One of the most pleasant aspects of serving on the Executive Committee of the Association is the opportunity to take a part, however small, in the various clubs' graduation exercises. It seems to us that these are one of the true high points in square dancing -- the atmosphere is festive, the tables are (usually) laden with all kinds of goodies, the graduates in their new attire are excited and eager -- and everyone smiles a lot. Everyone seems to be happy, and has a good time. It's like Christmas all over again.

Yet all too often, we've noticed that in some clubs, the smiles disappear, only to be replaced with frowns, and sometimes scowls. But in other clubs, the smiles and good fellowship seem to continue. What are these clubs doing that the other aren't? How do they keep Christmas, year 'round?

One of the reasons is probably that they keep sight of the Number Ten of the Commandments for Square Dancers: Thou shalt not forget that thou were once a beginner.

This year, right now, is a good time to make a Be Tolerant to Graduates resolution. Maybe if we all do this, we can help keep the smiles, the good feeling, the real happiness that is the true spirit of square dancing.

Ever round dance arky??? We tried "Gingersnap" thataway at our April Fool's Weekend at Winter Clove. But even with Doc's cueing it was still DISASTER! Highlight of the weekend were the visits to the shed where Mr. Whitcomb was cooking down the maple sap into syrup. His love of nature was most evident as he carefully explained the hows and whys of syrup making. He even let us all make putty balls! Deelicious!!!

Our graduates ball, in May, will wind up our season. We wish to thank all our many guests who supported our club this year. Keep dancing over the summer and we look forward to squaring up with you again in the fall when we resume our Mainstream dancing with Bob Mitchell calling squares & the Tirrells on rounds in October.

So for a fun evening to top callers, good dancers, nice people plus a 50-50, c'mon down and join us. Congratulations to Ed & Helen Hirsch who were nominated to be our next President.

COLONIAL SQUARES -- Clark, N.J.

every Thursday

Karl Kumpf School, Mildred Terrace

If you were to see words like saltation, eurythmics and tarantism, would you ever guess that they would be listed along with "square-dancing" as comparative words in Roguet's Thesaurus? At Colonial Squares, our favorite synonym for square dancing is spelled L E E K O P M A N! In fact, square dancers throughout the USA agree that square dancing IS Lee Kopman. Would you believe that 80% of the pulse poll experimental figures listed in a recent national s/d magazine were Lee's?

It is no wonder that members of Colonial Squares are such avid square dancers! Thursday night has become Colonial Night throughout the state of New Jersey! Now that the square dancing year is slowly winding down after that long, snow-filled frigid winter, we can look back on a year of great fun, with each dance more like a "special" than a club dance. We think that our club has discovered the magic formula for square dancing fun. Here's how it reads:

Take a great caller (Lee), add skilled R/D cuers (Pat & Tom), throw in dedicated executive board, mix well with four or five tons of good dancers: Colonial Squares.

All interested dancers are invited to try our magic formula. Watch for the ad in GRAND SQUARE (p. 36) announcing the Colonial Squares Summer Workshops. Can you think of a better way to spend the summer?

reporters - Bob/Louise Benner

201-548-8594

Our sincere THANKS to all for their support of the GRAND SQUARE BOOSTER DRIVE. As of this typing over \$1500 had been received...with a few clubs outstanding. Since this should balance our books, the decision has been made to continue another year with the same advertising rates.

REPORT on CALLERLAB

from Art Seele, President, CCNJ

The following seventeen members of C.C.N.J. attended the fifth CALLERLAB Convention at the Chase Park Plaza Hotel in St. Louis, Missouri on March 20, 21, and 22, 1978: Ron Bessette, Al Brundage, Bruce Busch, Mike Foley, Betsy & Roy Gotta, Jim & Doris Howatt, Dick & Cookie Lighthipe, Wes Morris, Dick Pasvolsky, Jules Pozsar, Art & Anida Seele, Bob Tarrant and Ralph Trout

The three day convention was a complete working convention with no dancing involved except for demonstration, where necessary.

The three major topics of Callerlab at this convention were:

- (a) Instituting an extended basics program.
- (b) Review of mainstream program.
- (c) Review of mainstream plus program.

Also up for consideration is the method of joining Callerlab from invitation to application method. The change was defeated by the membership at large. Another question was - Should any figures on the plus one or plus two lists be put on the Callerlab experimental list?

The following changes were made in the Callerlab Experimental List - Recycle - moved to Mainstream list; Crossfire moved to Plus 2 list; Follow Your Neighbor moved to Plus 2 list. Follow Your Neighbor and Spread was moved to Plus 2 list as Anything and Spread. It was suggested that Anything and Spread be used with the following calls - Follow Your Neighbor and Spread; Wheel and Deal and Spread; Ferris Wheel and Spread; and Star Thru and Spread.

A more complete report will follow when the members of CCNJ have had an opportunity to meet and digest the tapes they made of most of the sessions.

(for more on Callerlab and its Programs, see pages 48 and 49)

COUNTRY PROMENADERS -- Edison, N.J.

2 & 4 Saturdays

Clara Barton School, 1015 Amboy Road

Spring has finally arrived and our thoughts naturally turn to the coming Graduation. Our students have progressed remarkably well, and have been dancing outside of classes and show promise of being very avid dancers. We are quite proud of them.

It seems long ago that we had our Pot Luck Supper which was a huge success, both gastronomically and socially, with 100 attending the supper, and better than 17 squares dancing. Our Teens ran our last dance and went all out to make it a good one. They entertained us with amusing skits, had us dance with paper sacks on our feet; with lemon slices in our mouths; with our caller wrapped up like a mummy while calling a tip, and many other "novelties" to earn dangles. All those who attended had a good time.

We are planning to take part in the Edison Memorial Day Parade which will take place May 28, at 2 PM. We always have a good time, marching when the parade is moving, and dancing whenever it stops. It is an excellent way to promote square dancing as a great many people come out to watch the parade and many become interested in our activity. Our last event of the season will be the club's annual picnic in June.

COVERED BRIDGE SQUARES -- Nutley, N.J.

1 & 3 Mondays

St. Paul's Parish House, 642 Franklin Avenue

Warm and friendly faces were seen everywhere in the happy atmosphere of our April graduation. Lovely decorations and a beautiful graduation cake, topped with a covered bridge and donated by Marjorie and Wally Cox, added to the festivities. Many thanks go to the class chairmen, Edith & Joe Cipoth for a job well done. Thanks also go to our Presidents Janice & Al Ahearn, to our Members-at-Large Pat & Bill Smith, and to our angels who were so faithful in supporting the class throughout the year.

Also during April four of our faithful Covered Bridge couples journeyed to the Evergreen Lodge in Springfield to put on a demonstration. The fun and success of this event can be attributed to our capable caller Jules Pozsar. Mark your calendar now and don't miss International Gourmet Night at our second dance in May. Those of you who have attended this event in past years know it is a great temptation for anyone on a diet.

CROSS TRAIL SQUARES -- Caldwell, N.J.

