NNJSDA Presidents' Message

We welcome all graduates into our dances and our clubs! To keep your new members involved, encourage them to attend the NNJSDA summer dances starting in June – and, if possible, take the graduates with you. They will have

the opportunity to experience callers other than their teachers, and you can show them how good you are! We all look up to role models – become one.

We must assure new dancers that it's okay to make mistakes while they become comfortable with the calls. As Fran Wadel tells her students: Square dancing is the only recreation where you can cheat! (If you miss a call, just go on to the next one.)

In classes, wives and husbands often dance with angels. Now it's time to help them dance successfully with each other. Remind them to get into squares with experienced people who can guide them as needed. And tell them to be brave by dancing up front, where the caller can also more easily help them.

For ALL dancers: Don't forget to use the Freeloader and Patron forms included in graduation packets and available on the NNJSDA website. Attend Association dances, visit other clubs, have the forms signed, and collect dangles plus free dance coupons!

Raids: Join your club for visits to others. When at least eight members "raid" another club by going as a group, your club builds up points toward a special discount from the NNJSDA. (You can even have your Patron form signed on a raid.) Some clubs will be doing "banner raids" by "stealing" the host club's special banner; then the host has to raid their club in return to retrieve it.

Do you have something special or funny that happened to you in square dancing? Well, share that experience by submitting the story to *Grand Square*.

We look forward to seeing all dancers, new and experienced, at upcoming events. Remember: Dance, dance, dance! Have fun, fun, fun!

~ Richard Ball and Chris Wadel, NNJSDA Presidents

The following anecdote was included in a previous issue of Grand Square. As our Association presidents have recommended, please share your own square dance experiences that provided a good laugh! Send them to editor@nnjsda.org.

Just for Fun!

Where's Home? Alan was a few minutes late to the intro square dance, and they had just started a tip when he arrived. Being short on men, someone pulled him right into a square, mid-step. A bit disoriented, he turned to his partner and asked, "Where's home?" She stared at him suspiciously, then answered, "Morristown."

~ Janet Gerber (Reelers)

CONGRATULATIONS, PATRONS!

NNJSDA: FOUR INCENTIVE PROGRAMS!

The NNJSDA offers four great programs as incentives to visit other clubs as well as NNJSDA dances, plus earn financial awards and dangles.

For Individual Dancers

Patron: visit eight member clubs

Freeloader: attend three NNJSDA summer dances and Mini-Festival

For Clubs

(at least one square of members – complete program once or twice a year)

Raid: visit other member clubs totaling 200 miles

One Square Is Fair: attend five NNJSDA dances

For program rules and awards, visit nnjsda.org and click on “Documents.”

AI Can't Square Dance!

Perhaps some of you have discovered AI and have asked ChatGPT or other sites to answer questions, draft articles, or perform other five-second “miracles.” In light of the upcoming changes to the Plus program, which will now incorporate eight calls from the Advanced program, I decided to have some fun. I asked AI to create a square dance module using those eight calls: Clover and (Anything), Pair Off, Partner Hinge, Partner Tag, Pass the Sea, Quarter Thru, Scoot and Dodge, and Triple Trade. Well! The results were, shall we say, far from encouraging.

The first pass did not get beyond this: Heads, Pair Off; Clover and Square Thru 4. No can do! Once the heads Pair Off (same result as doing a Square Thru 4), they are facing the sides, a position from which no one can Cloverleaf. So, I “scolded” ChatGPT, explaining that it had to respect the definitions and the acceptable starting positions for each call. Duly chastised, it wrote back: “Yes, you’re right! Here is a revised version where all of the protocols are respected.” Wrong!

The second effort began: Heads, Square Thru 4; Pass the Sea (just like Pass the Ocean, but you step to a left-handed wave). This results in a Tidal Wave. So far, so good. Next call: Scoot and Dodge (think Scoot Back, but with the out-facing dancer dodging instead of flipping over into his or her partner’s spot), which, unfortunately, is not possible from a Tidal Wave.

Further attempts on my part to get an acceptable module were just as futile and led me to conclude: While AI may do many wonderful things, it can’t square dance!

(Aside to our trusty callers out there: Isn’t it great to know that you are still irreplaceable?)

~ Don Schlesinger (RocklandRockytops and Motiv8ors)

Y Squares Time Capsule Found!

While Y Squares unfortunately had to fold after more than six decades, a hidden gem was discovered while cleaning out the club's supply closet in Hehlny School.

Among the many table covers, napkins, cups, plastic utensils, and treasurer supplies was a box that appeared not to have been opened in many years. Inside was a unique find: a miniature covered square dance wagon that had traveled the world far and wide.

