"....the convention was excellent....registration of 13022.....weather ideal with a temperature no higher than 68....facilities were excellent and all were air-conditioned...many interesting panels and hosts of good callers. Attending from our area were Dawn & Parker Johnson (Plainfield Promenaders), Ed Dornfeld, Steve Penderich, Sheila Hartpence, and Carol Sheredos (all Rutger-Douglass Promenaders. Another Rutgers Promenader, Carl Bredlau came in from Japan where he had spent last year in advanced study....Also present, and later going with the Delaware Valley Square and Round Dance Travel Club to Hawaii were Louise and Jamie Jamison (Hill City) and the 3 Seeles. In Hawaii they danced with the Hilo Squares, the Hayseeds at Hickham Field and the Kona Square Dancers - on the Isle of Hawaii...also flew into Maui and joined the local group at the Royal Lahima Hotel. July 4th was spent on a memorable catamaran cruise off Honolulu (Yes, they danced on board to live music!)....in all these places they were welcomes with open arms and always the callers and spouses were presented with leis and orchids....a wonderful way to end up the convention....."

2 & 4 Saturdays

As this goes to press we are looking forward to our opening dance on September 13th with Bob Paris of Connecticut. For the rest of autumn we will have our regular callers - the greatest - Dick Jones on the second Saturday and Manny Amor on the fourth. TENAFLY SQUARES -- Tenafly, N.J.

2 Friday

Presbyterian Church, Magnolia Ave.

Now that summer is ending, the time comes to look forward to our favorite pastime, square dancing. Many of us who haven't danced since June will have to re-learn a do-sa-do and an allemande left. Well, there's no better place to get into the swing of things again than the Tenafly Squares.

Why don't you come on over on October 10, when Jim Flammer will be back behind the mike to lead us in an evening of relaxed, fun dancing. The rounds will be handled by the Shearwoods and the Tirrells. Presidents Pete and Jess Korzaan are making plans for an interesting year. And don't forget, every dance ends with delicious, free coffee and buns, followed by a few fast tips for "those who can".

secretaries - Frank & Marie Poole 201-342-3375

Hot off the press! We're proud to announce that the NNJSDA "Manual of Basic Western Square Dance Figures" is now ready for club distribution. Our thanks to Cookie & Dick Lighthipe and Bev & Bruce Tharp for a job well done.

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays

Heights School, Seminole Avenue

Ramapo families and guests had another great picnic this year on a perfect Saturday in June at Shepherd Lake. One of the main events was the launching of the Reid's homemade canoe which performed perfectly. All of us were happy to see Ginny Allison feeling well enough to join us for a while. Our Sunday night record/tape sessions have been well attended all summer, and it has been a pleasure to see some visiting club dancers join in the fun.

At this writing our first all-Ramapo baby has not arrived and our whole tribe is waiting (almost as nervously as the grandparents - Hardy's and Marra's) to see who guessed in the 50-50 club.

Our 69-70 season will start September 27th. Lee Kopman and Jerry Salisbury will call at alternate dances throughout the year. Rounds will be taught 8-8:30 by the Tirrells. Don't forget school rules require sneakers at our dances (soft-soled S/D slippers for taws).

reporter - Vi Clapp 201-337-7578

FLASH! FLASH! Word has just come through. It's a boy for the Hardy's.

SOMERSET HILLS SQUARES -- Basking Ridge, N.J.

2 & 4 Tuesdays

Cedar Hill School Gym, Peach Tree Road

It was a long wet summer, but now that it is over and we have renewed our dancing activities, we are looking forward, with enthusiasm, to a full season. Vin Caruso is our caller ably assisted in the rounds by his lovely wife, Ann. Take special note of the date October 14th. The man with the purple shoes is coming back to town - Bob Yerrington of Muscatine, Iowa. Those of you who attended this dance last year will certainly agree it was a most worthwhile evening. We are eagerly looking forward to his return.

Somerset Hills is again sponsoring classes, at the Bernardsville Y on Thursdays. For more information call Al & Jean Buck at 201-647-1770.

