Fellow Square Dancers, we trust that your summer has been enjoyable, and that you have had time to indulge in our favorite activity. We were extremely delighted to see so many New Jersey square dancers at the convention in Baltimore --- over four hundred strong! We can all be very proud of this kind of support which we are certain is greatly appreciated by the National.

To "play" upon our continuing theme, we extend a gentle reminder that we must be about working more closely in support of our fledgling clubs, and making "Friendly Clusters" a reality. In some dire cases, rather than permit a club(s) to fold, we might encourage the formation of merger(s). It is strongly suggested that each of our clubs begin to actively "reach out" to their local high schools, and form youth alliances. We also suggest that, where feasible, each club solicit and include a Youth Coordinator as a full-fledged officer on its Executive Board. Conceivably, this officer would serve as the liaison between the high school youth group and the club. Let's look forward to the goal of having at least three or four of our clubs forming high school square dance youth clubs during the 2000-2001 season. Any efforts that are made toward achieving this goal will be greatly appreciated and applauded.

As we begin a new square dance season, we trust that your recruitment efforts shall have been fruitful, and that the "new recruits" will have the commitment and tenacity to successfully complete the Basic/Mainstream programs, thereby swelling our ranks in the year 2001. Let us, also, begin planning to attend the 50<sup>th</sup> National Convention in Anaheim, California. More information shall be forthcoming.

Our sincere best wishes for the coming season! Respectfully,

*Frank & Helaine Penn, NNJSDA Presidents*

## ***Dear Readers,***

We are sure that all of you join us in extending a big THANK YOU to Charlie and Kathy Porter. They have done a magnificent job as editors of *Grand Square* over the last ten years. One cannot fathom the many intricacies and the time-consuming nature of the job without going step-by-step with them through the journey. They have been patient teachers during our internship. This has given us a true appreciation for their dedication and hard work.

It is with some trepidation as well as considerable excitement on our part that the first issue of *Grand Square* is published with us as editors. Each of the four of us brings his/her talents to the new position, talents that complement one another very well. We appreciate everyone's cooperation and understanding while we learn all the ropes. Most of all, we appreciate the continued assistance and support of Charlie and Kathy Porter. It is a daunting task to attempt to fill their unfillable shoes. Thank you to the Porters and our production staff of Sal and Mary Alessi, Leo and Lois Bichler, and Greg and Karen Kushla.

**In Memoriam**

Fred Crum, a long-time member of Circle Eights, passed away very suddenly July 5. Fred was our delegate to the NNJSDA for many years, and was a very loyal club member. He had been voted "Member of the Year" for 1999-2000, attesting to his many contributions to Circle Eights. His delicious fruit pies were eagerly awaited and sought after by all who attended our monthly dances. Fred was a fine gentleman and a dedicated square dancer. He will be missed by his fellow square dancers.

Al'e'Mo Squares joins Kings Squares and thousands of other square dancers in saying goodbye to Frank Riviccio who

died on April 9. Frank taught thousands of people over his long career as a teacher/caller. He helped make square dancing what we hope will be a national dance form, a part of our American heritage. He will be missed by the square dance community. Rest well, old friend.

Al'e'Mo continues doing what it does best, good works and fun. During the past six months we did demos at the Sephardic Home for the Aged, Methodist Hospital, Augustiana Lutheran Home for the Aged, and the Shore Front Jewish Center. We made financial contributions to the Brooklyn V.A. Hospital, the Colonial Pals Square Dance Club, and Our Lady of Grace Church. We raided Kittatinny Rangers, Richmond Dancers, and Rockland Promenaders.

In June we enjoyed a Pocono weekend with Don and Dot Coy and Mickey McFarland, and held a fabulous Annual Year End Dinner Dance at "The Beach Club" in the Rockaways. Al'e'Mo is looking forward to a new season and a new teaching program. We expect the new multi-cycle format will help us recruit students in September and January versus the current September through April format.

### HOSTING CLASSES?

Help your students learn the calls by giving each a Basic/Mainstream Handbook. Holding Plus classes? We can supply Plus Books also. The Handbooks are available through the NNJSDA Presidents.

