## square notes

A letter from the Clapp's concerning the recent award... "How did you keep it to yourselves? Have just finished a letter to the Hardys telling them that we heartily agree with the Ramapowers That Be who selected them as the couple most worthy of recognition in this way for their loyalty and devotion to the Club. The Hardys have always been there whenever needed, constant ever-reliables on every occasion.....To be serious - Haven't you all honored us enough in many ways? Reading the words 'Vi and Hanley Clapp Award' came as more than a surprise - a real shock. We have so many friends among you, and have had such great times with you all, that this is like adding a cherry to the top of the cherry on the top. We are really deeply touched that our favorite Tribe should set up such a wonderful niche for us....."

From RON VIZARD of England..... "I would like to say how delighted I am to be coming your way this September and to all my friends who I made on my previous visits a big thanks for all your nice comments and looking forward to seeing you all once again and calling for you. Through the Pullmans I receive Grand Square and I am an ardent reader - the presentation of this mag is first class!! Round of the month is a must!! for my Round Dance Instructors the Sherriffs at my clubs and a lot of our members enjoy the sewing page. We shall be welcoming Dorothy & Paul here soon, their friendship to me I cannot express in words, truly fine people. Recently we have had visitors from Ohio-Texas and New Zealand. If any one in your area plans a visit, give them my address they will be most welcome....."

From CLETE & GAIL POLK.... "Speaking for the members of the Ramapo Rhythmaires and the Tirrell Twirlers, we wish to thank Doc & Peg for the wonderful time enjoyed by all at the recent afternoon of rounds...."

A poem from a GRADUATE of HIX & CHIX Class of '73-dedicated to all angels:  
At the start of the lessons it looked like your teaching was in vain  
Yet never once did you complain - or say we were an awful pain  
When we forgot the Dixie Chain.....WE THANK YOU.

And when we did the "Allemande Left though Jim Flammer distinctly said  
"Allemande Right" - and we goofed our squares every Wednesday night -  
You never ever were uptight.....and WE THANK YOU.

Never before and probably never again, shall we meet such a patient and kind group of ladies and men...who taught us over and over again-----  
Barge thru, Cross trail thru, dive thru, pass thru, double pass thru, swing thru, double swing thru, 8 chain thru,  $\frac{1}{2}$  square thru,  $\frac{3}{4}$  square thru, square thru, turn thru, R & L thru, slide thru, star thru - I'm THRU

WE THANK YOU.....

With this issue, we come to the close of our term as Presidents of the NNJSDA. For the last two years we have had the distinct privilege of serving all of the clubs and dancers within the Association. We have travelled several thousand miles visiting all of the clubs at least twice and have had the pleasure of making many new friends. We can truly say we felt welcome and were warmly received wherever we went and for that we want to thank everyone collectively.

These two years have seen an emphasis by the Association in two areas, greater involvement by the delegates and expanded educational programs.

We have been especially gratified by the response of the club delegates to our suggestions and their support and promotion of the Association programs. We hope that the role of the delegate as a responsible voice within his club and in expressing his club's views to the Association will continue as well as his pitching in to make these programs really work.

The educational services which the Association has provided have expanded to include more informational materials for beginner classes, a Leadership Seminar (the next scheduled for June 10th), a New Callers Class (now just being organized) and the distribution of a variety of other pertinent information.

Looking to the future, we believe that the clubs should concentrate on strengthening their programs. Many clubs have difficulty each year getting new officers; to overcome this they must have classes or else offer superior programs that motivate people to work. Clubs should improve their communications with their dancers. Each club should have some kind of a newsletter. Further, every club should organize an extra social activity each year (such as a picnic, dinner dance, New Years Eve party, etc.) so the members can get to know each other better. Potential officers should be trained by their predecessors so that there is greater continuity of operation.

These are just a few reflections on actions that would make stronger clubs and through them an Association better able to serve all of its members.

