From the desk of

LIV & BOB CARLSON, presidents NNJSDA

By the time you read this, you all should have enjoyed a happy and blessed holiday season. Resolve now to get more out of square dancing in 1981. You can do this and receive recognition for it by working for a Patrons Badge or Century Club tag. It takes time and commitment to reach the goals of dancing at 26 member clubs with their regular caller or dancing to a hundred different callers. You will enrich your enjoyment of square dancing in the process.

NNJSDA is a voluntary non-paid activity and hundreds of volunteer hours are given by many to make the various activities go as scheduled. Two couples worked for a full year to conduct the 1980 Mini-Festival. We thank Isabel & Bob Kerwin and Mildred & Walt Angerer for their untiring efforts on behalf of square dancers.

For the past eight years of the Mini-Festival it essentially has been a one or two couple activity with the Executive Board working on the festival day. The set-up at Caldwell College made conduct of the festival relatively easy in the past. In 1980, however, with a change in location and cancellation by one caller, a multiple of events occurred which affected the smooth conduct of the festival. We thank all who danced at the festival and shared your positive comments and evaluation with us. We appreciate your interest.

The Executive Board has voted to expand the committee for the 1981 Mini-Festival by appointing chairpersons for each segment of the festival, asking some past festival chairpersons to serve as advisors and assign one or two members of the Executive Board to work directly with the Committee. We hope this will improve efficiency in the conduct of the festival while incorporating many of your worthwhile suggestions.

Would you believe that half the square dance season is over? Seems like we've just gotten going again and whoosh, the holidays are upon us and over. And by the time you read this, our old friends Nan/Frank Habersberger will be in Florida. Certainly everyone in Y Squares is in debt to them for their many years of service in many jobs, including the presidency. It is because of Frank & Nan and others like them that Y Squares is the great club it is today. As a New Year's resolution all of us newer members ought to resolve to do our utmost to keep it that way. That's not to say we shouldn't change or try new things, but rather that we should all do our share of the work.

Talking about work, the refreshment committees have been doing a great job in keeping the coffee pots filled during the evening's dancing since we no longer can have sit-down refreshments. Their job is complicated more by the moves we've had between Clark & Iselin. Congratulations are in order for Ruth/Joe Toth for coordinating the effort. It's also great to see all the class members coming out to the special holiday dances. Welcome, and keep up the good work. reporters - Art/Nancy Clough 201-499-0925

HAPPY NEW YEAR!!! Our new class of 20 couples began "real" S/Dancing by joining the club at our Christmas Dance. Special Class Dances (6 in number) are being held on the 2nd & 4th Fridays of Jan/Feb/Mar '81 for all students (see ad on page 18). Encourage your class members to join us.

Our club dances, especially the Halloween "Great Pumpkin", the Thanksgiving "Turkey Trot" (the two frozen turkeys were enjoyed by the lucky winners) and the New Year's "Guess Who" (baby pictures) were fun for all! During the past year we've enjoyed several raids and are looking forward to visiting many of the clubs who have been providing much appreciated support to our club. We're also continuing with demos - to spread the pleasure of square dancing in our area. reporters-Bob/Shirley Feller 728-8070

We'd like to express a special thank you to all of those who helped make our "Crazy Hat" and our "Turkey Give Away Dinner" dances a success. There were many clubs represented and we were pleased to have so many there. The club danced to callers such as Dalt Young, Dick Pasvolosky, and of course Wilson Hoff who is always there to do a terrific job of calling for us.

We're so glad to see Helen & Joe Youpa back again after her series of operations. Our class is doing fine & we're especially glad to have so many angels coming out. Keep up the good work!

Congregational Church, 131 Pascack Road

Fall was definitely the fun season! Some original spooks by Shirley Pugliese, with the help of a committee of spider-web spinners, transformed our dance hall into a haunted house for Halloween. Costumed dancers made for an especially lively evening... We were delighted by a surprise visit from our founding father at the Thanksgiving dance. Bob Gray and his "faw" (Harriet), on a "swing through" from Massachusetts, stopped by to dance with us & call a guest tip... Western Wheelers conducted two very successful raids: Tenakill Twirlers welcomed us with a beautiful cake in our honor. Covered Bridges "red hot" hospitality gave us a chance to earn 2-fer dangles... At a general membership meeting, it was decided that student couples would be adopted by a sponsor couple from the club to help ease the transition from graduation to club-level dancing... As we look forward to our New Years' Eve gala and the arrival of 1981, we wish all of you a very happy, healthy new year. Lois/Charlie DeBrock 201-391-8337

TENAKILL TWIRLERS -- Cresskill, N.J. (QS)
Bryan School, Brookside Avenue

The Tenakill Twirlers is whirling through its Pearly Anniversary Year in great style. The dances have been well attended—with John Kaltenthaler & the Tirrells at the mike, who can wonder. As this is being written we're looking forward to a happy Christmas dance and a cozy New Year's Eve get-together at the Tirrell's, who have just begun to simmer down after their glorious trip to Switzerland.

The T.T.T. have made several trips of their own - each a special type: by "rail" to Belles & Beaux, and a "hunting" one to Western Wheelers. In January we venture into outer space, "where no man has gone before", to check out the rumor that there is life and even Square Dancing on a distant planet called Demarest, and a club called Tenafly Squares.

Our members wish a very happy New Year of health, wealth and dancing to all of you. reporters - Dorothy/Paul Pullman 201-568-5138

TENAFLY SQUARES -- Demarest, N.J. (QS)
Baptist Church, 563 Piermont Road

We hope you are "Com'n Over" - always room for ONE MORE. Our Autumn Dance was called by Stan Zaczkowski and decorated in the orange/black of the day. The Tirrell's attended the recent 4th annual meeting of ROUNDALAB before they were off on their Switzerland tour. Anyone for next year? In November, the theme was Thanksgiving and the hall was beautifully decorated in that theme with pine cone turkeys, made by Bea Essig, being part of the door-prize. Our caller was Paul Brody, substituting for hospitalized Fred Weiner. One tip was called by guest Bill Heyman, who was there with his wife, Peggy. Those yodeling Tirrells returned just in time to call the Rounds. Refreshments as usual included the good but "calorie" filled foods! So, we danced a little extra that night. December was the theme of Christmas and decorations included a tree and other delightful seasonal items. A holly centerpiece was part of the door prize, donated by Bea. Refreshments included holiday cookies/cakes. Our friends at Belles & Beaux really surprised us with a raid, such a grand time we all had. We are looking forward to 1981 and do hope you will find your way to TENAFLY SQUARES very soon. reporters - Shirley/Bill Sherlock 201-768-2152

Another year has passed leaving us with many fond S/D memories for 1980. We wish you all a HAPPY NEW YEAR and hope you will be part of our 1981 memories. The beginners class is fantastic! They attended our Christmas Dance which exposed them to the festive times square dancers have. Many thanks to our club officers who work behind the scene to keep our club active & running smooth. Also, thanks to our club caller, John Kaltenthaler, for providing us with good dancing and many, many laughs. The welcome mat is always out at the Sussex Spinners - COME JOIN US!!!