2 & 4 Wednesdays

Lincoln School, Crane Street

Our 10th Anniversary Year is just about over. And what an exciting year it has been! Dick Maddocks and our Guest Callers were "right on" throughout the season, and our guests were many and enthusiastic. On behalf of Cross Trails may we thank you, one and all, for making our 10th Anniversary such a happy one. Club Members celebrated the occasion by holding a Dinner Dance in March. Guests of honor were the Charter Members and the club callers we have had since 1968. Needless to say it was a very memorable affair. In May we held our 10th Anniversary Special Dance and Dick called to a happy crowd of Cross Trailers and guests.

Later in May we look forward to guest caller Bob Mitchell and then in June is our wind-up for this spring. During the summer the Square Wheelers have six "bang up" camping-dancing weekends lined up. We'll be seeing you here and there during the summer and on September 13 when we starts up again = please join us for an evening of dancing and fun.

Have a wonderful summer! Happy dancing.....

DANCING SQUARES -- Cranford, N.J.

1 & 3 Saturdays

Bloomington Avenue School

With Bob Kellogg on the sick list the last couple of months, we have been most fortunate in having great replacements at each dance. We have missed Bob & Jean very much, but with the Bellottis and Shipmans on the rounds and Mike Foley, Wes Morris, Ron Bessette, and Bruce Busch on squares filling in we have had some most enjoyable dancing.

Everyone was pleasantly surprised when Bob & Jean dropped in for a short time at our dance the day he came out of the hospital. Since then he has been working with the classes in preparation for graduation. Although he does have to go back into the hospital for a short stay, he fully expects to be back with us sometime in May. Hopefully he can be with us at our Pot Luck Supper and start putting some weight back on. Bob proves the old adage: "YOU CAN'T KEEP A GOOD MAN DOWN."

Dancing Squares of Cranford should now be an incorporated club as has so often been recommended. All of the legal procedure has now been completed through the efforts of president Bob Green.

With regret we've accepted the resignation of Advertising Editors LORRAINE & FRANK MOONEY. No one, not involved, can ever fully appreciate the unsung job they've done in keeping track of ads/payments, etc. We'll miss you, but can understand your desire to become just "plain dancers" again & spend more time with your family & that darling grandchild, Erin. Replacing them will be ANN & JACK POPE. (p. 43)

GARDEN STATE SQUARE DANCE CAMPERS

Members have been busy getting ready for our opener, the third weekend in May. John Kaltenthaler & Jean Elrod will open our season with Olive & Frank Enos serving as Wagon Masters. After that we will switch to the second weekends through September, with an extra one scheduled for October. Our own newsletter HOT EMBERS will keep our widely scattered membership informed on our latest plans. Pictured

with this write up are Bob Mitchell and Jean Elrod who kept the dancers stepping at our annual January Dinner Dance. Notice the happy smiles in the group snap - our retiring Executive Board.

If anyone should run across a good campground within the tri state area with facilities for square dancing, please let our members know for a possible site for next year's camp dates. reporters - Dennis/Betty Ford 201-635-2383

GRAND PROWLERS -- Parsippany, N.J.

1 & 3 Saturdays Brooklawn Jr. High, Beechwood Road & Route 202

We've been "dancing fiends" this year with an array of marvelous callers. We enjoy the pleasure and excitement of a different caller at each and every dance. We Grand Prowlers have had a wonderful year of dancing - but what's nicer than an after dance party? We thank Jim & Terry McKay for a lovely evening in April. We who attended clicked glasses not only with fellow dancers, but also with our caller for the evening, Ken Anderson and his lovely wife. Thanks again to the McKay's.

New graduates: come to our June 3rd dance. For you, and you alone, we offer a special rate of \$1.00 per person. Start your collection of allemandes. What's an allemande??? Collecting twelve of these Grand Prowler paper tokens means a couple can come to #13 dance free of charge.

Though our last dance of this season seems all too soon in June with the Graduates' Welcome, our first next season dance will find us shouting a new welcome to all on September 16th. Come join us!!!

Salem Drive School

Congratulations to all graduates and especially those from Hanover Class 60, our largest class ever. We welcome all of you to the happy world of square dancing and hope to have you with us at our club. Again our thanks goes to Dick Maddocks who, as always, did a fantastic job. Elin & Jerry Welsh and George & Barb Dolan also deserve our thanks for their time & effort put forth to make this year's class interesting & enjoyable.

To help the new graduate, and anyone else that wants to attend, we will sponsor workshops on Mondays from May 22 thru July at Central School in Montville, NJ. with John Kaltenthaler. John is a fantastic caller, and I'm sure that he will be a great help to the new graduates and those of us who want to polish up. The workshop is open to all- Mainstream Plus level.

Our club picnic is all set at Seaton Hackney Park, Loantaka Recreation Area in May. We hope to see both old and new members there for a day of fun & relaxation. What better way is there to get acquainted with your S/D friends? Contact Jim & Agnes Rogers or any club officer.

Once again we will hold a Special Summer Dance. This is one you won't want to miss, with two great callers - Jerry Schatzer & Jerry Haag. See our ad on p.25. Don't let the heat stop you, it's air conditioned.

A reminder to all sponsors, it's our job to keep in touch with the new dancers to keep them interested and dancing whenever possible.

For our remaining dances, and the first two of next fall, be sure and check our ad on page 18. As usual we will have some of the best callers around, so plan on joining us for an evening of fun and dancing.

Well, that's about it for now, Audrey & I have enjoyed keeping you informed and have gained many fine friends through our participation in square dancing. We hope to see all of you at our future dances, squaring it up and having a ball. reporters-Tom/Audrey Hodge

Dance, America!!

By now you must have seen the block of four thirteen cent commemorative stamps featuring four forms of American Dance which were issued late April. Harriette & Sol, as Editor of "FIRST DAY COVERS", were invited to attend the first day sale ceremonies at Lincoln Center, New York City, New York. This is the first time that dance forms have appeared on United States stamps. Types depicted are ballet, theater, FOLK, and modern dancing. The figures of the dancers are symbolic representations only and do not represent specific individuals. US policy prohibits the picturing of living individuals on postage stamps.

IN MEMORIAM

It is with deep sadness, we report that the square dancers of the Edison area were shocked by the passing of ED SCHREIBER during the latter part of February. Ed and Arlene was that one couple that was always there when they were needed to help square dancing. We will always remember WHEN Ed took off from work just so they could help put on the exhibition for Public Television by being that fourth couple to make the square. WHEN the Merri-Eights needed an Editor for the Mumbler to bring the S/D dates and features to all in the area. WHEN the Merri-Eights needed someone to take over their dinner-dance as Chairman, and then came up with those great decorations. Speaking of decorations, how about those multi-colored lights that were spinning around with the square dancers at the Country Promenaders 25th and then were borrowed by the NNJSDA to show at the last Mini-Festival. WHEN they were needed to go on raids outside of New Jersey, like to Pennsylvania, New York and Connecticut to promote the 26th National S/D Convention. WHEN they helped plan the Boardwalk Booster Ball by taking charge of all the liquid refreshments for well over eighty squares.

