From the desk of **DICK & SHIRLEY WHITE, NNJSDA PRESIDENTS**

In spite of the unusual weather the summer of 1992 has brought us, our new and more experienced dancers have been meeting and squaring up together, enjoying the ten air-conditioned Wednesday night Mainstream dances sponsored by the NNJSDA. Those dancers attending the

Warm-Up Dance also enjoyed air-conditioned comfort and a fun-filled evening.

Mainstream clubs have requested an attendance program that would enable Mainstream dancers to participate. We were disappointed that more Mainstream clubs did not take advantage of their opportunity to attain the "One Square is Fair" Summer Award we initiated this season. Congratulations go to Richmond Dancers and Y Squares for earning the "One Square is Fair" Summer Award. The NNJSDA Executive Board is planning to visit these two clubs in the near future to present their awards. We also want to congratulate and thank Lakeland Squares for their fine support. They only missed receiving the Award by one dancer at one dance. Cross Trail Squares also missed, but by only two dances.

The "One Square is Fair" for the 1991-1992 Special Dances was attained by the following clubs:

Country Promenaders	Cross Trail Squares	Richmond Dancers
Covered Bridge Squares	Ironia Reelers	Valley Squares

We would like to extend our congratulations and thanks for their support. These awards were presented at the Tim Marriner Special on October 31, 1992. We would like to see may more clubs attain this award in the 1992-1993 dance season.

Now that classes have started, we want to encourage you, our members of the Association, to become angels. Let's get out to help and support the new

dancers. They will be learning the many calls that will lead them to the Mainstream program, and eventually to your clubs to dance with you. Good angels will not only get to know and help the new students, but also **take** the new students to the class-level dances, and encourage them as much as possible.

We hope that all of you, as members of the Association, will be attending the class-level dances and the NNJSDA Specials this year. Also, we hope that you will support your club by attending your dances, participating in raids, volunteering to help, and giving your officers praise and help whenever you can.

Just a reminder, it is not too late for your club to start the NNJSDA's Special Raid Program, if you have not already done so. This program has been well publicized in **Grand Square** and at the Delegates' Meeting. We urge **all** clubs to participate in the Association give-back. We hope that our program will increase attendance at club dances, thus helping the clubs financially. Also, we hope to start more interaction between clubs, creating more fun and friendships, while helping one another. Although it is somewhat premature, we wish all of you a Joyous Holiday Season and New Year filled with Peace and Joy.

SPECIAL RAID PROGRAM

No club dues to the Association for 1993-1994!!! All clubs can attain this goal! How can your club accomplish this?

1. A club must make 7 raids to 7 different NNJSDA clubs.
2. A club should bring as many club members on the raid as possible. Larger clubs will probably bring more dancers. However, 1 square or more **will** constitute a raid.
3. A raid must be made on a regular dance night, not a club special or dinner dance etc., to qualify.
4. Your NNJSDA raid card must be signed and filled out by an officer of the visited club.
5. All raids must be made between Sept. 1992 and May 1993.
6. All NNJSDA member clubs are eligible to participate.
7. Special Raid Cards were sent to the Presidents with their notice of the Sept. Delegates Meeting.

Please contact the NNJSDA Presidents if you have any questions about the program or do not receive your raid card.

Welcome to our newest *NNISDA* member. . .

Rockland Promenaders kicked off their first dances in June, July and August and they were howling successes. With callers Bob Robinson, Joe Fioretti and Steve Forman, could they be anything but? Attendees were from NJ, Rockland and Westchester. Steven Forman will be back in December (what's left of him, that is, after over 60 avid dancers

Beth Am Temple - 60 Madison Ave Pearl River NY

rushed him at the end of the evening). I guess you can call us a bit enthusiastic. We hope to see more of you at regular upcoming dances.

Although most of us continued to dance all summer at the Five Clubs or or the NNJSDA dances, it was still a great homecoming to see everyone at the first dance of the new season on September 11. Brian Fugere led a roomful of guests through an intro-

duction to square dancing that soon had them all do-si-do-ing with the best. The club members also got to show they could make mistakes, too.

Our best wishes go to Taras Berlinrut as she continues to recover from an automobile accident. Condolences to Lillian Krov on the death of her husband and our fellow square dancer, Ray.