CATCH ALL EIGHTS

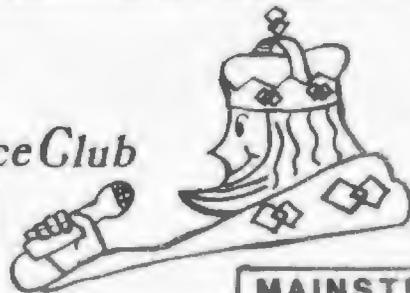

CATCH ALL EIGHTS - EASTERN WORKSHOP - After a very shaky start they are now averaging 2½ sets. By transferring \$ from CAE West, which at present is in good shape financially (no hall rental!!!), CAE East was able to continue and plans are to go thru March. Chairpersons EVELYN/HAROLD TORODE are forever optimistic & expect an increase in attendance as calls go beyond MS. The Torodes & BETSY GOTTA are a great team & are to be commended for their input & dedication to this concept. There can be no better assistants than MARY/GENE CIALLELLA who are always there to help.

CATCH ALL EIGHTS - WESTERN WORKSHOP - Attendance alternates between 1 & 2 sets with 5 steady couples. While all realize the location is too far West to serve or attract any sizable crowd, this section is strong & viable. When DICK LIGHTHIPE realized no local caller was available Tuesdays, he MADE THE LONG, LONG TRIP WEST. Finally an alternate caller from PA, Lewis Jewell was located, so Dick & Lewis alternate calling. CATHY/FRED HILL plan to continue on CAE West thru March.

What keeps CATCH ALL EIGHTS going is the almost fanatic belief in this concept & the need for it by the various chairpersons....and the callers. Now, after helping guide and develop CAE these past few years, the Habersbergers are leaving for Florida (to start a CAE South?). For them it has been a most rewarding experience. 23½ sets have been returned to our fellowship because of theirs & CCNJ, thru Dick Lighthipe & Betsy Gotta dedication. CATCH ALL EIGHTS concept could continue as it is, or it can lead the way to the formation of regional Extended Basics Clubs or Workshops sponsored by two or three clubs in the area. Should this come to pass, more callers would be needed. Which ever direction a re-teach takes, cooperation between NNJSDA and CCNJ has made it work in the past and there is good reason to feel that this is the key to making it work in the future.

If you think numbers were big in the 70s, looks like the 80s will be more so. The fact there are real live people out there escapes those who stay up nights figuring out what they can number next. Happily, for us who imbibe (sounds like we go on binges), our favorite pastime remains a people activity where we as individuals count.

Here in the Northeast the first few months of the New Year are on the gray side - after all, it is winter. However, we dancers compensate with bright clothes, cheerful music and, best of all, nice people. No wonder we feel good after a dance! That is one dividend we collect from every square dance. And while on the subject of dances, our February dance actually falls on Valentine's Day. Doesn't happen very often.

We at Swingin' Stars wish one and all many happy "dividends" in 1981. Again round dancers - 8:00 PM for you, and of course 8:30 for the squares. See you around a square. reporter-Connie Woolf 212-TR7-8853

We had Homecoming Night in October - our first dance in our new hall. We must say it is very cozy. Tom/Dot O'Brien chaired the affair & their committee had a lotta gifts for homecoming. Nice going gang. Thanks a lot - we sure had fun. Later in October we raided Kings Squares. Leading us over the "Big V" bridge was our president Lenn/Laura Gaeta. It was Kings Squares 7th anniversary. All who came certainly enjoyed themselves.

In November a special dance chaired by Vin/Millie Francomano was "Football Fever". Appropriate for this time of year, they had just the right gifts for hardy fans in the stadium. All we know they'll be winterized for -10° below. Let the cold weather come. To the chair persons and their committees....."Yeah TEAM!". 2 & 4 Tuesdays

Cedar Hill School, Peachtree Road

Why is dancing with Somerset Hills the best way to begin the New Year? Because, Carl continues to call a very smooth +2 dance with good choreography and a very imaginative workshop tip. Because of the wonderful Round Dance cueing of Grace/Walt Pennie we have an increased number of R/Ders. But don't take our word for it, come see for yourself. Beginners can have fun too. Our class was invited by the Hill City class to their Christmas Dance. In December also an opportunity to share our fun with those who most need it was a demonstration at the Raritan Hills Care Center on Rt. 22.

Our annual New Years Eve dance with midnight buffet and a terrific caller, Dick Jones, was held jointly with Hill City and Bee Sharps. What a super way to welcome the New Year. It's not too soon to circle your calendar as MUST nights to visit us. We will have two guest callers in Feb., Bob Tarrant & Rusty McLean. We will be honoring all club presidents at our Presidents Ball in February. See our ad on page 31. Come out of the cold and warm up with us. Our welcome mat is always out.

As the holiday season comes upon us we think of our many friends in the Square Dancing world and those who will soon join it. Betsy Gotta is doing a fine job explaining the ins and outs; rights and lefts to our students. And they are learning well as they will demonstrate at the student dances this winter and spring, I'm sure.

We think of our friends who come to visit us regularly. Kings Squares showed up in force recently and the pot luck dinner in November was its usual success. Of course, Bob Tarrant did have to call a special exercise tip afterwards, we all ate so well. And of course Frank Riviccio, Betsy and Bob hold a special place in our thoughts. We have enjoyed them calling for Solitaires this fall and look forward to their company this winter and spring. Here's wishing all our friends, everywhere, the best of New Years.