## LETTER TO THE EDITORS . . .

What most of us love about square dancing is that we are having fun and we are exercising at the same time. Our calendars are filled with events to attend. We are always sure to meet old friends and make new ones. I urge you to put up the flyers for your new classes in the local libraries, food stores, bookstores, and anywhere else they will let you. Send press releases to your local papers. Every new dancer is a potential new friend and can help your club thrive and grow. If you dance only "plus or higher," come back to a mainstream dance and support our new dancers and our recruitment efforts, and show up at our open houses. Someone was there for you when you began to dance. Can you be there for someone?

Wow! It's hot out there. It seems we've had a real warm spring and beginning of summer. It's been raining a lot, bringing us all that humid air. When you read this article in the fall it will be a little cooler (I hope).

We've had a wonderful season of square dancing. We've had a good number of members and guests coming to our dances and the students' graduation was very successful. If we can keep this up, I know our club will benefit and keep up with the times. Our theme dances were also successful. Remember the Pie Nite? I never ate so many different kinds of pies. Our Chinese Auction Nite was good too, with so many prizes. Hey, talented members of Bee Sharps: for the next Chinese Auction, why don't you make some beautiful crafts? There's enough time until next spring.

Our Open House is on September 11<sup>th</sup> and we hope we get more students than we got last year. I'm greedy, and the more we get the more we prosper and grow.

Our raids have been just great, and we hope they will be the same in the new season. Even our demos have been very good. So, Bee Sharps, you get a medal for attendance, faithfulness, and being the best square dance club there ever was. So let's get out and show them!

We had our Mystery Bus Raid on June 3. It was hosted/called by Lucille Collins Ims and the Elk Mountaineers of Pennsylvania. A wonderful time was had by all.

On June 7 we had our last dance with Dick Mazziotti, our longtime club caller and friend. During September he and Laurie will be moving to Luray, VA. A large crowd of well wishers were on hand. They will be greatly missed. Dick is a great guy – he will give you the shirt off his back (just ask Margaret Guyre and Susan Nicolich).

After several years B&B took part in the Glen Rock Fourth of July Parade. Fran Wadel was our super caller. Marj Gould and Lenora Libeskind drove the cars. Twenty-one dancers took part. Then we all went to Ken and Edna Franz's house for a six-foot hero lunch.

It has been a good year for Circle Eights. Twenty-one new dancers were welcomed

into our club with a graduation dinner and dance party in April. At our May dance, Susan Gufert (that's me) was recognized as member of the year, for her outstanding performance in recruitment of student classes. We also had our pot-luck dinner before our May Dance attended by more than 50 members. A fabulous job by coordinators of the dinner, Ann Wilson and Mike Sandford. Delicious home-cooked food, great desserts, and lots of good conversation. Decorations for the Circus Theme in May were outstanding. Marge & Paul Krokus, assisted by Nancy & Dave Stewart, decorated the room; Ann Wilson decorated the tables; and Myles Adler displayed his circus photographs. The new graduates were introduced. We want to thank everyone on our many committees for their hard work. Everyone takes on some responsibility be it small or large. We wish we had the room to list everyone's names.

The June 9<sup>th</sup> Moonlight on the Hudson Dance, sponsored this year by Circle Eights and Tenakill Twirlers was delightful. We danced outdoors at the Alpine Boat Basin to Roy Leber & Nick Raspa. We had about 100 dancers and lots of food. Some of us came early to picnic before the dance. It was a great evening of dancing with old and new friends. Eileen Leber took pictures of everyone with her digital camera and we had a chance to see and speak with Carole Raspa, who is recovering from her surgery.

Circle Eights will hold an open house for our mainstream class on Monday, Sept. 18<sup>th</sup>. See the Basic/Mainstream Class List for full details. We expect a very large turnout.

On Sunday, October 29<sup>th</sup>, we are looking forward to our 40<sup>th</sup> Anniversary Dance. Joe Landi is calling and the format will be two MS tips alternating with a Plus tip.

Wow! It is the fall and here we go again. Where did the summer go? What I like to hear is "We square danced the summer away." When Cross Trails had its ice cream social on June 14, it was not the end of square dancing for many members. The National Convention in Baltimore

plus the many raids during the summer months were well attended.

