presidents - NNJSDA

All phases of square dancing accounts for much of their time since graduating with the Sussex Spinners in 1968...were Club's original VP's & reporters, then presidents & delegates to the NNJSDA when SS joined in '69...proud of their Freeloaders, Patron, and Century badges and of serving with the Association since 1970 as 2nd, 3rd, & 1st VP's and on to the Presidency in '73 & '74...have vacationed in 20 of our scenic states and venture to say they have covered about 25,000 s/d miles with many, many happy memories and friends yet still have time for Church, "regular work" and all family ties with their four children.....

CLOVERLEAFS

Deadline: January 1, 1975

A cozy, fireside chat from 44 Sagamore Trail.....

As Holiday time fast approaches, the entire Executive Board joins in wishing each of you a most blessed & happy holiday season, & we hope the spirit which permeates the air around us these days will stay with everyone throughout a healthy New Year filled with many happy s/d hours!

Though the winter months do not afford us the many s/d opportunities other seasons permit, it does give us a chance to re-evaluate our favorite past time & adjust our plans & goals within our parent club. Survival of any club depends on each person's contribution, whether it be executive leadership, committee participation, artistic ability, angeling students or encouraging someone sitting on the sidelines to square up. We all have an obligation to help keep the movement going in our area, & the only way to do this is to take an active part. Remember, some one some where, way back when, was responsible for whetting our appetite & now it's up to each of us to participate & cooperate so that more and more people we know can have as much fun as we have together.

Your Executive Board is comprised of nine couples of all walks of life who voluntarily meet seven times a year to help guide and formulate ideas to better serve our member clubs, & if we ask your Delegates for certain information, please do your part to help them obtain this info, as we're not out to waste anyone's time nor energy, but we do need your continued cooperation in order to function smoothly. In the same vein, if you have ideas, suggestions or questions that you'd like to share with us, feel free to write to the Association any time and your letter will be given full Executive consideration with a reply containing our recommendations or guidelines.

We found in our travels as far as Houston, Texas this past Fall that other areas do not have the communication and cooperation we boast here in the East, and our reputation for good grooming, club participation & cooperation was marveled by some of our constituents. It's nice to have other dancers ask how we do it and be able to tell them that it's our 4000 membership's good attitude that makes for this smoothness - so as we approach a "giving" and "resolution" season, we ask you to 'give' in the fullest measure to help your fellow dancers, & 'resolve' to do your best to be well groomed, friendly and cooperative with your club, and in that way our NNJSDA will continue to be bonded together in a happy comradery that is respected (and a bit envied) in other areas.

We harp and harp on grooming, communication and cooperation it seems, but they are necessary to the total s/d picture. If you are involved in an occupation which requires a uniform or special identification, you know that correct attire is part of your mood, and correct s/d attire does help put you in a dancing mood, so take a minute to always check your appearance, and put on a happy face - you'll feel good! Communication and cooperation go hand in hand, & are synonomous with s/d manners and fun - so keep up the good spirit - it's contagious!

An extra special thank you to all those who helped get the Mini-Festival in gear so smoothly. It took many hands to make this first a sell out so quickly. December first is the culmination of a two year effort and we are grateful for all whose perseverance and determination helped make our "Impossible Dream" a reality.

Again, as we near a happy time of the year, all the Executives pause a moment to sincerely wish you and yours a happy season filled with good news, happy times, and love in abundance - and we especially thank each of you for the friendship you've given us!

Our first dance in November and our second in December will be held at Kean College, Union, NJ. TENAKILL TWIRLERS -- Cresskill, N.J.

3 Friday

Bryan School, Brookside Avenue

With the fall season in full swing we are looking forward to the happy holiday period. Remember that the Dec. dance is at the Reformed Church on the Hill. Traditionally the Twirlers wear enough red and green at that dance to delight the heart of a Russian Commissar and an Irish patriot simultaneously - which is a neat trick. For reservations for our ever popular New Years Eve, see Peg Tirrell. In the meantime we'll all be swinging to the calling of Chip Hendrickson. Remember rounds start at 8. Like all the "Old Timers" in the area, we were saddened by the news of the death of Marty Winter in Florida. He was among our original members and started his calling career with us. Our condolences to his widow, Florence. reporters - Dorothy & Paul Pullman 201-568-5138

Did you know that 13 of our 19 NNJSDA Patrons are also Freeloaders?

2 Friday

Baptist Church, 563 Piermont Road

We've MOVED! It will seem strange after twenty plus years in the same place to drive to another location for our second Friday dance. But with the increases in rent we had no other choice. But we are still meeting in a church hall - and still have kitchen facilities and will continue on as usual - just head your car north to DEMAREST for our Harvest Hop, our December Jingle and the January Jump. If the parking lot is full behind the Baptist Church, then use the one next door for the school! Consult our new map for directions, or call our presidents Marie & Dick at 201-567-1829 or see reporters. Our thanks to Bob & Diane for our dancing pleasure and Doc & Peg for doing the rounds and mixers. With the holidays coming, look for something special. Frank & Glen Rovere 201-568-2593

SUSSEX SPINNERS -- Sparta, N.J.

