From the desk of **DICK & SHIRLEY WHITE, NNJSDA PRESIDENTS**

We have enjoyed a happy holiday season and hope you have too. The NNJSDA is planning a good year of dancing and wishes a happy, healthy 1993 for all.

First, let us extend our thanks to all the people who have worked on recent Association events. It takes many people, all volunteering their time, to make square dancing flourish. Thank you to Len & Joan Anfinson, who chaired along with their assistants, Gus & Marilyn Bachmann, a very fine L.U.S.T. '92. Over 115 dancers participated in over 12 educational seminars, and heard an overview of what the Association does. Thanks also to the able staff of 36 people who volunteered their time and talents to lead the various educational sessions. Thanks, Donna Anderson, for your work toward achieving a successful Blood Drive. We regret that more dancers did not avail themselves of the opportunity to attend L.U.S.T. '92, especially since the NNJSDA and the Square Dance Council of New Jersey funded the entire event making attendance FREE to all dancers.

Our 19th Mini-Festival was very successful. Thanks to Chairmen, Joyce & Jim Kelly, and to all the many helping hands that made it all possible: Jane & Walter Ness, registrars; Fred Hill, who obtained the school; the Executive Board of the NNJSDA, who kept the water and punch bowls filled; and to Jean Koenig, who stepped in at the last minute to assist the Treasurers.

Association clubs are sponsoring classes which by now have reached the mid-point. All Association member dancers should be thinking about extending a helping hand to our new students. Remember, new dancers are the life blood of square dancing. **Whatever program you are dancing, you owe new students your support.** The Association Student Mid-Term Dance is

Sunday, January 24, 1993, at St. Aloysius in Caldwell. Be sure **your** classes attend. This is their chance to see a bigger picture of square dancing and to dance with many callers. Invite students to come with you to the Mid-Term Dance and to other student dances. Show the students where the halls are, encourage them, make them feel welcome, have fun together, and get to know one another. Dancers should remember that the new student is next year's club member.

Your Association is sponsoring a Special on January 30, 1993, at St. Aloysius in Caldwell. Keith Rippetto will be the caller and Steve Bradt the cuer. Remember, "One Square is Fair."

All reactions to our raid program have been positive. Attendance at club dances has been bolstered, dances are more fun with a crowd on the dance floor, club expenses are easier to meet with larger attendance, it's great to mingle. Clubs have had 2 and sometimes 3 other clubs raiding in one night. Well, we're off to a wonderful start. **Now what?!!** We hope all those clubs that have been raided will reciprocate with return raids. Then, what if clubs kept on raiding without a prize, just for fun? Think how great it would be for everyone! As many of you have found out, raiding adds another dimension to our activity.

Dick & Shirley White, NNJSDA Presidents

ARE YOU DRIVING TO THE NATIONAL CONVENTION???

The NNJSDA needs 2-3 volunteers to carry our display and some boxes of **Grand Square** to St. Louis, MO. If you are driving and have room for a few boxes, please contact the Editors and 3rd VPs, Frank & Carol Homer, 908-876-3029.

1993 BOOSTER

I gave \$1.00 or more to the
Booster Drive.

Calling all readers of **Grand Square!** It's Booster Tag time starting with the distribution of this issue. This is the only time we ask you to "pay" for your issue. We ask that **every reader** contribute at least \$1.00 to cover the cost of production. That is \$1.00 per reader, not per couple.

Once again, we will be asking the Delegates to spearhead the Drive at their clubs. Please be generous when they approach you to purchase a Booster.

We have kept our advertising rates the same for several years but have continued to expand **Grand Square**. You wanted a

Dance Calendar and we gave it to you. But that calendar represents 5 pages with no advertising. This increases production costs and we ask that the readers share in the cost of production only one time a dance season.

Please wear your Booster with pride. Those of you who have duplicate club memberships pay dues to more than one club and are proud to wear more than one club badge. It would be nice to see duplicate Booster Tags, too.

Several clubs have planned **Grand Square** Booster Dances. We thank them for their generosity and will attend as many dances as possible.

Send all Booster Tag monies to the Editors. The 3rd VPs, Frank & Carol Homer, will be working closely with us on the Drive. Please call either of us if you have any questions.

NNJSDA JACKETS

At the September Delegates' Meeting, Corresponding Secretaries, John & Joan Berg, had samples of a new NNJSDA jacket that is available for purchase by Delegates, Executive Board members, and other dancers who might wish to have one. The jacket is white with the Association logo on the back. The left front can be printed (or left blank if you desire) with the designation Delegate, or Executive Board (for NNJSDA board members), as well as your name. An order blank appeared in the November issue. If you have any questions regarding the jackets, contact John & Joan Berg, 201-697-5208.

SD LICENSE PLATES

At this time, **ALL** plate applications are being processed and approved by the NJ Motor Vehicle Department. They are also in the process of making the die for the plates, including a silk screen of the dancers to improve their clarity. Presently the plates are scheduled for

February 1993 distribution. However, it is possible that they may be ready for distribution as early as late January.

As of January 1, 1993, all new applications for the square dance license plates will now cost \$30.00. Any NJ resident wishing to apply for the plate may still do so. There are plenty of application forms available in this area. Bob & Gloria Wyman (201-569-9120) have been manning a sign-up table at all NNJSDA events. Call them if you need an application form.

Fill out the application and make a copy of your current registration. Send them along with your check for \$30.00, made payable to the Square Dance Council of NJ, to Frank & Helen Cavanaugh, Liaison for SD/NJMV, 20 Wooton Drive, Southampton, NJ 08088 (609-859-1937).

What a great advertisement for our activity! Don't be the last one in your area to sign up. Don't hesitate to contact Frank & Helen if you have any questions about the program. They will be more than happy to talk with you.

BLOOD BANK NEWS

Fifty-three actual donors, 4 deferrals, 2 volunteers, and the donors who give on a regular basis throughout the year saved the day! And of the 40 who signed up beforehand, only 4 were no-shows and two of them called to say they were ill.

Only because of regular donations by clubs such as Richmond Dancers (36+ donations per year!) has the New Jersey Blood Services made an exception and allowed us to keep our blood bank for another year. We missed our required number of donors by a wide margin (56 out of a required 90) at L.U.S.T., but the enthusiasm and generosity of the donors was very gratifying. The staff of nurses and technicians were most impressed by the camaraderie and cooperation displayed by our dancers and they have already expressed their willingness to give up another Sunday to work with us when we have our next drive.

To all of those who participated in our drive, **thank you, thank you, thank you!** And a special thank you to Ginny Platania and Fran Spoltore, who manned the registration table the entire day. You're great!

Y SQUARES -- Clark, NJ (MS)

2 & 4 Fridays

Carl Kumpf School, Mildred Terr.

Only two months into the square dance year, and Y Squares has already had a busy schedule. We gave our regular club caller, Brian Fugere, a couple of nights off to attend his son's football games. Pinch hitting (Whoops! Wrong sport!) for Brian at those dances were Manny Amor and Bob Mitchell, creative callers, who kept us on our toes (and sometimes on other people's!).

At the Columbus Day parade in Clark on October 11, two squares marched and danced, despite not very congenial weather.

Y Squares' first raid this year was to Valley Squares, followed by raids to Rutgers Promenaders and Belles & Beaux. In turn, we were raided by Belles & Beaux, Country Promenaders, and Harmony Dancers. Belles & Beaux had quite a rough trip down the Parkway, but danced away their blues with a smile.

At the October 23 Halloween Dance, we not only had a raid by Country Promenaders, but also a "visitation" by the Unholy 8. Our costumed dancers are always terrific! It's quite a different experience to do-si-do with Dracula or promenade a penguin. Maurie & Taras gave a new meaning to the term "party animals" with their donkey and elephant outfits.