We wish to thank all of the Executive Committee for their fine cooperation. In particular, to those leaving the Committee:

Win and Ceil McCarty, our 2nd V.P.'s for Beginner Classes, under whose shepherding the Association clubs had a record crop of new dancers this year. Their advice and counsel was especially helpful in many ways.

Eric and Maureen Pollock, who as secretaries, did so many nice things to make life easier for us that we've lost track.

John and Dot Lutz. A double thanks for two years of suffering under our autocratic hand, first as 2nd V.P. for Beginner Classes and then as Treasurers, both jobs done with characteristic efficiency.

Special thanks should be given to Jim and Lois Drake who have made the Educational program really hum and to Tom and Mary Gorham for their work with the Round Dance Council.

To those staying on, with our thanks go our best wishes for continued success in leading the Association to greater achievement.

Good luck and happy dancing!

 from the Rockland Heart Association bulletin....."there is an increasing amount of interest in the role of exercise in our relatively sedentary population. It is felt that a regular exercise program of at least three times a week, prescribed by a physician, may be of some benefit in reducing the risk of heart attack. Although the date is not yet irrefutable, there is a considerable amount of research into this field." Who'll suggest square dancing first?

The By-Laws have been passed! On March 5th, the 21st founder converted their founders fee to the initiation fee and submitted their application and dues for Charter Membership. So now it is official. As of April 12, 1973, proper applications and fees had been received from 63 square and round dance clubs and associates for charter membership. Tho' run differently than our own NNJSDA, the purpose is basically the same. It is to be a representative of all square and round dance organizations in the state of New York serving its membership as a means of communication between areas, clubs and associations in the state and aiding, on a state wide level, with the promotion of square and round dancing to the general public and in the state legislature. Any New York state clubs wishing to join and help make this new federation a strong force for square and round dancing in NY should contact the Federation's temporary president: Grant Johnson at 136 Seeley Avenue in Syracuse, New York 13205.

Again we come to the end of another season of square dancing with holes in our shoes, smiles on our faces and hearts full of joy for all the good times we have spent with our friends. But do not let it end there, check the summer schedules and keep track of the graduates, for I am sure they would enjoy the summer workshops and dances as much as you.

Club members and all our friends get into your best bib and tucker for the last one on June 1 - our 10th anniversary dance. Then on June 15, July 6,20; August 3,17 - 8:30 to 11, same hall, for the summer dances.

So in closing we would both like to say thank you, to all of those wonderful people who have made our evenings so relaxing and enjoyable and especially to those two wonderful people, Bob & Jean Kellogg who by some unknown talent inspire everyone who comes in contact with them.

So don't forget to come and hold hands and stir a little coffee with us. reporters - Audrey & Bill Personette 201-233-4518

TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Avenue

To anyone, like your reporters, who was introduced to square dancing at the old Grange Hall in the Catskills, with a couple of fiddlers and a caller singing "duck for the oysters", May 18th will be pure nostalgia. And if you've never had the experience of dancing to live music, you'd better come and build your own nostalgia. This is definitely a "Don't Miss" occasion. Chip Hendrickson will call with LIVE MUSIC. Please, please, remember - this dance is NOT at our regular spot, but in Northern Valley Regional High School in OLD TAPPAN, NJ. The rounds will start at 8 PM as usual with Peg & Doc Tirrell, but will be shorter than usual to allow time for election of officers for next year and a very brief graduation exercise for the Bromberg's beginners class. Then at 8:30 Chip and the fiddlers will take over. All those attending the dance will get a FREE Fiddler's Badge.

To compensate for not having an April dance, a large group of Tenakill Twirlers went visiting the See Saw Squares in Pearl River where we were warmly welcomed and treated to an evening of fun and friendship.

June 15th, our last dance of this season, will be back at Bryan School in Cresskill. See you on the dance floor.

