From the desk of.... JOHN & JOAN BERG, NNJSDA PRESIDENTS

As we approach our third term as Presidents of the NNJSDA we would like to thank each of you for the confidence you have shown in us by electing us to this unprecedented term in office. However, if the NNJSDA is to continue to serve Northern New Jersey Square Dancers, we can not continue to recycle officers. We are in desperate need of dancers who would like to share in the administration of this great activity of ours. If you can spare a few hours a week to help lead us into the 21st Century, please let any Association officer know. We can sure use your help.

A special **thank you** to all those officers, both club and Association, who served during the 1994-95 dance season. Congratulations and good luck to all officers who were elected to serve during 1995-96. We personally want to **thank** all the NNJSDA Executive Committee members who agreed to return for the upcoming year. You are a special group of dedicated dancers.

This past June we had the honor and pleasure to once again represent the NNJSDA at the National Convention in Birmingham, Alabama. We were joined by 1st VPs, Sal & Mary Alessi, without whose help and support we would have been lost. It was a special treat to see so many past Association Presidents, who have moved out of the area and continue to serve square dancing either on a local or national level.

Speaking of Past Presidents, we had the opportunity to meet with Frank & Nan Habersberger. Frank & Nan are a very special couple, who continue to serve square dancing year after year. Among their many accomplishments are: NNJSDA Presidents 1979-80; Presidents, Southeast Florida Square & Round Dance Association, 1982-83; Presidents, Florida Federation of Square Dancers, 1990-91; Chaircouple, 32nd Florida Square & Round Dance Convention, 1985;

'ONE SQUARE IS FAIR'

Presidents' Letter continued from page 3

Presidents, United Square Dancers of America, 1985-91; Legacy Trustees 1983 to the present; and currently Business Chaircouple of the 46th National Convention in Orlando in 1997. Frank & Nan should be an inspiration to us all. They are truly an outstanding couple.

We were especially honored at the closing ceremony, when the NNJSDA was presented with an award for **25 consecutive years** of participation in the Showcase of Ideas. Having our display sent to Conventions all over the country is no small task. This year the Van Luvenders saw that it arrived safely in Birmingham and, as they have many times in the past, the Huettermanns saw that boxes of **Grand Square** arrived safely. **Thanks** to both of these couples for their continued help.

While we are talking about the Convention, the new Red Rose Exhibition Team, coached by Howard Richman, performed at the closing ceremony and made us all proud to be from New Jersey, the square dance capital of the world.

Meanwhile, back on the home front, Richard & Rusty Ball, 2nd VPs helped to see that the NNJSDA Summer Dances got off to a good start. Unfortunately, the attendance has not been good. The NNJSDA can not continue to chair dances and loose money. If we are to continue, we need your support. If we are doing something wrong or we are not hiring the right callers, **let us know**. These dances are for you the dancer. Won't you support your Association? Remember our slogan "One Square is Fair."

The Mini-Festival is just around the corner. Once again, it will be at the Bridgewater Raritan Middle School (formerly the Bridgewater Raritan High School). Ribbons will go on sale soon. Be sure to get your ribbons early; they are limited. Happy dancing!

John & Joan Berg, NNJSDA Presidents

P.S. Congratulations to Fred Hill, Past NNJSDA President, on receiving the highest award of the Lions' International. Read the article on page 10.

SILVER SPUR AWARDED TO DOC & PEG TIRRELL

The 25th presentation of the most prestigious honor in the square dance activity was made May 20, 1995, at the biennial meeting of Legacy International, when Bob Osgood presented the **Silver Spur** to **Doc & Peg Tirrell** of Lower Waterford, VT. The proclamation of the Sets in Order American Square Dance Society states:

For your leadership, support and tireless energies directed toward the square dance activity over the past several decades, we salute you both and present to you the Silver Spur.

*For more than 25 years as Editors of New Jersey's square dance publication, **Grand Square**, for your service as past presidents of the Northern New Jersey Square Dance Association, as Founding Members of Roundalab where you served on its Board of Directors and as Executive Secretary from 1984 to 1992, your work will long be appreciated.*

You have been extremely generous with the time you have devoted to LEGACY. During your 20 years as a Trustee you have played many roles as members of the Board as well as Board Chairmen from 1981 to 1985.

Like knights in the days of the crusades, "You have done your work well" and indeed, Doc and Peg, "You have won your spur."

The Silver Spur, initiated in 1956 by Bob Osgood of the American Square Dance Society, recognized persons throughout the world for devotion, leadership, support, nurturing and tireless energies directed toward the square dance activity. For service to mankind, knights of long ago "won their spurs."

NOTES FROM THE CONVENTION COMMITTEE:

SAVE THE DATE! APRIL 20, 1996! MAKE PLANS NOW!