A small but energetic group from Y Squares attended the NNJSDA Mini-Festival and brought up the rear (as usual) in the Grand March. It was a great dance! Seven hours of dancing flew by like two.

WESTERN WHEELERS -- Westwood, NJ

(+)

2 & 4 Saturdays Westwood United Meth., Kinderkamack Rd. & Bergen St.

Three cheers for the NNJSDA Executive Board! The Special Raid Program is not only boosting clubs financially, it has awakened a new spirit of intra-club camaraderie, as well as creating improved inter-club communications. And guess what? Raids are fun! W/W raided J & M, Hix & Chix and Cross Trail and, by mid December, will have raided See Saw, Hi Taw and Tenakill Twirlers. W/W, in turn, really appreciated See Saw and Covered Bridge helping make our Turkey Shoot, coordinated by the Shreeks and Moffats, featuring Mark Castracane, another great W/W special. Joe Maldonato, Sam Soffler and Jerry Beckmann hit bull's eyes, but we discovered when a dart leaves the hand of Bill Sherlock, it becomes a missile journeying into outer space! At our Halloween Dance, Mark Franks graciously substituted for Don Williamson. Our hard-working, well-loved Taffels were present with a delicious cake celebrating their 45th Anniversary.

Madame President, Phyllis Schegel, broke her foot and is recuperating at home. Hopefully, before this is published, she'll be all better and dancing with us again.

W/W means: extra good callers, cuer excellence, no cliques, just a group of enthusiastic square dancers with warm, cheerful attitudes. Come join us, you'll like us, the "Friendly Club."

WARREN WHEELERS -- Pt. Murray, NJ (MS w/+ WS tip)

1 & 3 Thursdays

Mansfield Township School, Rt. 57

The Warren Wheelers have been whirling this fall! Halloween brought out the Big Bad Wolf, Little Red Riding Hood and plain and peanut M & Ms, among other strange creatures. Betsy & Roy Gotta brought their own special brand of fun! A demo was held on October 24 at the Washington Heritage Days on Main Street. Town residents had a ball with us!

Raids are in the wind these days. We were enthused to host the Kittatinny Rangers and 3 squares from Valley Squares in early November. We danced 7 squares that night and what a rollicking time it was! That same night, we celebrated Bob Kozarek's halfway-to-90 birthday. Somehow, when Bob's around, things are never dull!

Bayberry School, Bayberry Lane

In the good news department, we have the arrival of Katherine Jane Ness on November 4th. The proud grandparents are Walter & Jane Ness. Congratulations! Another happy piece of news is the engagement of Bill Smythe & Sharon Wheat. No wedding date has been set, but it will probably be mid '94. Good luck and best wishes from everyone in the club.

The Mini-Festival was a great success. Tom Miller, Bill Harrison and Randy Page put us all through our paces, from Mainstream to Challenge. Our thanks to the hard working committee that put it all together.

Dee & Bill Benson have been taking us to places no Valley Squares have gone before: Warren Wheelers, Cross Trail, and Merri Eights. They have a few more surprises for us, so don't let that calendar get too filled up.

Our students are forging ahead on Monday evenings. The Plus dancers are dancing from 7-8 and Mainstream class is from 8-10. Angels are always needed and appreciated.

Last but not least, Max Niederle got his missing raincoat back. It was through the efforts of our Editors, Kathy & Charlie Porter, who published the notice of the mix-up. Thanks so much.

TENAKILL TWIRLERS -- Cresskill, NJ (MS w/+tip)

3rd Fridays

Bryan School, Brookside Ave.

Our first dance in September fell on an unseasonably hot day, but the Woerners made us forget the heat with Andy's lively calling and Ruth's smooth cueing. In October, our club caller, John Kaltenthaler, arrived with an extra happy grin. On a Florida golf course, he made a hole in one. Wow! This was duly noted by family, friends and the link officials. John always scores aces with us.

We extend our congratulations and best wishes to Fran Wadell and her husband who are planning to retie the knot.

Happy Squares has visited 15 nursing homes and senior citizen centers since September. We salute the many couples who cheerfully participated in this activity with us. We applaud with gratitude, Clete Polk, Jim Broderick, and Andy & Ruth Woerner for their unstinting contributions to these demos.

Come dance with Tenakill Twirlers. We welcome old friends and friends we have not met yet.

DID YOU KNOW... If the earth's history could be compressed into a single year, the first 8 months would be completely without life, the next 2 months would see only the most primitive creatures, mammals wouldn't appear until the 2nd week in December, and no Homo Sapiens until 11:45 p.m. on December 31. The entire period of man's written history would occupy the final 60 seconds before midnight.

TENAFLY SQUARES -- Haworth, NJ (MS)

2nd Friday St. Luke's Episcopal Church, Massachusetts & Grant Aves.

Our October dance, with Dick Pasvolsky calling and Nick Raspa cueing, was fairly well attended in spite of everything: it was the beginning of a holiday weekend; some of our regulars were away at a campers' weekend; the New York State Convention was taking place in the not-too-distant White Plains; and it was a cloudy, rainy night. Everybody feasted well on cider and doughnuts. In November, our Harvest Moon Ball was on Friday the 13th, but the only bad luck we had was that our caller, Frank Riviccio, was delayed in a traffic jam that tied up much of the metropolitan area. Nevertheless, he called a challenging Mainstream dance that was enjoyed by everyone.

Under the leadership of our raid chairperson, Gale Peters, we have begun an ambitious program of raids for the coming months. Already we have raided Hix & Chix, See Saw Squares and Belles & Beaux. Happy New Year to all!

A NEW CLUB

SUSSEX SPINNERS -- Andover/Newton, NJ (+)

2 & 4 Fridays

Long Pond School, Limecrest Rd.

It is with regret that we accepted the resignation of our very efficient Presidents, Royann & Fred Blakeley. They have worked tirelessly for our club. All arrangements were in perfect order for Ann & Al Johnson, who graciously agreed to fill out the term. The Blakeleys and their family embarked on a very exciting experience as Fred accepted a position that took them to Switzerland for two or three years. We wish them every happiness and we'll miss them very much.

We are very sorry that our New Year's Eve Dance had to be cancelled after 23 consecutive years, due to circumstances beyond our control. The success of the New Year's Eve party year after year was due to the hard work and time contributed by a group of dedicated members, namely: Bill & Terry Armstrong, Norman & Audrey Bolin, Ollie & Sally DeGroat, Jack & Helene Nichols, Alice & Bob Vealey and many others who have recently retired and left the area.

We were raided by the Warren Wheelers on October 9, when John Kaltenthaler was back calling for us, just like old times. On October 16, a group of us motored down to Ironia Reelers and had a great time dancing with Wilson Hoff and all our friends there.

Every piece of marble has a statue in it waiting to be released by someone of sufficient skills to chip away the unnecessary parts. Just as the sculpture is to marble, so is education to the soul. It releases it. For only the educated are free. You cannot create a statue by smashing the marble with a hammer, and you cannot by force of arms release the spirit of the soul.

STATEN SQUARE SET -- Staten Island, NY (+)

1 & 3 Saturdays St. Alban's Church, 72 St. Albans Pl.

We extend our thanks to the Dudleys, Pintos, Elaine Evers and Shelly Schumer for hosting our Octoberfest. The men were cute in their short pants!

Congratulations to: the Scheins and the Dell'Angelos on their 44th Anniversaries; Barbara McCarthy on the birth of her grandson, Luke Edward McCarthy; Pat & Al Tachine on the birth of their grandson, Matthew Tyler Sickles; Charlie & Monica Pearson on becoming our new Treasurers; Stan & Bernadette Bevan, Angie Franco and Ethel Hirshon for getting back quickly on the dance floor after some summer accidents.

