*From the computer of.....***SAL & MARY ALESSI, NNJSDA PRESIDENTS**

We have often wondered what purpose this article serves. We hope it informs and is thought-provoking. We want to share some Association problems for which your suggestions may be the solution.

We are in need of a **Grand Square** Editor. Someone must come forward to do this labor of love, or at least be willing to learn this most important function of the Association. Our publication keeps us all informed and does for our active what nothing else can do. As Editor, you will not be alone. Many dancers out there are willing to help, including the retiring Editors. The alternative will be to have an agency do it at subscription prices of approximately \$10.00 per year.

The Association is having a financial problem. We no longer have the surplus available to pay for items in advance before being reimbursed by member clubs or profits from sponsored events. Examples of this are the insurance premiums and deposits on halls for our special events. Several reasons can be combined to have caused the depletion of the surplus we enjoyed just a few years ago. The Association is waiving dues for completing the *Raid Program* and *One Square is Fair* attendance awards for the Specials and Summer Program; the assessment of \$1.00 per mother-club member for Grand Square is too low.

It is a fact that attendance at our Specials and the Summer Dance Program has been very poor. Excluding the Mini-Festival, we dance the Plus program at our Specials, and exclusively Mainstream at most of the dances in our Summer

Dance Program. The poor attendance at our Summer Dance Program can be explained by the small number of students that graduated this season, but how does one explain the poor attendance at our Specials? A delegate has suggested that we charge each club for one square at each of our Specials, guaranteeing a good attendance, but this creates a problem. We are not all Plus dancers. Of our present 31-club membership, 2 clubs dance the Advanced program; 14 clubs dance the Plus program; 3 clubs dance a mix of Mainstream and Plus; and 12 clubs dance the Mainstream program.

We don't have the perfect answer to the problem; we can only hope that more of 1,584 members of the NNJSDA support our activities.

The Gathering: Dancers Getting Together to Share

The Speakers and the Committee want to heartily thank the volunteers from: Al'e'Mo Squares, Belles & Beaux, Country Promenaders, Kittatinny Rangers, Ocean Waves, Rockland Promenaders, See Saw Squares, and Spinning Wheels, as well as Geri Van Dyke and Bill Bohrer, all of whom served as seminar sponsors. Their assistance with the record keeping details and the handling of each session was much appreciated.

The Committee also wishes to thank the "Ice Patrol" volunteers from Belles & Beaux, Kittatinny Rangers, See Saw Squares, and Y Squares. Their maintenance of the water coolers kept all the dancers refreshed and ready for the next tip.

Lastly, we want to thank the CCNJ callers who volunteered to keep dancing available all day long and who prepared sound in the halls. Those clubs and individuals who volunteered did so in the very best traditions of our activity. Thank you.

Why Should I Join a Square Dance Club continued from page 7

at any given dance. If the 3 squares attending are paying \$7 per couple, that is an income of \$84 and the club is losing \$41 per dance. Result - no club!!! If the 4 squares of members have paid an annual membership fee of \$15, that is a bank account of \$480. If the club dances twice a month, they could continue to dance for 6 months. If you factor in 50/50s, fund raisers, guests, and the occasional raid, the club will probably survive for the year. It would not have survived without your membership.

I am sure that most of you are members of at least one square dance club in your area. However, think for a minute if there is another club that you dance with maybe 4 or 5 times a year. Would you be disappointed if that club ceased to exist? Perhaps another membership would be a good idea. In most cases, I don't think there is a problem with the membership dollar amount. So why not consider a couple of memberships for the good of the activity?

When thinking about becoming a member or staying a member of one or more square dance clubs, think of it not as getting something from the club, but as doing something for the club.

This season club news will be alphabetical order from A-Z.

AL'e'MO SQUARES -- Brooklyn, NY **MS/PL tips**
2 & 4 Sun. Sept-June **Ft. Hamilton Comm. Rec. Bldg., Ft. Hamilton**

It is with great sadness in our hearts that we announce the recent passing of one of our most supportive Al'e'Mo members. Joe Piazza, our Publicity Director and Club Reporter, passed away August 27, 1996, at his Long Beach summer home. Joe was a strong advocate of square dancing. A truly giving and sharing person, he was an eager and enthusiastic member of our Board of Directors. His infectious personality was appreciated by all. Our condolences are extended to his wife, Phyllis, and their three daughters. He will be missed by all.

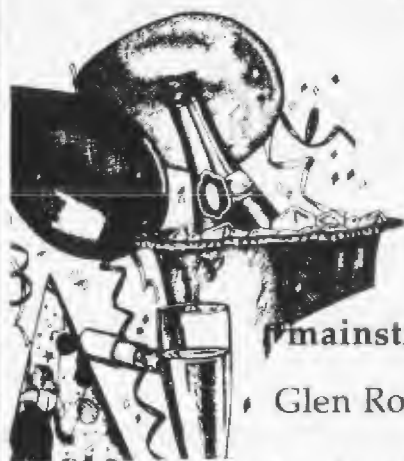

We started off our season with a Harvest Moon Ball Dance, which was a huge success, as was the Open House Get Together, where we introduced square dancing to a host of potential new members. Al'e'Mo has been instrumental in revitalizing square dancing in Brooklyn. Over the past few years we have graduated over 25 new dancers each year. From the reception we received at our current Open House, it looks like this trend will be continuing; all our angels were there to greet, encourage, and support these dancers. .

LETTERS TO THE EDITORS. . .

The Five Clubs: Country Promenaders, Harmony Dancers, Rutgers Promenaders, Valley Squares, and Y Squares, thank all of the faithful members of the NJSDA clubs who supported our summer dances. We had a successful summer and will continue to provide quality square dancing in the years to come. Look for flyers of our New Years Eve Dance. Thank you again.

Hal & Florence Margo, Chairpersons, The Five Clubs

2 & 4 Fri. Sept-June

St. John's Episcopal Ch., 158 W. High St.

The new square dance season begins. We've already had two summer dances and they were well attended by regulars and new graduates. Keep coming to square dances, new graduates; you are very welcome. The first dance this summer even had a raid by Staten Square Set. They were the friendliest people and so nice to dance with.

The Bee Sharps did a demo for the 4-H Fair at the fair grounds of Somerset County. We had two squares and the caller was the best, Dan Koft. We danced for one hour and we were lucky it didn't rain. The weather really cooperated with us and it was comfortable and fun to dance. We invited the audience to dance with us. Believe it or not, we had four squares dancing. It seemed everyone had a fun time and really enjoyed themselves.