Members, if you have not danced during the summer months and are anxious to square up, your dreams have come true. Just check out our coming dance schedule. As always, Cross Trails will continue with its traditional theme dances thanks to Dot Schneider, keeper of our decorations. This coming season we will have two new members, Doug, age 12 and Alex, age 13. We wish both of them many years of square dancing with Cross Trails. Anyone knowing boys or girls in this age bracket who would

like to dance, just sign them up with our ace caller and instructor Ron Kapnick and assistant Ruth Edison. Mainstream classes will begin on September 19. We hear this all the time, "WE NEED YOUNG MEMBERS." This could be the start of something BIG. Like the circus, square dancing is for all ages.

For the past ten years Don and I have been members of Dingman Dancers. During that time, we have served as Treasurers for seven years and I have been the club reporter for the same length of time. At our last dance in June, we were pleased and honored to receive a framed print from the club. Since we will no longer be as active in square dancing as

we have been, we will not only miss our friends at Dingman Dancers, but also the many friends we have made in the square dance community. Now on with my report.

Our Ice Cream Social was raided by fourteen dancers from Happy Footers. What a pleasure it was to have them with us! Carol and Ray Proulx hosted. The Beach Party was well attended with members from Hemlock Squares, Lakeland Squares, Happy Footers, and Kittatinny Rangers. The refreshments including hot dogs, five different salads, and baked beans were provided by our members. No one went home hungry, that's for sure. Since June was our last dance until the fall, refreshments were again provided by all our members attending. We were pleased to have NNJSDA Presidents Helaine and Frank Penn join us, accompanied by Past Presidents Mary and Sal Alessi. Even with their busy schedule, Mary and Sal find the time to visit us every year.

It has been a pleasure to be the *Grand Square* reporter for Dingman Dancers. Now it is time to put my typewriter away and turn the assignment over to Marianne Yeaw. I am sure she will enjoy it as much as I have. This reporter is signing off.

On June 17 we had our annual meeting at Chris and Laurie O'Connor's house. Our president, Dorothy Fels, was elected for another year. Thanks to the O'Connors for all their work. Chris is our new Grand Square ad and flyer preparer (he always

does a great job).

Mickey McFarland did her famous hat routine on June 4 plus calling. Our "Dynamic Duo," Jim Broderick and Fran Wadel, were our special callers for July 2. On July 16 we had our farewell dance for Dick and Laurie Mazziotti. They are moving to Luray, VA in September. However, they will be with us again next year when Dick will be an "Out-of-the-State Caller."

On June 23 we raided Circle Eights with almost two squares. During the summer we will also raid Spinning Wheels.

See you in the fall.

My fellow square dancers, as this campaign season draws close to Election Day, let's take a look at the record of Harmony Dancers, listen to the campaign promises for the coming year, and support the club of your choice for the coming season by attending the dances. Now you

all know that Harmony is back dancing at the comfortable Chisholm Community Center with a perfected sound system. You may have seen our rainbow colors at some of our raids last season and you'll see more this year. You could see that we were having fun dancing. You also saw us at our 5 Clubs Summer Dances. It seems that you already know us, so come to Chisholm where we promise that you will have fun dancing with friends to the fine slate of callers and cuers, on a hardwood floor and with convenient refreshments. Cast your votes by dancing at Harmony this fall; you will not be disappointed.

As of this writing, Hix & Chix has held two of our six Summer Specials featuring national callers. Jerry Haag (TX) set the tone for what could be expected with a great dance June 8. Severe thunderstorms threatened our June 29 dance, but the dancers came anyway. Jim Snyder (PA) stepped up the pace, and we enjoyed another super dance. Both evenings, Nick Raspa satisfied the round dancers with his

*smoooooth* cueing. Gary Shoemak (TN) and Ken Bower (CA) will have come and gone by the time this *Grand Square* gets to you. We hope you were among the fortunate who enjoyed their calling.

If you missed him, Jim Snyder will be back August 31. Then, as promised last year after Hurricane Floyd disrupted her tour, the one and only Dee Dee Dougherty (MN) will be at the hall September 21. Nick will be cueing, of course. See you there, we trust.

Late this spring, the Baileys, the Elliotts, and the Welenteychiks, decided to explore the state of Alaska. At journey's end in Fairbanks, they were pleased to find the Farthest North Square and Round Dance Center. No matter where you travel, you're not far from a square dance.

