that give them information about dancing are distributed to the clubs sponsoring classes. They help clubs with publicity, advertising on radio and television and in **Grand Square**. They help you find dances in the area so that you can dance wherever you please. They have a Blood Bank; Donna Anderson will discuss later. State Dress is a green vest over a white dress for the woman and a green vest over a white shirt and white slacks for the man. This should be worn as required indicating that you are from NJ.

How can you help? What can you do to make square dancing better? Delegates should attend meetings and disseminate information to their clubs. Support the Association with "One Square is Fair" (one square for each event that the Association sponsors). Dick said that attached to the Agenda is a list of the Delegates' responsibilities, which was revised as of 9/15/91. He went over the list with the delegates. Also attached to the Agenda was a list of clubs assigned to help the 1st and 2nd VPs at the Association functions. Dick mentioned that the Booster Drive for **Grand Square** will be discussed at another meeting. He cleared up a misconception that the Booster Tags are \$1.00 per couple. He corrected this and informed the delegates that it is really \$1.00 per dancer. The purpose of the Booster Drive is to support the **Grand Square**. Some clubs are raising the money for the Booster Drive by collecting it with their dues. This is the club's prerogative, but it is the duty of the delegate to sell the Booster Tags in order to collect \$1.00 per dancer.

Dick stated that the club president is responsible for reporting any accident to a person or damage to property and gathering any information about the incident. He said that included with the insurance package is a form to report claims against the club or against the property where the dance is held. If you have a problem with injuries or damage to a hall, it should be reported immediately to the Association. Fred will go into this later in the meeting.

#### **COMMITTEE REPORTS:**

**Audit Committee:** Fred Hill announced that Leon Smith, C.P.A., volunteered to audit the books. The books are in order and accurate for the fiscal year June 1, 1990 to May 31, 1991.

**Insurance Report:** Fred Hill stated that it is very important to report claims. We have a \$1 million insurance policy for bodily injury and property damage. The insurance protects dancers for medical payments of up to \$1,000 times a factor of 10 (10 people injured at one time). At the time of an accident, get all the information possible. Forward it **Immediately** to Fred & Kathryn Hill, the Insurance Coordinators. If for some reason you are injured or if there is any property damaged, you are protected by our insurance. Fred said he and Kathryn would hand out the applications at the end of the meeting to the delegates. The insurance premium is paid on the number of regular and special dances that each club holds. The students at the classes are automatically covered, at no additional charge. A new feature of the policy is that it covers the dancers if alcohol is served at an activity. If you have an activity of less than 4 days duration, you are covered.

**SDCNJ Liaison:** Norman Bolin announced that the last meeting was held in January 1991. Since then, they had the Convention. The next meeting is October 12, 1991. Norman & Audrey will not be able to attend. Jim & Joyce Kelly have volunteered to take their place.

With reference to the Mini-Festival, Norman & Audrey are the Registrars. Norman thanked all the delegates for picking up their packet of tickets and flyers for the Mini-Festival.

immediate family is covered. We have to have a minimum of 50 units of blood a year donated. It was pointed out that Ray O'Neill and Bill & Donna Anderson have donated gallons of blood.

**LIAISON REPORTS:**

**CCNJ:** Dolores Gesumaria reported that they had met on June 8th and September 14th. They are interested in publicity for square dancers. Discussion about having a callers' class. They meet 4 times a year. Dolores will accept any questions to bring back to the next meeting.

**NNJRDLC:** Ron Kapnick and Ruth Edison reported that the first meeting will be September 29th. No report to submit.

**Scholarship Awards:** Dick & Shirley presented Brian Fugere, President of CCNJ, and Ruth Woerner, Moderator of NNJRDLC, with checks for the scholarship donation. Ruth announced that the new moderator was Dave Roberts.

**NJ License Plates:** Frank & Helen Cavanaugh stated that yes, we are going through with the license plates for square dancers. We need 500. We now have 200 from the state and 100 from the Association. We need at least 6 couples from each club in the Association to purchase license plates.

**OLD BUSINESS:**

**BMI/ASCAP:** Took effect as of April 1991. Dick stated that he has a tape and booklets that he and Shirley brought back from the Convention. If anyone would like to see them, they should let him know. Attached (to minutes mailed) is a copy of the CallerLab questions and answers, also a sample contract.

The recommended language is part of the sample contract. Clubs should protect themselves by checking their present contracts with callers/curers.

Shirley displayed the NJ Banner, the plaque and photographs that were taken at the NSDC in Salt Lake City.

**Square Dance Tape:** Local TV station in Summit asked if we could get involved in producing a tape on square dancing and a group from Valley Squares, Y Squares, Harmony Dancers and a couple of dancers from Colonial Squares made a 30-minute tape with John Kaltenthaler calling. John discussed the history of square dancing and talked to the dancing couples. It has been shown on Channel 36, Summit and Berkeley Heights area starting in May, going all summer. It was on Suburban Cable TV in the Essex Union Area, 3 times in Sept. on Channel 32. Richmond Dancers had it on their access Channel four times. Dick & Shirley have a copy of the tape, if anyone is interested.