The Warren Wheelers started off the 1992 season with a demo at the Indian Pow Wow at Visa Park near Budd Lake in August. With one square of dancers, we delighted all attendees. Then in Sept., we danced at the Glenlora Nursing home in Chester, NJ. The residents and staff invited us to demonstrate our pastime at their annual open house and buffet.

Residents and their guests gathered on the patio for a delicious lunch and some foot tapping. The weather was truly fine and Herb Conklin did his usual great job, including everyone in the dancing in spite of a bad cold. Several members of the Ironia Reelers joined us to make up a swirling two squares! Bob Kozarek made his calling debut. Bob, we just know you're gonna be great!

NNJSDA Summer dances kept our new and old dancers in good form. The Five Clubs Dances were lots of fun too. We especially enjoyed the evening when Joe Landi called, and

his two young children danced like a couple of pros in our square. We're starting another club year with Carl Hanks and Steve Bradt in charge. There'll be a good number of raids planned, so leave space on your calendar. The Bakers and Nesses are ready for Plus and Mainstream lessons starting the 3rd Monday in Sept. at the Wilson Memorial Church in Watchung Center. Dick Lighthipe is our teacher. See you in a square.

Since we do not have much club news, we decided to submit a wish list for square dancing everywhere:

Wish #1 - A record number of beginners in Mainstream classes.

Wish #2 - Improved attendance of members and guests at all dances.

Wish #3 - Super-active raid participation between clubs.

Wish #4 - Less arm-twisting, more volunteering to fill the positions that run our clubs.

Wish #5 - More support and encouragement to students and recent graduates from Plus and Advanced dancers.

How about you? Do you have wishes to add to this list?

The first dance of the new season was our annual "Ice Cream Social." Mother Nature cooperated and gave us a pleasant evening. Bob Mitchell found our hall without getting lost, and he was on time! He was in great form and everybody had a great time. We're looking forward to a good season with a line-up of callers who have pleased us in the past. Look for our flyers and come over to dance

with us. With the map above or on the back of the flyer, you can't get lost. We'll be looking for you.

Sussex Spinners welcomes back all our members and friends. In August, several of our members participated in National Crime Prevention Night Out sponsored by the Newton Police Department by dancing in the streets of Olde Newton. Dick Pasvolsky generously donated his time and talent for the occasion. We were also well represented at the annual Sussex County Farm and Horse

Show dancing with Bob Mitchell calling and Al Spinks cueing. Bob returned for a second night of dancing to the delight of a very appreciative audience. Many of us tried to keep from getting rusty this summer (no reference to the weather) by joining our friends at D & H Dancers at their lovely air-conditioned hall in Middletown, NY.

Spinning Wheels started the season with 6 squares of regular dancers and interested newcomers at our Open House on September 10. The following Monday was the first regular dance of the season with Bob Mitchell calling, and attracted 7 squares. In addition, Western Dancing was taught

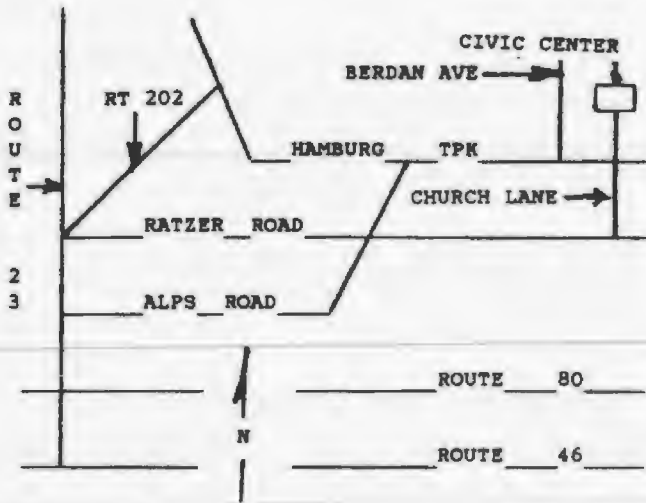

by Bob Robinson between square dance tips. Also, this was our "Picnic Dance" with hot dogs, sauerkraut, beans, pickles and all the rest of the usual fare. The decor was replete with picnic table, umbrella, and hot pots!

It was good to see the Francis' out after John's long illness.