For nine years, folks from north, south, and central New Jersey and beyond have gathered one day each spring to enjoy, learn, shop and dance together. On April 20, 1996, these dancers will celebrate 10 years of fun at the annual New Jersey Square and Round Dance Convention held at Trenton State College.

Even as dancers soaked weary feet after last year's convention, Don & Dot Coy, General Chairmen for 1996, were appointing 20 subcommittees to plan for the milestone year of 1996. Dancers, callers, cuers and cloggers from New Jersey, New York, Pennsylvania, and Connecticut are working together to produce a spectacular 12-hour long dancefest. April 20th will be filled with special events, demos, and activities to celebrate the 10th New Jersey Square & Round Dance Convention.

Already flyers and registration forms are available at local square dance clubs. Convention Registrars, Roy & Betsy Gotta (908-249-2086), report excellent advanced registration results. Early registration guarantees a ticket to the best New Jersey dance convention in 1996!

Along with early registration, dancers and their friends should consider a "Convention Weekend." The Convention Committee has information about area hotels, motels, bed p'n breakfasts, and RV parking. Dancers staying over may want to organize their own "after parties" to wind down and compare notes on the great time at the convention.

Before heading home the next day, conventioners may want to wander over to nearby Princeton. This quaint university town will be abloom with spring flowers and trees, perfect for brunch and sightseeing.

For clubs planning a day trip, "party buses" are an option. Clubs individually,

Al'e'Mo Squares has had a tremendous season with 27 new dancers graduating. Our annual club show gave us a takeoff on "Tina & Tony's Wedding," produced and directed by Pat & Connie Costa. Then we had our Installation Dinner at

Oscar's by the Bay, attended by 49 people. We know the new officers will do a super job for us. Most recently, we had our Demo/Picnic/Family Day Dance. There were many fun activities for grownups and the children. The culmination of the day was a square dance in our club where everyone, young and old, was included. A wonderful way to end the season! We are looking forward to a bigger and better '95-'96 season.

CTS dancers were represented, as always, at the NJ State Convention, and had better than a square representing them at the National in Alabama. We staged our 8th raid of the year on May 19th to Ironia Reelers. We continued our tradition of theme dances with our Pie Night on April 26th, and our season ending Ice Cream Social on June 14th. We have a new hall. Again in Paramus and still on Sunday nights. Our President, Dorothy Fels, must have special connections to someone above, because all avenues appeared closed until mid-June, just in time to notify dancers before our summer closing. Dorothy is to be commended.

FAD members turned out in droves to honor Daisy Orlove at the Hix & Chix "Daisy Night" initiated by the Wymans. What a great idea! Everyone received a daisy to wear. She is truly special. Back in April, many of the rowdies were astounded when club caller, Dot Loewenstein, called "sans dentures" fulfilling her promise at Birchwood. Dot was probably on medication at the time and has no memory of such occurrence.

We certainly enjoyed the end of our dance season. Drew Scearce whirled us and twirled us through April. We want to thank Don & Cathy Biermann for putting the Ice Cream in our Ice Cream Social, our last dance. That dance marked the end of our tenure as Presidents of Harmony Dancers. The experience of being Presidents has certainly given us a new appreciation of the unique contributions each dancer brings to square dancing.

We want to thank those members of Harmony Dancers who served on the Board with us for the last two years. Their efforts on behalf of the club made our job much easier, and we are sure the new Presidents, Wayne & Kay Schroeder, will also experience the same support. Special mention goes to Sylvia Gambony, our Raid Chairman. A total of 158 raiders participated in 10 "official" and 2 "just for fun" raids (actually they were all a lot of fun). That's an average of 13 members per raid.

In deference to the wishes of our hard-working GS Editors, we will keep this article very brief. We hope our summer guests enjoyed our Thursday night lineup of talented local callers and cuers, and the four nationally ranked callers: Cindy Whitaker, Joe Fioretti, J.R. Sparks, and Randy Dougherty. Thanks for coming!

Socially, we honored Daisy Orlove, a long-time member and enviable gardener, at a May dance. She was presented a wooden daisy plaque made by Bill Clampet. Attendees received a daisy boutonniere and enjoyed a specially decorated cake. Our annual picnic/club meeting was held at the Huettemanns in July. John & Connie took over the Presidency from Mike Pavy. Thanks, Mike, for two good years. Thanks also to the rest of the team who signed on for "one more year."

Twenty-two Reelers attended the NJ State Convention. Not long after, our April 21st dance seemed like a convention too. Five clubs raided us and additional visitors came from 7

other clubs. On May 5, we were raided by the Country Promenaders and on May 19, by the Richmond Dancers, Y Squares, and Cross Trail Squares. In turn, we have gone on 7 raids this season. Our Plus class graduated on April 5. Janis French, one of the students, enriched the occasion with two poems, "Dance," and a tribute to our instructor, "The Caller Wilson Hoff." At our covered-dish dinner on June 2, we bid farewell to Ray & Margie Bowyer, who are moving to Georgia.