Inside the wagon was a letter explaining that it had been created by members Karen and Duane Hartline. A parchment roll listed the places it had visited and the many folks with whom it had traveled. Among its stops were Canada, Hawaii, New Zealand, Australia, Germany, and Great Britain.

The little wagon began its trek at the Y Squares 20th anniversary dinner-dance in November 1983. The idea was for it to visit dancers in faraway places and return in time for the club's 25th anniversary in 1988. Its first caretakers were Merri-Eights members Betty and Bernie Koft (yes, Dan's parents). Subsequent stops on our continent included Brooklyn, North Carolina, Ohio, Ontario (Canada), Wisconsin, and California. Then it headed off on an international journey.

Upon finally returning from its five-year global trip, the covered wagon contained the previously mentioned roster and was adorned with club badges and ribbons from all over the world. The dance wagon had completed its mission and had come back home in time to celebrate the club's 25th.

The photos below are from the club's final dance on September 11, 2025.

Gratitude for Donald Lane

Donald was a familiar face and friendly presence at club and Association dances. He served as Assistant 2nd Vice President of the NNJSDA, was an officer of various clubs, and especially enjoyed mentoring new dancers. His sudden passing in December following a fall has left an empty spot in our squares and a hole in our hearts.

New Mainstream and Plus Programs!

Our Mainstream and Plus programs are changing! Callerlab, an international organization of square dance callers, has introduced a simplified program structure that goes into effect on September 1, 2026. It offers a newly defined entry-level program and a streamlined path forward for modern square dancing.

The new programs and changes include equalizing Mainstream and Plus to 50 calls each. Fourteen calls have moved from Mainstream to Plus, one has moved from Plus to Mainstream, and eight have moved from Advanced to Plus. *There will be a transition period, so do not expect these changes to be effective immediately.* Further information will be available in the fall issue of *Grand Square*.

Callerlab's mission is "to foster the art of square dance calling and improve caller skills." The organization has published the new lists (see next page for the program changes); additional documents have been published for Mainstream, including a "Teaching Order and Dancer and Caller Transition Guide" and the "(New) Plus Teaching Order."

What does this mean for dancers?

- Mainstream graduates will be on the dance floor faster than in previous years.
- Many of the lesser used Mainstream calls will be heard more often.
- Current Mainstream dancers will need to learn one new call; current Plus dancers will need to learn eight new calls. Good news: There are plenty of places to learn these calls!

How do I learn the new calls?

- NNJSDA will include teaches of the new Plus calls at its summer dances. More information will be provided through the email list.
- Club and NNJSDA callers are encouraged to workshop new calls at dances.
- Several clubs are already including the new calls in their Plus programs. Check with your local club to get in on those teaches!
- Attend a teach session for the eight new Plus calls at the Mini-Festival.

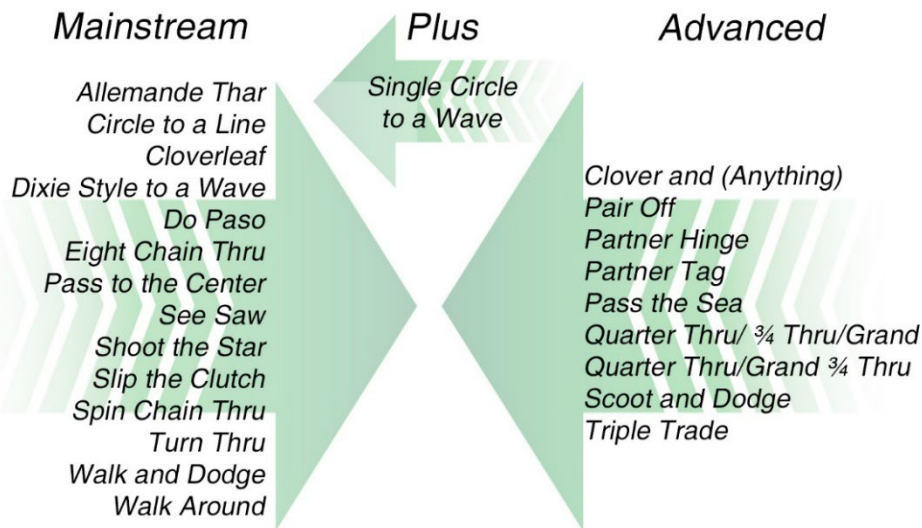

How do I know what program will be called at a dance?