It was so good to get back to our regular dance schedule in Sept., starting with our Dessert Dance. This is a tradition started 25 years ago by our then Presidents, the Bellottis. We start one hour early with an array of homemade desserts supplied by all of our members. This gives all of us time to meet and greet those we

haven't seen all summer, and, of course, time to sample all of the goodies. Steve Forman kept us moving and those calories melting. Our new student classes, with Don Coy as teacher, are off to a very good start. Remember that new dancers are the future of our activity, so please get out and help, encourage, and "angel" your little hearts out. We send holiday greetings to all of you. Please join us soon. We promise you good dancing, delicious refreshments, and a smiling corner!

Another terrific summer of dancing is over, school is back in session, and dance classes are about to start. Princeton Squares had the pleasure of doing some demos and we hope all the interested audience members who participated will come out to learn square dancing, make friends, and have a super time. Although our Monday night class in basics will still be held in Mercerville School, our Mainstream Wednesday night dances will be held in a different location starting in October. Please refer to the maps above and our ad for dates and times of classes and dances. Our heartfelt appreciation to all who have made our summer dances and activities a success. Remember to read all flyers and take advantage of all opportunities to dance.

Hello square dancers!. We would like to thank everyone for making our 1991-1992 dance season so successful. Our season finale was a "Pot Luck Picnic" that was well attended, and the many dishes of food were so delicious. Thank you, Ed Shortman, for calling a wonderful dance and congratulations to our Bart's Sparks Award winners: Bill & Donna Anderson and Charlie & Kathy

Porter. This award recognizes outstanding achievements and dedication to square dancing. We thank Max for his guest appearance.

We have just begun our new dance season and we hope it is not a sign of things to come. Our caller for the evening, Evan Pauley, did not show, but Oscar Michaud, Frank McLaren and Judie Dahl came to our rescue. Many thanks! Paul and I would like to wish everyone Happy Holidays.

Members and friends of Mountain Squares had a busy summer and were spotted dancing at Association dances and in such far-flung places as Cincinnati, Scranton, Baltimore, and Fredericksburg, VA. The Groths and the Hoelles represented Mountain Squares behind the punchbowl at the NNJSDA Warm-Up Special in Iselin. Thank you. Our caller Joe Landi spent a portion of his

summer in the hospital. Fortunately, it was a small portion and he was behind the mike when our season began September 16. Our first dance of the season surely was busy with our dancers meeting and greeting and catching up on each other's summer activities. Advanced-level dancers are all most welcome to come out and join us in a friendly Mountain Square. We'll look forward to seeing you there.

After our summer hiatus, we have again resumed dancing. We kept from getting stale by doing demos at the West End Fair in August (two nights), the Portland Fair and the Stroud Mall in September. Many of us danced at other clubs also.

By now our new class is well under

way, keeping our caller, Dalt Young, very busy indeed. It's reassuring to see that there are always new people anxious to learn square dancing. All of us can attest to what fun it is.

Happy news: two of our couples celebrated their 50th Anniversary, Lois & Chet Walker and Charlotte & Ed Miller. Wedding bells rang out for Pam Hochrine and Bruce Price, who were married in July. Happy Holidays to all!

It is with mixed emotion that we announce our club has moved to a new hall. The Community Church in Mountain Lakes has been a refuge for the regulars on Tuesday nights for many years and our hearts will always hold a place for the kindness and

cooperation the congregation showed us. Our primary concern in square dancing is to provide the safest and most ideal conditions possible for our dancers. Hence, the decision was made, after much discussion and searching, to move our club to Temple Beth Am in Parsippany. Please check our ad for directions and new starting time.

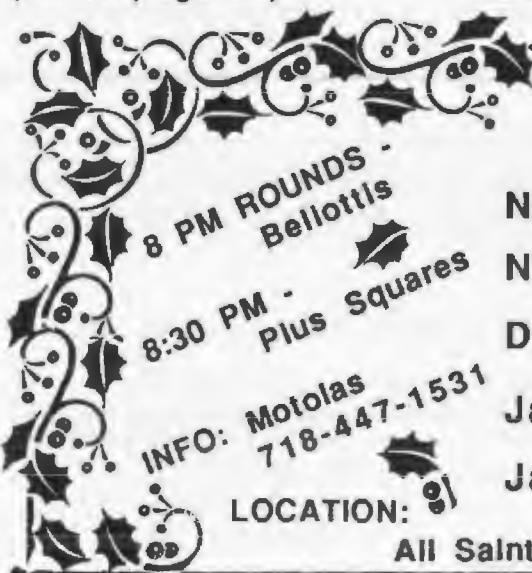

Open House on September 10 was a big success with about 8 squares and Pal Johnson doing what he does best - calling for first timers and making them feel as though they've been dancing all their lives. Great job, Pal!