Before the square dance season ended in June, we welcomed new members, Carole Miller and Wally Russell, to the Hunterdon Flutterwheels. We are happy when dancers choose to join our club. We successfully put on our 24<sup>th</sup> Dinner Dance on June 10 thanks to the efforts of Pat Knoll. We had many talented members including Seth Knoll and Harry Schmidt work very hard on decorations for the dance and crafts for the Chinese Auction. We are pleased their efforts were so well received. Club members Pat and Don Elliott opened their home for a picnic in July. The combination of good friends and good food was a real winner. Once again, July and August saw many of our members volunteering to help the Hunterdon County Park System with the "Music Under the Stars" program. The music was great and we had an opportunity to do a good deed.

Hope you had a rejuvenating summer and are ready to return to your regular square dance schedule. Please stop by and enjoy our beautiful wood floor and friendly dancers.

In spite of the uncertainty concerning a permanent dance location, we had a very successful 1999-00 season. Our thanks to all the officers and members who rallied to the cause and negotiated with the school board. We are now "back home" at the Ironia Elementary School. Our thanks and

appreciation to all the members who supported our successful raid program and to the outgoing officers for all their efforts during their term of office.

On May 19 Joe Landi was calling, Karen Kushla was cueing, and the bees were buzzing. Fourteen members from the Bee Sharps swarmed in for a raid.

Our season ended with a sumptuous covered dish supper on June 2. A severe thunderstorm dimmed the lights twice during the supper hour, but thanks to Mother Nature and GPU we were able to finish the season to the calls of Bob Mitchell.

You probably know about the popularity of square dancing in various places overseas. Note there were over 400 foreign attendees at the Convention in Baltimore. We've also seen it happen here. On May 16<sup>th</sup> Regina Cals from Wesel, Germany appeared unannounced at our dance along with her brother Stephan. The

Directory supplied all the information they needed to find us on a Tuesday evening in northern New Jersey. Their home club? "Yukon Tramps and Drivers," if you please, surely an exotic name in Europe.

In August, for the second year, a group of us went to Camp Marcella, a camp for blind children in Rockaway, to dance with the children. For more of them it was their first experience with square dancing. We each partnered a camper, and Pal Johnson led us in a fine evening of fun and friendship.

We could have called it a "Gala"! Almost eight squares filled our hall on May 31 when we hosted a special A1 dance. At the suggestion of Susan Gufert of Randy Page's A1 class, our committee worked out the details with caller Joe Landi. Many thanks to all who came. We were honored to have had four past presidents of the NNJSDA in attendance. Can you name them in order starting with

the earliest of the four?\* Our season finale, a pot- luck supper on June 2, was followed by dancing away some of the calories we had consumed.

In the fall, our regular dancers will enjoy a brush up and A1 dancers can gradually progress to A2. Joe Landi plans to call A1 dancing and teach A2 as we roll along. It will be painless and lots of fun. Please come and enjoy.

We ended the season on a huge upnote. Our annual meeting produced a full slate of officers for next season. Congratulations to Presidents: Peter & Joan Yuskevich; VP: Joan Daniels; Rec. Secys: Rae & Matty Cafiero; Corr. Secys: Vic & Pat Janicki; and Treasurer: Chris Chukalas. The members appreciated how all of you stepped forward to assume the mantle of leadership.

Following the meeting, Sandy Corey called a wonderful dance. Our last dance of the season was called by our good friend, Manny Amor. And who was pictured in full color in *The Floridian* captured in the finest of dance styles? None other than our former members, Jim & Helen Dunlop. They dance 5-6 dances a week and look marvelous.

The Best of Both Worlds is what club RocklandRockytops – the newly-formed merger of Plus club Rockytops and MS club Rockland Promenaders – will bring to square dancing. **Plus** dances will continue to be held on 1<sup>st</sup> Fridays, and **MS** dances on 2<sup>nd</sup> Fridays. See our ads and flyers for details of both dance programs.

Rockland Promenaders wound up the 1999-2000 season with a special Sunday dance in June – Nickelodeon, the 60's. Hippies in colorful shirts and headbands, bedecked with beads and peace symbols, danced to 60's tunes called by a longhaired Nick Martellacci. Many thanks to Judy and Joe Wamsley and their committee for another exciting trip back in time to a decade from our youth.