It promises to be a season of real fun dancing. Why not come dance with us?

2 Wednesday; 4 Friday

Mackay School, Jefferson Avenue

NEW DAYS - this year the club will dance on the second Wednesday and fourth Friday of each month, starting September 9th. Same place though and with Marty Winter at the mike.

All of us were sorry indeed to lose the DeLeaus to Pennsylvania - but there's a knot head trip possibility. In any case we all wish this charming and generous couple much happiness in their new home. In August Marty Winter called for a festival at the Bergen Mall to entertain the shoppers and to promote square dancing. Many of the dancers in the area participated in these fun dance evenings. For our class information see page 7.

We have completed another summer of activities, and are again preparing for an enjoyable year of dancing with Barney Hartenstein at the helm, and Virginia leading the rounds. Presidents Skip & Barbara Samsøe promise a great year for the club. Summer found the MT's with fun at the homes of different members with nights of folk dancing at the Neusteins, Stinker nights (dancing to records) at the Telekys and Koveds and Barney calling at the Hansens and dancing under the stars at the Neusteins. All in all, a great summer of dancing.

Mark this date - October 4 - our "Kick off" dance of the fall season. Same time - same place. So if you enjoy good dancing, friendly people, and super refreshments, come on down and see us sometime. Visitors are always welcome. reporters - Stan & Rosemary Brixie 201-826-0533

Greetings, square dancers!

We would like to express our thanks to you for the excellent support given to the Association summer dances. Also our thanks to the callers and r/d leaders who made these dances so successful.

As this goes to print, we have received application from two outlying clubs to join the NNJSDA. This is a very healthy sign and shows the continuing growth of interest in our activities.

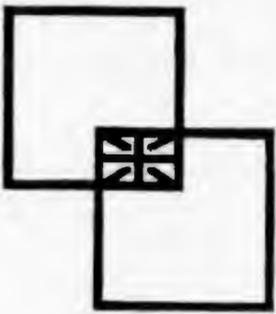

We are indeed pleased to serve as Presidents for another year, having thoroughly enjoyed our visits to the various clubs last season. So as the fall season approaches, with the increase in club activities and special dances, we hope to see you there on the dance floor.

a first hand report by Dorothy and Paul Pullman

As in everything else in England, as American feels at home square dancing, but.....there are always those fascinating differences to remind us that we are abroad. Just as our little grandson sleeps in a "cot", rides in a "pram" and requires all too frequent changes of "nappies", so do English practitioners of what they call "American Square dancing" introduce their variations into the art.

Essentially it is square dancing as we know it. The sets and calls are the same (although we had some trouble with pahss through"). One is met with the same warm welcome and good fellowship. First names are in order which is extremely informal there. Dances are all open with all comers most graciously received.

Most English dances are at a somewhat slower pace (not Tommy Cavanaugh!), but the callers tend to belt out the songs with great fervor - the emphasis is on singing calls and often the dancers know the next call as well as the caller does. On the other hand they are accomplished round dancers and would not dream of being cued - the record goes on and the whole floor dances. Their clothes are similar to ours, though many wear ordinary clothing and nobody gives a second thought. Children of all ages dance with the adults with style and grace - there is no generation gap here. There are also many singles and those friendly Englishmen on seeing a lady disengaged will politely invite her to dance.

After our experience, we would heartily recommend to any travelers that they inquire in advance about dancing on their way. We only promise a heartwarming contact with dancers of another nation. We do not promise that you will follow the example of John of Australia whom we met in London - when he returns home he will take with him the English bride whom he found in the square dance hall.

every Thursday HIX & CHIX -- Paramus, N.J. Farview Avenue Firehouse

Summertime, hot weather and occasional showers haven't diminished the enthusiasm of dancers on Thursday nights. Attendance has been very gratifying. At times it's warm, but during the summer months...that's to be expected. We were happy to have Lee Ehrenberg's graduation class with us in July. In their honor refreshments included a large decorated cake.