**DISBANDMENT OF CLUBS:**

Dick was sad to announce the disbandment of the following clubs: M.T. Squares, Colonial Squares, Montville Squares and Cloverleaves. Two were Challenge clubs and two were Plus clubs. There are no Challenge clubs in the Association. We are now down to 35 active clubs in the Association. Colonial Squares is now a caller-run club.

**NEW BUSINESS:**

The Association has received two applications for membership. D & H Dancers, dancing in Middletown, NY, were represented by Presidents, Connie & Don Kimble, as observers at the meeting. Hunterdon Flutterwheels, dancing in Flemington, NJ, were represented by presidents, Massimo & Don Elliott, at the meeting. The 3rd VPs will be visiting both clubs. Both clubs will be informed at the January Delegates' Meeting as to the status of their applicatons.

**CONVENTION DISPLAY:**

Shirley requested each club to give the Association something for the display at the NSDC and NJSRDC. We are going to start a scrapbook and each club will be allotted two pages, which could include snapshots or anything else that shows the activities of the club. These items should be given to the 3rd VPs.

**LUST, 1992:**

At the Executive Board Meeting there was a discussion about a change of the date for LUST. The Board looked at last year's LUST and for the amount of time, effort and expense that went into LUST, not only by the dancers who attended, but the officers and presenters, the Board felt that it should be moved to the 1st Sunday in October (**October 4, 1992**), the reason being publicity. By moving it to the first Sunday in October, we then would have had a Delegates' Meeting that, gives us a larger audience to disseminate information about the event. 1990's attendance was good, but it could have been a lot better. The Association puts on LUST for the current officers, would be officers and for the dancers. The program can be better publicized by that time.

Al'e'Mo Squares had a very successful summer dance program. We had some excellent guest callers and lovely dancers from visiting clubs. We look forward to a great fall/winter season. At this writing, we are preparing

for our September Open House for prospective students. If it goes as well as our June Open House, we should go into the new season with a very substantial student class. This season we intend to increase our extra-curricular activities, i.e., more raids, demos and theme dances. Please watch for our special flyers.

It has been a very busy summer for the Bee Sharps and it is hard to believe that it is over. Our summer dances were well attended and

everyone seemed to enjoy the nice cool air-conditioning and the beautiful wooden floor. Our thanks go to Olga & Ted Pichnarczk for finding this location for our summer dances. We also danced a demo at the "Little Red Schoolhouse" in Branchburg. Dan Koft called and the dancers were the Davis', Irma Huhn, Kings, Koehlers and Joan Spagnola.

The Bee Sharps are very happy to have President Irma Huhn back dancing with us again after an illness and 5 weeks in the hospital. Welcome back!. We really missed you! Also on the sick list is Bill Sobolewski, who is recovering from major surgery and we hope it won't be long until Bill will be back on the floor again.

We're proud of our 1st VPs, Margaret Guyre and Hugh Thornton, who collaborated on the winning design of this year's NNJSDA Poster Contest. The Raid Chairpersons are Dave & Lenora Libeskind, always much involved in club affairs. Open

House in September was a big success with teacher/caller Dick Mazziotti.

Larry Davenport is our Official Club Caller; great to have him aboard. Bob & Lyn Terry attended the NSDC along with former B & B'ers Herb & Doris Nuber. Summer travel took Jim & Pat Broderick on a trip "down under" to Australia, and Marion Meyer's tripping down in CA caused a fractured hip bone. Husband Fred's TLC is working wonders and we hope they'll soon be squaring up again.

When this report was filed, Circle

Eights had not yet started to dance. I

have met many dancers from Circle

8s and other clubs who were ready to

start dancing again. We attended the

Delegates' Meeting in September and

the feeling I got from the meeting and the Delegates is that this year will be a

very good year for dancing. This reporter went to Vermont and Georgia this

summer where I had a chance to square dance. I enjoyed myself and found the

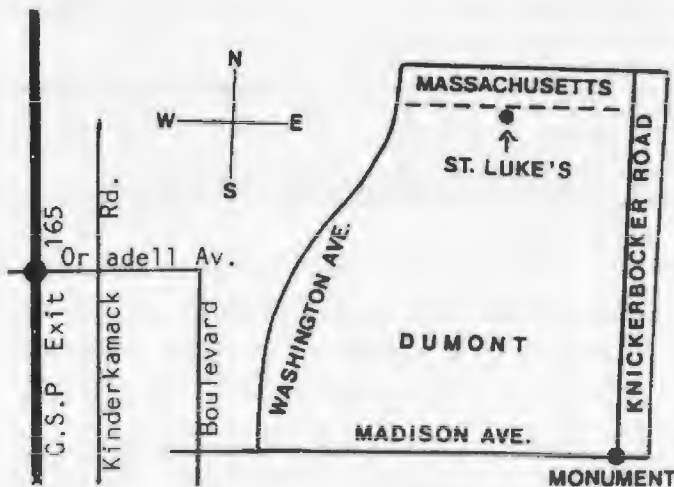

dancers as friendly and as good as here in NJ. Here's hoping to see you and

dance with you at Circle 8s this coming year.

