Graduations, the summer dance season and into another new year of planning for the future. A lot of praise is due our officers, coordinators, and the new people who volunteer to become our leaders. To all of you who contribute to making our lives fun through square dancing, "Thank you." And to all of you out there who are kind enough to share your lives with us, a special thank you. You make it easy to make new friends.

At the most recent count, there are 1,446 individuals who are part of the NNJSDA community. Yes, it is true that we are not getting as many new dancers to join in our activity as in the past, but we are not to be counted out. We will continue to enjoy the benefits and rewards of square dancing: the laughter and joy we receive through our friendships.

Please continue to support the Association Specials, and especially the Summer Dance Program. You may have to travel a little farther and dance other than your normal program, but the hand you reach out to that corner is a treasure only you can give. The bond you form with a new graduate or reestablish with an old friend can only be made with your presence.

LETTERS TO THE EDITORS...

Thank you so much for sending us complimentary copies of the *Grand Square*. We really enjoy reading about the NNJSDA news, even though we've been in Florida 16 years (how time flies!). We are enclosing a check for \$10.00 as appreciation for the *Grand Square*; we know the funds are limited.

As you can imagine, the 46th NSDC committee are hard at work finalizing their jobs to make it the best ever National. The Convention Center is magnificent and lot of money is being spent on putting up soundproof walls in the dance halls and wooden floors in the round dance halls. Please encourage dancers, callers, and cuers to come on down to Orlando and taste that "Touch of Magic" Florida has planned. We promise a fun-filled time. Orlando is a fantastic vacation city and has so much to offer. The whole state does. Where else can you drive one hour west and swim in the Gulf of Mexico or drive one hour east and swim in the Atlantic?!!

GRAND SQUARE IS CHANGING!!!

We are staying on as Editors! But *Grand Square* is changing. As per the vote of the Executive Board, *Grand Square* will be published only three (3) times a dance season, beginning with the next issue. Please note the following:

Deadlines

July 17, 1997

November 17, 1997

March 17, 1998

Publication

Theme

Fall Issue

Winter/Spring

Grads/Summer

Revised Reporter and Ad Maker Forms will be sent in June after the NNJSDA Questionnaire has been returned to us.

Advertising Rates - will remain the same for member and non member advertisers, but there will be NO discounts offered for multiple issues. (Without the discount, a club taking three 1/2 page ads saves \$39.00 a dance season.)

Subscriptions - will be reduced to \$5.00 for three (3) issues. All existing subscriptions will be extended to honor their remaining number of issues.

Dance Calendar - will run for 4+ months instead of 3. The additional dates may require that we reduce the font size.

Poster Contest - the winner will still be the cover of the Fall Issue.

Printing Costs - will not be impacted. It currently costs \$1,908 with tax to print a 64-page issue.

Assessments - will remain at \$1.00 per mother club member.

We realize that there will be a period of adjustment and that the first few issues will require more than the usual number of phone calls. We think this is a viable alternative that will keep Grand Square alive for a few more years.

HAL & FLORENCE MARGO HONORED BY Y SQUARES

In December 1996, Y Squares presented Hal & Florence Margo with a plaque "In recognition of your many years of diligent and tireless efforts for the improvement of Y Squares."

Florence was presented with a bouquet of roses, and there was a beautiful cake for everyone to enjoy.

Unfortunately, Hal was in the hospital that night, but everyone sent him their best wishes. The Margos were persuaded to bring the plaque back to a dance and pose for this picture.

As fate would have it, this special dance in honor of the Margos was also the last dance that Brian Fugere called for Y Squares.

LETTERS TO THE EDITORS. . .

Contacting each and every person who expressed their sympathy and kind regards to me and my children would be impossible. We would like to express our deepest thanks for the calls, the cards, the letters, and the gifts that were sent in memory of Brian and our family.

We have felt so honored and so overwhelmed by the outpouring of love and support we have received from the square dance community. The two benefit dances on March 2 and March 9 were such a wonderful testimony to Brian. We want to thank the staffs of the dances: Randy & Fran Page, Roy & Betsy Gotta, John & Freddie Kaltenthaler, Dan & Kathy Koft, Len & Joan Anfinson, Karen & Greg Kushla, Joe & Debbie Landi, and Al & Gale Spinks. We greatly appreciate the donation of your time and effort.

We'd also like to thank Hal & Florence Margo, Leo & Corinne Eckmann, Greg & Mary Jane Roome, Joe & Jean Magnani, and everyone who helped with the dances. We wish we could write to each of you personally to express our thanks.

The dancers who responded were so supportive and concerned. The dancing, fun, and laughter were a great tribute to Brian's memory. He loved square dancing so much! He would have felt so touched to know of your great demonstration of love.

Brian loved square dancing. He loved to call. He was a fine singer, a creative choreographer, and a kind generous person. Brian gave his time and effort to bring joy and cheer to his dancers. Though our family will desperately miss him, we know he will live on in your memories and prayers.

Brian was wonderful husband, a tender lover, and a devoted father. Please remember him as a person who wished to make the world a better place.

Thank you for your kind expressions of sympathy and your friendship.

AL'e'MO SQUARES -- Brooklyn, NY MS/PL tips

2 & 4 Sun. Sept-June Our Lady of Grace Church, Ave W & East 4th St.

How quickly time flies. It seems it was just September and here we are April 30 fasting approaching, Al'e'Mo's Graduation Day. We will be graduating 14 students, and we are proud of all of them. They have made their commitment to square dancing, and have worked hard. They preserved and followed through, but, most of all, they enjoyed what they were doing and accomplished their goal. Now they are square dancers and Al'e'Mo club members. Welcome to our club.