Bob & Mary King are our new Presidents and they are going to be the best ever. They have so much enthusiasm. We need angels for our student classes. We all think the start of the square dance teaching season is great as we get to educate new people, who learn to love to square dancing as we do, and develop a lot of new friendships to last for a long time.

The holidays are almost here so Happy Thanksgiving (don't eat too much!), Merry Christmas (Ho! Ho! Ho!) and Happy New Year (Wow!) to all you wonderful folks out there.

4th Fri. Sept-June **CIRCLE EIGHTS -- Haworth, NJ** **MS/PL tip**
 St. Luke's Episcopal Ch., Mass. & Grant Aves.

After a rather cool and rainy summer, our club members welcomed the start of another year with our September 27 dance. We hosted an Open House/Barn Dance for potential new students on September 16. Andy Woerner is the instructor for the fall class.

Something new has been added to our dances this year. We have been presenting a Plus Workshop during the first half-hour of every dance. Many people seem to enjoy being introduced to the various Plus calls in this way, so we are hoping that it will continue to be a success.

Our 3rd annual Autumn Leaves dance held at the Boy Scout Camp in Alpine, NJ on Sunday, October 27 was a huge success. All who attended enjoyed the wonderful food, the great calling of Bob Paris, the country/western line dances by Lois Bichler, and the opportunity to shop, shop, shop, thanks to Shirley's Square Dance Shoppe.

Circle Eights, Tenakill Twirlers, and Belles & Beaux have agreed to co-host the Moonlight on the Hudson dance. You may recall that Tenafly Squares ran this dance for many years. However, since they are no longer in existence, the three clubs felt it would be a shame to see the demise of this very pleasant evening of dancing.

As a final note, be aware that our December dance will be a student dance.

COUNTRY PROMENADERS -- Edison, NJ PL
2 & 4 Sat. Sept-May Stelton Comm. Ctr., Plainfield Ave. (Rt. 529)

Alt. Site: First Presbyterian Ch, 117 5th Ave, Roselle

Our season got off to a rocky start. At the beginning of September we received notice that the Stelton Community Center would not be available for three of our dances. Luckily, we were able to book the First Presbyterian Church in Roselle (the same hall as the Five Clubs Summer Dances). On September 18, we started our Basic/Mainstream classes, our first in several years. We have high hopes for these willing new square dancers. We continued advertising the fun and joys of square dancing with our two demos, at the Fall Festival of Fireworks in Edison, and the Metuchen Country Fair. Our dance season started with a BANG with three dynamite out-of-town callers: Will Larsen (CT), Ed Foote (PA), and John Carlton (KY).

Long-time members, Bob & Muriel Shallcross, moved to North Carolina. Past Presidents, Bob & Grace Bishe, celebrated their 50th Anniversary. Louis and I spent an absolutely incredible week at Kirkwood Lodge, Missouri, dancing DBD Plus with Marshall Flippo, Tony Oxendine, and Jerry Story. If you might be interested in an unforgettable, challenging, and fun week at the end of August, just ask us.

We continue with a line-up of callers to beat all line-ups. Check out our schedule, and remember February 8 is the only dance left at the Church in Roselle. Call us if you need help with directions.

May you all enjoy the Holiday Season filled with happiness, good health, and love.

CROSS TRAIL SQUARES -- Caldwell, NJ

PL

2 & 4 Wed. Sept-June

Lincoln School, Crane St.

After a busy summer out and about, Cross Trails has kicked off its 28th year of "Fun & Friendship" with club caller, Bob Mitchell. Our dancers were also back to dance our traditional Labor Day demo in Verona Park, and squared up for a demo at the Community Park in Cedar Grove on September 7. We have a full raid schedule planned and will be appearing "live" at a club dance near you.

There is a real thrill in the air with everybody back and raring to dance. We look forward to every dance because there always seem to be friends dropping by from all over NNJSDA country. We greet everyone with a smile and we always have plenty of good dancing, good fun, and good food to go around.

Most importantly, as we head into another Holiday Season, we will be thankful for all those good tips we have shared with you all from season to season. Let's remember to support square dancing. Everybody has a square dancer inside them waiting to get out and we, as dancers, are the ones who hold the passport to the world of square dancing.

DINGMAN DANCERS -- Milford, PA **MS/PL tip**
2 & 4 Tues. Mar-Jun & Sept.-Dec **Delaware Valley H.S., Routes 206 & 6**
Jun-Aug **American Legion Hall, Milford Rd & Christian Hill Rd**

Our new Presidents are: John & Betty Rigo, 2850 Hemlock Farms, Hawley, PA 18428, phone: 717-775-0547; and our Delegates are: Don & Millie Connelly, RR#1, Box 282 A, Bushkill, PA 18324, phone: 717-588-9226.

Our summer schedule got off to a good start with our July dance hosted by Judy & Charlie Williams. It had an Independence Day theme with red, white, and blue ribbons, American Flags on the refreshment table, and even a red, white, and blue cake. Guests from Rare Squares and Elk Mountaineers joined us.

Jane Frey & Al Blavin hosted our next dance surprising everyone with a Christmas in July theme. A holiday tablecloth, red and green napkins, and Santa Claus candles decorated the refreshment table. The Cardinal dance, hosted by Joan & Carl Gauer, is always a popular one due to our caller, Rich Murphy's singing. The delicious creme puffs and brownies disappeared rapidly.

In August, our first dance was hosted by Donna Flugel & Jim Dorcas. Guests from Hemlock Squares, Sussex Squares, Warren Wheelers, and Yellow Rockers from North Carolina joined us. Our new Presidents, Betty & John Rigo, hosted our last dance in August. Guests from Warren Wheelers and North Carolina joined us. It was a blueberry feast with blueberry angel food cake and loaf cakes.

Our club was invited again this year to do a demo at the Pike County Agricultural Fair. Last year it poured rain while we were performing, but in true square dance fashion, we continued dancing. Luckily this year the rain held off and we had a successful demo. 'Til next time,

F.A.D. SQUARES -- Paramus, NJ **MS/PL tips**
1 & 3 Sun. Sept-June **Paramus Congreg. Ch, 205 Spring Valley Rd.**

Our annual meeting was held at the O'Connors Country Club Estate. Many thanks for their gracious hospitality. Dorothy Fels was elected President for a third term.

