P. O. Box 56, Metuchen, N. J.

## "Lets Get Acquainted"

Located between New York City and Philadelphia the 26 member square dance clubs in the NORTHERN NEW JERSEY SQUARE DANCERS ASSOCIATION offer a unique opportunity to dancers and visitors in both areas with some clubs only an hour, via the turnpike from Philly or 15 minutes from the Tappan Zee and George Washington Bridges. To those not familiar with our area, we dedicate this special issue of GRAND SQUARE. Take a copy along

with you to peruse at your leisure. The clubs are listed alphabetically; the map above should help in locating their meeting place. Should you be going thru Northern New Jersey area now, or even a year or two from now, we hope you'll pay us a visit. See you on the dance floor.

We find this a particularly memorable time to be taking office as your presidents with the National Square Dance Convention at our doorstep in Philadelphia. We sincerely hope that a large number of our NNJSDA dancers will find it possible to attend the Convention and take advantage of the opportunity it affords to become acquainted with a broad cross section of callers and other dancers from all parts of our country.

By thinking and acting "nationally" you open the door to increasing your square dancing pleasure. There are associations of clubs like our own all over the U.S.A. When you travel look them up and you will be surprised at the wonderful, warm welcome you will receive; and don't forget to tell them that we have good dancing in New Jersey and that we would be happy to have them visit us if they should be traveling our way.

Who are members?

Any square dancer who is a member of good standing in a square dance club that elects to become associated with NNJSDA.

What are its objectives?

According to the Constitution, the purpose is: 1. To promote square dancing in the area by organizing and providing for beginner classes 2. To serve as a clearing house for area information and activities as well as provide assistance and information to member clubs and dancers 3. To promote square dancing thru publicity 4. To cooperate and work with other square dance organizations, schools, churches, etc. in the promotion of square dancing.

How is this accomplished?

With dues only \$5.00 a year, per club, the treasury depends mainly upon receipts from its summer dances and the 2 or 3 special dances on the 5th Fridays or Saturdays conducted during the year by the NNJSDA. Beginner classes are sponsored and clubs encouraged to conduct their own classes with the Association providing booklets, diplomas, badges, perfect attendance pins and other assistance. Members are kept informed of area happenings thru a bi-monthly publication GRAND SQUARE which is distributed free

HANOVER SQUARES -- Whippany, N.J.

2 & 4 Fridays

Salem Drive School

Although we dance September thru June with Al Aderente calling we will have two special dates July 14 and August 25 at the Brueche Estate on Hanover Road, Hanover, N.J....these are called "Swing and Swim" dates.

Our six sets of beginners will graduate just in time for the National Convention. They've done real well and we're proud of 'em all. Graduation is June 26 at the Madison, N.J. "Y". (Ed. Note - their names will be published in the September issue) Since our hours of dancing are a little earlier than most clubs, perhaps it would be a good idea to repeat them again - dancing starts at 7:45 and continues until 10:45...wouldn't want anyone to miss a tip.

#### WHERE DID IT ALL START?

A little over 10 years ago square dancing in northern New Jersey was at a low ebb. There were twelve clubs, all starved for membership due to the lack of a good promotion program to make people aware of our recreation and instruction classes to give them an easy entrance into it. Many and varied attempts were made by callers, dancers and individual clubs to alleviate the situation, but with little or no results. The job was too big for an individual or small group to handle.

The idea of an association of square dance clubs stemmed from this unfortunate set of circumstances. It was being done in other states. Why not New Jersey? A group of six couples met in January 1958 and drew up a tentative format, constitution and name. The clubs were consulted and the majority agreed to give it a try. In March 1958 our first delegates meeting was held in Edison, NJ with 11 out of 14 clubs represented (still in existence are Hill City, Richmond Dancers, Belles & Beaux [Swingin' Stars], Country Promenaders, Metuchen Square Dance Club, Bell Labs, Tenafly Squares, Valley Promenaders [Tenakill Twirlers], Raritan Reelers [Plainfield Promenaders], Lincoln Square Set [Westfield?]). Delegates from these clubs gathered often that season to work out the many details. The first elected officers were from the original six couples.....Al Aderente, president; Bob Keck vice-president; Hazel Preston, secretary; Jim Cameron, treasurer and Harlan Kennedy and Wally Moran, advisors....all began their term September 1, 1958.

Now the real work began with the setting up of committees; the beginner planning committee to organize classes; the scheduling committee to maintain a listing of club dates and special dances to aid the clubs in avoiding costly and embarrassing conflicts; the publicity committee, and others.

A treasury was begun through a kick-off dance with Les Gotcher calling. A picnic that spring also helped and stimulated interest in the forthcoming classes. Tho it rained all day, the 180 people who came had a ball. In September (1958) after discussing the possibility of a Round-of-the-Month the idea was adopted, a policy which is still being carried on today...with Ed & Elsie Rice, who incidentally were chairman of the first Callers Carnival in November 1962, as Chairman of the R/D Committee. October saw the first association class begun in Plainfield with classes soon following in other areas.

March 1959 saw the birth of our official publication GRAND SQUARE with Bob Keck as Editor. In the fall of '63 Bob, due to the pressure of business, had to resign as editor and was succeeded by Bill Geier. When history repeated itself two years later, Doc & Peg Tirrell became editors. Originally published three times a year and mailed to every Association member, it is now bi-monthly and distributed thru the delegates. It is supported through advertisers and a booster drive.

A summer dance program was set up to maintain interest during the months that the clubs were not meeting. This helped to hold some of the would-be drop-outs which occur during summer as well as help keep interest of new graduates until they became active regular members of clubs.

In September 1961, when we were 21 member clubs strong (Belles & Beaux, Circle Eights, Country Promenaders, Middlesex Boro S/D Club, Hanover Square, Hill City, Hill Top Squares, Merri-Eights, Merry Squares, Metuchen S/D Club, Plainfield Promenaders, Pioneer S/Ders, Rahway Square Set, Richmond Dancers, (our new veeps Zena & Tom Duncan were their delegates, while Jack & Carol DeCoste, our new presidents were delegates from the Pioneer Group), Tenakill  
6 Twirlers, Tenafly Squares, Wayne (Ramapo), Westfield, Parsippany Squares,

Grand Prowlers, Bachlor & Bachlorettes) the NNJSDA took on its biggest project of its history, the Seventh (and last) Atlantic Square Dance Convention....with Bob Keck as General Chairman. Its successor was the Delaware Valley Square Dance Convention the following September.

In 1963 we had grown to 24 clubs and by the following year to 26 active member clubs. The Constitution and By-laws were revised with copies made available for all to have and it was decided with the increase of new responsibilities to have two couples serve as vice-presidents.

It is interesting in going over the archives to note that officers in this couple activity were not listed as couple until January '63. For a journey down Memory Lane, here is a listing of those who have guided us over the past ten years.....
