Any Dancer Can Become A

PATRON

Visit 65% of NNJSDA member clubs, including your own, on their regularly scheduled dance night (special dances excluded). Have a member club officer sign and date this form. (As of January 2022, 9 signatures are required.) **Upon completion, submit the original form to the NNJSDA Secretary** to earn a Patron dangle and a coupon good for admission to an NNJSDA dance. *The coupons have no cash value, are not transferable, and cannot be used for or toward the Mini-Festival.*

There is no time limit for completion. A dancer may work on multiple forms simultaneously; but may have only one form signed per dance. Signatures must be on the original form, they may not be pasted or taped on.