While we had no dances during the summer, FAD supported the NNJSDA Summer Dances. Prior to the August 7 and 21 affairs, FAD members had pot-luck suppers at the homes of the Brodericks and Dorothy Fels

The Dexters went to Seattle, Washington for Dick's 50th high school reunion the week of August 11. They had a great time meeting old friends. We hope to have a class this year, if we have enough students.

HARMONY DANCERS -- Springfield, NJ PL
1 & 3 Sat. Sept-May Chisholm Sch., S. Springfield Ave. at Shunpike

Summer is over and by the time you read this, our dancing season will be well underway. Nevertheless, we want to welcome you to Harmony Dancers, on 1st and 3rd Saturdays. Our Executive Board works hard to present the finest dances around with excellent callers and cuers, a comfortable wood floor, friendly people, and wonderful refreshments.

Art Cross, our Raid Chairperson, has already begun our raid program and plans for us to visit many of your clubs. We also hope you will visit Harmony Dancers, whether individually or as a raiding group. You will be welcome.

We congratulate Joe Kasper and Alice Burnett on their recent marriage and wish them many years of happiness.

Harmony Dancers is trying to spread the news that square dancing is a fun and rewarding activity. We have taken part in four demos since spring and have been well received and asked to come again. More such activities are planned for the future.

Watch for flyers announcing Plus workshops later in the year sponsored by Harmony Dancers. It will be a good opportunity to brush up on your Plus skills if you are already dancing Plus, or to learn a new program if you are presently dancing Mainstream.

We wish you Happy Holidays.

HI TAW TWIRLERS – New Milford, NJ

PL

1, 3, 5 Tues. Sept-June

New Milford Middle Sch., Roslyn Ave.

Hi Taw Twirlers started the new season dancing to the lively calling of John Kaltenthaler and the cueing of Nick Raspa. John and Nick were in great form. Over eight squares of dancers were challenged by John.

Hi Taws is continuing to offer dances which are challenging to experienced Plus dancers yet friendly to inexperienced dancers. Check our ad! You will find that we have booked a variety of great callers. You will be familiar with some of the names, and others will be new callers who you will enjoy.

On their Rocky Mountain vacation, the Blotners and the Becks almost danced in a town with a strange name, Whitefish, Montana. The dance was listed but no one answered the phone. They do have phones in Whitefish.

Many of our members attended the Canadian Square and Round Dance Convention in Vancouver in July. Both of our new co-presidents vacationed in Europe: Judy & Jonas Siegel went to Venice, Italy, and Jill & Ken Weinberg went to Turkey.

Congratulations to Dotty & Mal Blotner on their first grandchild, Nicole, and to Arlene & Bob Stams on their first grandchild, Leah.

**HUNTERDON FLUTTERWHEELS -- Stanton Sta., NJ Alt MS/PL
1 & 3 Fri. Sept-June Echo Hill, Lilac Drive**

Hunterdon Flutterwheels were happy to start their new season. We knew it was time to start our autumn dancing when Mother Nature changed the color of the leaves from green to red, yellow, and brown. We got off to a good start when Ironia Reelers raided our first dance. We also embarked on several raids and were able to visit Spinning Wheels and Lakeland Squares. We had a good turnout and a good time. Our raiders were the Schmidts, Tempsicks, Hoff's, Kochs, Frasers, and the Davises.

We welcome all you Mainstream, Plus, and Round dancers to come to Flutterwheels. We are a friendly club beginning with a warm welcome greeting that lasts to the friendly goodnight. We have good dancing and good food. Our caller and cuer are the greatest. Wilson Hoff calling squares, and Peg Dockry cueing rounds. I am sure everyone would love them both. I know we do. Please come; we love having guests. See you in a square.

IRONIA REELERS – Randolph, NJ

PL

1 & 3 Fri. Sept-June

Ironia Elem. Sch., Dover-Chester Rd., Rt. 513

Outgoing and incoming officers gathered August 11, at the home of our new Presidents, Mary Jane & Greg Roome, to pass the torch and enjoy a great cold buffet supper and good company as well. One of the topics discussed was greeting dancers and doing our best to make them feel really welcome at our dances.

The first raid of the season to Hunterdon Flutterwheels, at the lovely Echo Hill Park, was well attended by 18 Reelers, even though the evening was warm and humid. Some of us tried to get positioned to dance in front of the industrial floor fan and do the "Marilyn Monroe Pose" with our skirts billowing up. The breeze made creative patterns and felt cool too. This may replace the Macarena; one never knows.

Beginning his 29th year of instruction, Wilson Hoff called for our two free Open Houses for prospective students on September 18 and 25. He will again lend his patient and thorough teaching talent to our square dance class on Wednesday evenings, and we are fortunate to have Al Spinks teach and cue rounds again this year.

Reelers are looking forward to seeing old friends and making new ones. We want to dance with YOU, so come to the Ironia School in Randolph and square up with us.

A car hit Bert Gallo. The car is fine. Oh... Bert has no major injuries and will be okay. Ruth Cohen fell and hurt her back, but we trust she will be okay too. Lydia Cerami has been in Florida for three months and we miss her.

There were 4-1/2 squares at our first dance, which took place on September 15 with Sandy Corey. Our Open House was held 4 days later. This article will be out at the Mini-Festival and it appears that our club will again be sending at least 2 or 3 squares.

We will perform square dance demos at the 3rd Avenue Festival in Brooklyn on September 29, and on October 29, at Zion Lutheran Church's anniversary weekend. We do what we can to try to interest new people in square dancing.

KITTATINNY RANGERS -- Andover, NJ**MS/PL tip****2 & 4 Fri. Sept-June****Long Pond School, Lime Crest Road**

Since we couldn't have a summer this year, I'm real happy to move on to the Holidays. May we wish each of you the blessing of good health and also the blessing of plenty. Plenty - so you may know the joy of sharing with others.

I'd love to tell you stories of "tenting on the old camp grounds," but alas most square dance weekends got rained on. A lot of folks like Dorothy & Syl, just commuted and had fun anyway. Talk about fun, Donna & Mike went to the Convention and then took in the Calgary Stampede Days. It must be truly awesome. Charlie & Deanne did Europe and Kay Davis whipped around the Scandinavian countries.

Coming back home, many club members spent the summer taking Plus lessons. All we need now is a little more courage. Speaking of lessons, our Mainstream class with that wonderful Mickey McFarland is in full swing again. Our thanks to our loyal angels for another year of help.