2 Friday

Presbyterian Church, Magnolia Avenue

Many graduates attended our April dance. We had a very good time, because there was a wonderful spirit of fellowship and helpfulness. The graduates were relaxed and were able to follow Bob Kellogg's easy going rhythmic calls. It was also the dance where you could earn your black cat badge. Thanks to all who made it possible. Our May 11th dance will start with pot-luck. Oh how we love these nights. Bringing your favorite dish and forgetting diets as there are so many beautiful plates of food one just can not pass by. They are fun and are also a good way to wind up a pleasant, friendly dance season. Our June 8th dance will be the whipped cream of the season and we do hope all the graduates and our friends of the past will join with us to make it a huge success and to thank Bob Kellogg and the Tirrells for their wonderful and kind help in making our dance season so pleasant.

We had the pleasure of dancing with our new graduates March 14. We welcomed 14 eager couples - a little nervous maybe, but doing very well. The graduation dance was well attended with 15 squares enjoying the calling of Vin Caruso and rounds with Grace & Walt Pennie.

On March 20, 6 squares visited the Hunterdon Flutterwheels, a new club dancing in Flemington. We were warmly welcomed and had a great time dancing to Wilson Hoff.

Our club is celebrating it's 10th anniversary in May, so come out and dance with us. In June we will have our annual covered dish dinner to help close a happy and eventful season. You don't have to wait till next fall to dance though, get out to the summer dances and you'll be ready & raring to go in September.

Evans Park School, Marion Place

Congratulations to all the new graduates, all 739 of you. We have our door open to you, so come and dance with us. But, please don't all come on the same night! We were so happy to welcome 3 sets from Western Wheelers and have them pin our banner.

The dancing has been wonderful, Jules Pozsar our caller gives us a fine evening of dancing and Les & Ed Shearwood are terrific on teaching rounds. Jules called a free dance for the Senior Citizens of Teaneck. We had 5 sets dancing. At first it was to entertain them, but there was such a receptive feeling, we got them up for a few mixers. They and we had a very nice time.

We are dancing through the summer as usual. Jules is also calling at Petruska Park in Paramus every Monday evening during the month of July. Our annual Picnic and Swim Party will be at Russ & Addie Jones' home on July 28, for members only. Rain date July 29.

Looking forward to dancing with you. Hilda Berger 914-354-4350

RICHMOND DANCERS -- West Brighton, Staten Island, N.Y.

2 & 4 Saturdays

Olivet Presbyterian Church, Broadway & Myrtle

Hello again. It's been nice meeting you new dancers on the floor - we've enjoyed seeing a lot of dancers back who've been away for illness or other reasons. Keep on dancing - it makes for a lot of fun and new friends. It's been good seeing Beulah around locally. Glad she's feeling better but we miss her at our dances.

Dancing Squares came to our March dance and pinned our banner. We really enjoyed their company. Later in March the Bellotti's, Shirley & Frank, our r/d leaders, won our "Display Your Badges" contest. The contest wasn't for the number of badges, but the manner in which they were worn, and our judges had a difficult time picking a winner. The runner-up's wound up in a hat and the winner picked that away.

One of our dancers and friend, Matty Cafiero, was honored at a testimonial dinner-dance by the Knights of Columbus as a past Grand Knight. We took all our graduates by bus to the Graduation Ball sponsored by the NNJSDA. Everyone enjoyed the trip and dancing. Our annual pot-luck dinner on May 12 has Dick Pasvolsky calling. Ed & Ursula Connor are chairman with Joe & Emma Digiovanni helping. Don't forget our Thursday evening post-graduate dances at Wagner College with Marty Clifford calling. He did a great job with our class! All you new grads could benefit by some summer dancing, so come and join us....dances start at 8:30.

Did you mark on your calendars our coming special - Ron Vizard of England calling on October 13th. Thanks. Happy dancing.

WOW! Our Graduates' Ball was a bouncing success--over 20 squares of new and experienced dancers enjoyed being put through the paces by our caller, Vin Caruso. Special thanks to Hanover Squares, Somerset Hills, Sussex Spinners, Flutterwheels and all the other new graduates who attended in full force. The new graduates were terrific.