Our last dance of the season was preceded by a delicious Pot-Luck Supper. A special thanks to Nancy & Jerry Vandervoort for coordinating the supper and seeing that everything ran smoothly. Frank Riviccio kept everybody hopping so that all of the calories from the supper were burned off.

The following officers were installed for the 1995-96 season: Pres: Bernie & Pat Monsen; 1st VPs: June & Jim Hamilton; 2nd VPs: Andy Fiorello; Rec Secy: Ben & Shirley Friedman; Corr. We certainly enjoyed dancing for your friends at Barn Hill House and at the Sussex Country Fair. Speaking of friends, one of our best, Chuck

Conklin, has been injured. Godspeed, Chuck. We love you. Go Yellow Rock those partners, people.

Our new officers took office in May. We want to thank Les & Lola Patterson and the outgoing officers for doing such a great job this past year. Thanks also to the new Board members for volunteering to do their very important jobs in the year ahead.

Our wonderful cooks outdid themselves at the covered-dish anniversary dinner in May and again at our cake raffle in June where we got to taste half of each cake before the other half was raffled off. Lots of fun was had by all at our C/W BBQ; Crazy Hat Dance complete with Mickey McFarland's hat skit; Hawaiian Night where everyone received a lei; and the Ice Cream Social.

Due to illness and injury, we've been missing Nadia Marconi, Margaret Brownell, and Chuck Conklin. Hope you are recovered and back dancing soon.

As we write this article, it's the hottest day of the summer and we look forward to autumn and our 1995-96 dance season.

It's time to reflect back on our last few dances starting with St. Patrick's. Our cuer Ed Miller cued an Irish Jig Contra to "Dear Old Donegal." Caller Dalt Young kept us twirling with some fast-paced Irish tips. Fran Russell of Pocono Mtn. Dancers was coaxed into

telling a delightful Irish story, putting on a broad accent, of course.

At our April Fools' Dance, we had a chocolate sheet cake to celebrate the 65th birthday of our President, Don Connelly. The Easter Bunny Hop hopped right along, as did our Italian Night. Italian pastries and cookies were provided by the Thienponts and a pasta casserole by the Connellys.

We combined our club's 25th Anniversary with our Ice Cream Social. An early dinner at J.R.'s Green Scene was attended by 39 members and guests. We were happy to have Charter Members Annette & Paul Battaglia, Helen & Dan Gray, and Bruce Price join us along with Dick Pasvolsky, the club's first official caller. Souvenir pens and programs were given to all who attended. At the gym, black & white balloons (our club colors) decorated the walls and railings. Club memorabilia, pictures and newspaper clippings were displayed. Our resident artist, Marcel Thienpont, designed two scrolls, one listing the names of our charter members and the other listing our participation in various community events over the years. Anniversary cake was made by Vivian Hatfield. We thank those dancers from other clubs who joined us to help celebrate this memorable occasion.

These are only a few suggestions from experienced dancers on and off the Convention Committee. Use your imagination and come up with other ideas, and let us know.

Members of Mountain Squares are getting ready for our first dance of the season the third Wednesday of September. Check our ad and flyers for our complete schedule. All A-2 dancers will be welcomed with a smile and are promised a fun evening of dancing to our club caller, Joe Landi.

We were saddened to learn of the death of Ina Minor's sister, Laura Fletcher. Long-time square dancers,

Laura and her husband, Joe, were familiar figures at several clubs. They will be sorely missed. Our condolences go out to Ina, Joe and other members of Laura's family.

During the summer, Betty & Tom Gulya celebrated their 50th wedding anniversary, and Inez & John Iwanyshyn celebrated their 52nd. Congratulations and best wishes to both couples.

Our club officer roster remains about the same as before: Groths, Presidents; Finches, VPs; Slys, Secretaries; Angerers, Delegates; and Nitzsches and Henderson, Hospitality. The McCabes, Treasurers for several years, have retired, and Ina Minor and Lorretta Hartford are taking their place. We thank each and all for their dedication. The time and effort our officers offer our club are very much appreciated.

Hi folks! Welcome back to everyone.
 The summer heat and sometimes
 welcoming rain is history. The Wed-
 nesday summer dances brought to-

gether new graduates and us "ole folks." I wish I had the enthusiasm of the new dancers; it seems to have left me. The SI clubs are sponsoring classes (RIOS). PLEASE seek out those friends, neighbors, relatives and new acquaintances. Bring them to Our Saviour Lutheran Church, Bard & Forest Aves., on Mondays beginning the 3rd Monday of September. Frank Riviccio will do the rest.

The new officers: Presidents: Andersons, Reids & Rubensteins (sounds like a law firm); VPs, Janickis; Recy Secys, Clementis; Treasurers, Nadeaus.