Our Open House was September 18th, but anyone still interested in our Beginners Class, please call. The first Thursday (Party Night) in October, the 2nd - we are having a Pot Luck supper at 7 PM with dessert and coffee after dancing. To Jim Flammer, our caller, and his wife, Edna, our sincere thanks for the invitations to share their pool and hospitality. It's been enjoyable and has given some of the newer members a chance to socialize and get better acquainted with the "Old Timers".

One of our members, Carl Hansen, has retired from the Erie Railroad. A dinner was given in his honor, by the railroad. We all wish him health and many years of dancing in the future.

Elly Tout and George Alberts are teaching rounds on Thursday nights - 7:45 until 8:30 pm. Won't you join us?

TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Avenue

This year those busy Brombergs and Davidsons didn't even take off the summer. Joe & Jody taught a mixed group of adults, college age and teens with Ed & Mary as sponsors. And a goodly number of round dancers met every Monday in August with Doc & Peg to catch up on classics and requests. The Tirrells even taught a Basic class in two steps on vacation!

Our club resumed its usual activities in September with Chip Hendrickson back at the mike. Beginners classes for adults are 1 & 3 Wednesdays with the teen class on Mondays starting in November. Round dance group meets 3 & 5 Mondays at the Reformed Church on the Hill with Doc & Peg... folk dance group on 2nd Wednesdays at Brombergs basement. Better late than never - if you haven't already received your "Cresskill 75th anniversary participant" pin, see the Tirrells; same for the special black cat badges! Our Teenage -Tenakill Twilighters- dance with us at all our dances...and we hope you will, too.

PLAINFIELD PROMENADERS -- Plainfield, N.J.

By the time you read this article, the PLAINFIELD PROMENADERS will no longer be a club. We have tried very hard to continue, but since Beulah Samec can no longer be our caller and without being able to obtain another caller and .....since our membership is not large enough to fill our slate of officers, we regretfully announce that we will not be able to continue.

We shall miss dancing with all the friendly people who came to support our club through the past years. Many thanks to all of you. reporters - Mildred & Finn Holth 757-0622.

Sadly, with a touch of nostalgia, we typed the above....and then realized Wrong Way Thars is sharing the same experience...while a couple other clubs are tottering. All of which set us to thinking. Drop Outs are a big problem - one which constantly plagues square dancing. Look around you - how many of your class are still dancing? Have they become actively involved in our favorite recreation - or do they just belong? And what about yourself???

Those of us who've been around awhile know that NO club is safe - a successful club can just as easily go downhill in a few years. So bear with us while we ponder a bit. What are the necessary elements for a successful S/D club and KEEPING it that way? Feeding in new blood..... and an encouragement of new members to take minor jobs within the club to become more intimately associated with it (here it is your responsibility not to let new folks burn themselves out). A cooperative functioning Executive Committee.....while an Executive Board must be continuous there should be a change over of officers so it will not become stagnated. A sincere friendliness within the club....activated by their governing body - sort of an extension of the hand of friendship to all - giving folks the feeling this is HOME.

This problem is not peculiar to our area - it is of national importance involving many people and causing much concern and discussion. Yes! People are not only talking about it, but some are trying to do something constructive. May we suggest - Take a good look around you again - Closely examine some of our more successful older clubs - especially those who have weathered bad times (from past experience, we know that even 3 actively involved couples can pull a club through). See if you can figure out the necessary ingredients...and then go thou, and do likewise. Dec 4 Pg

The Northern New Jersey Round Dance Leaders Council in  
cooperation with the NNJSDA will continue to select 2 ROM's  
and a Classic bi-monthly, starting in October...with the  
directions reprinted, for the dancers convenience, in GRAND SQUARE. It is  
suggested that clubs who play rounds between tips include the ROM's so  
that visitors from other Association clubs may also join in their R/D  
program.