2 & 4 Fridays

Alpine School, Andover Road

Come on everybody, say "Hello" to our delegates Alva & Ed Bell. The Culvers', Dot & George, danced 22 consecutive nights and since their Apr. graduation completed their Century Badge requirements. (They saved on gas and mileage by taking their trailer to dances with them.) Can anybody beat that? We are also proud of the Huebners and John Morales & Barbara Parks our "1974 Freeloaders".

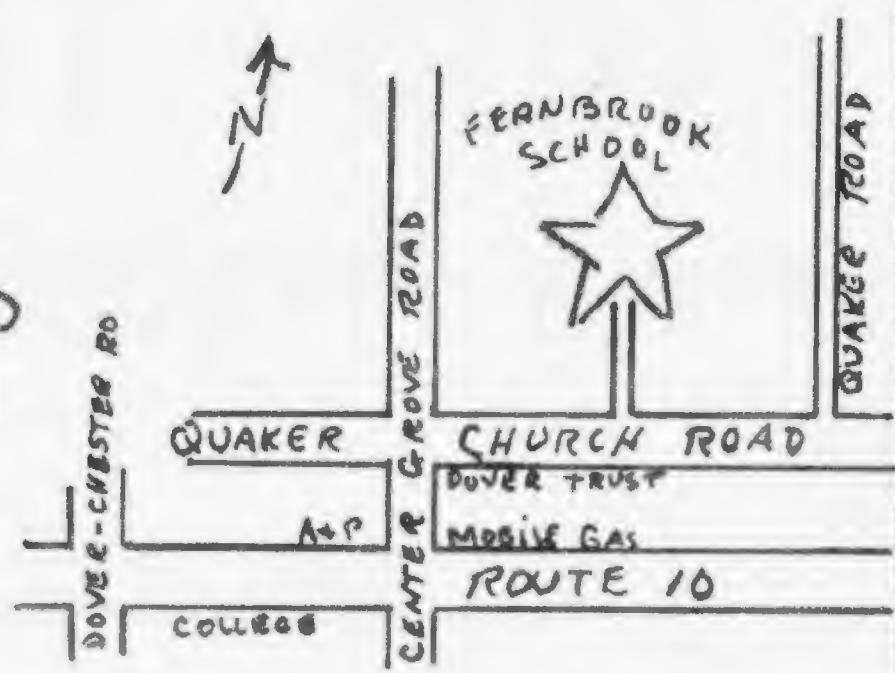

Barbara & Jim Connelly, our r/d leaders, worked at Scott's Oquaga Lake House and among other jobs, repaired canoes.  $2\frac{1}{2}$  squares of Spinners just visited Scotts for the Big "D" Weekend. While there Bill Lincoln took a short canoe ride. He paddled 6 strokes and sank...seemed the caulking dissolved rapidly in the water. Was this just coincidence? Connelly's Cut-ups dance round only 2,4 & 5 Mondays and extend an invitation to all graduate round dancers. Remember Sussex County has the lovely fall colors first, snow first, and our roads are cleared (plow'd) first. Our dances are listed on page 38 and our Specials on page 6 & 12.

STATEN SQUARE SET -- Elm Park, Staten Island, N.Y.

We're off to another fun filled season! Our new class shows great promise. It's good to see so many teen agers take such a keen interest by joining our class. S/D Week saw a "first" when all four clubs participated in demonstartions all week at the Mall. So many of us turned out to dance, that one might suspect we enjoyed it more than the spectators! The rhythmic calling of Manny Amor "motivated" many dancers to square up and "co-ordinate" at Richmondtown's "Old Home Day" celebration. Dancing demonstartions seems to bring out the "ham" in all of us!

Speaking of demonstrations, a bouquet of roses go to Gladys & Jack Wall for their untiring efforts in arranging Demonstrations at the various nursing homes on the Island. Thanks also go to the many dancers who gave of their time to make up the squares; and a very special THANK YOU to Mike & John Cleary who gave of their calling talents as well. Janet & George Alberts are doing a fabulous job cueing rounds, and would you believe teaching a new class of 20 couples!? An open invitation is extended to everyone for all SSS dances, our specials in particular. Watch for our flyers and come join us on the square! We'll be looking for you!

SOMERSET HILLS SQUARES -- Basking Ridge, N.J.  
2 & 4 Tuesdays Cedar Hill School, Peachtree Road

Our dances have been well attended and we've had great fun. Our class consists of  $4\frac{1}{2}$  squares that are really gung ho. They are being taught by Vin Caruso. Our next special is in November with Al Brundage; come dance with us. See you on the dance floor.