Rockytops concluded the season with an impromptu "flashlight dance" -- do-sa-doing in the dark to a capello calling by Joe Landi – when a sudden fierce June thunderstorm downed trees and power lines, knocking out electricity to our hall in Upper Saddle River.

Both clubs enjoyed summer dancing in air-conditioned comfort in July and August. Congratulations to the following club members: Hal and Irene Stoller celebrated their daughter's marriage May 27 and welcomed their first grandchild (a baby girl for their son). Fanny and George Meyer celebrated their son's marriage July 16. The Becks and the Blotners enjoyed a 16-day trip to France and Switzerland.

See you in a square this fall at RocklandRockytops!

Everyone had a great time at the club picnic on June 25. Thank you, Dolores!

The summer mainstream dances at the air-conditioned VFW Hall in Elmwood Park have been very successful. Bob Robinson has been doing a super job calling the dances. We're all happy that

Bob is feeling much better after having had some medical problems.

Square dance lessons will start September 26. Encourage your friends to join the class.

Fall dances start at the Wayne Civic Center on Sept. 11. Happy Dancing!

Mother Nature put a damper on the last club dance of the season. It was a chilly, rainy night and we were dancing in a different hall. That combination was enough to discourage many of our regular dancers. But Nick Martellacci gave us a good workout with some challenging calls. Our cuer for the night was Peg Millar, who treated us to some different dances. We had visitors from Florida, Bud and Betty

Sibbald. Some of us remember them from years ago when they were active dancers locally and NNJSDA presidents.

We ended our season with the jointly sponsored Moonlight on the Hudson Dance. In spite of a very warm night there was a good crowd to enjoy Roy Leber's calling. Our new season will begin in October.

In my last article, I asked for suggestions as to how to recruit new entry-level dancers and how to encourage greater attendance at Mainstream dances. As of this writing, I have not received a single suggestion. Hopefully, this does not mean we are content with the small classes we have had in the past several years and in the poor attendance at all dance levels (specifically Mainstream, which is the entry level). If we continue as we are and do nothing, it would not surprise me to eventually see this wonderful activity cease to exist.

Many clubs consistently use the traditional way of trying to recruit and hold new dancers. This continually results in small classes, or in some cases, no class at all. I believe we need to try some new strategies and programs to attract more new dancers. Callerlab has hired a marketing company to come up with methods to promote our activity. They have found that most people have a favorable impression of square dancing. We next need to find a way to channel this favorable impression. It seems that what we have been doing is attractive to people, but does not encourage too many people to join us.

One thought is a combined group of NNJSDA clubs in our area running the classes with several CCNJ callers each being asked to teach one or two of the class dates. If the clubs coordinated their classes, the workload would be distributed among several callers for the benefit of a larger number of students.

In order to discuss the concerns facing our square dance activity, I propose a meeting of the Presidents of all area clubs, NNJSDA, and CCNJ. This would allow for insight from several different perspectives and, perhaps, we might come to understand the problems that face each aspect of the activity.

Presidents, please look for an invitation to a meeting sometime in the Fall, and dancers, I'm still hoping for suggestions and comments. Our e-mail addresses are Bob: [robsdclr@dandy.net](mailto:robsdclr@dandy.net) and Dolores: [dollyges@juno.com](mailto:dollyges@juno.com). Sincerely,

The new Wednesday basics class is well underway and they are having fun as they work hard on mastering the basic steps. The members of the Phase IV+/V class have been working on *Pennsylvania 65000* and learning to listen for that “phone” to ring.

The Phase IV class on Thursday nights has been learning *Rainbow Foxtrot* and enjoying the smooth choreography of this dance. Later in the evening the Phase III class members have been doing well with *Chaka Chaka*.

Our two informal summer dances were very well attended and much enjoyed as club members and guests danced both old

and new favorites, plus a few that we had almost forgotten! We also had a surprise as Pat O’Donnell of Fishkill, NY, cued a couple of dances each evening. Mary and Jack’s young daughter Becky attended our Phase IV/V dance and demonstrated her growing expertise on the dance floor. Way to go, Becky!

Summer vacations will be over by the time you read this and we invite you to join us on the dance floor – round dancing is such fun and you can share in it too.