Each of us have had sickness and loss of family and friends, enough to ask God, "Why?" Keep saying those prayers...He listens.

Welcome to the start of our new season, Rockland Promenaders! I

hope your summer was enjoyable and filled with dancing. We have a great line-up of callers for this season. I might add that we always have callers that are a challenge to your dancing ability. Our club is noted for its good dancing and its travel time on the road. No dance is too far for the Rockland Rowdies. I know you will keep up the support for our new officers and show the same spirit that has made our name know in the square dance world.

Even though our club doesn't hold dances over the summer, we participate in the Five Clubs dances in Roselle, which were well attended again this year. Also, a number of us have been preparing for the dance in

memory of Heidi Schmidt, raising money for the Juvenile Diabetes Foundation. A big THANK YOU to all who helped out with this worthy cause.

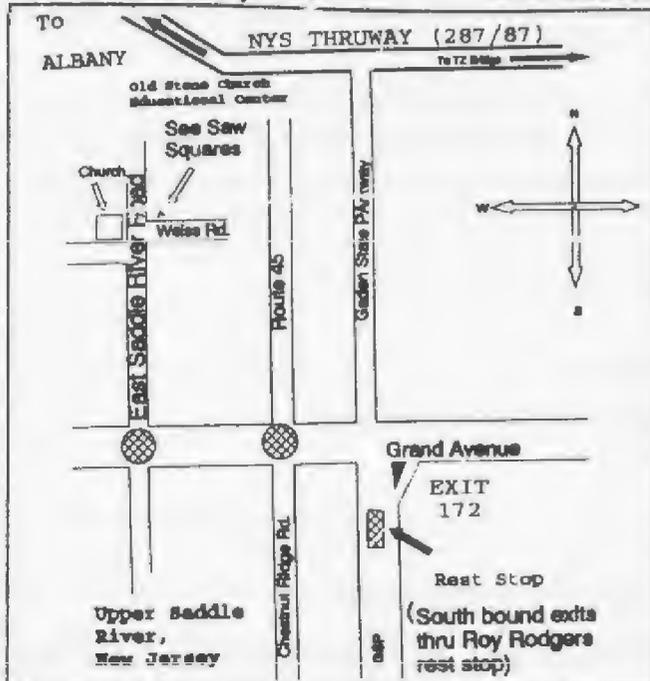

Our annual club picnic on August 6th at Duke Island Park in Bridgewater was enjoyable, even if the weather couldn't make up its mind. Thank goodness for the pavilion...what's a little rain, after all? Our lessons situation is still not certain. We are looking for a hall due to a last-minute change, so call for information. (Reporter's husband, Jeff, is VP and in charge of lessons - how convenient!)

See Saw Squares wound up a fun-filled 1994-95 season with a well-attended Ice Cream Social on June 17. The club was pleased to give special recognition to Phyllis & Norman Forgash for their many and continued contributions to the progress of See Saw Squares over the years.

Our resale night on May 6 was also a big hit. We keep running into people who found just what they were looking for in square dance attire at that special event. Our experiment with Western dance between tips during the past season was judged a big success, and we plan to continue it for the 1995-96 season. Many couples and single dancers found that they enjoyed the change of pace from the usual squares and rounds.

Spinning Wheels has had a very successful year, both at our regular year-round location at the Wayne Civic Center and at our air-conditioned location at the Temple Emanuel in Oakland. Our introduction to the Plus program at our dances has really worked wonders as is evident in the

the ability of our students who have asked our caller, Bob Robinson, to give Plus lessons this summer. They have learned at a very fast pace.

This year we are offering a free dance for two people to anyone who brings a couple who enrolls in our Mainstream class, which will be held in Oakland on Wednesday nights. It is still \$2.50 for members and \$3.00 for visitors to dance with us on Monday nights. Try us. You'll like us!

Our new Presidents, Ed & Evelyn Hochuli, and their Board were welcomed at a beautiful installation dinner and dance chaired by the Francos and Stevensons.

On a sad note, Frances Palladino passed away and will be missed by all. We extend our condolences to Ed

Hoculi and Susan Wolfe on the death of their mothers.

Happy retirement to Norman Kanter. Charlie Pearson has joined the Big "50" Club. Monica surprised him with a birthday cake and tickets to Las Vegas at the Kentucky Derby Dance, which they chaired. The Corneys had three new grandchildren in two months. To toot our own horn a little: our son, Bill, wrote a play entitled "Judgement Day" that was produced in a local SI theater and received very favorable reviews. Congratulations to the Bevans and Seligsohns on the marriage of their daughters; and to the Wielands on their son's marriage.

Our members were saddened in April when we learned of the passing of Art Rellinger, a long-time friend and "Life Member" of our club. With his wife, Helen, Art served the club in various offices, and was instrumental in starting the "Happy Squares," a group that visits nursing homes and senior groups to demonstrate square dancing. Although he couldn't dance with us for a few years, he wasn't

forgotten. We extend our sincerest sympathies to Helen.