We join with square dancers everywhere in extending condolences to Arlene and their two sons. Ed will be missed by us all.

HI TAW TWIRLERS -- Pearl River, N.Y.

1, 2, 3, 5 Tuesdays; 4 Wednesdays

Franklin Avenue School

Here it is almost the end of another very enjoyable season of square dancing. Our one regret is that our Wednesday May dance will be the last dance Al Brundage will call for Hi Taws before he moves South. Al has called for us for eleven years and we've all enjoyed dancing to his great calling. We will surely miss him and all join in wishing him the best in the future.

We've had some great dances this year and will close the season with our annual dinner dance in June. The dinner will be by reservation only, but everyone may come for the dancing. Chip Hendrickson will be the guest caller for the evening. See our ad on page 38.

Dick Jones, Jerry Schatzer and Mike Foley will be our regular callers on Tuesday nights again next year along with a few guest callers. Jerry Schatzer and Will Larsen will share the Wednesday night dates next season. We again extend congratulations to the new graduates and hope you are coming out to our dances. We welcome you as well as all the experienced dancers. We have very good callers and enjoy ourselves always. Thanks again to Al for the wonderful dances he's called. Hope we'll see you again, Al.

Now that the weather is good, we hope everyone will be out for the rest of this season and the, "Have a good summer! We'll see you in the fall".

Rounds By The Pennies

1978 graduates have a once in a lifetime opportunity to earn their FREELOADER dangle. By attending 8 of the 10 NNJSDA summer dances (held at the Bergen Mall, Paramus in June/July and the VFW Hall, Iselin in August) and having the Freeloader Record Card signed by the Treasurer, a member of the Class of '78 will be awarded their dangle which will also entitle them to attend FREE all of the Association dances during the ensuing 1978-79 season with the exception of LUST and the MINI-FESTIVAL. Awards will be made at the August 30th dance in Iselin, NJ. Happy dancing.....

Be a FREELOADER - join this exclusive club. In 1973 we had 44; in '75 64; in '76 only 58; in '77 a record 85...want to guess how many in '78???

Don't confuse the FREELOADER with the PATRON. To become a PATRON, one must visit 26 member clubs on their regularly scheduled dance night and dance to their regular club caller (if they have one). Patron cards are available from any NNJSDA officer. Happy travelling.

"It pays to advertize," said Gordon Williams at a delegate's meeting. Does your car sport a S/D flag on its antenna or a S/D decal in some strategic location? (Even when ye editors rent a car they attach a S/D flag!) These can serve as a welcome beacon for a visitor desiring square dance information. One local couple noticed an out of state car duplicating their every move, even to following them into a gas station. The reason? The driver had spotted their S/D flag, noticed their s/d attire, and wanted to know the location of the nearest club...and they've been dancing in NNJ ever since.

Our 34 class members entered the world of square dancing in April. Congratulations and Happy Dancing to them and all other graduates.

As we grow with new members, we also grow with change. Bob & Lynne Gordon are now teaching round dance of the month plus some basics starting at 7:30 pm till Dance Time at 8 PM. Sick and disabled from our club over the winter included Bob Kellogg and our own Elly Tout. Andre Brillaud pinch hit for Bob. The rookie came through quite well. The Gordons are helping out in Elly's absence.

Keep in mind that we dance every week, including summertime, in our air conditioned hall.

ISLE SQUARES -- Oakwood Heights, Staten Island, N.Y.

2 & 4 Wednesdays

Community Church, 345 Guyon Avenue

It has been an exciting spring season and real fun dancing with the new graduates.. The Powells chaired the Graduation Dance, and they made it something very special. I guess those two gigantic salad bowls are about the biggest salad bowls this reporter has ever seen, and there was no stinting on the chafing dishes either! So, now, dear graduates, we give you fun for the rest of your lives if you just keep dancing.

Heartiest congratulations to our newlyweds, Debbie & Paul McCullen. We're glad you have an apartment on the Island so you can continue to dance with us. The Kirchmyers chaired the kitchen committee of one of our recent dances, which fact served to remind me that they certainly deserve a vote of thanks for the many, many evenings for a number of years that Lee has led us on the rounds. We love you both, Lee & Ray.

It is with heavy heart that we note the passing of Tony Palladino. We miss both Tony and Frances and hope with the passage of time that Frances will be able to visit us again. Reporters-Jan/Rudy Stallmann 212-351-0064

one of the advantages of being on the East Coast is callers heading to CALLERLAB often visit...Remember Peter and Jean Richardson & Yvonne & Jac Fransen? (the latter, editors of "KEEP SMILING").

This year Mike Burnnam of England joined Bruce Vertun & Doc Tirrell for a dance in Park Ridge. Wonder who will stop by next year before CALLERLAB?

The 1978 Tournament of Roses Parade is over, but the publicity impact will be felt all thru the year. It is estimated the parade was viewed by one and a half million people along the parade route and 125 million on nationwide TV and satellite to many foreign countries. Many million

listened on their radio. A half page color photograph of the float appears in the Tournament of Roses pictorial, distributed and sold worldwide.

The Float committee thanks all who have been generous of their time & money. Fund raising takes up a good portion of the committees time. Their goal is a trust fund large enough for the interest to pay for each year's float. A tremendous amount of dedicated volunteer effort by a large number of s/ders help create the float. But the float also costs money - \$37,000 (a moderate cost compared to other floats). At the time of the parade only \$11,000 of the total cost had been raised. So there is still a large amount to pay for the 1978 float - to say nothing of 1979!

Donations and suggestions for raising money should be sent to: Square Dancers of America P O Box 2, ALTADENA, CALIFORNIA 91001. Float badges and/or pictures are \$1.25 (please include an envelope and postage).

And what about 1979??? John Fogg is confident that the donations will continue to come in. The 1979 parade theme is "OUR WONDERFUL WORLD OF SPORTS" - John is open to any idea you may have for a float design or the theme. Send him a sketch and \$1.00 by June 1st if you care to enter the float design/theme contest. A prize will go to the winning proposal.

KINGS SQUARES -- King's Plaza, Brooklyn, N.Y.

1 & 3 Tuesdays Community Room/Kings Plaza, Flatbush & Avenue "U"

April 13th was a very significant date for us. It was the start of a real happening, Graduation Night for 56 well trained Square Dancers. Courtesy, friendliness, and enthusiasm was all around us. How about all those delicious dishes that were brought in by our class. After many lulls it's up, up and away for Kings Squares. To you Frank Riviccio, we say "THANK YOU" many times over for working so tirelessly with this class, to make it the success that was so evident. We want to express our appreciation to all the dancers who came out to help make our graduation a very memorable and festive evening.