Graduation will be a bittersweet time for Al'e'Mo. While we enjoy the proceedings, we will sorely miss the presence of Joe Piazza, who M.C.d the occasion for so many years. Joe passed away last August. He always did such a beautiful job, from the planning stage to purchasing the food, to following up on all the details and finally conducting the entire ceremony. Thank you, Joe, for such a splendid job. His spirit will always be with us.

Al'e'Mo will hold their elections of officers in May. We hope and expect to go into next year with Vincent Nunziato and Caroline Parlato at the helm. We are most fortunate to have such a strong and creative leadership team. We also have a wonderful Executive Board, all of whom we expect to retain. With this kind of cooperation, leadership, and dedication, we look forward to an excellent and most promising future.

BEE SHARPS -- Bridgewater, NJ

PL

2 & 4 Fri. Sept-June United Methodist Ch, Country Club & Van Holten Rd.

Our members' attendance at our own club dances has been kind of poor. Our raid chair lady, Joan Spagnola, thought up a good idea: Why don't we raid our own club? Would you believe it—about 3/4 of our club showed up! When we called up the members they couldn't believe us, "Raid our own club?" Well, it worked out beautifully. It was a novel idea that worked for us, and it and maybe it would work for all clubs. Try it!

Our students are now into Plus and doing very well. Graduation is just around the corner. As yet we have not had any cancellations of dances and classes due to bad weather (knock wood!). We've gone on raids to Harmony Dancers and Valley Squares. You get to meet so many friendly and nice people, sometimes even the same people who go from club to club by themselves.

Little by little, our members are retiring from work. Our latest is John McCarthy. His wife, Irma, and the family surprised him with a party. Now he can wake up in the morning anytime, do what he pleases (play golf?), and just relax and enjoy life. It seems February is the month for birthdays. Can't name them all for there were many in the Bee Sharps. Happy birthday to all of you.

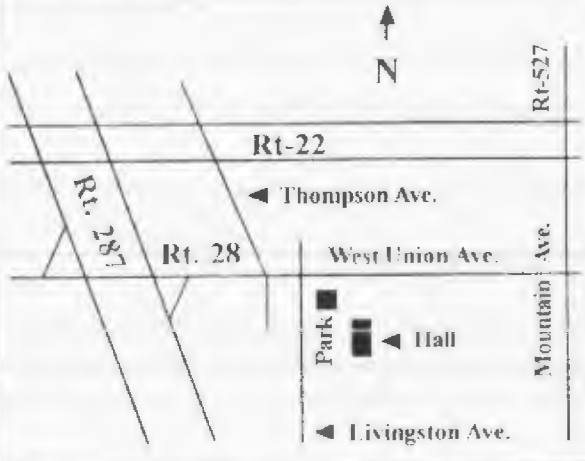

The Bee Sharps attended a Friday dance at the Hunterdon Flutterwheels in Flemington, and guess who was celebrating a birthday? Wilson Hoff (39 years young, ahem!) was being wished a happy birthday by all with a big, beautiful birthday cake. The big gift from Sally Hoff was a cruise to the Islands. As I am writing this, Wilson & Sally are on the Atlantic Ocean enjoying themselves.

Summer dances are coming soon so, new graduates, make a point to go to the square dances and renew what you learned.

CIRCLE EIGHTS -- Haworth, NJ **MS/PL tip**
4th Fri. Sept-June **St. Luke's Episcopal Ch., Mass. & Grant Aves.**

The dance season for Circle Eights is drawing to a rapid close. It has been a great year for our club with well attended dances, terrific callers, and Plus workshops during the first half-hour of each dance. We also ordered club jackets this year and made charitable contributions to various worthwhile causes.

On the sad side, we are sorry to lose four of our members because of relocation. Edie & George Crandall move in the spring to a new home in Monroe Township, NY. Beverly & John Hood are getting ready to move into their new home in Toms River, NJ this summer. We are very sorry to see them go, but hope that they will visit us often. We wish them every happiness in their new homes. They have been valued members of our club and will be missed by all of us.

COUNTRY PROMENADERS -- Edison, NJ

PL

2 & 4 Sat. Sept-May

Stelton Comm. Ctr., Plainfield Ave. (Rt. 529)

Alt. Site: First Presbyterian Ch, 117 5th Ave, Roselle

We had to cancel our January 25 dance due to loss of our hall. Unfortunate as this was, we took this opportunity to raid our friends at Richmond Dancers, who we usually can't visit because we dance on the same nights. We also raided our neighbors Rutgers Promenaders at their Presidents' Dance/Chinese Auction. Everyone's spirits were lifted by the sight of a full square of young dancers (i.e. under 15 years old).

February 8 was our special Sweets for the Sweet/Pie Nite. Randy Page and Steve Bradt did the honors, helping us to dance the night and calories away. Keeping with the Valentine's Day theme of matters of the heart (after all, love is what really matters), we dedicated the dance to Brian Fugere, who passed away January 28 from complications of a faulty heart valve. The Fugeres were alumni of Country Promenaders before Brian became one of our most talented local callers. He'll be missed. Donations were made to St. Jude's Children's Hospital in his memory.

Mark Franks called our February 22 dance with a new selection of records and singers. As always, his choreography was both fun and challenging. Mark and the dancers managed to gather enough energy to end the evening with "Fisherman's Luck." Our third Carnivale was M.C.d by Pete Diven. This year a clown and a hula dancer graced our stage. Our well-attended, fun-filled party help Pete celebrate his engagement to Janet. Congratulations to the happy couple, who will be married on April 6.

Our successful season ended with a bang, not a whimper. We enjoyed the talents of two talented local callers, Joe Landi and Jim Snyder, as well as two national callers, Mike Callahan (NY) and Cindy Whitaker (IL). Cindy's energy, choreography, and beautiful singing voice helped make our 3rd annual Prom Nite/Dress Up Party a night to remember.