Our April dance featured Jim Emory and we were visited by new dancers from Rockland Promenaders. Our May dance with Dick Mazziotti and Nick Raspa at the mike ended our season. However, despite a note appended to our last report, **WE WILL DANCE NEXT SEASON.** We'll look for everyone then. C'mon up and dance with us.

At graduation, our angels and new graduates danced together arky style. To make it less confusing, the ladies wore men's ties and the guys wore bows on their heads. They kept the squares going while continually batting at a balloon, to keep it in the air. Everyone who participated received a

balloon dangle from Joe & Eileen Rizzo. On the 4th of July, three squares, including friends from Ironia Reelers, Kittatinny Rangers and Lakeland Squares, demoed at Footbridge Park for the 150th Anniversary of Blairstown. Herb Conklin called. We had good audience participation, with many people coming up on stage to learn some square dancing.

John & Helene Nichols are touring Italy including Venice, Florence and Rome. As members of a canal club, they will especially enjoy Venice.

Hi everyone! Here we are about to start another square dance season. Hope you all had a great summer. Our summer dances, as part of the Five Clubs, were well attended and lots of fun. During last season, Y Squares completed 25 Raids, breaking our previous record of 21. Most of the

raids have been to neighboring clubs, but we did raid the required Association list. Credit for completing all these raids goes to our Raid Chairpersons, Maurie & Taras Berlinut. They really were super raid leaders. Our new officers have come up with some fun dance themes so check our flyers and ads. Come join us for a fun time. See you in a square.

SQUARE-VIEW

BY
MANNY AMOR

"I WAS TOLD I'D BE A NATURAL"

by Rusty Ball

September, 1995

It is the beginning of a new dance year, and time to go through your closets and review your square dance wardrobe. You probably do this periodically. Let us use some sort of system this time, a system that will also give your old wardrobe a boost without a great deal of time or money invested.

Start by taking your outfits from the closet and making 2 piles, one for those things you like, and one for those you don't enjoy wearing. For each outfit in the second pile, ask yourself the following question: "I/we would wear this outfit more often if it (fill in the blank...)" Some of the "wishes" may include:

● "Had a matching shirt..." We looked at several ways to solve this one last time, without making a whole shirt. Yokes and trim on pre-made shirts are easy solutions.

● "Had comfortable sleeves..." Maybe the sleeves are too short or tight. Add a row (or two) of 3" or 4" lace or trim on the bottom, and move the elastic down to a comfortable position for your arm. If the sleeve is too tight, slit it down the center from shoulder to hem and put in an inset of lace or other fabric. Total cost--less than \$5 for the fanciest lace.

● "Wasn't so plain..." Whoopee!!! Here is where you can really make a difference, and have a ball! Start by wandering through the local sewing-and-crafts shops; there are more than just sequins and jewels there; check each aisle and picture what any of those items could do for a square dance outfit.

1. Spaghetti ribbon, small pre-made bows, rosettes, florals, etc., are great; just make sure they won't snag on a crinoline. The washability of a decoration is not critical--it can be applied with a tiny safety pin on the underside; it can be removed when laundering the outfit, or changed for a new look at the drop of a whim. Add them around a skirt, on a bodice front, and/or a sleeve edge.

2. Add lace or eyelet under the hem edge, and match it on the bodice.

3. Look for the marvelous fabric paints, available with and without printed patterns for applying them. The best I have found for washability is the Tupil ColorPoint line; they love washing. (We have one painted outfit that has been washed and tumble-dried 25+ times over the past 4 years, and the only difference is that the paint is not as "pearlized" or shiny as it once was.) There are two types, ColorPoint and ColorStitch. The ColorPoint was designed with a tiny applicator tip for dropping tiny "pearls" of paint on the many iron-on patterns available. One nice thing about it is that if a mistake occurs, it can be "picked off" after 24 hours and re-done.

This same tiny tip allows the paint to be applied in a fine line, and these pearlized paints are lovely. Pull out some of your old iron-on embroidery patterns and go to town. Repeat the design on your partner's shirt and you will have a true "outfit." Iron-on patterns do not always wash out from under paint, so use a light pattern, and be sure the paint covers the lines.

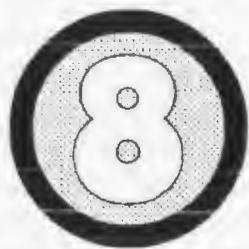

The ColorStitch paint is designed to "puff up" when ironed, and I have no experience with this as an embellishment for square dance outfits. I have also tried other paints, but some require special laundering that makes me avoid putting them on items that need to be washed frequently. Your comments are welcomed. I have had bad luck with the iron-on appliques sold in the stores; they all shrink off the fabric after a single wash, no matter how I "paint" them down; make your own from pre-washed fabric, and they are lovely and stay put.