Our club still ascribes to *One Square is Fair*. We're still raiding and having fun. We just did Belles & Beaux's Beach Party. What a riot! We went loaded down with beach chairs, sun hats, sunglasses, umbrella, noodles, towels - actually the towels came in handy. It was a very hot night. Rusty Ball kept the fans blowing on the dancers and we all had a good time.

Guess this is the end of the line, people. Go Yellowrock that wonderful partner of yours.

LAKELAND SQUARES – Parsippany, NJ MS/PL tip
Every Tues. Sept-July Temple Beth Am, 879 S. Beverwyck Rd.

Our final dance of the year on July 30 was a crowd pleaser. Everyone reminisced about their childhood years, especially the times when the ice cream truck came around.

Lakelanders had their first raid of the season to Hix & Chix in August. We had 30 raiders. The Conklins thought it was great. Our first dance of the new season was well attended. Maybe because it was our third annual Brown Bag Supper Dance. The club provided beverages and desserts.

Pal Johnson called a great demo for the Presbyterian Church Fair in Hanover on September 14. We had two squares and a good time was had by all.

And now we are into yet another season of dancing. Join us on Tuesdays. We love to see everyone.

LEISURE SQUARES – E. Stroudsburg, PA

Leisure Squares was not represented at the Delegates Meeting on September 8, 1996. A call was placed to Tom Moss, who previously notified the NNJSDA by letter dated July 15, 1996, that he had assumed the presidency of Leisure Squares. NNJSDA Presidents, Sal & Mary Alessi, received a message from Tom that he was unable to proceed with keeping Leisure Squares an NNJSDA member club, and Leisure Squares will continue as a caller-run club.

Therefore, the NNJSDA must consider the change of Leisure Squares to a caller-run club effective the date of their original letter on June 30, 1996, and protect their dance night for six months until December 31, 1996.

MOUNTAIN SQUARES -- Whippany, NJ

A-2

1 & 3 Wed. Sept-June

First Presbyterian Ch., 494 Route 10

At the start-off time (7:45 PM) of our first dance, we were off and running - opening the season within a whisker of six squares. Wow! Joe Landi is the one who navigates a three-hour drive from Somer's Point on the Garden State Parkway to keep us alert and laughing in Whippany.

We had to make a staff change as an official time out was granted to Dot & Harry Henderson, our hosts for many years. Their efforts have contributed significantly to the success of the club, for which the club is thankful. The kitchen committee will adjust to continue to provide those energizing calories between tips. Dot & Harry will be a hard act to follow.

Food for thought: Does anyone know how Mountain Squares got its name? We are not sure where the mountain is.

WHAT GOOD IS LEGACY?

The other day a square dancer said, "Tell me about Legacy. What does it do? Is it an organization to document the history of square dancing?"

"Much more than that," we replied. "In fact, that's probably the least of the functions of Legacy. Here's the whole story."

Square dancing, just as any type activity, needs a "check and balance" system. Documentation is one thing, but steadying the course of an activity - urging an effective direction - is another. That was its purpose at the beginning in 1973, and it's still Legacy's role today. For instance, every year at the NSDC, Legacy chairs a Summit Meeting, in which leaders of every representative national/international organization of square dancing assess what is happening in the activity and recommend changes.

Similarly, at Legacy's biennial assembly of "trustees" (members), much exploration of "where we are going" takes place, and resolutions will be put forth. These conferences are veritable "think tanks" for square dancing. Approximately 100 leaders will meet in Salt Lake City May 15-17, 1997 for that purpose.

You've heard that Legacy attempts to "promote, preserve, and perpetuate the activity." That's an apt description. For over ten years, Legacy has conducted surveys biannually to examine the shape and structure of square dancing, its appeal, its numbers, its potential. Through its annual Promo-Pak, better promotion of classes is encouraged.

1 & 3 Fri. Sept-May

Christ United Meth. Ch., 1890 Forest Ave.

Hooray for Ocean Waves, we're returning from the brink,
Hoping to keep our heads above water, as we forge many a link,
In a long chain of friendship, with other square dance clubs,
As we completed the raid program, we wore our dance shoes down to nubs.

The pajama party at D & R Squares was lots of fun,
Joe's exposed knees notwithstanding, Mike and Aurora's day in the sun,
It's a wonder we were able, to ride home in the car,
Without being arrested, for pajamas worn afar.

Maria & Joe returned from yet another Florida square dance shopping jaunt,
Our Halloween dance was an evening worthy of any ghostly haunt,
With lots of delicious snacks, apples, cakes and cookies galore,
Our happy homeward bound dancers look forward to many more.

Richmond Dancers was saddened by the death of longtime member, Rana Pettit. We will miss her graceful presence. Our sympathy to Joan Cartier on the passing of both her mother and sister-in-law.

On a happy note, our first dance was fun time with Gerry Hardy calling. In between tips she also prompted CW dancing. What energy! It's a good thing it was our famous Dessert Dance. All those calories had to be danced off. Anyone who knows anyone interested in square dancing, give us a call. We would love to have them join our beginner class we hope to start in January.

ROCKLAND PROMENADERS -- Chestnut Ridge, NY**MS/CW****2nd Sunday All Year****Beth Am Temple, 60 Madison Ave.**

It seems we are just catching up with everyone's vacations and the holidays are here already. Harriet & Irwin Ballen went to the Scandinavia countries while Lucille & Richard Behrens were scheduled to go to Hawaii in October. We'd also like to congratulate Arlene & Bob Stams on their new granddaughter, Leah.

Our fall dances were well attended. Our thanks to all who were there and enjoyed the great callers. The use of computer squares seems to be working well. Everyone was dancing and once we got the hang of those numbers, we were pros at finding our squares. Those involved with organizing this program deserve a hand for their hard work.

As the holidays draw near, make sure to save room in your hectic schedule for dancing. This way that extra cookie or two, or three, won't be so bad. From all of us at Rockland Promenaders, we wish everyone a happy, healthy, and safe holiday season.

ROCKYTOPS of ROCKLAND -- Pearl River, NY PL/A-1 tip
1st Fri. Oct-June Pearl River United Meth. Ch., John St. at Franklin

We hope you had a great summer and are all back to lots of square dancing during this new season. We're looking forward to another fun-filled square dance season. Our July dance with Bob Paris and August dance with Roy Leber were great. Nick & Carol Raspa provided us with their smooth cueing as usual. It was good to see everyone enjoying the dancing and friendship.

Our condolences to Bernie & Sandy Beck on the loss of his mother.