We hope everyone has a healthy and fun summer, and enjoys the available dancing. The Five Clubs Summer Dances are held on the 2nd & 4th Fridays of June, July, and August. The first dance is the 2nd Friday in June with Betsy Gotta and Dan Koft calling, and Roy Gotta and Kathy Koft cueing at the 1st Presbyterian Church of Roselle. We hope to see you in a square this summer.

CROSS TRAIL SQUARES -- Caldwell, NJ

PL

2 & 4 Wed. Sept-June

Lincoln School, Crane St.

Summer is upon us and while that means a break in our club dances, it does not mean that the members of CTS stop looking for opportunities to "square up" and dance. The summer will find our intrepid camping contingent, The Square Wheelers, out on the highways and byways and CTS always seems to be represented at the state and national conventions.

Summer gives dancers a great chance to expand their horizons. Here is a good tip for the summer, take your badge and dancing shoes with you when you go on vacation. With a little planning and a little luck, you will find a dance and some new friends wherever your travels lead you. They say it always pays to have a friend in town and I haven't once failed to find friends at a square dance.

Finally, one other thing all of us should do this summer is find new dancers for our clubs. Square dancing cannot be done alone and that means we need a steady supply of new dancers. If we all made an effort to get just one couple to sign-up for basic/mainstream lessons, we would insure the health of our clubs and the dancing we all love so much. Have a good summer and good dancin' to you all.

DINGMAN DANCERS -- Milford, PA MS/PL tip
2 & 4 Tues. Mar-Jun & Sept.-Dec Delaware Valley H.S., Routes 209 & 6
Jun-Aug American Legion Hall, Milford Rd & Christian Hill Rd

Since we do not dance in the winter and were not successful in having a class, our caller, Rich Murphy, decided to have workshop on Monday nights, our usual class night. Mainstream APD and Plus were taught and enough of our members attended to make it successful. To celebrate, they sponsored a Valentine's Dance on February 10. Members and students from D&H and The Happy Footers came and all received a package containing candy and a Valentine dangle provided by Rich Murphy. With so many dancers wearing various shades of red, it certainly was a colorful dance.

During the winter break some of us traveled including Charlie Williams, who visited his 96-year-old mother in Springfield, Missouri. God bless her, Charlie.

We were sorry to see that Mary Alice Pensick broke her arm again, but she still attended the dance. Our sympathies go to Ray & Carol Proulx on the loss of Ray's mother, Yvette.

Our club dances resume March 11, and we look forward to seeing you then.

Our new FAD class started February 25 at the Midland Park High School. Our teacher, Fran Wadel, is doing her usual great job with the students. All of our guest callers have been well received. On March 2, Fran Wadel and FAD's own Jim Broderick did all singing calls.

Our President, Dorothy Fels, came back from Florida with an unwanted souvenir—a bad cold. Dorothy and the other officers have agreed to stay on for another term. She is doing a super job.

We're a Mainstream club, but we welcome all Plus dancers. As Frank Poole says, "Keep Mainstream dancing alive!" FAD means Fun At Dancing.

HARMONY DANCERS -- Springfield, NJ

PL

1 & 3 Sat. Sept-May

Chisholm Sch., S. Springfield Ave. at Shunpike

As I write this in early March, the robins have come back, the bulbs are sprouting, and signs of spring are truly here. We hope to see the snowbirds back from Florida soon and then we'll know for sure winter is over.

Our Ron Rumble Round Dance was once again a success, and we plan to do it all over again next year. We had 12 guest president couples at our Presidents' Dance, and with a raid from Hix & Chix that night, we had 15 squares of dancers filling our halls to square dance to Manny Amor and round dance to Al Spinks. Also, two to three squares have attended our Plus workshops that have been in progress since January.

Thanks to the many people who supported the Benefit Dance for Brian Fugere's family that was co-sponsored by Y Squares and Harmony Dancers.

We would like to once again thank our staff of faithful officers who keep things running smoothly at Harmony. A thank you also to all the raiders and visitors who come to help make Harmony a fun place to dance.

Watch for end-of-the-year ads for specials at Harmony and for starting dance dates in September. Have a safe and enjoyable summer and if travels take you on the road, drive carefully so we see you back in the fall. If you are here, we hope to see you at the Five Clubs and Association dances this summer.

1, 3, 5 Tues. Sept-June New Milford Middle Sch., Roslyn Ave.**

As we near the end of our dance season, Hi Taw members can fondly remember a very busy year. Our all-position Plus DBD Workshops, exciting callers, and our venture into computer squares kept us moving. The angels who helped graduate our Plus class deserve a special thank you for their time and effort.

Between square dance weekends, our members have been traveling extensively this year. Turkey, Egypt, Germany, Russia, Argentina, Hawaii, the Caribbean, Texas, and Florida were just some places visited. Many of us plan to attend the 31st National Advanced and Challenge Convention this June in Virginia Beach and the 46th National Square Dance Convention in Orlando.

Lou Flego and Roy Leber called two special A-2 dances this year for our club. Dancers from many clubs attended, making for a festive and successful occasion for all. We also had a great turnout at our raid of Tenakill Twirlers on February 21 with Bob Mitchell calling.

We end our year the first Tuesday in June with Lou Flego calling and we look forward to our first dance in September with Red Bates. We hope to see all of you dancing this summer and at Hi Taw in the fall.

2 & 4 Thurs. May-Aug

Hix & Chix finally was able to get the 1997 dance season going January 23 with a Pie Night. Not sure whether we "sold the best and ate the rest," but the dancers enjoyed what they ate and the buyers were reportedly very happy with what they took home.

The turnout for the February 24 Chinese Auction night was excellent, and the merchandise selection was broad and of high quality. It was all the more fun as our caller, Dick Mazziotti, helped to move things along by getting right into the action of the auction. All in all, we had a great time dancing and auctioning.