Active members of the Council include: John & Kay Adams (212-YU4-4564),  
Barney & Virginia Hartenstein (201-276-5198), Bill & Dot Keller (201-335-

	deadline	distribution date
FALL	August 20	September 21
HOLIDAY	October 14	November 15
MID-WINTER	December 15	January 18
SPRING (graduates issue)	February 16	March 17
SUMMER	April 20	May 20

The NNJSDA has its beginnings in January 1958 when 6 couples  
drew up its format. Existing clubs were contacted with 11  
sending delegates to the first meeting. Then, as now, all  
were concerned with forming a good promotional program, pro-  
viding beginners classes for square dancing, summer dances,  
and a clearance committee to avoid costly and embarrassing  
conflicts. GRAND SQUARE began in March '59 with Bob Keck as  
Editor, succeeded by Bill Geier. It is interesting to note  
that officers in this couple activity were not listed as couples until  
January 63! Past Presidents are: 1958-60 Al Aderente; '60-'61 Bob Keck;  
'61-'62 Bud Sibbald; '62 Bob Kellogg; '62-'64 Frank & Hazel Preston; '64-  
'65 Doc & Peg Tirrell; '65-'67 Gene & Grace Lucarini; '67-'68 Jack & Carol  
DeCoste; and '68- Ray & Pam Zeliff.

COLONIAL SQUARES -- Clark, N.J.

every Wednesday

Mildred Terrace School

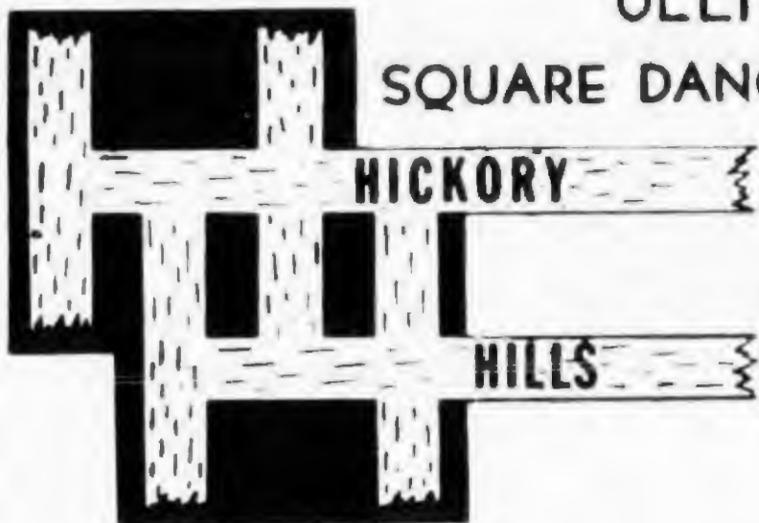

We are opening our season September 10 and looking forward once again to the stimulating calling of Beulah Samec. If you have been dancing in other clubs for a year, or several years, and feel you would like to try something more advanced, come out and visit us early in the season. We are a high level club, not a closed club. We are looking for dancers interested in a bit of challenge.

If you find it's a little faster than you are accustomed to, we have the perfect solution - an innovation this year! This fall Beulah will conduct a dozen workshops in advanced dancing. It will be an introduction to high level dancing for the intermediate dancer, a refresher for the experienced, and we feel it will fill a real need. The place is Abraham Clark High School in Clark from September 16 thru December 16 (Tuesdays) from 8-10 PM with the price \$2 per couple for each session. You need not register in advance, but please come.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.

1 & 3 Saturdays      St. Adalberts, 363 Morningstar Road

Another Big Top week-end has passed much too fast. So many things happened that there isn't enough room to fit it all in. Reflecting back on some of the highlights, I recall the Great Goo-Gootz whizzing through the air - a couple dining at a very exclusive restaurant - some gorgeous and very shapely bathing beauties with Al Meyer winning the title of "Miss Big Top 1969". All in all the week-end was a huge success and reservations are already pouring in for next year. So if you want to be in on the excitement in store for next year, sign up early.

We held our barn dance early in September - a real fun dance. Our caller Manny Amor is back with us again and John & Kay Adams will be leading the rounds.

CLOVERLEAFS -- Paramus, N.J.