- For advertising their dances in the 2026-2027 season, clubs have been asked to label each one clearly in the fall issue of *Grand Square* and in email notices: Mainstream, New Mainstream, Plus, New Plus.
- The expectation is that New Mainstream will be called at club dances following the graduation of fall 2026 Mainstream classes.
- NNJSDA will begin using the new Mainstream and Plus programs at the first dance of the 2026-2027 season.

Remember that Callerlab continues to produce information. Updates will be published in the fall/winter/spring issue of *Grand Square* after details have been finalized. Do you have questions? Please email me at secondvp@nnjsda.org.

~ Susan Horowitz (NNJSDA 2nd VP)

See chart on page 13 for calls added and dropped from each program.

Using the NNJSDA Website to Find Dances

The NNJSDA offers options for finding dances at our member clubs and the NNJSDA: announcements via the email list, ads and the calendar in *Grand Square*, flyers, and postings on our website. This article focuses on the website.

The first stop is “The Next Seven Days” section on the homepage, which is especially helpful in planning your dance week. Clicking on any date for an event in the upcoming week will show you the details. This is also a good spot to check before leaving your house to see if a dance has been canceled.

The next stop is the visual events calendar. (Select “Events Calendar” on the site menu.) You can view a month’s color-coded dance events and click on any entry for details: club = **blue**, student level = **purple**, NNJSDA other than student level = **green**, introductory dance = **orange**, canceled = **red**.

The final stop is on each club’s information page. Select “Our Clubs” on the site menu and then “Details” for a club’s page, where you can check when a club is holding its next dance and find a flyer listing all scheduled dances for a particular time period.

If you haven’t joined our email list and/or viewed our website, I suggest you do so to get the full complement of tools for finding events. While *Grand Square* is an excellent source, the website and email list provide more up-to-date information such as cancellations and changes (location, caller, program, etc.).

Comments, suggestions, questions? Please contact me at kenrbnsn@gmail.com and include a relevant subject line.

Where in the World Have Our Dancers Been? Memorable Dance Moments Submitted by *Grand Square* Readers

What Happens in Vegas

In February, I had the pleasure of visiting my son, his wife, and their two grown children in Las Vegas. We enjoyed a magnificent buffet at the five-star Wynn casino resort, where both my son and granddaughter work. We also visited the immersive Arte Museum, where visitors can feel waterfalls crashing, hear the ocean rolling, stroll through blooming flowers, and view art projected onto the walls.

Another highlight was Sphere, where we were “immersed” in *The Wizard of Oz*. The show incorporates parts of the original Judy Garland film, and we were IN the movie. Our seats rocked inside the tornado, we felt the wind, leaves blew around, snow (suds) covered us, and foam apples dropped down for the audience to catch.

There aren’t many square dance clubs in the Las Vegas area, but a special highlight for me was revisiting the Good Times Square and Round Dance Club, which was about an hour away. Another club was visiting the same night – and stole their banner as a way of encouraging visitation among the clubs.

There are two bears on the Good Times banner. About a decade ago, I was at the club and received a “traveling” stuffed animal named Edwina T. Bear to accompany me and collect dangles wherever I might go around the world – conventions, vacations, places of interest, and so on. Each of the club’s traveling bears is named after a member, and the human Edwina was delighted to see “her” bear again, bedecked with lots of dangles!

Florida State Square and Round Dance Convention

In January, several NNJSDA members headed south – hoping for some warm weather. Well, it was a bit cold even in Florida! We attended the 71st Florida State Square and Round Dance Convention in Deltona from Thursday night through Saturday, January 15-17.

The theme was “Survive the Curse at the 71st.” Programs ran day and evening with breaks for meals. Next year the event will be held in February in Deltona. Pictured below are Donna Brady, Carole Casale, Gary Bergman, Dennis Hunsberger, Jane Mastrolia, Debbie and Jose Obarrio.

After the convention, Jane, Dennis, and Carol met at Orange Blossom, a club that dances every Sunday night in The Villages. The caller was our own Betsy Gotta! We were also invited to dance on Monday with Stars and Stripes in the southern end of The Villages. We certainly got out dancing this January!

Another great season of dancing is drawing to a close at Bee Sharps. We have offered a full range of dance opportunities this year including Mainstream, Plus, and rounds at most of our regular dances; 16 Plus DBD workshops taught by Dane Bragg; and Mainstream lessons taught by Karin Rabe and Greg Moore. We even had the occasional Advanced tip to end our Friday night dances. Thanks to all our friends and raiders from other clubs who make our events even more enjoyable.

We were thrilled when Karin and Greg agreed to teach Mainstream for us this year, and they have made every class a wonderful dance experience. The music is always upbeat and their lyrics are creative and fun – as you can see in this photo when we danced to the Beatles’ “Octopus’s Garden”!