Now that graduation is over, we are not sitting back and waiting for September to roll around to start activities. Note! We are continuing to workshop on Thursday evenings at Fort Hamilton Presbyterian Church, 94th Street & 4th Avenue until June 29. We then move into the Recreation Room of Kings Plaza starting mid July in an air conditioned room, with plenty of parking. This will be on Tuesday nights- see our ad on page 32. All classes begin at 8 PM with Frank Riviccio at the helm to put us thru our paces. We are looking forward to greeting and getting to know all you graduates out there. Let's make it a banner summer. We regret the "loss" of one of our genial and staunch supporters, Sam Torch. Our sympathies are extended to Ida and family.

Old Man Winter finally moved back up North and we are now dancing with more squares here "up-country". Our graduates Ball was enjoyed by our New Graduates, guests and members. We had a number of new grads from neighboring clubs as our guests.

Many of our members joined with members of other area clubs and participated in the Demonstration Dances of Spring Festival held at the Fair-Grounds in Branchville. We will also join members of other clubs for more demonstrations at the Farm & Horse Show in early August. These dances are viewed and enjoyed by many. Public participation is then encouraged.

In June, our last dance of the season follows a Covered Dish Supper. As in the past, we are sure it will be a delicious repast. We are looking forward to the many Specials and Association dances this summer. We also hope our club picnic will be enjoyed by many.

Have a safe summer, Keep Dancing, and then join us in September starting September 20th. Our enjoyable dances will be called by our ever popular Dick Pasvolsky. Cloud-Niners instructors Jean & Jesse Elrod will cue the rounds. Come and enjoy our dances!!!

CONGRATULATIONS to the new members of the MERRI-EIGHTs (and all the other new graduates). Glenn Cooke, our beloved caller, complimented the class for their enthusiasm and cooperation. Dot & Carl Luna received a gold arc angel dangle for 8 straight years; 25 others received their arc angel dangles; and 33 first year angels received angel dangles. It's always so nice to see so many visiting clubs and now the new graduates at our dances.

Summer is just around the corner and we're all ready for it. Won't that warmth and sunshine feel good!

We had a great square dance season this year. We want to thank our caller Steve Kopman for many fine dances. We'll miss you next year. We also want to thank our round dance cuers, Shirley & Frank Bellotti, for providing so many nights of smooth round dancing for our members and our guests. This year, we also enjoyed dancing to the great calling of Bruce Busch, Bill Dann, Lee Kopman and Kerry Stutzman. We all look forward to having them all call for Princeton again.

Our class members are club members now and we think they're super! Welcome to the world of square dancing. We hope you dance and enjoy for many, many years to come. Our class and club all know what a good job Joan Mills has done teaching the class. Thank you Joan for turning out such fine dancers. After publication of this issue of GRAND SQUARE, we will have only one more dance scheduled. Please come out and join us to help us close out our season with a bang.

FLASH! We have just received the news that Princeton will be sponsoring Mainstream level dances this summer to be called by Bruce Busch. Everyone is welcome to come and enjoy. Look for flyers with the dates & locations. We look forward to dancing with you during the summer months and hope you'll plan to join us for some more great dancing at Princeton in the fall. Thru the good graces of Andrew & Wanda MacLeod, the See Saw Squares were most fortunate to have been entertained by the Hudson Valley Scottish Dance Society of Spring Valley, NY. These fine lads and lassies treated us to an exhibition of native dances which they executed with a gracefulness and expertise that would have made St. Andrew's chest swell with Gaelic pride.

After they were welcomed by Pres. Brillaud, the group performed in full regalia, their tartans eliciting the animated approval of an appreciative audience as the many interesting plaids were displayed with justifiable pride. When the demonstration was ended, Pres. Brillaud thanked the dances for their splendid performance. Jules Pozsar led the singing of "Auld Lang Syne" after which he requested the dancers to identify their respective tartans. It was, indeed, an educational experience for all.

An informative display table was set up by Andrew MacLeod which included a poster of Highlanders in colorful dress and a standard of the Royal Arms of Scotland. Wanda MacLeod placed a beautifully printed Scottish prayer over the entrance to the refreshments area.

Our host & hostess for the evening were Ed Wagner and Audrey Hauser plus an assist from Ann Killion. Both ladies were attired in identical outfits & each one sported a bend dexter sash of Macgregor plaid.

The groaning board was well stocked with member-supplied short bread, scones and delicious cakes that surrounded an ingeniously contrived table centerpiece which was the creation of our most capable, artistic Josephine Rasulo. Though the mead was lacking, other Scottish creativeness rounded out the memorabilia of "Fair Scotland" Clem/Vi Hayes 914-357-0930

REELERS -- Ironia, N.J.

1 & 3 Fridays

Elementary School, Dover-Chester Road, Rt. 513

A busy year full of dancing is quickly coming to a close. We're all looking forward to lots of summer dances and especially the National Convention in Oklahoma. Our presidents, Jim & Althea Boutillette, together with the Douglas's, Weilers, and Wilson and Sally Hoff will be greeting each other "out West" this June. We wish them all an enjoyable and safe trip and know they'll have a great time dancing with s/d friends from all over the country.

An auspicious and jubilant milestone has been reached by the Reelers and Wilson Hoff this year. This is Wilson's tenth Reelers graduating class, a grand total of two hundred thirty-three dancers he has ably taught and sent confidently out into the wonderful world of square dancing. On graduation night, Wilson & Sally were presented with beautiful plaques fashioned by Jim Drake, immediate past president. Adding to the festivity was a cake baked in interlocking squares, one congratulating the Reeler Rookies, the other wishing a happy tenth anniversary to their teacher. We wish all of our new graduates many years of satisfying dancing.

Fay & Ray Weiler, new vice presidents and class coordinators for the Reelers, remind us that it's not too soon to be lining up new class members for the 1978-1979 season. A relaxing summer to all!

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y.
2 & 4 Saturdays St. John's Lutheran Church, 663 Manor Road

It was a very happy group of people who gathered for our annual, and always popular, pot-luck supper in April. Under the chairmanship of Natalie & Ronnie Suppivan, a mouth watering assortment of Italian delicacies and desserts were laid out for our eating pleasure. After a session of rounds cued by the Bellotti's, our Graduate's Dance was held. After 26 weeks of receiving the excellent instruction of Marty Clifford, our class was officially welcomed into the club. We know that they will be valued additions to the club and will enjoy many years of dancing. Early in May is our awards dinner. Richmond members will enjoy a complimentary buffet dinner and then all square dancers are invited to join us for rounds at 8 and squares at 8:30. Our caller was Mike Foley.

Our last dance of the season will be the last Saturday in May with Bob Bissey calling for us. We hope that many of you will join us. Our club might not dance during the summer, but our members do and we look forward to seeing many NNJSDA dancers at dances throughout the region.

2 & 4 Thursdays Blake Hall, Cook College, Rutgers Univ.

At the April NNJSDA delegate's meeting we announced that we had to switch our open dance for graduates from May to April, due to an exam in our regular hall. Corwin Lodge, where we will have to hold the graduation is too small for open house. Our thanks to all who helped spread the word.