Our opening dance, at which non-dancers were invited, was a huge success. The enthusiasm was so great that Jules got 5 sets of new students. Our classes have started, and so the cycle begins again. I forgot to mention what a wonderful group of graduates we have and how beautiful the graduation was. Many of these new dancers are angels for the new class.

We had a lovely visitor, Mrs. Rozlia Pozsar, all the way from Windsor, Canada. Jules 89 year young mother enjoyed watching the dancing and hearing her boy call. Congratulations to Jules & Martha on the birth of their third grandchild, Melinda. Stan Zaczkowski was our guest caller in Oct. A word of thank you to our presidents, Andrew & Wanda MacLeod, for the wonderful job they're doing. Join us at See Saws for good dancing and good fun. Looking forward to dancing with you.

We are now looking forward to you "TOYS FOR TOTS" in December. Admission is a Christmas-wrapped toy. Please see our ad, page 7, and come out and support us for this worthy cause. Other news: during S/D week we danced in both Cherry Hill and Menlo Park shopping malls, and even got a beginner or two to join with us. Our lessons class is full & they seem to be doing fine, until that moment of panic when an unknown call slips in! We're looking forward to their graduation in Dec. when they can join us. We're always glad to have any of you come and dance with us. We'll greet you with a smile and a howdy that'll make you feel right at home. Happy dancing. reporter-Debbie Goldstein 201-246-4794

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y.  
2 & 4 Saturdays St. John's Lutheran School, 663 Manor Rd.

We have him! The MISS Funniest of Big Top '74 and Funniest of Pocono Pow Wow. Our own Jim Valentino. Ridding Clifford's choo-choo and saluting Bichler's Colonel Puff Puff made Joe & Beulah Samec's weekend a real POW WOW. Even Tom Gorham the Grand Knight of the Order of the Moose was there. The S/Ding demonstration at the SI Mall attracted a big crowd and quite a few couples joined our class because of it. How about our opening dessert dance - it was Triple A. The Committee wants to thank all the ladies for the delicious after-dinner goodies.

Charles & Jean Fricke became grandparents again. To top off the 9 grandsons they already have, new arrival #10 was....you guessed it..... another boy! Happy baby sitting. Cal & Dot Martois also joined the grand parent ranks with a little grandson. Welcome home to Joe Gross after his stay in the hospital. We know he will be dancing with us soon.

Our future looks good with Pozsar and Pasvolsky calling November dances. Dick Lynch will be here for our Christmas dance with Jim & Jean Laird chairing. All of us were saddened by the passing of our member, Paul Pettit. We extend our deepest sympathies to his widow Rena.

Hi.....Just a reminder for all you folks to look for us at our new home, Fernbrook School, Quaker Church Road in Randolph. We're just off Route 10, a few minutes from our old home. It's bright and cheery and easy to dance on. You'll enjoy the super lineup we have for you which includes the likes of Glenn Cooke, Tim Ryan, and Ken Anderson. So, come a callin'.....we're glad to see our graduates doing so well, only I sure wish they'd move towards the front of the hall so everyone could see them better.

The NNJSDA member club with the highest % of members attending our Association Specials is awarded an Attendance banner which is theirs to keep until the next NNJSDA Special event. Should a club win it 3 times in a row, then the banner is theirs permanently. To be considered for this award, a club has to have on file with the NNJSDA secretary a current roster. CROSS TRAIL SQUARES - our first winner!

RAMAPO SQUARES -- Oakland, N.J.

2 & 4 Saturdays

Heights School, Seminole Avenue

We enjoyed a successful first dance with Decko Deck calling and Jim & Barbara Connelly pinch hitting for the Tirrells on rounds. Our new class began its lessons with Bud & Jinny Allison and they seem to be a very enthusiastic group. Recently, at our executive committee meeting, a certificate of appreciation was presented by the Bergen County 4H group to our club for its assistance and encouragement to the Teen s/d group. This group competed at the Flemington State Fair, and won first place. By the time you read this news, our dinner-dance will have been past history! However judging by the successful ticket sales, it should prove to be not only a gastronomic totality but also a dancers' delight.

Bud Rawlins opened our season to an enthusiastic group of dancers composed of happy veterans and eager newcomers. Demonstrations at Pennington and Princeton drew a large attendance for our classes at our new home tutored by Bud Rawlins. A blockbuster effort by our old friend, Glenn Cooke, attracted 15 squares, including banner pinning envoys from the MT Squares, led by the chairman of the Raid - Bob & Louise Benner. Glenn will be back with us in November, followed by Bud Rawlins at our Christmas party. Put a big "MUST GO" on your calendar for our December special with Chuck Stinchcomb, at the St. James Church. Kerry Stutzman continues our new program of bringing you the big names in square dancing in January. We'll be looking for you - so come dance to the best.

2 & 4 Fridays

Guthrie Memorial Hall, 42 Brighton St.