A lot of couples are having a good time trying our rounds from 8 to 8:30. Thanks to Joan Newman for getting us started.

Eli Schnitzer continues in the unique Eli spirit. He was recently spotted dancing with a plastic bag on his head. I can't repeat the punch line here. Steve Forman was my corner at a recent dance (Staten Square Set is never dull!).

Red Stevenson is thinking about retiring. Speak to him about gourmet vegetarian cooking. The Kanters spent two weeks in Israel. Sheila & Hal Silverman love their Florida residence. Annette & Tony Cursio have been having fun in Italy. Annette was spotted there looking at jewelry. Ethel and I are going to Arizona in December, but my dog, Benji, is staying home. Clearly our authority on travel is Jack Wall. Speak to Jack about his adventures and life on a boat. He'll be dancing in China in January. As Henny Youngman might say, "Take us with you, Jack."

SPINNING WHEELS -- Wayne, NJ (MS w/+ tip)

Every Monday Wayne Civic Center, Hamburg Turnpike at Church Ln.

Everyone who attends dances at Spinning Wheels is having a good time learning or reviewing Plus calls during the Plus workshop, square dancing to great callers during the Mainstream and Plus tips, and learning and doing Country Western dancing between tips. Our own Bob Robinson, with his expansive collection of records, is teaching such Country Western favorites as the 2-Step, the 10-Step, the 16-Step, the Tush Push, the Electric Slide, the El Paso, and the Western Waltz. It's great to see so many people doing both Square and Western dancing. It certainly is keeping us in good shape.

Our class of 21 is doing well and also learning Western dancing. We're looking forward to having them start to spread their wings at upcoming student dances.

Spinning Wheels meets every Monday night except holidays and if you want to chase Monday blues, join us. You'll be glad you did!

The Covered Bridge raid couples looked snappy as they marched to pin the banner at our October 17 dance. It was fun dancing with them and the others who came to dance to the calling of Marvin Northrup.

A nice group, including our former Presidents, Nancy & Dick Heinrick from Massachusetts, attended See Saw Squares first raid at RockyTops. Everyone seemed to have a good time. Our raid chairman, Carolyn Monahan, is busy setting up future raids. Keep up the good work, Carolyn. The club appreciates it. Twenty-four Presidents attended the November 7 dance, as well as raiders from Hix & Chix and Tenafly Squares. It was nice having all of you there.

RUTGERS PROMENADERS -- N. Brunswick, NJ (MS)

2 & 4 Thursdays American Legion Hall, 1015 Linwood Pl.

I hope all of you had a nice holiday, whichever one or ones you celebrated. Rutgers has been busy raiding a number of clubs, trying to take the NNJSDA up on their offer of free membership for next year. We had nine people at Country Promenaders for their 40th Anniversary Dance. Congratulations on making it so long guys! We had a blast a few years ago when we turned 35.

We were very pleased to be raided by Y Squares on October 22. We were glad to have you. On November 12, our only dance that month (who's going to dance on Thanksgiving?), we brought in canned goods and nonperishable food items and donated **95 pounds** of food to the Franklin Township food bank. This year, our annual Toys for Children dance was held in conjunction with the North Brunswick Senior Center, who helped us distribute the toys in the community.

One final note: I finally moved! Now, instead of traveling an hour from Bergen County to dance with Rutgers, I only have to go a half-hour from Roselle Park. My new telephone number is: 908-298-8642.

Considering our club's infancy, the enthusiastic turnouts for our dances are quite pleasing to the officers and members. We're sponsoring three student dances at the Pearl River High School. Look for our special ad.

From the large number registered in Basic classes here, the future bodes well for square dancing in Rockland/Bergen and surrounding areas. The number of familiar faces seen at the White Plains festival is an indication of the continuing and growing interest and activity emanating from these parts.

SPECIAL NOTICE:

The 1994 Delaware Valley Square & Round Convention

RICHMOND DANCERS -- Staten Island, NY (+)

2 & 4 Saturdays

All Saints Church, 2329 Victory Blvd.

Greetings to all of our square dance friends. We hope you all enjoyed your holidays and are now ready to settle into a new year of dancing - '93 style.

We are pleased to hear that the NNJSDA Raid Program has been so successful. Raids from other clubs sometimes make the difference in whether the host club can pay its bills and keep going. At Richmond Dancers we try to offer you extra incentives to make the trip to our island worthwhile in the form of delicious homemade goodies and a warm smile from your "corner" on a cold night. We are easy to reach, just a few short blocks from the S.I. Expressway. Please don't forget us when making your raiding plans. Remember, we have to pay the bridge toll when we visit you.

Several of our members joined dancers from other island clubs in October to dance on a moving float (not easy!) in a parade celebrating the 500th Anniversary of Columbus' discovery of America.

We send get well wishes to long-time member Joe DiGiovanni. Joe's enthusiasm through the years for square, folk, line, round and ballroom dancing has opened new worlds to many of us.

We hope to see your students and you at some of the many student dances available. Always remember that every active, successful club dancer (even you) began as a nervous student in need of support and encouragement.

(Jun-Sept) see Lawrenceville Fire House address below

Our two Basic classes have started, but are not as full as we had hoped they would be. Even though the classes are small in size, they are very enthusiastic. Wednesday night Mainstream dances have been held at the Yardville location and there has only been about 3+ squares in attendance. However, the dancing and fun is as good if not better than ever. Plus dances are well attended and the callers and dancing have been excellent.

Dwight Wilkinson is now our Raid Chairperson and is doing a fantastic job. On October 30, we raided the Dixie Derbys for a Halloween dance and we were welcomed in grand style. More raids are in the planning stages and we are looking forward to them. Several of our dancers attended a Country Hoedown at the Whistle Stop Farm & Nursery on October 17. We also had an Amateur Nite on October 21 with several of our dancers trying their voices and talents at calling. We also attended a Hoedown at the New Egypt Fire House on October 24.

Our own Wes Beaumont is now an apprentice caller. He attended four full days of Caller School in Sturbridge, MA in August. We are looking forward to dancing to your calls in the near future, Wes!

Everyone is very happy to know that the square dance license plates are going into production at last.

Hope your holidays were happy and a great New Year and happy dancing to you all from the Princeton Squares. Come dance with us anytime.

1 & 3 Wednesdays

First Presbyt. Church, 494 Rt. 10 West

Happy 1993 everyone! We hope you made a New Year's resolution to spend many evenings with us at Mountain Squares. It may be cold outside, but there is always a warm welcome at our dances. Our caller, Joe Landi, keeps us on our toes - especially with that pesky call "Grand Right and Left."

Various and sundry of us have had various and sundry ailments and injuries. There's another resolution for us all: We should stay well so we don't have to sit out any dances.

Our favorite nomads, Bill & Mae Chapman, were sighted at the Hot Air Balloon Festival in Albuquerque. They are well and having fun traveling about. We have hosted raids from Valley Squares and Cross Trails in response to the NNJSDAs popular raid program and expect to make some raids of our own soon. In the meanwhile, spice up your winter Wednesdays and join us in a square.

We hope everyone had a wonderful time during the holiday season and we wish everyone the happiest of New Years. We had our annual Toys for Tots Dance at the beginning of December and turned over our "loot" to the Marines, who were in charge of the distribution. Our Holiday Dance was fun, with everyone bringing the most delicious refreshments.

In September, we raised money for the Deborah Hospital by holding a dance in the mall and soliciting donations. In October, the presentation of the check was taped and televised on a local channel, along with some video scenes taped at a previous dance.