1st Friday

Bergen Mall Auditorium

Memories of a long wet summer - muddy campgrounds, rained out picnics, bathing suits that never quite got dry, gardens that were drowned while the weeds flourished - etc., etc. Also memories of the hot night in July when 2 squares danced for about an hour for the pleasure of the elderly people at The Cupola; of the Monday night dances at Petruska Park where Bob Gray workshopped dancers who wanted to be letter-perfect by fall; and of the successful dance with Jay King in July. But that's all past and we're now looking forward optimistically to the NEW season.

We hope you're going to enjoy the "advanced hash" tip along about 9:30 at each dance and we feel sure you'll like the callers we have scheduled. Dana Blood on Oct. 3; Buzz Chapman on Nov. 7. The rounds - 8 - 8:30 - will again be in the capable hands of the Tirrells. See you at the Mall.

MOUNTAIN SQUARES -- Parsippany, N.J.

3rd Monday

Brooklawn Jr. High School, Rt. 202

It was a busy summer for many of our club members who travelled west. The LaRoches and Williams to California, Collins and Sharples to Colorado hear they managed to squeeze in some dancing too.

Our club expects to visit as many clubs as possible this year and dance to guest callers at Brooklawn on the 3rd Mondays. The welcome mat is always out. Watch for our flyers and come join us for a happy evening of dancing.

### MERRI-EIGHTS -- East Brunswick, N.J.

1 & 3 Fridays

Irwin School, Racetrack Road

Again we danced at the Middlesex County Fair and FIVE SETS turned out for an evening of free square dancing. It was really our own Beulah Samec calling and cueing the rounds who brought everyone out....NOT that fact that it was free. Our dinner dance in June was the best we've ever had (And they have all been pretty darn good, we hear) and new officers installed then were Presidents Bill & Kay Geier (who some of you know as club secretary and editor of the Mumbler for many many moons. ED. NOTE: and don't forget to mention Bill did a marvelous job as Editor of GRAND SQUARE for umpteen years 'til business pressures forced him to give it up) veeps Bob & Julia Cook - Secretaries Wayne & Dolores Moyer and Treasurers Dave & Kathie Mulraney.

Again we are having "Open House" on October 3 for all prospective dancers and our classes start on Monday October 6th.

COME on down "South" and see us.....we'd love to have you.

### GRAND PROWLERS -- Whippany, N.J.

1 & 3 Saturdays

Memorial School, Highland Avenue

We've just mailed 200 announcements of our program for 1969/70 to everyone on our mailing list. Just in case you did not get yours we would like to tell you about our new caller - Bob Mitchell, with us every first Saturday and about our eleven travelling guest callers - all booked for this season. In addition to our traditional welcome you have the assurance of the maximum in square dancing fun and variety when you visit us.

Our new slate of officers is in the roster pages. We're also pleased to announce that Bill & Dot Keller will be helping Walter Hamshar, our vp, in charge of round dancing. Your reporters for this issue were the presidents (on vacation in Florida) Ed & Gwen Knight. Phone them at 201-895-2559 for further information.

RICHMOND DANCERS -- Mariners Harbor, Staten Island, N.Y.  
2 & 4 Saturdays Christ Methodist Church, 1890 Forest Ave.

The members are eagerly awaiting the start of the new season. It seems like ages since our last dance in June, however that evening was highlighted by the unexpected visit of Bill & Madeline McEvoy. We were happy to see them looking well and are looking forward to their rejoining us this fall. We're pleased to note that our graduates have continued to dance during the summer. This will prove most helpful to them with the coming of the new season.

Our first dance was Sept 13 at the same hall with the inimitable Beulah Samec calling. Our round dance instructors will again be Shirley and Frank Bellotti, who deserve plaudits for their outstanding round dance instructions last year. Classes for beginners start Oct. 2. Beulah will once more teach our class. A cordial invitation is extended to all to dance with us. reporters - Doris & Harry Campbell 212-YU4-7031

CORNWALL SQUARE DANCE CLUB -- Cornwall, N.Y.  
1 & 3 Wednesdays Central High School, Main Street

Our big news event of the summer was that Joan & Otto Krumpholtz, our club secretaries, took time out to have a new son named Scott Alan on the 21st of July who weighed in at 8 pounds.