Could it be possible? Another holiday season is here? Sight callers must hate the holidays with all those red & greens. Clara & Bill Sobolewski

have been having a couple of trying years. Last year it was Clara who was off the dance floor; now we hear Bill is recovering from serious surgery. Our past presidents, Mary & Joe Kapeck, came back from FL for a visit in August and we danced with them at an NNJSDA Summer Dance. They said they love it and have found lots of places to dance in their area. Chairpersons of the Five Club Summer Dances, Hal & Florence Margo, have danced with the Country Promenaders for years and their health problems just kept coming this summer. Our best wishes to them for a better year in 1992. The Country Promenaders wish all our square and round dance friends a joyous and happy holiday season and a healthy and prosperous New Year.

A special thanks to Dick and thanks to those who danced.

This year Frank Zintl, Jr. will be the drum major for the Nutley High School Band. Congratulations Frank! We would like to acknowledge that several of our board members reached the half century mark this summer. Also a special congratulations to Fran Cashill on the birth of her great-grandson this summer. That's wonderful, Fran!

to Bob Mitchell, our very capable club caller. Many signed up for classes as a result of the evening. Classes began under the capable guidance of Ruth Edison & Ron Kapnick, Class Coordinators, and Head Angels, Mary Jane Edmunson & Rich O'Keefe. The class caller is Herb Conklin. A surprise visit from past presidents, Joan & Leo "Yellow Rock" Pruner, added to the fun-filled evening. A "Crazy Bow Tie" dance in August was our grand finale for summer dancing. Mary Ann & Paul Gosch sported real wild bow ties. They wore

linen place mats complete with napkins and silver spoons, knives and forks. Joe Billadello was very creative with a big bow tie made from cardboard and decorated with a collage of address labels and assorted wildlife stamps.

We moved back to our winter quarters at Dingman Delaware School and held an Open House Fun Night in September. Good luck to our new officers for '91-'92. Happy Thanksgiving, joyous Christmas and a New Year filled with good health.

Were you there on August 25th? Don Coy was expected, but when he did not arrive by 7:30 PM, Jim Broderick drove home for equipment. Oddly enough, we had 3 callers on the premises, each of whom had arrived in their spouse's car (no

equipment!). Don finally arrived, having been held in traffic 3 hours, and kindly extended his calling until 10 PM to thank the dancers for their patience.

Deadline falls on our Open House date. We anticipate a large crowd and hope to have a sizable class and begin classes on October 2nd in Saddle Brook. Our schedule indicates our regularly scheduled dance on November 17th and at this writing we are **NOT** planning to cancel. As always, if you are traveling any distance, it's a good idea to phone to confirm.

The new dance year has begun under the capable leadership of our presidents, Leo & Corinne Eckmann. Our dance schedule features guest callers and cuers. A Round Dance Special, scheduled for the 4th Sunday in January, features Ron & Ree Rumble. During the fall, our club provided demos in Winfield Park and St. James Church in Springfield. Our class has begun with Richie Rich as our instructor. But the highlight of fall is seeing the friends we missed over the summer and catching up with the news.

Congratulations to Kate & Jim Malcolm on the birth of their first grandchild! We welcome last year's class to active membership. Several members of the 1991 graduating class became freeloaders! They're great dancers. Our raid chairpersons are planning to keep our "dining and dancing club" on the move visiting other clubs. We hope to see many new friends at our dances. Please check the schedule for the correct hall.

Three couples from Hi Taw Twirlers, Fanny & George Meyer, Gloria & Leon Smith and Sandy & Bernie Beck, attended the Montreal Regional Convention in August. They had a wonderful time with plenty of dancing and sight seeing.

We're looking forward to dancing again with Marion Meyer, who hurt her leg. We miss her.

Good luck to the new club, Rockytops. A lot of Hi Taw members are dancing with you. You have a good club.

We are continuing the all-position dance (APD) workshops. Andy Woerner taught creatively and helped everyone improve their dancing. Attend! You'll learn a lot, sharpen your skills and enjoy yourself.

Hello everybody! Dick and I are the new reporters for Hix & Chix. So if we come up to you and say, "What's happening?", think news!

We had an exciting summer starting with the parade in Elmwood Park, organized by Gloria & Bob Wyman; the July dance with Joe Fioretti; Dalt Young and his little furry friends; the magnificent combination of Glenn Matthew and Al Spinks packing the club with 14+ squares. August brought Bill Wagner and his lovely cuer wife, Joan. Hawaiian Night was grass skirts, colored leis, pineapple chunks and Al Kaesler. Our yearly special with Randy Dougherty packed the hall with 24 squares. Now to concentrate on our MS class.

We are looking forward to a new and exciting year of square dancing. We hope to see many new students in our beginners' class.

Several club members, namely Chet Fulmer and Hughie & Livia Malanaphy, attended a square dance

at Lincoln Center this summer. Three cheers for Anthony & Geraldine Signoretto, who attended all the NNJSDA Summer Dances and received their Freeloader dangle. They attended these dances with devoted angel, Andy Fioriello. Good luck to Lee Fairclough, who has moved to NJ. Come visit us often; we miss you already. We're back on the square dance track after a great summer. Not that some of us weren't active during the hot weather. We participated in a dance at the 4-H Camp in Stokes State Forest; braved the heat and humidity at the Sussex County Fair

and had a wonderful picnic at Chuck & Donna's (our presidents) home. September opened with Larry Davenport calling for our first dance of the season. We are also continuing our very popular "Plus Workshops." Early in the evening, two calls will be taught and then practiced throughout the remaining dances. A demo was held the very next evening for Parents Without Partners, and Larry called again. Classes start soon and we're hoping for an enthusiastic group. We're off to a good start! Come dance with us soon!