It seems that many clubs are taking advantage of the NNJSDA Special Raid Program. We have been visited by Cross Trail Squares and Hemlock Squares and we, in turn, have raided Dingman Dancers and F.A.D. Squares. Tom & Cathy Moss, our Raid Chairmen, have scheduled more raids throughout the remainder of our dance season.

Our first dance was casual dress, giving everyone a chance to wear something other than the usual square dance attire. A very successful dance was held November 14th cosponsored with LVACA, featuring caller Al Brundage, and 20+ squares attending.

Our best wishes to Marcel Thienpont who celebrated his 70th birthday November 14th. We are sure you all enjoyed the holidays. Now let's get through the long winter by getting together and dancing!

LAKELAND SQUARES -- Parsippany, NJ (MS w/+ tip)

Every Tuesday

Temple Beth Am, S. Beverwyck Rd.

Happy New Year! We certainly hope everyone had a wonderful holiday season and you are now ready to shed some of that extra poundage that inevitably comes with the festivities.

Our club is now at home in our new location and we're going as strong as ever. We still dance with 6 to 8 squares a night. Most of the dancers are "regulars," but we are still honored with many interesting out-of-towners.

We hope you were at our Christmas dance. The Halloween dance saw the strangest "cows" ever to escape the barnyard and a patriotic couple that somewhat resembled a fellow named Perot. A "beautiful centerfold model" (past her prime), a ringmaster and a bag lady with her dandy man were all in attendance. What a night!

We were saddened to hear that Dick Pasvolsky was not feeling quite up to par, but we're sure that in no time flat he'll be back calling for us in his own inimitable style.

Wedding bells sounded in November for Pal Johnson and Barbara Sherry. We wish them all the best for a long and happy marriage. Ah, the things square dancing can get you into!

The seeds of square dancing have been planted and our students are just about ready to blossom thanks to the capable teaching of Pal Johnson and the assistance of our angels. Way to go team!

Here's to a new year with all the hopes and aspirations of love, fun, great friends, terrific dancing, health and happiness. See ya' in a square!

KITTATINNY RANGERS -- Andover, NJ (Alt. MS & + tips)

1 & 3 Fridays

Long Pond School, Limecrest Rd.

Our student class had a rocky start this season. We had to change locations 3 times because of problems encountered in securing an appropriate facility. Special thanks to Patti Mears for arranging a temporary church location while Janet Grace negotiated with the local school board to get back our original facility. We are back in "Home Sweet Home" at the Halstead St. School. Our patient students took it all in stride without missing a beat (maybe they thought this was normal).

Donna Poyer will try something different this winter - Western Dancing between tips. Tom Moss will provide the expertise in the 2-Step, 16-Step, and whatever else is currently in vogue starting the 3rd Friday in November, on a once-a-month schedule.

Our raiding parties went on the warpath with an October mystery ride/raid to the Dixie Derbys in PA. Hix & Chix were also raiding and they had a busload of pilgrims. The place was jammed; they set up remote speakers and a bunch of squares danced in the foyer. We took many scalps. We also raided Hix & Chix and Warren Wheelers. On both occasions, numerous shrieks were reported during the night. Later, we found out that Chuck mistakenly thought that we were on a panty raid. On the way back home he was showing off his booty amid vivid descriptions of his mighty deeds. Girls, contact Donna if you want your panties back!

Rob & Julie Burkett, formerly Harmony Dancers, have recently moved to Sparta and have become members of our club. Welcome aboard! Rob said he joined so he could go raiding with Chuck.

A funny thing happened at our November 6th dance. The custodian forgot to show up and open up the school. Not to worry! The Rangers are well known for their resourcefulness, and sure enough Roy & Paula Lawrence saved our bacon by offering to have the dance at their home. We all trooped over there in a 15-car caravan, set up Mickey McFarland's equipment and the refreshments in the huge basement, and had a ball. Did you know that concrete block walls and an open joist ceiling provide superlative acoustics? The quality of the sound was better than any hall I've ever danced in.

We are cosponsoring with Leisure Squares a "Big One" starring Tim Marriner and Al Spinks. See our ad elsewhere in these pages for details.

Congratulations Reelers! This is the third year in a row the Reelers have been presented with the "One Square is Fair" award for attendance at the Association dances.

Raid Chairpersons, Frank & Mary McCarthy, are on a roll planning raids and afterparties for the Reelers. The raid to Covered Bridge was great. We had 31 in attendance and had an "After Party" at John & Renee Kaisers.

Where there is food and fun, you will find the Reelers! The Mini-Festival was no exception and 34 of us danced and dined! The callers and cuers were terrific! At the break, we had a pot-luck supper and, believe me, everyone had a good time.

The square dance class is doing very well. We are averaging 4 to 5 squares thanks to our angels.

2 & 4 Thursdays

Hix & Chix will become a Plus club beginning in 1993. Please see our ad for the new schedule.

October was truly a fun month. Our Oktoberfest was the 15th, complete with sauerkraut, franks, baked beans, apple dumplings, cakes and hot cider, which we worked off to the calling of Sandy Corey and cueing of Rosina Wagenhoffer.

On the 24th, we took a day-long bus trip to New Hope and Lahaska Peddler's Village in PA. Despite the rain, we had a great time looking, shopping and eating. Enjoyed also were the numerous Halloween spooks, goblins and scarecrows which lined the Village walkways. In the evening, we raided the Dixie Derbys in Hatboro, dancing to Glenn Matthew's calling. Even got in some Texas two-steppin'. Thanks to the Wymans and the Huettemanns for arranging a great trip.

Do you like Hobo Stew? That's what we served at our Great Depression Dance on October 29th. The beef stock supplied by Pauline Robinson was supplemented by canned vegetables brought by the dancers. Thanks, Pauline, for your great recipe and thanks "hobos" for your dirty, disgusting outfits. Also to Al Kaesler and the McLaughlins who served up a fun evening of dancing.

HARMONY DANCERS -- Springfield, NJ (+)

1 & 3 Saturdays Chisholm School, S. Springfield Ave. & Shunpike

Harmony Dancers theme dances have gotten a lot of attention: pie night was fulfilling; Michael Johnstone was a sea of white with red ties; and crazy hats were in vogue for Manny Amor. We missed Manny's cartoon in the last issue of **Grand Square**, but Gail made up for it with her "whispering" joke. A 45th Wedding Anniversary greeting honored both the Tallamys and Ericsons.

L.U.S.T. made some good points worth repeating: Dance well and properly yourself; take remedial action if you are not. Dance with dancers who are not as accomplished as yourself. Support Mainstream clubs by dancing there at least once per month. Angel for a class (but only if you can do the calls yourself). Remember the class motto, "Smile, smile, smile." Now that's class!

For those who enjoyed the caller/cuer combination at L.U.S.T., check our ad for future dances and themes and join in the fun.

F.A.D. SQUARES -- Maywood, NJ (MS w/+ tips)

1 & 3 Sundays American Legion Hall, 113 E. Passiac St.

F.A.D. applauds Dick & Shirley White for their innovative idea of rewarding clubs that participate in raids. It's working! We raided Hix & Chix in September, Covered Bridge Squares in October, and Tenafly Squares in November. We were raided in November by Leisure Squares, which was also our Pie Night as well as the second evening of round dancing instruction by Ruth Woerner. We anticipate a December raid by Belles & Beaux.

Halloween brought out several dancers in costume. Will we ever forget the cows with their realistic appendages? One dancer remarked it was "udderly" charming. On a personal note, our caller was suffering with back pain, so (the new Mrs.) Fran Wadel was invited to share the evening's calling to the enjoyment of all. Our charter member, Daisy Orlove, encouraged Dot to participate in a Shape Up program at the Ridgewood "Y." With Wednesday's classes finishing late, we wonder how long Dot will be motivated to attend 8:30 a.m. classes each Thursday!