Congratulations to Bob & Arlene Stams on the birth of their granddaughter. The Blottners and Becks went to Glacier National Park and had a wonderful time. If you haven't signed up for refreshments, please do so. Many hands make light work.

If you could put time in a bottle, what time of your life would you capture? Like sand through your fingers, time slips by quickly. Would you go back to the time you just learned to square dance, or your first summer/fall after graduation? We all have stories to tell. Why you continued on to Plus or Advanced? Are you happy dancing the program you're at? Do you want more, or just to dance better in your current program? Is square dancing just dancing, or is it also fun? Is it still the friendly, fun, healthy activity that it's meant to be? "The real voyage of discovery consists not in seeking new landscapes, but in having new eyes," Marcel Probst. Maybe we should look at square dancing with new eyes.

Please join us for an evening of fun and great square dancing with top regional callers and, of course, cueing by Nick & Carol Raspa. Our Pearl River location is 20 minutes from the intersection of GSP and Rt. 80 Saddle Brook, and 10 minutes from either the TZ bridge of Exit 172 of the GSP.

We have been very busy doing demos and trying to recruit new students and having a good time at our dances. It must be my year for parties because at our September 23 dance with Gerry Hardy, I was surprised with a great big birthday cake. I was thrilled.

There isn't too much to report yet, but I thought you might like a little holiday gift suggestion and a recipe for banana bread. Banana, zucchini, carrot, and nut breads make great gifts either alone wrapped in foil and bright ribbons, or with colorfully wrapped candies in unusual boxes or baskets. So delicious!

BANANA BREAD

- | | |
|----------------------|------------------------|
| 3 large ripe bananas | 1 egg, well beaten |
| 1 cup sugar | 3 Tbsp. butter, melted |
| 2 cups flour | 1 tsp. baking soda |
| 1 tsp. baking powder | 1/2 tsp. salt |

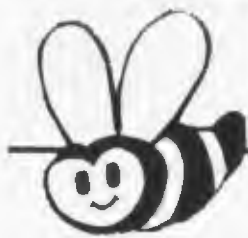

Mash banana well and mix with beaten egg. Add sugar and mix thoroughly. Melt butter and add to the banana mixture. Sift together remaining dry ingredients and add banana mixture. Bake in 5x9 inch pan (2 lb. loaf pan) or two smaller pans. Bake at 350° for 1 hour. For smaller pans, bake for 40 minutes.

As a way of giving thanks for all that we have received, we have been collecting non-perishable food items each week at our dances and then distributing them to food banks. We are also thankful for all the wonderful friends we have made through square dancing. Our whole club wishes everyone a happy and healthy holiday season, and we hope to give you our personal good wishes at a dance.

It saddens us that our sister club, Tenafly Squares, has had to close its doors. We have been friends and neighbors for four decades, and many of our members belonged to both clubs. We are hoping that Tenafly Squares' members will allow us to be their "mother club." Some joint ventures are planned with other local clubs, which should make the coming season a successful one.

We didn't have a September dance, but we did hold an Open House for a local community school program to try to get enough dancers for a class. Five angel couples helped ONE student couple have a good time. We're looking forward to another season of good callers.

Be sure to look for our flyers and come over and dance with us. **SUPPORT YOUR MAINSTREAM CLUBS.**

LETTERS TO THE EDITORS...

Enclosed is a Bangor Convention registration form. Would you please list this Convention on your page with the listing of "Weekends, Festivals, Specials, and Conventions?" We would greatly appreciate it. We had meant to bring a whole stack of these forms to The Gathering and left home without them. I'm sending a stack to John & Freddie Kaltenthaler, who will hopefully distribute them.

We were very impressed with your publication, *Grand Square*, and with *The Gathering*. You sure have hard workers in New Jersey. We congratulate you on your hard work and wish you the best of luck in finding someone to succeed you. If your schedule and family situation permits, we'd love to welcome you to New England, either in Bangor this April of 1997 or in the North Shore of Massachusetts in April of 1998 and 1999.

Thanks for your help in publicizing the New England Convention.

PL/A tip

1 & 3 Thurs. Sept-June

Woodruff School, Briarwood Drive West

We're thrilled that we are dancing in our new "home" at Woodruff School in Berkeley Heights. Have you come and checked us out yet? We'd be really glad to square up with you and show off our new quarters. Our raid program started in September with a trip to Staten Island for our first outing. Raids are important to the success of all our clubs, not only for the obvious boost in attendance, but in the socializing with other dancers. We meet dancers from clubs we have raided wherever we go - weekends and specials, and even at the National Convention! We give thanks for all the good people we meet and the opportunity to share good times with them. We wish you Happy Holidays with those you love.

LEGACY continued from page 23

Legacy's big function is promoting better leadership within the ranks of local and regional organizations. Toward this end, dozens of so-called Mini-Legacys have sprung up in many areas to bring together local leaders for training, a grassroots effort to create better local club activity. A special handbook of instructions is available from Legacy for use by these groups.

Perhaps you know that Legacy is a "communications resource." News and feature releases come from Legacy's office in Wisconsin and go to all publications to inform the square dance public. A monthly bulletin, the *Club Leadership Journal*, is available by subscription and deals with better leadership, promotional methods, and current resources. The quarterly *LEGACY LOG* goes to the membership.

A "hotline" to coordinate efforts to curb danger elements in the activity (ads that portray square dancing in a poor light, for example) has been active for many years and has been effective in starting a chain reaction of protest calls and letter in several instances.

WESTERN WHEELERS -- Oradell, NJ

PL/A-1 tips

2 & 4 Sat. Sept-June Refrmd Ch of Oradell, 641 Church St (cor. Kinderkamack)

Since we haven't had our first dance at the time of this writing, I'd like to back track and elaborate on our biggest, most interesting dance of '95-'96. Don Coy explained that he and Al'e'Mo Squares wanted to bring a bus load of traveling German square dancers, the "Schwabisch Sweethearts," to a pot-luck evening on April 27, which would be the last stop on their US tour.

As usual, our wonderful members went all out in donating so much and such a variety of food that we couldn't get it all out at once. The bus arrived a little behind schedule and our jolly visitors from Europe were famished. We had an assembly line set up for doling out the hot dogs and sauerkraut from the Bachmann crockpot, to the runners, to the trays, to our hungry visitors.

Don Coy and Nick Raspa shared the evening's spotlight with the two callers and the cuer traveling with the Schwabisch Sweethearts. Mini W/W badges were presented to our visiting guests and they presented W/W Presidents (Gus and myself) with special dangles. The group was very complimentary about our dance accommodations, and how welcome US dancers made them feel. It was interesting comparing notes (once past the language barrier) as to how they set up their dances, and that they did demos in youth centers and maternity suites.