Despite the unexpected glitch of having to switch our beginner's class from Wed. to Thurs. night (same venue), we now have another year of superb dancing, fun and fellowship in full swing! We hope all our current

and potential Angels will be able to make the switch; we need your support. Our Annual Picnic was its usual blast, as was our Welcome Back Dance with Dick Pasvolsky and Al Spinks (12+ squares despite the heat).

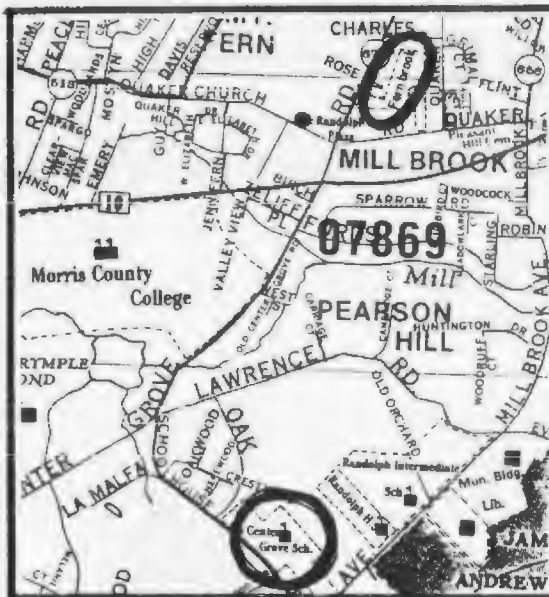

It was such a pleasant surprise to see our former presidents, the Fords, this fall when they dropped in for a dance while visiting the area. Retired life in FL is definitely agreeing with them. Congratulations to Herb & Bert Conklin on their recent 50th Wedding Anniversary. Lakeland members thoroughly enjoyed being able to help them celebrate such a momentous occasion. And to Bill Parkins, we send our best wishes for a speedy recovery from both recent and impending surgery. We know you'll be back on your feet and dancing with us again in record time!

It's hard to believe that the holidays will be upon us shortly. Lakeland members would like to extend Holiday Greetings to one and all and wish them happy dancing and a happy, healthy and peaceful NEW YEAR.

In August, the Merri Eights performed at the Middlesex County fair in East Brunswick, as they have for many years, and had a wonderful audience. In September, almost 5 squares participated in a Barn Dance, sponsored by the club to raise money for the John Snyder Memorial Fund. John Snyder was a 1983 graduate of Spotswood High School who died in the Persian Gulf during Operation Desert Storm.

Beginner classes are being held on Wed. evenings with Dan Koft. We are busily planning our Toys for Tots Dance in December and our gala New Year's Eve Dance featuring Sam Lowe (SC). Details and flyers will be forthcoming.

Isn't the beginning of the new dance season exciting? We look forward to meeting up with friends who have been away on vacation and sharing news of places visited and dances attended in other states. Perhaps we might even hear news of former club members who have relocated! At Mountain Squares, we have been busy dusting off our (rusty?) dancing

skills and catching up with Joe's ever-changing choreography. Life seems to be dominated by the seasons and now we are looking forward to the Holiday Season and all that it promises. The members of Mountain Squares wish you "Happy Holidays" followed by good health and lots of enjoyable dancing in the New Year. Remember, the welcome mat is always out at Mountain Squares!

The writing of this bulletin finds that summer has just ended and a new dance season is about to begin. The staff of Ocean Waves has been busy at work all summer long to bring you what we hope will be a very exciting year. We have created a variety of dance themes and have hired several different callers to give all dancers both variety and a challenging evening.

Please check out our **Grand Square** ads and/or our flyers. We look forward to seeing you. May we also take this opportunity to wish everyone **HAPPY HOLIDAYS.**

Off and running (well, maybe actually dancing) this fall with demos for crowds at the Hamilton Township Septemberfest (4 squares), open house and classes on both Mondays and Thursdays, full floors at MS and Plus on Wednesdays and Fridays, Rounds on Tuesdays, and we'd rest on Sundays except for all those special dances! John Carlton, our indefatigable caller and teacher, is retiring from serving Uncle Sam and will move to North Carolina the first of the year. John & Toni have the best wishes of all of us as they promenade into the southern sunshine.

We've had many visitors to our Plus dances, who are always welcome, and great callers including: John Carlton, Larry Kinnard, John Kephart and a Special International Night with Manny Amor. Our Plus class/workshop was held all summer on Monday nights. Many dancers learned the Plus moves while some angels reviewed the tricky moves. Our MS dances this summer had lots of visitors due to our A/C and many of those visitors were Plus dancers who came because we have so much fun. Happy Holidays to all!

See Isle Squares

Our Dessert Dance was a GREAT success, 14+ squares and 14+ pounds also. There were many "Ole" dancers present, sporting their familiar smile, among them were Ethel & Ralph Manee. Missing though were long-time members, Floyd & Fran Miller, who have moved to San Diego,

CA. We all miss them very much and wish them happiness in their new home.