We started off our new season in grand style. We wish to thank those people who brought the wall stretchers as we made good use of them for Curley Custer's dance. Would you believe - 18 squares!!! Everyone had a good time and really enjoyed themselves. We wish to congratulate our new Teen Club Officers: Pres Paul Ferraras; VP Debbie Schmidt; Treas. Laura Nunamann. National S/D week was celebrated in a unique way by all the clubs. We danced every nite at the SI Mall with an average of 8 squares showing up to promote dancing. Besides the spectators enjoying the demonstrations, the dancers had a ball. We're all looking forward to next year. Hope to see you soon.

Brooklawn Jr. High, Route 202

Our season began with an Open House, especially for all would-be s/d-ers to join our joint class with Lakeland Squares. This class is now underway and looking good under the able teaching of Dave Laws. New class members always seem to have such bubbly anticipation as to what's coming next. Fun to watch and help - and - remember when you were in class. Congratulations to our 3 new grads who were awarded the Free-loaders badges - Don & Joan Mason; Jerry & Phyllis Skudera, & Ron & Jo Weston. We're proud of you!

By now, our special in October with Dick Schweitzer will be but a pleasant memory. We had stated earlier that we would have Doc Gray, but since he couldn't make it, we were fortunate to have Dick who is always a fun caller. Maybe "Doc" can call for us another time. Our own Dick Jones was calling all across country last month, as far away as San Jose, CA! But he was back for our first November dance. Perhaps a little early, but we hereby wish ALL of you a Happy and Joyous Holiday Season. Also we invite each and every one of you to come and dance with us. The More, the Merrier, because we are always glad to see you!!!

A good idea is worth repeating - and evidently from all your comments, the map centerfold is one of them. May we suggest saving the "centerfold" for future reference.

written instructions were distributed so that all clubs desiring to be included could meet the deadline. Space is saved for members only, but since several members did not "desire to be included" and two non-members sent in their maps in hopes they could be used, the empty spaces were filled. Should a map prove hard to understand, or horrors! wrong!, please let that club president know so that a correction may be made.

Floor problems are cropping up again with several clubs in danger of losing their halls due to complaints. Please check your shoes to be sure no nails are sticking out to gouge the floors. A suggestion that soft-soled shoes be worn at all school facilities at all times so that we may be able to keep the schools on our side for future S/D sites is offered from our 2nd VP's - Frank & Helen Cavanaugh.

## MERRI-EIGHTS -- East Brunswick, N.J.

1 & 3 Fridays

Hammarskjold School, Rues Lane

Our dancing season got under way with an "Open House" to the calling of Dick Maddocks and r/d cueing of Ronnie Rumble. Top callers will make this a banner year. Scheduled are Glenn Cooke, Dick Maddocks, Paul Andrews, Clint McLean, Bob Bissey and Bill Chamberlain. Dale & Winnie Bissey will handle rounds all year, as well as teach round class.

Ray & Audrey Kukal have been elected presidents, with Bob & Mary Rankin & Bob & Grace Floy Co-VP, Joe & Evelyn Chaiken Secretaries, and Mike & Louise Mayer treasurers. Our class (at last count) numbered 100 with Glenn teaching, together with calling 14 club dances this year. He is ably assisted in the class by John & Ann Santangelo and Jerry & Adeline Dohl. S/D demonstrations were given at Jungle Habitat, one on board the Aircraft Carrier "Hermes" in NY harbor, and one in East Brunswick Mall. After every dance we have "sit down" refreshments! "We can be very friendly" - come and see! reporters- Jim & Stell Doyle 201-297-2967

## M T SQUARES -- Woodbridge, N.J.

1 & 3 Saturdays School #19, Maryknoll Rd, Menlo Park Terrace

At our dances Bruce Vertun has been inspired to call spirited patter and his singers would make a mummy tap his foot. Cousin Brucie's special tip, multiple squares and the half hour workshop starting at 8 are features you won't want to miss. Add to this Peg & Joe Dockry calling 2 rounds between each tip, plus a sophisticated teach -- and you have a thoroughly delightful evening. Everything is new. Each dance has far exceeded the success of the preceding ones and guests have learned that there is no better way to spend a Saturday evening. All of this due to the thoughtful planning of the committee - the Solettes, Hansens, Reddings, Benners and Bothners. Superb refreshments by the Pauls and Pauls. Imaginative and mood-setting decorations by the Lanes and the Chicks.

We have established an aggressive raiding program with a descent on Princeton Squares and a sally into Conn. by bus to pin the banner at the Ox-Bows SDC in Oxford. We have several special events planned, the best of which will be a New Years Eve party - much, much more than a dance. Reservations are available, but strictly limited. To reach us: Juncture of Garden State Parkway and Route 1 - behind Allen Carpet and past the Swiss Motel on Maryknoll Road.

Our dances continue to be well attended. Many visitors have found the trail to Stillwater not hard to find. Our class of 6 squares is progressing very well with Dick Pasvolsky as their teacher. ISLE SQUARES -- Oakwood Heights, Staten Island, N.Y.