For the final roundup of this successful evening, we had a group participation song scroll, called a "Schnitzelbank," courtesy of Gus' father. Dot Loewenstein led the group in singing this Schnitzelbank (all 24 verses), accompanied by yours truly on the piano. Picture taking, hugs, and kisses seemed to go on and on, as we said goodbye. What a satisfying experience it was to see how we could communicate through our friendship put to music. Let's put our heads together and strive to keep this wonderful, unique, universal activity going and growing.

Y SQUARES -- Clark, NJ

MS

2 & 4 Fri. Sept-May

Carl Kumpf School, Mildred Terr.

Friday the 13th wasn't a bad luck day for Y Squares as we opened our square dance season to a packed floor. It was our Open House and we had many visitors eager to square dance. I am sure the real good publicity item in the Weekend Section of the *Star Ledger* was the reason, and we thank Taras & Maurie Berlinrut for making the arrangements for the article. Our raid program is in place so look for us on your dance floor.

Special Note: At the last minute we had to change the location of our November and December dances, and we don't want to miss you when you come to visit us. We will be just down the road at the Henley School (where we hold our classes) on Raritan Road. You won't have a problem finding us. See the map on our flyers. See you on the dance floor.

YOKES THAT BECOME POCKET FLAPS

by Rusty Ball

My husband likes to use a plastic badge holder that fits under the pocket flap snap. And he likes larger yokes. So he particularly liked the idea of using the yoke as the flap.

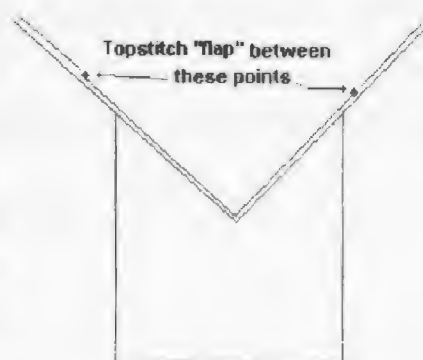

To incorporate the pocket and yoke, draw your own yokes. Get creative. A yoke is a free-hand representation that you can draw. There are many designs available in patterns, but why waste dollars when you can do your own with a pencil in 15 minutes? Use a picture from a catalog, from a pattern book, or any other inspiration you choose, like the fabric design itself.

Start with the shirt front pattern. Lay it on a piece of newspaper, and (using a heavy marking pen so you can see the design) draw around the outside of the sleeve line, shoulder, and neckline, down to the bottom of the pocket. Lay the pattern piece aside and draw in the pocket, as well. Decide how you wish the yoke to look. Sketch it in, being sure the bottom of the yoke reaches the center of the pocket. And draw it all the way to the center front line--it will go UNDER the front button band.