The first dance in our new home had Bob Mitchell calling to about 10 squares. Al & Gale Spinks cued flawlessly as always. We're looking forward to seeing each of you at our dances at least once, but hopefully more. So, if you love dancing, good friends, and good food, remember -- there's no place like this place anywhere near this place so this must be the place. Happy dancing!

Dear Readers:
Leo & Lois Bichler were on vacation this issue and it took 3 couples to replace them: Lou & Grace Motola, Fran & Paul Spoltore, and Dick & Shirley White. Many thanks for their wonderful help. The Dance Calendar is lots of work. Please cut it out and use it! We ran out of space so we had a Student Dance Listing Insert printed. Put it with your calendar and plan to take a student to a dance. Keep sending those letters, too.

In June, Kings' members, Louise Klein, Peter Stein, Sel Stevens and Ruth Cohen, joined 20,000+ square dancers at the NSDC in Cincinnati, OH, and in September, with 52 upstate New Yorkers at the Louisville, Kentucky Convention. What a fantastic experience each was! Now

all of us are enthusiastic about our new 1992-1993 season.

We offer our sincere condolences to Rene Shapiro on the loss of her father, and a fond adieu to our bubbling Louise Klein, who is taking her dancing shoes to Aventura, FL.

Our Holiday Dance the 3rd Sun. in Dec. will be Student Level. So come and renew old friendships, make new ones, and oil your rusty feet at Kings Squares. (Ad on page 60) Regina McCourt 718-434-2581 & Ruth Cohen 718-449-0037

It is important to note that this is the same club with a different name. The membership is the same, the dance nights are the same, and the dance program is the same. We will continue to feature the finest Advanced callers for our members and visitors. Our best wishes to Norm & Gloria and their new Board as they prepare to take the helm of the Motiv8ors.

This summer the Reelers participated in 2 demos hoping to attract dancers for our new class. Wilson Hoff is taking charge of teaching the art of getting dizzy while holding

hands. He showed his expertise and love of square dancing at the Reelers Open House. We are all looking forward to helping our new students and getting them ready to join our ranks! On Labor Day, the Reelers promenaded in the Mendham Borough Parade. There was an "indoor" picnic at the Pluymers following the parade. The Reelers joined the Western Wheelers at the Glenlora Nursing Home to entertain the residents and their families. With audience participation, we had 3 squares dancing. Linda Conover, one of our recent graduates, is the Chef at the nursing home. The appetites were hardy after the dancing and everyone enjoyed the lovely buffet luncheon Linda prepared. We welcome back Al & Gale Spinks as our round dance cuers.

hosting our picnic again this year. It was with regret that we bid farewell to John Wilson & Betty Hartman, who moved to CA during the summer. We will miss them at the dances. Our caller Wilson Hoff gave us a scare when he spent a few days in the hospital during the summer, but he is back in full swing now. We're glad it was nothing serious. And finally, **Grand Square** reporters, Frank & Winnie Prekel, are off on vacation to South America, so I am filling in.

Hix & Chix recently celebrated their 30th Anniversary. Liz Bradley portrayed the Energizer Rabbit, pink ears and all, thanks in part to Pauline Robinson. Our new motto: "The club that keeps on going, and going, and going . . ." Members were also presented with a "pearl" to wear with their badges, as a symbol of our 30th year on the dance floor.

Last May the club initiated a Birthday

Special dance. Every club member can celebrate their birthday with a free dance. Marie Hoffman was our first member to be so honored. She even told us her age, but that's not important to us. It's her smile and ability to "trip the light fantastic" that we cherish.

A lot of members have been going on vacation: Europe, Seattle, Florida, Cincinnati (for the NSDC) to name a few destinations. How exciting it is to hear their stories and experiences when they return. Speaking of exciting, Hix & Chix will be making many changes in the next few months. Pauline Robinson has volunteered to become our new President. Welcome and thank you, Pauline. Also, Hix & Chix will be working very closely with Belles & Beaux with the Mainstream dances.