New officer time: Our new presidents are Wally & Lorraine Peltzer; VP's are Bill & Erma Donaldson; Secretaries are Bob & Fern Hornbuckle; Treas. are Pat & Moira Zweibel and our Hospitality Chairmen are Frank & Luella Sauro. The Donaldson's will also be in charge of next year's class. Congratulations all!!! We know our club will continue to be in good hands.

This will be our last issue as reporters and our April meeting will be the last delegates for Reelers to NNJSDA. It's been a very interesting and informative 2 years. Until such time as you participate in NNJSDA affairs, one tends to overlook the excellent job they are doing for our clubs. We will miss it. Thanks to everyone who has helped us in our term of office.

Well once again graduation has come and gone. We want to extend our congratulations to all the new dancers, and hope you will have a long & happy square dance future. Don't forget we will be having workshops every Sunday night this summer at the Ramapo Country Club with Bud & Jinny Allison instructing. Everyone is welcome to come.

We want to take this opportunity to extend our heartiest congratulations to Lou & Helen Hardy on receiving the first Vi & Hanley Clapp award, for their Loyalty and Devotion to Square Dancing. We hope it will always keep good time.

Once again our regular dancing season seems to be coming to a close. It hardly seems possible that another year has come and gone. We will be looking forward to our postseason special on June 3rd (a Sunday) when Jerry Salisbury & Manny Amor will be calling our 2 fer. (see page 22) We will be looking forward to seeing others in the fall. Many thanks to all who worked so hard for our club to make it another successful season, and most of all thanks to all who came and danced with us. "See you in a Square".

2 & 4 Fridays

Riverside School, Riverside & Prospect

We're getting ready to wrap up another great season along with all our neighbor clubs and friends. It's been a great year for Princeton! A full floor every time Glenn Cooke called! Wonderful "specials" with Manny Amor, Dick Jones, Jim Marshall, Al Cargill and Carl Hanks! We made many new friends and still greet our old ones with open arms! Our teens "did their own thing" with Jim Marshall and nine squares of kids had a ball!

Our new Round Dance program started off with a bang and ended up with a swelling crowd of new enthusiasts, thanks to George & Janet Alberts, our R/D leaders and our R/D chairmen Fred & Barbara Fields!

Glenn and Janet Cooke! We have loved them and we are so grateful - they gave us so much! We'll find him wherever he is this summer!

And so the curtain closes on another season of fun and friendliness! God bless our guests and good luck to the new grads! We'll be looking for you next September. So long to our "special friends". Thanks for all your kind thoughts. We have a treasure chest of wonderful memories! See you all SOON!

Here we are heading down the home stretch of another fine dancing season. Although there are still a few months left before we close for the summer, I want to take the time now to say THANKS! To the One & Only Dick Jones for the squares; to the Pennies for the rounds; and to all the dancers who came to join on the happy times we've had this year. On May 2, we had a special with Doc Gray from Mass. He is a fine caller, and we all had a great time.

Earl & Jean LaRoche will be leaving the executive committee this coming year. They have been with us since our beginning and have done a lot to keep the club going and build it back to what it is now. What more can we say to them except many thanks and that we'll do our best to keep the club going and growing.

Next season our president, John & Laura Schobel, will be assisted in their executive duties by Jim & Carol Williams, Gil & Betty Terwilliger, and Tom & Eleanor Wycoff. What a fine group! OUR national caller, Dick Jones, will be here to give us some of the best dancing in the country. Come see why, wherever he is calling, they pack the halls to "Perk Up With Dick". We dance for fun, and sure will enjoy sharing our good times with all of you. See you soon.

Here comes summertime! Don't put your dancing shoes on the top shelf yet, there's still the Merri-Eight workshops & Dinner Dance yet to come! The workshops will be held at Central School, on Cranbury Road, every Tuesday night from 8-10PM through May 29th. Dick Maddocks and Vince Caruso will alternate at the mike. ALL dancers are welcome. It's a great opportunity for new dancers to pin down what they have just worked too hard to learn, while old timers who have been a little bit lazy this season can catch up to the world. The dinner dance will be at the Polish National Home in South River on June 16. The reservations may be made with Joe & Evelyn Chaiken 889-6743.