Dick Maddocks is back with us again and we hope to get around to a lot of clubs and introduce ourselves as the newer members of the Association. Hope some of you will get up our way too. We may seem far away but it's really not. That's one thing about square dancers - distance means nothing when it means getting out and seeing old friends and meeting new ones. See you on the floor.

CALI HOE SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursdays

Hayloft - 901 First Ave.

We are a very active dance and social club with a membership of 85 and at meetings we average a 7 to 8 square turnout, depending on any special events at our meetings. During the past two years we have promoted the following major items for the good of our members - parades, bus trips, dinners, demonstrations, a clam bake (over 100 attended and earned a novel badge), the Delaware Valley Square Convention (8 squares went by bus) and visiting other clubs to either pin their banner, or if their customs allow, to be banner bandits. Our current classes graduate in September with another class scheduled to begin in October. Visitors are always welcome. Oh! Our caller and R/D leader is Roy Keleigh.

2 & 4 Fridays

Riverside Sch., Riverside Dr. W & Prospect Ave.

By the time you read this, we will have begun our 15th year of square dancing on Friday evenings. Dick Lighthipe is our caller. Glen Cooke will be our guest caller September 26. We are an excellent club for the newer dancers to visit. We are not too advanced, anyway, and since many of us have not been dancing over the summer, we will have a lot of re-viewing to do when we start up again this fall. We'll be happy to see visitors from any nearby (or faraway) clubs. We were delighted to be visited by NNJSDA presidents Ray & Pam Zeliff in May.

OVERSEAS DANCERS REUNION

The "Overseas Dancers" is an informal organization including all who have square danced overseas. Most of them have lived abroad and belonged to clubs there, but an increasing number of tourists, like the Pullmans who wrote the following, are now joining..."...we happily decided to attend their 7th annual reunion, held in August in Maryland, and did we ever have a good time. Anybody who goes to Europe or Asia to dance has to be a little crazy and when all of us nuts get together - it's loads of fun. We met the CROWD folks - Fran & Steve Stephens....the Mayor of Annapolis declared it S/D week and led the Grand March....old time Jerseyites - KARL & ALLEGRA RODGERS are still dancing up a storm and asked to be remembered to all their many Jersey friends...."

\* Sunday Dances are "easy and relaxed" Dances - to help the Class Dancer become accustomed to other callers - to help the "rusty dancer" - to relax us all.

On August 24th, the Pullmans and Tirrells sponsored a party dance for their fellow round dance teachers GWEN & FRED MANNING of London, England. 7+ sets

squared up at the Church on the Hill and fun and good fellowship marked the evening. "As two of the many Americans who have been introduced to English "American Square dance" clubs by the Mannings, we urge all round and square dancers travelling in Britain to see the Mannings and have a ball" unquote Dorothy & Paul....but as Fred said "Please don't all come at the same time!".

# Square Dancing with the TEEN-AGERS!

SHONGUM MOUNTAINEERS -- Morris Plains, N.J.  
every Tuesday County Buildings

We took a rest from our regular once a week schedule during the summer but will be back to dancing as usual by the time you read this. Bob Mitchell calls on 1st & 3rd Tuesdays and we use records and tapes the 2nd & 4th. Our summer activity was the sponsoring of square dancing at the Morris County fair August 21 when Bob Mitchell called both the club level and "one night stand" tips under the Big Top! Inquiries received at the fair concerning lessons are being passed on to the local clubs. Our advisors are Ed & Gwen Knight.

TENAKILL TWILIGHTERS -- Teaneck, N.J.  
every Monday Community Church

In June we put on a demonstration square dance for the New Milford Elks Auxiliary. We enjoyed this as we do any kind of dancing. Our current class is meeting Monday evenings from 7:00-9:30 with all graduates welcome to come help out. The new class for teens will be starting November 3. We're planning a teen square dance in early fall and two of our teen couples are looking forward to attending the 8th Delaware Valley Convention in Philadelphia.