Note: Be absolutely sure a fabric has been pre-washed before applying any fabric paint. Secondly, take care not to touch any painted areas with an iron. Finally, do not hang these so the painted areas touch each other until they "cure" for 2-3 months; the paint may stick a bit when left in direct contact with each other. If this happens, just pull it apart gently; we have never had the paint actually pull off. We just make sure to hang these items between other non-painted things, or inside out, for the first 2-3 months.

● "Was shorter, or longer, or had a new waist-band, or had a better crinoline, or a nicer blouse, or" So stop pushing it around the closet and fix it!! If you really can't/won't/shouldn't wear it any more, donate it to your club's "Poor Annie" or "Second-Hand Rose" sale. (Repair any obvious defects; things that are too worn to wear are an embarrassment.) The clubs who have these in December find they are a great money-maker, especially when held in time for the new dancers to buy things for the Christmas student-level dances. Some clubs may also take more expensive outfits "on consignment", with a percentage of the sale price donated to the sale fund; in this way, those lovely (expensive) custom outfits can be recycled more cost-effectively.

What about the second pile of things--the ones you love and enjoy wearing, but that may be getting "old-hat"? Hey, these are only "old-hat" to the friends who see them often, right? So put them on, and go to a club you haven't visited before!! Then they are new again--and so are you!!

OXYMORONS: FASHION AND COMMON SENSE

by Dick Mazziotti, Caller/Teacher

In this issue we venture into the crocodile infested waters of personal fashion and common sense, a pair of paradoxes if ever there were such things.

First of all, we attack the crinolines. A little history: in 1820, Fred Nobel applied for a patent for an explosive he called dynamite. He almost didn't get his patent. Just weeks before, Eraldo Ewanowitz had applied for a patent on an explosive form of cotton waste: vast amounts of cotton were compressed into a small bag. Upon loosing the bag's strap, the material expanded with explosive force to eighteen times its compressed size, usually rendering the unstrapper unconscious.

It didn't sell well to miners, but their wives immediately saw the advantage of being able to pack 20 pounds of clothing in a 5-pound bag. The crinoline was born.

Even today, it is a much misunderstood garment. For example, men continually complain of sore knees and legs after a square dance. Prevailing wisdom has it that they are just getting old. But researchers say, "Nonsense!" The pain and bruises come from being constantly assailed for four hours or so by flailing crinolines!

Henry Ford invented square dancing, and discovered the automobile. To this day, we would be using a tiller bar to steer with it hadn't been for Mrs. Ford and crinolines. While driving to dances, she found that her crinolines continually popped up over her face. Needing something to hold it down, she had Henry invent the steering wheel, thereby allowing women with crinolines to drive, while also providing a place for an air bag for those who do wear crinolines.

We explore this next item as a public service: the retractable towel bar that men wear. Since the dawn of time men have felt more macho wearing a holster. In the little-known "Autobiography of the Piltdown Man" early cavemen compare decorated leather holsters for their clubs. For modern man, usually no longer allowed to openly carry weapons, the towel holder serves the same psychological needs. But beware. There have been several severe injuries reported among devotees whose apparatus got momentarily caught on a lady's crinoline, and snapped back making an injurious impression upon male anatomy, not to say ego.

Belt buckles, originally adapted from straps used to hold down crinolines, have evolved a life of their own. Callers, in particular, seem afflicted by the need for this chromium counterweight. During the Second World War, Chrome was needed for the war effort. Today, war is probably impossible since all the chromium that went into bumpers, when they used to clang instead of thud, is

Northern New Jersey Round Dance Leaders Council

As the new dancing season approaches, we feel the call to reach out to all who have been admiring the round dancing they observe, longing to partake, yet finding themselves intimidated, believing themselves incapable of ever learning the "art" of round dancing. We encourage you to bring your "two left feet" to your local round dance leader and experience real joy as you realize that you are indeed round dancing. Bear in mind that round dancing involves you, your partner, music, and cues to include a great deal of pleasure. North, south, east, and west lights on a host of talented cuers ready, willing, and able to convey a wealth of knowledge to enable you to join and enjoy this wonderful sport. (We do admit that we are very, very prejudiced.) Look for flyers which will reflect round dance classes to be held in your area. You are certainly most welcome to call and/or ask any leader in your area about classes that are being held. We look forward to extending a welcome as you compliment your square dancing and enjoy the wonderful full enrichment of the round dance world.

We would be remiss if we did not remind you that plans are currently underway for the annual Fall Festival of Rounds. Every effort goes into providing a relaxed program of dancing to all your favorite NNJRDLC cuers. The program chairman assures us that some real delights are in the planning. Your part is only to support your leaders and attend this wonderful affair. It will be held the first Sunday in November at the VFW Hall in Elmwood Park. Post you calendar to ensure yourselves another fine afternoon of dancing pleasure.