This year's class is in Secaucus (yes, Wednesday night, not Thursday) and the angel support has been tremendous. Thank you, angels!

Congratulations to Rita (Shuken) and Len Fine on their wedding. The October event was quite memorable to the 12 dancers attending.

Come on down to Maywood any 1st and 3rd Sunday and find out why F.A.D. means "Fun At Dancing."

DINGMAN DANCERS -- Dingman's Ferry, PA (MS w/+ tip)
 2, 4, 5 Tuesdays (Mar-Dec) Dingman-Delaware Elementary School, Rt. 739

Winter in the Poconos. The Pennsylvania mountains are famous "not just for their heart-shaped" bath tubs in honeymoon resorts, nor for their ski slopes. They are also famous for their square dancers: the fun-loving Dingman Dancers.

When you want to have a relaxing night, take a short trip across the Delaware River to the northern section of the Poconos and dance in Dingman's Ferry. We will soon be meeting again (the 2nd Tuesday in March). These past two months our snow birds have been kicking up their heels "down south," but they will soon be back home.

In the meantime, "thems of us" that are left have been working with a great group of new students, recruited this past fall by the determined efforts of some of us that still think square dancing is a great couple's night out. With this in mind and our President's theme of, "Ya got two feet, we'll teach ya the beat!" this great class is coming along real fast under the tutelage of Rich Murphy and class coordinators Woody & Elaine Kindred. When the class graduates in June, watch out for all this new, young, energetic blood. In fact, they are the ones organizing the "Welcome Back" dance for the club.

May this New Year be healthy and happy for all, especially in the Wonderful World of Square Dancing.

CROSS TRAIL SQUARES -- Caldwell, NJ (+)

2 & 4 Wednesday Lincoln School, Crane St.

As fall leads into winter, we find many exciting activities planned by our club officers and committee chairpersons. October had us participating in L.U.S.T. as well as many members participating in the Blood Bank; the NNJSDA Tim Marriner Dance at St. Al's in Caldwell; an exhibit at the Eastern Star Masonic Temple; and our Halloween Special "Brown Bag Mask" Dance.

November's calendar provided us with the NNJSDA Mini-Festival at Livingston High and a wonderful Harvest Home Supper at the Fairfield Reformed Church, after which we raided Leisure Squares in PA.

Some interesting stats I'd like to share with you about the Harvest Home Supper: approximately 47 Cross Trailers feasted at the event which our own Ethel Ingerto orchestrated. Twenty-eight 30-pound fresh turkeys were prepared in individual homes and 130 apple and pumpkin pies were baked. All in all, 500 people were served in three seatings and some take-out dinners. Besides turkey, mashed potatoes and gravy, stuffing and cranberry sauce, we had glazed carrots, string beans, cole slaw, rolls and butter, iced tea and coffee. Seconds and thirds were provided as requested. While Ethel rolled out pie crusts and cooked vegetables days in advance, Russ & Laura Safar handled tickets and kitchen duty. Everyone went home or raiding very well satisfied.

Moonlight bowling followed a covered-dish supper at the Verona Lanes. Forty-eight people were brave enough to try some of the maneuvers which were planned.

Our New Year's Eve dance was sold out in early November and I'll be anxious to tell you all about it in our next edition. Happy New Year!

COVERED BRIDGE SQUARES -- Nutley, NJ (+)

2 & 4 Fridays Radcliffe School, 375 Bloomfield Ave.

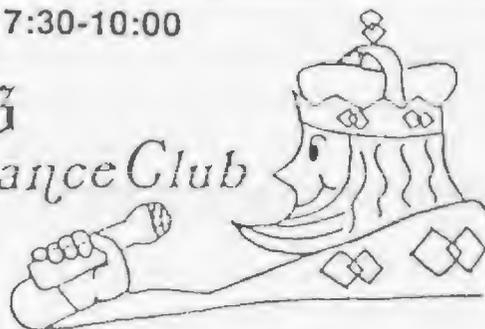

Our Fall Leaves Dance held on October 23rd was very successful with 11 squares in attendance due to raids by both Cross Trail Squares and Ironia Reelers. Recently Martha Zintl's apple pie won 1st Prize at a statewide bake-off held at Trenton State College. Congratulations, Martha!

At the Mini-Festival, Covered Bridge had "One Square is Fair." In early November, Rosalind Guerriero's daughter had surgery and has recovered nicely. Oh! To be young again! On November 14th we raided Western Wheelers at the See Saws' hall. Thanks to the many members who attended.

COUNTRY PROMENADERS -- Edison, NJ (+)

2 & 4 Saturdays Stelton Community Center, Plainfield Ave. (Rt. 529)

The Country Promenaders Square Dance Club is 40 years old. We celebrated our 40th Anniversary at our November 14th dance with Carl Hanks calling and Steve Bradt cueing. Thanks go to those guests and raiders who made the event so enjoyable. We were raided by: Masqueraders, Harmony Dancers, Valley Squares, Y Squares, Rutgers Promenaders and Merri Eights.

Life got a little exciting for our Presidents, Mary & Bob Nilan, when the scheduled caller for our October 24 dance was too sick to make the trip up from Florida. Barry Serebnek, Esq. was kind enough to take the job on short notice and called a great dance. We welcome students as they make their first moves toward dancing at club level and look forward to seeing them in our squares.

Congratulations to Lenny & Mildred Swearer for being married 50 years.

CIRCLE EIGHTS -- Haworth, NJ (MS)

4th Fridays St. Luke's Episcopal Church, Massachusetts Ave.

"Howdy Partners" was the theme of our September square dance with Dan Koft calling. It was good to see all our members and guests after the summer break. Our Halloween Dance brought out witches, clowns, a cat and even a pair of dice. There were costume prizes and bags of candy for all. We even did a flashlight dance in the dark with Bob Robinson calling. In November, we moved our dance up to the first Friday, as well as for December, so we didn't conflict with the Holidays. Pal Johnson, a first for Circle Eights, was a delightful caller. Belles & Beaux raided us and did some fancy marching.

I traveled to Grand Rapid, MI and got some names out of the National Square Dance Directory. I was able to square dance there. Try it when you travel; it's great fun.

We have some great dances planned for '93 along with some surprises. Come join us for fun and friendship.

BELLES & BEAUX -- Glen Rock, NJ

(MS w+ tip)

1,3,5 Wednesdays

Coleman School, 100 Pinelynn Road

It may be January as you read this, but as I'm typing it autumn leaves are still falling; plans for Thanksgiving dinner are jostling for space in my mind along with holiday shopping lists (especially for my granddaughters), holiday menus, dance schedules, and whether I will be here for the New Year's dance or not. Not to mention my daughter's wedding plans! Of course, there is **always** time to think about the next square dance I want to attend, and how can I squeeze just one more in this week? As it is, about the only time I can spare is during lunch hour! Where there's a will there's always a way, but as willing as our spirits are, our bodies occasionally decide to take us down a peg or two and **make** us rest. Colds and flu do slow us down, like it or not. Hope they're not keeping you from too many dances!

Our Halloween Dance was lots of fun, with the majority of those attending in costumes from the hoboes, witches, clowns, and Addams family members, to a pair of cows straight from the farm (the O'Connors). It was good to see Chris O'Connor back on the dance floor after his heart surgery. Since it was his first appearance in months, everyone was delightfully surprised to see him unmask! We hope that Agnes Edwards will be back on her feet as well. She's been hospitalized with pneumonia.

Our post-election dance found us being raided by two clubs, Y Squares and Cross Trail Squares, both with over 2 squares in attendance. Our Thanksgiving Dance with Bill Heyman calling was great, especially for me. I picked by own ticket to win the turkey and trimmings! Our free dance ticket for a food donation for the needy brought us an outstanding contribution to Glen Rock's social services food pantry. Again we were raided by 2 clubs, Tenafly Squares and Rockland Promenaders, who didn't forget their food donations.