Our St. Patrick's dance was called by Sandy Corey and cued by Rosina Wagenhoffer (we gave Nick Raspa one of his few nights off). Homemade Irish Soda Bread was the main course, but not a drop of green beer. Oh well, can't have it all sometimes.

Note: we continue 2nd & 4th Thursday dancing through the summer, plus a special with Jerry Haage the first Thursday in June.

1 & 3 Fri. Sept-June

Echo Hill, Lilac Drive

Winter is just a memory now and spring is here. We have another dance season drawing to a close. But there will still be many Association dances and club dances to keep us active during the summer months.

Flutterwheels would like to congratulate all the new graduates and we hope that we will be dancing with you. If you check all the ads in *Grand Square* and go out and dance, you will meet a lot of new friends and have a lot of fun. We hope that everyone remembers that now is the time to start recruiting new students for the fall. It is never to early to start.

We would like to thank this year's Executive Board for all the hard work they did and we also wish good luck to all the new officers for next year. We would like to thank Wilson Hoff for doing all the calling for us, and also thank Peg Dockry, who cued our round dancing and also helped a lot of our people to begin round dancing. See you in a square.

IRONIA REELERS -- Randolph, NJ

PL

1 & 3 Fri. Sept-June

Ironia Elem. Sch., Dover-Chester Rd., Rt. 513

The Reelers sponsored a student dance on Wednesday evening, March 5. Not only was it FREE to students, but to all dancers who attended. Dan Koft was the caller and the attendance was rewarding.

On Friday, March 7, we were raided by Bee Sharps and had a very large turnout as we dance to Joe Landi. Lots of dancers were "wearin' the green" to get into the St. Patrick's Day March spirit, while those cute little bees seemed to be taking wing around the room.

In order to insure that the caller's spouse does not spend the evening sitting on the sideline, we now invite dancers to sign a "dance card" for the taw. It seems to be attracting interest.

On Sunday, March 8, many Reelers attended the wonderful benefit dance for The Brian Fugere Family. The three callers were fabulous. We all miss Brian.

The days are getting lighter longer around Ironia School. Come dance and celebrate the Rites of Spring.

Our St. Patrick's Dance with Mickey McFarland (Irish you think?) had 5+ squares. Our previous dance with Randy Page was also quite successful with 7+ squares. May this trend continue!

Ruth Cohen, Mike Forte, and Florence Weinstock have been missing from our dances because they've not been well, but we hear they're getting better. Ben Jaffee, one of our senior past presidents, has also not been well. On a happier note, Harold Moshel's daughter, Sharon, got engaged.

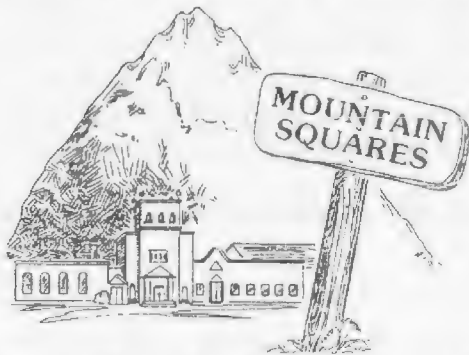

Finally, we at Kings offer our heartfelt condolences to Madeleine Fugere on the passing of her husband, Brian.

MS/PL tip

2 & 4 Fri. Sept-June

Long Pond School, Lime Crest Road

It's so good to see everybody again. All those winter dance cancellations took its toll. Now we're running our legs off. The big news is our very successful dinner dance. Our terrific president, Donna Poyer, found this "gem" of a caller in British Columbia, while at the convention. Chuck Jordan is his name and he was marvelous. Over 120 Rangers and guests had a great afternoon. Thanks, Donna!

Next came our canoe trip down the Delaware. The same hearty group showed up. It was a perfect, sunny, mild day. No, Charlie & Deanne Raffay did not capsize this year. Yes, Sylvester Jaworski was throwing wet marshmallows again. It was a fun time alright.

This year part of our club took Plus lessons with Mickey McFarland. We had two squares each week and really looked forward to it. Of course, we'd breakdown the Mainstream calls and then crack up laughing. That lady's a good teacher!

The other part of our club was taking A-1 with John Kaltenthaler. Yes, it is difficult, but they stuck to it and are proud of their accomplishment. That's one of the great things about square dancing; it's never boring and you can always learn and grow.

Dorothy Jaworski, Raid Chair, kept us hopping. We've completed seven raids to Richmond Dancers, Ironia Reelers, Harmony Dancers, Warren Wheelers, Belles & Beaux, Lakeland Squares, and Country Promenaders. You know people, we love you all! That's it for this time. Go Yellowrock that partner of yours.

Every Tues. Sept-July Temple Beth Am, 879 S. Beverwyck Rd.

We've had some great dances recently: Dick Pasvolsky did a 50s Dance; Nick Martellacci did a Mardi Gras Night; Bob Mitchell did a St. Patrick's Dance and a an April Fools Day Dance; and Dalt Young did a Red, White and Blue Dance. Everyone loved the themes and we hope to continue them. Raids: We had a successful raid to Rutgers Promenaders in February. We had 14 people and were one of three clubs raiding. What a good time we had. Come join us on future raids.

Special thanks to Pal Johnson who called country and western line dances this winter while Lois Bichler was away. Good vibes came from the refreshment area about all the fun. Pal says he'll do it again next year.

Graduation was held April 15 and we had two squares of folks graduating. Students from other clubs came to join ours for the dance; we reduced the student's fee to \$2.00 for the event. Pal called the square dancing and Lois did the lines. The ceremony was impressive and the dancing enjoyable. A good job done by everyone involved. Our club's thanks to coordinators Simanskys and Goldsmans.

Note: We had to cancel our June 10 dance because of a conflict with a Temple function.