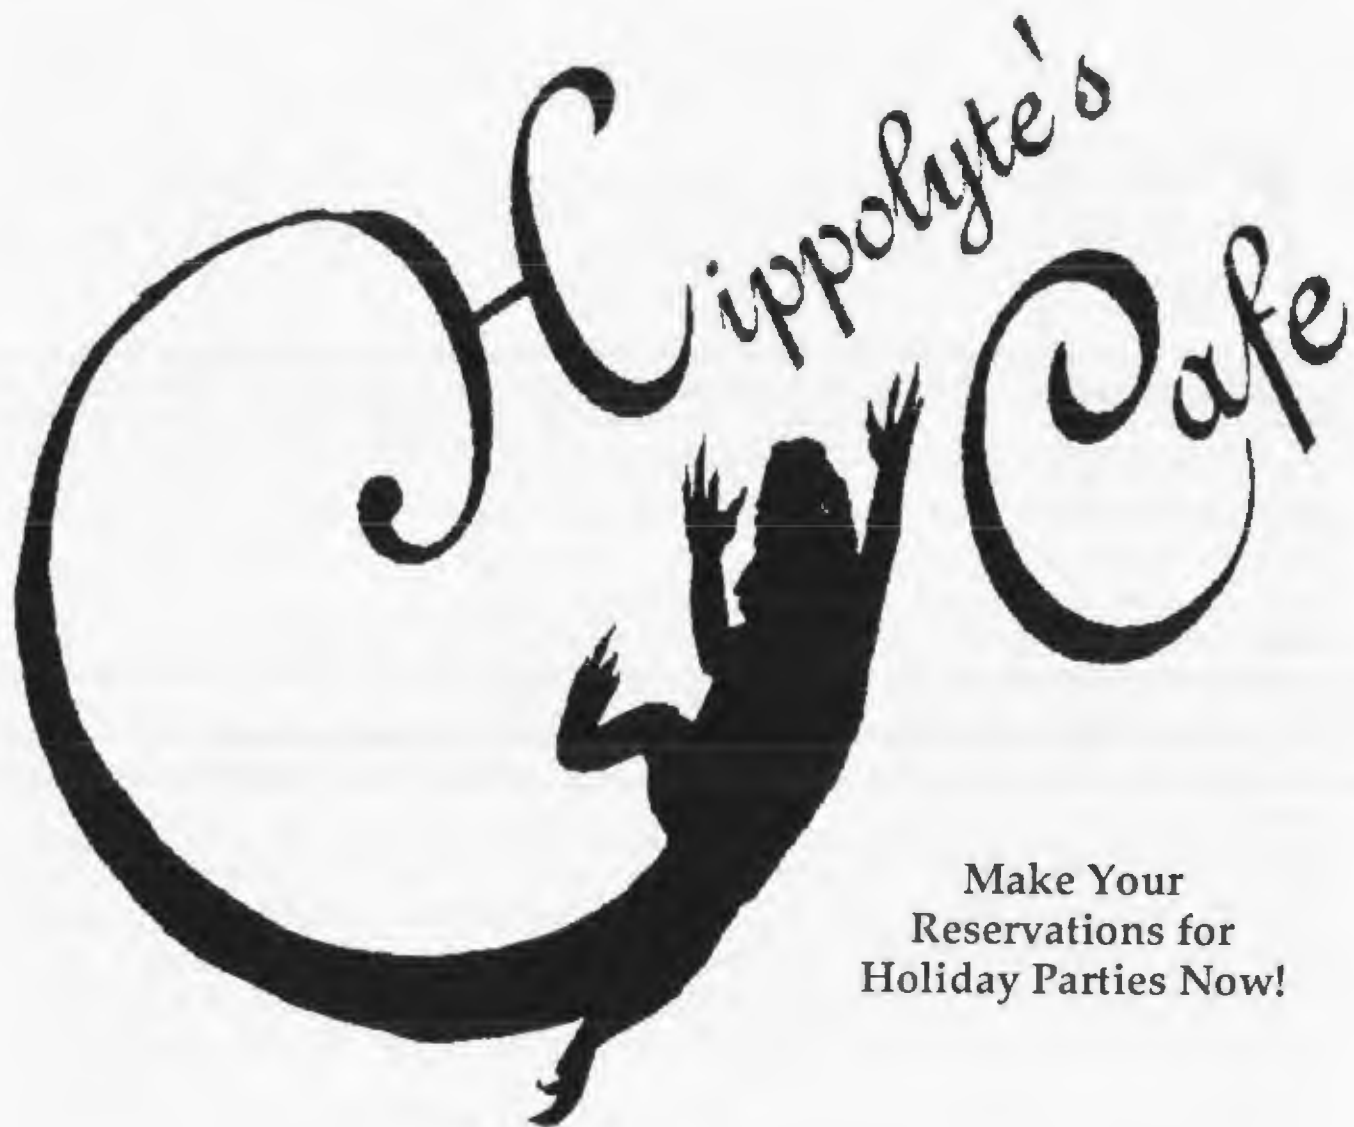

Add 1/4" around the bottom of the design you just drew for seam allowance. Then draw the back yoke, starting with a drawing of the shirt back pattern. Remember the shirt back pattern is folded in the center, so you may find it easier to draw both sides as a whole piece to get the effect of the full yoke.

When cutting the yoke out of fabric, cut two of the back yoke and 4 of the front yoke pieces. The extra pieces will be used as a facing. Interface the "flap" area. Place the yoke and facing right sides together, and sew only the bottom edge, using a 1/4" seam. Clip curves and points, and turn right sides out; press carefully. Top-stitch around the "flap" section of the front yoke to 1" past the edges of the pocket, and cut thread.

Assemble the shirt, pinning the yoke in place. Top-stitch the back yoke and the pockets in place. Do not, however, stitch the front button band in place.

Top-stitch the front yoke to the shirt from the point the topstitching stopped on both sides of the "flap" section. When you lift the "flap", it should be easy to get into the pocket; if not, adjust the topstitching. Finally, apply the button band over the center edge of the yoke, and finish assembly of the sleeves and collar.

HOW TO BE AN ANGEL

by Dick Mazziotti, Caller/Teacher

"If I didn't have to be here, I'd just as soon forego the pleasure," a quote from a corporal in Custer's regiment on the eve of the battle at Big Horn. It is something that could also be said by some "angels." In the last issue, John Kaltenthaler wrote an excellent article on the business of angelling for class. At The Gathering, a sold-out group of more than 50 people got together to discuss this very important activity and to share experiences and problems.

The keynote speaker, Bob Carpenter, make a salient point about retaining new dancers once we get them into the class. He pointed out the fact that neither you nor me can

motivate new dancers to embrace our activity with enthusiasm, style, and competence. Dancers motivate themselves. What we can do, however, is discourage them. We have it in our power to turn them away. We do it with misinformation about "easy" ways to do calls, with sour pusses, with angels who are not the most competent dancers, with unfriendliness.

There are club officers and callers who are talking of doing away with angels

altogether... and wouldn't that be a shame. Those of us who remember the really good angels, the ones who were friendly, competent, and who took us to our first dances, the ones who taught us by their examples. Wouldn't it be a shame to deny new dancers that pleasure?

How can we do that? Simple. If you are a GOOD dancer, especially if you are a GOOD dancer in Plus or Advanced program, pick a Mainstream class and go *just once a month* to angel somebody's Mainstream class. It doesn't have to be a club you belong to. Just go. Lend your considerable expertise. Improve the quality of the angelling staff. Let the dancers see GOOD dancers dance. Especially at the Plus and Advanced program, there are several hundred GOOD dancers that never angel a Mainstream class. If each and every one would go just one night a month, a square and half would be added to every Mainstream class in the area...a square and a half of GOOD dancers.

Below is a list of The Ten Commandments for angels. Hope to see you all just once a month at a Mainstream class.

THE TEN COMMANDMENTS

1. Take not the name of thy caller in vain, nor anger.
2. Honor thy partner and thy corner as well.
3. Thou shalt not covet the sound of thine own voice.
4. Thou shalt keep thy lip zipped, especially when thy caller speaketh.
5. Thou shalt take hands with thy neighbor, always.
6. Thou shalt not bear false instruction, nor any other kind, to the new dancers
7. Thou shalt pay thine own rapt attention to the Word, as received from the caller, lest thou botch up the square thine ownself.
8. Thou shalt mingle with pleasantness, giving encouragement and forswearing discouraging words.
9. Thou shalt leap with enthusiasm and verve into the first available square when the celestial music starteth.
10. Thou shalt accompany thy new dancers to other clubs.
11. Go back to Commandment One...

Find out the answers to the following questions, and give us a call. There are no wrong answers--we have many different needs at different times of the year.

1. What is the rental--under \$150? Does the renter have to be from a certain community or organization to get this price?
2. Is it air-conditioned?
3. Does it have wood floors? Linoleum? Concrete?
4. Is it available on Friday nights, and Saturdays evenings before sundown?
5. Is it available on Sunday afternoons?
6. How far in advance can it be booked?
7. Is it open during school breaks and vacations?
8. How many squares does it hold (1 square = 10 ft x 10 ft space)?
9. Does it have bleachers?
10. What is the address?
11. Who is the person to contact to rent it? Phone number?

Northern New Jersey Round Dance Leaders Council

Our new Council officers for the '96-'97 season have been announced. Janet & Stewart Summers will head up as Moderators to be ably assisted by Secretaries Rosinia & Rick Wagonhoffer. With this winning team, it's a sure bet the Council is in for a year of good leadership. The Fall Festival of Rounds on November 3rd will be but a memory when you read this. Hope you did not miss out on an always wonderful afternoon of dancing. All you snowbirds have received your reward. We have acceded to your numerous requests to move the spring dance, which is now scheduled for Sunday, April 6, 1997. Of course, we know you'll mark your calendars accordingly and will be back in time to fill the hall.