The 1993 Mystery Bus Raid promises to be the best yet. Our host club has hired an internationally known caller for the occasion. See our ad and flyers!

Our class is progressing extremely well and we're looking forward to honing their newly acquired skills at the Student Dances that started in December. We held a "Second Hand Rose" sale for the class in November to enable them to buy slightly used square dance attire at a nominal cost for their debut at the student dances.

Two raids on the same night! Yes, we did it. One group raided J & M Squares and the other raided F.A.D.

BEE SHARPS -- Somerville, NJ (+)

2 & 4 Fridays St. John's Episcopal Church Hall, 158 West High St.

The Bee Sharps have been very active working to get our seven raids done. We have already raided Valley Squares, Hunterdon Flutterwheels, Ironia Reelers, and Harmony Dancers. Our raid chairperson, Irma Huhn, really keeps us going.

We had our annual picnic and a good time was had by all. It was a beautiful day in October, but it was a little breezy, so our President, Peggy Koehler, took care of us by making a big pot of hot broccoli soup. It was the hit of the day. If anyone wants the recipe, contact Peggy. We also had a horseshoe contest and Mario Blaise and Ted Pichnarczyk took the honors of being the winners. Everyone was impressed at what great players these men were. They are real champions.

Our class is off to a good start with Wilson Hoff teaching. We are really lucky to have Wilson working with our students. See you in a square.

2 & 4 Sundays

Menorah Home, 1516 Oriental Blvd.

The bell has rung and we are off to great square dancing lessons. With our new night and our new caller, Don Coy, and his lovely wife Dot, it was easy to get 33 new students. They are the most eager, attentive and enthusiastic people this side of heaven, and they will become great square dancers.

Unfortunately, we had some disappointments. Our President, Walter Lasky, and Class Coordinator, Morris Schneider, both were admitted to the hospital for surgery. Our membership was deep and strong enough to sustain in their absence and we were able to limp along without them for a while. Thanks be to God they are both doing fine now. Walter is back on the dance floor leading and directing as is his custom and Morris is coming around and will be with us shortly.

Louise Klein has moved to Florida and we will miss her and the most beautiful decorations she always brought to the dances. Our dance season got off to a great start with Dick Pasvolsky as the caller.

Our October 25th dance was our annual "Scare Dance." The caller was Dot Loewenstein, who did a fantastic job. Everyone wore orange and black and the decorations were in the same motif, which made the occasion rather festive. Adding to the enjoyment was a raid by Kings Squares and a good time was had by all. The only ones missing were Dracula and Frankenstein!

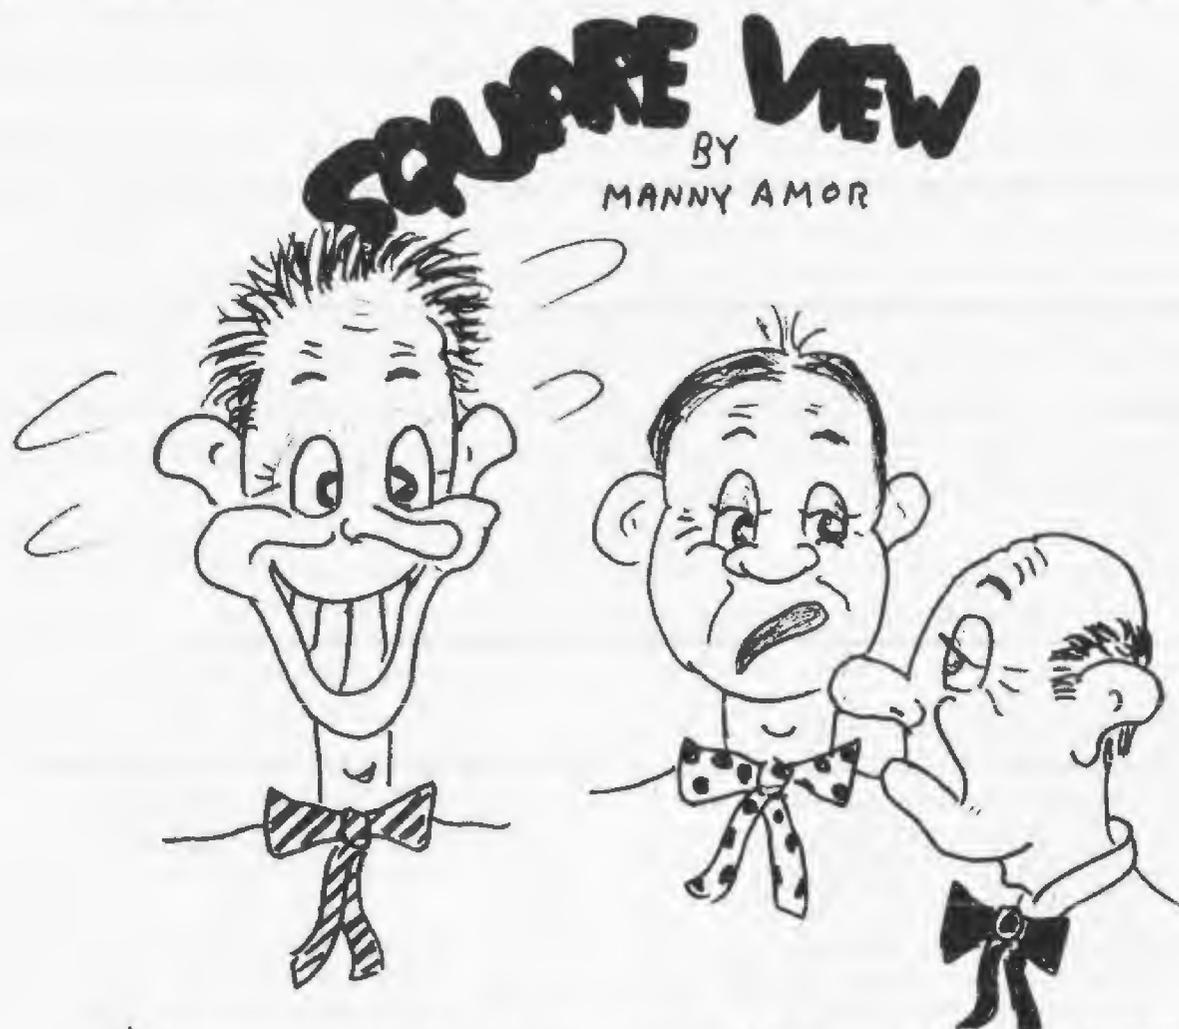

The November 8th dance was called by Marion Pearce. Because of his presence, calling, and personality, the dance was a huge success.

We are making big plans for our benefit dance in December. Don Coy states that all the students will be ready for their first dance.

"HE FOUND HIS CORNER - AT LAST."

From The Dahl House

Okay - it's no secret anymore. We like Country Western music. And now the rest of the world seems to be catching on too. And now square dancers are discovering other dance forms that are done to the same music (thanks to **Club Dance on the Nashville** network). We're also discovering that there are only 7 days in a week in which to do it all. We're also concerned about what to wear, wherever we are going. This is not as confusing as it might seem. And since I do try to do it all (Square Dancing, Country Western Dancing & Clogging) let me try to be of assistance.