Besides all the above we still have our regular dances May and June. Hal Holmes will call May 18 and Ray Turcotte June. Glenn Cooke will be calling at the dinner dance. Many thanks to all of the callers who so graciously filled out our calendar. A special thank you goes to Dick Lighthipe, who ran our classes throughout the year. Finally, a wish to Beulah that her summer be a very happy one.

Our annual dinner dance will be held June 16 as usual - only this year it will be a celebration of our 10th anniversary as a club. We are looking forward to an especially enjoyable evening. We regret to announce that we will not hold our annual dance at "Turkey Swamp". This has given us some marvelous memories in the past, and we look forward to planning next year's outing.

The club would like to express our thanks to our outgoing board of officers for their efforts and dedication during the last year. A special note of gratitude go to Gayle & Joe Paul who served us so well as presidents. We want to welcome the new board; we wish them success and offer our support for the coming year.

We wish all our dancing friends a healthy and fun-filled summer. We hope you'll include square dancing in your schedule of summer activities and we look forward to greeting you again in the fall!

Membership in the Northern New Jersey Round Dance Leaders Council is open to any R/D leaders who cue or teach rounds at NNJSDA member clubs. Meeting bi-monthly (next meeting August 5th) those interested in attending exchange information, plan social events and select ROM's. The NNJSDA has a R/D advisor who is the liason between the Council and Association. This advisor

also works with the NNJSDA 1st VP is arranging for r/d leaders to assist at all Association sponsored events and serves as M.C. at Council sponsored events. At a recent Snoball, R/D Advisors, Tom & Mary Gorham, publicly welcomes 4 new NNJRDLG members and presented them with their distinctive Council badges. Pictured are: Tom Gorham, Jim Connelly, Barbara Tirrell, Frank & Shirley Bellotti and Mary Gorham.

Instead of stealing banners, as is done in many areas, most clubs in NNJ prefer to raid clubs (usually giving advance warning to the president so that club isn't caught short if refreshments are customary) and pin the club banner. Well, just imagine the dilemma of Bob Burdette, president of Cross Trail Squares. The Circle 8's banner was in the Treasurer's trunk, somewhere in Florida! A fast thinker, Bob did second best and pinned the Circle 8 president, Bertha Sneider (and was so nervous pinned her upside down!). Who knows, Bob may have started a new trend!

Come with us and combine the fun with good friends. Love to have you aboard. Here's the dates to save:

DANCING SQUARES -- Cranford, N.J.

1 & 3 Saturdays

Bloomington Avenue School

All are welcome at our last dance and pot luck supper on June 2nd at 6:30 pm. Come along and bring either a salad, casserole or dessert; if you can not make supper, come and dance later. Rounds at 7:45; squares at 8:30. At our graduation dance in May we presented our graduates with diplomas, corsages made up by Jean Kellogg and a gorgeous sheet cake plus sandwiches. We hope they will enjoy dancing for years to come. In April Y Squares and Dancing Squares combined to raid Tenafly Squares where Bob was calling. All went by bus, arranged by Rose & Ritchie Ericson and had a good time. Under the talented proddings of Bob & Lydia LaVine, we had 8 successful raids, with 4 clubs returning the raids.

We sincerely appreciate the visits of the many fine dancers at our club. Bob calls an interesting dance each time. He keeps everyone on their toes. If you haven't experienced the fun of sticking out a hand for an allemande and have Bob call a right and left thru, star thru, etc. come on and try it. It's right pleasurable. We also salute the efforts of our "Angel" committee, Henry & Mary Eckloff, and Tom & Betty Gulya. We all know and appreciate loyal and hard working members. They are the rare jewels who add sparkle to the world of square dancing. How's this for loyalty? If Bob & Addie Byrnes do not miss the next 3 dances, they will have been at every dance for the last three years. This is really outstanding in any club! This is the 2nd year of giving away a birthday cake at our first dance of each month....all baked by Addie Byrnes this year. Chuck Engel won the April cake. Happy birthday, Chuck. We know, from experience, what a happy feeling it is to win. Should any club wish to use this idea, we freely give it to you. And thru the generosity of our members, we've been able to give at least 2 to 4 door prizes each dance.