We will soon be graduating our class of new square dancers: Laura Berman, Kendall Cole, Trey Cole, Mary Dennis, and Bonnie Jensen. After the class finishes in mid-June, we will host several summer workshops to focus on Mainstream with an opportunity to dance and review problem areas. We welcome new dancers and angels from neighboring clubs to join us in June, July, and August. Details of the workshops are listed in our ad on page 16.

We were saddened by the passing last year of two longtime Bee Sharps members: Jane Ross in August and Bob Moore in December.

Jane lived a long and full life – as a nationally ranked tennis player, being rescued by helicopter from the summit of Machu Picchu, dancing with her son (Larry), and spending summers in Cape Cod surrounded by her loving family.

Bob passed away after spending the day as he often did – running errands with his dance companion, Sharon Duncan, and their Saturday tradition of sharing a pizza dinner. We miss Jane’s smile and Bob’s kindness at every dance.

On a happier note, Bee Sharps member Terry Woltman became a grandma again. She now has five granddaughters and one grandson.

We will be starting our next square dance season with a very special caller. See our ad on page 16 to learn who that caller will be!

SECRET FOR NEW DANCERS

As you venture from your home club to other club and Association dances, here’s a secret for good dancing: *Try to square up with experienced dancers* rather than with your classmates and other recent graduates. They will help you!

The Belles & Beaux Mainstream students graduated on March 19, 2026. Dorothy Tobe was a new student; Jene Brennan, Denise Holzsager, and Jack Pigut took the class for the second time. They should all be proud of the time they put in to learn the calls. B&B president Chris Wadel, class teacher Fran Wadel, and class coordinators Diane Gaydos and Richard Ball welcomed the new members into our club. There were lots of laughs when they had the graduates dancing with paper bags on their heads. The festivities included a celebratory cake, delicious sandwiches, and decorations. We look forward to seeing the new members at upcoming dances.

We thank Don Schlesinger for teaching us the eight calls that moved from Advanced to Plus. He told us they were easy, and he was correct. Thanks, Don!

Our fantastic annual murder mystery will take place on Wednesday, May 6. Some of our club members will perform in a play where the audience must guess who the murderer is. We invite all square dancers and their non-dancing friends to attend. There will be a special tip for anyone who has never danced before.

Save the date of Saturday, October 17, for our annual mystery bus ride. We will go from morning to evening touring different places, having dinner, and dancing in the evening. Clues will be provided on the bus to see if you can guess where we are heading!

Anyone who attended the Circle Eights 65th anniversary dinner-dance at the Brownstone on September 28, 2025, knows what an amazing afternoon it was! Attendees were treated to delicious food, dancing to international caller Bill Harrison, and conversing with dancers and members from numerous clubs. Circle Eights is grateful to all who took the time to celebrate with us. We particularly thank Arlene Remington, the event chair, and Ann Cavanaugh, who earns kudos for composing an entertaining and thorough club history.

During this dance season, Raid chairs Kim and Rich Ferrentino fearlessly led the club to completion of the 200-mile Raid program. We visited and danced with Bee Sharps, Belles & Beaux, Kittatinny Rangers, Lakeland Squares, RocklandRockytops, and Y Squares. One of the best parts of all the raids is sharing dinner with our club members beforehand at a restaurant near the venue. The final raid at Y Squares was especially fun. Their gracious and lively members provided delicious snacks and a wonderfully refreshing homemade punch. We are all sad that the club has disbanded.

Circle Eights had a great class this year. We appreciate dancers from our own and other clubs who angel every Tuesday night. In December, we enjoyed a pre-class holiday celebration at The Cornerstone in Hillsdale, where the students presented crocheted and paper angel ornaments to their “angels.”

Although Mother Nature caused cancellation of two dances this winter, we were happy that she didn’t interfere with our student dance in February. It was very successful with more than six squares. We thank Bee Sharps and Hunterdon Flutterwheels for their wonderful raids; our March dance had just short of 10 squares, something not seen in more than 10 years!

Circle Eights continues to invite you to attend our convenient Sunday afternoon square dances in Maywood. Raiders are always welcome!

We opened the season in September with a community Fall Equinox Dance Party led by Mary Moody. Four squares learned some new configurations and folk-dance moves, and we had fun meeting potential new members. At the Hispanic American Heritage Dance called by Dane Bragg, beautiful Hispanic art and decorations brightened the hall for more than four squares. At the PeopleCare Center, Dancing Down on the Farm featured live music by the Longhill String Band and spirited calling by Howard Richman.