Richmond Dancers has given their full support to the NNJSDA "One Square is Fair" program every year since its inception. In most cases, 3 squares or more of Richmond Dancers are present. Will each member consider the need for blood? (Editors Note: see page 5 for details on the NNJSDA Blood Drive.)

Our hearts and prayers go out to Josephine Greco and her family on the loss of her husband Joe. Mike Crisham is ill and I ask each of you to remember him in your prayers.

R.I.O.S. Student Classes began in September with 56 prospective students. Led through their first few dances by instructor Don Coy and Line Dance Teacher Lois Bichler, classes were dismissed early because high humidity caused the floor to sweat and it became too slippery to dance. I am sitting here in 90 degree heat and I have to wish you the best of health, much love, warmth of family and the energy to get you through the Holiday Season. May God Bless each of you... Several Promenaders had a great time at the DeVal convention at the end of Sept., including Marianne McDermott and Kevin Harris, who were married the next weekend. We wish them many years of happiness.

Rutgers is planning on having a set of lessons, only we will start them some time in December, so we will be able to take late starters. Plans still aren't finalized, so you might want to check with us to be sure. Long-time Promenaders Dan Koft and Karen Kushla will now be sharing calling and cueing duties with the Gottas (giving Betsy and Roy a chance to dance with each other) and Dan Cox will be helping Betsy with lessons. We all look forward to dancing to everyone this year.

See Saws started the new season with a bang. Our opening MS dance in Sept. with Burt Schain at MS was a great success. There were a ton of new dancers who enjoyed dancing with the "old dancers". I was the only one to object to being called an "old dancer". I admit I can't move as fast as the "kids," but ...

Joan Schierlitz & John Occhipinti danced their way to FL and back in August. They brought regards from Ray Turcotte (Newport News, VA) who used to call at Western Wheelers and had homemade ice cream with Swamp Fox Squares in Marion, SC. The Foxes challenge See Saws to beat the choices of ice cream: strawberry, peach, and pineapple/orange, ALL HOMEMADE. I hope we can meet and beat the Foxes at our next ice cream social in June.

We started our year with a large number of people at our Open House and hope to have a good class. We have a young couple as our class

coordinators, Sue/Rich Valenta. I'm sure they'll keep us young, too. Our first dance started with a bang! - the hottest day of the year and Ray Lehberger didn't show up - our thanks to Bob Robinson for filling in. We also found out that we had to find a new hall to dance in - so, it's the Wayne Civic Center for both dances and lessons.

We have another young couple as our presidents, Diane Kasper and Paul Hartunian. Paul does the announcements and Diane stands by looking pretty. We have a new format - MS with a + workshop and a + tip. Don't forget our new Monday dance location: Wayne Civic Center, Hamburg Tpk. at Church Lane, near Burger King. Come and join us - you'll be glad you did. Doris Douglas is undergoing cardiovascular surgery. It is expected that the operation will give her back her do-si and take away her dough!

On a sad note, we wish to express our condolences to the families of Tom Blaine, son of Matt and Beverly Blaine, who was killed in a biking accident; and to the Gamarro family. Tito Gamarro was a former Staten Square member and Ocean Waves dancer.

The Sussex Spinners lost their use of the school during the summer. We have been searching for a new "home." We have just now received word that we can use the Long Pond School, located on Limecrest Road in Andover, NJ. We hope many will

make the effort to find us and help us have a really good dancing year. The Spinners did their usual demo at the Sussex County Fair. We had a good turnout of dancers and a lively audience.

We are glad to report that our good friend Andy Lertora is recovering nicely from some hip surgery. Our best to you, Andy. Andy is an Honorary Life Member.

Welcome back square dancers, new and old. Hope you had a great summer and were able to get to the air-conditioned NNJSDA dances. We are all going to miss Doc and Peg Tirrell cueing the round dancing. New Jersey's loss is Vermont's gain,

but we hope they come back to visit us when they are in the area. Smiling John Kaltenthaler will be back with us, having as much fun calling as we do dancing. We have a full fun-packed season coming up (check our ad) and we especially want YOU to be dancing with the Tenakill Twirlers.

Some of our recent graduates enjoyed a day at Culver Lake, thanks to the hospitality of Alice & Norman Lausten. Boat rides, bocce, swimming, and good eats were the order of the day. A grand time was had by all. Labor Day weekend was celebrated

by 12 of our own at Cherry Ridge, PA. The Bakers, Widins, Nesses, Kellys, Paines, and Stogniews danced to the superlative calling of Carl Hanks and Ken Anderson. Our Valley Squares were undeterred by the cold snap that set in on Saturday evening, and had a fireside after-party in the Lodge.

The new season has begun and student lessons are ready to go. Plans are in place for our 10th Anniversary Dance. It should be the social event of the season.

Therefore, the Board voted to move LUST to the October 4th, 1992 date as an experiment to see if we can increase attendance and interest in LUST. The Board does not like to change dates, but they want to give clubs fair warning (56 weeks) that this is happening. There will be a dance in the evening, after the work session, open to all dancers. LUST (Let Us Speak Together) consists of an afternoon of presentations on various subjects, such as club finances, how to do ads, how to hire a caller/cuer, use of computer, use of microphone, sewing clinic, etc., that help officers with their duties. The presenters are usually well-versed. It is followed by a potluck supper and then a dance. The Association encourages the clubs to subsidize the officers in some way who attend LUST. The clubs dancing on the first Sunday of the month are as follows: FAD, J & M Squares and Kings Squares. If any of those clubs have a problem with that October date, they should speak to Dick or Shirley and it will be brought back to the Executive Board.