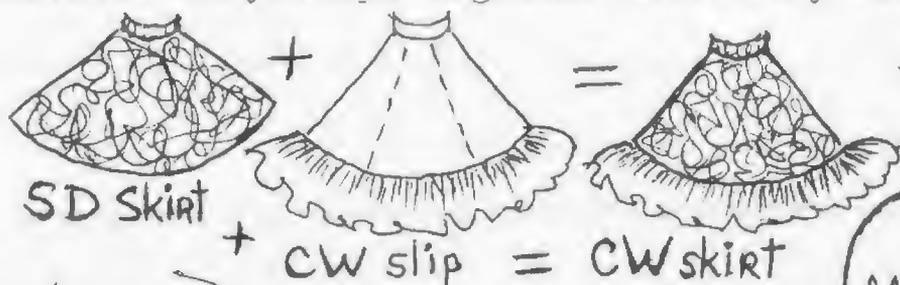

Gentlemen — you can go from a square dance straight to a Country Western club without any change at all. But if you want to "get with it" a bit more, change into cowboy boots (leather soles dance better than composition or rubber soles) or the ankle high boot-looking shoes. A cowboy hat is a nice touch if you can "take the heat". It gets warm — real warm — under a hat if you dance a lot.

Ladies — you may wear your square dance clothes but the slip will be best left in the car. Your shoes are acceptable at a Country Western club, but you too may want to put on some cowgirl boots. The way I go from a short square dance skirt to the long, elegant Country Western skirt (which looks best when it at least meets the top of your boot) without changing, is to take off my square dance slip and replace it with my basic white (or black or whatever color you prefer) 30" long, ruffled poly/cotton slip. I make these by first making a 6 (or more) gored, full circle S.D. skirt (my normal length) of the p/c and then adding a p/c ruffle which I cut 10" wide. By the time I've joined my 23" and the 10" with a seam and taken up a hem, I'm somewhere near 30" in length.

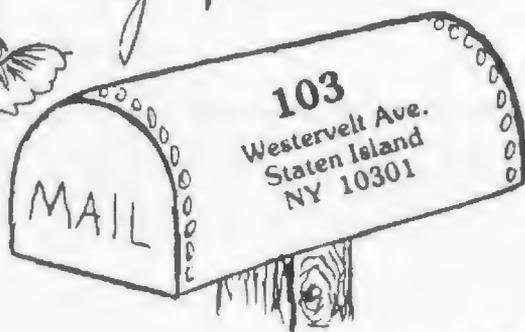

The reason the slip should be gored is because when you add the weight of the ruffle to a plain circle skirt cut without seams or with only 2 side seams — then the bias parts of the fabric will pull down and stretch with the extra weight and look like this →

This one basic slip can be worn under many of your square dance skirts. I like a plain circle skirt of either a print or a solid color. And because they are both full circles they drape together like they were one skirt.

Yeah!

Happy Dancing (wherever) Judie

Northern New Jersey Round Dance Leaders Council

An enthusiastic collection of dancers enjoyed the Fall Festival of Rounds held on the 22nd of November in the McKinnon School in Wharton. A relaxed program offered them an afternoon of dancing to all their favorite NNJRDLC cuers on that beautiful wood floor. There was a special treat for all when our own Doc & Peg, coming all the way from that far distant place called "Vermont," honored us by being at the dance. It was a real pleasure to once again dance to Doc's fine cueing. Many new dancers attended and discovered the afternoon of rounds and danced, danced and danced. Nice job guys, a real credit to yourselves and your teachers. Rest assured that as you become more comfortable, you become more skillfull.

Programming is currently underway for the annual Spring Festival of Rounds. Flyers will be out soon and we again promise a fine afternoon of dancing. The two annual afternoons of rounds are the primary means of support that your Council has. The 50-50 monies received are applied solely to the scholarship fund. That fund is used to help new cuers in their pursuit of learning to bring you greater dancing pleasure.

Right around the corner is the New Jersey State Convention. Many of your leaders and dancing comrades have been and are putting a great deal of work and effort into bringing you an even bigger and better Convention this year. Remember, it can't work without your support and that's little to give when the return is so high. Karen & Greg Kushla are again programming rounds and we already know that means a better-than-fine job. If they do as great a job as they did last year we are guaranteed some fine dancing.

Round of the Month selections: November - Kiss in the Dark (Phase II); December - Sassy Too (Phase II); and January - Never Loved Anyone More (Phase II+1).

We dance on Wednesdays, Basic progressing to Phase III and Phase III +; Thursdays is Phase IV, V, and some VI. As of October, we have a new year-round location, the Temple Beth Am in Parsippany. Remember when we said we had a new dance location? Well, we read our cue sheet more carefully and found too many conflicts at the school. So we're back at the Lawrence Road Fire House on Rt. 206, South of I-295, in Lawrenceville. Other things haven't changed and we still have the same good teaching and dancing with Ron & Ree.

RAMAPO RHYTHMAIRES

Raspa, Waldwick, NJ - Wed. 201-896-1891

We are currently learning our Phase III waltz and cha cha figures. We have welcomed some new folks who wish to review and reinforce their Phase III abilities. We encourage you to join us. Our seasoned group has been dabbling in learning some Phase IV steps by the "just once more" method which has met with some success. They are a pleasure to teach and to be with.

There was an organization that had members named Everybody, Somebody, and Nobody. Everybody could see what needed to be done to make the organization run. Everybody asked Somebody to do the jobs that needed to be done. Somebody did the job time and time again until Somebody noticed that Everybody

wasn't doing their share. Somebody then asked Everybody to pitch in and do their part or else Somebody would let Nobody do the jobs. Everybody had gotten used to not doing anything and didn't think that Somebody would let Nobody do the work. Somebody by this time was tired of carrying the load and gave the work to Nobody. Because Nobody did everything, nothing was done and the organization folded.

Why tell the story about Everybody, Somebody, and Nobody? How many clubs have trouble getting officers? How many clubs have folded or merged because of a lack of officers? How many clubs are in trouble because of declining class sizes? From a position behind the microphone, you'd be surprised at what you see.

At clubs where a small group of "Somebodies" is supporting the "Everybodies" (the same circle of people keep running the club), eventually the "Somebodies" get tired and quit and, all too often, soon thereafter the club folds.

At clubs where a significant portion of the club membership is actively involved in all aspects of running their clubs, no small group of "Somebodies" is doing so much work they can't enjoy the dances. At clubs like these, people come to classes to angel, not as a duty, not just to socialize, but to help the new dancers see the enjoyment of the activity, which helps the new dancers learn

NJ Square & Round Dance Convention

Square Dance Council of New Jersey

Get ready for the New Jersey State Convention! It is all day Saturday, April 17, 1993 at Trenton State College in Ewing, NJ.

The Square Dance Council of New Jersey is proud to present a true convention. That means your favorite local callers, cuers and leaders volunteer to keep your toes tapping. The NJ Convention is especially suitable for students, new dancers and Mainstream and Plus dancers.

An awesome feature is the Parade of Clubs at 7:00 p.m. At least 1,500 massed, marching dancers is a spectacle (and feeling) never to be forgotten.

Trenton State College is centrally located just off I-95 in Ewing, NJ. There is plenty of free parking and space for self-contained RVs. The cafeteria at the Student Center will be open to serve the huge dancer appetite, or you can visit one of the local restaurants.

Watch for flyers at your local clubs or call Joan Lechner, 609-924-7545. Register with Bill & Donna Anderson, 215 Potter Ave., Staten Island, NY 10314, 718-727-5141. Additional information can be obtained from the General Chairmen, Frank & Jean Riviccio, 718-356-5323. (Ad on page 7, 69)

A CELEBRATION OF SQUARE DANCE LEADERSHIP

On Saturday, November 21, 1992, nearly 1,000 dancers descended upon the Valley Forge Convention Center in PA for a gala FREE dance sponsored by the 26th National Square Dance Convention (NSDC) Board. The 26th NSDC was held in Atlantic City in 1977.