We are pleased to report that once again two couples from your Council are actively involved on Roundalab committees. Frank & Carol Valenta are Chairmen of the Round of Quarter Phase III Selection Committee. Dave & Wendy Roberts are Chairmen of the Standardization of Classic Cues as well as Subchairmen of the Round of the Quarter Phase III Selection Committee. Two of our couples are actively involved in the 11th NJ Square & Round Dance Convention committee: Roy & Betsy Gotta, Registration; and Dave & Wendy Roberts, Round Dance Chairpersons. These tasks are taken on in conjunction with their current area responsibilities and the aforementioned jobs often have tight deadlines that have to be met. We commend them for taking on these additional responsibilities.

RAMAPO RHYTHMAIRES -- Rutherford, NJ

Mondays

Annunciation Ukrainian Church, Home Ave.

This year finds us with a stimulating group in our basic class. They are a real pleasure to teach as they are bright and grasp things so well. As we progress, they retain their humor making the teaching of this class really enjoyable. We are sure to have a strong group of dancers joining us on the round dance floor this spring. Keep up the good work, guys!

The intermediate group has developed into a medley that is traveling, and finding fulfillment in the quasi phases we are exploring. Reinforcement of steps that they were introduced to last season is key as they adventure into stranger things. They are adapting well to the new figures being introduced this dance season.

SQUARE DANCING ON TNN?

Would you like to see square dancing on national TV? A weekly television show about square dancing will soon be proposed to The Nashville Network (TNN).

Callerlab member Chuck Veldhuizen, owner of Daystar Productions, video taped a pilot TV show in Nashville last April. The show, *American Danceland*, is directed by Jimmy Snow, son of country music legend Hank Snow, and features square dancing's spokesperson, Rebecca Holden. Callerlab members Jerry Junck, Tony Oxendine, and Chuck Velehuizen perform in the pilot show, along with many square dancers from the Nashville area.

Following production of the video, Rebecca's booking agency arranged for square dancing to be featured on TNN's *Prime Time Country*. Rebecca, Chuck, and a square of dancers were guests of Bob Eubanks on this popular TNN talk show. The show was broadcast on June 20, 1996.

This was the first time TNN ever featured modern, western square dancing on their network. A window of opportunity has been opened! The next step is up to us. TNN needs to know that we are out here.

If you would like to see more square dancing on TNN, we must let them know by sending them thousands of cards, letter, or petitions asking for more square dancing. All square dancers and callers are encouraged to help with this campaign. Please help by signing a petition or by sending a letter or postcard to:

TNN, Attn: Ann Boatman, 2806 Opryland Drive, Nashville, TN 37214.

In your postcard simply state: "I would like to see more square dancing on TNN."

After sending your own card or letter, please ask others to do the same. Thousands of cards, letters, and signatures to TNN will demonstrate that square dancing has enough viewer interest for a weekly TV show. With help from all square dancers, TNN can be persuaded.

M & M SQUARES -- Park Ridge, NJ

Basic

1st Saturdays

Pascack Reformed Church, Pascack Rd

M&M Squares danced all summer. We had great turnouts and it is quite gratifying to see the MS, Plus and Advanced program dancers who are supporting this program. Thank you for your continued support.

Our Basic program hot-hash in the middle of the dance continues to prove that the number of calls has nothing to do with the complexity of the dance. We are considering adding an A-2 aftertip!. Also in the plans is a Basic program ticket dance called by a national caller. Again, we will probably ask for a Plus and A-2 aftertip. More on that later as plans coalesce.

M&M's will continue dancing the Basic program through December. As early as possible after that, we will go to class level to offer yet another place for the new dancers to strut their stuff until they graduate from Basic. Please see Dick or Laurie at the dances with your suggestions for improvements to this program.

HALF-A-PAIR TO BE "MAGICAL"

YOU ASK...WE LISTEN!! With just one more little wave of our Magic Wand, another trick has emerged from the 46th NSDC top hat. The hall formerly dedicated to "singles, solos, or stags," to mention a few, will now be wearing a brand new magical name. When you come to Orlando, you will be dancing in the 13,500 square-foot hall dedicated to the HALF-A-PAIRS. And a warm Florida welcome to all HALF-A-PAIR dancers. The hall will be dedicated to your exclusive use throughout the entire Convention. It's conveniently located within the Orange County Convention Center. Since ALL dancing at the 46th NSDC will take place under one roof, the HALF-A-PAIRS are just one door away from the Plus/Rounds Hall. One doorway the other direction will take you into the Exhibition Hall, and just across the 90-foot hallway, you'll find the Country Western/Line Dance Hall. An additional 90 feet will bring you to the Mainstream Hall, and another 200 feet will bring you to the Advanced Halls.

In the event you want to rest your feet from dancing and take advantage of the great bargains our 232 vendors have to offer, the vendor area is located a mere 200 feet away. If your special interest is Round Dancing, you'll find 60,000 feet of wood floors in three halls dedicated exclusively to rounds, just a quick ride up the escalators.

In each of the 20 halls, you will also find a spot reserved to find the "other half." Our HALF-A-PAIR ribbons will be special so you can quickly recognize your friends and enjoy the fellowship we are offering to each dancer attending the 46th NSDC.

MAP FOR THE MID-TERM STUDENT DANCE

LEGACY continued from page 34

At every NSDC, Legacy conducts a number of educational panels that have provided valuable leadership training. These same kinds of panels have been incorporated into area festivals and conventions as well, and into the Canadian National Conventions.

Over the years, Legacy has taken a major role in creating widespread new developments. The impetus to create Roundalab started with Legacy. In the same way, the National Association of Square and Round Dance Suppliers formed from a group meeting at an early Legacy conclave. Legacy encouraged Callerlab to form a Record Producers Clearing House. Callerlab's CDP was strongly pushed. Jointly with the U.S. Dancers Association, the American Folk Dance legislation was promoted until now 28 states have adopted State Dances. Several resolutions promoted acceptance of prairie skirts as alternatives to the prevalent square dance attire. Smoke-free dance halls have been encouraged. Leadership training programs are continually promoted.

Legacy is unique in that it doesn't attempt to create a top-heavy organization with thousands of members. A "think tank" needs to be small. There are fewer than 200 "trustees," plus a number of affiliates. It's an umbrella organization with representatives of ten segments of the activity, including callers, round dance cuers, dancers, suppliers, and others.

What good is Legacy? Unquestionably good! for more information, contact Al & Vera Schreiner, Executive Secretaries, 1100 Revere Drive, Oconomowoc, WI 53066; 414-567-3454