**PRESIDENTS' REMARKS:** Reserved for next meeting.

**GOOD & WELFARE:** Comment from a delegate complimenting the Editors of **Grand Square** for putting out a professional magazine.

It was suggested that the club officers have their adm. to the dance subsidized by the club.

RockyTops of Rockland asked why new clubs have to wait a year before becoming members of the Association. They want to know why they can't get insurance from the Association. John Aquino answered that we don't want clubs coming into the Association and then dropping out within a few months. He said that insurance is available through United Square Dancers of America at a cost of \$2.50 per member per calendar year. It might be possible to work it (NNJSDA Ins.) out with the Insurance Coordinator. That would require a change of the Constitution. Dick added that the wait of a year is for stability.

A delegate discussed a flyer that she got at a Reception Ctr. in VA showing where all the clubs were and the dates that they danced. She thought it would be a good idea if we had the same thing. Dick has such a pamphlet and will bring it up at the SDCNJ meeting. Since it would be distributed throughout the state, the best place to be sponsored would be by the SDCNJ.

Next Mtg. will be held on Jan. 19, 1992 at 1:30 PM at the VFW Hall, Elmwd Pk, NJ. Flyers to be distributed between 1-1:30 PM. Meeting adjourned at 3:40 PM.

Respectfully submitted, Sal & Mary Alessi, Recording Secretaries

The Warren Wheelers have been busy demonstrating square dancing this fall. Our two Fun Nights in September started the season with enthusiastic visitors who are now new class members. As a result of a demo this past spring at the Glenlora Nursing Home in Chester, we were invited back to their annual open

house and barbecue. Nursing home staff, patients and their families greatly enjoyed Herb Conklin's excellent calling. Finally, at Green Township Day in Sussex County, we enticed our audience, young and younger, to join us on the floor for some twirls and promenades. By the time you read this article, we will have had our Annual Pie Night. Hope we saw you there.

It was said by Thomas Edison that the two main ingredients required to make a genius are inspiration and perspiration. Could this also apply to making a great S/D club? May we add dedication, support, & interest? Once again, due to dedicated W/W's who come out to support Petruska Park workshop, W/W members reap many benefits, the first of which was a

swim-dance at Paramus Municipal Pool with Betsy Gotta calling. W/W, carrying pennants, raided Hix & Chix this summer, and Hix & Chix reciprocated with a "snappy, flag-waving routine" (Liz Sly's description) at our first dance of the fall season, with Marvin Northrup. What level is "Good Stuff", Marv, or was that the pie-a-la-mode? Unselfish interest is the 5th ingredient of W/W. This enthusiasm inspires new dancers to join clubs and adds to our S/D world.

## From The Dahl House

### NECK TIE

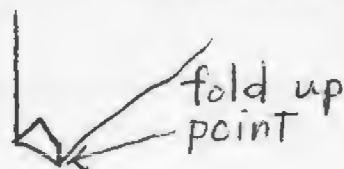

Here's a quick project that will add a holiday flair to your basic man's shirt. Along with the sash I gave directions for in the last issue, you only need 1 yd. of fabric. If you're only making this tie then you'll need a strip 6" or 7" wide and 45" - 50" long, depending on fabric width & thickness and the man's height.

Fold in half and, at selvage edges, cut both ends together on a diagonal, according to the sketch. Starting at the shorter long edge (A) roll edge to the wrong side and stitch (a sort of handkerchief edge).

When you are a few inches from the first corner, stop, and pre-roll the edge of the diagonal cut, then continue folding under the edge on which you are stitching, and continue sewing so that turning the corner flows easily.

At the sharp point, follow the same technique but first, fold in the point on a diagonal so that no raw edge threads will stick out after the rolling and stitching.

Finish stitching around all sides and press.

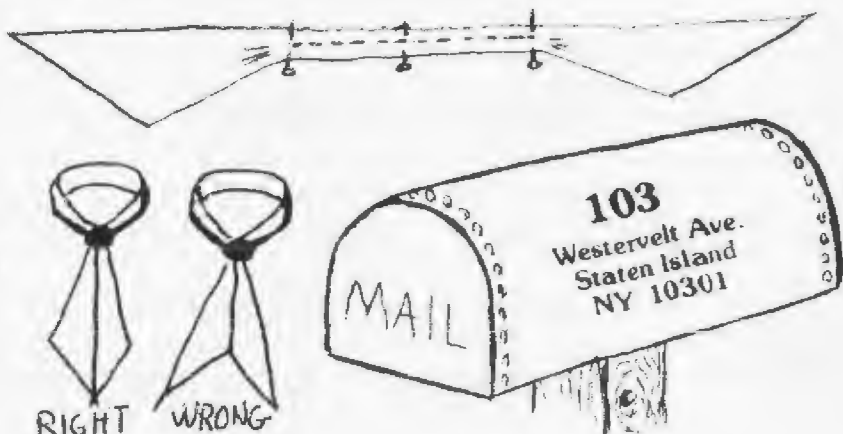

Fold in half again with long points together and use a pin to mark the center on the shorter long side. On the same side use pins to mark 6" out from both sides of center. Keep right side of fabric facing you.

