

NNJSDA 2025-2026 RAID PROGRAM

The NNJSDA Raid Program promotes interaction among clubs and provides a financial incentive for visiting other member clubs. Points are awarded for each raid based on the distance between the clubs (see attached Raid Chart).

Raiding Goal: 200 or more points
(Program can be completed twice in each dance season)

Raiding Rewards:

- * Fun of dancing with other clubs * Reduction in NNJSDA dues**

Requirements/Guidelines

1. Raid must take place between June 1, 2025 and May 31, 2026.
2. Raid must include at least one square of official club members who pay at least the raided club's regular dance admission fee or use a free dance coupon.
3. Raid must be to a dance on the club's regularly scheduled or NNJSDA cleared date (not a workshop or beginner dance).
4. As a courtesy, notify the president of the raided club in advance that you are raiding and provide the approximate number of raiders.
5. The attached Raid Chart must be signed by an officer of the raided club.
6. Dancers who are members of more than one club, each of which is raiding another club on the same date, can march with each club, but will count as raiders for only one of the clubs (their choice).
7. Clubs may raid any other member club as often as desired, but only one raid to another club can be counted per Raid Chart. If a club wishes to complete the Raid program twice in a given dance season, the same club can be counted again.
8. A club that is being raided may choose to limit the number of marches, to ask all raiding clubs to march in together, or to forego marches if time is not available.
9. Clubs must accumulate at least 200 points based on the attached Raid Chart.
10. Clubs that complete the Raid Program will receive a dues reduction of 50 cents per member in the following year each time the program is completed (up to twice a year).

How to Use the Raid Chart

1. Enter the raiding club's name at the top of the Raid Chart.
2. Circle the number of points where the raiding club intersects with the club being raided.
3. Have an officer of the club being raided sign next to that club's name.
4. When the total number of points reaches at least 200, send the Raid Chart to the NNJSDA Recording Secretary (see *Grand Square* or NNJSDA website).

Make a copy of the completed Raid Chart before mailing it to the NNJSDA Secretary or retain the original if emailing scanned Raid Chart.