We were delighted to see Marie & John Francis at one of our dances. We love you and pray for you. God bless! We also were glad to see Frank Bremer back on the dance floor to form a "Frank" square. You "Frank" guys, the square forms in the **back** of the hall by the the cloak room. I'm looking for 3 more Brendas so we, too, can have our own square. Think I'll ever find them? Tune in next **Grand Square**.

We enjoyed meeting you when YOU came to dance with us. Our Open House (free to interested students) was well attended. This year we are offering a class in Hudson County for the first time, with many of our own FAD members as angels. Stay tuned for developments!

Our October Pie Night included some homemade cakes from Israel, which I brought back from my grandson's Bar Mitzvah. By the time you read this, George & Dot should have 15 grandchildren. We believe only Pauline & Bob Robinson have more. All FAD members are thrilled at the wonderful recovery of Chris O'Connor after his July heart attack and subsequent bypass surgery. Chris & Lorrie send their thanks to the Mall Walkers as well.

The rumors of Dingman's demise have been highly exaggerated. Although the summer attendance was somewhat less active than many of us had hoped for, our fall season starts off with new hope for a new future. Effective advertising in the press and

on the radio, including interesting articles and mass distribution of flyers, proved quite successful when more prospective students than "angels" showed up at our first Open House Night. With two more nights to come, we may still have a the nucleus of a rejuvenated club. Class Coordinator, Charlie Scholtes, coined our new theme, "If you have two feet, we'll teach you the beat." It seems to have caught on. Watch for more good news or come on up to see us sometime.

Letters to the Editors . . .

We have learned that J & M Squares Sunday nights Advanced club, at the VFW in Elmwood Park, will now be known as Motiv8ors. Norm & Gloria Smith will be at the helm. We thank John & Mary for all their contributions to Advanced dancing in our area, for their maintaining the J & M club and for sponsoring so many classes that swelled the numbers of Advanced dancers, not only at J & M, but other clubs as well. Many J & M members have stepped forward to help the Smiths in continuing Sunday night Advanced dancing, which proves that those who want the action to continue are quite willing to be part of the responsibility! Congratulations and God's speed to the Motiv8ors!

September was a busy and exciting month. An exhibition was held at Verona Park on Labor Day followed by our Open House. We're looking forward to an early sign up by many enthusiastic and eager-to-learn square dancing pupils. Three more demos were held: the West Paterson

Recreation Dept. picnic; the Roseland Historical Society; and the West Paterson Street Fair. Look for our ads on the Passiac Valley High School cable TV channel. Believe it nor not, our ad for the New Year's Eve Dance has already garnered a reservation even before it was placed and not by one of our club members. Could the reason be the calling and cueing trio of John Kaltenthaler, Larry Davenport and Al Spinks? Reserve early. Space is limited.

The demo in the park on Sunday, September 13, had at least two squares in attendance. Phil Hammer and Roz Guerriero announced their engagement recently and a June 1993 wedding is planned. Covered Bridge extends its good wishes to both. Fran Cashill recently had surgery and we wish her a full and speedy recovery. We also extend our best wishes to Wally Cox after his

recent eye surgery, even though he did not dance at the demo in the park, he was there lending his support. Phil Hammer and Roz Guerriero just started Advanced lessons. Good luck!

Our first dance started off the season with the **right stuff** with Betsy Gotta calling squares, her husband Roy cueing rounds, and our Executive Board supplying refreshments. We are all getting excited making plans and preparations for the 40th Anniversary Dance the 2nd Saturday

in Nov. I can remember our 35th Anniversary Dance like it was yesterday. That was some dance! This year's beginning square dance class got started in Sept. with Dan Koft teaching. Some of our members got together to put on our annual street fair demo in Metuchen, which is our way of welcoming autumn. To all of our friends and fellow square dancers, we wish you safe and happy holidays. We hope the New Year finds you healthy and dancing.

The summer weather might not have been the greatest, but you can't say that about the summer square dances. We saw many familiar, smiling faces at the Caldwell and Iselin NNJSDA dances. Now with fall approaching, we are all eager to get back to serious square dancing. In addition to our Friday night dances, this year Circle Eights is sponsoring a beginners' class in connection with the New Milford Adult Education

School. We hope to have a great new group of graduates next spring ready to move into Mainstream dancing. We need angels to encourage these promising new students. So, we hope to see all of you at the classes and also at our dances. Be sure to check our ad for date changes to our regular schedule.