Right side of fabric  
CROSS SECTION VIEW OF FOLD  
hemmed edges

Now for the tricky part, the folding. This is an accordion fold with the last fold (of the longest long side) going over the back. The first fold is about 1" wide, and each successive fold is a little smaller, with the last fold over the back just meeting the inside edge of the rolled hem. (See cross section sketch.) Now slide the pins out where they are and re-pin the folds together in the same places. Stitch longways down the center of the folds between end pins making sure you catch the back folded edge.

That's it for the sewing, now make sure it is worn properly. You can use a man's ring for a tie slide, or get creative and make something special. The store bought ones may not be wide enough if your fabric isn't thin. HAPPY HOLIDAYS !

*Judie*

# CALLERLAB

The International Association  
of Square Dance Callers

A new color brochure is available for recruiting new dancers. These fan-fold brochures, of high-quality 80lb. paper, were designed and produced by Callerlab member

Shawn Cuddy (Stow, MA), and is titled "A New Song & Dance Routine." It includes various scenes of square dancers, taken at actual dances. The full-color, professionally produced and written copy tells what square dancing is all about and invites non-dancers to join in the fun. Brochures are available in packages of 100 and can be obtained from: Callerlab Foundation, 829-3rd Avenue SE, Ste. 215, Rochester, MN 55904- 507-288-5121.

The Mainstream Quarterly Selection for the quarter beginning October 1, 1991 is **Teacup Stroll**. Starting formation: static square. Ending formation: static square, original home position. Timing: 32 beats (same as Grand Square). Dance examples: Any standard Grand Square pattern or singing call. Teacup Stroll has a flow similar to that of the Plus move Teacup Chain, but is simpler. Two calls were dropped from the Quarterly Selections: **Linear Tag (MS)** and **Star Track (Plus)**.

The Callerlab Round of the Quarter for the 4th quarter of 1991 is "Rowdy" (Grenn 17149).

CallerLab is dedicated to the promulgation and improvement of square dancing as a universal, friendly form of recreation and expects its members to adhere to their code of ethical conduct. CallerLab does have an Ethics Committee and a Grievance Review Board. Complaints, that can not be resolved at the local level, can be referred to them. A copy of the Grievance Procedure is available from the Executive Secretary at the address above.

## ROUND DANCE HIGHLIGHTS

It is with heavy hearts your Round Dance Leaders Council must inform you that, due to inattention, a conflict of dates was generated with the Mini-Festival. This has prompted the Council to cancel the planned afternoon of rounds at St. Aloysius in Caldwell on November 17th.

Whispering waves demand that an all-clear be sounded so that it will be known that in no way did your Council contribute to the aforementioned folly. The two annual afternoons of rounds are the only functions that sustain your Council and a great deal of effort is taken by ALL members to ensure the least amount of conflict. At a minimum of at least nine months before, research begins by obtain information from CARTS, DVRDLC, Hudson Valley Council, the NNJSDA as to what dates have planned affairs. Weighted along with holidays are considerations to impact ourselves as little as possible due to cuer members personal plans. Our principle in essence: "Great pains are taken to avoid conflicts with sister organizations and cuer members." We regret we have been excluded from providing you with our wonderful offer for an afternoon with great dimension of dancing. We can only reassure you that our team is currently hard at work trying to "pick" a spring date.

Our new Council officers for the '91-'92 season have been announced. Dave & Wendy Roberts will head up as Moderators, to be ably assisted by Secretary, Herb Rivkin. This team is a sure bet to give the Council good leadership.

The latest good news is that Karen & Greg Kushla, utilizing the NNJRDLC scholarship, have returned from the Round-A-Rama Cuers School on a real high. Thrilled, excited, and overwhelmed are some of the ways to describe this very happy and delighted couple as they recant their wonderful experiences. Some wonderful news has been whispered by Mr. Stork. Seems he is planning to visit Dave & Wendy Roberts, bringing them an early Christmas present this December. Nifty! All of our very best wishes for good health all around. More good news - Doc Tirrell has had his back surgery, which was so successful the doctors sent him home after only 2 days. He is feeling so well that he is not even taking the medication they gave him for pain. Says he feels the best he has in many a month, and sounds it too. Expect he will beat the doctor's estimate on when he will be back on the dance floor.

As is consistant nature for them, the seemingly tireless, ever-giving Tirrells treated the local leaders to a teaching clinic. They spent summer Mondays in their basement passing along some wonderful knowledge and wisdom. All leaders in attendance agreed this had to be the best ever.

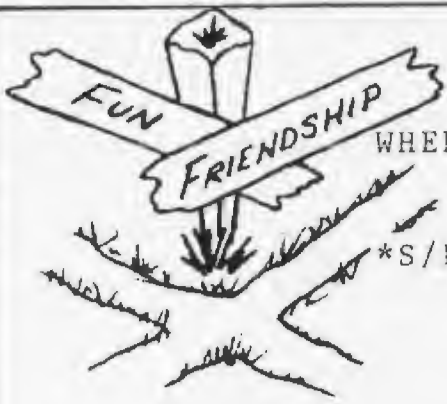

The Wagenhoffers journeyed to the far reaches of Canada to attend the Montreal Convention. Once again, hearing the tall tales reienforces one's desire to attend this gala affair. Maybe next year?