How many were dancing 10 years ago when LYLE/EDNA HOPPER were NNJ SDA Presidents? Retiring to California, their dream to visit every State Capitol & dance in every state was cut short by Lyle's untimely death. An infrequent visitor back East, Edna did return this fall to help Ramapo celebrate its 30th Anniversary. On the day after Christmas, Edna became Mrs. John McKinney. We wish them much happiness. The incorporation of your S/D club is an essential protection for the members and officers and certainly should not be ignored. By the simple act of completing and filing a Certificate of Incorporation the group becomes a legal entity, thereby relieving the individuals from liability that can be very, very damaging.

In the absence of incorporation, if a club is sued for a physical injury at a dance (in excess of insurance coverage), for breach of contract, or for moral damage, all the officers and members may be sued. That means every registered member of the club can be named in the suit and must share the legal expenses as well as the judgement (if the court finds against the club).

Incorporation is relatively easy to achieve, although there is an initial bother involved. Following are the steps to be followed, which are reasonably accurate. If assistance is required call the incorporation office in Trenton at (609) 890-9500, or your County Clerk.

1. Write to the N.J. Dept. of State, P.O. Box 1330, Trenton, NJ 08625, to request 4 copies of Form C-101 7-6-70 for the incorporation of an organization not for profit — plus instructions.

2. Have the completed forms notarized, then send them to the NJ Div of Public Welfare, Dept. of Institutions and Agencies, P.O. Box 1627, Trenton, NJ 08619. Request that the original and at least one copy be returned approval stamped and with a Letter of Review.

3. The original and one copy are next taken to the County Clerk for recording and additional stamping. The fee is \$10 (increased on July 1).

4. Send the original and Letter of Review, with the \$5 fee, to the Dept. of State office initially contacted. If an additional copy is included it will be stamped FILED and returned to the club.

Thereafter an annual fee of \$2 is required to maintain the incorporation in force.

The small amount of effort and the modest investment will provide enormous protection from what otherwise could be a financial disaster. Both members and officers of each club should be obliged to see that incorporation is effected.

First, the Promenaders would like you to join us in extending a warm welcome to all of our 43 December graduates. We had a large class this fall - and we hope that all of them will enjoy becoming a part of the Square Dancing "family". Our Fall Special - the Halloween Harvest Hoedown called by Manny Amor - was an especially fun event with many of our members & guests dancing in costume. (Even Manny Amor brought several costumes to go along with his singing calls.)

We'd also like to extend a big THANK YOU to all those who joined the fun & contributed toys to our Toys-for-Tots-Dance! The toys will be muchly appreciated by some needy children. We hope you all had a Happy and Healthy Holiday season. We're looking forward to dancing with you in 1981.

Booster tags, denoting a contribution, may be secured from your club DELEGATE and are usually worn to all dances thru February. Last year, thanks to your contributions & advertising revenues, GRAND SQUARE was only \$69.50 in the red...but this year with the skyrocketing prices, esp. paper, the story may be different. Each issue presently runs approximately \$550 in the hole - Your voluntary contribution is a vital part of balancing the difference between revenues and

printing/administrative expenses. Other than this ONE drive GRAND SQUARE is a free service of your NNJSDA. The staff thanks you for your support.

RICHMOND DANCERS -- Castleton Corners, Staten Island, N.Y. (+2)
2 & 4 Saturdays St. Johns Luthern School, 663 Manor Road

As we write this, Thanksgiving is a most pleasant memory and Christmas is eagerly awaited. The MiniFestival was a real pleasure enjoyed by all. Richmond Dancers are moving from strength to strength with great callers like Joe Landi, Ralph Stapenell and Jim Cargill giving us their best.

Raids have been made to the Ocean Waves & Kings Squares and Tom/Mary Gorham our raid chairpersons have more planned for the future. We are pleased to report that Ed Connors is out of hospital and is doing fine. Unfortunately, Jean Laird has broken her wrist in a fall. She has all our best wishes. The combined class is doing well and a dance for them has been planned. As we all know, practice makes perfect and the more chances we can give the class to dance, the sooner they will be able to join in our club activities and start really enjoying themselves.

Happy New Year to all & may one resolution we all make be to do more dancing in 1981. We rounded out 1980 to the calling of Jim Adams & Mike Cleary & welcomed many new people at the dances. It's great to greet old friends but always nice to make new ones. Come again please, we all enjoy dancing with you. The Reelers have traveled this fall-3 couples to Hawaii; Al/Ruth Rosenbohm just for fun-Jean/Bud Weiler & Maude/Les Mansfield on a S/D vacation. Wish we all could have joined you.

The first raid of the season to Warren Wheelers was a huge success - 13 couples. We also won all the prizes- the take home Thanksgiving dinner by Diane/Ron Houde; basket of condiments by Althea/Jim Boutillette. Plan to attend our next raid to the Association Dance in January...we would like to keep the banner. Join our fun in dancing to the calling of Jim Adams and Todd Fellegly. By the time you read this Ramapo will have enjoyed a very special New Year's Eve Party with Lee Kopman doing the honors. With the holidays a pleasant memory, the nominating committee has been busy preparing a slate of officers for the 1981 season. This slate will be voted upon at our annual meeting to be held following our last dance in January. At this time we pause to extend our appreciation to Ann/John Natalo, their officers and Executive Board for outstanding service and dedication to our club. The Natalos have been presidents for two years and have added greatly to the friendliness of Ramapo Squares.

If you enjoy dancing at an Advanced Level, make Ramapo a must on your dance card. Our policy of guest callers has been well received and we look forward to having you share our dances. See our ad on page 11 for future dates.

3 Churchill Rd, Cresskill, NJ 07626

The 30th NATIONAL SQUARE DANCE CONVENTION in Seattle, Washington - June 25, 26, 27, 1981 will have something for everyone.. (11,854 dancers had registered by Oct. 31!) young or old; square, contra, round, clogger or whatever. Besides the dancing (scheduled are 253 hrs. of S/D; 36 of contra; & 90 hrs of R/D...not counting the after parties) is a complete teen program, workshops, clinics, a pageant, fashion show, exhibitions, tours, etc... Their education program promises to be a winner with seminars, displays, discussions, showcases, clinics, exchanges & workshops. That's what sets a NSDC apart from any other large S/D event & it is the special blending, coordinating & timing of these special events into the varied program of S & R/Ding, in the picturesque grounds of the Seattle Center, that promises to make '81 a most pleasant & memorable learning experience.....as well just plain fun & fellowship.