"Squirrel mania" hit Belles & Beaux on Sept. 1 when we officially welcomed Dick Mazziotti as club caller. After writing "nutty" notes to Dick and hanging them on a tree (created by Jackie Jasinski), many dancers "scampered" from square to square, trying to drive Dick a little

nutty. Two human-sized squirrels scampered up on stage and did their own little squirrel dance and gift wrapped Dick, expressly to distract him! Richard Ball and Joe Jasinski did a great job, to no avail. Dick maintained control through **whatever** we tried. Much thanks to Rusty Ball for making those great costumes. Dick's last class presented him with a great gift to help him "whip" this year's group into shape and Rusty read Keith Douglas' parody of Dick's squirrel song, "Mississippi Squirrel Revival -- Yankee Version." We even gave out danglers to commemorate the evening.

and cuers and mingled with the friendliest square dancers around. Our Aug. 23 dance was a special Sunday afternoon with Craig Rowe calling and Steve Bradt cueing. We had 12 squares on the floor and, when the dance was over, many of us went out to dinner together. This special was a first for Bee Sharps and we would like to give a big Yellow Rock to all you dancers who came out and helped support us. Thank you all! We were all prepared for classes to start on Sept. 9. Publicity was out announcing "Open House - Introduction to Square Dancing." It was a new night (Wed.); we had a new caller/instructor (Don Coy). Our hospitality committee arrived at 6 pm to find the room we usually use for the

evening occupied. What do we do? The Home arranged for us use their outdoor patio. The temperature was a little cool; the wind came roaring in off the bay; the lighting was only fair. Our first thought, cancel. We decided, "Let's make the best of the situation." The end result, we danced under a most romantic moon! The 80 dancers (including 55 new prospects) had a most delightful time. The bottom line - we wished we had planned it this way!

CUSTOMIZED STRETCH BELTS

Lately, wide & extra-wide elastic is more easily found in fabric & craft stores. In the past these seemed rare and hard to locate. And, while a one piece dress looks fine without any belt at all, the skirt and blouse combinations that are more popular (because of the mix & match and flexible fit advantages) may not look "finished" without a sash or belt of some kind. Most of the time a store bought, solid color regular or stretch belt fills the bill. But if you have the time, desire & minor sewing & craft skills you might try adapting some of the following ideas.

Usually the 3", or even wider elastic is only buyable in basic white or black. The elastic can be encased in a tube of fabric to coordinate or exactly match your skirt, slip, shoes - whatever. Just cut the width of the fabric 2x the width of the elastic, plus 2 seam allowances and cut the length a few inches longer than your "fat days" waist measurement. (Regular poly/cotton is great fabric for this because it isn't too heavy and isn't transparent.) Cut the elastic a few inches shorter than your "thin days" waist measurement.

METAL CLASP

BUTTONS + LOOPS

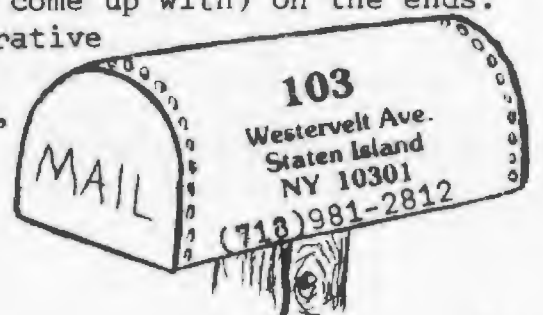

Fold the fabric lengthwise and stitch a long tube, turn rightside out, slide elastic into tube (you'll all have different ways you prefer to do this) and attach to clasps by treating fabric & elastic ends as one. Usually this is a simple procedure of putting elastic, from front side of clasp, through a slot & stitching or encircling back.

If clasps aren't available you can salvage clasps from old worn out belts or buy a stretch belt, take it apart, & cover the new elastic. (This is when sales of unpopularly colored leftovers are good.)

You may want to go one step further if you can't find or don't like the clasps available. Buy "stays" or "boning" (This stuff comes in a roll in a package and can be cut to any length. It is also fabric covered so you can sew it into your fabric & elastic.) and cut a piece for each end of the belt. Either treat your elastic & fabric as one, fold around the "stays" and stitch ends and top & bottom - or - insert "stays" inside tube ends & fold fabric inside itself before stitching. Be sure to stitch on both sides of the "stays" so they don't lay down on the job.