GET A ROUNDS - North Brunswick, NJ

Mondays (no 5th)

American Legion, Linwood Pl.

The Get A Rounds have been around for two years. Under the direction of Roy Gotta & Kathy Koft, the club workshopped only classic dances throughout the summer. In the fall, they will resume their normal routine of dancing Phase III and workshopping to Phase IV (although there are still some Phase II & III Jive and Tango to workshop). The first Monday of every month is dedicated to Phase II, so that those round dancers who just enjoy doing the easier round dances have a place to proactive (and hopefully have fun). The 2nd-4th Mondays (no 5th) are the Phase III & IV previously mentioned.

PRINCETON ROUNDS -- Lawrenceville, NJ

Tuesdays **Lawrenceville Firehouse, Rt. 206**

Our 9th Anniversary in May was enjoyed by all as we contemplated just how far we've come by dancing in circles every Tuesday evening. Our recently retired officers, Gordon & Barbara Jacobson, were wondering exactly how one measures improvement in round dance skills. So, direct from the home office in Lakehurst, Gordy offers, "the Top Ten Ways To Tell You're Getting To Be A Better Dancer:"

10. You're partner stops tearing the "Tuesday" page off the calendar so you won't go dancing.
9. Most of the time you're dancing in the same direction as the rest of the floor.
8. You're having pleasant talk instead of loud radio on the drive home.
7. Goofing a cue in front of the camcorders, you can smile and grind teeth at the same time.
6. You and your partner "occasionally" agree on who made the mistake.
5. Fingernail marks and grip bruises fade away by Friday, when they used to last until Sunday.
4. You notice other dancers don't continue to gather on the other side of the hall.
3. Your partner stopped wearing steel-capped dancing shoes.
2. You notice Ron & Ree don't cry as much as you dance past.

AND... THE NUMBER ONE WAY TO TELL YOU'RE A BETTER DANCER...

1. You aren't totally intimidated by that Phase 10 ending to the Sabre Dance, "Slash & Splash."

Note: Slash & Splash - 3 double reversing Viennese crosses in quick step, vertical maneuver to a left-handed tandem handstand, rotate slowly to banjo, 3/4 flip to upper hall wall while syncopating an aerial lilt in transit, hold 3 beats, slow maneuver, and accelerate a left-footed slide to floor in reverse shadow skaters glide position, elevating the right leg in a modified developpe parallel to the floor and hold as music fades.

This fall will once again find us establishing a class for aspiring round dancers. LETTERS TO THE EDITORS . . .

They say all good things must come to an end. I must tell you that **Dance!** magazine will not be published by me in September 1995 or any other month. I have developed a severe eye problem that eventually will take my central vision completely. The time frame for this to happen can not be predicted by the doctors. At present I still have some central vision in my left eye. Use of the computer is particularly difficult. Standard refraction has failed, so I am legally blind.

It has been a pleasure and a challenge to provide you with a monthly magazine. Many have told me that it was the best of its kind in the U.S.

A group of individuals is attempting to take over my job and again bring you **Dance!** You must give this group some time to produce a viable product. If they are successful, you will be hearing from them. Please allow until at least November for this group to organize, learn all the many programs used to produce **Dance!**, and come out with a viable magazine. Anyone wishing to help in this endeavor, please contact me at 215-722-7663.

If I can obtain transportation, you will see me on the dance floor at clubs in Bucks and Delaware counties, including by own club, Liberty Stars. But for now I must say good-bye. I will miss you all very much. If you are so inclined, by all means keep in contact with me. I want and need to hear from you.

Ed Armon, Editor of Dance!

*Editors' Note: We have been exchanging with **Dance!** magazine for many years and will miss it. We pray that the doctors will find a way to repair his sight. We wish the new group the best of luck in taking over the magazine. See page 69 for a reprint of Ed's last editorial.*

LETTERS TO THE EDITORS continued from page 61.

Dot Loewenstein, in the Summer Issue of Grand Square discusses how to save square dancing. Her suggestions are fair ones and to the point, but none of them addresses the principal reason why clubs are failing and dancers disappearing.

In one word, the answer is "expense." We are discovering that there is a population of square dancers who belonged to 2, maybe 3 clubs, and danced at least twice a week. Dancers circulated in overlapping circles in an area so they became casually acquainted with a large group. As the rise in cost to the dancer over the past 5 years has escalated, that same population is dropping its multiple club membership and is dancing 2-3 times a month.

New dancers look at the expense of a wardrobe, the weeks of lessons to become expert, and the cost of the dances and decide to go country western. We've been dancers for over 40 years. Before retiring, we danced 2-3 times a week. After retirement, it was 5 nights a week. No more. Who can afford nearly \$50 a week for recreation?