As of this writing, we are eagerly waiting for a raid in May of 11 couples from Connecticut. What a happy evening it should be! (19th) It was good news to hear that Bill Roesel was home again after his stay in the hospital. Hurry back Bill & Marie, we miss you. Two squares of members were at the NNJSDA 2 fer in March. Again, our sincere congratulations to all new graduates. Come on and square up with us.

COLONIAL SQUARES -- Clark, N.J.

every Wednesday

Karl Kumpf School, Mildred Terr.

Our big news is the formal announcement that Lee Kopman will be our regular caller during 1973-74 season. Rounds will be in the capable hands of Betty & Don Collins of Plainview, NY. It is with a sense of great nostalgia we break with the past even to changing our regular dancing night to Thursdays. We hope our friends of the past will rally to the support of our club now and in the future in these difficult times of change.

CIRCLE EIGHTS -- Tenafly, N.J.

4 Friday

Mackay School, Jefferson Avenue

Cross Trail Squares visited us in March. 3½ sets that is! Bob Burdette wanted to pin our banner (it was in John Beck's car in Florida at the time), so the next best was our president, Bertha Sneider. She was pinned up side down at that (the pin we mean). We sincerely enjoyed the visit with us and hope the feeling was mutual. One member kept coming back for more cake. Seems he had about 4 pieces - said he hadn't had any like it for some time! How about you?

At this reading our weekend at Winter Clove will be over and great plans made for our mini fall weekend October 27-28. Mark this date now. You may want to join us. May 25 will be graduation at our club. Jules will be calling - hope all the graduates and friends will pay us a visit, as we are looking forward to having a Gala Party with cake and all the trimmings. Invitations were mailed to all the Instructors.

We have had a successful season and want to thank all who helped it to be so. Lots of fun and dancing with new dancers and members. Enjoying their company, having good fellowship and friendliness which is a must when you meet us at Circle Eights. If we miss seeing you at our June 13 dinner dance (Chip Hendrickson and Jules on squares; Doc & Peg on rounds) we hope you will have a wonderful dancing summer. We'll look forward to seeing you at the NNJSDA summer dances. Look for the Circle Eight badges there - especially our miniatures.

COUNTRY PROMENADERS -- Edison, N.J.

2 & 4 Saturdays

Clara Barton School, 1015 Amboy Road

Well our graduation dance in March was a huge success-22 squares. The school gym was transformed into a spring scene through the creative genius of Elsie Fry and her beautiful crepe paper trees, which were brought to the school by the Forbes' pickup truck. So many people helped with the sandwiches, cakes and other goodies - too numerous to mention - but thank you all. And a special thank you to Mary Narwid for the corsages she made for the graduates and for all the little extras she has done through the year. Our new dancers are great and very enthusiastic. We plan to raid many of our neighboring clubs in the near future and it looks like we'll have no trouble rounding up participants.

Our club has had a good year with Bruce Vertun and the Longs....and with our very able and hard-working presidents Elsie & Jim Fry.

CLOVERLEAFS -- Paramus, N.J.

1 Friday

Bergen Mall Auditorium

Hope all this April rain will make the May flowers dot the dance floor! By the time you read this, we'll have floated our way down stream to Princeton Squares for a ginger-peachy visit. We've just done an exhibition at the Evangelical Lutheran Church in Paramus. Had a fantastic time! New friendships bloomed, too. In May after Earl Johnston called his usual great dance we had a buffet and elected new officers. Keith Gulley called such a terrific dance in March that he'll be calling again during the summer. Square up for Summer Sounds You'll Love.

The Square Pincushion makes a gored-skirt.....