2 & 4 Wednesdays

Community Church, 345 Guyon Avenue

Ever tried s/ding on ice? Anyone who attended our opening dance knows what it is like and should be eligible for a Slip & Slide Badge - if there is one. Glenn Cooke did a fine job of calling despite our treacherous floor. We were most welcomed guests when we entertained the shoppers at the SI Mall, by dancing on Thursday of S/D Week. We started a few sparks of interest. Hope they catch on. Our new classes started with Marty Clifford teaching. Help is always needed, so angels are most welcome.

Our second dance went off very well with Marty calling. Our line dances are becoming almost as popular as our round dances under the direction of Lee & Ray Kirchmyer. Stirring up some gourmet interest is the fact that most of our cake for refreshment break is being home baked. We have some mitey fine bakers. We are looking forward to seeing all of our old friends and some new ones too, so come on over and square up with us at some of our dances. reporters - Paul & Bea Tooker 212-351-4383

Things are really humming. Our beginners class is coming along very well - thanks to the outstanding tutelage of Jim Flammer. Jim, by the way, is calling for us again after being ill for a spell and we are happy to have him back. We dance to his tune on the first and third and to John Kaltenthaler, who did such a good job during the summer, on the remaining Thursdays. Our r/d cueing is being done by Elly Tout (2nd & 4th) and Jim Connelly (1st & 3rd). A mystery busride is on the agenda for the end of October, and as of this writing in mid-October, there have been no leaks, or even hints, of our destination. So I can't give you any details. We hope you can make our November special with Marshall Flippo. See our ad on page 13. The Club plans a New Year's Eve Party for the members, and if it's anything like last years, we will all have a ball. We have another special in May with Glenn Cooke. This one will be at our regular hall. Put it on your calendar for an evening of enjoyable dancing. Come on down any Thursday - we'd love to have you.

1 & 3 Tuesdays

Wilson School, Beekman Terrace

By this time it is no secret that our Sheriff has your number. So far no arrests have been made but rumor has it that Manny Amor made a few people hot under the collar when he told the squares where to go. It is certainly to his credit that he can call just what nearly everyone on the floor is doing. Recent graduates Rob & Doris Shallcross, who really don't need the practice, have taken over the lessons. They report that the 5 squares of beginners are full of enthusiasm and are learning fast.

The Sheriff and his raiding posse hit Y Squares and left their mark as the first club to pin Y Squares' new banner. It should be pointed out that when we say that Bud Sibbald is playing a round at a dance, we mean he is operating the turntable for Betty. Want to hear more gossip? Come and dance with us - we've got your number too!

We started our season off with the location being changed the day of the dance. After several frenzied calls, we finally got relocated. We don't think we lost many people, if any. Sorry about the inconvenience. Everyone seemed to have a ball nonetheless. Dick Jones was his usual best. George Hinkel from Florida drew a large crowd and called a great dance even though he had a short in his PA set at the last minute and had to switch over to another. Fortunately, Ed Shearwood, our r/d teacher, had his set which George used. THANKS ED. By now the Halloween dance is a memory. A pleasant one, I'm sure. Hope you joined in the festivities. Hope all had a Happy Thanksgiving and we wish all a Merry Christmas, Happy Chanukah and a Propserous New Year...and suggest you start off 1975 right by being at our John Kalenthaler dance. 2 &amp; 4 Fridays

Salem Drive School

Well, here we go for another long-awaited report. Sorry to keep you in suspense, folks, but the ol' GRAND SQUARE only comes out 5 times a year. At our annual open house in the metropolis of Parsippany, Hal Holmes' calling netted us 19 couples for this years class. From all reports they are coming along nicely. This year's second dance featured Dave Hass. Despite the warm evening, 14 squares were in attendance. 3 squares were in the limelight at the St. Clare's Hospital Harvest Festival in Denville. Hal did a fine job in calling demonstration squares and getting the general public on the floor. Citizens of 20 communities attended, thus making western style s/ding better known in the area. And we got a few more future dancers for our class. That about wraps up our exciting adventures. Try to keep yerselfs all wrapped real tight while waiting for our next report. Till then, see ya!

Brooklawn Jr. High, Route 202

Our season got off to a bang with Dan Shattell calling in our new home. Dan drew 14 squares and a good time was had by all. Our next dance was called by Dick Schweitzer of Syracuse.  $12\frac{1}{2}$  sets came out to be entertained and can attest to the good time put on by the "Prowlers". A hearty welcome is extended to new prowlers Art & Fran Jacobs, Ron & Jo Weston, Nina & Bill Robbins, Pam Blanchard, Jim Ahearn, Tom & Ruth Hayes, Larry & Sharon Kurzer, Jack & Jeanne Manbengm Dave & Gladys Laws, and John & Mary Daly. We also want to extend Bon Voyage wishes to the Harringtons who are on their way to enjoy themselves in Puerto Rico. Round dancers should be apprized that our Pennies teach the ROM at 8 PM and that they also present two rounds between tips. Remember our new location.