Next, every inch of the elastic width, sew large hooks & eyes or buttons & loops (or whatever else you may come up with) on the ends. You can decorate the closure with large decorative buttons, metal conchas, beaded or stitched appliques, fabric flowers, clusters of beads, seasonal decorations -- Oh, use your own unique, wonderful imaginations !!!

Have fun & happy dancing - Judie

Northern New Jersey Round Dance Leaders Council

Our new Council officers for the '92-'93 season have been announced. Herb Rivkin will head up as Moderator to be ably assisted by Secretary, Roy Gotta. This team is a sure bet to give the Council good leadership.

An enthusiastic collection of dancers are expected to enjoy the Fall Festival of Rounds held on the 4th Sunday in November in the McKinnon School in Wharton. A relaxed program offers an afternoon of dancing to all their favorite NNJRDLC cuers. Plans for the Spring Round Dance Festival are currently underway. It most likely will be in March so put a note in your calendar to ensure yourselves another fine afternoon of dancing pleasure.

We are pleased to report that once again four of your Council members are actively involved in Roundalab committees. Dave & Wendy Roberts are Chairmen of the Standardization of the Classic Cues. Frank & Carol Valenta are Subchairmen of the Round of the Quarter Phase III Selection Committee. These tasks are taken on in conjunction with their current area responsibilities and both aforementioned jobs have tight deadlines that these people have to meet. We commend them for taking on these additional responsibilities.

The Council voted that, in recognition of their incomparable service to the Northern New Jersey Round Dance Leaders Council, Doc & Peg Tirrell will be named Honorary Lifetime Members. A plaque, suitably worded, will be presented to them in recognition of their Honorary Lifetime Membership.

This new thing we are experiencing seems so grand and so profound,
We are learning so many new steps that take us round and round.

Our thoughts are many, two step, waltzes, a bit of tango and rumba, too,
We have worked and practiced so hard, we know this to be true.

It's not too late to join us, we look forward to seeing you.

We plan to reinforce our Phase II steps and progress to Phase III. The intermediate group will reinforce their Phase III steps and be introduced to Phase IV.

LETTERS TO THE EDITORS . . .

We received our copy of **Grand Square** last week and, as usual, read it through completely. Peg & Doc certainly chose their successors well, as you continue to publish an excellent magazine which has many interesting articles.

In the selection of Letters to the Editors, we enjoyed reading Rose Ericson's thought-provoking article. She has given many excellent suggestions and all she asks is the giving of time and thought to what we can do to keep the square dance alive and perhaps reaching for that, so far, non-existing perfect square dance world. Her article applies not only to New Jersey, but could apply to all States. Everyone should re-read Rose's article and see what they can do for the promotion of the square dance, our favorite hobby.

We also enjoyed Harriette Koved's article. The "10 Commandments of Square Dancing" should be posted at each club if necessary and read aloud at a dance as she did.

We danced and worked with both Rose & Richie Ericson (Y Squares) and Harriette & Sol Koved in NNJSDA for many years before we retired to Florida (almost 12 years ago - where has the time gone). We are happy to learn that they are still very active in NJ.

We thoroughly enjoyed our visit to the NNJSDA Summer Dance on July 22nd. It was so good to see Hal & Florence Margo, Maurie & Taras Berlinrut, Gabe & Sila Dell'Angelo, Joan Daniels and many more friends we had not seen in years. We were also happy to finally meet you, Kathy, and sorry we did not get to meet Charlie, but glad to hear that he is back dancing again.

We are on the Bid Committee to bring the National Square Dance Conven-

As this is our first letter to you as the Presidents of the Callers Council of New Jersey, we feel that this would be a good time to introduce CCNJ to one and all.

What is CCNJ? CCNJ is an affiliate of the International Square Dance Callers Association (Callerlab) and is made up of callers and dance leaders from New Jersey and nearby portions of New York, Pennsylvania, and Connecticut. The amount of experience our members have range from those just starting to those who have been calling more than 40 years. Some call for clubs all across the country, some only call for local clubs, and some only call at non-club functions. Most of the beginner classes taught in the NNJSDA region are taught by CCNJ members, some are active in assisting newer callers to get started, and 3 of the 25 Callerlab Accredited Caller Coaches are members of CCNJ. What brings us together is a desire to foster and promote square dancing in our region and to improve ourselves as callers.