A fond greeting to the new dancers "discovering rounds." We welcome you and assure you that what all of you are learning will be a complement to your square dancing. To those who do not "square," this will serve to make you look sharp as you cut a floor.

Nick & Carol Raspa

*We appreciate all the prayers, cards and phone calls from our fellow dancers, sharing our concern over Doc's recent health problems. It really helps to know others care. It's a wonderful feeling to be able to join you all on the dance floor again.*

## RAMAPO RHYTHMAIRES Raspa, Waldwick, NJ - Wed. 201-896-1891

Our brand new Basics class is well under way. Two-Step Basics are being covered this fall. Good news too, many of last year's grads have returned for the 8:30 session, where we are concentrating mainly on Phase III Classics. At 10PM, we wind up with 15 minutes of request time. After 27 years, October 23 was Doc & Peg's last time to officially teach at RR. They moved the next Monday. We'll all miss them both but wish them well in VT. Long before they left they made arrangements for Nick & Carol Raspa to assume the reins at RR. Look for 27 happy years under their leadership. Come join us.

## REFLECTIONS Raspa, Rutherford, NJ - Mon. 201-896-1891

We have shortened our hours and are ready to continue on for the season.  
Come join us. Just give us a ring and we'll give you directions.

## ROYALTY ROUNDS Anderson, Bklyn/Staten Is,- Tuesdays, 718-727-5141

After successfully recovering from a total knee replacement, Donna and the Royalty Rounds are ready to start in again. As soon as an affordable hall is located, flyers will be passed out to all the local clubs. We hope to start up again by October. It's been a pleasure to see some of last year's students up and doing the rounds at other clubs - hang in there!

Well, our workshops have been a summertime success again, thanks to Al Kaesler (squares) and Steve & Wendy Bradt (rounds) and to all the dancers who attended them. The Ice Cream Social was a huge success - we had over 14 squares of dancers in

attendance. The Community Dance in September at Dutch Neck School had about 10 squares of people dancing to the calling of Gary Potts, with most of the squares made up of first-time dancers and club dancers together.

The round dance workshop, taught by the Bradts, started in September at Mercer Community College and square dance classes began in October with Gary Potts teaching. Contact W. Windsor-Plainsboro Adult Ed at 609-799-0200.

Yes, it's really happening! Rockland County now has its own Plus level square dance club - ROCKYTOPS of Rockland. We dance in Pearl River, just over the NJ/NY border. The hall is just 4 miles (10 minutes) from Exit 172 of the Garden State Parkway. Our philosophy is to engage top regional callers who will provide a challenging level of Plus dancing for us. Please see our ad for details.

We welcome our newest members of Rockytops. In the "Founder" category,

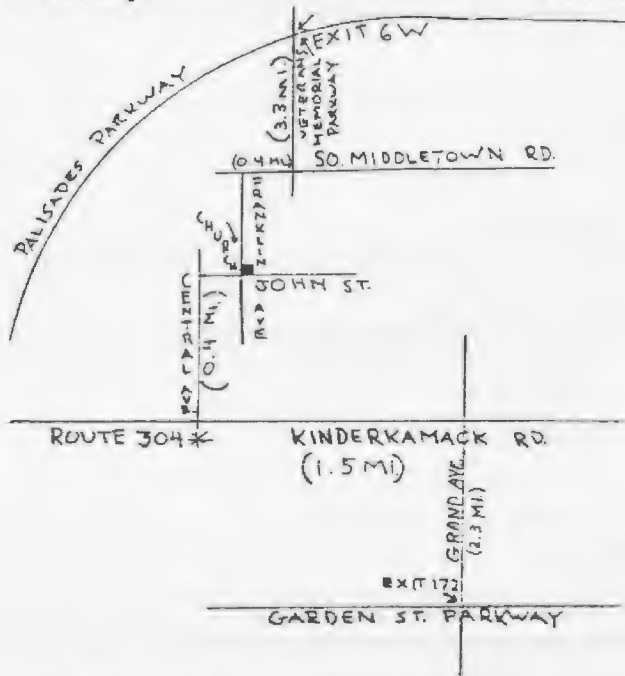

Richard Gardner, Marty & Beverly Millman, and Bill & Helen Ruckel. As "Charter Members," John & Joan Berg, Joe & Ling Chu, Tom & Jean O'Malley, Tim & Marie O'Shea, and Mike & Maryann Plaviak.

By the time you read this we will have held our first dance in October with Michael Johnstone, and our second dance in November with Ken Ritucci. Tune in next issue for a live report on those two dances. We hope to see you soon.

Dear Readers,

Not much room for the Editors this issue. We had a tough time fitting in all the maps, news and ads. So reporters, we had to edit all your wonderful articles for space. Donna & Bill Anderson worked the first session. Then with Charlie away in school and Leo Bichler waiting for the refrigerator repairman, Greg worked on the ads & maps and Karen & Lois proofread for hours. Many thanks to all our hard working staff members.