As you read this we have closed for the summer, but few members are hanging up their dancing shoes, for we plan to take advantage of the many opportunities for summer dancing here, and all over the country, including the Convention in Oklahoma City. See you in the square.

"An incident occurred at the Callers' Council Class Level Dance at West Morris High School in Chester on Sunday afternoon Feb. 24, which I feel should be brought to the attention of everyone who is involved in square dancing. Possibly all square dancers would be aware of what happened by publishing this letter in the GRAND SQUARE - everyone reads it!

We have danced for five years in many places and have never heard of such an incident. Upon our recommendation, our class members attended this dance intending to hear many callers and have a good time. At the end of the dance, along with many others, one of our class members went to get her coat in the gym. Her coat was a BRAND NEW brownish-grey suede with white fur collar. In her pockets were her scarf and gloves. Her coat was not there! In its place was an identical coat -- but OLD and "worn". And in the pockets of this old coat were her gloves and scarf! This was not "taken by mistake".

I can't tell you how badly I felt upon having this incident related to me, when I had previously spoken to our class many times telling them how "great" square dancers are -- including honesty and kindness. Caring for others with real concern has been one of the qualities we have found in square dancers wherever we go. Being one of the 26,000 at the National Convention in Atlantic City, we left pocketbooks, cameras, sweaters and other belongings all over the halls -- nothing was ever touched.

We are ending a two-year term as President of Hanover and have nothing but praise for the dancers we work with, associate with, dance with, and have become friends with . . . I have given much thought to writing this letter and could not "leave office" without bringing this incident to someone's attention. I have within me an appalling feeling --- that this had to happen to anyone should never be, but to have happened to one's own class member made it even worse. It has been said that square dancing brings out the best in everyone -- was this someone's best?

Sincerely, Elin Welsh"

SEE SAW SQUARES -- Pearl River, N.Y.

1 & 3 Saturdays

Lincoln Avenue School

Another season of Square Dancing will soon draw to a regrettable close. Members will bid each other fond adieux; some will soon have their bags packed for those far away places with the strange-sounding names; others will remain as a corporal's guard to enjoy dancing at the summer locations listed on fliers.

When the term of our present officers draws to a close, we shall witness the twilight of an administrative royalty as they relinquish the reins of office; yet, this must be the course of events in order to kindle incentive and make the club more viable. The togas of responsibility will pass to other capable hands as Square Dancing, year after year, finds itself more firmly entrenched in the hearts and minds of countless numbers the world over.

The Brillauds and the Mullens became proud grandparents. The Hudson Valley Scottish Dance Society gave an outstanding demonstration and the new officers were presented. We were honored to be raided by ninety members of the Star Thru Squares of Amityville, L.I. Each one received a dangle as a memento of this auspicious occasion. This most courteous, friendly, sincere group certainly typified the highest standards of Square Dancing; any club should be proud to welcome them. If they should visit your club, pull out all the stops---they warrant the red-carpet treatment.

We shall look forward to the fall, so let's not say Slan Laith or Adios 'cause old reporters never die---their pens just run out of ink! Vi will put on her old grey bonnet (the one with the blue ribbons on it), we'll fill old mechanized dobbin with petrol and drive up to Dover, thru imaginary fields of clover along Route 46, head Franklin way, see our Kuntry Kuz'ns, and celebrate this --- Our Last Hurrah!

NOW is the time to plan your publicity campaign for recruiting new dancers next fall. The NNJSDA will provide you with posters and flyers "What Is Modern American Square Dancing" for distribution. But you know best your area - which papers to contact - where demonstrations will go over best.... parades...fairs....outdoor dances....shopping centers, etc. Keep a list of all who request info. The Association will help you coordinate requests for information outside your area. Contact the

3rd VP - Vic & Lida Stoffels East Avenue, Blairstown, NJ 07825 (phone 201-362-6178).

A fantastic page, plus article "Finding fitness thru dance...." featuring Hill City really told our S/D story well.

Paul Brody has been asked to coordinate a Square dancing demonstration by the Garden State Plaza in Paramus, NJ on Tuesday May 16 and Wednesday May 17 evenings from 7:30 to 9:30. Paul, in turn, has invited all clubs in the area to come participate in the demonstrations (weather permitting) in the promenade area outside Gimble's. Come wear your prettiest S/D attire, bring recruitment flyers if you wish....Paul will have a sign up place for all those interested in learning to square dance. Those names will be made available to all clubs who participate.

FLYERS are another vital phase of publicity. In fact, at LUST (the leadership seminar September 10), a session will be devoted to this topic. Plan now to have someone from your club at this session. In the meantime, remember, your flyers do not have to be works of art...but do take your time. Don't dash off a fast, slip shod job for a quick print. Study those you see at dances and then create ones that will tell your story to dancers, and another for recruitment.

The Solitaires are working to become more active and better known in the Association. In April we raided the Country Promenaders. We all had a good time. WE DANCE ALL SUMMER 1st and 3rd SUNDAYS. See our flier or call for information. We are looking forward to a busy season next fall. First in November a special with Beryl Main from Colorado. Watch for fliers in September. Second, we are sponsoring a class. If you know of any single people who want to take lessons but do not have partners, send them our way. SOMERSET HILLS SQUARES -- Basking Ridge, N.J.

2 & 4 Tuesdays

Cedar Hill School, Peachtree Road

FLASH! The birth of Stepping Stone Squares is our big news. Somerset Hills is expanding its dance program for new graduates and anyone who wishes to progress from Mainstream to our club level of Mainstream Plus 2. Beginning in September the Stepping Stone Squares will meet on 2nd & 4th Saturdays under the direction of our Vice Presidents, with Bob Tarrant calling. (See our ad on page 20). The dances will be designed to fill the needs of dancers who might feel uncomfortable with Carl Hanks' Mainstream Plus 2 choreography. Carl will continue to call on 2nd & 4th Tuesday nights and everyone (new grads too) who is reasonably comfortable with the Mainstream Plus 2 level is cordially invited. The first dances of the Fall season will be Sept. 12 for Somerset Hills Squares and Sept. 23 for Stepping Stones Squares.

Carl Hanks called a super dance for a large enthusiastic crowd at our Presidents dance in March, while in April we danced to Ed Fraidenburg and held graduation. Our new graduates are a fine lot and we congratulate them and encourage them to get out and dance, dance, dance! We hope to see many new faces at our fourth Tuesday dance in May which is free for all new graduates.

A super summer to all of you, especially those travelling to the Oklahoma convention. reporters - Marti/Dave DeGraaf 201-543-2795

 "I understand that you will be publishing a list of clubs who need visitors. Although not yet a member of NNJSDA, being a new club both our morale and treasury could stand the boost of more visitors. The WEST MILFORD FLUTTERWHEELS would appreciate being included on that list." The following member clubs have registered with the NNJSDA

STATEN SQUARE SET -- Eltingville, Staten Island, N.Y.