The NNJSDA is planning an exhibit in the Showcase. If you are planning to attend the 30th, please let the Tirrells know - they can always use help in getting things to and from Seattle, as well as manning the table. Pictured is our exhibit from last year's in Memphis. Perhaps you have some ideas to enhance our display- please make them known as soon as possible. Again with rooms at a premium, if you have relatives in or around Seattle, now is a good time to renew their acquaintance and maybe even use their facilities. Many attendees are planning extra trips after the convention - Alaska is a hop, skip away....and Hawaii not much further. Our friends in the Delaware Valley have several such tours planned if you are interested.

Quietly plans are proceeding for the Conventions return to the East Coast in '84. Already a meeting & dance was held to introduce the tremendous facilities in Baltimore to the dancers in the area. More on this at a later adate.

We have followed the example of some of our NJ cousins for the benefit of all. We're now looking forward to graduation.. It will be here before we know it!

Attention Staten Island dancers!!! 1 &amp; 3 Fridays

Dag Hammarshjold School, Rues Lane

November started off with aches & pains. We thought our "Trust Me" caller Glenn Cooke, was suffering from advancing age, but it turned out to be fractured ribs! Our warm thanks to Fred Fields who filled in for Glenn on such short notice. Our Thanksgiving dance was something special. Herb/Carol Jennings and Barry/Evelyn Williams did a beautiful job decorating the hall. Our members brought in many, many delicious pies. Ralph Stapenell, our British "cousin" helped us celebrate this "New World" festive holiday. In December 5 sets raided the Y Squares in Clark. By the time you read this, we shall have celebrated the holiday season at our Christmas dance, New Year's Eve party (100% sold out with 18 sets attending), & our Hangover Dance. Thanks to the many S/Ders from other clubs who have been coming to our dances; we are always happy to welcome you.

Our classes have been going very well with between 65 to 70 people attending every week, & with many of them workshopping. It is a good feeling to see so many angels helping out at the classes & workshops. We hope every S/Der will write Governor Byrne, asking him to sign the Bill passed unanimously by the State Assembly & Senate. The Governor's signature will make S/D the official folk dance of the State of NJ. To leave you with a pleasant note: cheer up, the days are already getting longer & Spring can not be too far away. Meanwhile, keep in mind that the East Brunswick Bd. of Education does a good job of shoveling snow. Looking forward to seeing you at our dances. *reporters-Burt/Sylvia Caplan* 201-679-8079

Thank you Barbara & Ed. Our December's classic naturally was the New Years Dance. Our gratitude for this goes to Joe & Fran. Future great expectations; S/D classes are moving right along under the direction of Skip & Barbara, and our tactful instructor Bob Benner and all the angels.

What about that healthy-looking "chicken" that came to our Halloween Party? What thighs! That was some bird!!! Thanks to all who took time to dress in costume, especially to Shirley. We had a tremendous turnout for our demo at the Rockaway Square Mall and Herb did a good job calling. Such good dancing by our members and their enthusiasm interested some of the onlookers to inquire about lessons.

Our Christmas special with Dick Jones was just what we needed to make our holiday complete. We all enjoy his "progressive" square calling; some of us got back home and some of us tried - but it sure is lots of fun!

Come, enjoy dancing to our fine callers, Mike Foley, Bob Mitchell and Dick Jones, for Mainstream with workshops on the 2nd & 4th Tuesdays featuring QS, +1 and +2 levels. The mini-festival was well attended and we're still waiting for our 2nd cup of coffee. We wish to take this time to wish everyone a happy & healthful New Year and invite you all to come dance with us.

The December meeting of the Kittatinny Rangers was a crazy hat dance with the prettiest being taken by April Sphinx and the most original by Trina/Bill Avery, and Jack Austin wearing Trudy's pants where they shouldn't be worn took the funniest. Many clubs do not permit smoking in the hall; many of us who are bothered by smoke appreciate this. In view of the fact that there is proof that even '2nd hand' smoke is detrimental to our health, I suggest that all clubs have a policy that anyone who wishes to smoke should do so in a specified area outside of the STD hall.....Jeanette Novak

Happy New Year to Everyone and thanks to all of you who have made our recent dances so successful. Our Apple Festival Dance in November with Joe Landi calling was raided by 3 sets from Richmond Dancers and 3 sets from Covered Bridge. Our Mystery Bus Ride was completely sold out. 20 couples participated in dinner on the way followed by the dance at their destination - Mt. Pleasant Squares of Thornwood, NY. This turned out to be so much fun that we are planning another in the near future.

2 & 4 Wednesdays Community Church, 345 Guyon Avenue

The Isle Squares will begin the New Year with a dance called by our club caller, Glenn Cooke, and that alone should insure you of a night of good dancing and fun with "Old Trust Me". Our Vice President, Fran/Hy Glant, take great pride in the refreshments and the club members make home made cake for our friendly coffee breaks. The members of Isle Squares contributed generous amounts of canned foods for the Christmas Basket that we presented to the senior citizens in the "Meals on Wheels" program. Our club president, Donna/Bill Anderson were proud to make this presentation in behalf of the Isles.

The Class Lessons are being taught by our "Old Professor", Marty Clifford. The class has been dubbed, R.I.O., an acronym for the three cooperating clubs, Richmond, Isles, and Ocean Waves. Class Dances have been held on Sunday afternoons & this has afforded us with an opportunity to meet the members of the new class. Dancing with the Class reminds us how exciting it is to enter the family of Square Dancing.

We invite you to brave the cold of winter and come out & join us on a Wednesday night for dancing, friendship and fun.

## 7th MINI-FESTIVAL

46 clubs were represented among the 305 attendees at the Mini in Montville, NJ the Sunday after Thanksgiving. In spite of: an electrical short that kept the electricians working 20 minutes past 1 PM....a last minute caller's cancellation which Dick Jones very capably filled....the unexpected smallness of the +2 hall and the cafeteria...the caterers who got lost, arriving 40 minutes late! with the hot food cold, 100 tea bags, and no butter, sugar, salt, pepper, or milk...and ran low on certain foods.....it was a success!!!

The variety and talents of the callers John Briar, Dick Jones & Bob Mitchell provided an exciting program...the +2 dancers unexpectedly were able to move to the more spacious cafeteria in the PM...the rumba workshop & dance of the Wolcotts & the two-step teach of the Rumbles drew many dancers to the cafeteria for their special hour...as did the extra time allotted them in the gym during the supper wait....many dancers left with a plant centerpiece. There will be some changes made before the NNJSDA 8th MINI-FESTIVAL (see p. 2). Our sincere thanks to all who joined us in Montville for our Seventh.

 every Thursday - year round Arcola Methodist Church, Paramus Road

Our special event in November was a Heritage Covered Dish Dinner. We all enjoyed sampling each others specialties. That same evening we were raided by the West Milford Flutterwheels. We hope they enjoyed themselves as much as we enjoyed having them. The day after Thanksgiving we raided Y Squares. In December we were visited by Santa Claus. We had a grab bag and all kinds of delicious "caloric" goodies.