The patriotic Saluting Our Armed Forces dance included a salute to veterans in a hall decorated with red, white, and blue. Several former service members wore parts of their uniforms, and we wrote notes to veterans in appreciation for their sacrifices. Mary Moody called the Maize Craze Dance featuring corn-based (maize) snacks and decorations, and dancers dressed in yellow.

In December, we celebrated National CBD (Cookie and Brownie Day) with Karin Rabe and Greg Moore calling to four squares; antique baking tools adorned the snack table. Our last dance of the year was called by Dane Bragg and featured “ugly” holiday sweaters. To channel the spirit of the holidays, we collected items for the Open Cupboard food pantry.

A spirited group of members in sparkly outfits rang in 2026 at the New Year’s Eve celebration hosted by the Gottas and Kofts. We began the new year with an Absolutely NOT Our Opposite Day Dance. Many dressed or coiffed in opposites of the color spectrum – for example, one wearing a white top with black bottom while the partner wore the opposite. Jenn Engimann’s calls provided fun musical interpretations. The Winter Respite theme at the end of January featured hot cocoa and games to break up the winter blues.

The February Souper Bowl XI dance was moved to the Senior Center while our regular hall was used as a warming center. Instead of the usual homemade soups and halftime snacks, our resourceful officers changed the focus to collecting canned and packaged soup for the food bank. We had an entertaining evening with Howard Richman’s always humorous and challenging calling. Dane Bragg called the Loving Our Pets dance featuring photos and anecdotes of dogs, cats, birds, llamas, and rabbits.

In March, we celebrated National Napping Day by wearing pajamas and eating nighttime snacks with calling by Mark Franks. Joanna Lieuallen, our newest caller, taught a “carousel” move and sang a duet with Mark. We celebrated three members who share a birthday: Nan Brown, Paula Lawrence, and Cathy Pecka.

We graduated 10 Mainstream students in January and have a second class of 11 (taught by Mary Moody and Joanna Lieuallen) in progress. Our Plus class has 24 students (taught by Dane Bragg). Our raiders are having fun visiting other NNJSDA clubs.

~ Marja van Ouwkerk (pmarjavo@gmail.com)

Greetings from the Kittatinny Rangers! Thanks to all the clubs that were kind enough to raid and to the people from various clubs who have joined us to dance individually.

We enjoyed a successful fall and winter season. Due to the efforts of our president, Donna Poyer, we enjoyed 11 different callers – what a privilege for new and seasoned dancers to have this opportunity. In March, Sharon Trimble and Maryjane Clewell called two student dances in honor of our eight Mainstream graduates. A graduation ceremony was held on March 19. Pictured left to right: Edward Scott, Connie O’Grady, Cathy Garrison, Milton Jager, Heidi Conkling, and Sue Van Sickle (missing: David and Karen Penicaro).

Our newer members over the last several years are enthusiastic supporters of the Rangers. They include Tina Ammerman, vice president and class coordinator, and Pat Mascenik, publicity. Many also dance and serve as angels with other clubs.

We are thankful for our long-term members who mentor and continue to provide an atmosphere of fun and friendship: Donna Poyer, president; Karen Hartman, assistant class coordinator; Bob Leshnower, treasurer; and angels.

One of our strongest members, Paul Olsen, passed away in October. We remember Paul for his and Mary’s dedication to the Rangers. They were also very involved with their family and community. We often wondered if his quiet strength and empathy came from the fact that he was one of 10 siblings!

Several years ago, Eddie Mindlin reunited with his friend Don Lane, who had moved to his town. Eddie encouraged Don to return to square dancing, and he came to angel at a Kittatinny Mainstream lesson – a welcome addition to the class and the club. Eddie and Don started to carpool to other clubs, and Don became actively involved with many of them as well as the NNJSDA. Thus we felt a special sense of loss when Don, a gentle soul, passed away unexpectedly in December. He will be remembered for his inclusive nature and kindness.

The Kittatinny Rangers dance on second and fourth Fridays from September to June. We invite you to joyfully dance and enjoy our delicious refreshments.

Ahoy! Lakeland has become a dress-up-for-the-theme club. The vacation theme featured dancers posing under a beach umbrella with sunglasses and everything vacation. At our Veterans Day dance, people came in uniform, military-style clothing, or red, white, and blue. On polka dot night, all kinds of dots were seen – even cutout cloth dots added to our clothes – and many toys for tots were donated. Mardi Gras saw brightly colored clothes and lots of beads. Pirate night featured earrings and hand claws. Dancers celebrated winter wonderland in hats, gloves, and scarves. For Halloween, 19 dancers joined the costume parade in a wide variety of outfits, including three minions.