1 & 3 Saturdays

Holy Child Forum, Amboy Road & Arden Avenue

It is not often that I single out anyone individual for special comment in this article. It is still rarer, that Manny Amor should stop the music in the middle of his calling to announce the entrance of a member. Who then could this super special person be, to command such action?

During the graduation ceremony in March, reference was made to our club motto - "We dance for fun and friendship." Reference was also made to the NNJSDA motto - "Friendship is Square Dancings Greatest Reward". yet the new graduates witnessed still another reason.

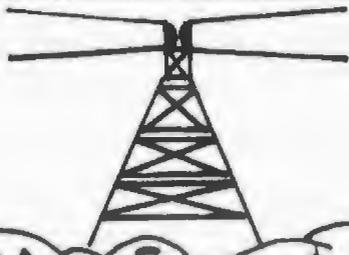

Choked with emotion, that super special person, Harry Childs, expressed it still another way, when he said "Love & Friendship - that's what it's all about." For a second time that evening, the dancers responded with a resounding ovation. All those who know Harry, are enriched by him just being himself. Welcome back, Harry & Rita Childs.

In this particular instance, the super special person happened to be Harry Childs. It could just as well have been any number of other members of Staten Square Set. One individual does not make a club. It would be remiss of me if I failed to mention the fine job our executive board did in its leadership, or the committee chairpersons, for those special events each month, or recipients of the Angel and Blue Jay awards. Special mention also, to our teens for the evening they conducted. The list can go on and on. Suffice to say, Staten Square Set is a unique club, and you the members make up that club. Have a happy summer - you very special person.

"Thoughts from a proof reader....."

Reading the Abramson's comment (STATEN SQUARE SET on page 39) on super special persons in a club set me to thinking on parallel lines. To paraphrase Joan & Don "one club does not make an association, but..." As the proud member of 5 clubs and occasional visitor to a number of others, I certainly am aware of the many outstanding clubs in our Association. But, if asked to name a super, special one, among the first to come to mind would certainly be the Staten Square Set.

Walking into their hall, one is immediately surrounded by warmth and welcome. Certainly few clubs can boast such active and enthusiastic participation by so many members and the inventiveness and imagination of these ebullient people is unbounded. Unforgettable moments with them include the Verrazano bridge opening and sending Manny Amor to the moon.

Again to misquote the Abramsons, The NNJSDA is a unique organization made up of unique and admirable member clubs - so have a happy summer, you very special members of very special clubs. *Dorothy Pullman*

Old Man Winter has finally gone and Spring is here. To our 2nd VP, Be & Debbie Smead; their assistants, Norman & Audrey Bolin; the Angels; Good Guys; and the class instructor, John Kaltenthaler; so many thanks for the class you graduated in April - a fine class. Graduates come out to our club dances and see that the best is yet to come. Join us in our Post Graduate and Summer Work Shops and be ready for our Fall dances. We welcome you into our Club. Our President's Ball was a huge success with the calling of Paul Hartman and rounds by the Elrods. Thanks to the Chairman, Ron & Judy Layton; their committees; and all who helped make this dance go over the top. A word about the Father-Daughter Square Dances sponsored by the Brownies & Girl Scouts - this generates a real interest for the young people and brings the parent and child closer. "A Family that dances together - get's more out of life" Try it!

Our 10th anniversary is getting closer, watch for our flyers, a gala evening is planned. Our last dance of the season is in June and our Fall season will open September 8 with our new officers taking over soon. Members, lets get together and help them have a successful year. To Paul & Marie Henaby, their officers, chairpersons, and committees, thanks for a wonderful job, Well Done. SWINGIN' STARS -- Maywood, N.J.

2nd Saturday

Maywood Avenue School

Swingin' Stars has been lucky this season. Our dances have been lots of fun and we hear frequently from our "guests" what an enjoyable time they had. Our policy of dancing to new and sometimes unknown callers (in our area) always presents a problem. Will the dancers like the caller? To repeat, we've been lucky this season.

Our April Dance was a success financially as well as choreographically. We were raided by Sussex Spinners, Cross Trails and the N.Y. Putnam Prancers. We don't know which moved faster - our dancing or our refreshment table! We are going to miss our jovial president for the May dance, but he is excused since he will be spreading the Swingin' Stars gospel around Europe. Bon voyage, Art Taylor, and return home with your U.S. citizenship intact.

When you read this issue, we'll have ended our season with our annual pot-luck supper, and if you didn't get to dance with us, we're sorry, but you'll have to wait until fall. Although unfortunately you won't find Bob Mitchell calling our squares. At our last dance, Bob informed us he was going to devote more time to his family and would be unable to call for us. We're sorry for our club has had some wonderful times with Bob-but we can understand that family does come first. Thanks for so many wonderful memories, Bob.

To all those graduates whose names were listed in GRAND SQUARE, our heartiest congratulations, and we hope you'll try us out in September when we welcome Stan Zaczkowski as our new club caller. Stan is no stranger to our club, having ably filled in several times as guest caller. We're the northernmost club in the Northern Valley - our level is Main-stream plus a few experimentals, where new dancers are always welcome. Meanwhile until fall, take advantage of the summer dances, and we'll be looking for you. reporters - Frank/Marie Poole 201-342-3375

3rd Friday

Bryan School, Brookside Avenue

The secret is out! When Bob Johnson of Connecticut was our guest caller last fall, everybody had such a good time that our officers snapped him up to be our club caller next year. Welcome, Bob, we're all lookinh forward to many happy dances with you at the mike.

In the meantime, Chip Hendrickson will be on hand in May with a band for the annual FIDDLERS DANCE with live music, at the Northern Valley Regional High School on Knickerbocker Road in Demarest. (Disregard our heading up above for April & May - we've had to move from Cresskill for those two dances!) If you have not yet won your fiddlers badge, you will certainly want to take advantage of this opportunity. If you already have one or more of these badges, we know you'll want to be there, as this is one of the most enjoyable experiences for square dancers. As an added attraction you may have a chance to win a raffle prize of a gorgeous tote bag being embroidered by Jody Bromberg. The Tirrells will cue the rounds as usual, and Jody will supply folk dances.

We wish all our friends a happy summer of dancing and recreation and will square up again in September.

WARREN WHEELERS -- Port Murray, N.J.

2 & 4 Thursdays

Mansfield Elementary School, Rt. 57

We are very happy to welcome our new club members who graduated at a very impressive ceremony in April. It lends much to our graduations having members of the Association present and we thank these wonderful, dedicated dancers for the time they put out for the member clubs. Our 10th anniversary dance in May was a gala evening thanks to the efforts of Fred & Kathryn Hill who led a team of hard workers and gave us all the little extras which go into a special evening. They did a beautiful job and their hard work is much appreciated by the club committee.

We are looking forward to the calling of Bill Gordon in May. We will wrap up our club year in June with John Kaltenthaler squaring them up after our covered dish supper. The supper begins at 6:30 and our dance will start at 8 PM as usual. Come and join us. Jean & Jesse Elrod will be cueing our growing number of round dancers at all of our dances.