Hoping you had a wonderful holiday season and wishing you all a very healthy and happy New Year. Looking forward to dancing with you in '81.

70 year old man goes LUSTING on his birthday!!!  
(Don't you love that headline suggested by Art Seele!) Our NNJSDA LUST, or Leadership Seminar, is patterned after LEGACY with local LEGACY Trustees committed to assist. The most recent LUST was a functional & financial success according to our registrars, ERIC & MAUREEN POLLOCK.

They report 242 people attended the second Sunday in September LUST Seminar at Montville, NJ. In going over the evaluation sheets, most attendees were happy with the scheduling and timing of the day's program - preferring the NNJSDA keep the same format - a biennial seminar, buzz sessions of 60 minutes, a picnic supper and ending with a dance in the evening. Ideas for future topics have been carefully noted. The suggestion that we alternate years with the Delaware Valley Leadership Seminar (DIET) will be explored further. In the meantime, September 12, 1982 has been set aside as our next LUST.

HI TAW TWIRLERS -- New Milford, N.J. (+2)  
every Tuesday Middle School, Roslyn Avenue

Well, Santa has come & gone and the New Year Hangover is almost gone & we are starting new year of dancing. Wow! That one really went fast! We of Hi Taw extend our best wishes for the Holiday Season & for every day of the coming year. Glad to see Artie Taylor back dancing. Yale has another car!!! Both of our dances with Steve Kopman were well received.

The winter and spring lineup of callers are first Tuesdays Will Larsen, 2nd Tuesday Dick Jones; 3rd Tuesday John Kaltenthaler; 4th Tuesday Bob Mitchell and all 5th Tuesdays Will Larsen again. Check our ad for dates- Please note no dance 3rd Tuesday in February-school closed.

The New Milford rookie S/D beginners class co-sponsored by Hi Taws & Tenakill Twirlers is coming along well with some good dancers. We're glad to hear Paul Brody is off the sick list. John/Roseanne Lake 201-768-3485

2 & 4 Fridays HANOVER SQUARES -- Whippany, N.J. (+2)  
Salem Drive School

The class Christmas Party was enjoyed by both class & club members. Dick Maddocks has done a fine job teaching the class. This ends the first half of their lessons. As in previous years, Hanover Squares celebrate with a "caring Christmas Tree" which is the highlight of the Christmas Dance and is shared with a local family. We have 2 raids under our belt & another planned with an after-party at the Cuirezaks. Don't miss it!

Our Annual New Year's Eve Dance with John Kaltenthaler calling was a great way to ring in the New Year and having another good friend, Bob Mitchell, there really made the evening complete. Watch for our "Valentine Special" in February with Glenn Cooke - see our ad on page 22. Graduation isn't too far away and plans are underway to make our Graduation Ball in April a memorable one for the class. At our remaining dances, alternate tips will be called to accommodate the new graduates and then to keep us "oldies" happy, a higher level will also be called, so we can strut our stuff. 1981 looks like a busy year - may we all enjoy it in good health, be a square - keep dancing. reporters-Jim/Helen Huyler 201-334-1765

First & foremost, many thanks go to everyone who has supported us by their attendance during 1980. Isn't Grand Prowlers a great club with which to dance? If you have not treated yourself to this pleasure, what are you waiting for? We have great callers and cuers.

Now that Winter 1980-1981 has arrived with its accompanying cold weather don't stay home and burn oil, gas or wood to keep warm; come out and warm up on the dance floor. It's a lot of fun and you meet the nicest people. Try it - you'll like it. See you soon.

GARDEN STATE SQUARE DANCE CAMPERS

Unfortunately, our last planned campout of the season, as well as the "Octoberfest", had to be cancelled. A chance visit by our Presidents found the campground in deplorable condition. After trying in vain to reschedule it somewhere else, the campout was aborted. We have since heard that many campers were so keyed up that they went on individual camping trips.

The Baumanns & the Doug Lawrences are hard at work planning the Club's annual dinner dance in January. (Pictured are last year's chr.)- Bob Mitchell will again call the squares & Peg Dockry will cue the rounds. "An organization is only as good as its workers", and Garden State Campers has never been at a loss. We wholeheartedly thank all of the volunteers who gave their assistance whenever it was needed. (Ed: Notice their delegates working hard selling BOOSTER TAGS too.)

The end of 1980 finished up on a high note for Dancing Squares. Our class dance saw a huge turnout as the members of our sponsored class, which is being taught by Mike Foley, turned out in force. In addition, Fred Fields, our regular caller this year, brought not only his class but many members from the Masqueraders club. We all had a great time dancing to Mike Foley and even got Fred Fields to call a tip and join with Mike on another one. Ron Rumble did his usual excellent job of cueing the rounds. We presented Ron & Ree with a gift during our sit-down refreshments, since this is the last dance Ree will be attending before their baby is born. Our Christmas dance saw Mike Foley calling & Jean Kellogg cueing the rounds. Everyone was in the Holiday spirit and a fun time was had by all. For information on our upcoming dances, see our ad on p.28 Hope to see you in a square. Reporters - new address/phone below:

Ye editors felt like a sixth grader trying to track down the latest on AJR 29 - the joint resolution delegating the Square Dance as the American Folk Dance on the State of N.J.

When the bill passed the Assembly unanimously last June, reporters were busy tracking down any & all NNJSDA officers (many of whom were at the 29th NSDC in Memphis) for info. But when AJR 29 finally passed the Senate on Nov. 24, the ONLY paper to pay any attention was the STAR LEDGER!

What next??? Well, after many false leads (including several calls to newspapers for help), a call to Senator Matthew Feldman of Bergen County produced a phone number to call to find out the latest status of AJR 29 - or any piece of legislation. It is 800-792-8630 - the Legislative Information Service or L I S N. Be patient if their line is busy for you will eventually get thru and a very pleasant voice will bring you up to date on AJR 29. She'll also explain what next. It seems the Governor has 45 days after the second Tuesday in January '82 to act on our bill. If he chooses to ignore it then, it gets a "pocket veto" and we are back to square one. But if and when he decides to act, he then calls for the bill & has 10 days to make his decision. He can veto, send it back for a change, or ignore it & let it become a law minus his signature, or do what we all are hoping for - sign the Bill.