1 & 3 Wed. Sept-June

First Presbyterian Ch., 494 Route 10

A lot of credit for the continued success of Mountain Squares should be given to our dedicated President, Bill Groth and his lovely wife Hilda. They have been dancing together since 1959 when Don Kean was the caller at Wayne Squares. they were on the founding committee of Ramapo Squares and dance at Hanover Squares and Covered Bridge. As Presidents of Mountain Squares since 1990, they have provided faithful leadership to our club and to the organization of our student dances on the fifth Wednesdays. Although Bill is Secretary/Treasurer of an independent insurance company, he has found time to be a 40-year volunteer on the West Essex First Aid Squad. Hilda, a radiological technician, works with Bill in their beautiful garden supplying vegetables and flowers a good part of the year. The Christmas holidays were a very sad time for them as Bill's father and brother (2 weeks later) died in Utah. Our membership was very saddened to learn this and joined their friends in deepest sympathy.

Julie & Don Bove have happily become part of our kitchen crew with Mildred Angerer. We try not to leave crumbs on the brand new vinyl floor tiles put down after a flood last fall.

Greetings were sent by tape to Ron & Millie Nietzsche in Key West this winter. They found three other couples who dance A-2, so Joe Landi taped an evening of dancing with a big "Hello" chorus from our dancers. They loved it! By the time you read this, they will be back and right up to date on A-2.

Did you know that our talented caller Joe Landi is a private pilot and does aerial photography?

OCEAN WAVES -- Staten Island, NY

MS/PL tip

1 & 3 Fri. Sept-May S. Is. Univ. Hosp. South-Cafeteria, 375 Seguine Ave.

Many thanks to those who have come to support Ocean Waves at our new location at Staten Island University Hospital South's cafeteria. Our bright, cheerful new surroundings lend a festive air to each Mainstream dance with Plus tips.

Our roving photographers, Bill & Ray, took some great shots of the group at our first dance at the new location, including Valentine Minnie Mouse. Our recent sock hop came compete with poodle skirts sported by Judy Callahan and Eileen Gilder. Even the caller, Nick Martellacci, came dressed for the occasion in a jelly-beaner cap (minus the propeller), rolled up dungarees, and his version of white bucks.

Congratulations to Florence Weinstock on her retirement. We wish her a speedy recovery from her recent surgery as well. Get back on your feet soon, Florence. We miss you and Jerry. Congratulations also on your granddaughter's bat mitzvah.

Our frequent visitors, Ed & Eveyln Hoculi, are off to China for a vacation. Have a great trip folks! Helaine & Artie Schwartz are off to Chicago again to watch their son, Mitchell, in another of his directorial pursuits. Eileen Gilder is off to California for a speech at a nurse's convention as well as some sightseeing, and maybe some square dancing.

Since our dances are held in the hospital cafeteria, we often have visitors, like Lisa Oshins' sister and others, who pop in to watch the fun during their breaks. Hopefully, at least some of them will join us once basic classes begin.

RICHMOND DANCERS --Staten Island, NY

PL

2 & 4 Sat. Sept-June

All Saints Church, 2329 Victory Blvd.

So far it's been a good dancing season at Richmond Dancers. Thanks go to all the upbeat callers, cuers, country & western leaders, and the enthusiastic dancers which include all our guests. We also acknowledge the chair couples of our special dances, and all those who supply the "yummies" at all our affairs. If you haven't joined us—why not?

It's been great seeing Editors, Kathy & Charlie Porter, at our recent dances (lining up surprises for our St. Patty's dance), especially since they are so busy with the *Grand Square* and Kathy's recent deserved promotion.

We'd all like to offer condolences to Helen & George Nadeau on the death of her father and to Madeleine Fugere and family on Brian's untimely passing. We sure had some happy times together when they were members of Richmond Dancers.

Sue & Jim Valentino are both convalescing at daughter Rosemary's home. We send them our love and hope to see them soon. Though he's dancing and telling his usual jokes, Jim Chukalas is now on dialysis and currently on the waiting list for a kidney transplant. Our prayers are with him. It was sure great to see Leo Bichler, Jim Dunlop, and Matty Cafiero off the sick list and back dancing up a storm. Sure hope that Dolores Shand, Dot Rehorn, and Millie Anzalone will soon join them.

Speaking of dancing, did you know that the Branigans, Delaneys, Hochulis (from Staten Square Set), and yours truly plan to square up in April on the Great Wall in China? We'll let you know how it went. And not to be outdone, the Dunlops are cruising through the Orient, up to Japan, and then on to Alaska.