GARDEN STATE SQUARE DANCE CAMPERS

We closed a wonderful season with our campout and covered dish supper at Birchwood Acres, NY with Dick Maddocks calling. Our attendance averaged 37 couples and families for a banner season. We enjoyed some excellent callers and rounds were cued by Peg & Joe Dockry, Doc & Peg Tirrell and Barbara & Jim Connelly. Our 1975 campouts are as follows: June at Timothy Lake, Pocono Region; July - Swan Lake, Catskill region; August - So Hi Campground, Catskill Region; Sept. Otter Lake Pocono region. See page 40 and find how we campers got a head-start by celebrating Christmas in August - complete with Santa. We had a successful raid on Covered Bridge and plan more for each month except January!

The SQUARE PINCUSHION.....  
adds designs to a dress!

Designs are all about us; to incorporate them into our favorite dresses takes only a little doing.

First choose your designs- could be a flower, fruit, vegetable, geometric such as a star or crescent, or for some tremendous ideas look into a child's beginning coloring book, (the designs are simple and easy to copy). Trace your design on tissue paper. Cut it out and retrace onto a piece of thin cardboard or a plastic lid (coffee can ones work great). Cut out again- this becomes your design template. If you prefer the same design in several sizes add  $\frac{1}{4}$ " all the way around, recut; repeat again and again for the number of sizes desired.

Where to apply is the second decision...could be the lowest tier of your skirt or dress; could be the middle one (uses less scraps and effort); could be centered near the hemline of each of many gores; repeats could be worked into the bodice or sleeves and the yoke of hubby's shirt. Let your imagination go.....

How to apply is next. If embroidery is your thing, transfer your designs with dressmakers carbon and use cotton embroidery floss. Using the above technique, you could also paint with liquid embroidery, these are completely washable, too. If applique is what you like then one of two techniques are open to you. The designs could be cut out of scraps (pre-wash to be sure of washability and that shrinkage will be removed); edges turned under  $\frac{1}{4}$ " and basted or pinned in place and hand-stitched or machine stitched to your dress. They could be appliqued by machine using a fine zigzag stitch (more than 20 per inch) utilizing your appliques cut to size and no need to turn edges under. A combination of applique and embroidery also gives a charming effect. The using of buttons, pompom balls, rickrack and braid could give a three-dimensional effect.

For example; scatter gingham flowers on the upper tier of a two-tier skirt, making the lower tier also of gingham; add a few gingham flowers on hubby's shirt yoke and add a gingham tie. Flower centers could be buttons. Don't forget a few flowers on your blouse, and presto! trims that look great and don't cost a fortune.

DANCING SQUARES -- Cranford, N.J.

Bloomingdale Avenue School

Our season came in like a lion, but we're sure it won't go out like a lamb. Before we even had the opportunity to have our open house, our raid chairman, Nancy & Walt Lockwood, made an impromptu visit with two sets to pin Hill City's banner. We're looking forward to many more enjoyable raids and invite you all to visit us. We are glad Jim Doyle has recuperated from his hand injury caused by his lawn mower; these little gadgets can be mighty dangerous. We wish to thank Mary & Henry Eckloff for making a beautiful leather case for our club banner.

We extend our condolences to Rena Pettit whose husband Paul recently passed away. Those of you who were at last year's POW WOW weekend will always remember Paul narrating Tchaikovsky's Swan Lake, while Rena led her male chorus in the dance. Paul combined subtle humor with great dignity in his scholarly rendition. We are glad to have had the privilege of knowing and dancing with Paul and will long remember him. Rena, please continue dancing with us.

Together with Y Squares, we participated in "Festival on the Green" in Union's Freiberger Park. It was enjoyable as well as an interesting afternoon. Many people had the opportunity to express art forms in the way of paintings, knitting, etc - we chose to s/d with Bob Kellogg calling. Mayor Russo of Union was tempted to join our class but there was a slight conflict - with the Union Township meetings, over which his Honor presides. Somehow he feels that the latter should take priority. Jean & Bob Kellogg have been chosen by the NNJSDA to handle rounds at the first Mini-Festival. We are all looking forward to this event. Many other enjoyable occasions are scheduled for this season. We would like to share them with you. reporters - Bill & Hinda Lawrence 212-686-1291

CROSS TRAIL SQUARES -- Caldwell, N.J.

2 & 4 Wednesdays

Lincoln School, Crane Street

As this is written in early October, we have the fall season well under way. Our opener with our regular caller, Bruce Vertun, was great. Naturally the rest period "chit-chat" covered summer vacations and other happenings. At our next dance guest caller, Stan Zaczkowski, came up with some fine calling. At both dances our Jim Connolly cued the rounds. We had two big events in September - a pot luck picnic at the Burdette's Rivermist Estate and we gave 3 demonstration at the Willowbrook Mall during S/D Week. Our beginner class started with a fine group of enthusiastic couples. It looks like the club will gain a nice group in April after graduation. Bruce will call our Christmas dance and one in January. Herb Snider will also call in January. Come dance with us on any or all of our dances and have fun. reporters - Eleanor & Gene Peet 201-226-6944

COUNTRY PROMENADERS -- Edison, N.J.