So now, once again it is up to all you dancers out there - if you want Governor Byrne to call for & sign AJR 29, please invest some postage & time into writing the Governor in Princeton or Trenton concerning the merits of AJR 29 & our overall Square Dance activity. FRANK & HELEN CAVANAUGH have brought us this far along, let's the rest of us do our part to join the states of Tennessee, Washington & Oregon who have similar signed Resolutions.

Please see our ad & pick up our flyers. All are welcome.

We had a Christmas Dance & who do you think surprised us with a visit? Santa himself. Our New Years Eve Party was a gala event too & everyone who attended had a great time. A Co-worker of mine invited me to come to her Church Organization Christmas Party, so with permission I brought a square & we had a Mini-Demo. We walked the folks thru some basics. A good time was had by all. Maybe we'll have gotten some future Square Dancers from it all, we hope. Come & visit our club soon.

2 & 4 Fridays

Franklin Reformed Church, Hillside Crescent

October was a busy month for C.B. Over & above our regular dances we worked again at a flea market, participated in the Nutley U.N. Day celebration, & did a demo in NYC for a Professional Womens Club on the day the drought broke. What a storm! As a part of the U.N. Day entertainment, we & Solitaires represented the USA, but the Middle East won out with a sensational belly-dancer. The month ended with a fun Halloween Costume Dance. Guests from other clubs also came in costume and our caller Bob Mitchell looked like Confucius himself! The biggest feat (& perhaps most colorful costume) belonged to the clown from Hi Taws.

The November Two-Fer with Pozsar & Pasvolsky was well attended with a raid from Western Wheelers. Thanks for coming! In Nov. we had a special party time. It was also Pres. Betty Olier's birthday. Most of us had dinner together at a little Italian restaurant. This was followed by a show of old time movies at Nutley's special small flick theatre for private parties. We laughed at Charlie Chaplin & saw the then risque "Blue Angel" with Marlene Dietrich. Betty's husband Frank chose not to miss the occasion even tho his foot had been seriously crushed that day from an accident at work. He kept smiling in spite of it and we hope Frank will be dancing again soon.

Before the end of the month we raided Kings Squares Apple Party Dance. The Next day we received a call from their Treasurer; it seems our President had over paid by two dollars which they wished to return. How's that for honesty these days? Our Christmas Dance was a prancing affair with fun & entertainment. Our class in the high school ends soon, but in the interim we will meet at the Nutley Police Station where the Mayor has offered us the use of their new conference/meeting room. We'll call these classes "safety-in-motion". Our wishes to all our S/D friends specify a year of health & happiness. reporters-Margie/Wally Cox

2 & 4 Saturdays Clara Barton School, 1015 Amboy Avenue

We hosted a super dance in November with Dick Jones calling in his usual superb manner. Twenty-five sets were in attendance & enjoyed a huge spread of food, fine company, & all in all a great dance. A beautiful turkey cake was baked & very professionally decorated by Elaine Gracchi, one of our recent graduates. It's nice to see new members enthusiastically supporting the club. Marty Clifford called our Christmas Dance which was fun as always. Our present students were our guests for the evening - their first exposure to square dancing outside the classrooms. Classes are progressing nicely with 18 new students being taught by Marty, aided by class coordinators, Dot/Ed Kuismø. Angels as always are welcome additions.

Raids so far this year have been successful - one having almost 3 sets attending. Check with the Kellers for proper raid attire! Happy New Year!

We read in the Nov. 1980 issue of PREVENTION Magazine that square dancing is good for your health. That's no surprise to us because we just celebrated Mrs. President's birthday. Naturally we're not telling how many candles were on the cake, but as of this writing we are looking forward to our January dance where Helen/Maurice will be feted on the occasion of their 54th wedding anniversary! Also in the AMERICAN SQUARE DANCE Magazine a report that credits our own Lee Kopman with over 150 original calls. What we at Colonial like even better than that impressive number, is the way he puts it all together to make our dances so special.

What are you doing New Years Eve? Well New Years Day as you recuperate be sure to watch the Rose Bowl Parade. This year as you watch the floats go by, you'll get to see Herb/Carol Arkin & Henry/Alice Thiessen dancing on the float! Paul and I would like to thank the Kittatinny Rangers for having us at the Secretaries Ball. It was great meeting all the other people who write for the GRAND SQUARE and to be able to dance with them. Hope you'll all come to dance with us at Colonial.

## ROSE PARADE BOOSTER

Did you notice the Arkins & Thiessens dancing (12 callers, inc. John Kaltenthaler of our area were taped) as the S/D float rolled down Colorado Blvd. New Years Morn? Our sincere thanks to all who purchased pink roses to help pay for this year's float. Stan Zaczkowski has designed a hanger to display your roses

which John Fogg (co-founder of the S/Ders of America the non-profit group who produce the float) has made & is selling at \$1.50 with all \$\$ going to the float. They are available from the Zaczkowskis & the Tirrells.

Our last dance in '80 was a winner with Steve Kopman on squares and Doc & Peg Tirrell on rounds. We'll welcome in '81 a little late since we cancelled our January Dance again with Steve doing the honors. See our ad on p 17 for future callers. It's a thrill to see so many dancers enjoying +2 APD at Cloverleaves. Remember rounds at 8 and squares at 8:30.

In December another first for our club...our first Honorary Members. When Richard Gray began reading the announcement - the recipients were standing there wondering who Richard was talking about...this couple who had unselfishly given of themselves over the many years of Cloverleaves... always behind scenes, but never top dog...and then suddenly Richard announced Cloverleaves had selected as its first Honorary Members HELEN/LOU HARDY. It couldn't have happened to a nicer couple - an honor they richly deserve and we know the rest of you are as pleased as we of the Executive Board for conferring this honor upon this deserving couple. Come offer them your congratulations in February. *reporters-Dora/Ted Foster* 201-398-1961

Our class members came to our Christmas Dance which turned out to be a great evening. It was our Toys for Tots dance with two teaching aids from the Eastern Christian Childrens Retreat in Wyckoff, NJ there to accept the toys. Miss Connie Morton & Nancy Micca thanked all for their generosity mentioning how much the children needed and used such items, especially in the afternoon hours. For an extra special treat both Jeanne Brody and Bill Heyman called a tip. There's been a slight change in our time - our dances will now start at 8:15 ending at 10:45 - still at the same place. It's great to have Paul back after his hospitalization. Happy, healthy New Year to all. reporters - Frank/JoAnn Chiari Krueger 201-444-7818

corrected map for AL "e" NO SQUARES

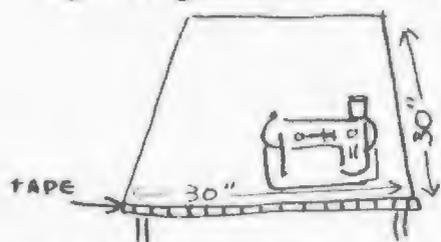

This issue the SQUARE PINCUSHION looks at Sewing Room Organization!