Our "specials last Summer were such a success that we plan to have them again this year. See our Summer Specials ad on page 17. For those of you who will be unable to dance with us this Summer, we hope to see you at our first dance of the new season on September 14th, in our usual place, at our usual time. Have a happy, safe Summer, everyone.

This issue The SQUARE PINCUSHION will start to discuss the 'Bodice' and its possibilities...

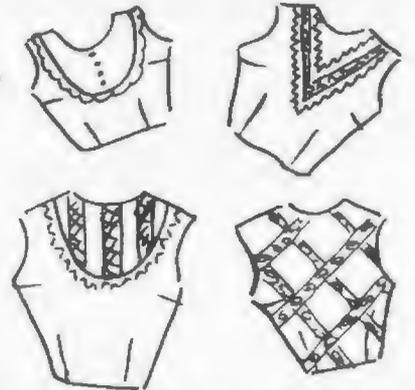

With the cost of patterns ever increasing, the square dance sewer needs to get as much mileage from a pattern as possible.

Start by investing in a few basic patterns that will give the most versatility possible. Example: the classic basic with back zipper, darts at the bust and at the front & back waistlines. Another basic, a little more difficult to find would be one with princess lines, no need for front or back darts as the adjustments are made in the princess seam. This type of pattern will probably have no waistline seam but that doesn't mean you can't cut it to the natural waistline markings and add your seam allowance and use it with a favorite skirt pattern to produce a new dress. The gored skirt style works well with that style top. Finally to start a collection, one that is harder to find has a shaped inset at the side front, again fitting adjustments are made here.

Before we go any further, I'd like to say a word about sizing. Patterns and ready-to-wear clothes do not use the same standards for sizes. It truly makes no difference what size pattern you buy, no one goes around wearing the pattern envelope to advertise the size used. The important thing is how well it fits you. BUY according to bust size..it is far easier to adjust the waistline and the length from back neck to waist. Remember, manufacturers make their patterns for the average size, so if you are a little more endowed buy accordingly its the fit that counts.

I will attempt to show you that the most basic designs can be changed to give versatility..to basic #1 add a bib yoke, with or without trim or ruffle-if you cut it too wide add rows of tucks, cut too narrow, add bands of trim inserts. Basic #1 using trim added in different ways produces different effects. These are for starters only. Next issue we'll continue with ways to change the basics, giving you the most variety for the least cost. In the meantime I hope I've gotten you thinking.

More on CALLERLAB, March 1978.....

Over 1000 members of Callerlab and spouses attended the annual three day convention in St. Louis....The CCNJ contingent divided among the various interest areas so that everything could be covered.

Dick Pasvolsky received a Callerlab Quarter Century Club Certificate in recognition of calling at least 25 years. He joined Art Seele and Dick Lighthipe previous recipients in this.

Cookie Lighthipe will chair a sub-committee of the Caller Association Liaison Committee whose duty it is to propose a model constitution as a guideline for caller associations.

Many resolutions were passed by the convention that will effect the s/d picture across the nation. It was agreed that Callerlab establish permanent liaison with ROUNDALAB and provide callers with a list of basic r/d steps to help them with the r/d programs at their dances.

The Timing Committee of Callerlab had a resolution passed that accepted a list of the number of beats used for each basic. The list will be reviewed next year and made permanent if there are no objections.

The subject of levels and lists occupied much of the convention's time. The call "Recycle" after three years on the Quarterly Experimentals list was added to the Mainstream program as basic #69. Substitute was added as a companion to "Zoom"....Two calls from the mainstream list may be recommended by the Mainstream Committee per quarter to be workshopped in depth for all position dancing. The Quarterly Experimental Committee revised its list. (see page 49): It was agreed by the convention that from now on only experimental calls would be considered and not calls already on other lists. The Level Identification Committee, dealing with the Plus 1 & 2 level had a resolution passed that made Plus 2 Program a permanent plateau. (see page 49 for the lists) Nothing will be deleted from these lists until at least the Callerlab Convention of 1981. Calls dropped from the Quarterly Experimental list may be added.

Perhaps the most significant resolution passed was the unanimous approval of promoting the use of Extended Basics Plateau (basics 1-54). This includes Swing Thru, Spin the Top, and Wheel and Deal. It was agreed that Callerlab would publicize and promote programs in national magazines, provide programs for this level at festivals and convention, distribute material at this level to Callerlab members and promote singing calls suitable for this level. These programs will hopefully provide a place for those who want to dance at a more relaxed level.

Jack Lasry was reelected to Chairman of the Board and his Executive Committee will include Al Brundage, Lee Helsel, Jon Jones & Bob Van Antwerp. John Kaltenthaler will continue as Executive Secretary.

The Callerlab Milestone award, the highest award given, was presented to MANNING SMITH for all he has contributed to the s/d activity over a long period of time. A Milestone award was also presented to BOB OSGOOD for all of his contributions to s/ding and callers over a period of years.

The 640 callers present came from 46 states, 8 provinces of Canada & 2 foreign countries - England & New Zealand.

Our thanks to Dick Lighthipe for his reflections on CALLERLAB. Clubs are asked to study page 49 - CALLERLAB PROGRAMS. It is suggested the club Executive Board & the club caller decide together the "Level of dancing".

ROUND DANCE HIGHLIGHTS

Can you remember three years ago when Phil & Royna Thomas were appointed NNJSDA liaison to the NNJRDL? If so, you may have noticed some of the happenings they served as catalyst for. Besides keeping delegates informed of R/D happenings in NNJ, and of the formation of ROUNDALAB (the International Association of R/D Teachers), they began this column in GRAND SQUARE to spread R/D news even further afield. Acting as MC's at all Council events, they surprised all by creating a

large replica of our Council badge and later a huge welcome Round Dancers banner for display at all Council affairs. Their most demanding job was successfully masterminding the R/D Trail End party prior to the 26th National S/D Convention last June.

Unfortunately for NNJ, Phil has accepted an overseas assignment and they will be gone several years. But we take heart - for while there is square dancing in their new location, round dancing is nil. So although we may have lost Phil & Royna for now, we are confident, especially in view of all the records and "how to r/d books" they have packed, we will welcome them back as ROUND DANCE TEACHERS. All of us wish them well in their life...hurry back, We'll miss you. God bless.

ROUNDALAB, the International Association of Round Dance Teachers, has completed a most successful charter membership drive with just under 500 member units. A member unit is a couple, team or solo teacher. All members are active r/d teachers and represent 48 states & 6 Canadian provinces, Belgium, Germany, New Zealand & the Netherlands. Much of the success of the membership drive is attributable to the excellent publicity given by the square & r/d newsletters and magazines and the active support of the Sets In Order American S/D Society, LEGACY, CALLERLAB and the many local & area square & r/d organizations.