One of the most popular themes was nursery rhymes, where the following were spotted on the dance floor: Muffin Man, Goldilocks and the Three Bears, Mary and her little lamb, Little Bo-Peep, Little Miss Muffet, the dog from Old Mother Hubbard, the cow that jumped over the moon, Wee Willie Winkie, Jack and Jill, Old King Cole, Mary Mary (quite contrary), a blind mouse, and the housewife chopping off its tail. Thank you to Celia Longendyck and Doina Ralea for all the planning and decorating.

Sadly, we have lost 12 dancers. Gil Collins, Donald Lane, and Jane Ross passed away. Ruth and Ric Lufkin retired to Pennsylvania. Taimi and Bob Reip relocated. Others are no longer dancing due to medical issues: Janet and Steve Eid, Eddie Mindlin, Arthur Sakelakos, and Aleta Schulien. We miss these wonderful Lakelanders.

Thankfully, we have seven excellent and enthusiastic students who graduated on March 23: Bill Faber, Lisa Forrest, Martin Gurney, Cathy Harris, Charlie Harris, Terry Kearney, and Amanda Ouzer.

The Middletown Ramblers meet in an air-conditioned hall in Monmouth County every Friday night all year round (except holiday weekends). Our current president, Larry Sherwood, has held this position multiple times!

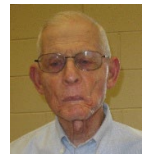

The Ramblers are proud to have Doug Kauffman as our Tuesday night teacher. Class coordinators are Kelsey Kazmac and Patty Ross. This year's 12 Mainstream graduates all continued on to Plus. Angels and students are having a lot of fun, and some recent graduates are getting involved with the club and the Association:

- Karen Berner and Sandra Stewart co-coordinate refreshments.
- Kelsey Kazmac is NNJSDA delegate as well as a class coordinator.
- Leslie Knott is club secretary.
- John Luard is membership chair.

We greatly miss two of our members. Michael O'Farrell passed away on October 14, 2025. A 2015 graduate, he was enthusiastic from the start. Mike served as a board member, Sunshine Club chair, and NNJSDA delegate. He regularly visited other clubs and willingly helped anywhere needed.

Al Peskoe passed away on January 10, 2026. He graduated in 2003, angeled for 12 years, and was president from 2010-2011. He greeted guests, made announcements, generously contributed knickknacks as prizes, and referred to the Ramblers as "the greatest eating club"!

Check our website for upcoming locations while Croydon Hall is being renovated. Join us on Friday nights for summer dancing – and lots of Raid miles!

Holiday Potluck Dinner-Dance

We heartily welcome new members Ed and Maureen Pedersen and Sharon Trimble to our club. In addition, we congratulate Sharon on her graduation from the Northeast Callers School.

At the end of the summer, Maryjane Clewell spent a week in Williamsburg, Virginia, with her family. They visited Jamestown and the Virginia Living Museum, rode the car ferry across the James River, and relaxed around the pool.

In September, several of our members attended the final Y Squares dance. When Louis and I were new Mainstream dancers more than 35 years ago, Y Squares was one of the clubs we frequented. We will always be grateful for their hospitality and encouragement.

Maryjane Clewell and Claire Zimmerman took a vacation that included Pittsburgh, Pennsylvania, where they visited the Phipps Conservatory and rode the double-decker bus and the incline train. In Ohio, they saw the world's largest cuckoo clock, took a train ride through Cuyahoga Valley National Park, and visited the Rock & Roll Hall of Fame.

Susan Adam and a college friend enjoyed two four-day watercolor workshops at the historic Shawnee Inn on the Delaware River through the Road Scholar organization. They learned a lot, had a grand time, and were proud of their beginner painting results.

Motiv8ors members celebrated the holiday season with a potluck dinner of delicious and varied homemade soups, breads, deviled eggs, and desserts. Yum! Good food was followed by a fun evening of dancing called by Karin Rabe and Greg Moore. Who could ask for more? We plan to make this an annual event.

Our members could be seen on the dance floor at Autumn Leaves Festival (Vermont), Harvest Festival Hoedown (Pennsylvania), NNJSDA Mini-Festival, Cherry Ridge Campsites (Pennsylvania), and WASCA Convention (Virginia).

New arrivals: Cathy and Don Schlesinger were tickled blue upon the birth of their newest grandchild, Jared Thomas. With open arms and loving hearts, Louis and I welcomed grandbaby #6, Rivkah Basya.

It is with a heavy heart that we note the passing of Fred Meyer, a former officer of Motiv8ors as well as Hi Taws and Belles & Beaux. A kind and gentle man, he always had a joke to tell and a smile on his face. In addition to square dancing, he loved ballroom dancing and his longtime partner, Rochelle.