Coming up, planned with Tenakill Twirlers, is a weekend in October - the 12th - to Square Acres in Mass. This will be our first knothead trip. Newly elected officers include president Barbara Spreen, vp Kenny Weiss, treasurer Bob Davidson. reporter - Luci Bromberg 201-569-1348

## GARDEN STATE SQUARE DANCE CAMPERS

By the time you read this we will have wound up our scheduled camping season. In spite of interesting weather (a new name for RAIN), our spirits are undampened. Caller Jack Shoffner produced many surprises (including a revival of Loop-de-loop). R/D leaders Bob & Lynn Long have contributed lots more to the club than just leading rounds. They've been sharing the R/D with Doc & Peg Tirrell, who have also been active members. Prexies Art & Mary Handwerk who have done a wonderful job were reelected and have immediately begun to work. The idea of getting together as a family during the winter with a covered dish supper on a Sunday received enthusiastic support...who knows! Next may even be a winter campout! RUTGERS PROMENADERS -- New Brunswick, N.J.

alternate Thursdays

Bartlett Hall, Rutgers University

Once again we come to bring you square dancing - college style. For fast dancing that always seems to end too soon, join us as we dance to the tune of Art Seele - 8-11 pm- in Barlett Hall (Ag Campus). Because of the college situation and the constant turnover of members, Art uses the first few dances of the season to teach our newer members. Especially for beginners on Oct. 4th in Blake Hall we have a beginners dance, followed on Nov. 13th by a Harvest Dance also at Blake, 8-11:30, for the more experienced dancer. At this time we shall bring you a host of callers - all for free (donation for refreshments only!) Perhaps we'll be seeing some of you there? Our schedule is Sept 11 & 25; Oct 16,23,30; Nov 20 and Dec 4 & 18. For more information or directions don't hesitate to call Irene Barici 828-9658. reporter - Irene Barici

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturdays

St. Stephens Episcopal Church, Erhardt Rd.

Considering vacations and the torrid heat, the 1969 graduates were well represented at our summer dances. We are hoping for a bang up start when we resume Sept 20. Our club is planning on visiting as many clubs as we can to become better acquainted. It was especially gratifying to have Doc & Peg Tirrell visit in August when the Sussex Spinners were also represented by five nice people who dropped in to wish us well. We're honored. reporter - Hilda Berger