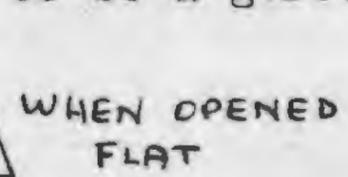

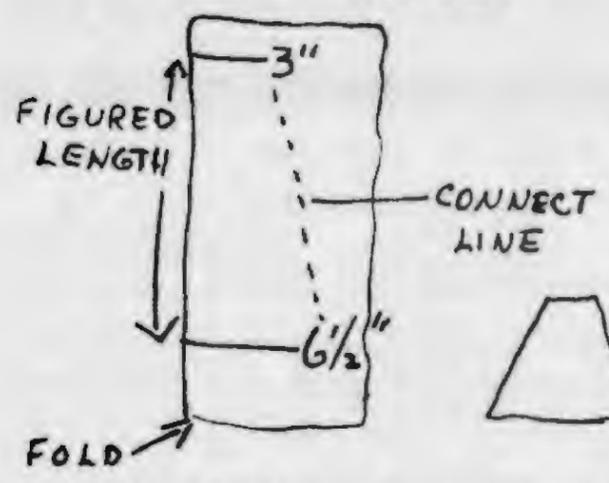

"Very little bulk at the waist- very full at the hem- using a minimum of fabric with the possibility of style variations" that's the gored-skirt.

First, we make a pattern. Determine the length of pattern by adding 1/2" for upper seam allowance plus your desired skirt length plus 1" for a hem.

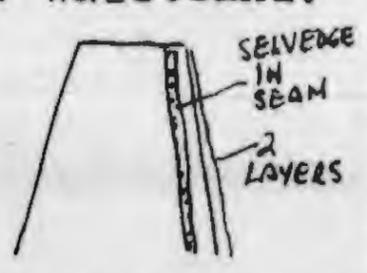

Using a double page of newspaper, folded crosswise, working from the folded edge, make a mark 3" in; measure down on outer side of fold the required number of inches from the figuring you did above; from this point measure in 6 1/2" and mark it. Draw a line to connect both points. Cut. Open pattern piece to be a gore.

Trace onto brown or tissue paper & cut 4 copies.

To determine amount of fabric needed, 4 gores can be cut across one length of 45" fabric so 3 lengths plus a waistband (or bodice if a dress) would be the amount needed.

Trim selvedge from both edges before starting 1/4" wide. Set aside. Lay out your 4 pattern pieces, 1 up, 1 down, across fabric. Cut out 12 gores. Cut out piece for waistband.

Sew gores together using the 1/4" strip of selvedge in the seam (3 layers) This straight piece will keep the bias seams from stretching unevenly later. If short of selvedge strip, use 1/4" twill tape.

When sewing last 2 gores together, insert zipper. Gather upper edge of skirt to fit waistband (or bodice). Round off hemline, check length and finish by machine or hand-hemming.

Can be varied by the addition of one or more rows of ruffling, rick-rack, embroidered banding, ribbon,; or can be made shorter and a flounce added. Gores could be appliqued. Possibilities are endless. Any questions just ask, I'll be glad to help you.

CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.  
 2 & 4 Thursdays Hayloft, 901 First Avenue

Our Sylvia & Roy Keleigh just returned from a winter vacation in Florida looking tanned and terrific and awfully good to the Cali-Hoes. There is just no mistake about it - square dancing is just not the same without them around. At a recent dance at the Hayloft, Al Brundage made a commentary to the floor about this couple's enthusiasm and dedication to the dance. Amen to that.

Thought of a whilom reporter: Glad to see Amelia back dancing after her serious illness; we will miss Lorraine Andreach who is recuperating from surgery; missed the Jim Tanners because Jim was hitting the books and catching up on some courses; our Jean Goldsberry is a coed at Brookdale and Lloyd Goldsberry has been trekking to Florida and back having become a landowner down there; the Al Larsons were chairmen of our Jack Cloe dance and weren't those cakes great? new to the Hayloft subbing for Roy came Bill Kresge who did a fine job; Hal Holmes called for us too and are not Hal and his wife Doris two delightful people?; pretty Candy Harnett has been accepted at the Charles Gregory School of Nursing after only 3 years in high school; - finally, the Tom Young's dog did Tom proud and graduated from Training School.