Is your sewing space organized? Or do you shy away from sewing because it's too much trouble to get everything together.....

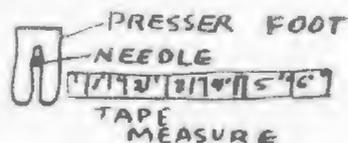

If you have an area where you can leave your sewing machine open that would be first preference. Then, even a few minutes can be snatched at the machine. To keep it from becoming dusty make a little cover from an old towel or a half of an old pillowcase. If you sew a lot or would be tempted to if space permitted, in place of a regular sewing cabinet put your machine head into a table top...The machine bed should be level with the table top. It means cutting a hole in the table the size of the machine, then reinforcing underneath the hole with a few short strips of lumber along the front and back of the opening and fastening hinges in place. An ideal size is

sketched at left. This provides ample space behind and to the left to keep fabrics from sliding off. If you're about to purchase a new machine you'll save money if you purchase it without a cabinet...

If your sewing space has one wall you can cover in cork squares you'll have a perfect bulletin board for ideas, pattern envelopes, notes, etc. These squares are available with peel-off backs.

Tape measures in quantity are a timesaver & convenience. 6 are not too many....fasten 2 at the side and 1 at the end of your cutting table.(good for instant measuring). Place the 4th tape glued to the front edge of the machine table, the 5th gets attached to the front top edge of your pressing table and the 6th-uses the first 6" only-cut off the first 6"; cut off the first  $\frac{1}{2}$ ", too-lay this end  $\frac{1}{2}$ " from the needle at the right side of the presser foot, gluing the tape measure in place. Use a paper, not plastic, tape. It's thinner. This will help you to stitch straighter. By distributing your tape measures, you will save a lot of time fumbling, therefore making more sewing time.

There's a relatively new type lamp available for the needlewoman called a magnifying lamp. Comes with a magnifying glass about 5" diameter surrounded by a fluorescent lamp (ring), with a lampshade covering, all connected on a flexible arm that clamps to your work surface. A few are available with a weighted base.

These are a few starters, next month a few more ideas to organize to provide more time and pleasure for your sewing.

## QUARTERLY SELECTIONS COMMITTEE reports:

For the quarter beginning Jan 1, 1981 -  
NO NEW MOVEMENTS. The committee reviewed  
many different moves & felt that none of

those being considered were suitable for use in the MS Program. This decision enables clubs/callers to review some of the overlooked figures of the MS Program & also affords an opportunity to review both styling and smooth dancing.

Current Quarterly Selections consist of the following figures:

Couple UP (4/80)                      Linear Cycle (2/80)                      Track II (3/76)  
Extend t(the Tag)(1/77)      Ping Pong Circulate (1/78)      Track & Trade (3/79)  
Dixie Derby (4/79)                      Roll (as an Extension)(4/76)

CALLERLAB members will vote on which of these calls should remain on the QS list, which should be added to the MS (only Extend, Roll & Track II are eligible at this time) or which should be referred to some other list for consideration. CALLERLAB solicits your comments to your local callers, your local callers association or to the CALLERLAB office.

The Plus Lists will also come up for review at this coming CALLERLAB convention (Kansas City in April) & any comments you may have for the composition of those lists should be sent to CALLERLAB or to the Chr. Of the +Level Committee Jerry Schatzer 1021 N. Crescent Hts. #201, Los Angeles, California 90046.

A major thrust of CALLERLAB in the next few years will be in the area of education - training for new callers, continuing education for experienced callers, better teaching methods, etc. The theme of their 1981 Convention is QUALITY DANCING. This is a goal in which dancers obviously have an interest and an investment. The attainment of this goal will require caller/dancer participation and cooperation. CALLERLAB welcomes the dancers' opinions, preferences & suggestions for they are important in working toward that mutually beneficial & rewarding goal of Quality Dancing. Dancers are urged to make CALLERLAB members aware of their concerns & suggestions - those who wish to write can send their comments to CALLERLAB Box 679, Pocono Pines, PA 18350. Please sign your letters, but names will be withheld from any published comments upon request. CALLERLAB encourages dancers to exercise their right and their responsibility.

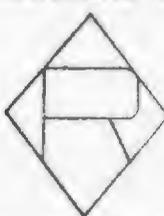

NNJRDLC members Shirley/Frank Bellotti, Jeanette Green, Grace/Walt Pennie, Marie/Stan Shipman, Doc/Peg Tirrell, Ron Rumble took time off the last weekend in October to attend the 4th annual ROUNDALAB (International Association of R/D Teachers) convention in Philadelphia. They joined 162 R/D teachers from 25 states, 2 Canadian Provinces & The Netherlands who participated in the many discussions & clinics.

A standardized cue word list, an abbreviation list & the teaching aids requested by CALLERLAB for Phase I & II of Round Dancing were adopted for a one year trial period. The format for the selection of a ROUNDALAB list of Classic R/D was approved. A Publications Committee, an Ethics Committee, a Committee on drafting contracts, & an Accreditation Committee for both schools & teachers were established. The Educational Committee provided educational sessions & two teaching clinics. Serving on the Board of Directors from this area are Doc/Peg Tirrell, in charge of Publicity.

The 5th annual meeting will be in San Antonio, Texas October 25-27, '81.

**LEGACY** LEGACY is an invitational, non-legislative service organization that meets biennially (Dutch Treat). The Trustees are leaders from the many component groups of the S/D activity-including dancers. It's purpose is to develop better communication among the many facets of the activity, the establishment of leadership seminars and to furnish a forum where the many groups can meet and discuss the problems that arise. It also acts as a resource center. They will be meeting in Denver this May. Their agenda will be divided into 4 major areas of concentration- Recruitment & Retention; Leadership; Auxiliary Programs; & Improving & Maintaining the social aspect, concentrating on developing the various pleasures of our activity. Attending for the first time are Ronnie/Natalie Sullivan & Frank/Helen Cavanaugh. LEGACY Board members are Tirrells/Kaltenthalers.