The evening began with a VIP dinner honoring past leaders, present leaders and future leaders to whom we will entrust our square dance legacy. Present were our own Dick & Shirley White, Presidents of the NNJSDA and leaders from the Federation of Delaware Valley (FDV), the Mason/Dixon Federation, Pennsylvania Federation, Square Dance Council of New Jersey, and the Washington (D.C.) Cooperative Association.

Steve & Dorothy Musial, General Chairmen of the 26th NSDC, acknowledged and thanked the chairpersons and their committee members.

A Celebration of Square Dance Leadership continued from page 54

Among those present and receiving thank yous were: Doc & Peg Tirrell, Frank & Helen Cavanaugh, and Frank & Lorraine Mooney, all past officers of the NNJSDA. Bill Heyman was the featured speaker of the evening. He gave a glowing account of the NSDC's many facets and the numerous advantages to a sponsoring organization such as: the development of new leaders, widespread "free" publicity, attracting new dancers, and possible financial gain. With the opening in 1993 of the Pennsylvania Convention Center in Philadelphia, Bill challenged the FDV to add a third jewel to its crown by once again sponsoring the NSDC. (The 16th NSDC was held in Philadelphia in 1967.)

Following the dinner, the dance began with a Grand March. Tony Oxendine called and Rich & Allison Lock cued the rounds. The smiles of departing dancers meant that they not only enjoyed themselves but felt honored and appreciated as leaders in our great recreation.

A SHORT HISTORY OF SQUARE DANCE ATTIRE

In the beginning, a lady spent long hours ironing her dress and starching her slips. She would wear a camisole, pantalets, white ballerina slippers, grey cotton print dress, bonnet, neck-ribbon with silver pin, pouch bag, chintz pinafore, several petticoats and she carried a fan, parasol and a wool shawl. The dress were full and long.

The gentleman wore a beige felt western hat, striped "gambler" pants, hand-tooled leather belt with a sterling silver buckle overlaid with gold, western boots, western tie with leather tie-slide, an embroidered gabardine shirt, and a fringed chamois jacket.

Thank goodness today our clothing is much more comfortable, although the it's still difficult for ladies to use the restroom. The addition of name badges completes today's outfit and helps foster the sense of "friendship set to music."

HELLO NEW DANCERS

by Dick Mazziotti, Caller/Teacher

Welcome new dancers to the wonderful, wacky world of square dancing! This article is directed to you brand-new dancers, who are still taking classes. **Warning!** It should not be read by anyone who has already graduated and knows how to square dance.

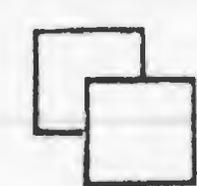

Are your classes thoroughly confusing you yet? Have you heard of Raids, L.U.S.T. and Callerlab? Are you convinced there is no caller except your instructor that you can understand, and even him/her not very well? Have we confirmed to you that call names are chosen with obfuscation paramount? Did you know that more than a quarter of the 62 Mainstream calls start with the letter "S" and that over a third are four-letter words?

While we who have been dancing more than 6 months try to be encouraging and tell you, "Smile, don't worry. You'll get it," the truth of the matter is, "Yes you WILL get it," but you have set yourself a daunting task. You are more than half-way through the Basic/Mainstream list. These past months you have learned much more than you might think, and there is lots more to learn.

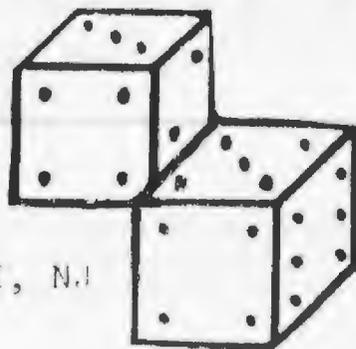

But, by now you should have learned some of the essentials of square dancing, and we don't mean "do-sa-do." By now we hope you are learning to have fun: fun socializing; fun breaking down (we have learned to call it "interpretive" square dancing); fun starting to go to other class-level dances; fun meeting likewise thoroughly confused new dancers from other clubs; fun achieving a higher skill level (remember when "square thru" brought tears to your eyes and silent curses to your lips). The entire purpose of a class is to bring you to a skill level where you can enjoy ALL the other benefits.

Hello New Dancers continued from page 58

And it takes work. You are expending tremendous mental and physical energy during a class evening or at an actual dance. The frowns and furrows of concentrating dancers occasionally belie the fact that we are having fun. Yet night after night we return, looking forward to the time we will finally really understand "pass the ocean" or do a "square thru" without a courtesy turn in the middle! The payoff comes sometime around April-June when we finally get the hang of some of the dancing and are able to actually help another dancer.

Starting NOW, firmly resolve to go to as many student or class-level dances as you possibly can. Join some of the other students in your class, or get your angels to accompany you to a dance, but get out and DANCE, DANCE, DANCE. By the time the NJ State Convention rolls around in April, the callers can tell which new dancers have been out dancing and which have not. Be brave. Get to another club and dive right in. It's fine to tell others in a square that you are new, but please do not apologize for it. You've earned the right to be there. Happy dancing and I look forward to seeing you on the dance floor.

Dear Readers . . .

The new "Dance Calendar" has met with rave reviews, but we think some clarification is needed on how it is created.

We strive to insure that the information we put in **Grand Square** is as accurate as possible, and that includes the dance calendar. Since the current club ad has just been submitted for publication, it should be the most accurate description of the club's dates, callers, and location. Therefore, we use that ad as the basis for the calendar. The calendar should always agree with the information contained within the pages of the issue. If your club does not have an ad in that issue, your dates will not be listed in the calendar.

Many people assumed that we created the calendar from flyers. We do keep copies of flyers on file, but for other purposes. It would be useless for a club date to appear in the calendar if the dancer was unable to obtain further

information as to the exact address, time, contact phone number, etc.

The calendar is designed to cover the dates between publication, i.e.: this issue (January) covers January 17 to March 30; the March issue calendar will cover March 14 through mid May; the May issue calendar will cover May 2 through early September and so on. To have your dates listed in the calendar, be sure that your ads cover the appropriate timeframe, and always double check the accuracy of the dates, location, caller and cuer. Call us if there is a last minute change. We are able to make corrections, even well after deadline.

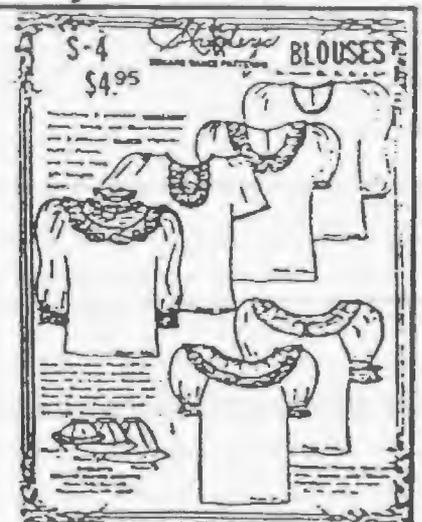

In addition to helping the dancer plan his schedule, we give our advertisers an additional boost. We hope this has cleared up the many misconceptions and answered your questions. Please don't hesitate to call us if you have other questions.

Our raid of Country Promenaders 40th Anniversary in November was very successful and we had a great time celebrating that event with them. Our Turkey Shoot in November and our December Holiday Dance were well attended and we raised a good amount of money at those 2 dances for our yearly contribution to the Trenton Soup Kitchen. Many thanks to our members and guests for their support. Our class continues to progress. What it lacks in size, it makes up in enthusiasm and we enjoyed having them at our Holiday Dance. By the time they join us again for a HiLo dance in March, we expect them to be pretty well through their Mainstream curriculum. We welcome guests at our dances. We are only a short distance off Rt. 1 or the NJ Turnpike and we're practically on Rt. 130. Come visit us.