2 & 4 Saturdays

Clara Barton School, 1015 Amboy Avenue

This has been a busy month for the club. We demonstrated at the Menlo Park Shopping Center and at the Metuchen Country Fair with the cooperation of the M T Squares. Our classes are in full swing now and what an enthusiastic group they are. By the time this issue comes out we hope to have danced at the Edison Halloween Parade and to duplicate the trophy we won there last year. See our ad on page **10** for our winter schedule.

COLONIAL SQUARES -- Clark, N.J.

Karl Kumpf School, Mildred Terrace

Good things are happening as members and friends turn out in record numbers to dance to the stimulating calling of Lee Kopman and the excellent r/d cueing of Betty Collins. Many dancers are taping; workshops are forming to practice what has been taught; enthusiasm is high; and there is a spirit of friendship and helpfulness in the air. Just as Lee says to his dancers when they do a particularly good job on a difficult maneuver, "I'm so proud of you", - so we say to Lee, "We're so proud of you" as his new L.P. albums "introduction to Challenge Dancing" come off the press. We're sure they'll sell like hot cakes!

Former members, Dot & Hal Borg, are enjoying their new home in Washington State and say that they have found good dancing in the area. However, they say it can't compare with Lee's great choreography. It was good to see former members, Connie & Roy LaRue, who danced with us in September on their way back to Florida after a 12,000 mile camping and dancing trip around the U.S. We are all looking forward to a great night of advanced level dancing in January when Keith Gulley of Maryland will be our guest caller. Mark your calendars and don't miss this opportunity.

We started our season with 2 great dances called by Deuce Williams and Allen Tipton. By the time you read this, we will have danced to another super caller, Jack Lasry. This gives you an inkling of what the balance of the season holds in store for our guests and members. The Travelers visited Ramapo Squares and Dancing Squares. We are accepting applications for the \$50 caller scholarship, which will again be awarded in the spring to be applied to the lucky winner's tuition. See page **36**. We extend our warmest and best wishes to the Cannon's on their relocation in Ireland. They have promised to start a s/d club over there within a year, which is to be called Cloverleaf #2. "Bang!"...We're off and into our new season. Even though Halloween was our first dance's setting, there were no "Booo...ing" from Ghosts, only the smiling faces of dancers! Yet the October dance was only the beginning of Circle Eight's events. The cake's icing was spread at the annual weekend at Winter Clove. With 6+ sets, Jules Pozsar as caller (Stan Zaczkowski as guest caller), Doc & Peg on the rounds, and the pleasant atmosphere of the Catskill Mts., who could ask for more! Have you been awarded your dangle badge from **(8)**'s yet? All you have to do is attend 4 dances successively and you've earned it!

When we heard our original caller Marty Winters had passed on, we decided to donate a S/D record to the Cresskill Library in his name as a memorial. Hope to see you at our dances, remember....it takes more muscles to frown than to smile. reporter - Gail Tirrell ☺ 201-568-5857

CALI-HOES SQUARE DANCE CLUB -- Asbury Park, N.J.

2 & 4 Thursday

Hayloft, 901 First Avenue

It seems to me that the Fall season has a special glow with its promise of Nature's changing beauty plus the glamour of the holidays to come. Down here in Cali-Ho land we have a special excitement because of our August graduation. New dancers to clubs bring more friendships and fresh talents and ideas, therefore, our recent graduation fits in so well with this changing season. Our new-comers are doing very well, thank you, and, indeed, are really in there grooving with the r/ding. Roy & Sylvia hosted the affair with a delightful buffet supper; Dick Kraybill and Tony Osage distributed badges, diplomas and by-laws; the Ed Grabaus made the caps and Mary Hankins and Grace Knobloch assisted with the fun and games. My wish for our new friends is that all their dancing days ahead will be as rewarding and as joyous as their graduation.

We had a "Grace & Henry Knobloch Night" to honor our outgoing presidents. The Kraybills planned the program complete with a fun balloon dance and Tony Osage and your whilom reporter presented the couple with a gift from the club. Did you know that: The Tom Youngs are grandparents second time around; Ed Grabau is responsible for the map which appears in this issue; the Kraybills worked awfully hard getting things squared in their capacity as Sec'y; Manuel & Jerry Salguero has the best Paella recipe around and will tell you how to go about preparing same step by step. Our favorite nomads, former Cali Hoes Walter & Hazel Ramsey, have been in the area for awhile and visiting the club. Marvelous to see them again. Do come on down to the Hayloft - it's a lovely drive this time of year - we'd love to see you.