~ Jan Thompson (ltpt1@yahoo.com)

HANDHOLDS: EASY DOES IT

When taking another's hand during a call, please take hold loosely and gently ... and then release quickly. Never grip a hand or continue holding while going on to the next dancer or call. Very loose holds will keep hands happy and the square moving.

Greetings! We're ready to "reel" in summer after a cold, snowy winter! Our dance year so far has been a busy, fun-filled one with plenty of great dancing, smiles, and laughter to go around. For our dance featuring caller Ted Lizotte from New Hampshire, we had a wonderful turnout with more than eight squares including raiders from Bee Sharps, Belles & Beaux, and Lakeland Squares.

Along with renewing friendships and enjoying more square dancing after our summer hiatus, we sadly grieved the passing of three treasured Reelers – Donald Lane, Paul Olsen, and Judy Smith. All of them added their own special uniqueness to our club and to our lives, and they are truly missed.

Our holiday party was graciously hosted once again by Kathy Fetch. Along with her home's holiday décor, great food and games added to the festivities.

This year's Plus class has 12 students. With our dedicated angels, we have three squares dancing on class nights, making class night feel like dance night!

Several Reelers – Gale Frankle, Helen and Bruce Haskell, Nancy Jacobs, Lea and Victor Keen, and Linda and Rick Murphy – attended the ever-popular WASCA Spring Festival in March in the Washington, DC, area. Their dance shoes are now well worn!

Reelers love to raid and were the only club to complete the NNJSDA's trial "Visitation" program in 2024 and 2025. We invite Mainstream clubs to raid us during the rest of this spring season, as we have added Mainstream alternating with Plus; admission for Mainstream-only dancers is reduced to \$5.

Be sure to join us at the PeopleCare Center on **September 18** for our **65th Anniversary Dance**: "Cheers to 65 Years!" Special guest Dan Nordbye from Arizona has called in many states and five foreign countries, and has more than 90 singing and patter recordings. The format will be Mainstream/Plus/Rounds, so everyone can come and help celebrate our anniversary! Raiders are always welcome!! For more information, please visit our website at reelers.nnjstda.org.

It was an unusually cold and snowy winter, but luckily the weather did not necessitate any RocklandRockytops dance cancellations. However, we were disappointed to have to cancel our February Student Dance with Fran Wadel due to unavailability of a venue.

Betsy Gotta was scheduled to call our October 10 dance. As most of you are aware, she had a bad accident, and we were fortunate to have Paul Ingis fill in. He called a wonderful dance and gave us a repeat performance on November 28. Thankfully, Betsy is now fully recovered, and we were delighted to welcome her back at our February 27 dance.

The morning of December 19, 2025, literally at the 11th hour, Sandy Corey became ill and was unable to call our Holiday Spirit dance. Luckily, Howard Richman was available and came to the rescue. Seasonal songs and refreshments were enjoyed by all. Thank you, Howard, for the festive occasion!

We had a nice turnout for our first dance of 2026 with 19 visitors from clubs in New Jersey as well as Katonah, New York, including a number of new faces. Howard Richman again was our caller, and it was another delightful evening.

On January 23, we were treated for the first time to the fine calling of Paul Ingis's son Stephen. Other callers who kept our toes tapping this season were Randy Longobucco, Ed Foote, Mark Franks, and Jim Emory.

Congratulations to Cathy and Don Schlesinger on the October 15 arrival of another grandson, Jared Thomas! Best wishes to Debbie Moran for a speedy recovery from her fall on the ice. You are missed on the dance floor, Debbie! Our thoughts and prayers are with Theresa Kane and her family for the recovery of Theresa's father from his critical health issues.

We hope all dancers (and callers) stay healthy and accident free, and that we see you soon in a square at RocklandRockytops.

During our last dance of the past season, longtime member and new vice president Ken Robinson successfully danced a full tip – the first one since his recent surgery. We wish him continued success in his recovery! We are grateful that our longtime club cuer, Roy Gotta, has also recovered from recent surgery.

We have hosted several raiding clubs this season and appreciate all those who came out to visit us and perform their entertaining rituals. At our final summer dance last August, we had the pleasure of hosting raiders from both Belles & Beaux and Reelers. For those who have never experienced these raid routines, either by participating or witnessing, please enjoy them through this link (unmute for music): rutgerspromenaders.org/videos2/raids.

Unfortunately, Mother Nature made her presence known in a more memorable way than usual this past winter. As a result, we were forced to cancel one of our January dances outright as well as find an alternative venue for our two February dances. We are grateful to the staff from the PeopleCare Center for their kind assistance in helping us out with our desire to keep the dancing going.