That wondrous season of Spring is full upon us - need tonic? Why don't you zap on down to the Hayloft - see what it will do for you. It would be so nice to see you. Meanwhile do have a truly happy summer.

 ← Claire & Jack Kurtz "Square Dancers of the year 1973" →

Ramapo Squares unveiled the "Vi & Hanley Clapp" award to be given, when appropriate, to Ramapairs for their outstanding loyalty and devotion to their club. Nowhere is there a couple more deserving of this award than Helen & Lou Hardy who for over 25 years have served this club, as well as others, in more ways than we have space to recount. If only there were more folks like the Hardy's around. And then the Tenakill Twirlers Executive Board, for reasons again too numerous to mention, named a most gracious and deserving couple, Jack & Claire Kurtz, as Square Dancers of the year 1973. Congratulations to both couples.

WESTERN WHEELERS -- Park Ridge, N.J.

2 Wednesday

First Congregational Church, 131 Pascack Rd.

Our graduation of 23 couples, plus members and friends (16 sets in all) jam packed our hall. A happy evening for all. We even had potted palms on stage to enhance the festivity. Wes & Winnie looked very smart in their robes. We were delighted to have Frank & Lorraine Mooney, VP of NNJSDA, participate in our gala program. Ray will continue Tuesday evening workshops to bring the new grads up to club level dancing.

A Tea Dance at Skylands Mansion, Ringwood, was well attended by our new graduates and regulars. Ray called the squares and Eli the rounds. Gourmet sandwiches and delectable cookies and cakes were made and supplied by all of the members - hmmm good.

"Dancing under the Stars" at Petruska Park, Farview Ave., Paramus, NJ - again this summer, by popular demand. Jules Pozsar will call July and Ray Turcotte August - see ad on page . This is a great opportunity to keep dancing thru the summer. It never rains at Petruska - well-hardly ever. For info call- reporter - Helen Rellinger 201-568-4116

# Square Dancing with the TEEN-AGERS!

TENAKILL TWILIGHTERS -- Teaneck, N.J.  
every Monday; 7:30-9:30 Community Church, 260 Elm Avenue

On April 1 we held our second annual "Rain Dance" and considering the bad weather, we had a good crowd. Chip Hendrickson called and we had a lot of fun and he was superb! (Many thanks Chip.) We invite you down to dance with us and be sure not to miss our specials. In April Mike Foley called; May 14 Ron Weiss and on June 28, our graduation, we'll celebrate with Bob Witt, Mike and Ron.

We've had quite an enjoyable year. We've met many new friends and we have also brought the fun of square dancing to our old friends. We plan to mix in dancing with the rest of our summer fun and to meet every week.

Mrs. Bromberg will begin new classes early in September, so if you are a teen or know of anyone who is interested in learning to square dance, please contact Mrs. Davidson at 201-836-7641. We'll be glad to have you!

We hope you have fun during the summer months. Keep in mind our Teen Tromp next fall! It's been a pleasure reporting for you. Keep dancing!

SWIRLABOUTS -- Newton, N.J.  
alternate Thursdays; 7-9 Episcopal Church, Church St.

Our club with its Sunday classes is almost ready for graduation. Since our move to Newton we have been having a good turnout. We decided it would be a better location and also the church is letting us use it with a minimum charge. A big turn out of parents came to "Parent's Day". This was the day the parents of our future graduates came to see how the class was doing. Happy dancing.

For reasons you can well understand we type this page last. Originally set for 32 pages, this issue suddenly exploded into 36 when in one mail came 1 1/2 pages of ads

plus all the half tones from John Jonas....and so once again the organized confusion of deadline week was revamped. All was finished and awaiting our printer when in the morning's mail came the following from the New York State Federation Square and Round Dance Federation!!!! We felt it too vital to leave out - so once again the last page went by the wayside! One thing for sure - life is never dull! And I don't intend to answer the phone until after the printer picks this up today!!!!