What does CCNJ do? CCNJ meets quarterly to discuss matters of importance to the square dance activity. Our meetings are held in the mornings, the 2nd Saturday of March, June, September and December, at the home of Andy & Ruth Woerner. Most meetings are preceded by a workshop/discussion that is lead by one of our more experienced members. CCNJ sponsors workshops in various aspects of calling that are lead by experts from around the country. CCNJ administers a fund of monies (raised by CCNJ and donations from the NNJSDA) to provide scholarships to members of CCNJ, who desire to go to a formal callers' school. CCNJ also runs a mid-term class

VARIATIONS ON A THEME (or: I Went to the Dance to Show Them My Stuff) by Dick Mazziotti, Caller/Teacher

Comes the season to be jolly, time to sing and watch the holly; clubs are having student dances; we'll go and help them out, by golly.

Well, okay, remember that this column is addressed to the newer dancers. No one who has been dancing for more than a full year needs to read further because, of course, this will all be second nature. But for newer dancers, what follows is some advice on how to dance with new students at their first dance, and keep in mind that their first 20 dances all still feel like their first dance.

If you have had the opportunity to angel during the first part of the year, you are probably already aware of the need to hush up. This means that while the caller is calling the dancers are dancing. This does not mean that when a dancer makes a mistake they need to be told why they made it, how to fix it and what the caller really meant. Encourage them to form facing lines, **by example**, not by telling them. More calls are missed and more squares are kept in a perpetual breakdown position by talking, than by Spin Chain Thru.

Concerning all those really "neat" moves you've learned since graduation, as Archie Bunker said to Edith, "Stifle!" The extra twirls, swirls, swings and things are all very nice (maybe) when you are dancing with your peers, but please, please, do not show off to new dancers. It simply confuses them even further.

Probably the best thing you can ever do for new dancers is try hard to remember your first few dances. A word of encouragement telling each dancer in your square something they did well will go miles further toward keeping them dancing than any other single thing.

Variations on a Theme continued from page 60

Here are some of the things any new dancer would love to hear:

- What a nice outfit (or color, or pair of shoes)!
- You swing (or follow, or listen, or dance) very well.
- We really enjoyed dancing with you. Will you join us again later? Then be sure to look them up again.
- I saw you Square Thru (or Swing Thru, or Pass Thru) very well. That was difficult for me when I started.
- Our club is having a student dance at _____. Won't you try to come there to dance with us?

Lastly, partners, please tell your partners to smile, smile, smile, Many of us get rather intent with our dancing and while we may be having a great time inside, we present pinched lips and squinched eyes to other dancers. Doing so to brand new students at their first dance can be devastating. Besides being fun, these dances are to encourage students, not to show them what we can do.

And remember, if we haven't personally helped angel a class this year and haven't attended at least one student dance a month from January on, we can't complain about the quality of dancers. To paraphrase, we have met the enemy and he is us!

The Times Squares is one of the largest square dance clubs around. We book callers from as far away as Vancouver and as close to home as North Brunswick, NJ. This past summer, we celebrated the 9th Annual IAGSDC Convention in Albuquerque, NM with well over 1,000 dancers and we look forward to next summer's 10th Anniversary celebration in Seattle. At the end of October was our annual fly-in (Peel the Pumpkin) and all had a wonderful time. We are open to all dancers regardless of sexual orientation and offer dances from Mainstream through C-1, as well as frequent special upper-level dances. It is wise to call and recheck a location prior to attending a dance. We are the only square dance club in Manhattan. Yellowrox to y'all. (Ad on page 63)

tion to Orlando, FL in 1997, and will be making the Bid at St. Louis in 1993. Wish us luck and if you are at that Convention, come to the Bid Session and give us your support. We have an excellent facility in Orlando, and what better way to add to your square dancing pleasure than to add a fun vacation in FL.

Regarding Hurricane Andrew, we learned that of the 30 or more square dance families residing in the disaster area of the South Dade County, there were no fatalities or serious injuries, however, several lost their homes and all of their possessions. All square dance associations in FL have been running, and continue to run, fund raisers and food and clothing collections and will continue to do so as long as necessary. There was severe tree damage where we live but no loss of life and only minor damage to homes. We consider ourselves very fortunate to live in a hurricane proof house and that the main force of the hurricane hit about 20 miles south of our area.