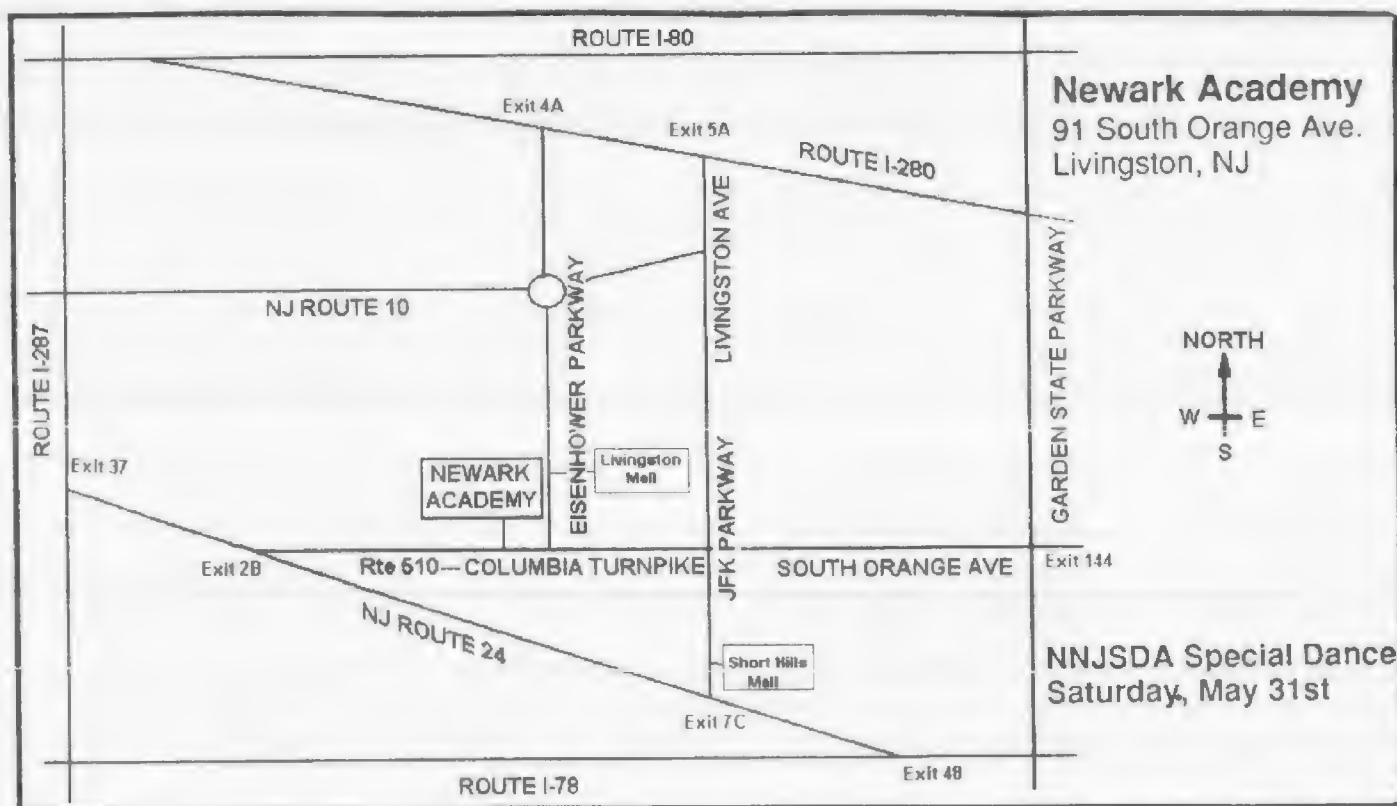

A happy 50th birthday to honorary member, Andrew Ippolito. Looking just great our Presidents, Bernie & Mary Gisonda, are packing up for their big move to their new home in Florida. Ask Mary about her graduation from "clown school." We're sure going to miss them.

Go out for the raids Shirley & Frank Bellotti plan. We do, and now we're the possessors of a 100 Raid Dangle. As we write this, it's beginning to look like spring so Happy Easter and Passover to all.

ROCKYTOPS of ROCKLAND -- Pearl River, NY PL/A-1 tip
1st Fri. Oct-June Pearl River United Meth. Ch., John St. at Franklin

There's still a nip in the air but the days are getting longer. Tiny crocus, daffodils, and tulips are popping their heads through the earth even though there's ice on the car. The warm sun streaming through the windows is such a tease.

Our February and March dances were well attended thanks to fine calling by Todd Fellegy and Mark Franks and the usual excellent cueing by Nick & Carole Raspa.

The past couple of months brought some sadness. My mother passed away after a short illness. We send our heartfelt thanks for the sympathy and kindness of our square dancing friends. Both Ann McNeil and Grace Weinstein lost their mothers. Our hearts go out to their families. We extend our sympathy to the Fugere family on the loss of Brian. We will miss his wonderful personality, warm smile and excellent calling.

We send Carole Raspa well wishes for a speedy recovery from her recent surgery. We also send our best wishes to Mickey Lisak after his recent hospital stay. Our congratulations to Mal & Dottie on the engagement of their son, Brian.

Now is the time for smiling faces, warm greeting, hot coffee, and tasty treats. Come join us for an enjoyable night. There's always a warm reception, wonderful dancing and refreshments. Our Pearl River location is 20 min. from the intersection of GSP & Rt. 80 Saddle Brook and 10 min. from Exit 172 on the GSP.

Every Mon. Sept-June Wayne Civic Center, Hamburg Trpk & Church Ln
2 & 4 Mon. July & Aug VFW, 6 Veterans Pl, Elmwood Park

We were fortunate to get through most of the winter without the weather spoiling our dances. We graduated our Plus class at the end of January and some of them come to our Wednesday night Mainstream class to angel, along with our regular club members. Our Plus graduates presented Bob, Dolores, and the angels with some lovely gifts as a way of saying "thank you." We, however, are the ones who are thankful for students who want to "keep on dancing" and help with Mainstream students (who are very important to all clubs).

Among our Mainstream students we have a "dancing family" (almost). Mom, Nancy Birks, took lessons with us last season. Her young daughters, Julie & Jessica, would come and watch Mom as she learned. On some occasions we needed that 8th dancer to complete a square and would call on the girls for assistance. They enjoyed it so much they decided to take lessons this year, and those of you who may have danced with them at a student dance, know how accomplished they've become. Dad, who recently had back surgery, has watched his wife and daughters dance and may be tempted to take lessons when he's able.

Our club continues to grow, and we continue to feast on the "goodies" that are brought to the dances and classes. Our recent Chinese Auction was lots of fun and a huge success, with some of us getting little treasures we didn't know we needed until we saw them. We welcome both new and "seasoned" dancers to our Monday night dances. If you come alone, we'll make sure you dance!. Late breaking news: our July and August dances will be held at the air-conditioned VFW Hall in Elmwood Park.

Staten Square Set has started to have Mainstream tips along with our regular Plus program. So if any of you out there wish to come to join with us you are welcome. We really had a great dance on March 15 with Hank Lutchter calling and Lois Bichler with country & western lines. Everyone was just having a good time dancing and enjoying the refreshments. We need a lot more of these kinds of dances.