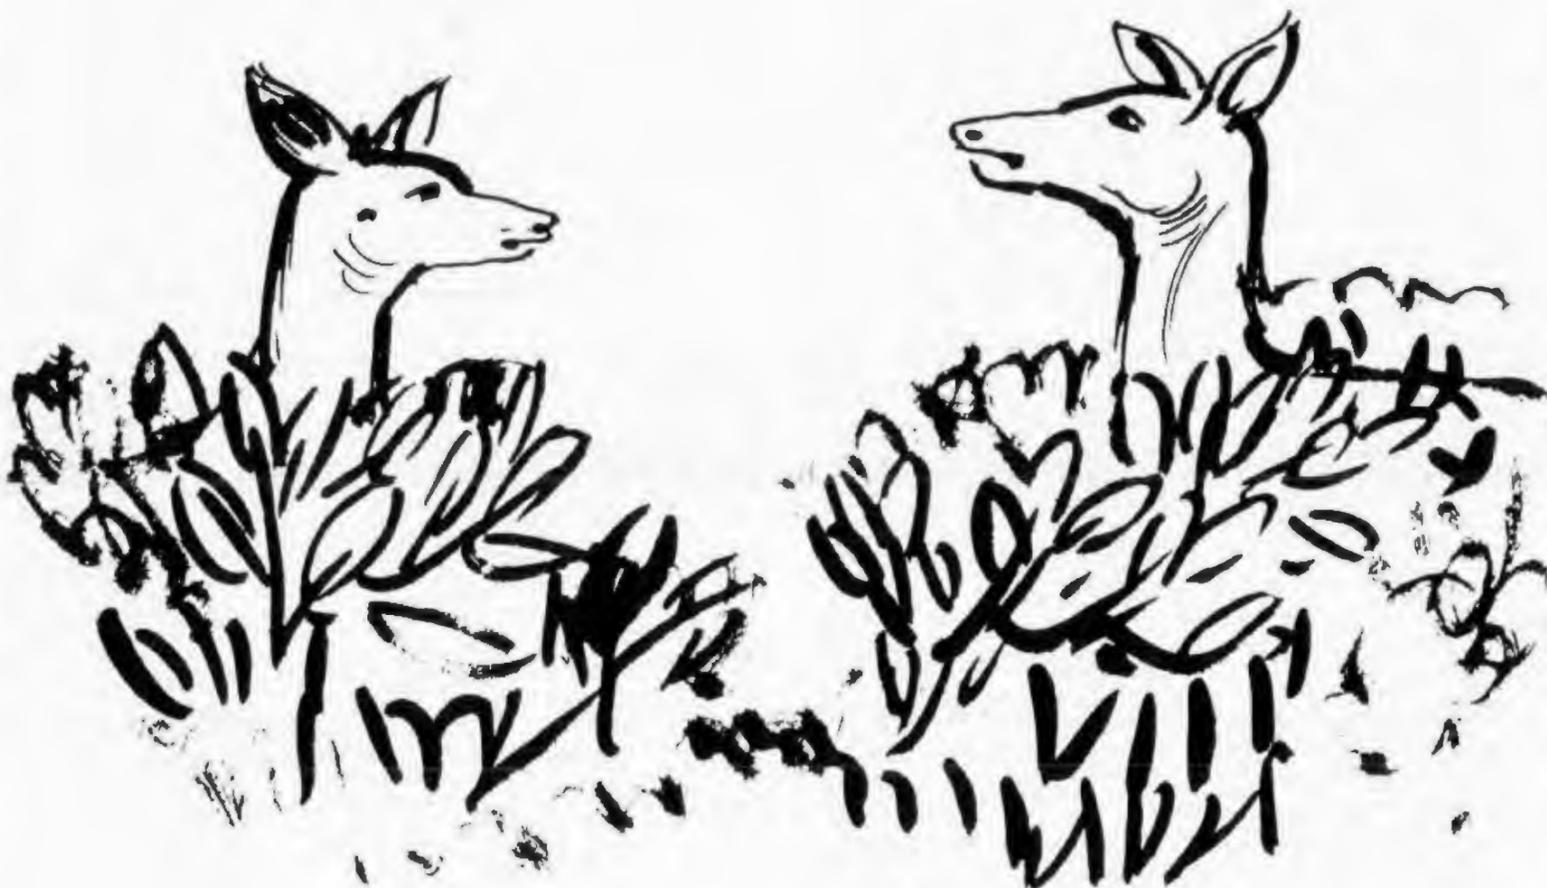

SQUARE SWINGERS -- New York City, N.Y.

alternate Fridays

WQXR 9th floor, 229 W. 43rd Street

Hope everyone enjoyed the summer. We're anxious to get back in the swing of dancing. Starting Sept 5, we dance alternate Fridays, we wish you'd all stop over and get in on one of our relaxed dances - dancing is between 6-8 PM. Our officers this year are Ed Herrmann (he did such a good job, he was unanimously re-elected), Reggie Tulley as VP, Joyce Alex as Secretary and back again as Treasurer is Alan Treshan. If you missed reading your club news in this issue, please remind your reporter the next deadline is Oct. 14... the earlier to their area reporter. We missed receiving items from several clubs, but with the pressures of deadline and vacation could do nothing but type what was already on hand - after finishing these 28 pages, we'd say it was quite a bit. We ask all to observe the dealines - should you miss one, than a call to the editors would be in order to be sure space is saved for you - after all this is your chance to tell others about your club and your members.