ROUNDALAB was a dream of a handful of r/d teachers at LEGACY (May 1977) which became reality at the organizational meeting in October 1977. A meeting attended by a representative cross section of the r/d teaching profession including a large percentage of the "big" names in the business.

As we lay plans for our second annual meeting, to be held in Kansas City, MO on October 22,23,24, we are confident that we can start resolving the problems facing the r/d teaching profession. With over half of the r/d teachers of the world as members, we are in the unique position of being able to tackle those problems which can not be solved by any dancer/teacher organization or local teacher group. Anyone desiring more info contact Charlie Capon, Executive Sec'y., 1025 North Highland, Memphis. TN 38122 (or in NNJ the Tirrells who are on the Board of Directors).

AL"e"MO SQUARES -- Brooklyn, N.Y.

every Monday/Thursday Emmanuel Episcopal Church-2637 E. 23rd St.

Hi, this is a story on the making of a S/D club...recruiting all new dancers...picking a good executive board with all members willing to work hard to make the club a success...a caller like Al Moses who devotes his time & efforts to keep every one happy & dancing. Our first six months have flown by. We've weathered snow storms, hail, sleet, impossible driving conditions, bad parking, rain floods, electrical black-outs, cancelled dances with hundreds of phone calls (are we? are we not?). Then we lost some of our dancers who were lucky enough to get away from it all to sunny Florida, but we survived it all and Brooklyn has another S/D club.

Plans are already underway for a new program starting in September.... guest callers at all our regular dances and a new hall. More information and details in next issue. As of this writing we are busy preparing for our graduation. Our graduates are anxiously waiting for this big event when they'll receive their diplomas, badges and silhouette pictures with their names on them and they go ahead to really get exposed to the wonderful world of S/Ding. It will be a thrilling experience for them to visit other clubs, get acquainted with new dancers, listen to the voices of different callers and get signatures in their Century & Blue Books. Please be kind and patient with them (remember you were once in their shoes???) We will have the unveiling of our new club banner on graduation. Come and see the beautiful work done by Dorothy & Cal Martois.

We expect to run four Specials in an air-conditioned hall in July & August. Flyers will be out shortly. Congratulations to Al & Bea Axelrod on their son's marriage and to Artie & Sylvia Herzig on becoming grandparents. Thanks to both couple for delicious refreshments they brought.

Wishing everyone a happy, healthy, enjoyable dancing summer.

KUNTRY KUZ'NS -- Franklin, N.J.

1 & 3 Saturdays

Presbyterian Church, Main Street

Our club celebrated their third anniversary in March. The Executive Board served a chicken & meatloaf dinner, which they all had a hand in cooking. Everyone enjoyed it. We served about 80 of our members. This is our way of saying thank you for making our club what it is today. And a big thank you to all who come to our dances and share their warmth and laughter with us.

Bob Mitchell will not be teaching classes next September. Upon graduation Bob will be starting workshops. They are underway now on Thursdays, and will be every Thursday to the end of June. The workshop will be in tune with Callerlab Mainstream and Experimentals. No workshops through the summer, but in the fall they will begin again on second and fourth Thursdays. These workshops will be Mainstream Plus 1 and Plus 2.

Kuntry Kuz'ns are welcoming all new graduates into the world of square dancing. A special date, the first dance in June, has been set aside to welcome all of you, along with our seasoned dancers. See you all there. Happy dancing, your Kuntry Kuz'ns - Arleen/Jim Ahnemann 201-729-7513

STAN'S PATRIOTIC SQUARES -- Bloomfield, N.J.

2 & 4 Tuesdays

Hilltop Barn, 1640 Broad Street

The Hilltop Barn was the setting for our Graduation of our class. The hall, bulging with wall to wall dancers, was colorfully decorated with streamers & silhouettes of dancers as fifteen couples were welcomed into our club. Our caller, Stan Zaczkowski, did an excellent job in instructing them how to dance. We are very proud of all of our dancers. Our thanks to Connie Medlicott for the beautifully decorated cake & to all members that brought refreshments on Graduation night and throughout the year. A big thank you goes to all the ANGELS that came out to help with the classes & to those who helped to make the Graduation decorations. We all had fun doing it. Our congratulations are extended to all new graduates & also to our Sunday evening class which will graduate in late June.

Hix & Chix surprised us with a RAID on Graduation night, pinning our banner with more than 2 squares, including their new graduates who danced very well, and enjoyed Stan's calling. In March we raided Lakeland Squares with over 3 squares of our dancers, and enjoyed dancing with their members. Our caller, Stam Zaczkowski, was asked to call.

Look for the float of our club in many parades, town fairs, festivals and shopping centers during the summer. Our summer will be a busy one. We will be dancing "UNDER THE STARS" see our ad on page 10. Come join us.

WEST MILFORD FLUTTERWHEELS -- West Milford, N.J.

2 & 4 Mondays

Hillcrest Community Center, Macopin Road

Seven top-notch dancing couples from "Training Wheels" graduated to our club in April. This was our second graduating class. There have been ten very successful post-graduate workshops held this winter, taught by Ron Bessette. Also four class-level dances were held attracting guests from many classes in the area.

The Flutterwheels will be dancing all summer in an open air pavillion. (see our ad for map and details - page 6) As a new club we are anxious to have visitors and are doing lots of visiting ourselves. We've raided the Covered Bridge Squares, Kuntry Kuzn's and Sussex Spinners. If you haven't seen our green and white check travel costumes, look for them soon at your club. We have been holding many demonstrations to attract new dancers. Local PTA's, First Aid Squads, and other community groups have asked us to perform at their "Fun Nights". We've even put on demos at the Sloatsburg Inn, NY, dancing to live music (and enjoying a lobster dinner)! Hoping to attract even more newcomers to this Square Dance world we will march in the Memorial Day parade, and with the Recreation Dept. in town, hold a four hour s/d at the town's 4th of July celebration.

The Flutterwheels will be changing dance nights to 1st & 3rd Fridays beginning in September. Bob Mitchell & Ron Bessette will share the new schedule. Our location will be new too. Look for our ad and new map in the Fall issue of GRAND SQUARE. reporter-Helen Behrens

Bring a box supper

Geared specifically to all club officers, but open to all
who may want to attend and learn more about the running of
a square dance club and the related activities.

After a general opening meeting, we will divide into
various interest groups. Each group will have a moder-
ator and a secretary. Discussions/questions are expect-
ed at all sessions. This is to be a *learning/sharing*
experience for all who attend.

Reservations are necessary - flyers will be available at all NNJSDA
summer dances or write NNJSDA-LUST 3 Churchill Road, Cresskill, NJ 07626

LUST stands for Let Us Speak Together - the NNJSDA leadership seminar
usually held in mid-September. This day long session is planned to
help newly elected officers, and other interested dancers, better under-
stand the working of a S/D club. An attempt is made to cover all
aspects of the club picture with lots of discussion and question and
answer time.

Send your club officers.....SUNDAY - SEPTEMBER 10, 1978 to L.U.S.T.