It was a lot of work, but we enjoyed it. Our new officers are Marie Kerwin, pres.; Mary Lee Burdette, VP; Ed McFadden, 2nd VP; Sec. Sharon Pollock; Treas. Chris Kerwin and yours truly reporter. We had a good turn out for our opener. Since our dances fall on many holidays, we plan some special parties and other activities for them. Come join us.

WESTERN WHEELERS -- Park Ridge, N.J.

2 Wednesday First Congregational Church, 131 Pascack Road

2 sets participated in the Paramus High School Fair - benefit of the Rec. Comm. We enjoyed the day, especially since we gained a few students for our class. It is progressing exceptionally well under the direction of Ray Turcotte. We are pleased to have so many angels assisting. We always have a grand time at our Halloween dance, and this year was no exception. Those costumes were something else, and the skit put on climaxed the evening with more laughter and applause. Come on down, dance with us and let us wish you "Happy Holidays" in person.

LAKELAND SQUARES -- Parsippany, N.J.

every Tuesday Methodist Church, 903 So. Beverwyck Road

We are having fun at our new location with our team of 3 callers. Dave Laws, Bob Mitchell and Dick Jones wish to help dancers improve basic skills which will encourage and enable them to dance more comfortably and confidently with all other clubs. Their goal is to provide a "Fun" dance which will include only the 75 basics. Our Thanksgiving dance will feature Dick and in January we will "surprise" Diane & Bob with a baby shower. Join us for relaxed dancing. reporters-Will & Ginny Bosch 627-7160

KINGS SQUARES -- Brooklyn, N.Y.

1 & 3 Wednesdays Brighton Beach Jewish Center

We had a very exciting dance in October with Glenn Cooke calling and Staten Square Set raiding us and Richmond Dancers also there to pin our banner. There were 15 sets in attendance. Guest callers have included Rob Bissey, John Kaltenthaler with Shirley & Frank Bellotti on rounds. Al Moses is teaching our beginners class. Come join us, we'd love to see you here. reporter - Judy Poretsky

COVERED BRIDGE SQUARES -- Nutley, N.J.

1 & 3 Mondays Grace Episcopal Church, 200 Highland Lane

Happiness is a large class of beginners. When the class has Roger & Fran Lund at the wheel, and Stan at the mike, could we want more? Garden State Campers and the Y Squares pinned our banner and added much to our dancing pleasure. Thank you for visiting. Our own Traveler's group raided Cross Trail Squares. A very large thank-you and a big kiss from all of us to John Grunenthal of See Saws for the wonderful Covered Bridge he made us, motorized and with running water yet! Come see it and us, too. The Connely's cue and teach rounds, starting at 8. Stan Zaczkowski is our caller. Happy holidays to all.

MINI SAT.  
FESTIVAL 11-5pm  
DEC. 1  
CALDWELL, N.J.

Ozzie & Harriet Mueller decorated their site for the holidays.....

The GARDEN STATE S/D CAMPERS got a head start on the Christmas season by celebrating last August! By special arrangements even Santa made an early stop to distribute the presents and listen for December requests...

(due to a heat wave, Santa had shaved his beard, but promised to grow it back by December 25....)

The Conklin Family won the prize for holiday decorating.

#### NNJSDA sponsored summer dances - a report

The question was asked at the Delegate's meeting, "Who attended?". We averaged 20 sets at the 8 summer dances.

The records Gabe & Sila Dell'Angelo compiled are based on the sign in sheets and are most interesting. One must remember one fallacy that there are folks who belong to more than one club, but at "sign in" time must sign in from only one club.

Member clubs with no representation at the summer dances were Cali-Hoes and Colonial Squares. Clubs with 10 or under who sign in were Circle Eights, Dancing Squares, Isle Squares, Kittatinny Rangers, Princeton Squares, Tenafly Squares and Warren Wheelers. Most clubs ranged between 11 & 44 signing in. At the other end of the spectrum was See Saw Squares with 57; Covered Bridge Squares with 58; Cross Trail Squares with 60; Mountain Squares with 66; M T Squares with 94; Staten Square Set with 105; Sussex Spinners with 115 and Somerset Hills with 124!

Frank & Helen Cavanaugh are already searching for halls for next years summer dances and will be grateful for any suggestions.

Our next concern is - How do we get our dancers, especially our new graduates to keep dancing all summer? Any ideas???

#### A SINGLES Project Proposal

A "singles" lot is tough enough without the added insult of being excluded from s/d clubs and classes. Other than teen clubs, we know of no other Association affiliate which officially offers the opportunity for singles to learn to s/d and become part of the group. Other states, particularly California, have singles clubs and there's every reason why we should make an attempt to encourage this to happen again here. A caller has already indicated a desire to become involved in the project.

Readers can participate, too. Please feed back to us any interest in the formation of a single group. If you know of dancers, or would-be dancers, who would register to become participant, please send those names and addresses. In addition, all suggestions for the implementation of the project are welcome. We want to hear from you not only now - but for the remainder of the 1974-5 season. If this idea is to get off the ground, it needs lots of names and considerable support.