ROUND DANCE HIGHLIGHTS

This has been a busy fall for round dancers. Besides the normal club activities, over 60 couples attended the Round Up sponsored by the NNJRDLDC early in November. Grace/Walt Pennie gave a fine teach on the Nov. ROM "Diane"...and something new was added with the Council members all joining together in a joint demo of the classic "Alice Blue Gown"(no cues!!!). The next Accent on Rounds will be Sunday afternoon, March 29 back at the Brooklawn Jr. High.

The R/D teaches were extremely well attended at the Mini-Festival Nov. 30 in Montville where Hap & A.J. Wolcott gave a well received workshop on rumba as they taught their dance, "The Shadow of Your Smile". Ron & Ree Rumble taught "Canadian Capers" - the flip side of our Oct. ROM "I'll Waltz With You". Another Mini innovation was setting aside an extra R/D session at meal time for R/Ders to do their own thing in the gym on the wooden floor. Some day, some one will locate an affordable rental in NNJ with 3 decent size halls for the Mini! (We can dream can't we?)

Did you know that: Long ago the NNJRDLDC established a rotating, participation listing that enables its membership to take turns cueing rounds at NNJ specials (excluding the Mini-Festival)?

The Council is setting up a scholarship fund to defray tuition for any couple interested in attending a R/D college to learn to teach/cue rounds? Many of the Council members attend (at their own expense) R/D weekends/institutes/colleges to improve their knowledge and abilities? To help the teacher who wants to get away, a listing of days members are available for "sub duty" has been established and circulated among the members. Council members will willingly help, on a one to one basis, any person/couple who would like to become a R/D leader.

Next NNJRDLDC meeting March 1, at Shearwoods at 1:30pm.

STAN'S PATRIOTIC SQUARES -- Bloomfield, N.J. (QS/APD)  
2 & 4 Tuesdays Church of the Advent-Watching Ave/Williams Street

The fall season was a great time for square dancing. Our Veteran's Day Party brought out a large group of patriotic dancers & the hall was beautifully decorated. The most recent demonstration, we had, was at a senior citizen's residence in Bloomfield, where Mayor Kinder presented Stan Zaczkowski, our caller, with the "Mayors Commendation Award" for outstanding contributions to the community. Thanks to all those who participated. We raided Y Squares recently & enjoyed dancing to Dick Jones. Our Christmas Party was a festive occasion - donated door prizes - all kinds of tempting goodies to munch on & a visit from Santa & as a special surprise, he brought along Mrs. Claus, who charmed everyone. We began our New Year with a gala party, ringing out the old & ringing in the New. For Great Dancing in 1981 come join us. reporter - Madeline Bergeron 201-697-4333

Hi, Happy Healthy New Year. Hope everyone enjoyed the holidays. Our class is half way thru basics and doing nicely. Club level dances have dropped off a little as some of our lucky "sno-birds" are away in Florida for the winter. By the time this goes to press, we'll have held our 4th MACH (Make A CHILD HAPPY) dance. Thanks, if you came, & helped this worthy cause. Thanks to our guest callers, Fred Weiner & Marty Clifford. Beautiful calling-everyone had a ball. Looking forward to first timer for us Don Valentine from Long Island who signs his name with a little heart in the middle. Bring Century Books and welcome him. Joan/Jerry Newman delightful as ever cueing rounds and teaching the ROM. Get well wishes to Mac Weiner who suffered a mild heart attack; Hank Silverstein who broke a ankle & is in cast. Miss you both & wish you speedy recovery. Congratulations to Bea/Al Axelrod on birth of grandson. Members bought 70 pink roses to help support S/D float. reporter - Edith Moses 212-336-1731

Planning to travel & dance?? For help in locating a dance, the NATIONAL S/D DIRECTORY is great. If you have time write & ask CROWD & Steve/Fran Stephens 151 Dryden Dr, San Antonio, TX 78213. tell them specifics & include postage. If time is short contact the Tirrells.....pack your S/D togs and happy travelling....

Space & other problems preclude having a monthly calendar. Instead we will include this universal calendar of all NNJSDA clubs regularly scheduled dance nights. By comparing the actual month to this page, a dancer can figure out who is dancing when. The "where" & other particulars, such as workshops, etc, will be found in each club's write up and/or ad. On the bottom of this page we will always publish all cancelled dances (that we hear about) for the period covered by that issue of GRAND SQUARE. It is the responsibility of each club to keep us up to date on any changes. Thank you for your cooperation, Doc/Peg Tirrell 201-568-5857.

As we all know square dancers are very warm & generous people. But there are a special few who quietly give much more of themselves, expecting little in return except the glow one gets knowing they've brought some happiness to others. One such person is FLO DiSANO. Back in 1974 Frank McLaren & Gwen Fleming joined Richmond Dancers class with the idea in mind that once they learned the basics they could then teach retarded young people S/Ding. They had one set moving when they asked FLO to help & she's still there. Gwen continued with the 1st set while Frank & Flo got all the new ones to teach - all in all about 50 Exceptional Children have been exposed to the S/D.

The Colonial Pals S/D Club has given demos at hospitals, for Senior Citizens & clubs....their ages range from 18 - 32. According to Flo "are the greatest students a teacher could have. They try so hard that I don't give up on them. They are full of love & all they ask for is a little of our time. I didn't need that plaque at all - THEY are the reward."

There is absolutely NO truth to the rumor that we delayed Santa Claus when he helped us proof read GRAND SQUARE...but we did appreciate the help! With everything rising in price, a committee has been formed to explore avenues of keeping Ass'n. expenses down. We, of GRAND SQUARE, welcome your written suggestions. Please reread page 13 to understand our need of your individual, club/class support for the current BOOSTER DRIVE.

It was last year's Y Squares unexpected, generous club donation that eradicated much of our red ink. Next issue deadline Feb. 10 with class organizers special deadline Feb. 2. Thank you all for your continued support.

As we went to the printers, word reached us that ENID POWELL, past pres. of ISLE SQUARES, passed away. Our hearts are extended to Homer and family. We're ALL going to miss this gracious friend very much.
