

We want YOU
to try Square Dancing!
No experience needed

Perhaps you learned “swing your partner,” “dosado,” and “allemande left” in the scouts or gym class. But there is SO much more!

Square dancing is great exercise for both mind and body!

Our club, Reelers, holds lessons and dances at Ironia School in Randolph.

We are friendly, fun, and patient, and we welcome all ages – couples, singles, families, seniors, college students, and teens.