Some of our members are having trouble dancing because of a myriad of ailments. We wish them all the best and thank them for all the years we have danced with them.

Students are welcome to our May 17 dance with Ralph Stapenell, so come out and start dancing in other clubs. Have a great summer!

3rd Fri. Oct-May

For our dance celebrating George Washington's *real* birthday, the hall was packed with dancers enjoying Bob Mitchell's great calling for our Presidents' Ball. During the evening, we were honored by a visit from George himself with his wife Martha (impersonated by our talented Presidents, the Meyers). We were also happy to have long-time member and past-President Helen Rellinger with us. The presence of so many dancers demonstrated that Mainstream dancing is still alive.

On the second day of spring, Nick O'Martellacci and Nick McRaspa helped four squares of dancers to observe a belated St. Patrick's Day. The people who didn't come missed a very good dance. MAINSTREAM DANCING CAN BE FUN. Try it, you'll like it.

WESTERN WHEELERS -- Oradell, NJ PL/A-1 tips

2 & 4 Sat. Sept-June Refrmd Ch of Oradell, 641 Church St (cor. Kinderkamack)

W/W led off the first dance of the New Year with a pristine snowflake theme, featuring Doug Kauffman, calling at his very best. Our hats are off to this caller and friend who still called our dance even though he'd recently suffered the loss of dear wife, Kathryn. Doug, may you find your way through this difficult time with the help of family, friends, and the square dance world.

The Mazziottis provided W/W with a fun-filled assortment of interesting and enjoyable tips on January 25. We have watched this caller and his lovely wife just grow into a really outstanding couple, constantly striving to keep square dancing "going and growing," which has always been W/W's direction and objective.

Our Valentine-Silent Auction was one the most attractive ever experienced. Gloria Wyman won her own square dance knitted cap, which she generously gave to Nick Raspa so he would smile again. Boy did he cue super after that! The Hoerleins won a basket of assorted wines. Roy Leber's better half, Eilene, has been suffering with a knee problem, but she helped to make our February Patriotic dance (wheelchair included) a fun dance. We'll be seeing a lot of them next season along with Randy & Fran Page, who skillfully called a real "hot" hash as a finale at our St. Pat's Dance. What great people we deal with!

Our W/W sweetheart, Carole Raspa, had emergency surgery and she is recuperating nicely at home. Thank God for medical technology and the conscientiousness of most doctors dedicated to serving us. Nick cued for us even though Carole had just come home from the hospital. Our love and appreciation extends to this really special couple!

Good luck to George & Carol Sutton, who will be the next W/W reporters. Gus and I have enjoyed this privilege for many years. I know the Suttons will too. Thanks to all of you who keep W/W going and growing.

Y SQUARES -- Clark, NJ

MS

2 & 4 Fri. Sept-May

Carl Kumpf School, Mildred Terr.

Hi everyone! Hard to believe I'm writing for the Summer Issue. Where did the time go. We had a good winter weather-wise, losing only one dance and snow wasn't the problem. Sleet and heavy rain closed the schools. Unfortunately that was our Pie Night Dance.

Our Dangle Dance was fun. Dan Koft was wrapped like a mummy during one tip, while another tip had several of the dancers blindfolded in each square. I noticed some cheating in that tip, a little peaking here and there. All of the dancers in green didn't fool our caller, Andy Woerner, at our St. Patrick's Dance.

Our raid program is going well. By this issue we will have completed the designated raids, plus several more. We'll be dancing this summer so come join us. Look for the Five Clubs flyers.

"IT'S EASY - JUST LOOK DOWN TO YOUR LEFT FOOT, FOLLOW IT UP, AND THAT'S YOUR LEFT HAND."

By Rusty Ball

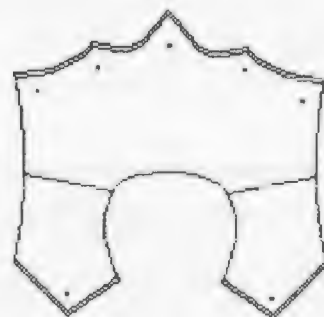

May, 1997

Most of the things we talk about in this column are quickie shortcuts: one page gives us little room for in-depth design, and we have books available for more extensive ideas. It's the simple idea that usually tickles our fancy, and gives us an "Ah-ha!!" Richard recently came up with one that I'd like to share.

I was making a Belles & Beaux raid outfit when he walked in and spotted the green and white fabric and got pretty enthusiastic that we'd have a St. Patrick's Day outfit. When I told him it was for B&B, he immediately asked why it couldn't be for both--"and more than just a green shamrock tie would be nice!" (Since he's taken to wearing more and more bolos, my quickie matching scheme, a tie for every occasion, has gone flat as New Years' punch.) Which set me to wondering how to make removable or reversible yokes.

Turned out to be so easy I made it BOTH removable AND reversible! I placed the shirt flat on the table, put a piece of newspaper over the back yoke, and drew around it. Then I drew around the front yoke. I knew I had to make the removable yoke longer than the original, so it would look like it was part of the shirt and not an afterthought, so I added about 2" to the original yoke bottom edges, front and back. I added only a 5/8" seam allowance to the armhole edges, the shoulder seams, and the collar edge. Then I cut two sets of front and back yokes with the new pattern, using two different pieces of fabric that I thought would be interesting to wear--in this case one was shamrocks and the other a holiday print I "fell in love with, but didn't have enough to do anything with"--you know what I mean!!

The rest is easy. Sew the fronts to the backs at the shoulder seams first; then lay the two yokes, right sides together, and sew all around the outside, except for one 6" area along one armhole edge. Leave this open so it can be turned right side out. Turn it, press it, and whip the opening shut by hand. VOILA--a yoke!!