Many of you have danced with my husband, John, through the years of our club's existence. For those who might not be aware, he passed away last August after several years of declining health. It was through my introduction to him that I also learned the joys of square dancing. For this, I will always be grateful.

We welcome all to our inclusive LGBTQ+ square dance community!
independencesquares.org - timesquares.nyc

The end of summer 2025 saw Times Squares finalizing our plans for fall and winter dances and beginning our planning process for 2027. Our Mainstream class that started at the beginning of August graduated several repeat students and three new dancers, all of whom became club members.

The new dancers had learned enough by October to participate in our annual Peel the Pumpkin fly-in. This successful one-day event, featuring callers Ken Burke and Betsy Gotta, was attended by members of several of our sister clubs – some coming from as far away as California! And Betsy was ever the trooper, having sustained an injury shortly before the fly-in. Perched on her stool, she did not let her temporary incapacity get in the way of providing her usual excellent calling.

Our fall and winter line-up of dances included favorite callers. Mark Franks, Betsy Gotta, Ted Lizotte, Ett McAtee, and Howard Richman all provided a great time at Thursday and Saturday themed dances including Wigstock, Turkey Lurkey, Boxing/Boxer Day, Pajama Party (with a glow stick tip), and Mad for Plaid. Dancers and callers joined in the various festivities by donning costumes and accessories, making a fun time for all.

Our first open house of the year exceeded expectations with a crowd that broke all recent records – five squares and 16 first-time attendees! As a result, we started our January Mainstream class with 14 new students who will be graduating in a few weeks. They have been supported by many of our club members serving as angels. Thank you, angels!

The Mainstream class is only one part of an ambitious program plan. In addition, we have a Thursday Plus class combined with an Advanced workshop. This is the first time we have offered Plus instruction in a while, and we have several Mainstream dancers who have been eager to move to the next level. They too will be graduating shortly.

As we look forward, summer will not be a quiet time. We are working on final preparations for Wheel Around New Jersey on May 9, co-sponsored with Independence Squares. We're also getting ready for various spring fly-ins and the annual IAGSDC Convention in Montreal in July.

Tips for Your Tips: Playing with Ocean Waves

reprinted from Grand Square September 2016

Many calls in the Basic and Mainstream programs are defined with a starting formation of facing dancers. However, to make choreography more interesting and challenging, some callers will use a mini-wave or an ocean wave as the starting formation for those same calls. The facing couples/ocean wave rule states that anything that can be done from facing couples can be done from an ocean wave and vice versa. Thinking quickly and knowing how to proceed from your formation will determine whether your square is successful or not.

Pass Thru – The majority of time, Pass Thru is called when you are facing another dancer. From this position, imagine the call has two parts: (1) taking one step to be side-by-side with the person (right shoulder to right shoulder), and (2) taking another step to move past him or her, thus completing the passing action. However, if you are in an ocean wave when Pass Thru is called, quickly think to yourself, “I have already done the first part. Now I need to take only one more step to complete the call.” In short, ocean wave = half of a Pass Thru or Pull By.

This thought process can be extended and applied to other calls. In each case, regardless of whether the starting position is facing dancers, a mini-wave, or an ocean wave, *the end position is the same.*

Right and Left Thru – The step that completes the passing action is followed *immediately* by a Courtesy Turn – which comes a lot faster than you think.

Dosado – The step that completes the passing action is followed immediately by taking a step to one’s right to pass back-to-back with the other dancer.

Square Thru – The step that completes the pull by action is followed immediately by turning one quarter (90°) into your box, followed by extending your left hand for the next Pull By. Note: You will be working with the dancers from your original wave.

Turn Thru – From a right-handed ocean wave, the Turn Thru is with the person whose right hand you are holding.

Slide Thru – The step that completes the passing action is followed immediately by men turning one quarter to their right and women turning one quarter to their left. Note: Do not assume you will end in facing lines; follow the definition.

Right and Left Grand – Imagine your square is in a thar position, which is really two ocean waves crossing each other in the middle. Following the same thought process, it requires taking only one step forward to complete the first right hand Pull By (usually followed by left, right, and left Pull Bys). In the case of Weave the Ring, the first step forward completes the first right shoulder pass.

Load the Boat (Plus) – When starting from a tidal wave, frequently the caller will helpfully suggest that dancers rear back before they begin to execute the call. When you rear back to momentarily “become” two facing lines, it is easier to recognize whether you are a center or an end, and to see which dancer you are “facing” and thus with whom you will interact.

Go ahead: Get your feet wet, and have fun playing with ocean waves!