Maybe when enough clubs close down, callers will begin to get the message to do something more than wring their hands and pass out flyers on "saving square dancing." There are callers who want to take the money and run and act insulted if asked for help in meeting this problem, but it is going to take the combined effort of all of us who love dancing to keep it going until younger people decide that square dancing is more fun than country western.

Name withheld upon request.

After 40 years of dancing, calling, and cueing, we had to retire from the square dance world due to poor health. At this time I am completely disabled and my eyes are failing, so I will not be renewing my subscription.

Square dancing has been my - or should I say our whole life and it has given us pleasure unmeasured. We are thankful to our friends for their participation and loyalty all these years. God bless them all. Sincerely,

Doris & Hal Holmes, Hyde Park, VT

In a burst of unfairness rivaled only by the invention of alimony, it was decided early on that men's arms might be offensive when all sweated up from the heat of dancing. Why women's sweaty arms are not similarly castigated is one of the seven mysteries of square dancing. But it was decreed that men, who generally sweat more because of hauling the holsters and big belt buckles around all evening, had to wear long-sleeved shirts, thereby making them warmer so they can sweat even more. Huh!!! I confess I am missing the logic there.

Silver Spur contd from page 5

Individuals who through their service, bring inspiration, toil and unselfishness into true spirit of square dancing to fellow men to "win their spurs."

No award such as this can touch every deserving individual. For every recipient there will be hundreds, whose contributions are equally noteworthy and deserving but will not be officially recognized. True reward for accomplished services in this activity is joy of "giving." No material trophy will equal this satisfaction. Recipients can be professionals, non-professionals, teachers, callers, dancers anywhere who unselfishly did much for the square dancing activity.

A genuine western silver spur, mounted on a plaque of walnut and designed by outstanding artists, symbolizes achievement and expresses the thanks of all who square dance to its recipients.

The Silver Spur has been presented only 25 times: 1956: Lawrence Loy, Dr. Lloyd "Pappy" Shaw, Howard Thornton; 1957: Harold & Thelma Deane; 1958: John Mooney; 1967: Ed Gilmore; 1972: Carl & Varena Anderson, Dorothy Shaw; 1974: Stave & Fran Stevens; 1976: Charlie Baldwin; 1977: Corky & Paulette Pell; 1979: John Kaltenthaler, Stan & Cathie Burdick; 1981: Dale Wagner, Jay Metcalf, Ted & Gladys Sparshatt; 1982: Gwen Manning; 1983: Dick & Jan Brown; 1984: George & Ann Holser, Mac & Mary McClure; 1985: Herb & Erna Egender; 1988: Nita Page; 1990: Mary D & Howard Walsh; Jerry & Becky Cope; 1995: Doc & Peg Tirrell.

AS I SEE IT

Well folks, this it. This is my last editorial as editor and publisher of **Dance!**. It is my last plea at sanity for our hobby.

Square dancing will never die completely, but is heading for obscurity at a rapid clip. Why you ask? Because as a group, square dancers are much too conservative and resistant to change. Consider these points:

- Dancing can no longer be considered a cheap form of entertainment. Cost for halls, callers, and cuers continues to climb. The day of the \$5.00 evening of entertainment is fast disappearing. The era of the \$10.00 dance has come and will continue to grow. The better local cuers are getting between \$60.00 and \$70.00 per dance. The better local callers are getting between \$120.00 and \$175.00 per dance. The average hall rental is between \$60.00 and \$100.00 per use. Fewer and fewer clubs can find a "free ride" from our schools.

- The era of casual clothing is here. As much as I like the square dance look, people today don't seem to have the kind of money needed to have two sets of clothing, one for every day use and one for dancing. In addition, people like to feel relaxed in our tension-filled 1990s. Part of feeling relaxed is to dress relaxed. Just look how many people dress even in dinner situations.

- We are as a group an aging population. It is hard to sell to younger people when all they see is gray-haired dancers in "funny clothes."

- Our approach to marketing our hobby has to change. The fun of dancing has to be emphasized. Training programs that take far too long have to be broken up into manageable segments, with each offering plenty of time to dance before going on. We have to offer the opportunity to learn to dance at different times during the year. The 10-10-10 program offers much promise. The practice of trying to integrate new dancers into Plus clubs in the space of one year has to stop. It pulls down the level of Plus clubs and produces weak new dancers.

Our governing organizations have to get involved in truly supporting the clubs in education, club interaction, officer training, and uniform practices.

- There are too many inadequate publications that don't give a true picture of dancing today. Everything is pictured as being rosy. Complete schedules are sorely lacking. Clubs that don't meet the criteria of belonging to the "organization" are somehow left out of the publications. Lead times to get information printed are up to nine weeks! Technology to solve this problem is here today. We must learn to use it.

But enough from me; it is time for others to fill my shoes. Good-bye for now and happy dancing.