To make it look "real" I put pearl snaps on the points in the front and across the back. These were just for looks, though--I attached it with tiny safety pins on the inside of the shirt, at each yoke point and at the shoulder seams, being careful to catch only the under layer so they wouldn't show through. If he had been wearing it (and laundering it) several times, I could have tacked it on with thread, but safety pins worked fine.

Here's to bright ideas that work!!
Call or send me your ideas--we are always looking for more.

SQUARE DANCING—POLYESTER ACTIVITY IN A STONE-WASHED DENIM WORLD

By Dick Mazziotti, Caller/Teacher

The baby-boomers are coming! The baby-boomers are coming! Hooray! Hooray! Here they come with youth (it's relative), money, children all gone, excess leisure time, and a craving for something to hold their interest.

And here we wait, breaths appropriately bated, with a ready-made activity to provide their every need, desire, or whim. Our classes will be large, our club dances overflowing, and members will be clamoring to run for office and/or bring refreshments! The sky will be blue, birds will sing, and taxes will go down.

What's wrong with this picture? Hmmmm. At the typical dance, here's how our worlds stack up:

Square dancing is:

- average age 65 or so
- polyester pants
- prehistoric instant coffee with Cremora substitute
- pie night and bake sales
- water jugs and plastic cups
- string purses and crinoline bags

Baby boomerism is:

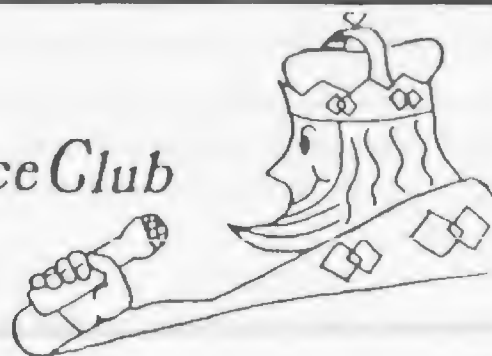

- aging yuppie, 45-55
- stone-washed denims
- flavored ground coffees with natural cream
- veggies & yogurt dip
- recyclable designer water bottles
- day-glo nylon back packs

On the face of it, maybe baby-boomerists will not be clamoring to fill the square dance halls. After all, square dancing is "square." Perhaps a name change would help. Shall we be Quadnauts? Traditional Dance Preservationists? Internet Quad Groupings? Netsurf in the Square? Nah! Probably not.

Mazziotti Column continued from page 47

But should we think about making our activity more attractive to the upcoming generation? I think it is time to consider that what we offer, particularly to the untrained mind, may have all the attraction of a dentist visit (Please don't write to tell me that dentists too can be nice people. I agree. This was poetic license.)

The essence of our activity, the friendliness, the continual physical and mental exercise, the low-cost entertainment value—these are the things we need to emphasize and try to show. These are the things we should never compromise. These are the real traditions of square dancing.

Can we change a little? Is there room for us to make our activity more attractive while retaining the very valuable and necessary essentials? The answer is up to you, the dancer. If each dancer comes to his or her next club meeting with one idea for attracting younger dancers, we will have 1500 suggestions in the Northern New Jersey Square Dancers Association area. If only 10% of the ideas are worthwhile, we will have 1500 new ideas! The numbers game is real.

If, on the other hand, the majority of dancers feel that coming to an occasional dance is all we are willing to invest, then the truth is, we really don't have much to offer. Our "friendliness" is not universal; it extends only to our own little group. Instead of closing in, as any group tends to do, we are going to have to open out, stretch our arms wide and embrace the younger generation, with all its prairie skirts and natural foods. Let's see if there are ways we can make room for people to whom "recycle" means separating glass and plastic rather than ends cross fold while centers follow them around in a 3/4 loop ending side-by-side as partners.

The time to recruit for next year's classes is NOW. Talk it up. Drag them in. Bring an espresso machine to the next dance!

Round Dance Clubs . . .

CLOUD 9 -- Parsippany, NJ

Our heartfelt thank you to all for the wonderful surprise party on Sunday, December 12, 1996. To those who worked so hard behind the scene and to those who attended our last party dance, we will cherish your thoughtfulness always. The leaded glass lamp and the napkin holder reminds us of our round dance family every day; the memory book is too special for words to express.

In 1984, we became the new leaders of Cloud 9 and have enjoyed watching the club grow from 10 couples dancing one night per week, to a membership of 50-60 couples dancing two nights per week, two classes per night, Basics through Phase V, and Sunday party dances. Dinner dances, as well as a raid now then, were also a part of our club activities. It was our dream to have a level of dancing for everyone who wanted to dance, and thanks to you, Cloud 9 dancers, our dream came true. We have loved every minute of our Cloud 9 leadership. Each and every one of you holds a special place in our hearts.

As we retire from cueing and teaching to enjoy being dancers once again, we leave you in the very capable hands of Mary & Jack Pickett. Keep dancing!! And SMILE!! We'll see you on the dance floor.

MAINSTREAM DANCERS -- Red Hook, NY MS

Sundays

Red Hook Elks Lodge

The Mainstream Dancers Square Dance Club was formed in July 1995 in order to provide additional dancing for new square dancers and experienced dancers during the summer months. The club has grown to 48 members, students are eligible to join, and we dance twice a month year round.

Our dances are held at the Red Hook Elks Lodge in Red Hook, NY on Sunday nights. The dance facility is an exceptional place for dancing with a wood floor and air conditioning. The acoustics are excellent. The club callers are Gerry & Chuck Hardy, and once a month guest callers are hired to provide a new experience especially for the new dancer.

Theme dances and special events are planned including our Red Hot 2nd Anniversary Chicken BBQ with Red Bates in July. In November. We will be joining with two neighboring clubs to have a three-club special with Marshall Flippo and Rosina Wagonhoffer in November. Call for directions.
